## National News—1965

**1 A Wave for Friends**—Cuban refugees waved to Cuban exiles on shore as their coast guard cutter approached Key West last fall. Such emotional scenes occurred frequently after Castro announced his "open door" policy, allowing certain groups of Cubans to leave his dictatorship.

**2 Pioneer in Space**—Astronaut Edward White stepped from his Gemini IV space capsule and into the void of space last June. Maj. James McDivitt, his companion on a 3½-day orbital flight, had to coax White back into the capsule after he had traveled 20 minutes suspended from Gemini IV. Gordon Cooper and Charles Conrad were the next space twins to orbit the earth. They completed their 8-day flight in Gemini V during August.

**3 Medicare Bill Signed**—President Johnson signed the Medicare Bill into law July 30 with former President Truman at his side. Witnessing the event that had far-reaching effects on Social Security benefits for the elderly were (left to right) Lady Bird Johnson, Vice President Humphrey and Bess Truman. The ceremony was held in Truman Library in Independence, Mo.

**4 Temporary Mood**—Dodgers Manager Walter Alston's mood of dejection after the Minnesota Twins won the sixth World Series game did not last long. The Dodgers emerged victorious in the 7th game and captured the pennant.

**5 Double Space Spectacular**—Astronauts Wally Schirra and Tom Stafford got this view of the Gemini 7 spaceship December 15 while traveling in their Gemini 6 craft for their historic rendezvous adventure. Schirra and Stafford rode their red-hot craft back to earth the following day, but Gemini 7 completed a 14-day mission before its re-entry. Making the longest and most significant voyage in space in Gemini 7 were Frank Borman and James Lovell, Jr.

**6 Plea for Peace**—Pope Paul VI stood before the United Nations General Assembly in New York on October 4 to deliver his plea for

world peace. His unprecedented, one-day visit in the U.S. was the culmination of plans by men of all faiths.

**7 After Surgery**—President Johnson was photographed in a reclining chair at Bethesda Naval Hospital the day after his gall bladder operation on October 8. He conducted the work of his office from his hospital room and his Texas ranch during his recuperation.

**8 Proud Student**—Charles Craig, 19-year-old freshman at Iowa university, demonstrated his criticism of draft-card burning incidents by displaying his draft card on his jacket with the note: "I'm a draft card carrying American and proud of it." Our role in the Vietnamese war sparked the incidents.

**9 Blackout**—The glittering metropolis of New York City was thrust into darkness on November 9 by a massive power failure affecting hundreds of miles along the eastern seaboard. City residents and commuters were stranded in offices, railroad and subway stations for hours before service was restored. The crippling condition was caused by a faulty relay at a Canadian generating station near Niagara Falls.

**10 New Ambassador**—Arthur Goldberg was named U.S. Ambassador to the United Nations by the President after the death of Ambassador Adlai Stevenson on July 14 in London. Goldberg was secretary of labor under President Kennedy and a U.S. Supreme Court Justice when named to the U.N. post.

**11 Startling Fashions**—Bold and contrasting blocks of color were the youthful fashion note of 1965. The eye-catching designs even extended the length of campus stockings worn with the costumes.

**12 Royalty on Tour**—Princess Margaret and her husband, Lord Snowdon, arrived in New York on November 4 for a whirlwind tour of the U.S. During their visit, they took time out for fun-filled activities such as a ride on a cable car in Frisco and gala parties in Hollywood and the nation's capital.

# THE PILLAR

MATAWAN REGIONAL HIGH SCHOOL

MATAWAN, NEW JERSEY

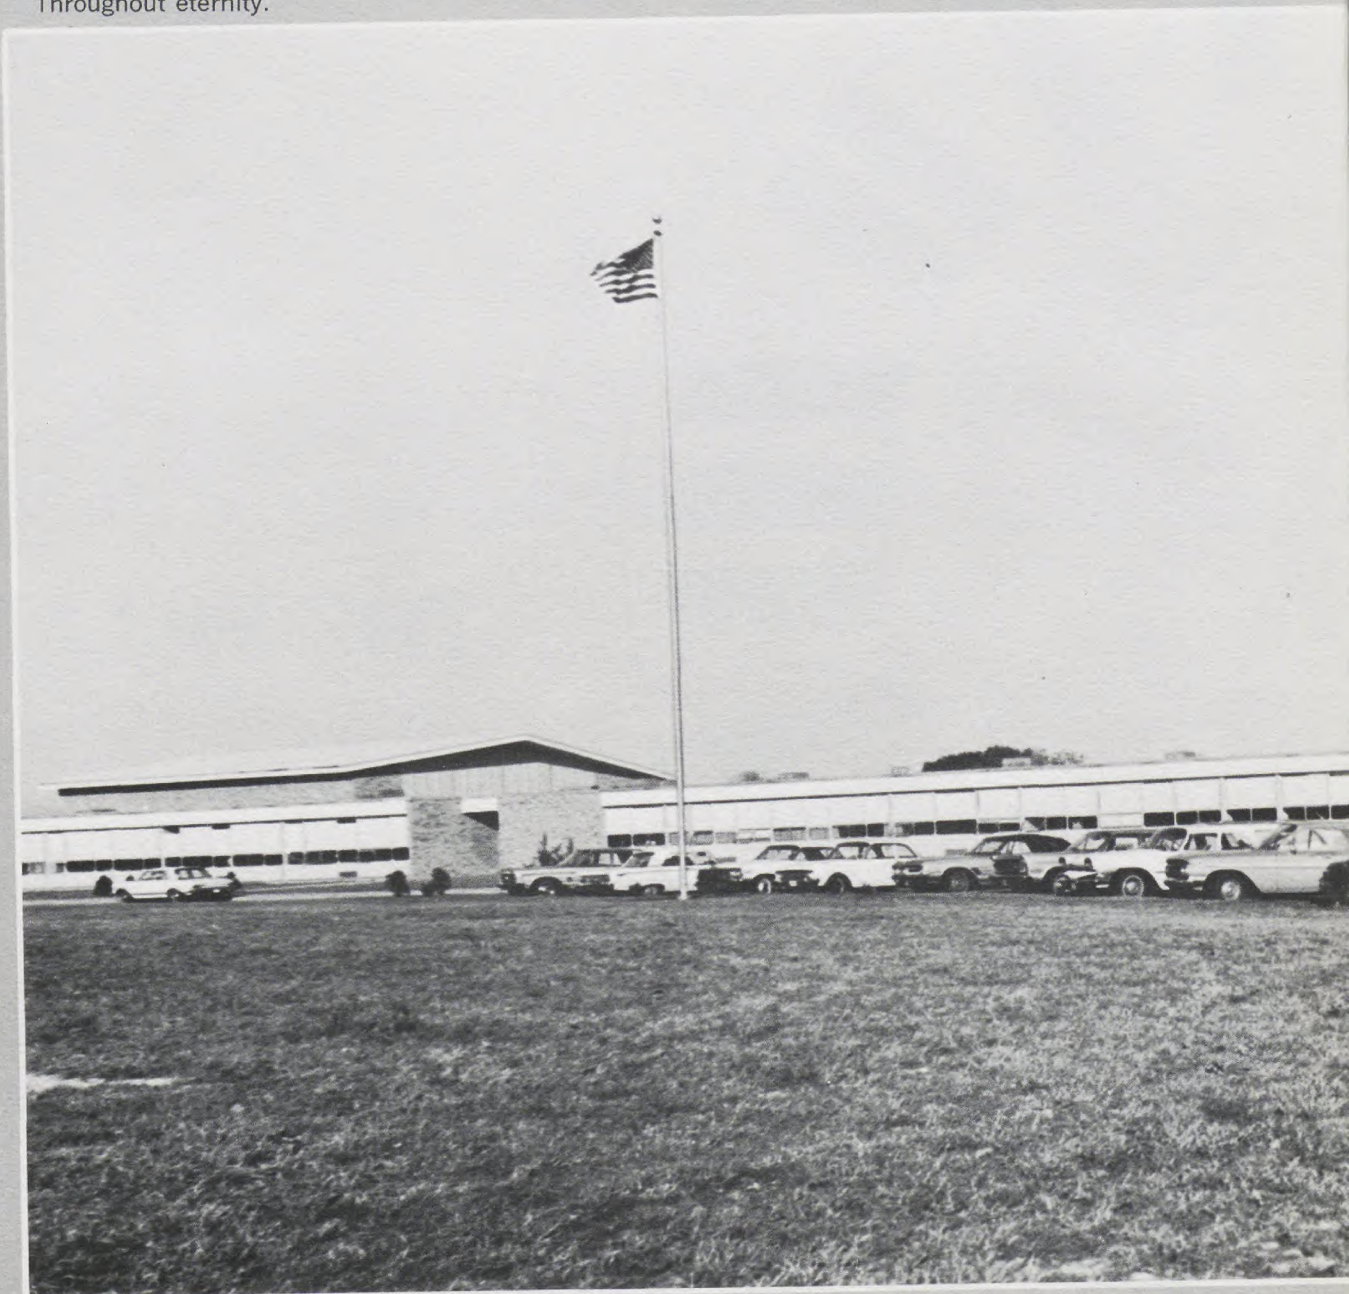

## DEPARTURE

The sun could not shine brighter  
Than it has these past four years:  
The years we've shared together  
With all our joys, with all our tears.

As we travel to a new world  
Of decisions, hopes, and dreams.  
May we remember our dear Matawan  
And how much knowledge means.

May the sun still shine upon us,  
And our knowledge be increased.  
May the hand of time still guide us  
Throughout eternity.

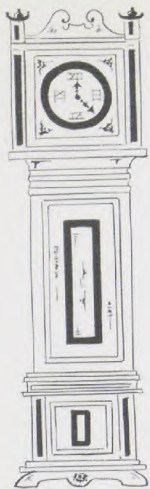

## ALMA MATER

Hail, Alma Mater, of thee we sing.  
Our lifted voices your praises ring.  
We'll cherish you and add to your  
fame;  
Always and ever we'll uphold your  
name.  
Though other thoughts may change  
with the time,  
Duty to you is formost in our minds.  
Down through the years winning  
honors anew,  
We'll all be loyal, Matawan, to you.

## Foreword

Time does not stand still. In this yearbook we, the class of 1966, have attempted to show the passage of time during four years in our lives.

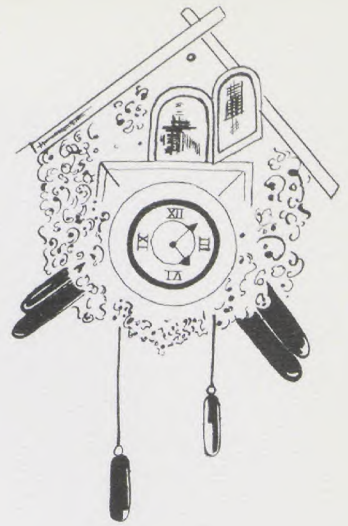

Our senior year in high school has represented the culmination of learning for many of us. For others this year has been just the commencement of a great many more years of education. But, in any case, this is truly a year to be cherished by all.

In the following pages we have set forth the high points of our high school careers. We have tried to incorporate in this book a cross section of all of our experiences.

The memories of these days may soon be dimmed with the passage of time, but they are inscribed in this book forever.

Mr. Harvey LaTourette

Rarely are such qualities as wit, firmness, and intellect so successfully combined in a person as they are in Mr. Harvey La Tourette. It is a great advantage to society when such a person happens to be an educator and our greater advantage that he has for the last six years chosen Matawan Regional High School at which to share his knowledge with the youth of our community.

Harvey LaTourette graduated for Milburn high School. He received his B.A. and M.A. at Bethany College, Bethany, West Virginia and has

also attended Montclair State College and Stevens Institute of Technology. In September of 1959 he entered the science department at Matawan High School as a teacher of chemistry.

We are grateful for the patience and understanding he has shown in instructing his students and for the wit and humor he so artfully weaves into daily activities. Thank you, Mr. LaTourette, for your inspiration and guidance which will be forever instilled in memories of our high school years.

# To Dedicate

MR. CARL YOUNGMAN

Any student who has had the good fortune to be assigned Mr. Carl Youngman as an instructor, will acknowledge his unique brand of wit and make mention of his amiable personality which are so much a part of his classroom's atmosphere. Even more important than this is the quality of his intellect which has inspired our recognition and esteem.

Mr. Youngman has always taken an interest and been extremely active in senior activities. He has served on the Student-Faculty Committee and this year he has once more graciously

consented to undertake the job of directing the Senior Class play.

Carl Youngman received his B.S. and Ed.M. from Rutgers University. He has taught United States History and Seminar in Modern World History, in the past. This year he is also teaching Early World History.

With great confidence we entrust the future classes of Matawan Regional High School into your very capable hands, and with pride and appreciation we, the Class of 1966, salute you, Mr. Carl Youngman.

Luther A. Foster  
Superintendent of Schools

TO THE CLASS OF 1966:

The sun has set on your past accomplishments. What you have accomplished at Matawan Regional High is important only in respect to what you are doing now and what you wish to accomplish in the future.

You have come a long way even in the short space of your years. Now is the time to review the past and to evaluate the future. What will be your role in the future?

Wishing you the best of luck and may God be with you.

Luther A. Foster  
Superintendent of Schools

Anthony J. Nuccio  
Assistant Superintendent of Schools

# To Lead

MATAWAN REGIONAL HIGH SCHOOL  
MATAWAN, NEW JERSEY

June 20, 1966

To the Class of 1966, I extend sincere congratulations.

Commencement is the beginning of a period of time for you who must necessarily continue with vigor its use for gainful pursuits. Today's accomplishment will tomorrow be a matter of record. The future requires that you continue to recognize the true value of time and to see that it passes fruitfully.

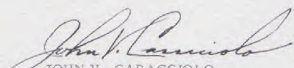

Take time to look, think, and plan ahead. Remember always your goal and that timely opportunities, if allowed to slip by, may never return.

It has been written:

"In time take time, while time doth last,  
for time is no time when time is past."

Let neither idleness nor laziness keep you from enjoying every moment of time that is yours.

May God bless you.

# Prom

For weeks we had been waiting in anticipation of this very evening. At times we felt that June 4th. would never come. But after what seemed like years had passed and endless preparations had been completed we realized that the time was but a few hours away; our prom night had finally arrived.

It was about 9:30 when we stepped from our car in front of the Sea Girt Inn. Spotlights illuminating the crescent drive announced the very special event that was taking place within. The theme of the prom was **Sayonara** and the hall had been decorated with a pretty arrangement of fans, flowers, and parasols. In the front of the room a fountain was surrounded by roses. Oriental statues augmented the exotic atmosphere.

At about 10:30, dinner was served. During the meal there was a floor show which provided us with delightful entertainment. Now, everyone anxiously awaited the highlight of the evening — the Grand March.

At 12:30 the March for the Prince and Princess began. We were chatting nervously and trying to anticipate the judges' decision. Finally the announcement was made that Kathleen Foyle and Michael Dolan had been selected Princess and Prince. Gail Stoddard and Jeffrey Buckner were chosen as first attendants while second attendants were Susan Carlson and Thomas Flynn.

Michael Dolan, Kathleen Foyle.

# Night — '65

Rodney Franklin, Jacqueline Duhigg.

Robert Testino, Dorothy Smith, Jacqueline Duhigg, Rodney Franklin, Mary Centimole, George Mangenet.

The seniors must have been as excited during their March as we had been during ours. The judges selected Jacqueline Duhigg and Rodney Franklin as Queen and King. Their first attendants were Mary Centimole and George Mangenet. Dorothy Smith and Robert Testino were second attendants.

For a moment we thought of all the labor that the prom committee and its co-chairmen, Penny Eremito and Dominick Sakowski, had put into this affair to make it one of the most memorable in our lives. In the span of that precious moment the clock struck two, putting an end to our enchanted evening. The event that we had waited for so patiently and for so long had vanished from time, though locked in our hearts and memories forever.

Pictured below is our team. To us they are the GREAT-EST!

This was a rebuilding year which made it almost inevitable that the Huskies would be out-manned, though never out-fought in every game. In spite of a so-so record in the win and loss column, our team drove its way to victory over, So. Freehold 7-0, Shore Regional 26-6, Freehold Regional 20-7, and climaxed its season with a splended Thanksgiving Day Game victory over our arch rival Keyport, with a score of 7-0.

# Go! Fight! Win!

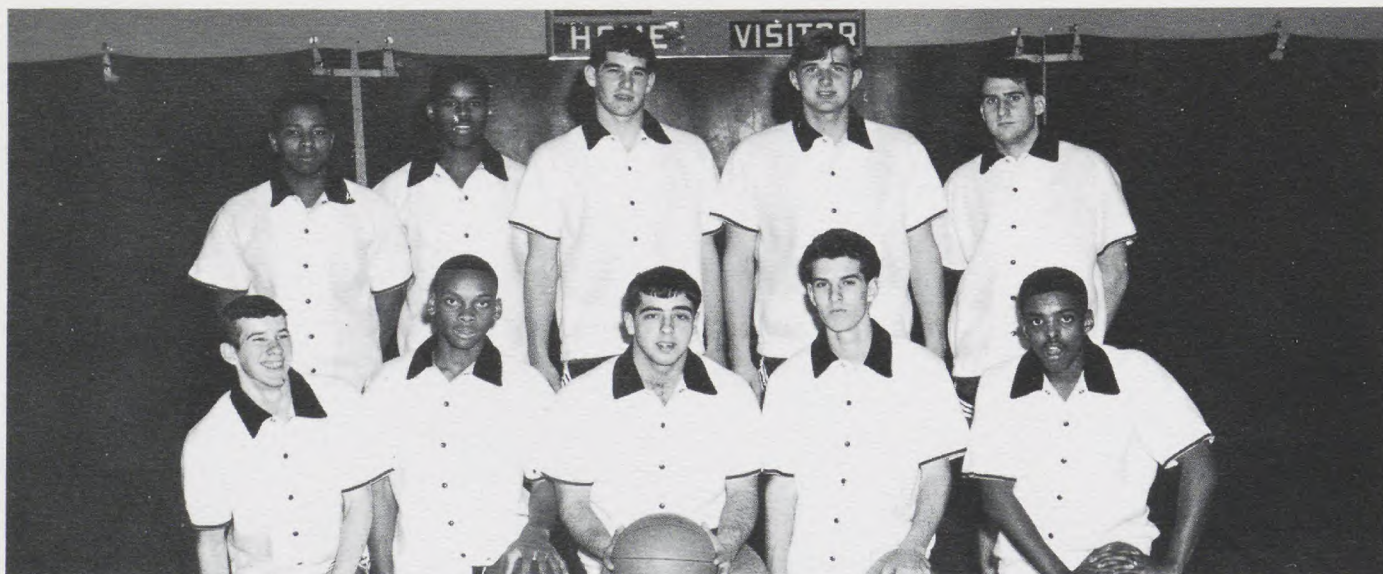

This was not just another football game — this was Homecoming! All of the players' dates were present, proudly displaying the banner of the boy they were cheering on. The candidates for Homecoming had been selected from each homeroom and voted on by the entire Senior Class. During half time and finalists, Rose Beuerle, Cathy Graves, and Elaine Raffa, with their escorts, Richard Daffonso, Cliff Graviot, and Jim Reid, were conducted onto the field for the ceremonies.

This was one of the thrilling moments of our Senior year — the crowning of the Homecoming Queen of 1965 — Miss Cathy Graves.

# Team

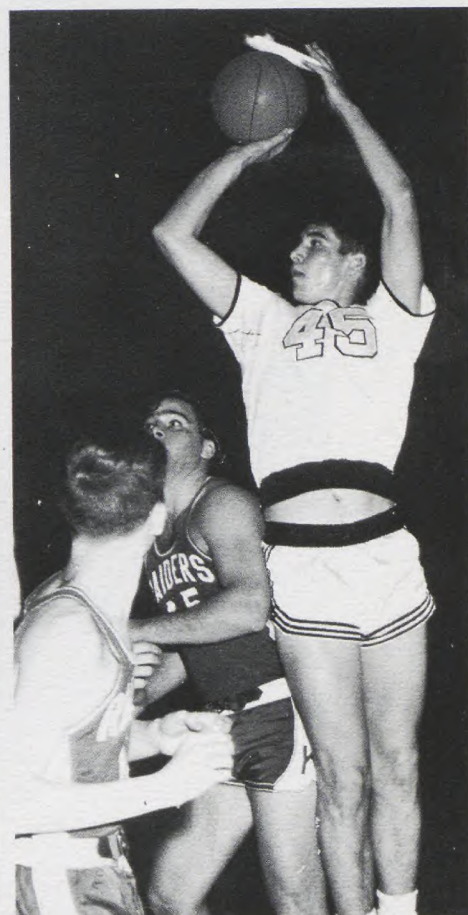

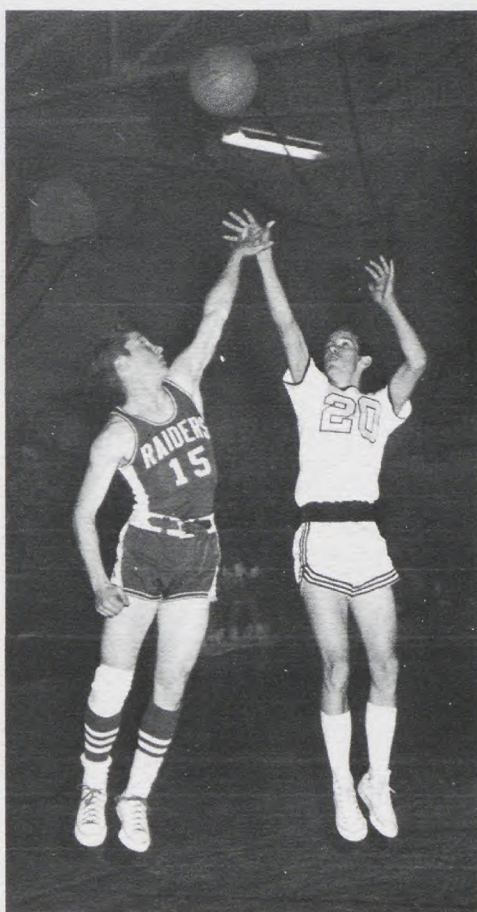

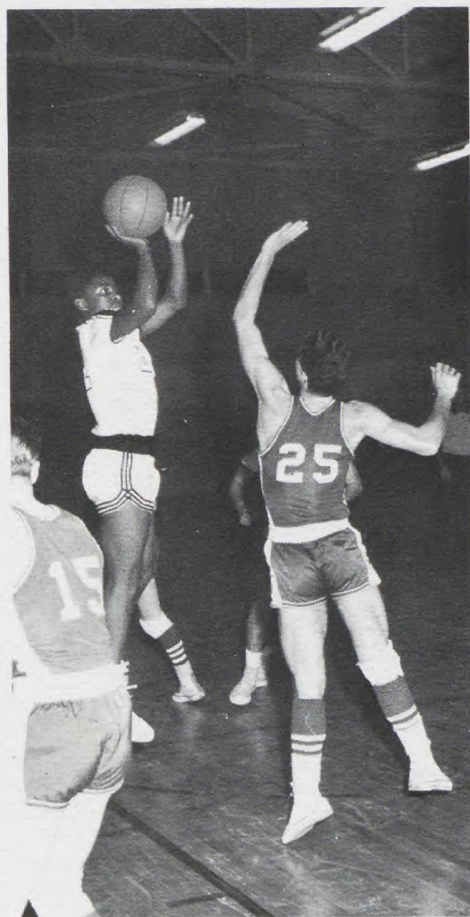

A team that has lost several outstanding players from the previous year faces a new season of rebuilding. Such was the case at Matawan.

John Paglione, Mike Dolan, Joe Traynor, and George Andrews, playing for their last time at Matawan, performed at their best — always showing good sportsmanship, an important trademark of "Maroon and Steel" teams.

John Collins and Randy Davis, both sophomores playing in their first full varsity season, consistently displayed fine scoring ability and hustle.

Although finishing with a record of 8-9, Matawan looks forward to a better season next year with the return of several outstanding varsity players. Coach Bruce MacCutcheon has high hopes for the players moving up from the J.V. team.

Matawan's bowling team, coached by Mr. Fleischer, enjoyed a moderately successful season. Along with sweeping Keyport 3 games, they also dealt league-leading Long Branch one of its few defeats. Matawan received strong efforts from Gene Constant, 218, Bob Devino, 215, Mike Bottari, 211, and Jay Okun, 203. For the first time in years, Matawan bowlers were clad in bowling shirts. The highlight of the season was Gene Constant's 591 series against Long Branch. Returning for next year's team will be Harlan Rausch and Bob Devino.

This year, our grapplers made themselves a team to be proud of. Finishing with a 5-4 record, they have shown that the future can hold nothing but bright prospects. Especially commendable has been the work of sophomore Phil Bond, who compiled an 8-1 record. Phil's eight straight pins demonstrate the hard work put in by the team and its coaches, Mr. William Lawlor and Mr. Leon Britton. Other top scorers were Captain Chick Geran, who was 7-1-1 with five pins, and Tony Craparo and Joe Martucci, both of whom won seven and lost two. Tony pinned four of his opponents while Joe pinned three. Also turning in records of .500 or better were Mike Corbett, who lost three against six wins and pinned three, and Dave Edwards, who pinned two while gathering three wins and the same number of losses.

We congratulate the Matawan Regional High School Girls' Basketball team for its impressive record of 9-5 in its first year.

This record was all made possible through the able coaching of Miss Margaret Kerwin who worked hard in teaching the skills of basketball to her team, and was also made possible because of the determination of the girls themselves in wanting to win. Matawan also has the distinction of having Dottie McCrea, Monmouth County's scoring champion, who averaged twenty points per game this year.

Matawan started off the season by facing St. Josephs, a team that had won the State Championship in the previous year. Although going down in defeat, Matawan played hard and lost by only a small margin. However, the outlook

turned brighter as Matawan quickly won two victories over Ocean Twp. and Point Pleasant Boro. The Cathedral of Trenton proved tough to beat as both teams were just two or three points apart throughout the last period, but Trenton came up with the victory. The next four games were just as tough as Matawan managed to squeeze out one win, and with the season halfway over, the girls' determination was stronger than ever to improve their 4-4 record.

Improve they did as the team rolled off six straight wins over such schools as St. Rose, Toms River, and Cathedral of Trenton, thereby finishing in a tie for second place in the Central Jersey Girls Basketball League.

Because of this year's fine performance, girls basketball is here to stay at Matawan.

During National Education Week, Honor Society members served as guides and registrars to parents who came to visit the classes of their children. Later in the year, the Honor Society members served as guides to Back-To-School Night, which was sponsored by the P.T.A. On December 21st, the Society held its second annual College Day. At this time, the previous year's alumni are invited into junior and senior English classes to discuss the transition from high school to college life. Honor Society members served as moderators and later hosted a social in honor of the visiting graduates. Induction of new members took place on January 13, 1966. This year, the induction ceremonies were held in the evening, and parents of both former and new members were invited to attend. This year the senior class is presenting the farcical comedy **Seven Nuns In Las Vegas**. To those who have viewed rehearsals, the play shows all signs of being a huge success. It presents a hypothetical situation in which a convent is mysteriously transferred to that famous gambling city, Las Vegas. What happens when seven nuns encounter the world of slot machines, nightclubs, and dance hall girls? — laughter, fun, and more laughter. And that's what this play is all about. From beginning to end, viewers are enchanted

with the aged Sister Columba, pious Sister Maria, and the whirlwinds of the convent, Sister Anne and Sister Frances. But the real fun doesn't begin until the seven nuns are invaded by the Silver Dollar dance hall girls — Peaches, Boots, and Baby.

We're sure that all those who attend the presentation will be thoroughly captivated with this delightful comedy.

## Epilogue

I wonder, I wonder what treasures life has  
Bound and secured in paths that men can't see.  
I wonder what precious gifts will go unfound;  
What thoughts will die in infancy.  
I wonder why men, through youthful eyes have  
Never seen, what graying strands, stiffened knee,  
And wise old heads filled with memories of what  
Could have been, through half-blind eyes can see.  
I wonder why these precious days so precisely  
Numbered are by us counted so lightly.  
Awake with bitter tears to see — while we yet  
Slumbered — time has passed so swiftly.

## World News—1965

**1 Humanitarian Dies**—Dr. Albert Schweitzer died in September at Lambarene, his primitive hospital at the African jungle outpost of Gabon. The famed physician, who reached his 90th birthday in January, worked most of his life to relieve the suffering of jungle natives.

**2 Queen Speaks**—Queen Elizabeth II dedicated the John F. Kennedy memorial at Runnymede, England on May 14. Mrs. Kennedy is seated to the left and Prince Philip to the right of the queen. Carolyn Kennedy is seated between the queen and her mother, and Sen. Robert Kennedy stands behind Mrs. Kennedy.

**3 Miss Universe**—The reigning queen of beauty in the universe during the year was a representative from Thailand.

**4 Bosch Returns**—Former Dominican Republic President Juan Bosch was vehement in his address at a rally September 25, shortly after his return to Santo Domingo.

**5 Wins in Run-Off**—Charles deGaulle polled 55.2 per cent of the vote in a run-off election against Francois Mitterrand on December 19. The vote gave DeGaulle the French presidency for another 7 years, but the strength of the Socialist-Communist candidate corroded the popularity of the 71-year-old president.

**6 Agrees to Cease-Fire**—Pakistani Foreign Minister Zulfikar Bhutto (right) agreed in the U.N. Security Council on September 22 to accept the Council's cease-fire order in the undeclared war between Pakistan and India. Pakistan's announcement came after India had agreed to the order.

**7 Abortive Coup Fails**—Indonesian President Sukarno was toppled from power for a brief 20 hours last fall. He gestured at a cabinet

meeting on October 6 during his first public appearance after the coup, which seriously shook his one-man rule.

**8 Soviet Winner**—Russian author Mikhail Sholokhov was vacationing in the Ural region on October 18 when he heard he had been awarded the 1965 Nobel Prize for Literature. The December award ceremony was held in Stockholm.

**9 Return to Desolation**—Hundreds of families returned to the wreckage of their homes, destroyed by eruption of Taal volcano, south of Manila, on September 28. Volcanic ash covered a six-mile-square area. The death toll was estimated at 500.

**10 Price of War**—The number of casualties increased as the U.S. stepped up its military action in Vietnam. American advisors took part in many helicopter missions, carrying wounded soldiers, both Vietnamese and American, to copters on makeshift litters for evacuation to Saigon.

**11 Reason to Celebrate**—Chancellor Ludwig Erhard of West Germany waved to a cheering crowd in Bonn after his Christian Democrats surged to victory in the September 19 parliamentary elections. Mayor Willy Brandt's Social Democrats suffered defeat in the voting.

**12 Colonial Rule Shaken**—Rhodesian Premier Ian Smith broadcast a proclamation of sovereign independence for Rhodesia on November 11. The split from Britain was made in an attempt to insure a white minority rule of the African colony. It was the first such move against Britain since the American colonies broke away in 1776. Britain retaliated swiftly and took the problem to the U.N. Security Council, which asked all nations to enforce an oil embargo against the African colony.
