Two classical columns, possibly Corinthian or Ionic, are positioned on the right side of the image. They are rendered in a light, metallic or stone-like color, contrasting with the dark, heavily textured background that resembles leather. The columns are fluted and have ornate capitals. The lighting creates highlights on the columns, giving them a three-dimensional appearance.

REFLECTIONS'6

Foreword

Mirrored in our thoughts and emotions are the fond memories of the years we have spent in school, especially those of our high school years, for they contain the most cherished memories of our experiences and achievements.

Reflected in our minds are the goals and high ideals which are dear to us and which will be our guiding lights in future years. We must make places for ourselves in life. We must accept the joys of life with thanks and the sorrows of life with humility and with an awareness of the great challenge which awaits us.

We accept the challenge which life sets before us. We shall live life as we see it—pledging our minds and our souls to creating a world which will be stripped of prejudice, hate, and hypocrisy, and which will truly offer "liberty and justice for all."

In youth lie the hopes of generations and the promises of better lives to come.

Mr. John Shaw

The dictionary's definition of a teacher is "one who imparts knowledge to and directs the development of a group or individual." Such a definition is cold for it does not take into consideration the qualities of intelligence, honesty, creativity, and humor which make a good teacher. It does not take into consideration Mr. John Shaw, English teacher.

Mr. Shaw does not pound knowledge into the heads of his students, nor does he attempt to entertain them. He makes knowledge available to all those who desire it and tries to kindle a spark of interest into those who are not quite sure of what they want. He is a conscientious and dedicated teacher, and it is during a quiet moment when his brand of humor is most likely to come shining through. An unexpected grin or a witty observation made by Mr. Shaw are precious commodities to his students, as are his honesty and respect for the thoughts of others. These are only a few of the many qualities which have made Mr. John Shaw one of the most well-liked teachers among the students and faculty.

We, the class of 1965, deeply appreciate all that you have done for us, Mr. Shaw, and, as a token of our esteem, we dedicate our yearbook to you. Your interest and your steadfast loyalty will inspire us and serve as our ultimate goals in our relations with others.

Mr. Harvey Epstein

Mr. Harvey Epstein has the unusual ability to be a friend to his students without losing the respect which his position as a teacher demands. It is this unique quality which has made Mr. Epstein so popular with the student body and especially with the Senior Class.

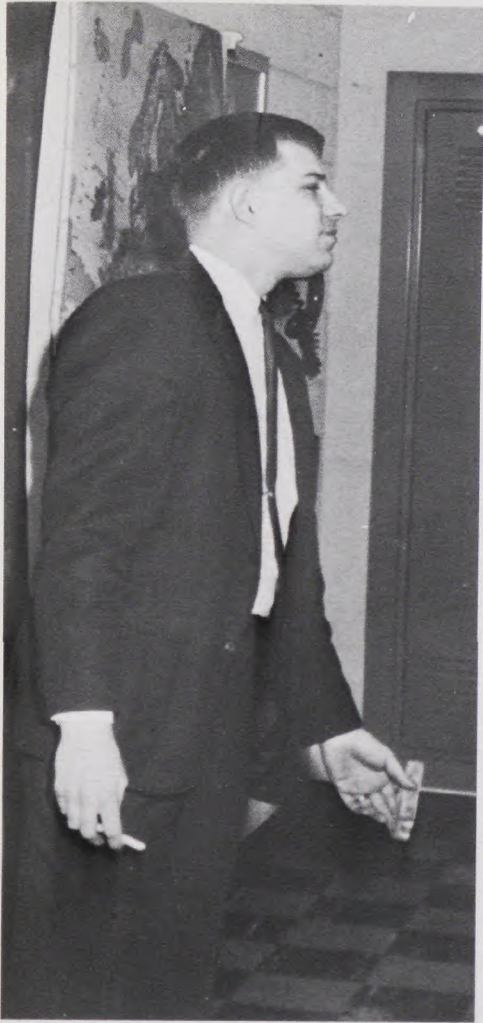

Mr. Epstein has great insight into the activities, personalities, and problems of his history students and of the student body in general because he advises the Student Council and the Senior Class. He is in direct contact with many students and he is always willing to listen to both sides of a discussion and to lend a helping hand whenever necessary.

Any student who has Mr. Harvey Epstein as an instructor will soon become familiar with his sparkling sense of humor and his intelligence and fairness. Mr. Epstein's class is one which may be at all times interesting and at times uproariously funny, but at no time will it ever be dull or boring. Enthusiasm and sincere interest are communicable qualities which are conveyed from Mr. Epstein to his students. It is for these intangible qualities that we dedicate this yearbook to our teacher and friend, Mr. Harvey Epstein.

Mr. S. and Mr. E. In Action.

MATAWAN REGIONAL HIGH SCHOOL
MATAWAN, NEW JERSEY

June 22, 1967

To the Class of 1967 I extend sincere congratulations.

As you come to the end of this perfect graduation day, or when you are alone with your thoughts on some other day — will you dream of How To and What To? In fact, will you call out Kipling's

"Six honest serving men — who taught me all I knew;
They're What and Why and When and Where and How and Who?"

You will undoubtedly be alone with your thoughts many times — in a lonely place on earth or in the midst of a crowd. The question is: Will you use these thoughts well?

Is it not true that the profound observations and wondrous works of many great teachers came of silence and reflection?

What you do with your thoughts is your own business; however, let them tend to real business.

We want you to enjoy continued success after you leave Matawan Regional High School — you should know How. You must get a Why that gives you a challenge. When must not be forever putting things off, and Where must be a real place. What must be carefully selected, and Who, of course, must be YOU.

Good luck and may God be with you.

TO THE CLASS OF 1967:

To be given the opportunity for another message is indeed an honor and pleasure to me. I have been a part of your education for the past four and perhaps six years.

Briefly, in reflection, I would hope that some of the lessons learned during these years are that you have learned wholesome fun, for fun makes life more pleasurable. I hope you have learned goodness, for that makes us stronger; that you have learned loyalty, for this makes us aware of worthy citizenship; that you have learned prudence, for that makes us honorable; that you have learned wisdom, for if you have gained this, you will never cease to learn.

My sincere congratulations to all of you. May you always enjoy the rewards of God's blessings.

Very truly yours,

"Every boy who played on the team this year was an excellent football player." So said Coach Barry Rizzo of his championship football team which plunged its way to a triumphant season consisting of nine victories and no defeats, a record which catapulted the Huskies into first place in the Shore Conference B-Division. Performances worthy of special merit were supplied by seniors Bill Bond, John Caliendo, Frank Devino, Mike Grimaldi, Edmund Jones, Jim Lauro, and Gary Walsh. Gary gained many extra points for Matawan through his excellent kicking ability. Outstanding juniors were Randy Davis, Chick Geran, Joe Martucci, Larry Shaw, Curt Washington, and Walter White.

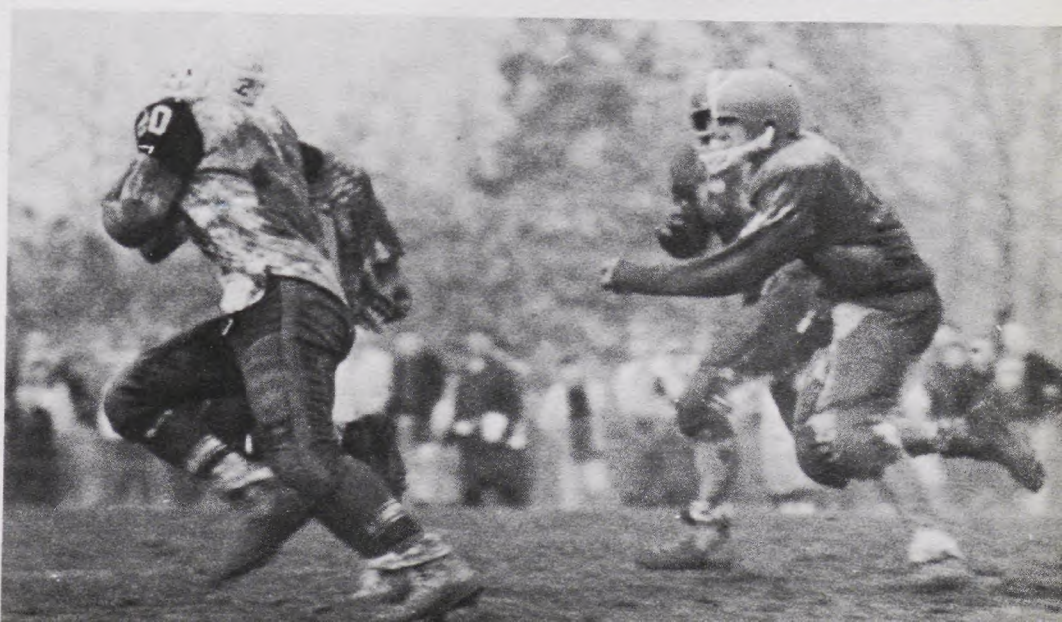

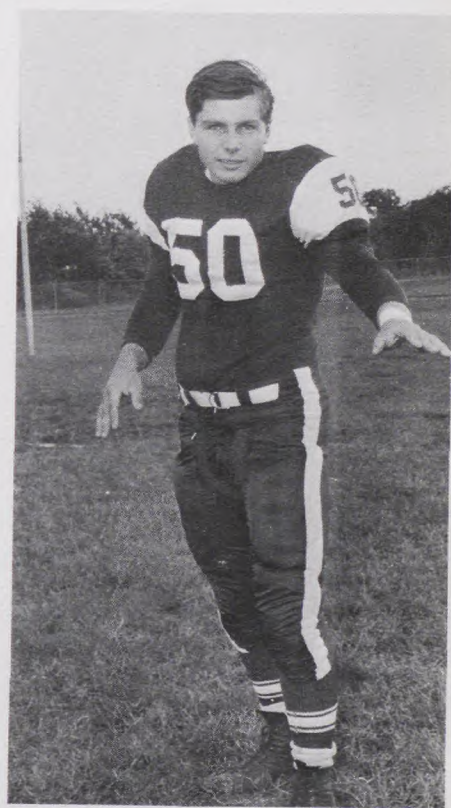

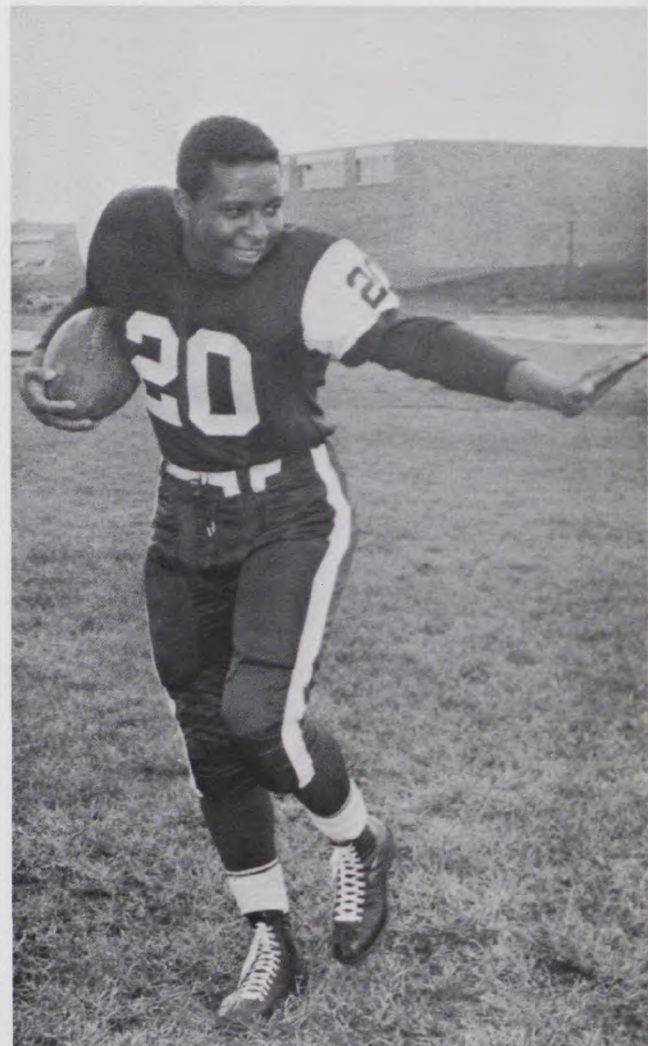

Long hours of practice and a maximum amount of teamwork, as well as the excellent coaching of Barry Rizzo, Bruce MacCutcheon, and Bill George, contributed to the success of this year's varsity team, which was the highest scoring team in the history of the Shore Conference. The Huskies swept to victory over Southern Reg. 51-0, Central Reg. 27-6, Lakewood 39-0, Ocean Township 45-7, Southern Freehold 41-0, Raritan Township 33-12, Freehold Reg. 38-0, Manasquan 33-18, and Keyport 34-0, compiling a total of 341 points.

Two outstanding senior members of the team, pictured on these pages, were Zane Anson and Bill Bond. They were members of Matawan's outstanding defense which held the opposing teams' average to only 4.7 points a game.

Although Keyport is traditionally Matawan's arch rival, the biggest threat to our unbeaten team was Manasquan. Suspense and excitement grew as the game approached, but all fears were erased as the Huskies beat their opposition by a score of 33-18.

Pictured on the opposite page is Randy Davis, a junior and Matawan's top scorer. Because of players such as Randy, Chick Geran, Joe Martucci, Larry Shaw, Curt Washington, and Walter White, Coach Barry Rizzo's hopes are excellent for next year.

Both teams came to the game with undefeated records and reputations of being scoring machines. Matawan had scored 221 in winning six.

MATAWAN — Randy Davis had another of his four-touch-down days yesterday to lead Matawan Regional High School to a 34-0 rout of Keyport in a traditional Thanksgiving Day football game.

Davis, a 5-10, 170 pound junior speedster, wound up with 163 points (27 touchdowns and one extra point) to break the

squad with 121 points going into the game and Randy Davis for Matawan with 115. Ferreira didn't score yesterday, but

Naturally, the game brought out the crowd. Despite rain all morning an estimated 6,000 circled the field four days ago.

Keyport's best offensive showing came in the second period. The Raiders surprised when Ron Nebus threw a 30-yard pass to

tries by Manasquan. Jim Roper was first on a bad pass, the second from the Caliendo. Matawan got the win. The Rebels had the second period victory. The Rebels came out of the center line. He did the ball, but ben Squan's and Davis

The Ocean Township Spartans, in their first year of varsity football, went into the game with a 2-1 record and fond hopes of upsetting the Matawan team which was unbeaten in three. Pictured on the following pages are the members of the 1966-67 varsity and junior varsity basketball teams. Although the varsity team won only seven of its eighteen games, each member played with all the energy and spirit he could muster, and was cheered on through all the games by the excited spectators. The junior varsity team also performed admirably during the season, winning a total of ten games and giving up eight defeats. Both the varsity and junior varsity teams look good for next year according to coaches Bruce MacCutcheon and Daniel Stankiewicz.

Baseball

The 1966-67 Varsity Baseball Team, under the excellent coaching of Mr. George Dietz, made an admirable showing this season. The Matawan nine often held a considerable advantage over their opponents due to their powerful pitching staff composed of Frank Schaufele, Larry Shaw, and Gary Walsh. Because many of the team members are juniors, Coach Dietz's hopes are very good for next year's varsity team. The team is composed of John Collins, Chick Geran, Dave Green, Doug Hanna, Bill Kearns, Del Pearson, Frank Schaufele, Steve Schour, Larry Shaw, John Szyarto, Scott Volk, and the team captain, Gary Walsh.

Although the Huskies finished with a better than 500 season, winning 10 against 9 losses, the box scores would have been much different had it not been for a pre-season injury sustained by J. P. Collins. "Cotton" missed a few of the initial games and his big bat and sure hands were sorely missed.

Another outstanding performer was Larry Shaw, voted the most valuable player as well as being selected to the Monmouth and Ocean County All Star Team.

Despite a last-meet loss to Southern Freehold, Matawan's track team managed to end up in a three-way tie for the Shore Conference championship. The final record was 9-1, including wins over such teams as Lakewood, Monmouth Regional, and Manasquan.

During the season, more records were set or tied than in any other year. Tyrann Russell captured the high jump record at 6'2 1/4", Bill Bond set a new time of 22 seconds flat in the 220 yard dash and became Senior Athlete of the Year, and Jim Alston tied both the pole vault and long jump to win the most valuable track team member award.

Other event leaders and back-up men were sprinters Rich Main and Steve Long; Kevin Gerien, Jeff Morey, Kevin Gallagher, Bruce Gardner, George Morgan, and Bill Collins in distance running; Randy Davis, Curt Washington, and Jimmie Lee Howard as hurdlers; and Ed Jones, Mike Grimaldi, Carlo Vinci, and Alan Stark in the weight events.

Seven of eleven wrestlers made it into the semi-finals, and four of them won medals: Phil Bond for second place and Lloyd Kronitz, Tony Craparo, and Jeff Herb for third place. Chick Geran tied for third, but the referee awarded the medal to his opponent.

Chick Geran turned in the best record, winning eight while losing only two. Dave Edwards finished 7-4; Phil Bond, 6-3. Jack Malysa and Tony Craparo were next, with 6-4 and 6-5, respectively.

MRHS Girls Rank Second in League— Conclude Season with 14-2 Record

The girls basketball team tried to uphold Matawan's winning sport and did an outstanding job finishing second in the Central Jersey High School Basketball League after completing this year's season with a 14-2 record.

Dottie McCrea, a junior, consistently scored points for the team and was its highest scoring individual. Her high game, a total of 39 points, was a league and school record.

Backing Dottie up on the court were Lenore Silvers, a sophomore, and Wendy Dolan, a junior.

Carolyn Hamilton, a senior, was the best defensive player in the league. Her remarkable rebounding ability and agility on the court were important factors in the success of the team.

The team's biggest victory was over St. Joseph's of Toms River on January 6th. We were the only team in the league able to defeat St. Joseph's.

Miss Peggy Kerwin, coach of the girls' basketball team, has accomplished what every coach hopes for—once a winning team always a winning team.

Next year, those who will be returning, plan to win the first place title that has been denied them the past two years.

Girls Track

In only their second year of running, the girls' track team captured second place in the state meet, being beaten by top-notch Red Bank Catholic. This climaxed a hectic season of rained-out meets and near losses.

Top performers were Half-miler Margaret Kerek, who placed 2nd in the state meet and won the award as most valuable girls' track team member; Billie Jean Reed, who placed consistently in the 50 yard and 220 yard dashes; Carolyn Hamilton, who won the Senior girl-athlete award; Dottie McCrea, record holder in the discus and perennial winner of the javelin and shotput.

Bottom Row: Nancy Ratcliffe, Jackie DeWitt, Gladys Goodrum, Esther Nebus, Karen Grady, Peggy Philips, Sherry Curry, Barbara Reed, Paralee Rufus, Karen Castell. *Second Row:* Margaret Kerek, Joyce Garrett, Sonja Aamot, Gabe Giassi, Marianne Kacirek, Dottie McCrea, Sue Morey, Minnie Solomon, Karen Ashe, Mary Infosino, Diane Rifkin, Debbie Mowell, Miss Nancy Erickson; Coach. *Third Row:* Susan Nelson, Linda Carter, Dorothy Godwin, Carolyn Hamilton, Billie Reed, Debbie Bopp, Barbara Remer, Elaine Karyczak, Debbie Hegedus, Lenore Silvers, Eileen Lehn, Roxanne Clay, Janie Ryder, Elisha Lathbury, Pat Nieves.

Girls Track

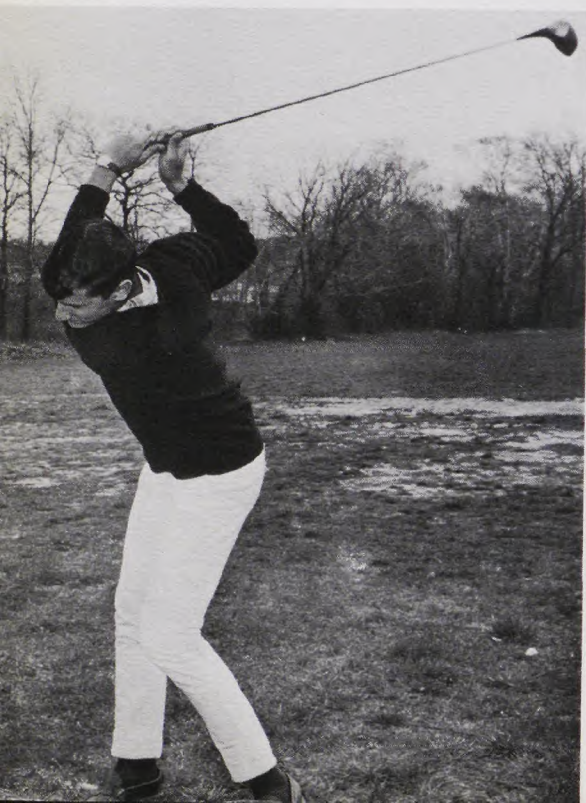

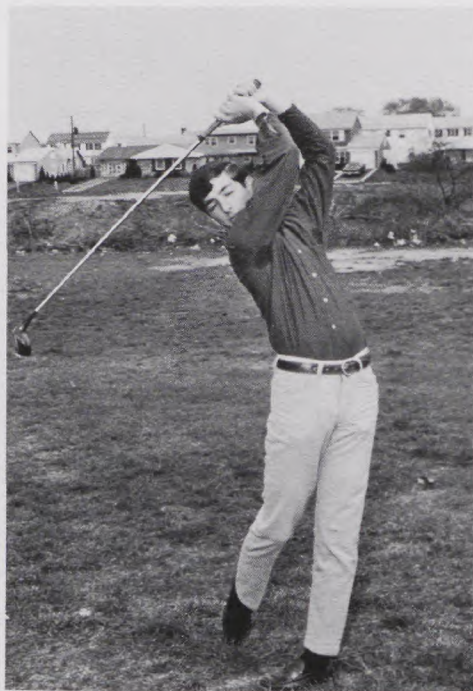

Paced by such athletes as Dottie McCrea, Jackie DeWitt, Gladys Goodrum and Carolyn Hamilton the "Huskiettes" again made their presence known in the shore area.

In finishing only their second year of Varsity competition the M.R.H.S. female Huskies held high the banner of quality sportsmanship. Although rain forced postponement and cancellation of many of their meets, the constant conditioning under the watchful eye of coach Nancy Erickson held our girls in good stead.

Although the Matawan Regional Golf Team has been in existence for only two years and has been in the Shore Conference for only one year, the team, under the direction of coaches Bruce MacCutcheon and Hans Fleischer, took fourth place in the Shore Conference "B" division in competition with eight other teams. The team finished with a 5-3 Conference record and also chalked up an impressive over-all record against some of the toughest competition in the state. Outstanding senior members of the Golf Team include Allen Wilks and Howard Selinger. Other members are Dave Roberts, Lou Vargas, Bill Speed, and Rick Manville.

Bowling

After a slow start the Matawan Regional High School Kegler's began to make their presence known in the Shore Conference. With anchor man, Bob Devino, Matawan Regional High School finished a strong sixth in a very competitive league with a record of 13 wins—14 losses.

In the state tourney the team had to settle for fourth place in the semi's, as they missed qualifying for the finals by 9 pins.

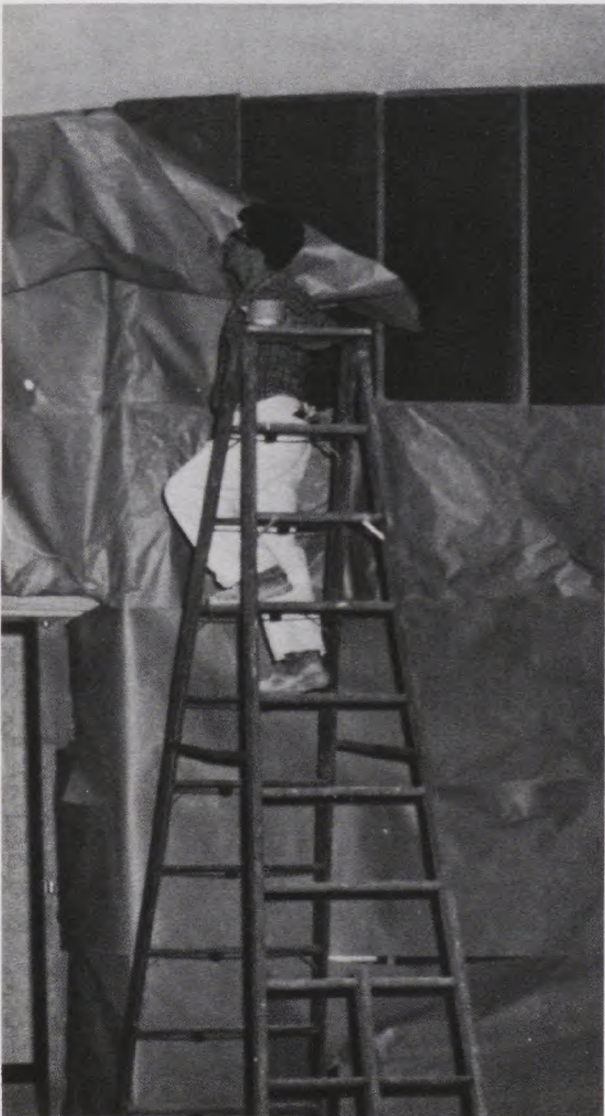

Coach Hans Fleischer believes that this year's team could have gone all the way had they unwound a little sooner.

Kneeling—Dave Roberts, Marc Kresky. Standing—Bob Devino, John Szyarto, Harlan Rausch.

As we, the senior class of 1967, reflect on our past experiences, we think not only of our high school years, but of our lives as a whole, for graduation is a culmination of all our years and all our deeds and experiences. It is for this reason that three rings appear in the picture on this page, and not just the two rings which are familiar to us all. The third ring is a reflection of the past. It is a Matawan High School ring from 1949, the year in which many of us were born. It is a reminder of the many aspects which exist in our lives, a reminder of our childhood and our subsequent adolescence, and a reminder that our futures lie shining before us. The year of 1949 may seem shadowy, but for many of us, it marked the beginning of our lives. In the same manner, the year of 1967 marks the beginning of a new life . . . a life filled with uncertainty, but filled also with all the glistening promises that life can hold.

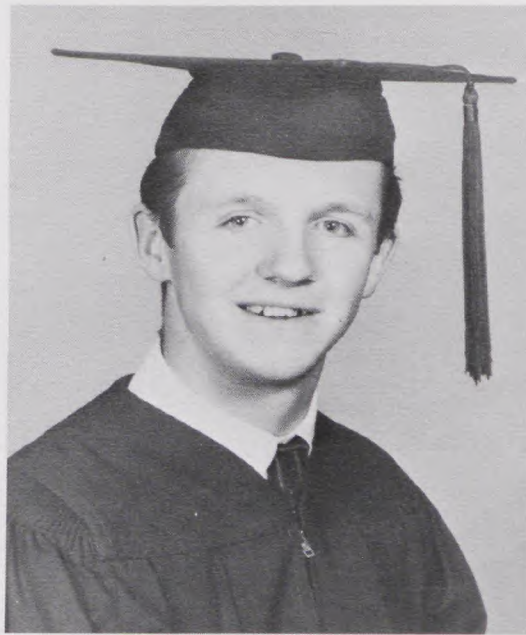

Our Leaders '67

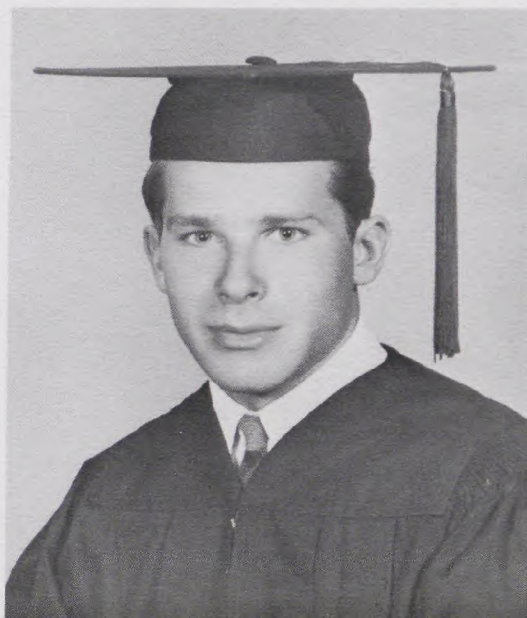

Kevin P. Gerien, President

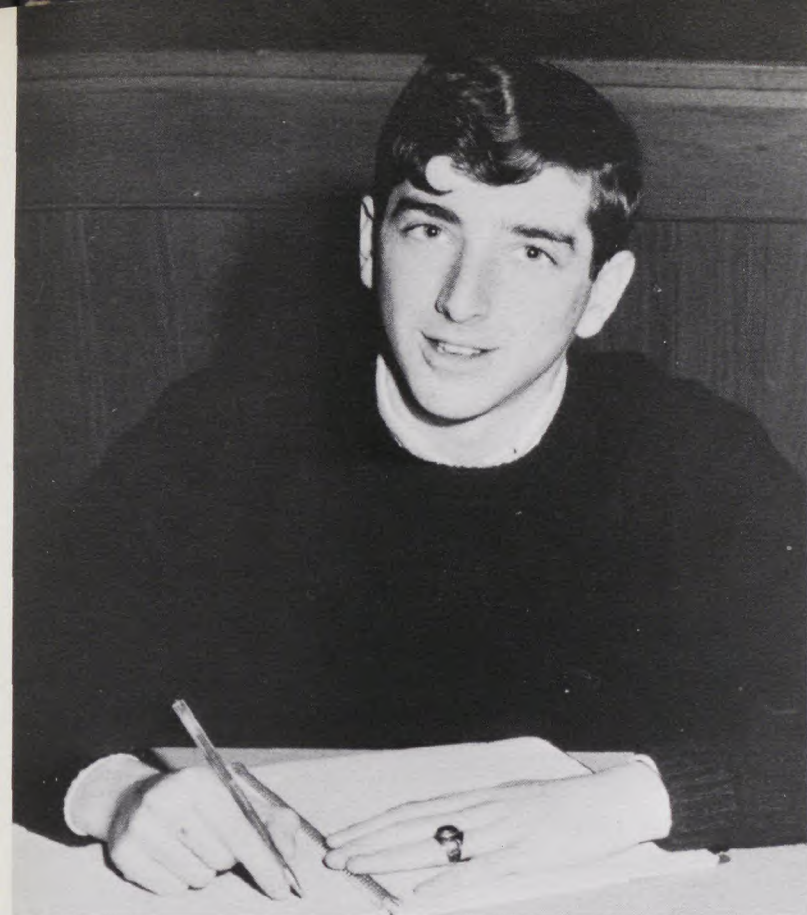

Donna L. Agnoli, Secretary

Richard S. Main, Vice President

Ellen M. Brown, Treasurer

Fellow Classmates,

As we come to the end of the road of four great years of high school, we can look back on many wonderful memories. As we reflect upon these years, we realize that through the work of the members of our class, we have achieved many new landmarks.

Who can forget the worthwhile projects instituted during our four years; including helping the needy at Christmas, funds for an orphanage, and the Bayshore Community Hospital. All of these were successful because of the contributions of our classmates. The organizations and unfortunate people who were the recipients will never forget the class of 1967.

Through the years we have had many different student leaders. Many improvements and benefits have been reaped for our class through the work of these people. How else would there be a junior prom or a senior class trip?

As we all now enter a new part of our lives, we will often look back upon our high school years. If we remember even a few of the many projects, plans, and activities instituted and carried through by our class officers and leaders, all of their work and effort will not have been in vain.

Howard V. Sellinger
Student Council President

To the Senior Class of '67:

I hope our senior year will always mean as much in future years as it does now.

Our senior year had to be the year we really learned about democracy, thanks to our open senior class meetings, and the polls we took for our Christmas Dance and our Prom. This senior class probably had more to say in making decisions than any other graduating class.

As long as you can remember the lunch periods, giving a substitute a few laughs, and hoping you might be sent home for wearing dungarees, you'll always think of high school as a "groovy" place.

Do you remember what our freshman year was like? Think of how you felt during your first week as a freshman, and compare it to your last week as a senior.

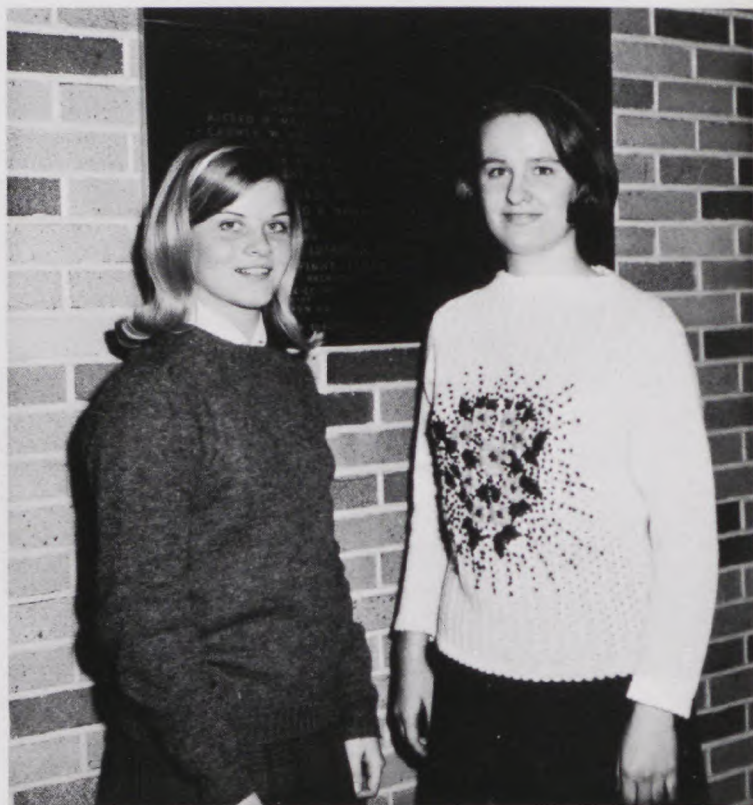

Thanks for electing me President.
Sincerely yours,
Kevin P. Gerien

After many hours of meetings, hard work, and arranging reservations, Co-chairmen Howie Sellinger and Colleen Lamura launched the 1966 Junior-Senior Prom, "Ebb Tide".

Mother nature co-operated fully as a star-filled sky mantled the King and Queen (Joe Traynor and Rose Burle) and their court (Mike Dolan, Jean Ciarmelli, Domonick Sakowski, and Katy Morrissey).

Dancing to the soft music of Mike Mancini and Orch. were found the Prince and Princess (Kelly Smith and Sally Quinn).

As the evening ended in a grand promenade the regal court of Gary Walsh, Bernadette Ross, Craig McKeen and Donna Agnoli could not help but think that soon the lovely "Ebb Tide" would be but a cherished memory.

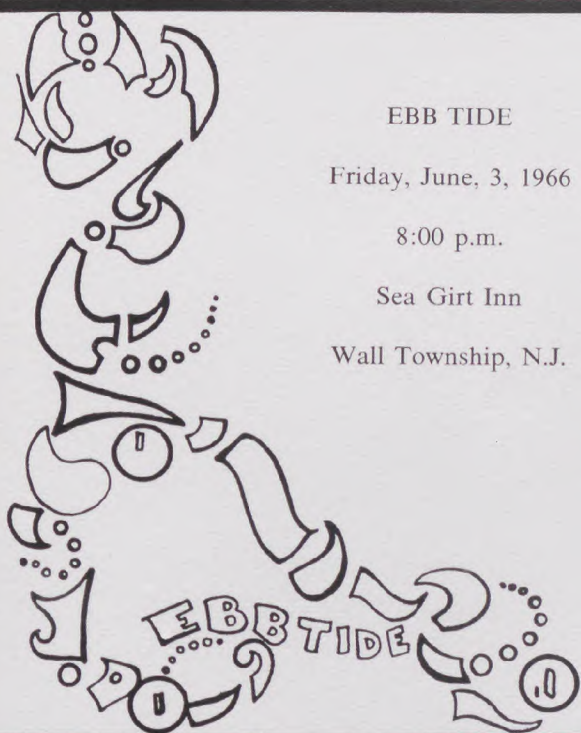

EBB TIDE

Friday, June, 3, 1966

8:00 p.m.

Sea Girt Inn

Wall Township, N.J.

The traditional Semi-Formal Dance sponsored by the Senior Class, was held this year at Diamond Jim's.

The night began with a cocktail hour of punch and hors d'oeuvres followed by the main course of turkey with all the trimmings.

Throughout the evening Diamond Jim's orchestra played music from Rock to Romance in keeping with the holiday season.

Immediately after dinner the dancers were given a brief respite by N.Y. Entertainment. The enjoyment was evidenced by mild chuckles to loud guffaws as the comedians sang and told stories.

The Senior Class Advisors, Mrs. Bell, Mr. Epstein, Mr. Shaw, and Mr. Jaczinski, were given the honor of selecting this year's queen of the ball, Gail Mowell. Her first task as Queen was leading the Graduating Class of 1967 in the promenade designating the evening's end.

EPILOGUE

This was the only Matawan Prom to be held in Lakewood's New Irvington Hotel. It was a pleasant change to most everyone, a spacious ballroom and adjoining dining room, provided and enjoyable atmosphere. Two bands provided the music this year. The Beechnuts, a group new to the students, was a great surprise and brought everyone out onto the dance floor.

This was also the first year in which seniors had to pay for their own bids. This broke a tradition that the juniors should pay for the seniors, however, the juniors were still responsible for the bids, seating, decorations and other special arrangements. The class of 1968 and their advisors did a wonderful job for "Misty."

Misty

Following a few hours of dancing, a sit-down dinner was served. After the meal, everyone returned to the ballroom for more dancing and of course the promenade of junior and senior couples.

Ending the evening was the coronation of our traditional "royalty." This year's prince and princess were:

Karen Grady and Patrick Marz, with runner-ups: Cheri Lawlor and Don Russell; Peggy Phillips and Rick Frazier.

The king and queen were:

Howard Selinger and Sally Quinn, with runner-ups: Bern Ross and Gary Walsh; Floretta and Edmond Jones.

Johnny Masiello and Martha Miller, the chairmen, took charge of the ceremony. The honored couples all received gifts and the princess and queen were each presented with a dozen beautiful roses.

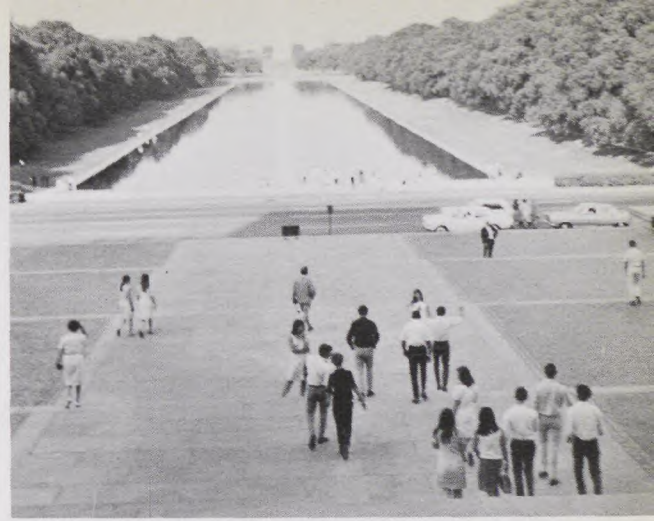

Seniors left the high school by air conditioned buses at 6 a.m. Monday. After lunching in Washington, they were photographed and accepted the challenge of the Washington Monument's 898 steps.

They arrived at Williamsburg for supper, visiting the information center. The following morning they went on the tour, which included craft shops, the royal governor's palace, at the House of Burgesses where Washington, Jefferson and Patrick Henry sat. Then they had lunch, their third meal at the information center's cafeteria, whose food and decor, both quality and quantity, they praised. Then they headed for Washington.

Senior Trip 1967

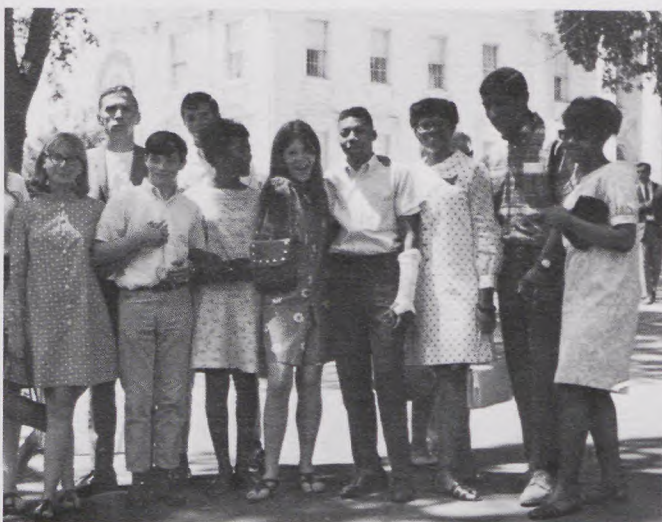

A brief stop was made at Mount Vernon on the way north, then Arlington National Cemetery, and finally the Marriott with its dinner-dance in the evening. At the latter, a four-piece combo played and welcomed the singing talents of seniors, Ronald Grakas, Doug Clifton and Gladys Goodrum, plus Dennis Kolakowski on the drums for one number.

Wednesday the seniors visited the Capitol, The White House, the FBI, the Smithsonian group of museums, and the Lincoln Memorial. They arrived back in Matawan at midnight. Cost of the trip was covered by each senior selling 20 tickets to the senior play "Arsenic and Old Lace" presented the last week of May. The Washington trip is a Matawan institution going back to 1923, it has only been interrupted by restrictions on travel during World War II.

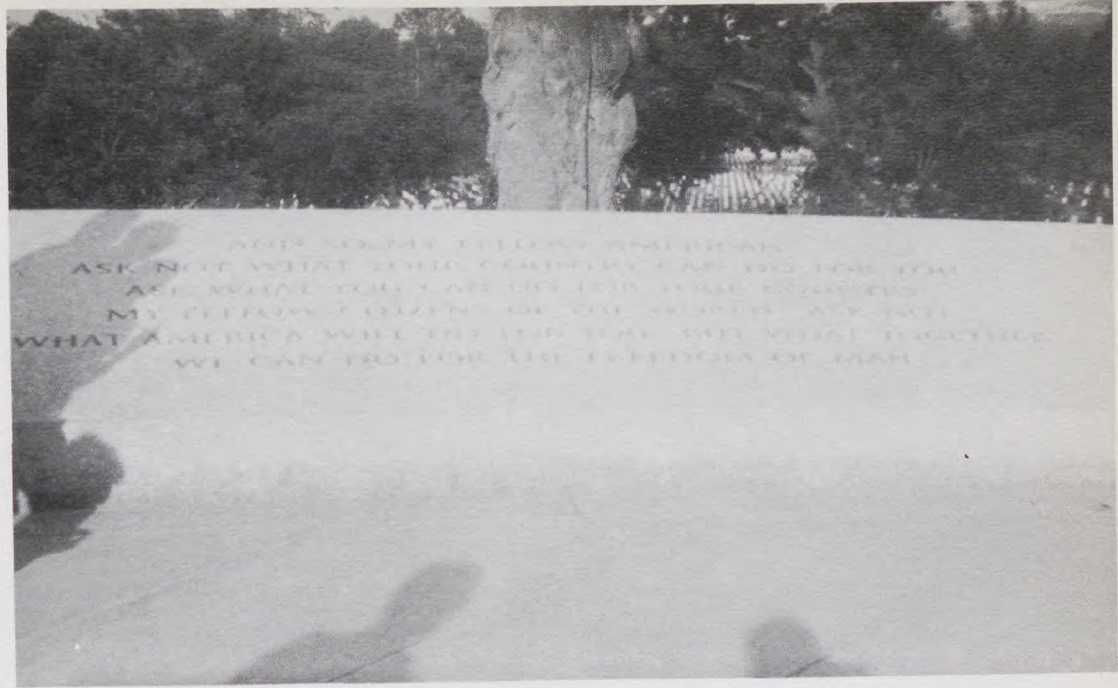

Seniors listened to Sen. Wayne Morse speak, watched Sen. Mike Mansfield confer with Sen. Morse, saw Sen. Ted Kennedy enter, observed Sen. Jacob Javits working at his desk, and heard Sen. Everett Dirksen whisper a dull rumble. This was part of a special capitol tour arranged by Representative James Howard and hosted by his executive assistant, Tim Sullivan.

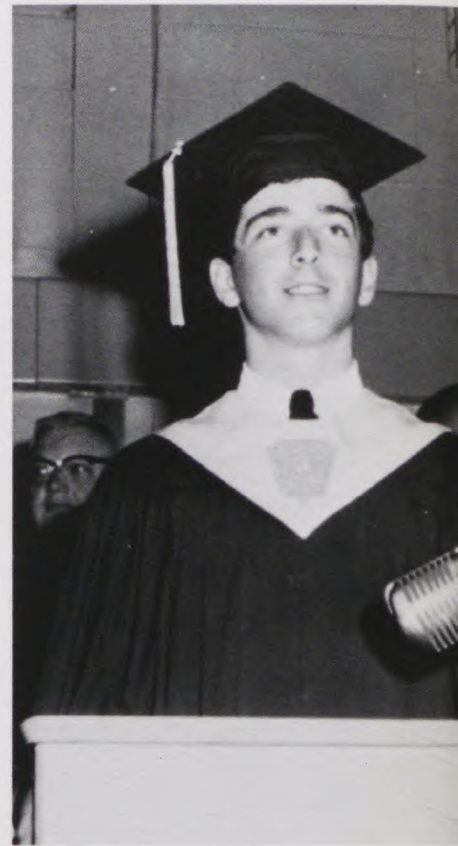

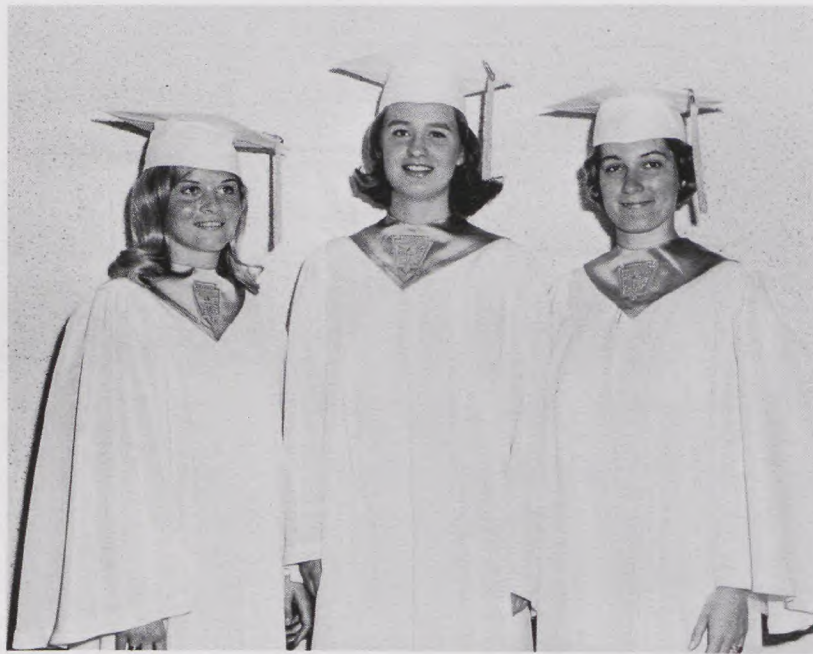

Other outstanding parts of the trip were the F.B.I. tour, the changing of the guard at the Tomb of the Unknown Soldier, and a visit to the late President J. F. Kennedy's grave, the American Heritage tour of colonial Williamsburg, and the dinner-dance in the Potomac Room of the Twin Bridges Marriott Motor Hotel.

*And
Now
Our
Lives
Begin . . .*

Thursday, June 22, 1967 dawned warm and hazy. By 7:30 the gymnasium was filled with parents and friends of the graduating class and the seniors began to enter, heads high and eyes shining with anticipation or with tears.

Dean Edward C. McGuire of Rutgers—The State University, delivered the graduation address which consisted of an inspirational message to the graduating class concerning their future lives. Howard Selinger delivered the valedictory address to the class of 1967 and stressed the importance of their involvement in civic and international affairs and their interest in peace and brotherhood.

Awards and diplomas were presented, the Alma Mater was sung by the new graduates, and the recessional was played by the band. Another graduation of another class. But this was a special class . . . this was the class of 1967.
