FOREWORD

We have dedicated the past four years to the acquisition of knowledge; a knowl-

edge which will guide us in awakening from the dreams of youth to the reality of

adulthood. We accept this knowledge as a trust, for we are, at last, aware of its true

value, and of the significant role it must play in our future.

We are prepared to offer ourselves as the shapers and leaders of tomorrow's world,

to dedicate our lives in serving our country, to fulfill the ideals which we have estab-

lished for ourselves, and to accept the challenges which face us.

Always will we remember and cherish our high school years-not only for the

lasting friendships and fond memories which they have so generously afforded us,

but for their vital role in deciding our future. For these are the years which have

molded us and have made us what we are.

MR. PATRICK MAGGIO

As young adults, the forming of our character is very much affected by our environment and the people existing in it. Since much of our lives are spent in school, the teachers and administrators play an important role in this vast job of molding and shaping a respectable adult, who will be an asset to society. Your influence, Mr. Maggio, has helped many young people to deal with their problems and to become adults not only in stature, but also in their minds. There is a deep respect in every student's heart for not only what you have tried so hard to teach us, but also for the many sacrifices you have experienced in this noble attempt. In setting an example, many of us have striven to improve our lives and in doing so create a better world in which to live.

Although an administrator's role is a busy one, many hours of your precious time has been and will continue to be spent helping a student with a major problem or being an understanding adult. You have always held the student's needs above your own. This thoughtfulness should not go by unacknowledged. We appreciate your unselfishness and in an attempt to show our gratitude will continue to strive for excellence no matter what the job.

We, the class of 1968, deeply appreciate your guidance, Mr. Maggio, and as a token of our esteem, do dedicate our yearbook to you.

MR. BARRY RIZZO

Although these years have gone quickly by, we have come to admire Mr. Rizzo greatly, for it was his generous spirit and determination as a coach at Matawan High that led our school to many, many victories.

The football team is especially grateful to him for his valuable advice which secured for them fifteen consecutive victories, and the respected title of Shore Conference Champions. Both the girls' and boys' track teams will always remember Mr. Barry Rizzo's resolute expression, his "never say die" attitude, and his sincere concern for the condition of their health. His "one-two-three-four!" will echo eternally in our gyms, and it is an honor for us to have shared the experience of receiving this earnest cheer.

The state meet, the highlight of the track season, might have filled the air solely with tension if it weren't for the vital quality of good sportsmanship which "Uncle Barry" possessed, and somehow imparted to us. His faith in these teams afforded them an undying confidence which assured them their many victories.

We, the class of 1968, deeply appreciate all that you have done for us, and it is in remembrance of your generous, devoted nature that we dedicate this yearbook to you, Mr. Barry Rizzo.

MATAWAN REGIONAL HIGH SCHOOL MATAWAN, NEW JERSEY

June 20, 1968

To the Class of 1968, I extend sincere congratulations and my best wishes for a life filled with rewarding projects.

As you progress from vouth to adulthood, you will learn to adjust yourself to the circumstances of your new life so that you fit into the total situation. Insofar as you adapt yourself intelligently, you are master of your fate.

Making the most of your life requires that you be awake and active, that you stretch your mind so as to grasp and comprehend much that will not force itself upon you, that you see and appreciate beauty, and that you stand on your own feet while measuring up to life's demands. Let your preparations be suitable to your hopes and the greatness of your enterprise. When the effort you make appears to be tedious or irksome, recall your purpose and your quest, then the vexations of daily life will seem trivial. Live zestfully each day with a proper sense of values and self-confidence. Then, everyday, you can look forward to tomorrow with calm anticipation, because real contentment and power reside in the realm of your spirit.

May the coming years bring you the best of good health, happiness, and prosperity and — God bless you.

Mrs. Loretta Anderson-Advisor

During the football season, spectators were thrilled by the show of the Matawan Majorette Squad—those high-stepping girls with their sparkling batons, waving flags, and military-like rifles. Each performance displayed the tremendous talent of this year's twirlers headed by Captain Helena Calendar and Drum Majorette Cheri Lawlor.

Judy Butzko led the color guard while Sue Marvel was in charge of the flag twirlers.

It was easy to see that much time and effort was spent in figuring out the difficult routines that these girls have mastered.

DRAMA WORKSHOP

The Drama Workshop has been one of the most profitable clubs at Matawan. It has succeeded in promoting an outstanding interest in dramatics and in rendering a large degree of professionalism in the school's production due mostly to the ideas of a new advisor-Mr. John Ogle. The members of the workshop, through their great success, have gained much recognition and so have performed at various schools in the area. Some of the students have even helped in directing the plays. This year was the first time that Matawan has staged a musical-'Lil Abner, which proved to be very popular.

The membership of the Drama Workshop is too numerous to mention here, but this only proves the enthusiasm brought about by Mr. Ogle with his productions.

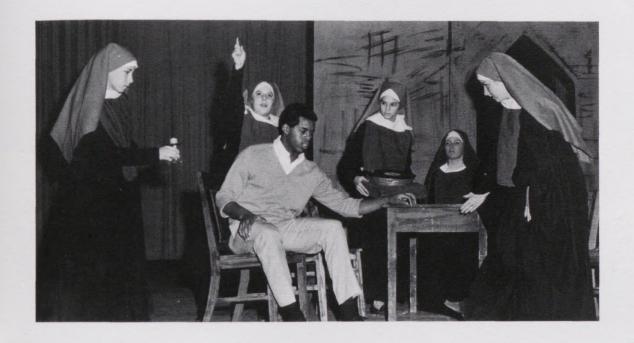

A chapter of the National Thespian Society was formed at M.R.H.S. this year with Tyran Russell as its president.

The M.R.H.S. Student Council, headed by Pres. Eugene Hyman, has accomplished much this year through its programs. One of the most beneficial of these was the raising of money for scholarships given to two deserving seniors. During Thanksgiving time, the Student Council helped three needy families by providing them with complete turkey dinners. The members also added to school spirit by the constructing of the "Doff", which was used for advertising school-sponsored affairs.

Each year, a Leadership clinic is set up to introduce campaign managers at elections, and to help the new members become acquainted with their new responsibilities.

NATIONAL HONOR SOCIETY

Membership in the National Honor Society is the highest honor awarded to any high school student. The charter of this organization established that the four qualities of character, scholarship, leadership, and service would serve as the basis for the induction of a new member.

This year the National Honor Society sponsored their annual "Kickoff" dance on September 23. This organization also made preparations for College Day, when last year's Seniors returned to relate their impressions of college to various English classes. The Society also sponsored the induction of new members in a candlelight ceremony and tea which were held this year on April 23.

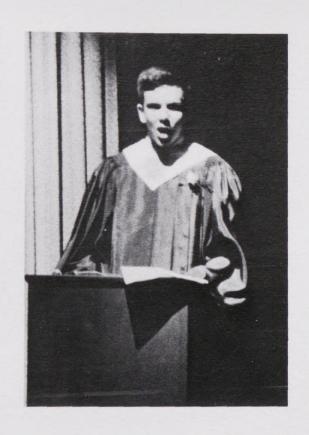

The National Honor Society will present a sonation to the school, and plans to award two worthy Senior Society members with scholarships of one hundred dollars each.

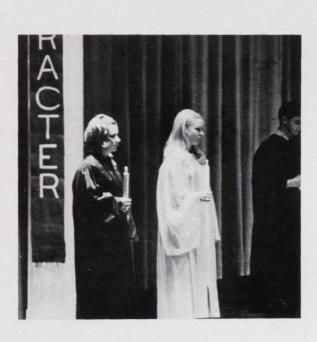

Forty-eight students are presently enrolled in the National Honor Society. These include

CLUBS

The purpose of the German Club is to further investigate the various topics that have not been discussed in the classroom. Many speakers have been invited to lecture at the meetings. Although the club is relatively small, we have been able to accomplish much. After the elections in November, the German Club invited a teacher from the Matawan Adult classes, Mr. Heck, to speak to them about the conditions that existed during the war and how life has changed in Germany previous to that time.

Together with the help of the members of the German Club, a touch of the German atmosphere was added to the barren classroom by decorating it with many typical Alpine posters. Also, Mr. Kurtz, the club's advisor, has arranged for the club to see a few films on Germany and her people

At the present time, plans are being made for a trip.

HUSKIES

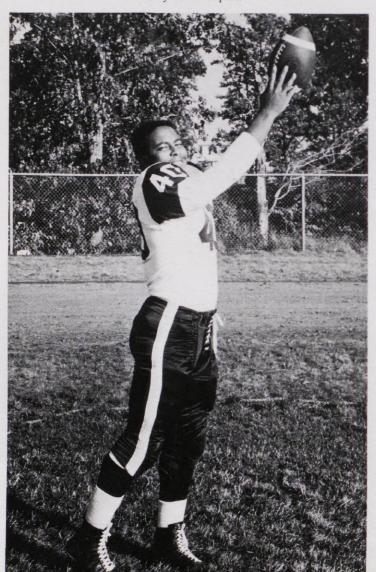

Randy Davis-Captain

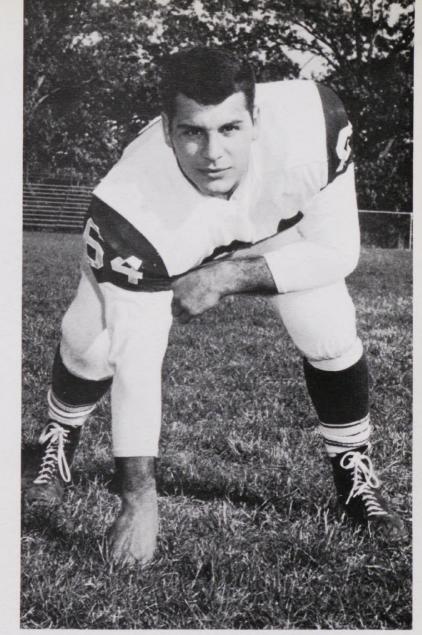

The Huskies had another fine campaign on the gridiron. We did not repeat as Shore Conference Champions, but a 7-2 record is nothing to be ashamed of.

The team was led by the superb running of senior Randy Davis. He finished second in the state with 151 points, and accumulated 1403 yards rushing for the year. Davis probably would have improved on these totals if not for injuries which hobbled him in the second half of the year and forced him to miss the last game. to miss the last game.

Chick Geran-Captain

Randy Davis, Joe Martucci, and Larry Shaw were picked for the News All Star Team and the All-County listings. Davis and Martucci also received the coveted All-State nod.

Chick Geran and Curtis Washington were also picked for the All-County team.

Sophomore Richard Klein and junior Andy Bellamy had quite a battle throughout the year for the second position. Klein improved greatly over last year. Seniors George Morgan and Wayne Edwards will be leaving the team but Matawan should have a fine team with the remaining runners.

Other members who did well were sophomores Jeff Watson and Dennis Sturt. Juniors Jack Shepherd, Rick Rosenblatt, and Jim O'Donnell should do well in rounding out the team next year.

BASKETBALL

The girls basketball team had a remarkable season, winning the Central Jersey High School Basketball League Northern Division Title. They had an outstanding 14-0 record, even topping their 14-2 of last year.

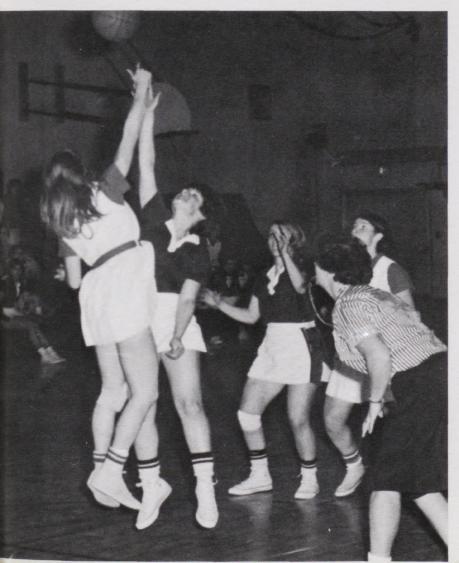

Senior Dottie McCrea literally tore up the league. She consistently led her team past all rivals and scored 62 pts. in one game against Star of the Sea Academy. During her career, Dot amassed 1110 pts.

Lenore Silvers, a junior and senior Wendy Dolan played very well and scored frequently. Senior Lauren Chirco and junior Ellen Flannery also did commendable jobs.

Their coach, Miss Peggy Kerwin, did a fine job and deserves a lot of the credit for the team's success.

Matawan has a girl athlete that is known in practically every part of the state—Dot McCrea. She was achieved more than any other girl in the field of athletics during her high school years.

Dottie is mostly known for her outstanding basketball achievements. She has actually been the first athlete at Matawan to score over 1,000 points, leading her team in an undefeated season.

Besides basketball, Dottie is active in many other sports. In track, she is a star in three field events: javelin, discus, and shot put. She set a new state discus record. Dot also enjoys volleyball, tennis, and swimming.

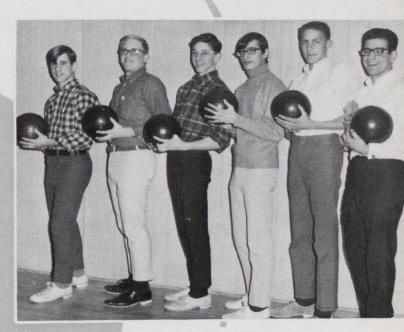

Dottie plans to major in Physical Education at college because of her wide interest in sports. She then hopes to become a gym teacher.

Marc Kresky and John Geran also turned in good performances. Mike Schour and Bob Bailin will be the only graduation losses, so it is expected to be a strong team next year.

GOLF TEAM

Coach Hans Fleischer, Bob Roberts, Dave Manville, Dave Roberts, Mark Burnup, Jim Hoyt.

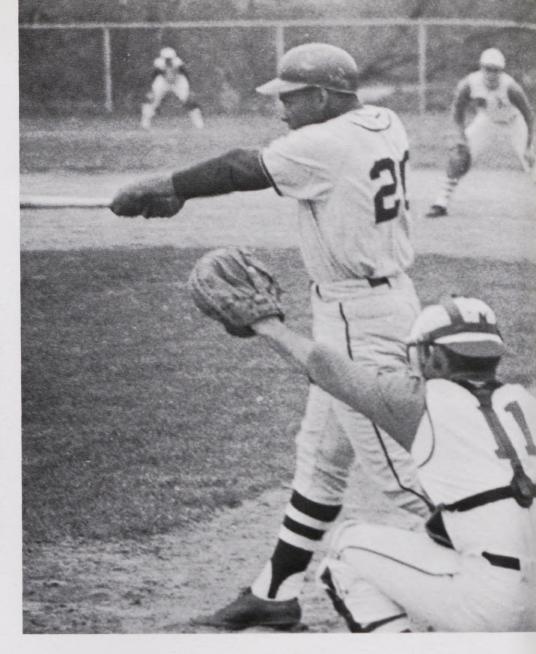

The Golf team, under the patient coaching of Hans Fleischer, underwent a poor season winning only 1 match. It should be remembered that the team is very young and should develop into a fine group during the next two years.

The top five men were Dave Roberts, Mark Burnup, Rick Manville, Bob Roberts, and Jim Hoyt. Matawan is looking forward to a much better team in the near future.

BASEBALL

The 1967–68 varsity baseball team, under the excellent coaching of Mr. George Dietz, turned out an exceptional performance this season. The real success was due to the fine and experienced pitching staff. Seniors Larry Shaw and Frank Schaufele and junior Robert Hanna were very effective and continually turned in fine performances throughout the year. The infield was composed of "slick fielders" and "hot hitters" with seniors John Collins at first base, Billy Kearns at second base, Chick Geran at short stop, Dell Peason, the catcher, and John Szyarto at third base. Outfielders Lon Gostin, Mike Ingram, Twilly Curry, Larry Shaw and Frank Schaufele supplied the punch in the batting order along with doing a good job in the field. Juniors Jack Jurewicz and Daryl Londner didn't see much action this year but should be starting next year along with John Geran, Bill Casagrande and Paul Serle.

After taking a difficult test and obtaining the highest score among all her classmates, Mary Hallarin won the title of Betty Crocker Homemaker.

Billie Reed was awarded a certificate for leadership, scholarship, patriotism, and loyalty by the Daughters of the American Revolution. She was first nominated by her fellow students and then chosen DAR by the teachers.

Those elected for Boys State and Girls State along with Girl's Citizenship were chosen by the guidance department. These students were chosen on the basis of leadership, school record and achievements, and their involvement in their community. These girls were able to spend a week at Douglas and the Boys at Rutgers studying citizenship.

In Boys and Girls State the students actively set up their own state and community governments taking different offices.

The "Snowball" danced with colorful lights and soft music creating a Christmas fantasy for the senior semi-formal dance at Diamond Jim's. The sunken dance floor also added a special touch to

the joyous atmosphere.

Besides dancing to the house band, the couples were entertained by a New York comedian and a fire dancer.

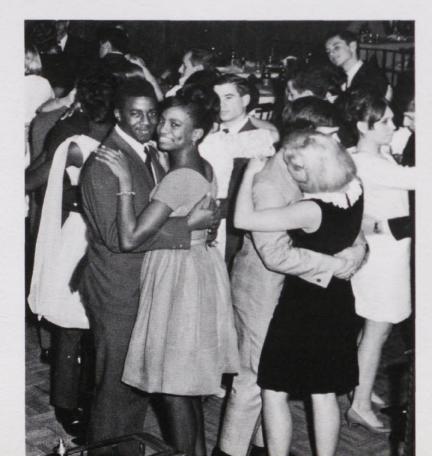

fire dancer.

Upon arrival at Diamond Jim's, the couples were able to join in a "coketail" hour. Then, after a couple of hours of dancing, a roast beef dinner was served with ice cream for dessert. Refreshments were also available throughout the evening. Sue Buchner was chosen by the Senior Class advisors, Mr. Epstein, Mr. Stachura, and Mr. Jaczyski as the "Snowball Queen." Escorted by Kenny Szyarto, she led the Junior and Senior classes in the final promenade.

Fellow Classmates:

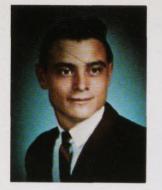

As we look back on our high school years, many thoughts came to mind. Some of the more outstanding events include our freshman play, the area's FIRST Computer Dance, our undefeated football team and girl's basketball team, and our great prom. Then our senior year rolled around bringing with it the picnic, play, trip to Washington, D. C., the prom, and finally our long awaited graduation.

For the past six years, we have functioned as a class. Now as we all go our separate ways, we will use the knowledge we have gained as our guide to obtain our individual goals. In obtaining these goals, whether they be in the form of college, the service of our country, or in industry, we, your class officers for the past two years, wish you the very best of luck and success.

Sincerely yours,

"Cherish"

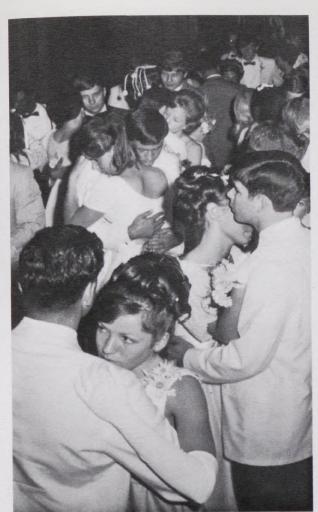

The Matawan Junior-Senior Prom was held again this year at Lakewood's New Irvington Hotel. Everyone enjoyed dancing in the spacious ballroom and dining in an adjoining room where a prime rib dinner was served. Two bands, the house band and the Clique, provided the students with various types of music ranging from rock to jazz and classical.

Both the juniors and seniors had to pay for their bids, seating, decorations, and other special arrangements.

During the later part of the evening, the traditional promenade for both classes was held. This year's prince and princess were: Jackie Jurewicz and Debbie Angello. With runner-ups: George Fox and Kathy Watson, Bruce Gardner and Pat Marine. The king and queen were: Steve Long and Karen Goedel. With runner-ups: Darnell Taylor and Juanita Harris, Jeff Herb and Sue Buchner.

The class of 69 headed by Mr. Benaquista, the advisor, and prom chairmen Richard Brown and Pattie Fries did a wonderful job for "Cherish". It was surely a most memorable evening for those attending.

This year's senior trip extended over a four day period so that the seniors could have more time for touring the Virginia sights. They left the high school at 7:00 a.m. Tuesday then made a short stop in Delaware. After arriving in Washington pictures were taken in front of the Capitol and lunch was served. Running too far behind schedule to tour Mount Vernon, they headed for Williamsburg. After dinner, they viewed a showing of the "Patriot", a film of Williamsburg and its part in the Revolutionary War. Finally they were able to go to the Congress Inn where most enjoyed a cool dip in the pool.

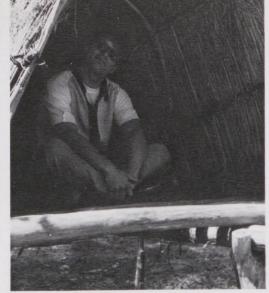

Wednesday the group toured historical Williamsburg and Jamestown. At Jamestown they saw the chieftan's house of the Algonquin Indians, the Fort of 1607 and beyond the fort, the three ships that brought the first settlers to Virginia after a five month voyage. They also toured a wax museum located near by. Finally, that evening, it was back to the Congress Inn for another refreshing dip in the

pool.

The group left early Thursday for a scenic trip through the Virginia Country side to the Nation's Capitol—Washington D.C. Once at Washington, they visited Mount Vernon, the FBI building, Arlington National Cemetery, the changing of the guard at the Tomb of the Unknown Soldiers, the grave of the late President John F. Kennedy, and the Iwo Jima monument. They then arrived at the Marriott Motor Hotel and enjoyed a dinner dance soon after. Irene Wood, Juanita Harris, Candy Hill, Jimmy Alston, Randy Davis, Mike Bischoff, and Steve Long shared in the entertainment.

The final day was spent at the Capitol, Washington Monument, and immense Smithsonian Institute. Some of the energetic seniors made the climb up and down the monument along with Mr. Lawlor. After dinner the buses loaded. They arrived back at Matawan Regional at 11:15 p.m. All those who went agree that it was a most enjoyable trip. Not only did they gain knowledge concerning their capitol but most gained a few extra pounds because of the unlimited

supply of delicious food.

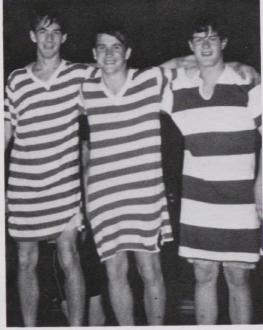

SENIOR TRIP-1968

THE WHITE HOUSE WASHINGTON

TO THE 1968 GRADUATING CLASS MATHAWAN HIGH SCHOOL

Let me extend to each of you the warm congratulations of a former teacher who, in spirit, shares your sense of achievement.

You have laid a foundation for useful and satisfying lives. Before you get on with the work, I would like to offer a few thoughts that you may find useful.

The passion to succeed, to achieve great things, is strongest in youth. Heed it. Do not squander your lives in petty pursuits. Commit yourselves now to a course that will strengthen you for the trials and opportunities of life.

Prize your individuality always. Whatever your place in society, whatever your work, do not surrender your self-reliance or compromise your independence. Liberty is and always will be your most precious possession. Guard it well.

Direct your energies, your talents, and your desires to what is best for yourselves and best for your country. We look to you to redeem what is wrong in our national past and to build what will be great in our national future.

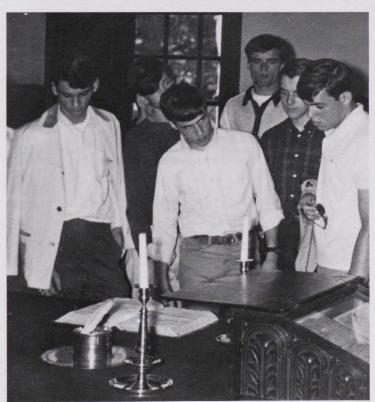

Let this be your wish: that you may look back upon this graduation -- from no matter how many years hence -- with the conviction that you have treated all men with honesty and goodwill, that you have put your heart into your work, that you have done your best.

Thursday, June twentieth, was a memorable day as the class of 1968 stepped out into the confused world of today. Some entered it with tears and others with bright smiles, but they all felt the similar loss of a great four years that they now had to leave behind.

Dr. Charles S. Webster of the First Presbyterian

Dr. Charles S. Webster of the First Presbyterian church in Red Bank delivered the graduation address. He spoke on the sure secrets to success. Monica Fencik delivered the valedictory address to her fellow classmates which was based on the themes of prejudice, wars, and poverty. She spoke of the dream of the class of 1968—the hope of these being no more difference between the races. Jerome Blum, salutatorian, spoke on the responsibility of student dissent. "Let there be Peace on Earth" was a fitting class song for the evening.

for the evening.

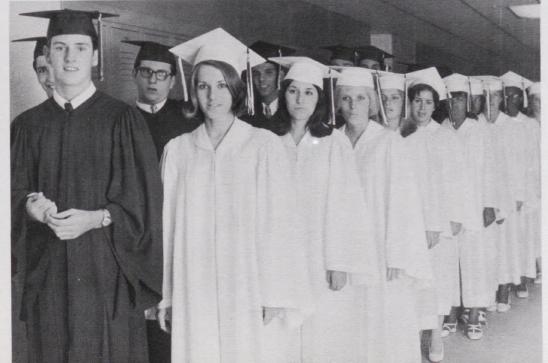

Awards and diplomas were presented by Mr. John V. Caracciolo, principal and Mr. John J. Bradley, President of MRHS Board of Education. After the Alma Mater and recessional, the graduates then left Matawan Regional to pursue their future ambitions.

. . WITH GREAT WE HONOR

Mrs. Mary Oakley has served Matawan Regional High School as a Biology teacher since September 1957. After being with Matawan Regional for two years, she became Chairman of the Science Department.

Mrs. Oakley went to Shippensbury High School then furthered her education at Wilson College where she obtained her Bachelor of Arts Degree, and Penn State for her Masters. She also took additional courses at Shippensbury State and Newark State Colleges. Before coming to Matawan Mrs. Oakley taught at Columbus, Penn, and Salem, New Jersey. She has been involved in education for a total of 21 years.

Mrs. Oakley's enthusiasm for biology brought her to be advisor of the Biology Club. Her love for animals is well known among the students and they have brought her many stray animals throughout her years at Matawan. The students of Matawan would like to express its deep appreciation to Mrs. Oakley for her sincere dedication during the past years.

RESPECT THOSE WHO RETIRE

Mr. Foster has always been interested in helping young people. He is now retiring after being in the school system for 40 years. As a youth, Mr. Foster, attended Bridgeton High School and continued his education at Glassboro State College and Rutgers where he obtained his BA and Masters degree.

Once a member of the Matawan Township Public School System, he taught the seventh grade at Cliffwood Elementary School. In June of 1954 Mr. Foster became principal of that school. Soon after he became the principal of Matawan High School where he served until February 1961. He was then appointed as Superintendent of the Matawan Regional Public Schools from which he is now retiring.

Mr. Foster has also shown his interest in youth by his activeness in boy scouting. An interesting fact is that he was scout master for our present principal Mr. Caracciolo! He also holds an interest in photography, home movies, and wood craft. Mr. "Judge" Foster, as coined by some of his close friends, also served as Magistrate of Matawan Township.

We all express our gratitude to Mr. Foster for all that he has done for our school system, and we deeply regret his leaving this year.

ABOUT THE EDITOR

Pat R. Pocsaji was chosen as the Pillar's 1968 Editor-inchief after having created a successful written layout for Mr. W. Lawlor, yearbook advisor. She has served for two years on the yearbook staff. Pati has also served her school being a member of the Future Teacher's, Dante, History, and French Clubs and as a homeroom representative. She is an above average student and will attend Monmouth this fall as an Elementary Education major. Once out of college, Pati hopes to teach the first grade.

Pati has enjoyed her four years at Matawan and is well liked among her fellow students who all wish her the very best in her future years.

. . THE ADVISOR

"A yearbook is the only living memory that a student has after graduating. I feel that it is necessary for all students to have," stated Mr. William Lawlor, yearbook advisor. He really feels this way and has made this year's book top quality to back up his beliefs.

Mr. Lawlor has been in the advertising business since 1954. He has extensive knowledge of printing and magazines. At Seton Hall he majored in Communication Arts then joined the United States Marine Corps. After being in the service for 2½ years, Mr. Lawlor went into the newspaper business and then became an account salesman for an advertising agency. He left the agency in 1960 to teach at Hillside and Woodbridge, finishing his credits in Math at Seton Hall. In 1962, he came to Matawan to teach Mathematical courses including Algebra I and

II, Geometry, Probability (first time at Matawan), and the writing of a third year course for applied math.

Besides advertising and teaching, the piano and organ have been of great interest to Mr. Lawlor. In college he even had his own radio show playing with Frankie Carle, one of the leading dance bands then.

Along with this, Mr. Lawlor is married with five children. He is, as one can see, a very busy man. The yearbook staff would like to thank him for all of the time and effort he spent in making the '67-'68 Pillar the best yearbook Matawan has ever had.

. . AND THE 1968 EDITION OF PILLAR

The 1968 edition of Pillar has been printed and bound by the American Yearbook Company in Cambridge, Maryland. The text and captions are set in 10, 12, and 8 point Times Roman Italics. The headings are in 24 and 30 point Times Roman. The cover was by S. K. Smith Company at Chicago, Illinois, having a hard case 160 point binders board. The base material is of maroon embossed weave with Metaley application and black overtones.

The yearbook staff would like to extend a special thank you to Mr. Seymour Pappas, of Pappas Studio's Main

Street, Keyport, for his patience and understanding and, as the Pillar's official photographer, for the great amount of time he has spent helping the staff members.

The staff has been most appreciative to Wynne Murchison of American Yearbook Company for his criticism and advice, consideration and service.

The staff and students contributing to the assembling of the '68 Pillar are especially thanked for their successful efforts. Sandi Bauman and Judy Bol are also commended for their art work, and Mike Morizio for his photography.
