PILLAR 69

**Matawan Regional High School
Matawan, New Jersey
Volume 19**

We the editors feel that your yearbook should be a reflection of the year in Matawan Regional. This has been a year of change at Matawan. The Faculty Advisory Board has instituted many new measures concerning smoking and discipline.

Your yearbook has changed also. The books in the past have been similar in content and style. This year, we have made changes, which we feel give the book a new atmosphere. We are using a different type, and we have added one section, and changed others. We have tried to give more comprehensive coverage to the year in general. We hope these changes have created a book you will treasure as a memorial of your year at Matawan

dedication

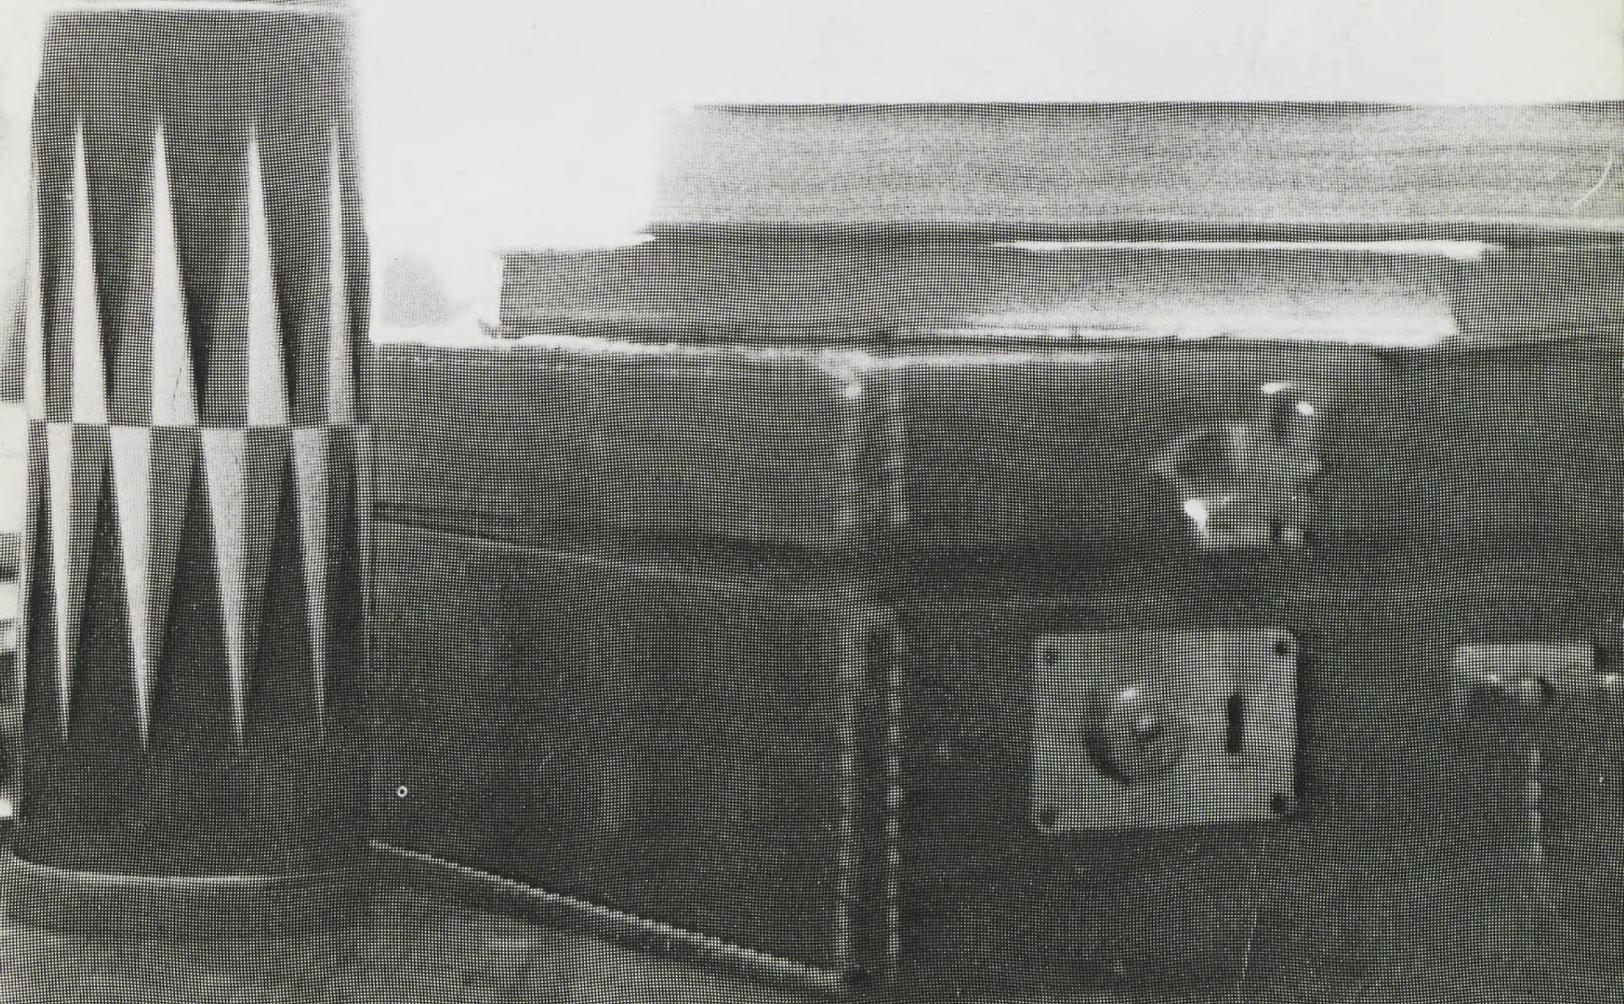

miss marie panos

Soon we, as young adults, will leave M.R.H.S. and meet society face to face. We leave with the knowledge and impressions that we have acquired through the years. We also leave behind the people who have influenced our lives greatly. Our teachers have shown us the true meaning of life. Miss Panos, you have been one of these teachers. We have seen and felt your achievements as a productive member of our society. We only hope that we, can go out into the world and make it a better place, just as you have done by being a part of Matawan Regional High School.

With this in mind, we, the class of 1969, dedicate this yearbook to Miss Marie Panos.

administration and guidance

John V. Caracciolo

There is little to be told about the administration that you would not already know. The administration has a part in almost everything in MRHS. Under the leadership of John V. Caracciolo, with the aid of Thomas Stachura and Patrick Maggio, the MRHS administration continues to function smoothly. This year, following the suggestions of the Faculty Advisory Board, the administration revised the no smoking rule, and they are planning to begin open lunches during the 69-70 year. All in all, the MRHS administration is as efficient and smooth-operating as ever.

Mrs. Helen MacMillan

Mr. Gunther Heyse, Director of Guidance

Mrs. Janet Pohira

This year, you may have noticed a new vitality in our guidance department. They now publish a newsletter, in which they give all the guidance news, such as college visitations, and the names of seniors who have been accepted at colleges.

Of course the guidance department still gives invaluable aid to students. Mr. Gunther Heyse's services are especially useful to seniors, as he is the counselor who helps a graduating student find the right college. The rest of the department is always eager to help a student with problems in choosing courses, or transferring from one course to another. Any student with a problem should not hesitate to call on the guidance department for help.

LIBRARIANS

Without a library a school cannot truly be called a place of knowledge, and you cannot have a library with no one to run it. This is the purpose of our librarians and they perform their job to the utmost of their ability. Our school's Chief Librarian, Mrs. Lois Davidson, has been with us many years and has never ceased to do her job well and keep the library well-stocked with enjoyable and educational material.

English at M.R.H.S. doesn't consist of just grammar and compositions any more. In the past few years, the English Department has brightened and widened its scope so that now, many people don't just shrug and say "Ugh! English!" Besides the good old recordings of poetry and Shakespeare, plus stories by Edgar Allan Poe, Dickens' novels, and those many memorable, unforgettable visits to the library in the regular English classes, the English Department is now made up of many other diversified subjects, such as: Creative Writing, where young authors learn how to polish and perfect their work; Dramatic Arts and Speech, for aspiring young actors and actresses; Classical Literature, where works by ancient Greek authors are carefully studied, scrutinized, and subjected to criticism of all sorts; and Shakespeare, where students finally get to rip apart the Master's works to their hearts' content.

Gym is one of those subjects in everyone's day that helps to break up the monotony of wandering from classroom to classroom. Besides regular Phys. Ed. classes with volleyball, basketball, and of course, good old callisthenics (and softball outside in the spring!), Driver's Ed., both Theory and Behind-the-Wheel training, is available to Juniors and Seniors. And of course, you musn't forget all our inter-scholastic and intramural activities after school, including not only football, basketball, and track, but also cross-country, golf, and bowling, as well as girls' basketball, track, and intramural sports.

foreign language department

The Foreign Language Department this year continued to the new Audio-Lingual instruction method, as opposed to the older method of textbook drill and silent reading. This older method is still used in some of the more advanced classes, but is being phased-out year by year. And, for the second year, the Language Department has had everybody's favorite, the Language lab, at its disposal. Here, from one person to an entire class can listen and work with prepared tapes, take tests, or listen to foreign records, thus nicely complimenting the Audio-Lingual method.

industrial arts department

The Industrial Arts department offers male students the opportunity of taking, upon invitation, the Monmouth County vocational course in metal working in their junior and senior years. Any student who has taken general shop and wood shop is eligible to be chosen. The dept. also offers four years of mechanical drawing and two years of electricity and electronics.

In order to give the students a more thorough education in the basics of Home Economics, the Home Ec. Department is divided into three main divisions, each with its own teacher. In Home Living, where the emphasis is on the homemaker as a consumer, students study decorating, child care, cleaning, and general homemaking. Students in Cooking first study nutrition, and then go on to meal planning and the actual preparation of simple meals. In Sewing, after having made tote bags and pillowcases to acquaint them with the sewing machines, the students go right into making their own clothes, learning more and more as they go along.

science department

The Science Department's newest course, Advanced Biology, went into its second year this year. This course is almost completely labwork, as are its predecessors, B.S.C.S. Blue and B.S.C.S. Yellow, distinguishing them from the regular first-year Biology courses. This year too, Freshmen were again allowed to take first-year Biology, giving them a head start in the Science Department, so that in later years, they would be able to take other Science courses, such as Chemistry, Electronics, and Physics, which boasts of expensive and specialized equipment, among them, the ripple-tank and stoboscope equipment.

In keeping up with today's modern, fast-paced, mechanized business world, the Business Department has once again offered some of its more advanced courses to anyone who is at all interested in this type of business training. Besides the regular typing, shorthand, and bookkeeping courses, students can also choose from such courses as Business Machines, and Data Processing (although to be eligible for Data Processing, you are required to pass a special test). And for the aspiring secretary and office worker, there is a special course in Secretarial Training and Practice, in which the students are sent out to various businesses in the area for job experience.

Other courses include Calculus, Advanced Geometry, and a half-year course, Trigonometry. art & music

The major objective of the M.R.H.S. Art Department, as stated by Art teacher Mrs. Joan Soderlund, is "to remove misconception, misinformation, and complete fallacies about the subject, Art. By removing prejudice, and teaching the students to be as objective as possible, we force them to rediscover what are the essential and universal qualities of art." The Art classes are not geared "to make artists," but are geared "to unteach wrong ideas rigidly held." The students are led away from concepts like "art is decorative and pretty," and begin their work with rudiments — line, texture, structure, form — paying attention explicitly to these, and then take it from there. "If the students can contrast and compare two such extremes as Picasso's 'Guernica' and Botticelli's 'Primavirna,'" says Mrs. Soderlund, "and understand where and how they differ and how they are the same, then they have learned a concept which will carry them far . . ."

Mr. E. Gordian

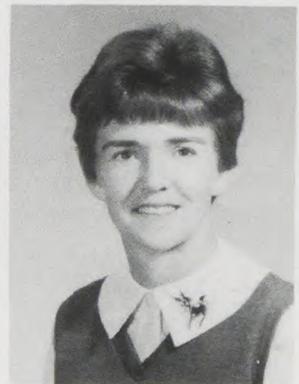

Mrs. Joan Soderlund

That Music is one of the most popular of all departments in M.R.H.S. is practically an understatement, especially if you take a look at the size of the classes. With almost 100 in Band, and practically 200 in Chorus, the Music Department is one of the school's most active. Always striving for perfection, the students work constantly to improve themselves, so that M.R.H.S. can boast of having some of its Music students members in the All-Shore, All-State, and even All-Eastern Bands and Choruses. And for students who are interested in Music's basics and background, there is Introduction to Music, an appreciation course which consists of learning about the different periods and styles in Music, as well as listening to the Music itself; and Theory and Harmony, where students learn the basics in music theory and how to write the music itself.

This year the Junior Class held the second Computer Dance in the school's history. Computer forms were sold about two weeks before the dance, asking the students such questions as: "What length hair do you want your date to have?" and "What kind of music do you enjoy most?" The forms were then collected, and mailed out to be processed, as everyone waited anxiously for the night of the dance. Finally, the big moment came, and the computer's work was revealed at last. There were grunts, groans, and nods of both disgust and approval, but as the night wore on these things were forgotten as everyone danced their cares away to the music of the Black River Circus.

student council adopts foster child

It was a most productive year for the MRHS Student Council. Under the leadership of president Patty Fries, this student governing body can boast of a long record of achievement. In the early part of the school year, the Council spearheaded a Biafra Relief Drive which raised approximately \$2500. In addition, the Council supplemented its treasury by means of profits raised from movies for children.

Highlights of the Council year included the adoption of a child from Greece, the obtaining of soda machines, the institution of the "open lunch" system, and a carnival sponsored by various clubs of the school.

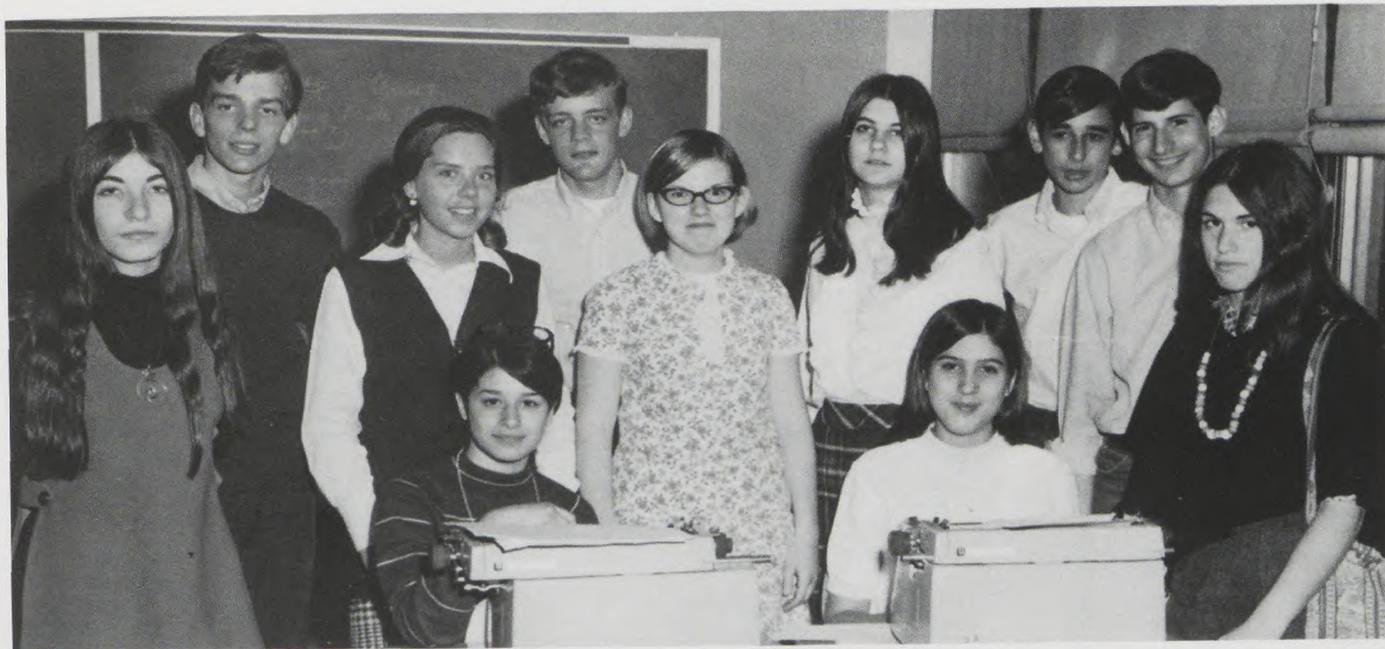

With the advent of the newly-formed Faculty Advisory Board, with which the Student Council will work in conjunction, hopes for more efficient student representation are brighter.

m.r.h.s. news in third year, continues to grow

As it entered its third year, the M.R.H.S. News showed definite signs of maturing and improving. Starting from where the now-defunct "Variety" left off, the News has grown in size and quality, offering both news and feature stories, as well as reviews, sports, editorials, and articles such as "Teachers' Talk", "Voice of the Students", and the ever-popular Inquiring Reporter, where teachers and students voice their opinions about anything they feel is relevant to the school. Under the direction of Miss Muller, and Editor-in-Chief Sandy Gilmour, the M.R.H.S. News, published monthly, has grown from a small-staffed, two-paged publication to a professional, very successful, and ever-growing newspaper. The staff throughout the year has included:

Editor-in-Chief — Sandy Gilmour

Board of Editors — Debbie Orbach, Steve di Pietri, Ron Levine, Donald Suss, Karen Green

Photography — Jack Donahue

Business Manager — Linda Dworkis

Sales Manager — Steve Baker

Artists — Donna Borup, Charles Elleman, Cathy Prager

One of the hardest, and probably the most thankless jobs in the school is that of the Yearbook Staff, that heroic little band of workers who gather together to put together the 200-some-odd page Pillar. This is only one-half of the staff, however, being just the Editorial Staff, who struggle day after day to meet deadlines and put together a book that the school can be proud of. The other half is the Business Staff, the ones who raise the money for the Pillar by getting ads, boosters, selling Yearbooks, and working behind the food counters at football games. And the only reward these workers get after breaking their necks for the Pillar is the finished

Pillar itself, and the satisfaction of knowing that they helped to make it what it is.

The Yearbook staff's advisor is Mr. Lawlor. This year's staff included:

CHORUS

The main purpose of Chorus is to introduce the students to the fundamentals of music, and to give them an opportunity to work in a large choral group. Under the excellent direction of Mrs. Anne Hannah, the 175-member chorus presents two concerts a year — one at Christmas and one in the Spring — with arrangements presented by smaller groups, such as Varsity Singers, Madrigal Group, Girls' and Mens' Choruses, and the Matawan members of the All-Shore Chorus. At this year's Spring Concert, Junior Richard Brown brought down the house with a bass solo from Handel's "Messiah."

M.R.H.S.'s 80-some-odd member band, under the direction of Mr. Nicholas Dascoli, presents two concerts annually. The program of the Spring Concert is recorded and sold every year. The band also performs at football games, school assemblies, and marches in the Memorial Day Parade and the Miss America Pageant Parade. The Dance Band this year took part in a special assembly program with the V.I.P. Club. This year's band officers were: Pres. — Carlo Vinci; Vice-Pres. — Richard Brown; Sec. — Carol Tremper; Treas. — Judy Shafto.

The Drama Workshop remained quite active this year, though not as active as last year, the year of its "rebirth". The Thespian Society became the "core" of the Drama Workshop, its officers and members running productions and activities for the most part. Under the direction of Mrs. Bonnie Shuman, students presented "A Thurber Carnival," a series of scenes and skits based on works by James Thurber, and the second musical in the school's history, "Bye Bye, Birdie," with original choreography by Mrs. Shuman. Drama Workshop members also entered area contests and meets, and many accumulated enough points throughout the year to be inducted into the Thespian Society.

"Aren't they marvelous?"

"They've got to be the best in the state!"

These were typical comments made by enthusiastic spectators during football season, after having seen the M.R.H.S. Majorette Squad perform. Every baton, gun, and flag was twirled with precision, while the girls marched in perfect time to the music of the M.R.H.S. Band. The long hours of practice spent in perfecting the difficult routines, as well as the girls' great talent, make it easy to see why everyone in M.R.H.S. has been so proud of the three squads, headed by Captain Ginny Joaquin and Drum Majorette Nancy Eisenbeis.

CLUBS

national honor society

Membership in the National Honor Society is the highest honor any high school student can receive. Candidates are chosen on the basis of scholarship, leadership, character, and service — the four qualities on which the National Honor Society is based.

This year, the Matawan chapter of the National Honor Society sponsored the annual "Kick-Off" Dance, held on Sept. 27, preceding the year's first football game. Honor Society members hosted and acted as guides during both National Education Week and Back to School Night. They also organized "College Day", when graduates of the class of '68 visited various English classes throughout the school, and gave their impressions of college life. The Society also held inductions of new members this year with the traditional candlelight ceremony and formal reception afterwards.

At graduation, the Honor Society awards two scholarships, one to a boy and one to a girl, to the two students who have contributed the most to the Honor Society's activities throughout the year.

There are students presently enrolled in the National Honor Society at M.R.H.S. These include:

Officers — President, Richard Brown; Vice-President, Ellen Flannery; Secretary, Irene Shanahan; Treasurer, Barbara Wyckoff.

Members — Lorraine Ambrose, Christina Baer, Cynthia Compton, James Culpepper, Helaine Eisenberg, Eric Gordon, Marie Hussey, Lynn Kortenhaus, Carol Lackovitch, Neil Levine, Rebecca Lorberfeld, Carol Lovenberg, Sharon Maidment, Elizabeth Main, Ted Matthews, Sue Matthewson, Linda Messerschmidt, Deborah Nelson, Laura Noddings, Diane Papa, Janice Peterson, Barbara Reed, Ronald Rogacki, Edwin Schlotzhauer, Thomas Schlotzhauer, Earl Siddons, Lenore Silvers, Alan Spielman, Carol Tremper, Linda Vogel, Barbara Weiss, Karen Zieff, Audrey Anderson, Pamela Bily, Richard Bischoff, Patricia Brannick, Donna Borup, Marilyn Chewey, Nancy Eisenbeis, Joseph Gaval, Diane Gelburd, Keith Gross, Louisa Howard, Kent Johnson, Bruce Korf, Marc Krauss, Carla LaGrassa, Ronald Levine, Richard Manville, Peter Meic, Paul Serle, Robert Sioss, Catherine Twanmoh, Matthew Wilkes, Peggy Yules.

honors math club

The Honors Math Club is formed of those students who have maintained an average of 85 or better in their first two years of math, and are currently enrolled in a mathematics course. Initiation of new members was held this year in November, in the school cafeteria.

Each year, the club purchases and trims a Christmas tree for the school which is displayed in the lobby. The tree is purchased with club dues, and the trimmings are made by students in the Geometry classes. The club members also do tutoring in math, and this year, along with the Physics Club, visited a computer institute at Rutgers University, New Brunswick.

The club's officers are: Alan Spielman, President; Ellen Flannery, Vice-president, Cindy Compton, Secretary; Marie Hussey, Treasurer.

The membership includes: Lorraine Ambrose, Chris Baer, Richard Bischoff, Jessica Bowerman, Richard Brown, Kathy Francis, Joe Gual, Diane Gelburd, Judy Gilbert, Denise Hayducko, Louisa Howard, Carla LaGrassa, Peter Meic, Linda Messerschmidt, Debbie Orbach, Cathy Prager, Patti Russell, Chris Sarra, Barbara Schwahl, Lenore Silvers, Heather Stevenson, Cathy Twanmoh, Linda Vogel, Peggy Yules.

the international thespian society

The International Thespian Society, the "Honor Society" for high school Dramatics, chooses its members from those students in the Drama Workshop who have accumulated 10 or more points. Each of these points is determined by every ten hours a student has contributed to the workshop.

This has been Troupe #1615's second year at M.R.H.S. This year, it was decided that the Thespian Society would be the "core" of the Drama Workshop, choosing both the plays to be presented during the year and crews and crew chiefs for the plays, as well as completely running the Drama Workshop.

The officers of the National Thespian Society are: President, Bill Liegal; Vice-President, Gayle Galatas; Recording Secretary, Lorna Gade; Corresponding Secretary, Becky Lorberfeld; Treasurer, Jackie Parsick, Historian, Rose Esposito; Publicity Manager, Diane Papa. Advisor to the group is Mrs. Bonnie Shuman. The membership includes: Richard Bischoff, Richard Brown, Jessica Bowerman, Sue Clay, Cindy Dell, Kevin Fry, Jack Frazier, Laura Gardner, Diane Gelburd, Steve de Pietri, Michael Morizio, Doug Morley, Carla LaGrassa, Paul Moran, Dennis Parsick, Henry Wojotowicz, Peggy Yules, Cathy Twanmoh.

german club

Due to lack of support on the part of the student body, the German Club this year was practically non-existent. What was a fairly large and active club only a few years ago has today dwindled down to be one of the school's smallest. Because of this, the club has not been very active. It is hoped that next year, students will show more spirit and enthusiasm for the German Club, so that its members can once again take part in its activities.

spanish club

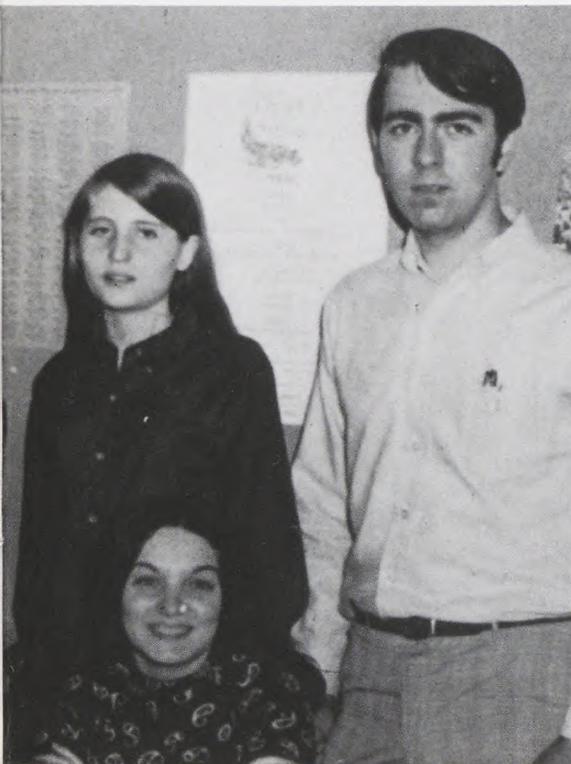

This year the Spanish Club visited the Hispanic Society of America, where original paintings by El Greco and other Spanish masters are on display. Afterwards, the club and the advisers, Mrs. Patricia Weltner and Mr. Ralph Cutro, dined at the La Fonda Del Sol, an exclusive Restaurant with an excellent Spanish cuisine. The club also participated in the Student Council Bazaar. The officers are: Sharon Walsh, Pres; Chuck Weigel, Vice-Pres.; Ellen Garret, Sec.; and Valerie Weisenberger, Treas.

The French Club is open to any student currently taking French, or who has taken French in previous years. The club, along with other clubs and organizations in the school and in the area, raises money for the American Field Service, so that a foreign student may come to America and attend school here for a year. This year, the French Club was aided in its work by the newly-formed American Field Service Club.

The club's activities include a trip, and various fund-raising projects, one of which is the selling of stationery. The club's advisor is Mrs. D. Perkins.

The officers of the French Club are: President, Becky Lorberfeld; Vice-President, Richard Bischoff; Secretary, Heather Stevenson; Treasurer, Cathy Twanmoh.

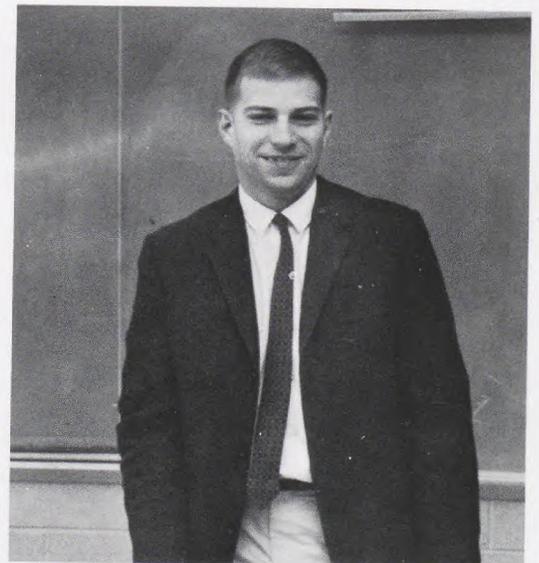

future teachers of america

The Future Teachers' Club is composed of Junior and Senior students who are interested in the teaching profession. This year, the club's activities included a trip to a state teachers' college, observation of grammar school classes by club members, guest speakers at meetings, and a monthly bulletin board exhibit. The club also raises funds through dues and a cake sale, so that a bond may be awarded to a deserving Senior club member at graduation.

The club's advisors are Mr. Shaw and Mrs. Bell. The officers are: Pres. — Barbara Wyckoff; Vice-Pres. — Lenore Silvers; Sec. — Marie Hussey; Treas. — Kenny Haspel.

medical careers club

The Medical Careers Club is open to any student who is interested in a career in medical work. The club is one of the most active and beneficial in the school and community. Members of the club visit hospitals and nursing homes for the purpose of observation and donating food to the ill and impoverished, especially during the Christmas season. Club members also serve as secretaries and aides to Mrs. Marion Roman and Mrs. Helen Dolan, who are the advisors of the club.

The officers of the club are: President — Debby Marshall; 1st Vice-Pres. — Barbara King, 2nd Vice-Pres. — Chris Baer; Secretary — Audrey Kiah; Treasurer — Irene Shanahan.

the l.s.d. club (let's stop drugs)

The L.S.D. ("Let's Stop Drugs") Club was formed to inform students about the hazards connected with the use of drugs. The club, supported by the Matawan Jaycees, was donated an acre of land worth \$12,000, and its main project now is to set up a Teen Center on this land. The club is presently trying to raise the money to furnish the Center's interior, and has started various projects around the school. The club's officers are: Pres., Debbie Hegedus; Vice-Pres., Rose Esposito; Sec'y., Ellen Garrett; Treas., Renee Myers.

A.F.S. CLUB

Newly formed this year, the American Field Service Club's main purpose is to help finance the cost of having a foreign exchange student at Matawan. To do this, it works in conjunction with the French Club, running dances and sponsoring many other fund-raising activities. Both clubs are advised by Mrs. Perkins. The temporary chairman of the A.F.S. Club is Howard Noddings.

forensics league

The Forensics Club, re-organized this year, has been formed at M.R.H.S. to give students the opportunity for participation in debate tournaments, dramatic interpretation, oratory, declamation, oral interpretation, and other Speech and Forensic tournaments and contests. Through this club, interested students will be able to gain experience and guidance in speech activities before entering the various tournaments.

The Forensics Club this year entered six contestants in the Long Branch Speech Festival, of which four placed in their respective categories. The club also participated in the WJLK Youth Forum at different times throughout the year, and began a Debating Team for participation in State Debate Tournaments.

The Forensics Club is advised by Mrs. Velma Cole. This year's officers are: President, Peter Meic; Vice-President, Laura Gardner; Secretary, Gayle Galatas; Treasurer, Bruce Conrad.

biafra relief campaign

During the month of February approximately 300 MRHS and Lloyd Road students collected over \$2000 for the Biafra Relief Drive. Sponsored by the Student Council, the Drive was headed by Keith Gross. Ronald Levine acted as publicity manager. Money was collected from MRHS students during lunch periods and was donated by local merchants and residents. Area chairmen included: Karen Green, Judy Gilbert, Peggy Godwin, Donald Suss, Debbie Orbach, and several others.

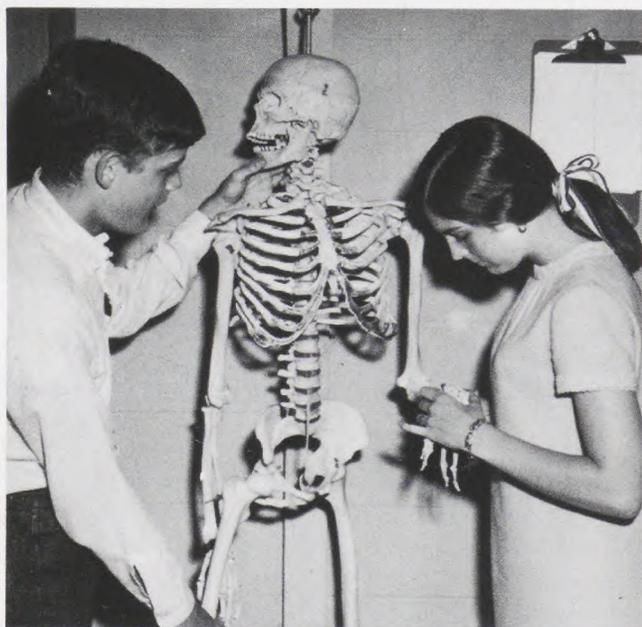

Anyone who wishes to give a performance of any type at all before an audience may join the Vocal and Instrumental Performer's Club. Formerly the Piano Club, the club, this year, has branched out, and now includes any performance medium at all. This idea has proven quite successful, for in its first year, the club boasts of a large membership. At meetings, members give their performances to the rest of the club. Among the types of performances usually given are solo voice, voice and piano, solo piano, and guitar, although there have been performances by trumpet, trombone, and even organ.

The V.I.P. Club is advised by Mrs. Hannah. The officers are : Pres. — Richard Brown; Vice-Pres. — Kathy Benyola; Sec. — Lisa Zimmer; Program Co-ordinator — Carlo Vinci.

biology club

This year, the Biology Club was not very active. In the middle of the year, Mrs. Gade became advisor. The club went on a trip to the Benjamin Franklin Museum, in Philadelphia. They also sponsored a booth in the Student Council Carnival. Next year, Mrs. Gade hopes to create a club in which a student with an interest in biology can follow that interest as far as he wants.

Any student currently enrolled in a History course is eligible to join the History Club. This year, the club's activities included the usual club trip, as well as student reports, panel discussions, and debates. Also this year, eight club members were sent as representatives to Monmouth College's Government Institute, where key government officials were guest speakers.

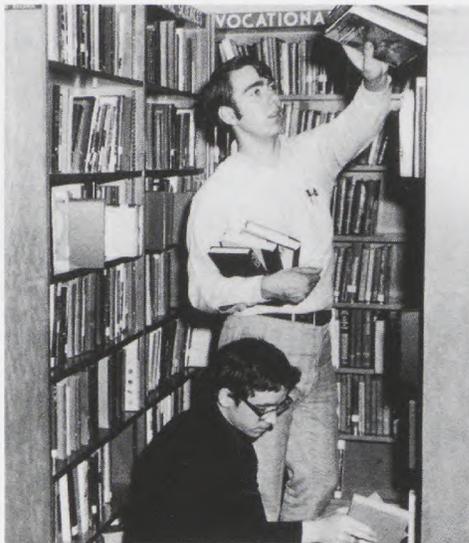

The club's officers are: Pres. — Jimmy Culpepper; Vice-Pres. — Elaine Karyczak; Sec. — Linda Messerschmidt; Treas. — Gabe Giassi.

MATAWAN 65 JACKSON TOWNSHIP 0

Matawan opened its 1968 season with a crushing 65-0 victory over Jackson twp. Jackson formerly a "C" division team was playing their first "B" division game. They just couldn't cope with the Huskies single wing offense.

T.D.'S. — Szyarto 2, Allison 2, Russell 2, Wilkes 2, Connolly 1, Curry 1 (103 yds. with an intercepted pass). Tom Casagrande — 5 PAT'S.

RED BANK 29

In the third game of the season Red Bank rallied to a 29-12 victory. Red Bank, moving down from the more powerful "A" division, had no difficulty with the Huskies. Matawan, however, was down only 2 pts. at half time. During the second half, Matawan suffered the interception of 3 passes, which assured a Red Bank victory.

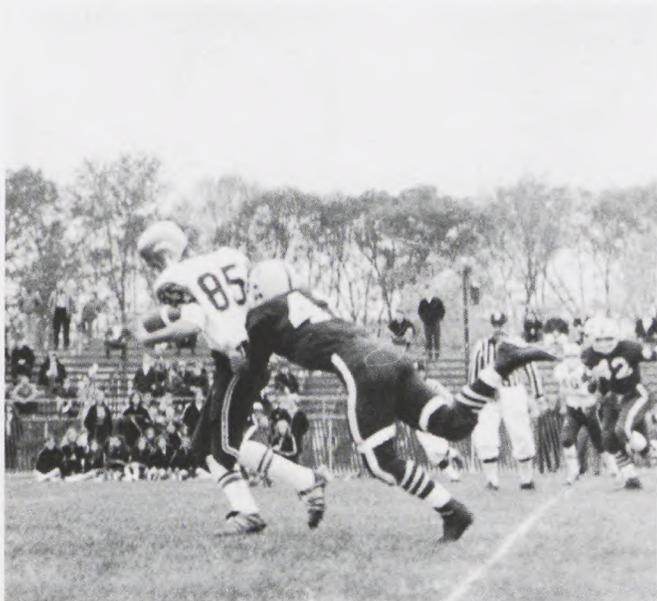

T.D.'s — Russell 1, Szyarto 1.

MONMOUTH REGIONAL 13

Matawan, after a powerful showing against Jackson, was held to a tie by underdog Monmouth Reg. The crucial play was a missed P.A.T. by Matawan late in the 4th quarter. Monmouth Regional's defense, showing no fear for the Huskies 65 pt. offense, did a fine job of containing the Huskies.

MANASQUAN 19

It became a Manasquan day as they remained undefeated, winning over Matawan 19-6. Statistically, Matawan was close. We just couldn't capitalize on our scoring opportunities. The running of Manasquan's Len Warwick was too much for our defense. Willie Allison was the lone Matawan scorer.

Matawan, as expected, ended their 1968 season on a bright note with a 49-0 slaughter of Keyport. Due to the unbalanced pairing, this will probably mark the end of the MAT.-KEY. series. matawan cross country wins "b" division championship

Our cross-country team won its 1st title, becoming 'B' division champs. The Huskies amassed a perfect 7-0 record in class 'B' competition, while finishing 9-2 overall. Coach Gene Jaczynski in his 8th year as Coach, finally copped his 1st championship after 2nd place finishes the last 2 years.

The Huskies 2 defeats were against 'A' division teams. On Oct. 15, Matawan lost 20-43 on Raritan's sand filled home course. The Huskies gained small consolation in the fact that their star runner, senior Bruce Gardner, took first and remained undefeated in dual meet competition. Bruce's undefeated status remained intact until the final meet of the season. Matawan was defeated by Middletown 19-40 and Bruce finished 2nd, ten seconds off the pace. Gardner, however, on Oct. 25, cut 14 seconds off the Matawan record running a remarkable 12:06 on the 2.4 mile course.

Gardner was backed up by 4 other fine runners. The real key to the success of this year's team was the consistency of these four to group together. Senior Andy Bellamy and juniors Jeff Watson, Rick Klein, and Dennis Stuart were always grouped right in the top 8. These three juniors ought to put on quite a show next year. Jack Shepherd and Greg Welstead were the other varsity runners.

Boy's Basketball

The Matawan Basketball team had a disappointing 8-10 season. This isn't too bad considering that Matawan's starting five all graduated last year. Coach Bruce MacCutcheon can foresee better things next year. Graduating seniors Ken Haspel, Andy Bellamy, Jack Lewis, Frank Allison, Daryl Londner, and Ron Sanders leave behind some very talented underclassmen. These include the team's leading scorer this year, junior Mark Burnup. Also expected to produce next year are Bill Hussey, John Mohler, Randy Charlsen, Wayne Schubiger, Fred Forman, Jim Cameron, and Matt Wilkes.

WRESTLING

Despite coach Bill Lawlor's conscientious efforts, the wrestling team failed to have a successful season, winding up with a 1-9 win-loss record in Conference B Division; the basic reason being inexperience.

By way of consolation, a great deal of individual improvement was displayed; particularly by senior Jack Shephard. Jack had a superb season record of 9-1.

Also enjoying fine seasons were sophomores Mike Herb and Curtis Edwards. Herb had a 9-1 record while Edwards was 5-3. Coach Lawlor is optimistically looking forward to next year, when his young team should take a step further in reaching their potential.

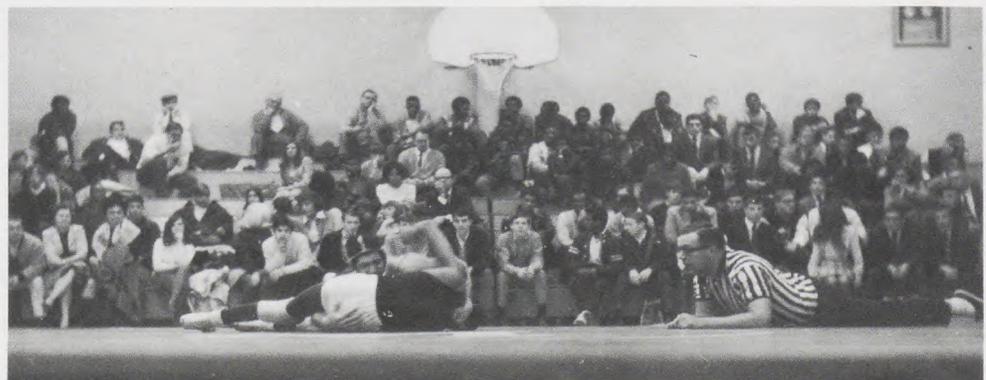

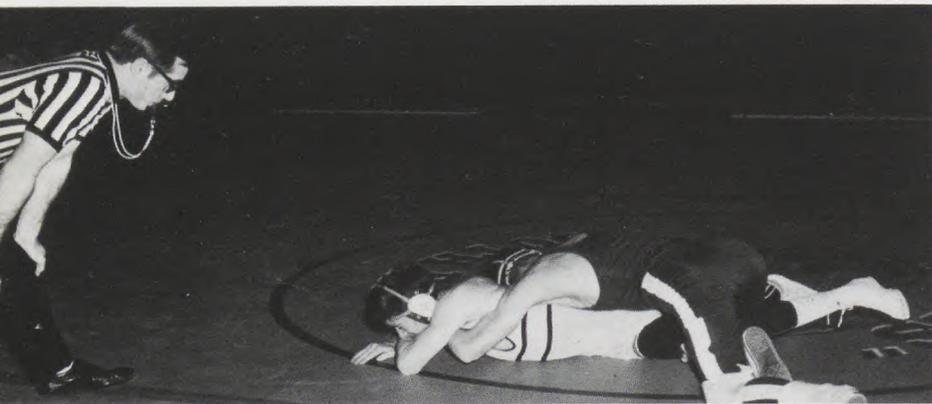

Other seniors performing creditably were Lloyd Kronitz and Carlo Vinci.

Girls Basketball

The girls Basketball team had another fine year finishing second in Central Jersey. Matawan has a sparkling 12-1, the lone loss at the hands of Central Regional. The team was led in scoring by senior Lenore Silvers; who was runnerup in scoring last year. Sophomore Carsandra Taylor was runnerup this year. Graduating seniors besides Lenore are Barbara Wyckoff, Ellen Flannery, Barbara Reed and Estelle Hamilton. Coach Miss Kerwin is looking forward to another fine campaign next year with C. Taylor, Barbara Drago, Denise Williams, Nancy Helms, Barbara Remer, Phyllis Jones, Diane Dolan, Retta Goolsby, Gail Caley, Barbara Neil and Sue White returning.

Bowling

The MRHS Bowling team turned in a superb performance, winning the state championship. The team had a 25-5 record.

The road to the state championship was not an easy one. Under rookie Coach Richard Holler the team clinched the Shore Conference Northern Division by winning their last 15 games of the season and then went on to win the Shore Conference Championship. The team was led by seniors Rich Rosenblatt, John Szyarto, and Dave Roberts. Returning next year are John Geran, Bruce Schour, Marc Kresky, and Larry Taylor.

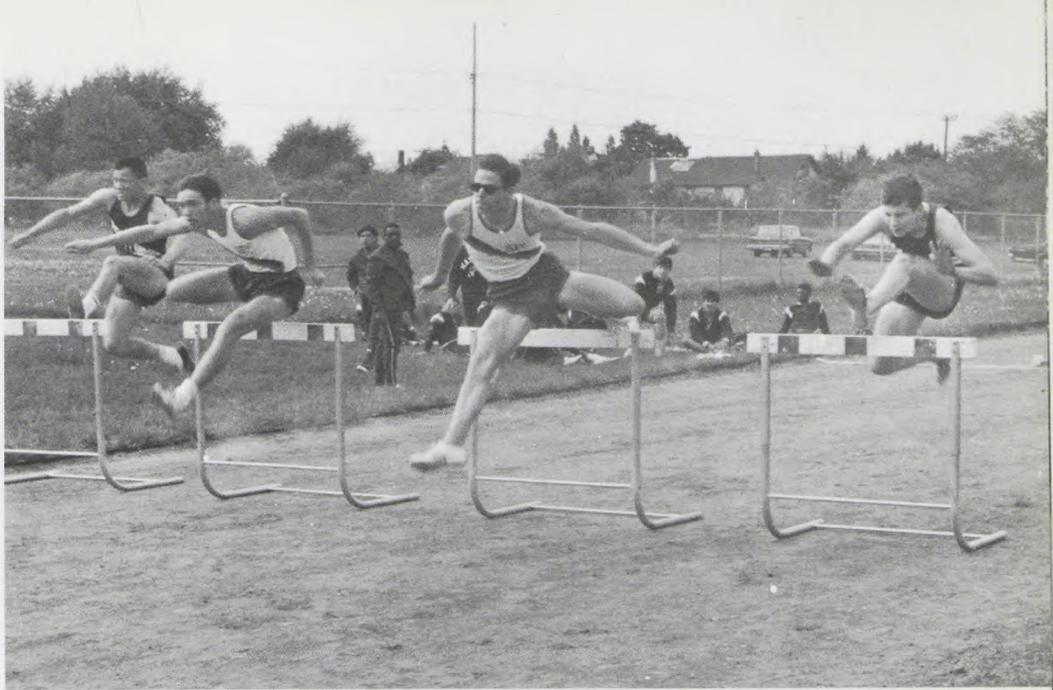

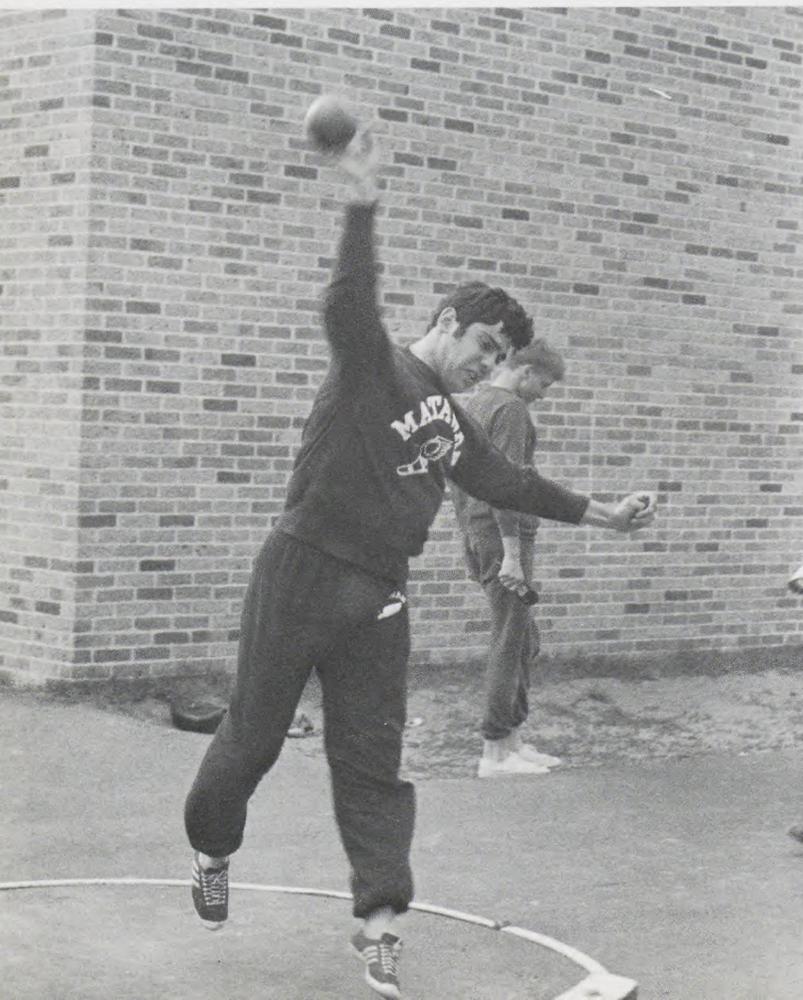

trackmen shatter four records —

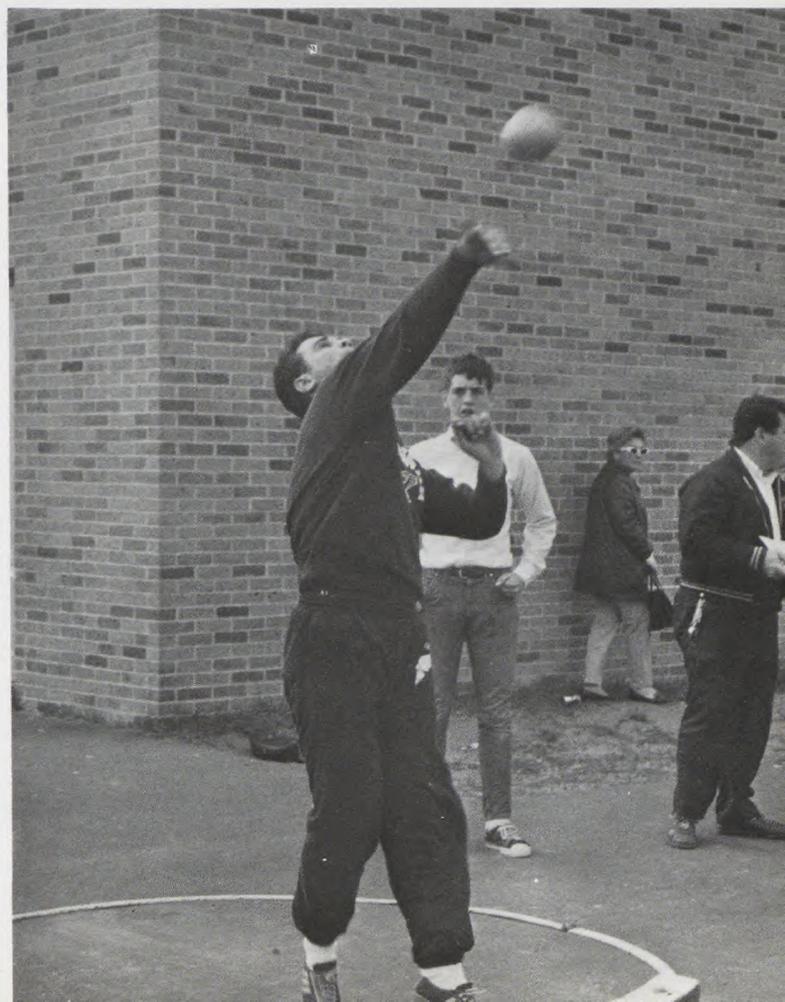

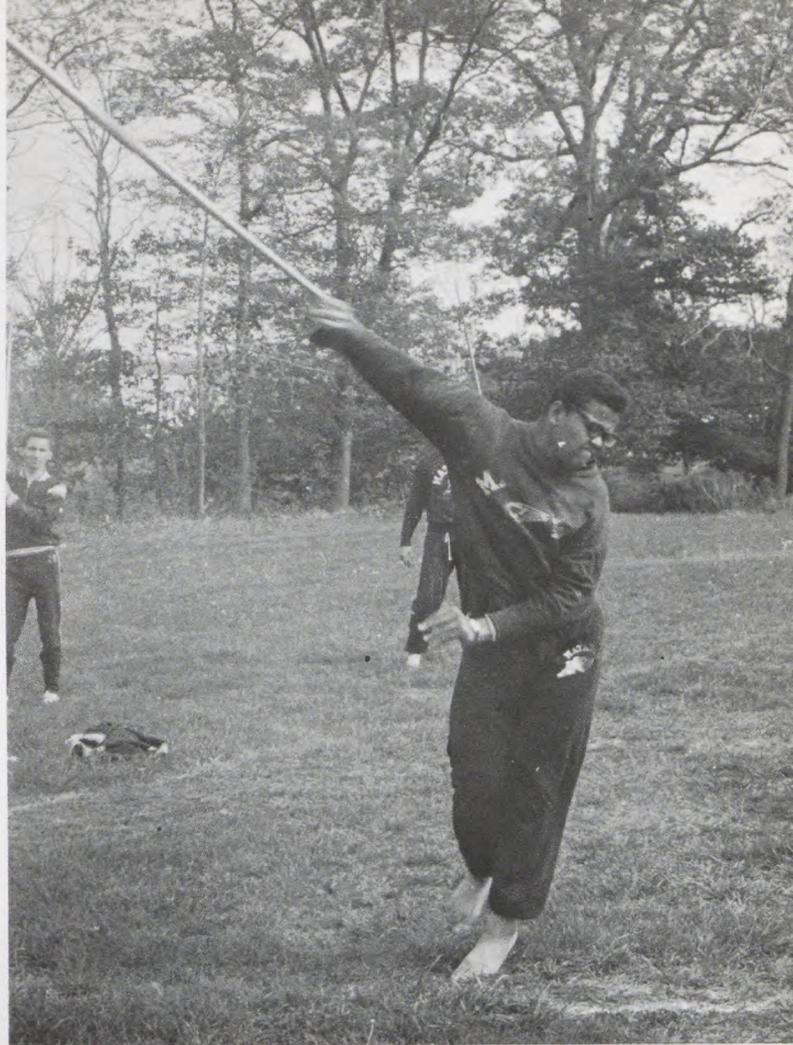

The Boy's track team had a disappointing 2-7 season. Coach Bill George, however, had several fine individual performances. Senior Bruce Gardner shattered the 880 yd. record with a fine time of 1:57.4. Junior Tony Russell established a remarkable record of 22 ft. 9¼in. in the long jump. Senior Tom Cholewa set two records. Tom threw the shot put 51 ft. 7 in. and the javelin 186 ft. 4 in. Other graduating seniors are Jim O'Donnell, Al Stark, Andy Bellamy, Louie Papa and Buddy Cate. Returning next year with fine potential are Jeff Watson, Rick Klein, Frank Manzo, Mike Barnett, Bill Hussey, B. Hess, George Parigian, Mike Herb, Dave Suidane, Glenn Martin, Kevin O'Donnell, Corey Kuricka, Randy Charlson, Dennis Sturt.

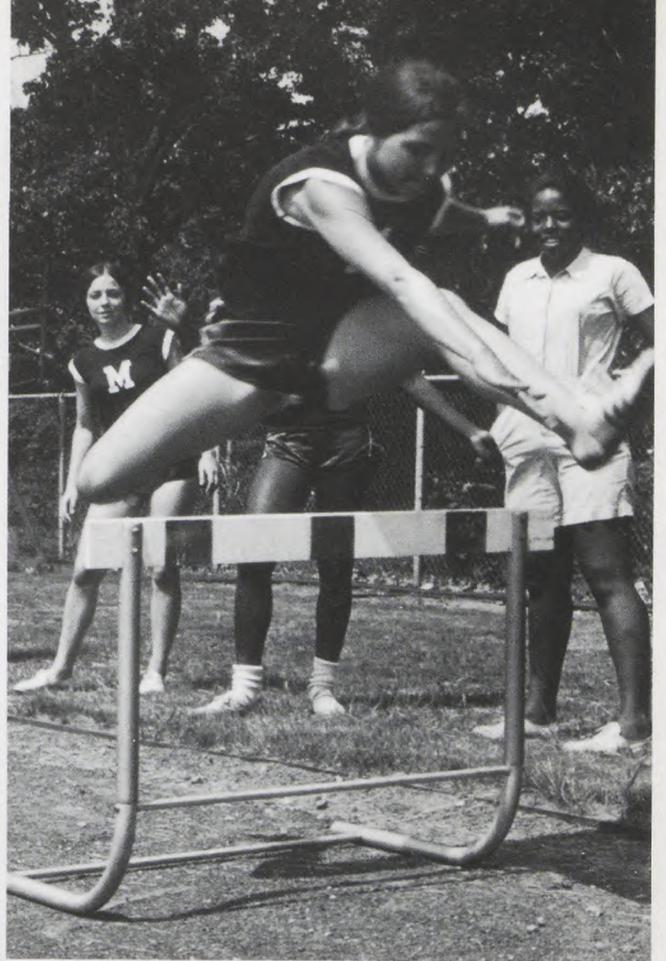

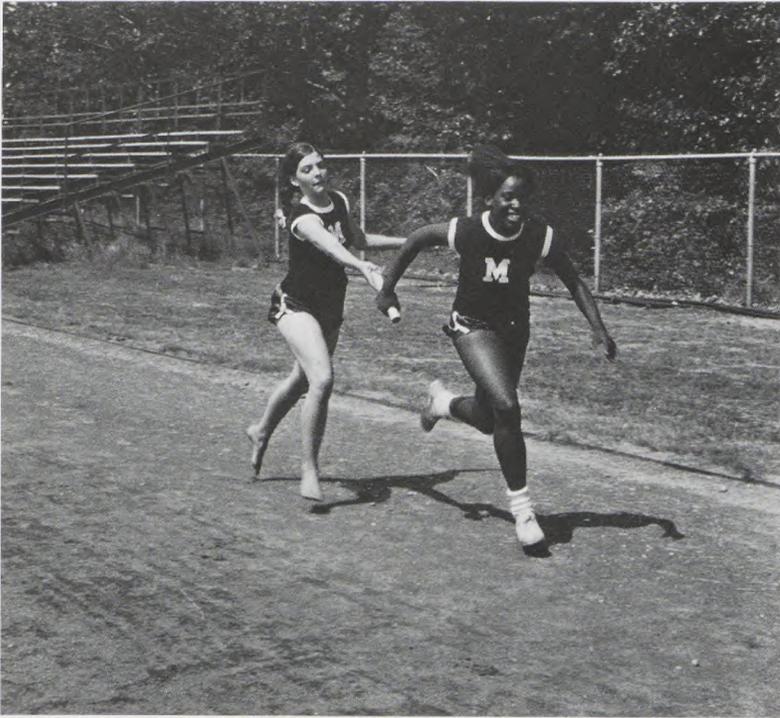

girl's track team sees fine individual performances

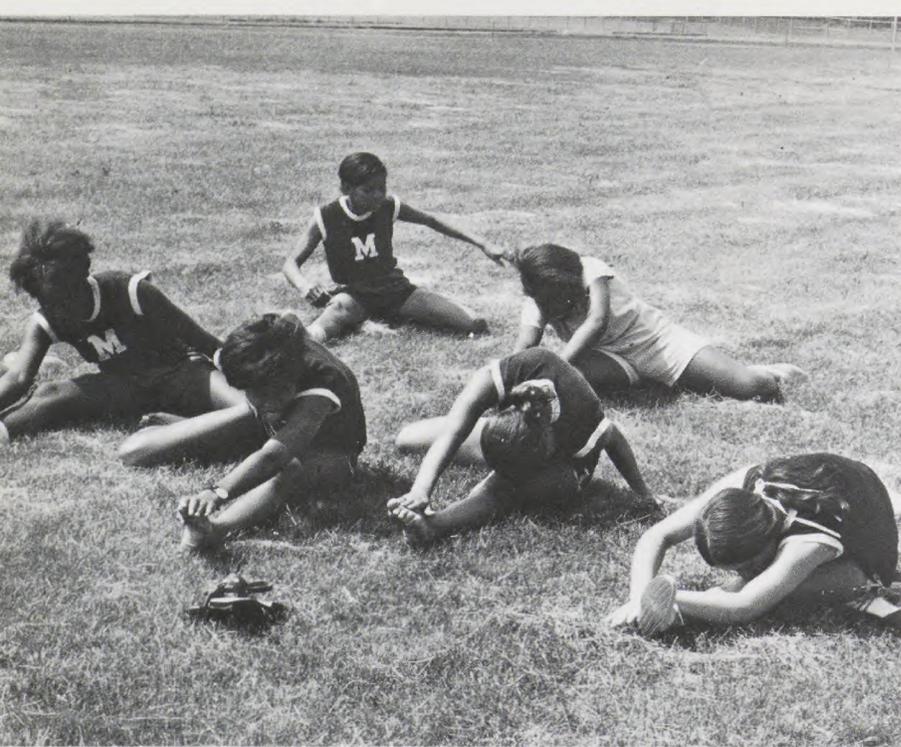

The girl's track team, coached by Miss Nancy Erickson, had a fine 6-2 record.

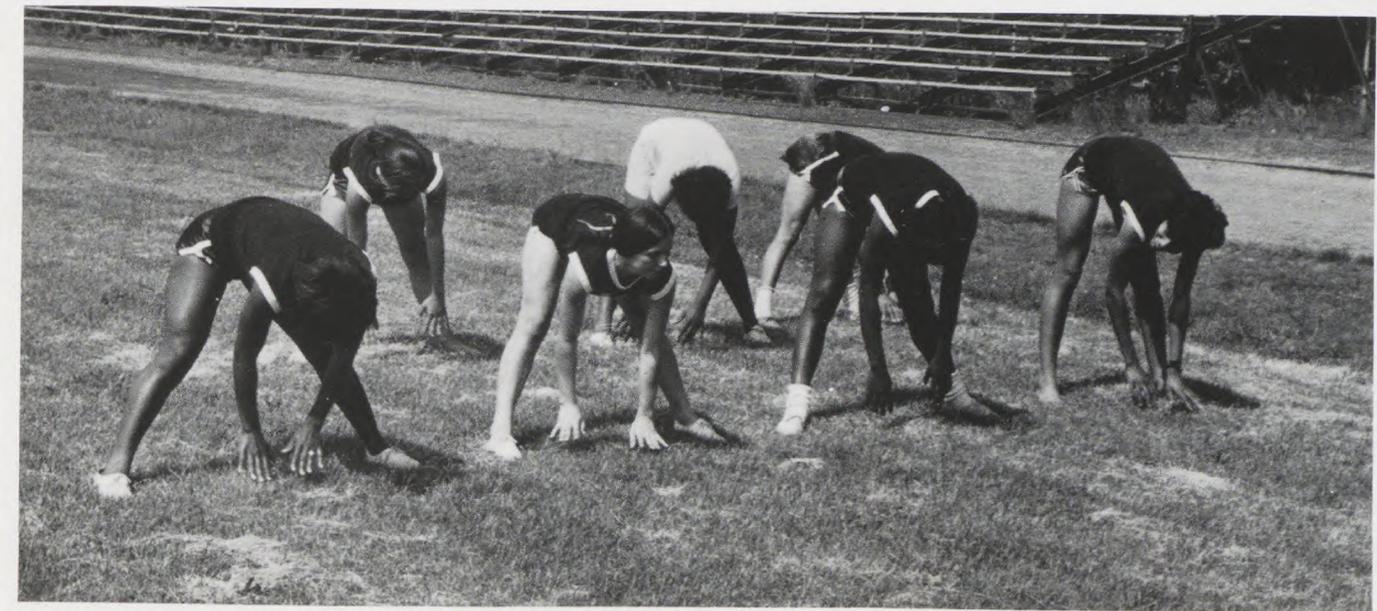

Cassandra Taylor was the only Record Breaker. Cassandra broad jumped 16 ft. 10 in. for the new record. Senior Elaine Karyczak, discus event, was undefeated throughout the year. Other fine performances were put in by seniors Leneore Silvers and Estelle Hamilton. Pat Hodge, 440 yd. run, also had an excellent year. Returning next year are Pat, Cassandra, Barbara Loosch, Peggy Godwin, Lois Hynes, Gail Corley, Kathy Klein, C. Leto, and Phyllis Jones, who should combine to put together a fine season.

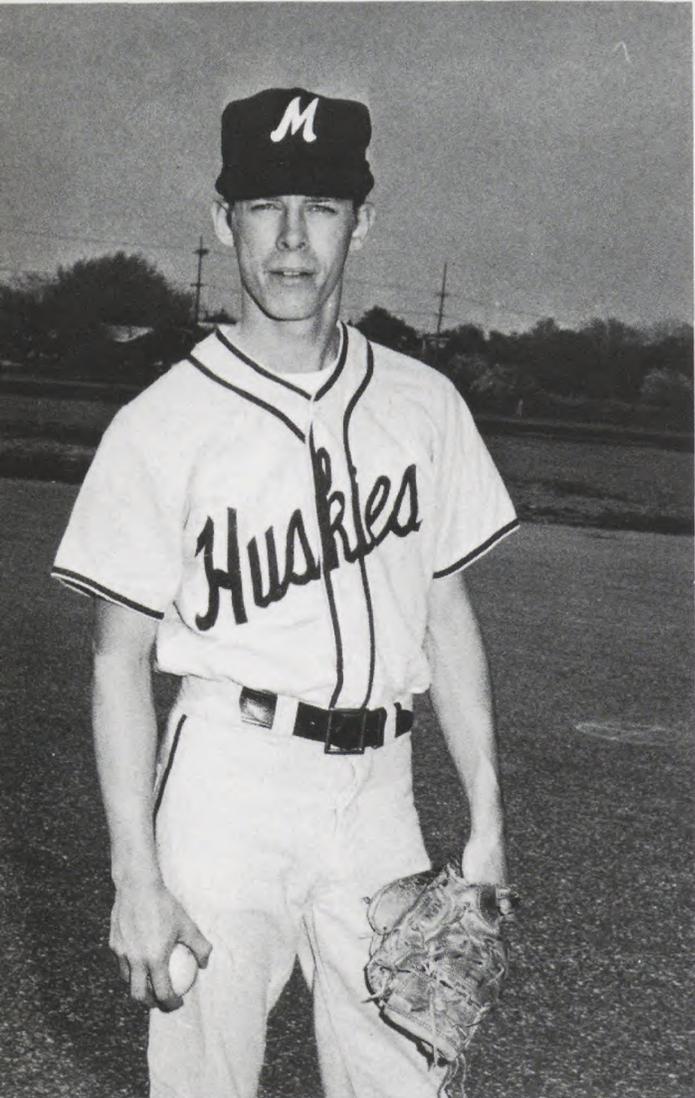

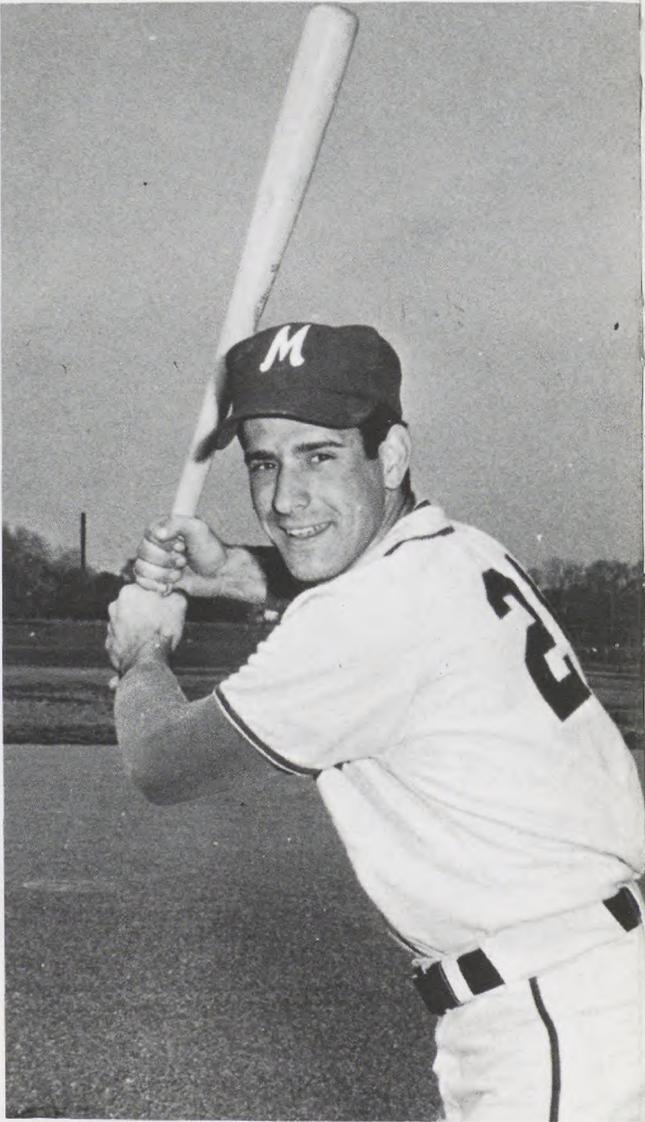

Front row — Princila Daniels, Kathy Klien, Carol Leto, Cassandra Taylor, Janice Reardon, Lois Hynes, Gail Caley. **Center row**, Pat Hodge, Mary Ann Kacirek, Elaine Karyczak, Marie Hussey, Noreen Hussey, Mary Lawlor. **Third row**, Barbara Loosch, Pat Goedel, Barbara Drago, Lenore Silvers, Barbara Maines. **Top**, Denise Pittman, Retta Goolsby.

matawan nine finish second in
shore conference

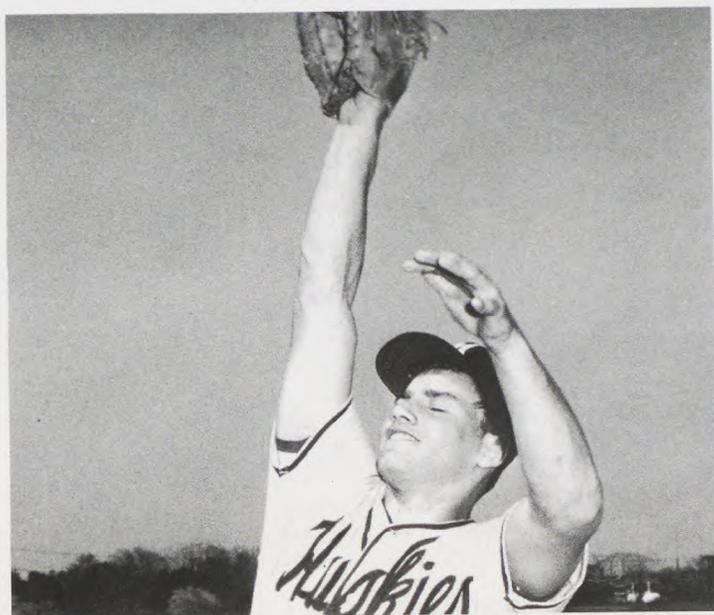

The Matawan nine had another good year, finishing second in the Shore Conference with a 10-4 record (12-7 overall).

The team under coach George Deitz, was led by the slugging of senior 3rd baseman John Szyarto, who batted .408. Other graduating seniors are John Butch, Mike Ingram, Jim Connolly, Rick Giblock, Jack Jurewicz, Daryl Londner, and Robert Hanna.

The outlook for next year is promising. Bill and Tom Casagrande, Jim Rankl, Paul Searle, Marc Kresky, John Geran, Bruce Schour, Fred Forman, Twilley Curry, and Danny Smith should produce a fine club.

The J.V. team, under coach Deiter Johnson, had an excellent 15-1 record. Coach Bill Newman's Freshman team was also 15-1.

golfers tie for fourth place

Rick Manville, Mark Burnup, Coach Hans Fleischer, Dave Roberts, Ed Bauman.

The Golf team, coached by Hans Fleischer, had a very respectable 7-3 record, good for a fourth place tie in the Shore Conference.

The team was led by senior Dave Roberts, who was voted Most Valuable Player. With only one other graduating senior, Robert Fencik, the outlook for next year is bright. Returning next year are Mark Burnup, Robert Roberts, John Hollweg, Jim Hoyt, and Rick Manville.

SENIORS

senior play "the bride's bouquet"

After approximately two months of rehearsing, the Senior Class presented its annual Senior play — this year, "The Bride's Bouquet," a 3 act mystery-comedy. Directed by Mr. Youngman and Senior Laura Gardner, the play told the story of Silas Battmann, owner of Battmann's Castle, and the mysterious disappearance of his body. Enter Paul Battmann, Silas' grandson and heir, who must be married in the castle before he is 23 years old. With Paul comes his mother, Helen Battmann; the bride-to-be, Laura Caldwell; her bridesmaid, Clara Hoover; her aunt, Grace Caldwell; the best man, Roger Varley; and a lawyer, Jonathan Lancaster. Also in the castle are Zeke Rhodes, the handyman; Martha Morgan, the mysterious housekeeper; and the Man. The party is troubled by the absence of Horace Wiggins, the Justice of the Peace, and the disappearance of the bride's bouquet, which contains a clue to the bride's gift. Finally, after a series of strange incidents, some funny, some frightening, the play ends happily, with the bride getting her gift, and Paul getting his inheritance.

Richard Brown does the "Shake a Shake", as Lou Caddy watches amusedly.

Senior Class President Richard Brown talks to Lois Buckner and Barbara Taylor.

The Class of '69 presented the annual Christmas Dance, "Starlite and Snowflakes" on December 21, 1968, in the MRHS Cafeteria. Traditionally a semi-formal, the dance was open to juniors and seniors. The couples sat at tables in the cozy atmosphere of spruce centerpieces and candlelight, with music provided by Lou Caddy and the Panics, a society band. Cliff Shackleton entertained everyone with organ music, as did the team of Burke (Chuck) and Ryan (Mark). Hors d'oeuvres and punch were available to all. After the senior promenade, Linda Artelli was crowned Queen by Mr. Caracciolo.

Junior Cathi Kurland does a solo.

Debbie Nelson and date promenade.

A beaming Linda Artelli is crowned by Mr. Caracciolo.

The promenade is led by Class Pres. Richard Brown and Vice-Pres. Lenore Silvers.

Ellen Flannery — D. A. R.

This year, for the first time, there was a tie for a Senior Celebrity category. On the basis of merit in Science, Ellen Flannery and Alan Spielman tied for the Bausch and Lomb Honorary Science Award. As of this printing, the tie remained unbroken.

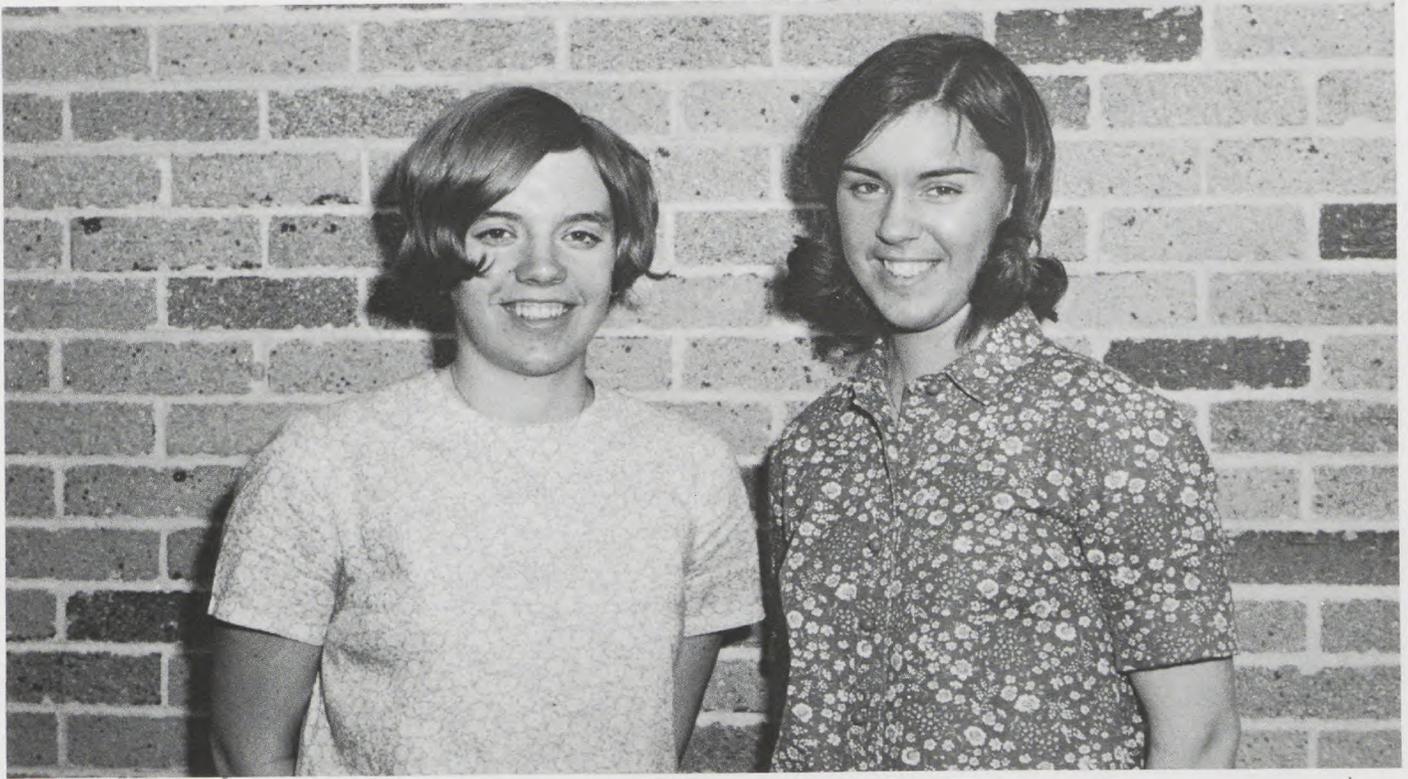

Christina Baer competed with all senior girls for the Betty Crocker Homemaker Award.

The Daughters of the American Revolution certificate went to Ellen Flannery, commending her for scholarship, loyalty, patriotism and leadership.

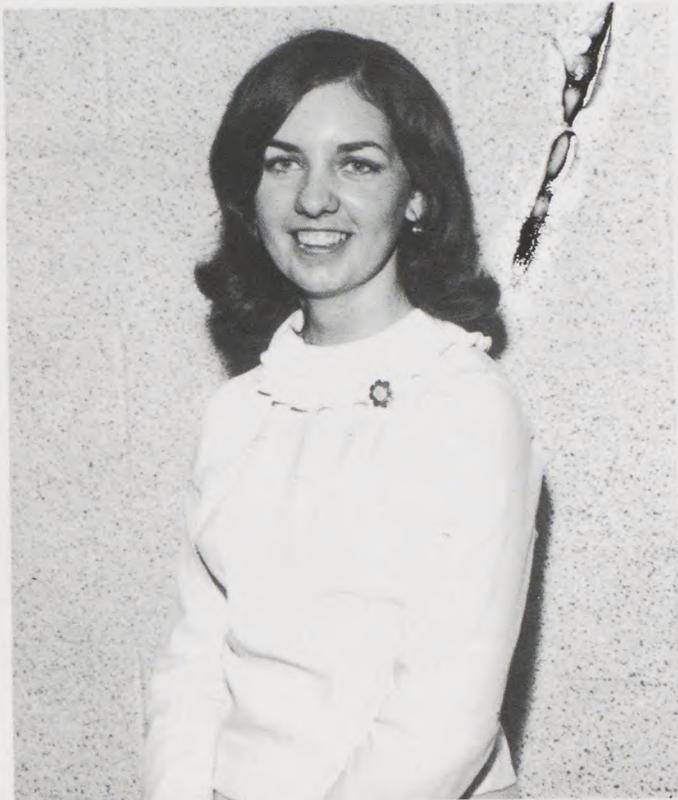

In June, 1968 the students chose for Girls State and Boys State. They went to Douglass and Rutgers, respectively, to study citizenship.

senior class advisors

It takes a **lot** of patience to be a Senior Class Advisor. Not only do they have to worry about class activities, such as the Christmas Dance, and the Senior Trip, but they've got to handle Senior expenses, too — paying for the trip, caps and gowns, etc. And all that **candy** . . .! You'd think they'd flip if they had to even **see** another bar of it, much less cart the stuff around a whole year. Besides all this, they still have classes to teach. It's a wonder Mr. Epstein and Mr. Jaczynski haven't gone crazy by now.

THE WHITE HOUSE

WASHINGTON

TO THE 1969 GRADUATING CLASS
MATAWAN REGIONAL HIGH SCHOOL

This is a day when congratulations are in order not only to the graduates but to the parents, teachers, and administrators whose efforts have helped to make this achievement possible. I extend my heartiest congratulations to all of you.

At a time when there is much talk about the differences between the generations, I think it is useful to remark upon a similarity between your graduating class of 1969 and my graduating class of 1930.

Your high school years have been historic ones. When you entered high school, man was making his elementary steps into space. In your senior year, three brave Americans journeyed around the moon. When I graduated from high school, only three years had passed since a man flew for the first time across the Atlantic Ocean. Despite the obvious difference in years, we have this in common: we all know what it is to be young at the start of an age of adventure.

You will discover, as I did, that each person must make his own exploration of the world, make his own discoveries, shape his own triumphs, endure his own tragedies. Each of us is an explorer of himself, of history, of knowledge, of the intricate and beautiful and wonderful varieties of experience.

Each of you will make a different kind of exploration, some in continued formal education, some in industry or business or agriculture. Whatever your choice, learn. Learn all you can about yourself and the world.

Your final year in high school was the beginning of an age of adventure, an age you will help to shape. You have my highest hopes and best wishes.

Richard Nixon

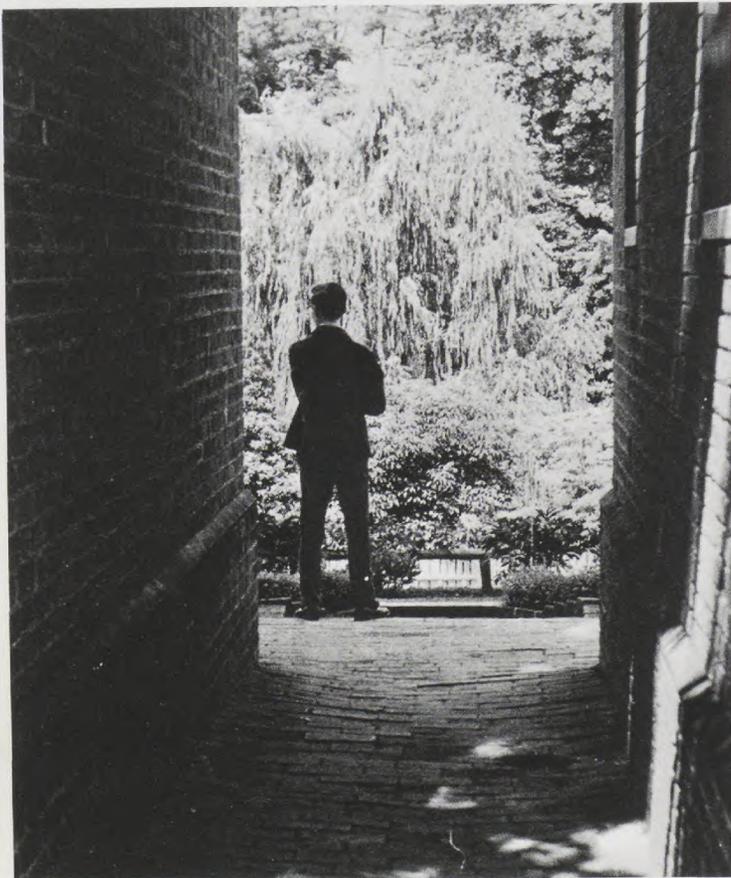

EPILOGUE

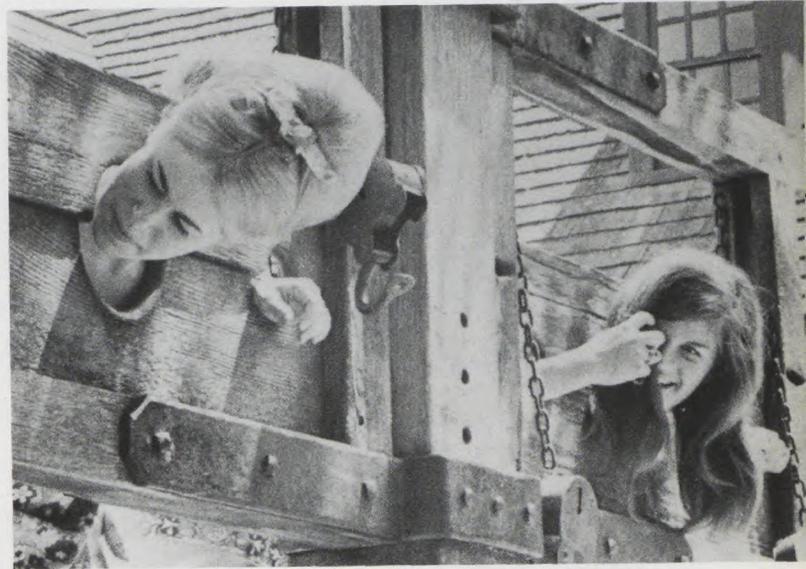

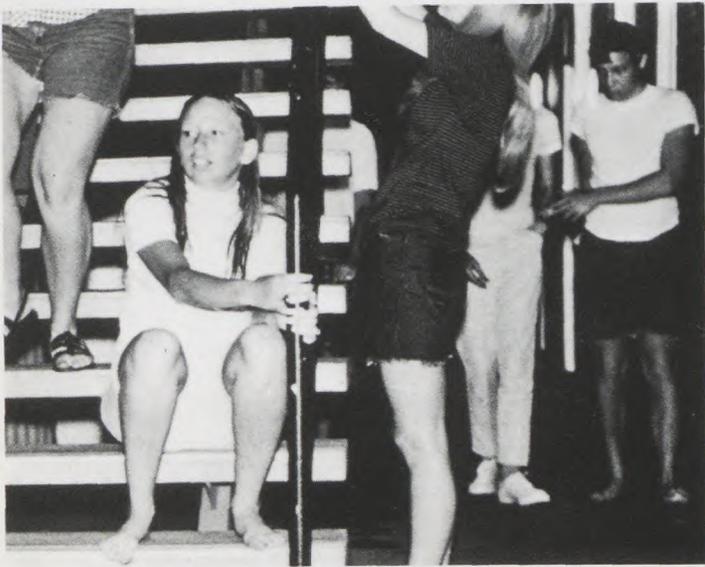

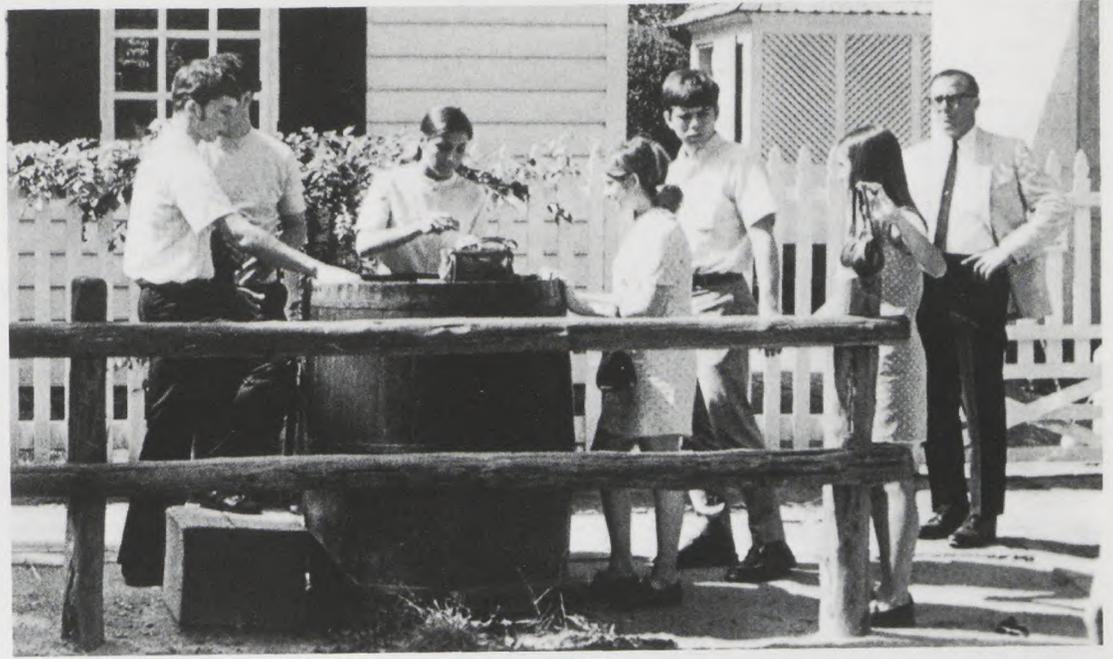

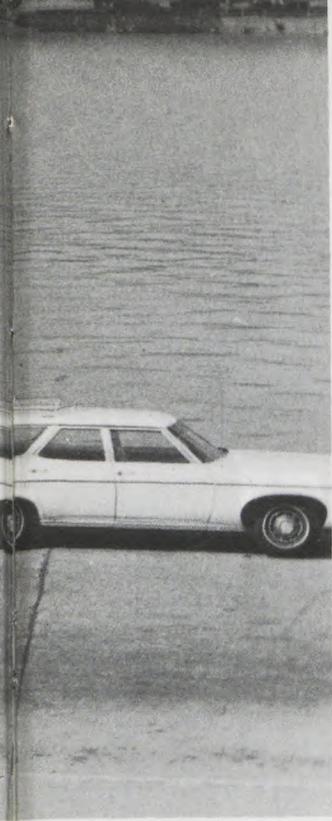

washington trip — 1969

This year's Senior Trip to Washington, D.C., and Williamsburg, Virginia, covered a four-day period, from Tuesday, June 3, to Friday, June 6. Leaving the high school at 7:00 A.M. on Tuesday, they made a short stop in New Castle, Delaware, and then went on to Washington, where they were photographed in front of the Capitol. After lunch in the cafeteria of the Smithsonian Institute, the group traveled across the Potomac River to Mount Vernon, Virginia, the former home of George Washington, and then went further south to historical Williamsburg. After dinner in the information center cafeteria, they returned to the Francis Nicholson Motel for a most welcome swim in the motel pool.

Wednesday, the Seniors viewed a showing of "The Patriot," a film of Williamsburg and its part in the Revolutionary War, and then toured the restored village itself, visiting the former state capitol, the jail, the Governor's Palace and its beautiful grounds and gardens, and many other points of interest. After lunch, they made the long bus ride back to Washington, stopping off at the Arlington National Cemetery, where they viewed the changing of the guard at the Tomb of the Unknown Soldiers, and visited the graves of the late President John F. Kennedy and Senator Robert Kennedy, as well as the famous Iwo Jima Monument.

Then they arrived at the Marriott Motor Hotel, and after a buffet dinner there, visited the Washington Monument (some of the hardier Seniors decided to brave all 898 steps inside the Monument without the use of an elevator), and the Lincoln Memorial.

Leaving early on Thursday, the group visited the Bureau of Printing and Engraving, and then the White House. They then went to the United States Capitol Building, where, on a special tour arranged for them by Congressman James Howard, they sat in on a Senate session and observed Sen. Ted Kennedy, Sen. Everett Dirksen, Sen. Barry Goldwater, and Vice-Pres. Spiro Agnew. Then they toured the F.B.I. Building, and later visited the National Archives, the Supreme Court Building, and the Jefferson Memorial. Upon returning to the Marriott, the Seniors took a refreshing dip in the pool and later that evening enjoyed a dinner dance, complete with a live band.

The final day of the trip was spent visiting the famous Smithsonian Institute and the National Gallery of Art. After lunch in the Smithsonian Cafeteria, the buses were loaded, and the group headed for home. They stopped for dinner in New Castle, Delaware, and arrived back at Matawan Regional at 10:30 P.M.

It was an enjoyable trip for all, and one which will be remembered for a long time by all those who went.

1969 junior-senior prom

“somewhere”

“Somewhere”

Matawan's 1969 Junior-Senior Prom was held this year at the Bel-Air Manor in Perth Amboy. Amidst the richly furnished setting, spiced by a touch of the Orient, couples danced to the music of the Scarborough Fair, and the Victors, later enjoyed a prime rib dinner at dining tables which encircled the large dance floor.

Both the Juniors and Seniors had to pay for their own bids, although the Juniors were responsible for bids, seating, decorations, and other special arrangements.

During the later part of the evening, the traditional prom-nades for both the Junior and Senior classes were held, and the evening's highlight was the crowning of the King and Queen and their court.

This year's Prince and Princess were:

Charles Lockwood and Rose Esposito, with runners up Richard Brown and Carol Shaw; Matt Wilkes and Marilyn Chewey.

The King and Queen were:

Alan Spielman and Betty Byrd, with runners-up John Szyarto and Ann Staikos; Bruce Gardner and Gaye Taylor.

The class of '70, headed by Mr. Kolatis and Mr. Poulos, advisors, and prom committee co-chairmen Jean Geist and Richard Bischoff, did a wonderful job preparing for the presenting "SOMEWHERE." It was an enjoyable and memorable evening for all.

acknowledgements

The Pillar staff of 1969 has been one of the smallest but hardest working staffs in the history of the yearbook.

For their dedication and talent, we would like to thank:

Sharon Walsh; for her **immeasurable** amount of work, worrying, and moral support.

Diane Papa; for coming in when we were desperate and being one of the most talented layout editors our school has ever seen.

Becky Lorberfeld; for putting up with us and the **New Academics Section.**

Robert Hannah; whose sports copy made the new football section possible.

Ken Weiss; who jumped in our roughest waters and kept us afloat with his copy, typing, humor, and **Spike Jones** records.

Kevin Fry; for doing the impossible to solve our irreparable disaster.

Mr. Seymour Pappas of Pappas Studios; for his infinite patience, service, help, and sincere concern.

Mr. Wynne Murchison of the American Yearbook Company; for his understanding and for access to his consummate knowledge of yearbooks and lithography.

And finally to **Mr. William Lawlor** for taking two inexperienced photo club refugees and turning them into editors, and also, for straightening out our advertising mess.

*John Fugan
+ Mike Morizio*
