VOLUME 21

The Class Of 1971 Dedicates Pillar To

Mrs. Louise Fitzpatrick

Happiness is Mrs. Louise Fitzpatrick, a teacher who is greatly respected by the entire student body, but even more so by the Class of 1971.

To describe Mrs. Fitzpatrick is a difficult task. How can you adequately describe someone you like and respect and then give all the reasons why? She is unique. Mrs. Fitzpatrick's attitude is casual and friendly and because of this students are comfortable with her and can talk to her. She has the ability to give and take a joke, and quite often does.

Because of all this and so much more, and despite her frequent references to the French, we the Class of 1971 do gratefully dedicate the '71 Pillar to Mrs. Fitzpatrick.

John Wayne would be proud!

Mr. James Feketie

Throughout the four years of our experience at Matawan, one name that stands out, not only in performance of a job, but as an invaluable aid to the Class of 1971 as well, is that of Mr. Jim Feketie, head custodian.

One might think that the job of cleaning up after nearly 2,000 students and teachers would never end. And yet, Mr. Feketie has always found time to set things up for a school activity or help out a class project.

The Class of 1971 is grateful to Mr. Feketie for his efforts in making our many projects successful. Perhaps the least we can do for a man who has dedicated himself to us, is to dedicate this, the 1971 Pillar, to Mr. Jim Feketie.

A black and white photograph of a group of young women standing in front of a building entrance. They are smiling and posing for the camera. The image is grainy and has a high-contrast, vintage feel. The women are dressed in casual attire, including sweaters and skirts. The building behind them has a dark, possibly wooden, entrance area. The overall tone is nostalgic and celebratory.

September 10 Begins New Year

Students crowd into guidance for schedule changes

The first day of any school year is more often than not very hot and completely confusing.

The beginning of the 1970-71 school year at MRHS was no exception. If possible, it was more chaotic than previous years. This disorderly state can be attributed to several things: new locks on the hall lockers (which more often than not were put on backwards) and computer scheduling (which was meant to eliminate unnecessary paper work). The fact that this years freshman class was the largest yet and that guidance decided to schedule time for schedule changes, are all accepted explanations for the state of affairs in school that first day.

Naturally, Matawan could not be satisfied with limiting the confusion to the first week of school; we had to install a new computerized report card system (the last step in depersonalizing students), larger bleachers (which forced us to reschedule the first football game), and a permanent refreshment stand (which meant a longer walk for hot chocolate). Even the band got into the act, getting new uniforms (which came late and forced them to wear their old, battered hats a few more weeks) and a window in the band room (that's why you saw the band practicing in the auditorium while workmen knocked out the band room wall). Yet the students at Matawan grudgingly admitted that these changes were definitely beneficial to the school.

Homecoming Highlights Fall Season;

Mr. Thomas Stachura, Vice Principal, announces the Homecoming Queen and her court.

Homecoming Queen, Cookie Hart, beams with delight.

After the announcement of the four semi-finalists at the annual Homecoming dance held the previous night, the tension was finally over. At the November 14th game, Mr. Thomas Stachura, Vice principal, announced the Homecoming Queen, Cookie Hart; Princess, Barbara Loosh, and attendants; Helayne Goldstein, and Diana Morrissey.

The court was then presented with flowers and were seated at the sidelines to enjoy the remainder of the game.

Bonfire And Pep Rally Ignite Thanksgiving Spirit

Never before has Matawan had the frenzied excitement and activity as that of the pre-Thanksgiving week. The walls of the school were covered with creative signs whose length extended the distance of the halls. The cheerleaders boosted the student morale by cheering during the lunch periods. In turn, the football team, band members, cheerleaders, and students paraded down the halls shouting of Matawan's football supremacy.

Again the traditional class skits were performed and the bonfire roared while the cheerleaders led the enthusiasm. The Boy's Block "M" "sacrificed" a day of school to work in the field building one of Matawan's tallest bonfires. Although Matawan was only Number 2 in the Conference, it was indeed Number 1 in school spirit.

Band And Chorus Receive Standing Ovation At Concert

The annual Christmas Concert, held on Thursday, December 17, was an exceptional performance by both band and chorus. If audience response is the measure by which its success could be judged, then this years concert was an overwhelming success. Director and students worked many long hours to perfect the performance and were rewarded by a standing ovation at the conclusion of the program.

The Coming Of Winter, First Snow, Christmas Mood

Students enjoy first snow of year.

Not everyone puts up a Christmas tree.

. . . Highlighted By Christmas Dance

The annual Christmas Dance was again held at the Battleground Country Club on December 23, 1970. The theme of the dance was "Sometimes in Winter," and the music was provided by Father Tyme and the Exploitations. Despite the rainy weather, everyone still managed to come dressed in the attire of their own choosing, formal or semi-formal.

The evening started out similar to previous years, with dinner, dancing and formal pictures; but the usual promenade was eliminated and therefore a king and queen were not chosen. Two jolly Santa Clauses (alias John Osipowitz and Mike Barnett) came to help make the occasion a merry one, by giving away candy. They also provided entertainment as they danced with Miss Muller on the dance floor.

To climax the evening, the Senior Celebrities were announced, producing a few surprises which added some excitement.

Get a load of those legs!

Referee George Dietz warns, "No rough stuff, guys!"

There were many people who said that a basketball game at MRHS would never draw enough people to fill one side of the gym, let alone both. They were proven wrong beyond any shadow of a doubt on Monday, February 8, at 7:30.

The explanation for that phenomena is nothing less than the Student-Faculty basketball game. After all, who could resist seeing Mr. Shaw's knees, Miss Panos smoke a cigar, Mr. George in his triumphant return, and Mrs. Wein attempt a varsity jump.

It took more than an upset score of 52 to 45, in favor of the faculty, to daunt anyones spirit's that night.

Stacy Bogdonoff

Three seniors, Carin Goldberg, Debbie Richman, and Stacy Bogdonoff, this year won prizes in the Monmouth Arts Foundation competition in art, the area's most prestigious competition for high school artists. Over 80 seniors from Monmouth County submitted three pieces of work apiece and nine were awarded the merit certificates. The exhibit was displayed at the Monmouth County library and then at the Red Bank YMCA. The contest was quite a tribute to Matawan's art department as three of nine places were taken by MRHS students.

Then, in March, Matawan held its first art exhibit at the Central Jersey Bank in Matawan. Students from all four years of art submitted works in the exhibit and contest designed to make the community aware of the excellent work being done in the Matawan art department. First prize, awarded by the bank, went to sophomore Mike Fitzmaurice, while second place was awarded to senior Debbie Richman, and third to Betty Higgins. Honorable mentions were given to seniors Jeanne Dwyer and Stacy Bogdonoff and sophomore John Froelich.

Oz Cometh!!

After many weeks of rehearsal, the Up-Down Center presented its second musical production, "The Wizard of Oz", during the last week of March. The cast put the performance on for all the grammar schools in the Matawan District. Ozites and Munchkins, along with props and costumes, were bussed to various schools and occasionally children were bussed to the high school to see the show. There was a Thursday night performance for the high school students and two Saturday matinees were also given.

Dances Survive I.D. Cards

After a year of virtually no dances, dances flourished again this year. Various organizations held dances as fund raisers, which proved to be worthwhile as students willingly supported them with their attendance. Identification cards were distributed to limit the dance to only M.R.H.S. students.

Perhaps the most unselfish fund raiser was held by the Black Student Union, for the Kitty Causby Fund. The three hundred dollars raised was given entirely to help defray the cost of a new kidney for Mrs. Causby, whose children have all attended schools in the Matawan District.

In Memoriam

It is with deep regret that we note the passing of Mr. William J. Newman, who was one of our English teachers, as well as Freshman baseball and football coach.

Born in Olyphant, Pennsylvania, he graduated from the Olyphant school system in 1948, gaining distinction as a high school All-State football player. He attended the University of Scranton on a football scholarship, receiving a bachelor of science degree upon graduation.

After serving a tour of duty in Korea with the Army, he played three years of professional baseball with the Philadelphia Phillies organization.

He came to Matawan in 1965, teaching the eighth grade at the Cliffwood school.

Cheerleaders Aid In "A" Fight — Revive Matawan's Spirit

Despite the challenge of the "A" Division, 9 out of 10 football games in 90 degree weather, a lack of bleachers in the beginning, and muddy football fields, the MRHS Cheerleaders managed to keep the spirit of the students at a constant high; and sometimes in a rather unorthodox manner. (remember the impromptu parade through the halls and cheering in the lunchroom?)

Whether the "Huskies" were handling a football or a basketball, 21 MRHS Cheerleaders were always on the sidelines to lend their support.

Marching Huskies Top Band In County

An excellent illustration of what talent, skilled teaching, and hard work will accomplish can be seen in the 1970-71 Marching Huskies.

The band members began practicing for the Miss America Pageant in the middle of August. With that completed, they started marching almost every day after school to insure the quality of their performances at football games. After the season got under way, the Marching Huskies received new uniforms and, if possible, looked even better than before.

Whether it was a home game which brought a half time show or the away pre-game presentation; Matawan students, faculty, and citizens could take complete pride in the precise showing of their band, which developed a new routine for every show.

To climax the marching season, the Red Bank Reg-
ister voted the MRHS Marching Band the best in the county, a praise which was definitely well deserved.

Student Council President, Elliot Groffman.

The Student Council continued to serve as an active participant in policy making and student affairs during the 1970-71 school year. Its effectiveness as an organization increased throughout the year, through communication with the student body with newsletters and questionnaires. It also maintained an activity bulletin board in the south hall.

During the fall, the Council was involved in the establishment of the Black Student Union and also handled the homecoming arrangements. Elections for freshman class officers and representatives were held in November. This year, freshmen were required to attend a series of sessions on student government prior to running for office.

The General Assembly (consisting of one representative from each English class) greatly increased its influence during the year. The Council passed a bill which made General Assembly's approval of any Council plans mandatory. As a result, the Assembly became much more involved in Student Council projects.

Vice-President John Furey, Recording Secretary Sue Brown, Corresponding Secretary Patti Falco, Treasurer Steve Baker

With the start of the spring semester, the Student Council took on new activities. Through the actions of the Student Council in Ad-Fab-Sac, mid-terms were abolished and final exams were made no longer mandatory. Through the establishment of the ecology committee, posters were put up, literature was circulated and assemblies devoted to ecology were planned, as well as clean up drives.

Another project of the Council was to improve the student parking lot. Sparked by the potholes, knee deep mud, and over-crowding (not to mention the ticketing of certain cars) the Council met with interested clubs and discussed ways for raising money to improve the lot.

The Student Council continued to be active in the county and state student government associations. It sent delegates to the state convention at Rutgers in January, as well as participated in county council activities.

General Assembly Increases Power

Two Students Officers Of MCAHSSC

In past years Matawan has played an inactive role in the Monmouth County Association of High School Student Councils. This year in an effort to change this position, two of Matawan's Student Council Officers ran for executive board positions on the County Council. MRHS Student Council Vice-President John Furey was elected and filled the position of MCAHSSC President. Patti Falco, MRHS Corresponding Secretary, was elected as Corresponding Secretary on the County Council. Through their elections to these positions, Matawan has become more identified with County Student Government.

The members of the council consist of the Student Council presidents from every high school in the county. They meet periodically to discuss current achievements or problems within their schools. During the year, the executive board changed the original format of the meetings to a seminar structure. They feel this will enable the ultimate goal of the Council to be achieved and will provide as a solid basis upon which future councils can build upon.

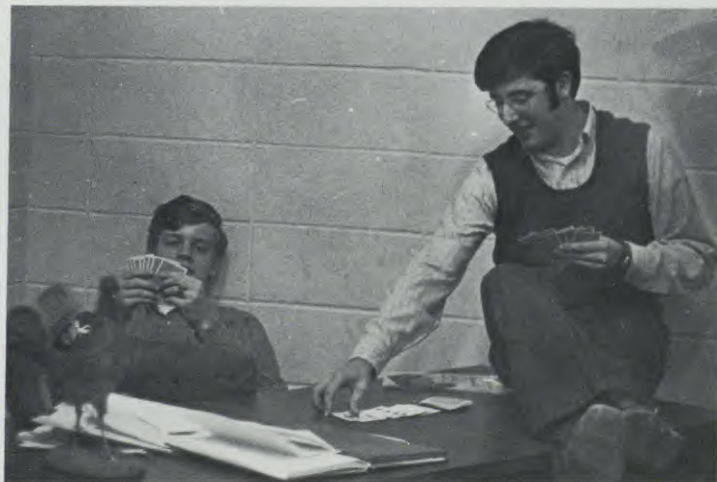

On February 15, the Student Council sponsored Matawan's first rock concert. Held in the auditorium, the concert featured "The Albert", a west coast group, and two local groups, "Father Tyme" and "Odin". The concert was successful both in terms of audience reception and acceptance by students.

MRHS News Expands Coverage, Starts Subscriptions

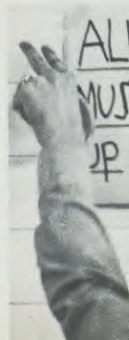

The MRHS News, in its fourth year of publication, continued to grow in quality, circulation, and professionalism.

The paper consists of four pages; page one being devoted to general news, page two serving as an opinion page, page three as a sports page, and page four a feature page. This year the paper expanded its frequency to twice monthly, as opposed to last year's once a month circulation. Another new aspect of the MRHS News this year was in the handling of its distribution. In addition to being able to purchase it on a bi-monthly basis for twenty-five cents an issue, a subscription plan covering the entire year was introduced.

Other new features this year included an overall view of general school news on page one, a student spotlight on page two, and the installation of advertising on the back page.

People are diversified. The job of combining their thoughts, actions, moods, activities, feelings, personalities, friendships, talents, triumphs, and defeats between two covers, could be an impossible task. With a small, but eager staff and the introduction of a June yearbook, untold pressures in meeting deadlines were created.

The business staff ambitiously sold an enormous amount of boosters and the demand for yearbooks was so increased this year, that additional books had to be ordered.

By the final deadline in April our staff was both physically and mentally exhausted. After a month's rest they frantically began again on the supplement which contains the final activities of the year.

Nevertheless, amidst all our difficulties, the yearbook staff has created a book it is proud of.

Membership includes: Wilhelmina Albanese, David Alexander, Neal Axelrod, Stephen Baker, Deborah Barron, Susan Clay, Kathleen Clodius, Daniel Craparo, Barbara Drago, Frank Dugan, Michael Fieux, Carol Foley, Barbara Grady, Debra Herriger, Elizabeth Lloyd, Debra Matalon, Mary McKenna, Mary Claire Mertz, Renee Myers, Jacqueline Parsick, Deborah Richman, Genevieve Rowe, Mavis Seehaus, Neil Selinger, Susan Sigmund, Charles Weigel, Michele Wilson

Membership in the National Honor Society represents one of the highest honors a student at Matawan can receive. Members are selected on the basis of scholarship, leadership, character, and service.

In 1971 there were twenty-seven senior members of the society, junior members having not been selected as of this printing. In addition, a number of seniors are chosen along with the juniors and are admitted in a candlelit induction ceremony in the spring.

Some of the activities of the Honor Society during this year included conducting back to school night, sponsoring an alumni day for 1970 graduates to come back to MRHS and talk about college, as well as running the annual kickoff dance before the first football game.

The MRHS chapter also nominated two members, Sue Clay and Jackie Parsick, to compete for scholarships given by the national organization which can be used at the college of the recipients choice.

Mr. Peter Eovino was advisor to the society.

Usually VIP means "very important person," but to the students at Matawan it stands for Vocal and Instrumental Performers. The VIP Club consists of two groups, performers and non-performers. The non-performers are those faithful viewers, who come to observe and appreciate the programs put on by the performers.

These shows were presented the first Tuesday of every month. This club has given many students the opportunity to share their talents with their fellow classmates. Many of the regular performers were enjoyed time and time again, and found themselves being applauded when merely introduced.

The ski club was established through the efforts of several students who had a common interest in the sport.

The purpose of this club is to organize and carry out plans for trips to local ski areas and involve all those with an interest in the sport.

As this is the ski clubs first year, they have chosen not to elect an executive board. The ski trips were planned by Brian Gelburd, Anne Hutchinson, and Phillip Morano who were involved from the start in its formation.

Today's student has become more aware and concerned about the country he lives in and as a result of this, MRHS has established a club called Youth and Government.

The purpose of this club is to give interested students a chance to become involved in and learn about our government on a local, state, and national level.

The executive board consists of chairman, Denise Pittman; assistant chairman, Pat Kelleher; clerk, Ramona Schweikert; treasurer, Barbara Miller and sgt. at arms, Fred Fillingham. The advisors are Miss Howe and Miss Armellino.

The main purpose of the MRHS Black Student Union this year was to create a voice for Black students in the community and within the high school regarding school policy and recreational programs. It was to become an organized, consolidated, structured means where by the views of Black students could be heard and their creativity expressed. The fact that this was its first year, it had the difficult task of setting up and incorporating programs to achieve these goals.

The executive board consists of Phyllis Jones, president; Debra Barron, vice-president; Sharon Sparks, secretary; and Cookie Hart, treasurer and cultural chairman.

The purpose of the Future Teachers Club is to give those students who have the initiative of becoming a teacher, a chance to observe and familiarize themselves with the teaching profession. The club raised funds this year by selling pretzels at football games and money was used for their trip in the spring. Other activities taken part in during the past year included; observation days, where the students were able to observe a daily schedule in classes throughout different schools in the community. Guest speakers were also invited to meetings. The largest project on their agenda was a book drive. Its purpose was to get old unused books and distribute them to underprivileged areas.

Officers are: President, Ann Nunziato; Vice President, Jill Okun; Secretary, Linda Dworkis; Treasurer, Jackie Parsick.

Mrs. Sharon Loysen, our new librarian, was the advisor to the Library club this year. The main purpose of the Library club, as a service organization, is to help the librarians in the daily operation of the library. The members work one period a week in the library checking books in and out, reading shelves and doing clerical work. Some of this years plan included a trip to a New York library, a spring dance, and the annual awards banquet at the end of the school year. The officers were:

The Audio-Visual staff is a school service organization. It is in charge of the maintenance, distribution, and use of all a-v equipment in the school. In addition, the A-V staff runs all functions where the PA system or the stage lights in the auditorium are needed. Presidents of the staff are Neal Axelrod and Cliff Shackelton; other members are Brian Gelburd, Charles Suhayda, Charles Weigel, and Brian McGinnity.

Members of the Photography staff take all pictures for the school newspaper and most for the yearbook. They are present at athletic events, plays and concerts, and in and around the school during the day to take candids of MRHS students. Several members of the staff also supply local newspapers with pictures of school functions. Members of the staff are: Debbie Richman, yearbook photography editor; Mike Zaretsky, newspaper photography editor; Brian Gelburd, Cliff Shackelton, Walt Zwirko, Steve Molinoff, Neal Axelrod, Brian McGinnity, Jim Billett, and Francis Himpel.

At the beginning of the 1970 football season, it looked as if there were just too many things standing between the Huskies and anything resembling the second place finish of 1969. The loss of many players due to graduation, not to mention the fact that Matawan moved from the "B" division to the much tougher "A" division, all seemed to indicate that a poor season lay ahead. Several newspapers went so far as to predict that the Huskies would finish sixth out of seven teams in the conference. The season proved to do **anything** but confirm such forecasts.

The Huskies opened the season with a 26-13 victory over defending state champion Middletown Twp., in a game played in 90 degree heat.

The following week Long Branch pinned the season's worst loss on Matawan with a 27-0 score.

The Long Branch game was followed by two straight wins over conference foes Neptune and Toms River North, by margins of 21-0 and 15-0, respectively.

These two wins were followed by one of the Huskies most impressive bouts of the season, a 14-6 decision over previously unbeaten Carteret. Carteret later won the Garden State Conference championship.

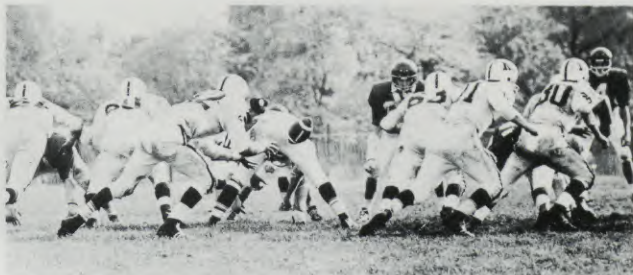

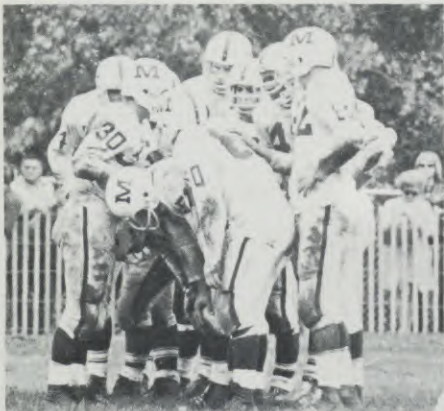

A trip a week later, to Asbury Park paid off in a 28-6 victory over the Bishops, who later finished second in the "B" division.

Matawan lost its first "A" division game to Brick Twp., 6-0. The game was a closely fought contest; Brick's single score coming after an MRHS fumble.

The Huskies jumped right back into the title race the next week, defeating Lakewood, also 21-7.

After the Lakewood game the Huskies were in a tie for first place with Raritan and Brick. The winner of the Thanksgiving game between Matawan and rival Raritan was assured of at least a tie for the title.

In a bitter battle, Raritan defeated the Huskies 20-15 before a crowd of over 6,000. The game was a see-saw battle, in which the Rockets finally overcame a 15-14 MRHS lead on a long touchdown run in the fourth period.

In the Huskies fight for the "A" Division championship, the team put out a balanced effort between offense and defense with each player vital to the team's success. Two players, however, stood out and copped a multitude of all-star awards. Between them, the honors bestowed on senior running back Curtis Edwards and senior center Mike Herb included: All Shore first team of the Asbury Park Press, the Long Branch Daily Record, and the News Tribune, and the all-county team of the Red Bank Register. Individually, Mike made the all-shore first team of the N.Y. Daily News and Curtis made the first team of the Star Ledger. On the state level, Mike was accorded the third team by the Associated Press and the Star Ledger awarded Curtis third team all state.

In addition to the accolades given these two stars, senior guard Bob Putnam made the Asbury Park Press all shore first team and the Star Ledger third team.

Unlike the football Huskies, Matawan's boys basketball team had a rough time in their first year of "A" Division competition. Running up against such powerhouses as Neptune and Lakewood, the team was able to manage only one conference victory against Toms River North, while finishing with a 3-17 record overall. The lone bright spot of the season was when Matawan reached the finals of the Cedar Ridge Holiday basketball tournament before losing to Keyport. The main reason for Matawan's ineffectiveness, inexperience, was due to the fact that only one letterman, Randy Charles, returned from last year's squad. He was backed by only two other seniors; Frank Dugan, who led the team in scoring with a 10.5 average, and Fred Formon. The promise shown by such underclassmen as John McCrea, Skippy Dietz, and Ray Godwin when thrust into starting roles, however, gave hopes that Matawan's basketball fortunes will soon be on the upswing.

Girl's Basketball Wins Shore Conference Title

Running off a superb 13-2 overall record, the girl's basketball team had a fantastic season in winning the Shore Conference title. Aided by a switch to the boys five man rules, the team became the major power to reckon with in that league.

Led by the exploits of co-captain Carsandra Taylor, who scored 336 points on the season for a 22.4 average, the team had a potent scoring attack. Captain Barbara Drago contributed 150 points for a 10 point average, acting at the same time as the team's play-maker and defensive leader. Sophomore Charlotte Walker, who with her aggressive play forced many turnovers for scores, and junior Gail Caley, who also added rebounding and defense, completed the scoring punch. Rebounding was a team strength with junior Retta Goolsby doing the bulk of the work along with Carsandra Taylor. Overall, the team prided itself on its outstanding defense, which allowed opponents an average of only 31 points a game as opposed to Matawan's 48.

Much of the teams success was credited by the girls to Coach Peggy Kerwin. While the team will greatly miss the play and leadership of seniors Barbara Drago and Carsandra Taylor, the extremely talented reserves developed by Miss Kerwin, along with the three remaining starters, means the girls should be a top threat in the conference for quite a few years.

Boys Bowling Team Finishes Fourth

Hurt by heavy graduation losses from last years squad, this years bowling team finished a mediocre 15-13, a disappointment after consecutive state and sectional championships. However, the team, coached by Richard Holler, lost many of its matches by close scores and they gave league champion Raritan a real battle. The team was led by senior Mike Fieux, with a 168 average, along with sophomore Tom Parisi and freshman Dennis Devino. With Mike Fieux and Paul Spadiccini being the only graduating seniors, the talented underclassmen should provide Matawan with a strong and experienced squad next year.

Girls Bowling Successful In Debut Season

Diane Terranova, Ann Rossi, Ginny Sohn, Marcia Bakerman, Lisa Welsted, Pat Terranova, Mina Shortridge, Karen Perez, Coach Grace Lannert

In its first year as a girls varsity sport at Matawan, the girls bowling team had a surprisingly successful year. Competing against older, already established teams, Matawan finished third in the ten team Shore Conference with an excellent 17-10 record. Leading the team was junior Mina Shortridge, with the teams high average of 153 and high game of 206, and seniors Pat Terranova, also with a 153 average and 191 game, Marcia Bakerman, averaging 147, and Diane Terranova, with 137. Much credit should be given to first year coach Grace Lannert for the teams success.

Under the supervision of a new coaching staff, headed by John Semar and assisted by Scott Wolfersberger, Matawan's grapplers improved their record to 4-10. Although the team missed the performance of captain Curtis Edwards, out for the season because of an early season practice injury, several individuals turned in outstanding performances to lead the team. Captain Mike Herb turned in his third outstanding season 9-1-2. Junior Mickey Dietz finished an almost perfect 13-1 while juniors Calvin Wood, Charlie Hearn, and Pleasant Johnson also had excellent seasons. The promise shown by these and other underclassmen gave hopes of an even better season next year.

"We've Only Just Begun"

"We've Only Just Begun," was the theme of the Junior-Senior Prom which was held May 21, 1971 by the Class of 1972.

The beautiful Bel-Aire Manor was the setting for the prom, which was lighted with crystal chandeliers and candles. Music was continuously provided throughout the evening by "The Antell's", "Mr. Burt Blue," and "Micky Cohen".

The traditional promenade which was not held last year, was held holding the interest of everyone through the final climax being the announcement of the prom king, queen and court.

The atmosphere was one of gaily and relaxation as everyone danced the "Hokey Pokey" and "Alley Cat" along with their regular favorites.

The favors were little booklets containing essays and drawings depicting the four phases of high school life.

To many, 2 a.m. came so quickly that it was difficult to believe that the evening of dancing, dining, fellowship, excitement, nervousness and laughter had come to an end. So, with the last song "We've Only Just Begun" the prom faded away into another happy memory.

Senior Trip 1971 — Four Days In Washington D.C. And Williamsburg Va.

No fraternizing!

Everybody up . . . nobody sleeps!

Party in 723 — Where's Wiggie?

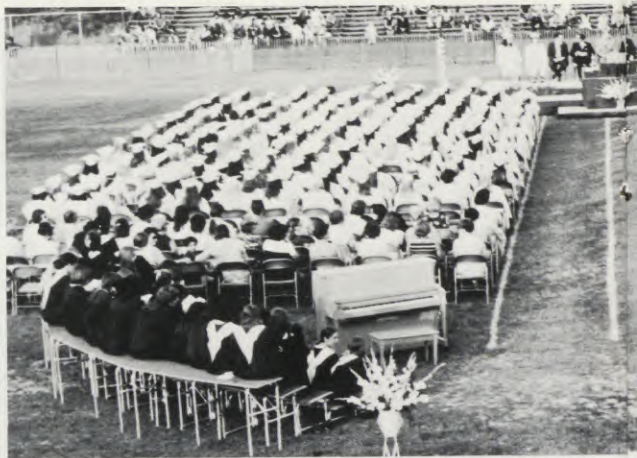

If we don't go swimming tonight you'll know who to blame!

Those immortal words will long be remembered by the 32 seniors who went on the annual four day trip to Washington, D.C. and Williamsburg Va. Leaving MRHS early Tuesday, June 8, the group arrived in Washington around noon and spent the first two and a half days touring the nation's capital. Among the sights visited were the Smithsonian Institute, FBI Building, Archives, Capitol Building, Mount Vernon, Iwo Jima monument, Arlington Cemetery, Supreme Court, and Washington, Lincoln, and Jefferson Memorials. Leaving Thursday for Williamsburg, the group stopped in Jamestown, site of our nations first settlement, to visit the landmarks. Then in Williamsburg, it toured the streets of that famous town, including the Governor's Palace, Capitol and jail. A very tired group arrived back at Matawan late Friday night.

Although they formed the smallest group in many years, the 1971 seniors not only enjoyed the sights, but created their own unique forms of fun in the evenings and on the bus.

THE WHITE HOUSE

WASHINGTON

TO THE 1971 GRADUATING CLASS
MATAWAN REGIONAL HIGH SCHOOL

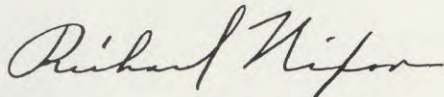

America can be intensely proud of the young men and women who complete their secondary education and begin their adult life. We have every reason to be encouraged as we look to you -- to your energies, your hopes and your ambitions. We have every right to be confident as we consider your high sense of purpose and refreshing desire to serve.

There is little doubt that today's seniors want to be involved. And today's America needs your full involvement. Whatever career, whatever interests, whatever course you pursue in your lives: you will find in our nation the unlimited opportunity to contribute to the progress and well-being of your fellow citizens. Our success in meeting the critical challenges we face as a nation depends on your positive response to this opportunity that is before you.

I believe that America's pride and confidence in you are soundly placed. I believe that you will look within yourselves to ask how best you can direct your special talents to help fill the urgent needs of those who, through no fault of their own, have not enjoyed a rightful share in the general prosperity of America.

I see a nation that is not divided by age groups, but one that is united in a common purpose: and it is a purpose in which you have a vital part.

My congratulations to you on the scholarship that has earned you this diploma, and my sincere good wishes as you go forth to do your best in your chosen field, helping to build better communities and a stronger America.

A handwritten signature in dark ink, reading "Richard Nixon". The signature is written in a cursive, flowing style with a large, prominent "R" and "N".

Acknowledgements

The amount of time spent in creating this yearbook, is indeed, immeasurable. Time and time again, it has been said that making a yearbook is a hard job, and by having this yearbook come out in June, the pressure has been twice as much.

First, I would like to thank my staff, who were devoted enough to work on the book daily, after school until as late as eight o'clock, when deadlines grew nearer. The editors have all been a tremendous help, and how can I possibly thank Debbie Richman and Stacy Bogdonoff enough for all that they have done? I can't begin to thank Mrs. Frazier for all her patience, time, concern, worrying, and most of all, her faith in us.

Many people have helped in many ways, and I would especially like to thank: **Mina Shortridge**, who did all the odd jobs that are vitally important in making a yearbook, got bossed around, and typed at our command.

Our parents, for being chauffeurs, tolerating the late hours and having so much patience.

The Student Council, for letting us use the Student Council room to work.

Miss Gould & Miss Greco, for letting us out of classes to work, so we could try to meet deadlines.

The Science Department, for letting us constantly borrow their typewriter.

The Freshmen, who sold the most boosters, and helped us straighten out the underclassmen section.

Mr. Frazier, for eating so many late dinners, and for taking us home.

Mrs. Frazier's 9th period sewing class, for our constant interruptions, and crowding of their sewing tables with yearbook materials.

Mr. Wynne Murchison of the American Yearbook Company, for his knowledge, service and enduring patience.

Mr. Seymour Pappas of Pappas Studios, for his cooperation, time and devotion.

Carin Goldberg and Jon Schwartz, for their moral support, if nothing else.

Mr. Carl Youngman, for his work in having our previous yearbook bills paid, so we could start anew without financial problems.

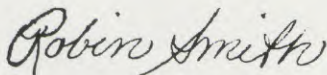

And a special thanks to all of those who actually helped us, instead of merely criticizing.
