Getting it Together

MATAWAN BORO TRICENTENNIAL

If you've ever wondered how Matawan originated, you can find the answer when you look back 300 years to England.

It all started when King James II wished to become an absolute ruler and suppress the English Protestants. They fought back and initiated a revolt. The revolt was sedated after the beheading of the Duke of Monmouth.

The Protestants did not give up. In 1685, a fifty ton ship, carrying about 200 men and women, left England. The passengers suffered through a devastating voyage in search of freedom. Finally, they landed at what is now Perth Amboy, and purchased some land. Their potential village was given the name. New Aberdeen.

The village grew from a small farm community, to a major shipping port, renamed Middletown Point.

War broke out with England and began our fight for freedom and independence. Middletown Point was raided many times, and such men as Philip Freneau, the "Poet of the Revolution" and Major John Burrowes rallied the patriots.

Following the revolution, Middletown Point retained a reputation as a peaceful and productive community.

In 1865, the name Matawan was designated to Middletown Point. Matawan was derived from a group of Indians in Raritan of the same name.

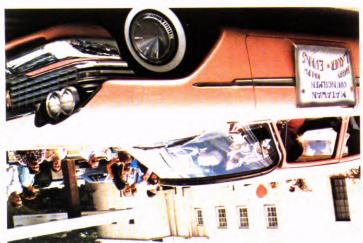

Our town exhibited its spirit in the Tricentenial celebration of 1986. Various events were scheduled: a Colonial Ball, A Fireman's Memorial Service, Skirmish reenactment and the annual Memorial Day Parade. On the lighter side: a beard growing contest and the crowning of Miss Tricentenial. The title went to Terri Tomasello (a sophmore, at Matawan Regional High School)

On September twenty-first, the most extensive parade in Matawan's history, was held and it seemed that everyone was there. The parade was a most memorable celebration. Let's hope that Matawan's next 300 years are as full of advancement as the first.

Congratulations Ms. Vas!

Ms. Joan Vas, mathematics teacher, was selected to receive the Presidential Award for Excellence in Science and Mathematics Teaching, administered by the National Science Foundation. One math and one science teacher representing each of the fifty states, Washington D.C., Puerto Rico, and a group of U.S. territories joined her in the nation's capital October 21-24, 1986 to receive their awards.

Ms. Vas was nominated by her colleagues, administrators, students, and parents. She was chosen as a recipient based on her outstanding classroom performance, students' progress, and other professional activities.

The teachers received their awards during an all-expense paid trip to Washington, D.C. They attended official Washington functions and shared their professional expertise. Ms. Vas and others received Presidential Citation, a \$5,000 grant from the National Science Foundation, and various other gifts from the private sectors.

When asked how she felt about being selected to receive this most prestigious award, Ms. Vas replied, "It is the high point of my career."

Ms. Vas is an alumnus of Matawan Regional High and was the salutatorian of her graduating class. After college she student-taught here and later became a teacher. Ms. Vas has been teaching at our school for twenty-one years.

She will receive her N.J. State award along with other finalists during the NJEA convention in Atlantic City.

Matawan Huskies Football '87

VARSITY — 1st row (L-R): J. Pierce, L. Tumulty, b. Ochinegro, T. Qallo, Q. Beyer, R. Person. 2nd row: Coach Foreman, D. Bellamy, B. Martin, R. Maloy, A. Black, C. Davis, S. Sherman, S. Bolin, R. McCartin, K. MacNamara, N. Cetrullo, Coach Bongiovani. 3rd row: Coach Turner, E. Levy, S. Cross, B. Lambertson, J. Wargo, D. Dickey, L. Tyler, K. McKeown, J. Russell, Coach Kaye. 4th row: R. Baker, T. Kolshorn, C. Mauer, G. Kalt, F. kTagliferi, W. Neal, K. Royce, E. Wunder, D. Quait, D. Boles. 5th row: Head Coach Martucci, L. Williams, D. Thornton, F. Allison, M. Wright, B. Byrd, B. Brown, E. Hodges, S. Burke, Coach Geran. 6th row: E. Bellamy, S. Jones, F. Travisano, B. Murray, B. Smith, R. Edmunds, A. Phillips, Coach Waters.

Coach Martucci's pre-season goals, once again, were for the Huskies to win the championship during their first season of B-North play, and to make the state playoffs. Although they knocked on the door, they couldn't kick it open as they were bitten by the "injury bug" during mid-season. The Dogs came back strong, though, and won the remainder of their games with typical Matawan power football.

On opening day, Matawan defeated Middletown South 7-6.

Even the severe rain and lightning which interrupted the game could not dampen the Huskies' play. in the following two weeks the Huskies defeated Red Bank Catholic, reigning B-North champions, 35-13, and shut out the Monmouth Regional Falcons 21-0 while accumulating nearly 400 yards of total offense.

The Huskies were boasting a 3-0 record when the "injury bug" bit hard. During the 28-14 loss to Scott Vega and the rest of the Freehold Township team, Matawan lost five players to injuries. A win was imperative during the following week against Long Branch in order to remain in contention for the B-North championship. Being behind only 6-0 at half-time, the Huskies remained confident, but were unable to hold off the Green Wave. After a crushing 26-0 loss, the Huskies hit an emotional low the following week tying Red Bank Regional 0-

At Matawan's homecoming against St. John Vianney, the Huskies rid themselves of the bug bite. On the 8th of November, on a muddy field, it was to be decided who would be the best in Matawan. It was on this day that the Huskies pulled themselves out of their rut and defeated the Lancers in an overwhelming 42-14 victory while the "Doomsday Defense" allowed St. John's to obtain only two first downs. The following week, Matawan defeated Neptune, former A-North rival, 13-7 with typical power football. On Thanksgiving Day, another group of Matawan seniors

played their last game in their maroon and gray uniforms. They played with their hearts and souls as the team did all season, and on the muddy field they defeated Raritan 35-15, Although the Huskies did not achieve their goals, they finished second in the division with a record of 6-2-1. The Huskies showed great character this season by bouncing back which is an attribute of Coach Martucci and his staff.

Ben Ochinegro made first team All-Shore, while Eric Bellamy made second team All-Shore. Bellamy also made first team All-Area. George Beyer, Brian Martin, Eric Bellamy, and Ben Ochinegro received All-Division honors. Eric Bellamy made first team All-County. Ben Ochinegro made second team, Troy Gallo and George Beyer made third team.

Congratulations to the entire Huskie squad for an unforget-

table season and best of luck to all future Huskies

Come on Huskles!!

The Marching Huskies, under the direction of Mr. Carlo Vinci, Jr., completed another terrific season. The marching band spent countless hours practicing their repertoire, "Bacchanalia," "Imagination," "La Fiesta," and "Journey to Tomorrow," since the end of August. Drum Majors were Christina Bulvanoski and Billy DeVizia, Soloists were Tom Giovinozzo and Matt Moshen. Colorguard captains were Shannon Olsen and Sue Franklin. Colorguard instructors were Mr. Glen Caldera and Mrs. Brenda Hodovick. The drill instructor was Mr. Russell Morris.

After taking second place at the Chapter Championships in Toms River South, the marching band advanced to the Atlantic Coast Championships where they competed with bands all over the coast.

Soloist Tom Giovinozzo in "La Fiesta."

To Gillian On Her 37th Birthday, a new play by Michael Brady, will be presented as Matawan Regional High School's first dramatic offering of the new school year. The play deals with a young widow's mourning and has subsequent emotional rebirth. Gillian's "ghost" is an important character in the play, as she often appears to her husband, David, to urge him to leave his sorrow behind. The play features Tom Giovinozzo, Karen DeWitt, Stephanie Shuster, Nancy Portlock, John Gerecitano, Felecia DeMartino, and Cathy Sheehan.

Over Here!

This year's production "Over Here" under the direction of Ms. Crupi, Mr. Post, Mr. Beadle, and Mrs. Hannah is set during the Big Band Era. It takes you on a train across the country inviting you into the lives of its interesting passengers. The only thing they have in common is that they are in support of GI's who are about to go to war.

It takes more than a good cast to make a good production. Thanks to the efforts of the Pit Band under the direction of Mr. Carlo Vinci, the show exemplified true Big Band music. Another important factor is the crew who builds the sets and runs all the behind the scenes activities. Thanks also to Mr. Beadle for the sets that made the show realistic.

Senior

On March 1-3, 1987, 88 seniors along with five chaperones took their senior class trip to the Chateau, a hotel resort in the Pocono mountains. The students participated in night activities including a DJ dance on Sunday, and another DJ dance, a martial arts magician, and an ice cream sundae party on Monday. Day activities varied. Skiing took place at nearby Shawnee Mountain and provided many students with their first opportunity on skis. Those who did not ski on Monday had the chance to bowl, horseback ride, play tennis and racquetball, or simply relax at the hotel's pool, jacuzzi and arcade.

Despite minor problems with the transportation and a crazy bus driver, Gene Hooper, the trip was a success. Everyone enjoyed themselves and had a

great time.

GETTING IT

Students and teachers alike fought with verbal and written statements, determined to stop the Board of Education from passing Plan C. This was a plan to reorganize the Matawan School District by selling Broad Street Elementary School. Lloyd Road Middle School was therefore made into a two-story elementary school, lacking the proper facilities for students of that age. The details overlooked were conveniences such as water fountains and sinks that were at the right height for elementary students.

The change that cause an uproar in Matawan Regional was the transfer of the Freshman Class to our school. Several problems were foreseen such as: the accomodation of the increased number of students in the homerooms, cafeteria, and hallways.

Students alerted the Board of problems to come, and were calmed by the promise to have all of them worked out by September. As the '86-87 school year approached, with it came anxiety of overcrowing.

September arrived, and to the shock of everyone, it was not only confusing, crowded, and maddening, but it also introduced new and unexpected complications. Halls were overcrowded, students could not reach their classes in four minutes, especially carrying a pile of books if they had no locker. For months students were denied a locker privilege, due to the overlooked problem. Graphic Arts and Chemistry rooms still served as academic classrooms and study halls.

TOGETHER

The underlying problem has been that our teachers have worked without a contract for months. Their picketing and other protesting actions have yet to solve the problem. Contract talks are stalled due to the tie-ups in court. Marie Panos — leader of the MRTA has kept up the teacher's will to maintain the best possible teaching under the awful circumstances. False fire alarms, randomly issued hall passes, early dismissals, covered door windows, and disturbed lunch periods, were only some of the methods used to keep the Board aware of the teacher's problem.

By the spring of 1987, these disturbances and problems had become commonplace. Good communication between Administrators, teachers, and students was no longer existent.

It was astounding when in all this discomposure — we were hit with Budget Cuts! Could we handle any further damage to our education?

Hundreds cut final classes at Matawan HS

Hundreds of Matawan students thought not. The cuts were elimination of the 9th period, proposed termination of the Math teams, and the withdrawal of an athletic trainer.

It is fair to say that the disputed Reorganizing has not solved our problems — it was only a drop in the bucket. In protest — hundreds of Matawan High School students walked out on Feb. 11, 1987, in order to get the attention of the Board of Ed and the public. Students hope that as a result the Board and public will open their eyes and see that they are causing too much disturbance in the numbers for us to handle. It is hoped that in the future we will face no more cuts or extra problems.

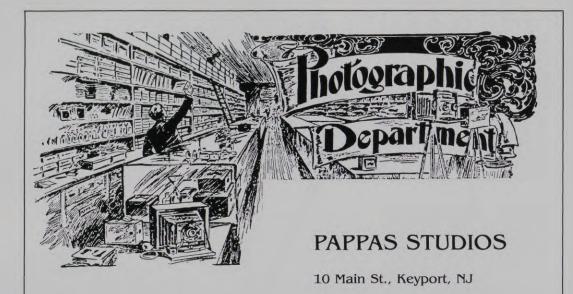

Students and teachers should be proud; however of what they have done to help themselves. We have got it together, and have made the choice to keep going.

Congratulations to the Class of '87

Come to a bank that values your time as much as your money.

Why is it that most banks, while careful with your money, are very casual with your time?

Today, it's a fast-moving world out there. Time is indeed money.

That's why United Jersey is committed to being faster.

Faster in the way we handle your business. Faster in the way we approve loans. Faster in the way we respond to your needs for new financial services.

So if time means money to you, come to a bank that values both.

United Jersey Bank/Franklin State 26 offices in Middlesex, Somerset, Union, Mercer and Monmouth Counties. Main office: 630 Franklin Blvd., Somerset, NJ 08873 For the office nearest you, call (201) 745-6000

MATAWAN -

ITS PAST AND ITS POETRY

Directly north of Colts Neck on Route 34 lies the Matawan area, founded in the 17th century by Scottish settlers who called it "New Aberdeen." Still later, it was known as "Middletown point," and in the 18th century it served as a local port, with docks along Matawan Creek.

Today, it is remembered as the home of Philip Freneau, called the Poet of the Revolution. A section of Matawan Township is, in fact, known as Freneau, and his lines written in 1795 are still fresh in meaning:

"An age employed in edging steel Can no poetic raptures feel . . . No shaded stream, no quiet grove Can this fantastic century move."

Freneau and the Revolution

Philip Morin Freneau, often called the poet-patriot of the American Revolution, lived much of his life in the area that now bears his name.

While at Princeton, from which he was graduated in 1771, Freneau developed a satirical writing style which he used to lash out at faint-hearted patriots before the outbreak of the war.

Freneau was out of the country for the first several years of the Revolution, serving part of the time aboard privateers and on one occasion taking a British bullet in the knee.

He returned to Monmouth County a few days after the Battle of Monmouth, joined Captain Barnes Smock's company in the First Regiment of the Monmouth Militia, and moved up from private to sergeant before leaving the service on May 1, 1780.

Freneau was captured a month later, while serving as third mate aboard the small privateer Aurora. He was lodged first in the British prison ship Scorpion in New York, and later in the hospital ship Hunter. His experiences during his month of imprisonment became the basis for one of his best-known poems, "The British Prison Ship."

Pillar thanks all who have contributed to the '87 yearbook. We thank Adam Fulrath for artwork, Trina Hor for cover design and Mrs. Soderlund's art class for the mural. Also, special thanks to Julie, Cindy and Jean for helping out so much when help was really needed. Best wishes to the class of 1987. Each of you has contributed to Matawan High School in your own special way. May you add to your high school memories a happy and successful fu-(P.S. Have a nice life!)
