"Life is like a box of chocolates"...  
well, maybe for Forrest Gump.  
But here at Matawan Regional,  
life is more like a puzzle. In fact,  
a puzzle with over a thousand  
pieces. Every one of us here at  
MRHS creates their own "piece".  
Captain of the football team...  
History and Government member  
for four years... Chess team  
member... NHS secretary. No  
matter what you do, or what  
you're involved in, you are your  
own significant piece. When one  
piece is missing, the puzzle is in-  
complete. To put it simply, MRHS

# Memories, Maroon, Matawan

**Activities...**a great way to get involved and make friends. Clubs? Sports? No matter where you go, you're always bound to meet someone new. Many things here at MRHS may change: our building, our teachers, but the memories you make with friends will last a lifetime. As you leave high school you will look back on all the years pin pointing events you will never forget happening with your friends. So make the most of your high school years. Get involved and most importantly, have fun!

**Spirit Week...** a time for students and faculty to take a break from the usual school day and "let loose". Admit it,

you can't help but laugh when you see your friend's face shoved in a pie! Or during tug of war when the strongest come out and show what they've got. And Powder Puff Football? Yeah guys, the girls showed that they can play rough too! This year, we also had the first ever Class Theme Day. All in all, Spirit Week did it's job bringing Matawan students together for a week of laughter and fun!

**Acoustic Night...** ahh, how we look forward to it. Twice a year, Matawan students gather in the courtyard for a night of music, hot chocolate, and tons of fun. Acoustic Night gives MRHS students a time to shine and share their musical talent. Oh, and don't think the students are the only ones that have all the talent. Even Mr. Malave proved that he could sing his heart out! Acoustic Night is a night to bond with friends and make memories. But most of all, don't forget to sit back, relax, and enjoy the music.

# Class of 2005

This yearbook culminates and captures the essence of your life at Matawan Regional High School which you will treasure more tomorrow than you do today. Take the time to reflect upon the many friendships and events that have made your stay here one to remember. Many years from now I sincerely hope that you will take this book off of a shelf or from your closet and think about all of the lessons learned both inside and outside of the classroom. Never forget that all roads lead back to Matawan Regional High School and the roads of the world beckon you forth to new adventures and horizons. Good luck and best wishes. Carpe diem!

Another year gone by means another yearbook to sign, reminisce, and flip through. For most people, a yearbook serves as a great memory for their high school year. But for us, it's a reminder of all the hard work put into it... the cropping, proofing, and rushing to meet deadlines. Don't get us wrong, we did have our share of good times... sing-a-longs and tons of laughing. The truth is though, a lot of work did go into making this book. This yearbook would not be as creative and original without the help of our motivated staff.

Thanks to the freshmen, for the folding, stuffing, and not leaving even after seeing how crazy we get. Sophomores, in other words, Amanda, you were such a huge help with ads, and sophomores. It's a good thing you caught on quickly! Juniors; Dana, Mallory, Nikki, and Tina... sports, clubs, and faculty look great. Thanks for all the help! You four are a crazy bunch and always know how to brighten our day :) Courtney... your devotion to student life and the entire book has been greatly appreciated. We don't know where we would be without you. Good luck next year! Finally, the seniors. Kaylen, thankfully you love Michael's so you were able to do an amazing job on superlatives and other artsy pages. Meagan and Sarah... you two probably spent more time joking around and talking, but you managed to put together an awesome babies and buddies section.

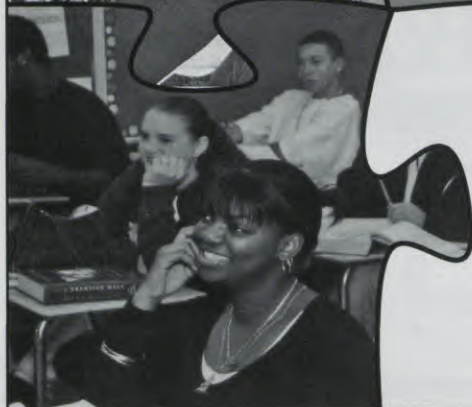

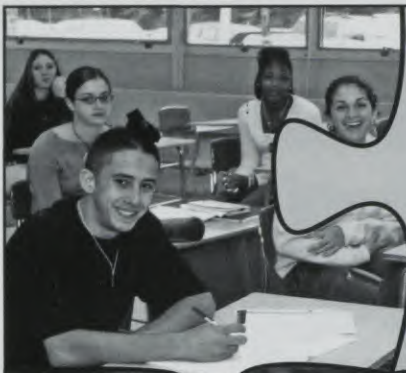

One person, though, that might just be the most important member is Mrs. Fajardo. She has been a mentor to us; helping everyone individually, whether it be in or out of yearbook. This club would not be the same without her guidance and leadership. Working with her for four years has been a wonderful experience.

But before we end this, we would like to thank the class of 2005 for giving us memories to last a lifetime. But with this yearbook you will be able to look back upon the times spent here at MRHS, and never forget the memories that were made.

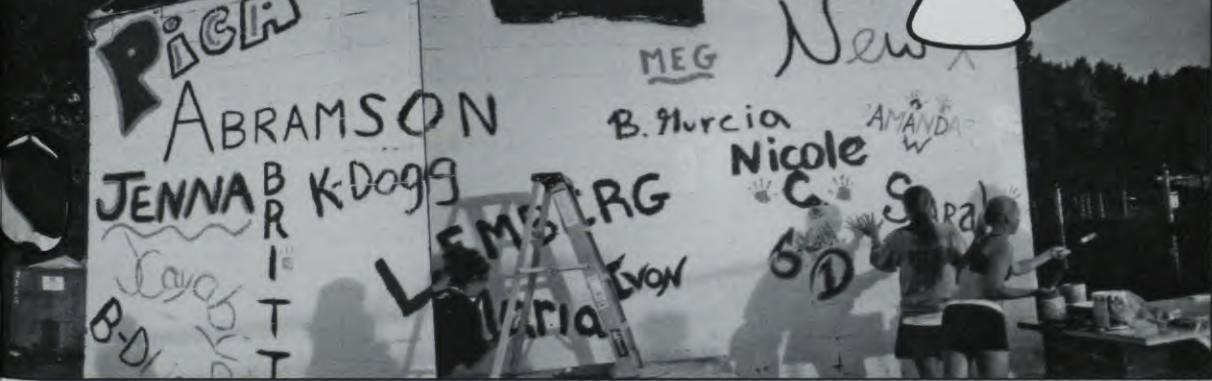

I guess you could say after four years the pieces have fallen into place. Thanks again to everyone who has contributed to this yearbook.

We hope you enjoy it!

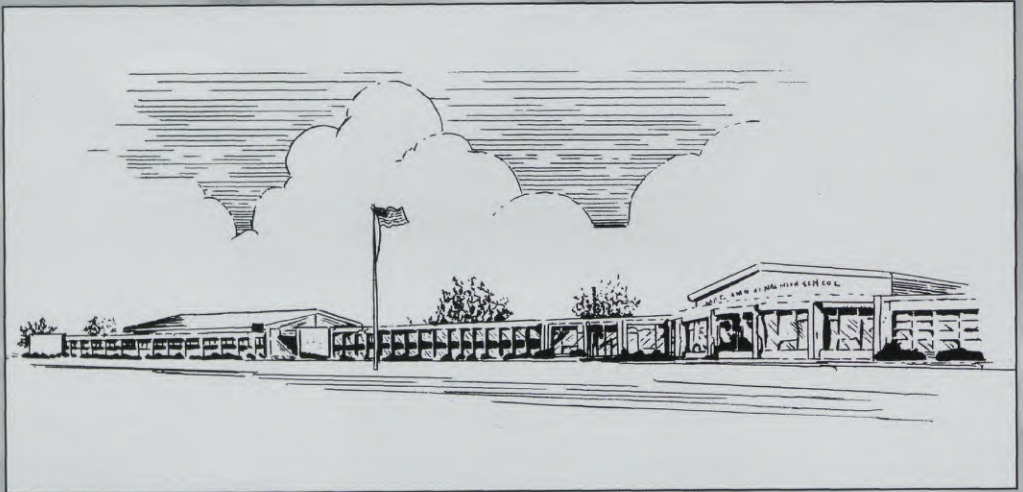

Amanda and Blair

cause it will not last forever.
