MR. JACKMAN

"GO BABY!"

"VIOLIN TIME!"

Mr. Jackman is an incredible teacher, but let's "back up the truck for a second," as he would say, and figure out why. He expects nothing less than the very best from his students, and his love for math reflects in his teaching. He is extraordinarily dedicated to teaching, and he truly strives to make sure that his students achieve everything beyond and above their goals.

Thank you, Mr. Jackman, for your outstanding dedication to this school and for helping us reach the 'Pi in the Sky'!!

Principal's Message

In order to succeed, you must be willing to take risks even if you fall. You will not be judged on how many times you fall, but on how many times you get up. I am confident that Matawan-Aberdeen Regional High School has contributed significantly to your abilities by providing you with the tools necessary to be successful in whatever path you choose.

As time passes and you look at this book I hope that you will reflect on the lessons you have learned both in and out of the classroom. When you do, the photos and memories in this book will remind you of the friendships you have formed over your years here.

May your memories of Matawan Regional High School be pleasant ones, and may your future be filled with happiness and success.

To Kelley

Congratulations from all of us! We found some pictures that made us smile and wanted to share them with others so they could share in the happiness you have brought into our life. We have watched you grow from a smiling young baby into a beautiful young woman; we are so proud of you and love you very much. Remember, life holds the keys too many doors and is yours for the unlocking. Our wish for you now is to take hold those keys, be strong, look at challenges as opportunities, lead others and most importantly stay true to yourself.

Within you there is the power to lead your fellows and accomplish the impossible; we have all carried this ability, from the grass of the football field to the sands of Iraq, life is only limited by the bounds you set for yourself, and your adventure is just beginning, so shoot for the stars and fall someplace among them.

Audentes Fortuna Iuvat.

Young woman, my daughter,
my joy and my heart,
you've reached the end
only to find a new start
The world sees the young woman
with her charm and her smile,
but behind the woman,
I will always see the child

You have accomplished the first eight
so go get the rest!

Pop is watching you from above, his wish for you now would be to learn something new each day, keep a smile in your heart and remember he is with you every step of the way.

CONGRATULATIONS KELLEY!

Love You;

Mom, Jess, Mike, Pat, Pop, Granny,
& the animals

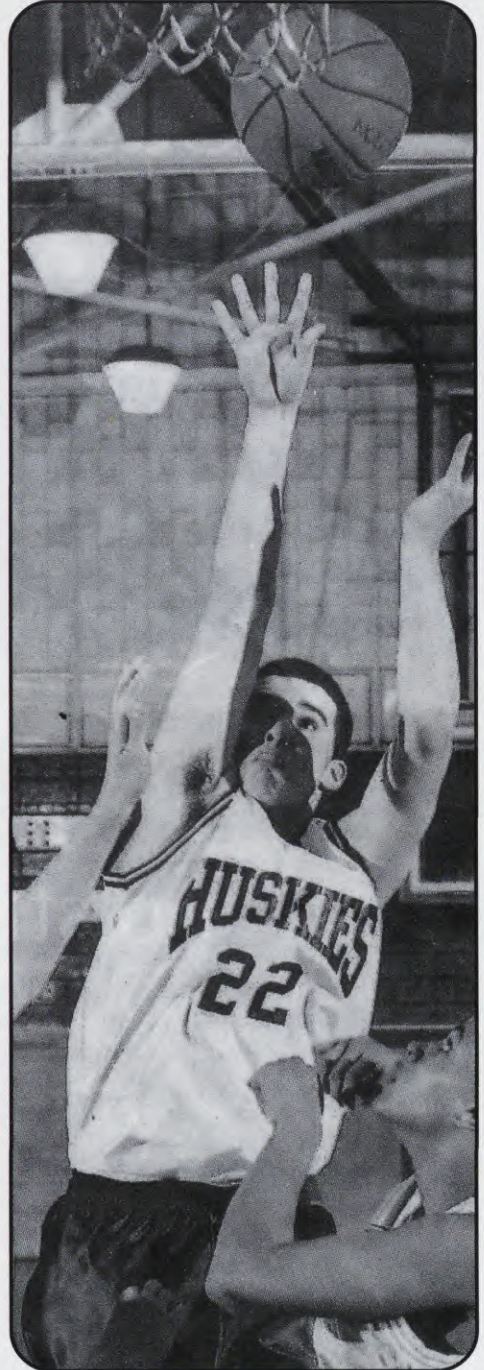

**You bring

You're in a class all your own!

Kaitlin Johnsen

From the little girl starting in kindergarten, going through grammar school, then middle school, then high school. Always getting good grades, always knowing what you had to do to accomplish your goal. From your first pony ride, the desire to care for and find cures for diseases that affect horses has been your goal. May you reach your goal and may Virginia Tech be the starting point for the knowledge you must have to achieve that goal.

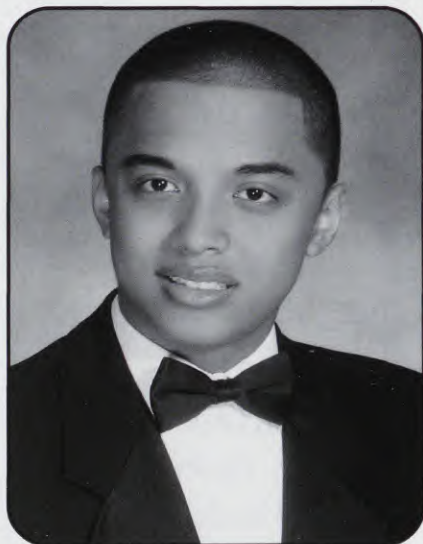

*Love,
Mom and Dad*

Nothing is stranger than browsing through your parents' yearbooks. Can you believe what teenagers wore back then or how, even more surprisingly, they styled their hair? Seeing pictures of our parents when they were our age is basically really, really, weird but kind of cool. It makes us think, what will people think when they look at this yearbook in twenty years?

It has required a great deal of dedication to complete this yearbook. We spent hours after school and during our lunch periods creating layouts, typing, and proofing, but with the occasional pizza or Chinese food party, we were able to make it through. We also couldn't have done this without a particular group of wonderful ladies. Thank you so much, fellow yearbook clubbers. You did an excellent job with this book! As for the juniors, good luck next year! The great yearbook torch has been handed down to you. We would also like to thank Normandy Studios and Jostens for giving us the wonderful tools to make this yearbook happen. Thank you Paige, for helping us with the pages! Also, an infinite number of thank you's to our Fafa, Mrs. Fajardo. Faf, you've been good to us. We appreciate everything you have done and your dedication to this yearbook and its staff.

It is amazing to finally hold this yearbook with a year's worth of work and memories, and we hope you will enjoy looking back on 2006- 2007 for many years to come.

Thanks to everyone who helped make this book awesome!

Amanda and Nina
