Administration

Principal's Message:

If a picture is worth a thousand words, then the Pillar is worth a million! The staff of the Pillar has compiled an exemplary product by painting a vivid collection of memories for all of the students of Matawan Regional High School. As you peruse the pages of the Pillar, take a moment to savor all of the photographs which represent all of the exciting events that you have experienced at our high school. The administration and faculty of Matawan Regional High School are proud of your accomplishments and wish you much success in your future endeavors.

DAVID

It is hard to believe that the time has come for you to graduate high school. Where has the time gone? I know! We were at the hockey rink, but I wouldn't have had it any other way.

It has been a joy watching you grow into the fine young man you have become, and your father would be very proud! The older you get, the more you remind me of him.

There isn't anything you won't accomplish if you keep your head in the game. We wish you the best of luck and a very prosperous future.

We are ALWAYS here for you, no matter how little or how much you need us!

We love you very much and are so proud of you!

You are one of the best big brother's I could have asked for. Good Luck in college!
Love your little brother,
Johnathon

You have taught me so much, especially how to play hockey. The three of us together make a great knee-hockey team (expect when John gets hurt.) I know that you will do great in whatever you decide to do! Good Luck!! Are you Stephen's Brother?

We are proud that you are our grandson.
We admire the caring young man
you have become.

May you reach all of the goals in life
that you desire.

May all your hopes and dreams become reality.
Stay in touch with reality, but never give up
your dreams.

We love you.

Words cannot express how deeply touched I am by your dedication this year. I do not think you realize how much of an impact you have on my life.

With each day, you not only inspired me to do everything I could to become a better teacher, but more importantly, you have inspired me to be a better person. My only hope as you leave is that I could have done the same for you.

With deepest love, admiration, and well wishes for the future.

Editors

Now we have reached the end. We started this journey with hope and expectations about ourselves. Along the way we have changed and grew for the best. Even though our journey together has ended, we leave these grounds ready to face our new journey into life. But we are thankful that we will always have these memories to look back upon. And we hope that every person of the senior class of 2009 will be able to look back at this yearbook and remember all of the great memories of their past four years in high school.

Oh, Mrs. Fajardo there are many words that we can say that express our thanks but we are going to keep it simple. You were always there to help us when we messed up. And when we would slack off and fool around you would always be sure to keep us on track. Because of you, we have learned to double even triple check our work.

Paige, you have helped us so much with this new program. Thank you for showing us the roots. We could not have made this yearbook without you. You have helped us pick an awesome cover, Thank you, Andrea for designing the cover, it is amazing and we love it.

Mr. Hor thank you for scanning the pics we have given you. You have helped us so much, when we did not know how to get the pictures on the computer.

Sasha, what a creative mind you have. You are an amazing artist but you are also a great person. You captured the theme perfectly with your inside design for the cover. Thank you for capturing our thoughts and the Class of 2009 in your drawing.

Normandy Studio, thank you for making time to come to the school and take pictures for the yearbook. Without you, we never would have gotten everything done. We appreciate your hard work very much.

To all the people on the yearbook staff, you have helped put the entire book together. You have worked hard, for long hours to put it together. We really do appreciate all your time and dedication into this book. Finally, the product is here. With every envelope stuffed, it was completely worth it. Thank you, very much for everything you have done

Sincerely,

Lindsey Coachman,
Alyssa Hackmann,
Kelsey Lohsen,
