Mr. D. M. Wyckoff has been raising and improving his front yard. It was an attractive place before, but D. M. was not satisfied with it, and has made it get more attractive.

The woman of ... Lord ... on ... last, as a certain young man was going from his home to the store, at between 10 and 11 o'clock, his suspicions were aroused by seeing a man lurking about a certain residence and store, and knowing that a burglary was attempted only the night before, concluded that this was the same villain, trying his place for another attempt.

Washington's Birth-Day. Feb. 22, 1870. The ... were early at the Engine House, to make preparations for celebrating the day in an appropriate manner.

At an early hour a large American flag, the property of Mr. J. G. ... was displayed from the front of ... Hall, and the busy note of preparation was heard, as the men worked on the decorations for their engine.
