GROUNDING: Light plane which stalled and landed on the shoulder of the Garden State Parkway late Sunday morning as traffic on the Parkway moved steadily along. Plane was piloted by Robert Pierce

of 3086 Bordentown Avenue, Madison Park. Pilot and passenger Daniel Haight Jr., of 22 Mason Drive, Hazlet were injured in the crash-landing. Plane was removed to Julian's Garage.

Sayre Woods South Group Voice Complaints

The executive committee of the newly organized Sayre Woods South Civic Association Inc., recently invited representatives of the various newspapers covering Madison Township to a press conference "to give their side of the Sayre Woods South story".

Members of the committee freely volunteered complaints against the firm of Cantor and Goldman, developers of the 2,000 home community, the session was three hours long. The executive committee charged that: The firm is trying to turn a tract of land into a commercial site, while originally the property was supposed to be a park site or school site; that a water drainage area on Ledge Terrace presents a potential hazard; that the firm advertised four schools would be built on the property; Residents contend that their homes are over-assessed.

Jerome Zuckerman, president of the association stated "that the organization is not an "anti-builder" group and that it desires most of all to work harmoniously with the building firm, not against it.

The meeting took place at the home of Stanley Silvers, 15 Grace Drive, Sayre Woods South.

Zuckerman, who is serving as temporary president of the association pointed out that over

90% of the home owners have never owned a home before, election of officers for the civic association would take place by April 15. The president stated that the average age of the homeowner in Sayre Woods South is 35.

Complaints were also made against Mrs. Helen "Cass" Fisher. Mrs. Fisher is employed by the firm of Cantor and Goldman as a Community Coordinator. Silvers said that in his opinion she was doing what she is paid for to get publicity for the firm.

How she is doing it, Silvers continued, is a source of resentment to the association. Silvers claimed, that ideas of the residents have been quickly grasped by the public relations specialist and turned into accomplishments by the developer and that once desired publicity has been obtained the project is promptly dropped. He cited a teen-age dance project. He said a couple of dances were held and then the project was dropped.

Zuckerman stated that residents of the development had to "pay" out money they were not told about at the time of their purchase of the homes. A deposit of \$18.75 had to be made to the water company, while a deposit of \$60 went to the gas company. Zuckerman also bemoaned

Gallery Elected Chief Of Park Fire Co.

The Madison Park Volunteer Fire Co. held its annual election on March 27, 1960. Officers elected for the year ending December 31, 1960 are:

Chief, Edward Gallery; 1st Asst. Chief, Nicholas Gelalia; 2nd Asst. Chief, Reynold Heuer; Captain, Paul Epstein; Mechanic, Frank Yuhas; Asst. Mechanic, Al Stevenson; President, William Thorpe; Vice President, George Bean; Recording Secretary, Robert Ogg; Treasurer, Joseph Peschel; Sgt. at Arms, Frank Coughlin; Trustees, Daniel Cofone, Frank Peterlin, and Joseph Festa.

Coin cards which were distributed to residents of Madison Park several weeks ago will be picked up starting Saturday, April 2. The financial support of every resident is needed to continue to provide fire protection to this area.

The Fire Co. has openings for a number of interested men. No experience is necessary. Fire Fighting Schools are available to all members plus our own Company Training Program. If interested contact any fireman or visit the firehouse on Saturday or Sunday.

Scholarship Dance Planned By PTA Council

The Central Council of PTA's of Madison Township have announced plans for the Second Annual Scholarship Dance to be held May 21 at St. Bernadette's Hall, Madison Park.

Assisting Mrs. Andrew Zelenak, general chairman will be Mrs. Thomas Condren, Mrs. Saul Waldman and Mrs. Joseph Mollis.

Mrs. Anthony Frank will serve on the hospitality committee; Mrs. Leonard Booth, coat room; Mrs. William Beckner, publicity; and Spiro Columbo, refreshments. Music will be furnished by Joseph Kaschak and his Stylists.

There will be a meeting of the ticket committee on April 20 at the Browntown School.

Madison Township May Get Ball Club

Plans to bring a major league baseball team in Middlesex County were disclosed at a press conference at the Waldorf-Astoria Hotel in New York late last week.

A prominent group of Middlesex County businessman plus some outside investors will attempt to obtain the Kansas City Athletics, the former Philadelphia Athletics.

If the syndicate is successful in purchasing the franchise, it will build an all purpose stadium in Madison Township. The designer Jack Thalheimer estimates the cost of the stadium at the 30 million dollar mark. The stadium would have a collapsible roof and would allow year round operation and cover seating for 75,000 people during full stadium use and 40,000 for baseball games.

Options on a 350 acre tract have been obtained as the site of the proposed stadium. The syndicate is headed by the Berg Agency of Metuchen. The company is controlled by Leonard and Kenneth Berg.

Attorney for the group is Middlesex County Prosecutor Warren W. Wilentz.

It was disclosed at the elaborate press conference by the Berg brothers that the syndicate has submitted a bid for the franchise but it hasn't been acted upon by the club's board of directors.

Parke Carroll general manager and executive vice president of the club reported "There is no intention of selling the club or moving it from Kansas City. In five seasons we have drawn over the five million people.

Never - the - less despite the denials of sale speculation ran wild as far as residents of

Madison Township were concerned. The possible location of a ball park in Madison Township had residents of "Our Town" walking on cloud "Number Nine". Most business men in the area were overjoyed with the prospects of such a club and ball park, most were of the opinion that this would be a "sure shot" to put Madison Township on the map.

Many were everjoyed over the ratables that would be induced into "Our Town" by the building of a ball park in Madison Township.

We talked to many of the students of the local school system and of course they all had their favorite teams, many of them stated that of course we'd be routing for our own home team, what else.

Madison Township has several good assets to be contended with in selection of a site for a ball field. We are approximately 35 miles to New York City and about 60 miles to Philadelphia. We have an excellent system of roads and parkways. We have an abundance of land for acres and acres of parking lots. Railroad connections are not too distant to the proposed site of the ball field.

Even if the ball park is not located in Madison Township at least for a short time, residents of these United States especially baseball fans, will be looking at the map for Madison Township the publicity is good. If the ball park is built then Madison Township will be on the map. Let's all hope so.

The Lions Penny Sale and Card Party will be held next Thursday, April 7th beginning at 8 p.m. at Burlews Restaurant, Route 35.

Mr. James E. White, Editor

Dear Sir:

With primaries very close, and speaking as 1959 Candidate for County Freeholder on the REPUBLICAN TICKET, as well as, former G.O.P. Committeeman from District 6 in Old Bridge; I wish to pledge my support to JOHN PHILLIPS, Democrat, mayor of Madison Township and candidate for re-election.

This marks the first time since reaching voting age that I have supported a Democratic Candidate for office. The decision was reached after much soul-searching and does not constitute a repudiation of the Republican Party or any other Republican Candidate.

I believe MR. PHILLIPS is the type of township official we need and that his record is of such stature that it would be a mistake not to return him to office.

Furthermore, the principles and platform of former Mayor Chamberlain were firmly rejected by the voters last year, and will not have any more popular support this year.

His re-nomination was a "steam-rollered" affair, engineered without regard for the desires of the Republican organization. This, however, will probably be denied. Several other local republicans come easily to mind as more deserving of the nomination than Mr. Chamberlain.

On the other hand, the Democrats, rightly convinced Mr. Phillips to run again.

Madison Township; right now in an almost chaotic condition, in many aspects, (education, industry and taxes; and their relation to one another, being the main one) needs progressive public officials now more than ever, and it is for this reason that I pledge him my support in November, and will urge all of my friends to do likewise.

Very truly yours,
S/ Robert C. Varall

Prices Going Up, Zoning Board Wants To Increase Fees

The Madison Township Zoning Board of Adjustment is contemplating raising of fees--if--and the big "if" it can be legally done!

Leon Arrowsmith, Chairman of the Zoning Board of Adjustment at a recent meeting of the board announced "everything has steadily been going up, the present fee of \$5 for consideration of variances is entirely out of line with todays cost."

Members of the board were of the general opinion that the fee

should be at least \$10, because the present rate does not sufficiently cover the cost incurred of legal advertisement of such variances.

Attorney John Salvest was instructed to check the legality of the proposed move and report back to the Board the results of his findings.

Also under possible consideration is a policy change regarding advertising of public hearings on variance applications as required by law.

CIVIC GROUPS CAN AID MADISON TOWNSHIP

Despite the opinion of some residents of Madison Township who believe that most civic groups are formed as "hate-the-builder" Clubs and are sometimes used as a "stepping stone" for a few who seek political gain. We firmly believe that civic organizations can be of great value to Madison Township.

We fully realize that new residents of Madison Township are often neglected and treated as strangers, while actually, they are part of the community. Certainly the transition from "city life" to semi-rural way of living is not without problems. We haven't seen a development built yet in Madison Township that didn't have problems. We've heard the same type complaints from time to time.

Many of the new residents who join civic associations do so with the sole purpose to "better Madison Township," we feel that most new residents ban together to solve problems confronting them and not to create problems.

If a civic association concentrates too much on the fighting of a builder, you will find that when he completes the development and leaves the area the civic association collapses and dies.

Too often a civic association will forget the main purpose that it was created for "the betterment of the community" and try to deal with individual problems, this too, will eventually lead to the collapse of the group.

Civic associations can be strong but only as strong as the members. Each new resident of Madison Township has a "stake" in Our Town, certainly, things can be worked out.

Civic association can build playgrounds, they can start fire companies, build swimming pools, parks. They can establish balanced recreation programs in their respective communities. They can do a score of things for Our Town.

However, no civic club or association can run the whole town, if this is not remembered by the members of the civic group then the group will falter and die.

Our Town will survive with or without the help of civic groups, we will certainly prosper, however, it will be much easier with the co-operation of the civic organizations.

This is Our Town, let's strive to keep it strong and healthy, it isn't a bad place to live. Eventually conditions will improve, but it will be much quicker if we work together.

HOW ABOUT ENFORCING ORDINANCES?

Madison Township is well armed with ordinances of various nature, covering such things as dog control and licensing, refrigerators and bows and arrows. About the only thing lacking in the whole setup is the enforcement of these ordinances.

Many of the ordinances were created with the sole purpose of controlling a serious situation, which had resulted in death or injury to children of Madison Township.

The bicycle ordinance was adopted after two youngsters were struck by a car while they were riding "double" on a bike on Route #35. Remember?

The ordinance governing "the abandonment of refrigerators" after a rash of deaths of children who were accidentally locked in refrigerators.

The Bow and Arrow ordinance was created after a youngster received a severe scalp wound in the Old Bridge area, remember?

These ordinances were created for the protection of the children of Madison Township, we can only ask, "What good is an ordinance if it not enforced."

What good is a dog ordinance, if dogs, are still allowed to roam free without licenses? Maybe we should teach the dogs to read?

We urge the Township Committee to immediately notify the local police department to enforce these ordinances!

News

Due to the fact that the Lions regular paper pick up will fall on Palm Sunday, April 10, the date of the pick-up will be advanced to Sunday April 3rd. Spring is here, do your spring cleaning now, get rid of your old papers and magazines-put them out for the Lions on Sunday, April 3rd.

The proceeds of the June Paper pick up will be for the benefit of the two local boy scout organizations in the Harbor area.

The Laurence Harbor Lions Club who own 11 lots on State Highway 35 and Brookside Avenue, have offered this tract of land to the Township committee for use as a recreational area.

President William F. Ohnsman, Past president, James Armstrong, Lion John Overly and Lion Al Souza attended the Lions Zone meeting held at the Morgan Inn on Tuesday night.

Chairman Larry Holden reports all arrangements have been made for the Lions Teenage Dance to be held Thursday, April 21 at 7:30 p. m. at Burlews Restaurant, Route 35. A large popular orchestra will be on hand and refreshments will be served. Remember the date Thursday April 21st.

P.T.A. Hears Nun

Sister Camille of the Gray Nuns of Lawrence, Mass. was the guest speaker at the St. Thomas PTA meeting in St. Thomas Hall.

The nun showed slides and explained the various phases of the life of a postulant.

Fathernight will be observed at the April meeting. The spring regional meeting will be held at St. Joseph's Carteret, April 27.

Mrs. Louis F. May Jr., president, announced that the children of St. Thomas School will have their eyes screened this week. The program is being conducted by George Jukas, and Mrs. John Sarra, school nurse.

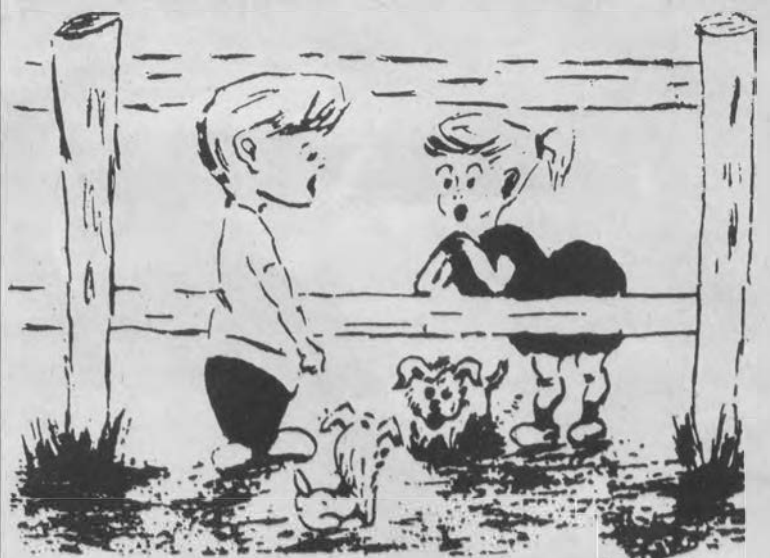

Plans are being made to celebrate the 10th anniversary of the St. Thomas PTA at the May meeting.

New Members Added By First Aid Unit

At the meeting of the Old Bridge First Aid Squad held at the squads headquarters on Marlboro Road, ten new members were accepted into the unit.

Capt. Irene Gashgo welcomed the new members to the squad. New members were: William Kackel, Charles T. Laufer, Mrs. Babette Mise, Mrs. Ethel Rallo, Frederick Wilhelm Jr., Robert Gangwisch, Edward Satus, Robert Casey, Harold Blatt and Mrs. Sylvia Zuckerman.

The squad handled 38 ambulance calls in February, 181 man hours of service was spent by members of the squad and the ambulances covered 950 miles. Calls included, one maternity, five automobile accidents, 14 emergencies, 14 medical transports and four home accidents.

CONGRATULATIONS: Are certainly in order to the local PBA on their recent "shindig" we understand that everyone present had a "wonderful time," the crowd attending was estimated at approximately 500, it was a little jammed. However, no fights were reported to mar the event. Arnold Lauer of Meeker Avenue, Laurence Harbor was the winner of the 21 inch Television Set which was the door prize. How did you do it? Maybe we ought to start calling you "Lucky" Lauer instead of Brownie? Lauer is the assistant plumbing inspector for Madison Township.

NEW GIMMICK? Youngsters in the vicinity of the Sayre Woods Shopping Center have found a new sport. They ride the shopping carts down the entrance ramps, wonder what the parents would say if one of them got "clobbered" by a car. Of course it would be the drivers fault. Some people forget that the shopping carts are for their convenience and they are expensive. (About \$40 per cart). Some residents have been taking them home and leaving them around the house, for mobile clothes baskets, etc. We understand that some of the chain food stores are "upset" about the situation. They are getting tired of picking up the carts left all over the neighborhood.

FUEDING AND FUSSING: The rift in the G.O.P. ranks is really ready to pop! Things will get hotter after the Republican Primary. Some feel that Thomas Tyrrell should be named Municipal Chairman, others are reported to be supporting John Conover. Former municipal chairman Donald Borst is sitting back quietly smiling. They never had this kind of trouble when Borst was municipal chairman. Please don't send letters of applications to join the Republican's for Phillips Club to this paper. Send them to a Board of Education member in the Cliffwood Beach area. We understand that they are waiting for incorporation papers for the group. They are out to get Chamberlain for sure?

BOARD OF EDUCATION: We understand that Dr. William J. Sample's "recruiting drive" for

new teachers is paying off. The good doctor has been flooding Teacher's Colleges with a booklet pointing out the possibilities and advantages of teaching in the Madison Township School System. We suspect that Dr. Sample must have served on a "draft board" sometime or another. At least he is trying to promote Madison Township. We hear rumors that a former Superintendent of Schools from Madison Township, who didn't receive a tenure contract is having trouble in another school system?

UP IN THE COUNTY: The way we hear it! If and when Sam Convery gets his judgeship? County Prosecutor Warren Wilentz will probably move into the County Solicitors Job. Warren Wilentz is the fellow to watch in the political circles, he's one of Middlesex County's bright young attorneys and may be slated for bigger and better things, politically. We wish you well Warren! Mr. Wilentz would make a fine candidate for Governor on the Democratic Ticket!

BUYER BEWARE: What's the old saying about one being born every minute? Watch out for the top Soil Conditioner Peddlers and the Humus or Manure Salesman. Routine goes something like this "Lady, I just got a couple of bushels of fine soil conditioner left. How about letting me spread it around for only \$1.50 a bushel?" The couple of bushels turns out to be around thirty or forty dollars. The fine lawn dressing so nice and black and rich looking, could turn out to be nothing more than coffee grounds, soot and dirt, flavored with cow manure mixed together to make the nicest looking soil conditioner. Stick to 5-10-5 it's cheaper in the long run. By the way how's your crab-grass growing?

POLICE DEPARTMENT: We understand that the local police department will soon crack down on restaurants, road side stands and other eating establishments to force the proprietors to take out the necessary health licenses. Some merchants are a little "bitter" over the whole idea. They feel that why should they comply with the law if many don't? Police will at first warn violators and then boom!

De Voe Library Seeks New Members

Mrs. Harold G. DeHart, 110 Charles Street, Old Bridge, the Madison Township representative on the board of the Alice Appleby DeVoe Memorial Public Library has announced a membership drive is under way.

State History Cubs' Theme

New Jersey State history was the theme of the meeting of Cub Pack #177 held at the Crandall-Kossman American Legion Post 177 Hall on Matawan Road, Old Bridge.

The opening ceremony and color guard was by members of Den 10.

A kitchen type band was composed from Cubs of Den 9, who are known as the Camden Regiment.

Den 8 gave an enactment of the Molly Pitcher story which took place in the neighboring county of Monmouth.

Den 4 enacted the crossing of the Delaware by General George Washington.

A mock wedding of Governor and Mrs. Robert B. Meyner was performed by Den 3.

The state song was rendered by members of Den 1 and Den 2 explained the naming of New Jersey.

League Auxiliary To Hold Auction

The Madison Park Little League Ladies Auxiliary will hold an auction at the Madison Park Fire House, Cheesequake Road, on May 7th. The auxiliary is seeking donations of useable articles for this event.

Anyone who has any unwanted articles which may be of use to someone else can help support the Little League by calling one of the members of the auction committee who will make arrangements to have the item picked up.

The committee members are Mrs. Ruth Dowd, Chairlady PA1-3780, Mrs. Peg Gordon PA1-4207 and Mrs. Phyllis Hathaway PA1-0237.

The number of boys of Little League age in Madison Park is increasing every year. To ensure that all of these boys play, your help is needed.

Madison Park residents and other interested parties can contribute to the League's support by donating to and attending the auction and by purchasing Easter Candy from the auxiliary during the current campaign.

Pair Faces Charge On Sale To Minor

Doris A. Eck of 6 Sycamore Drive, Old Bridge and Joseph P. Scalzo a waitress and bartender employed at Tourines Tavern, 40 Main Street, Matawan, were released in \$500 bail each following their arraignment in Magistrate's Court on the alleged charge of serving beer February 24, to a 17 year-old Laurence Harbor youth.

Acting Magistrate Luther A. Foster fixed the bail for the pair, both face possible action of the Monmouth County Grand Jury.

FOR QUICK RESULTS TRY
THE CLASSIFIED ADS

The circulation figures, according to Mrs. DeHart, have nearly doubled for the past year and if present services are to be maintained additional finances will be needed.

The library is located at 166 Main Street, Old Bridge has an excellent selection of books. Although the library building is located in East Brunswick, residents from Madison Township are eligible to be enrolled as members in the Library Assn, and are welcome to make use of the services.

Mrs. DeHart who also serves as Treasurer for the group announced that the annual membership fee is \$1 for adults and 50¢ for children under 16 years of age.

For those who may wish to donate a sum of \$10 or more it has been announced that their names will be entered on the scroll which hangs in the main room at the library as patron members.

The library is open Monday, Thursday and Friday between 3 and 5 p. m. and from 6 until 8:30 p.m.

New Pioneer Girls Division

Miss Peggy Palmer, chief guide of the Pioneer Girls of the Old Bridge Baptist Church, Kossman Street, has announced a new division of the group has been started.

Mrs. Orville Womelsdorf will serve as guide for the Explorer Division which has held its first meeting at her home, 35 Madeline Drive, this group includes all girls in the second year of high school through the senior year.

The following officers have been chosen by the group: Jill Sengstack, pilot; Wilma Heitman, co-pilot; Carol Walcsak, dispatcher; and Elsie Kelmer, world observer.

An invitation is being extended to all girls in this age group who are interested in joining. Further information may be secured through either Mrs. Womelsdorf or Miss Palmer.

Officers Elected By Harbor Little League Auxiliary

At a recent meeting of the Laurence Harbor Little League Auxiliary held at the American Legion Home, Summerfield the election of officers by the group was held.

Elected to officer were: Mrs. William Foster, president; Mrs. Wilbur Nixon, vice president; Mrs. John DiGiovanni, secretary and Mrs. Daniel Baxter, treasurer. Mrs. Dominick Deseno was named as publicity chairman.

Welcomed as new members were Mrs. Everett Hoffman, Mrs. Richard Pine, Mrs. Eleanor Bernacki, Mrs. Daniel Shaw and Mrs. Neil Saynor.

The newly elected president explained the purpose of the new organization will be to raise money for the equipment and needs of the players and to operate a refreshment stand during the games. Auxiliary members will alternate their services at the stand.

The first game of the season is scheduled for May 1 at the Little League Field at the Memorial School.

Wall Nabs Nine Speeders

There may be just more than spring around the corner! Motorists using Madison Township roads for private speedways may find Laurence Harbor's own "Connie" Wall operating a radartrap.

Cornelius A. Wall, Middlesex County traffic coordinator and township police under the command of Capt. William Wallis operated a radartrap set up in three sections of Madison Township.

They set up the device in Englishtown Road, Old Bridge, Route 9 at Sayre Woods South and Princeton Road, in Madison Park, some of the roads on which complaints have been received of motorist speeding.

The "trap" was operated from 1 to 5 p. m. and netted nine motorists charged with exceeding the legal speed limits.

In addition to the nine speeding summonses, one driver was charged with having no registration.

Assisting Wall and Wallis was Special Officer Bernard Cohan.

Health Projects Underway

Mrs. Evelyn Runyon, Madison Township School nurse, has made a report on the various health projects in Madison Township schools, in which she is assisted by members of the Laurence Harbor-Cliffwood Beach PTA.

All eye-screening test of the students in the 3, 5, 7 and 8th grades have been completed under the direction of Mrs. John DiGiovanni, telebinocular chairman. Preparations are being made for the testing of the first grade pupils in School No. 9.

Mrs. Runyon also announced completion of the patch test which proved to be all negative.

Plans for starting test of the children's hearing are being completed. The testing will be accomplished on the new audio-

THE MUSIC GOES ROUND AND ROUND: How many future Glenn Miller's or is there a Harry James in the making? Who knows? Just part of Madison Township School Band that will entertain at the Band Concert at the Laurence Harbor Casino on May 14 at 8 P.M.

Public School Band And Glee Club To Be Heard

Another first in the history of Madison Township will be made at 8 p. m. on May 14, 1960 at Laurence Harbor Casino. Residents will have an opportunity to see and enjoy the Madison Township Public School Band with the combined Glee Clubs from the Memorial and Willis Schools.

Mr. Joseph Kaschak with the able and capable assistance of Mr. Pink and Mr. Walters, promises a delightful evening of patriotic and symphonic music.

More than 180 children will participate in the presentation. The combined Glee Clubs of the Willis and Memorial Schools will render choral selections for the entertainment of the throng which is expected to attend the first performance of this nature in Madison Township.

Donations of \$1.00 per person are being accepted to help defray the cost of the School Band Program. All profits from the concert will be used to purchase instruments and music to enlarge the band.

Due to the seating capacity of the Laurence Harbor Casino only a limited number of tickets are available. These tickets can be obtained from members of the Band and the Band Parent's Group.

Dr. William J. Sample, Super-

intendent of Schools for Madison Township, today praised the work of Mr. Joseph Kaschak and the other teachers working with the students. Sample said "that the teachers have done a wonderful job with the students, and we hope that they will be able to continue in their efforts. It is on rare occasion that we ever hear of a happy student, being a juvenile Delinquent. The program sponsored by the local Board of Education is a great step forward. Let us not go backward, please support the Madison Township School Band."

"Love Thy Neighbor"

In this day and age we often read of things not so happy and "Love Thy Neighbor" is often forgotten in this day and age. We are happy to report that all is not forgotten. Take the case of William Moldenhauer of 104 Princeton Road, Madison Park. Bill is undergoing treatment at the South Amboy Memorial Hospital.

Members of the Madison Park First Aid Squad and Madison Park Fire Co., donated blood while the Ladies Auxiliary of both units took turns baby-sitting for Mrs. Moldenhauer, to enable her to visit her husband in the hospital.

We feel that Madison Township can feel quite secure, knowing that there are many wonderful people in "Our Town."

Winners Announced

Winners of the Americanism Essay Contest sponsored by the Ladies Auxiliary of the Laurence Harbor American Legion Unit 332 have been announced by the Legion unit.

Essays were submitted by students of the 6th, 7th and 8th grades of the Memorial School, the theme of the essay was "What is Patriotism?"

Richard Mueller, 8th grade student won the first prize of \$5 and a medal, and Kathleen Burdick, 6th grade pupil won the second prize of \$3.

The contest is an annual affair sponsored by the Ladies Auxiliary

Sample Speaks To Sayre Woods PTA

Dr. William J. Sample, superintendent of schools for Madison Township was the guest speaker at the Sayre Woods South P.T.A. meeting held in the #18 school. Sample described Madison Township as a "community of communities with Sayre Woods South the newest addition." Ten years ago Madison Township had a population of approximately 10,000 people now the population has doubled. Madison Township is 42 square miles in area. Sample praised the work of the PTA's in Madison Township is rapidly growing up, and with the growth our people are also growing up.

The group voted to sponsor the Boy Scouts and Cub Scouts of the development after a request was made by Don Russ, troop master.

Mrs. Gertrude Draizen, president, announced there will be election of officers at the April 25 meeting. A nominating committee was selected to decide on nominations for a new slate of officers.

The PTA presented Schools 18 and 19 with a film strip projector and film strips.

Federation Program Held By Laurence Harbor Woman's Club

The Laurence Harbor Woman's Club held their Federation program recently at the Community Church Hall in Laurence Harbor.

Mrs. Olga Becker, President of the group welcomed the honored guests and club members.

Mrs. John M. Alton, president of the New Jersey State Federation of Women's Clubs was the main speaker. Her topic was "Federation Public Welfare Projects."

Mrs. Robert McKinley, Acting District Vice President also spoke briefly to the members present at the meeting.

Visiting Presidents from other clubs within the district were Mrs. Michael Pizza, Jersey Shore Woman's Club, Mrs. Vincent Festa, Eatontown Women's Club; Mrs. Victor L. COMPLAINTS

Cont.
the fact that the taxes were approximately \$150 more per year than they had been told.
Officials of the firm of Cantor and Goldman angrily denied many of the charges. The property in question which will be used for commercial purposes had been set aside for a recreational or school site, but that the planning board and school board had rejected the property as such a site because it was too close to the highway.

The water condition and drainage pipe on Ledge Terrace had been corrected prior to the complaints of Mr. Zuckerman.
Spokesman for the firm said that originally the firm intended to build four schools on the development site as was advertised in early advertisements, however, the Madison Township Board of Education, asked that only three schools be built, stating this would reduce the expenses to the board. There would be one less janitor to hire. The school rooms were built on a formula worked out by Township Officials and Cantor and Goldman.

As far as the taxes, we have nothing to do with them, that is a problem of the Township Tax Assessor and the individual residents.

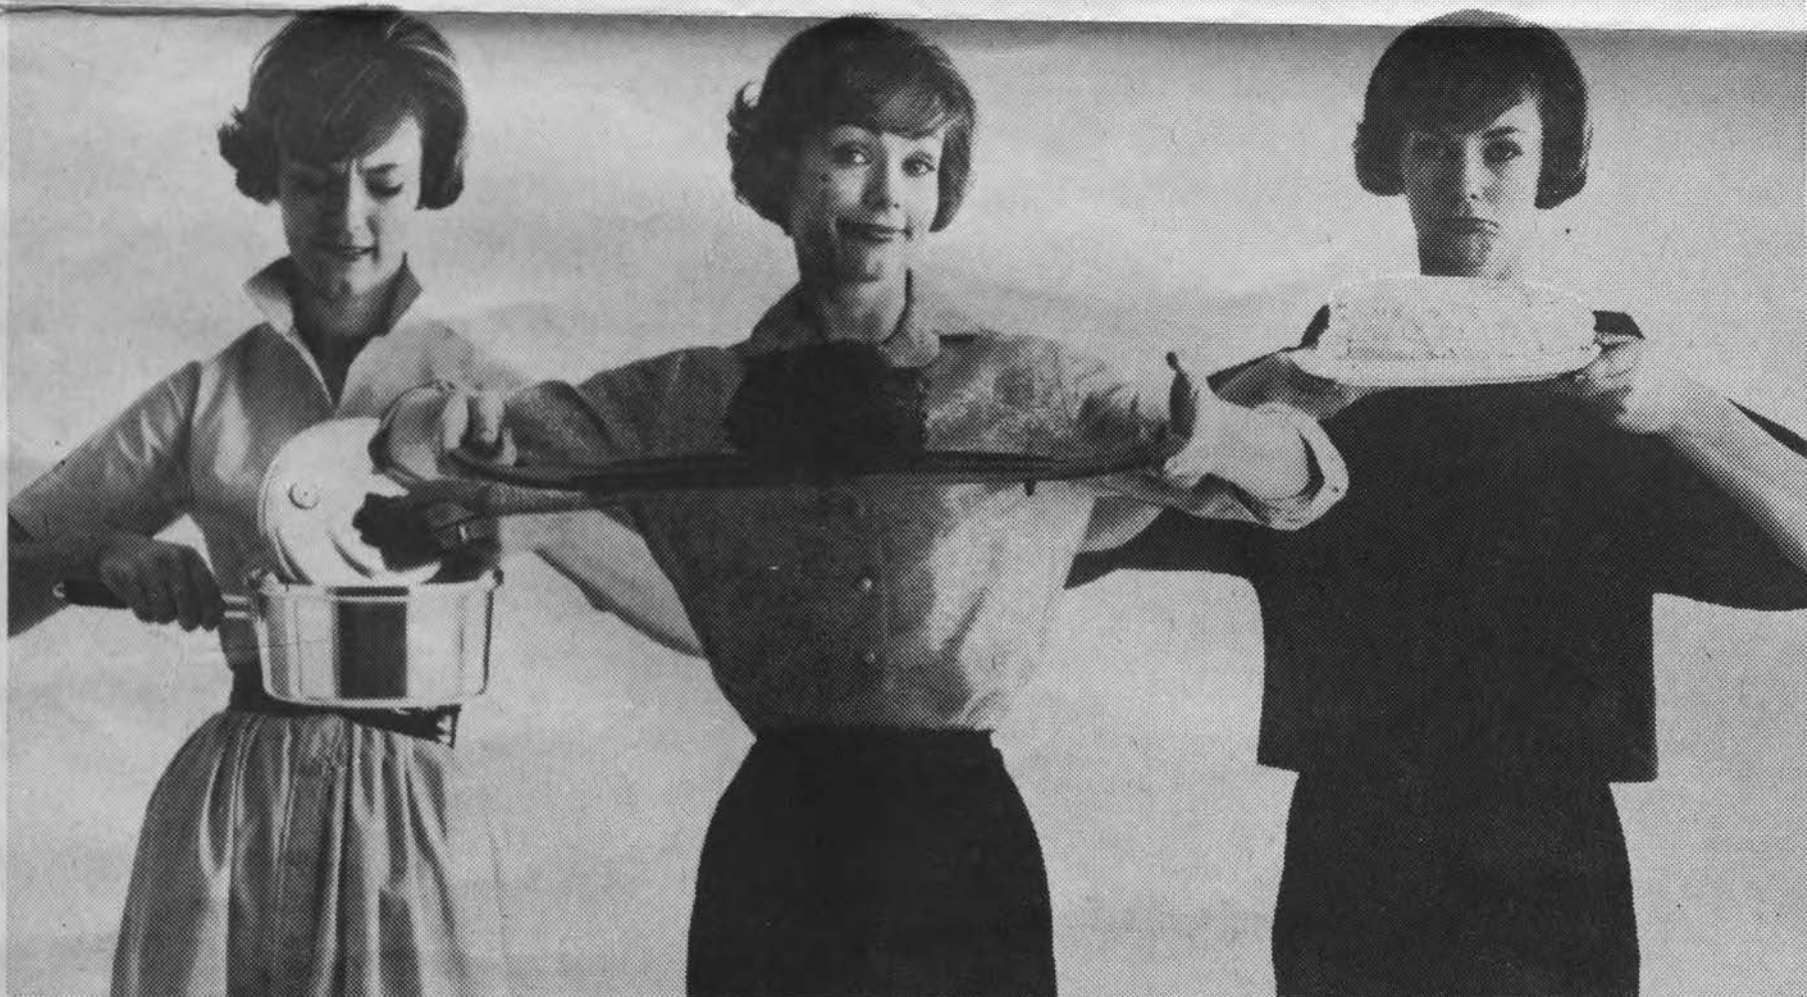

Mrs. Fisher stated that many of the activities at the Sayre Wood South Development were started well in advance of any civic association, the group recently received their incorporation papers. The teen-age dance program that Mr. Silverman complains about, was called off on several occasions due to bad weather. We are trying to work with the residents of the community not against them.

EVERYTHING'S UNDER CONTROL
WITH A FLAMELESS ELECTRIC RANGE

Buy with assurance from your local Reddy Kilowatt Dealer who displays this emblem.

Electricity can be so accurately controlled it takes the guesswork out of cooking. For instance, on electric surface cooking units you can dial any one of at least five or seven exact heats. Result? Vegetables and potatoes can be cooked in as little as one-half cup of water, arrive at the table with all their goodness intact. And, with exactly controlled electric broiling and roasting,

there's no need to sear or baste. Meat shrinkage is kept to a minimum. Good baking's easier, too. Only an electric oven can be so accurately regulated and completely insulated that the heat never varies more than 5° up or down. It practically eliminates baking failures. In fact, no matter what you cook with an electric range, it just has to be good.
