Democrats Hold Tax No Increase In Rate

The Madison Township Committee adopted the 1960 budget and despite predictions earlier in the year of tax increases by Mayor John Phillips, the Democratic Controlled Committee were able to come up with a tax rate that showed no increase over the previous year.

Phillips stated "that his earlier predictions of a tax increase were based on his belief that an increase in the taxes would result, however, we have been able to hold the line".

The hearing held at the Cheesequake Fire House on Route #34, was the quietest budget hearing we have witnessed in many years in Madison Township.

The high audience present at the hearing included three newspaper reporters, two candidates for Township Committee and two janitors from the Fire Company.

Speaking at the meeting were candidates for the Primary Election Thomas Miller, former G. O. P. Township Committeeman and John Chamberlain former Mayor.

Miller questioned the committee if everyone was in favor of the budget including the minority member. Donald Macrae, lone Republican on the committee, stated that he was "in favor of everything that was in the budget."

Former Mayor John Chamberlain also agreed with the budget, and explained that the Democrats were following the G.O.P. administration in returning "surpluses" to the residents of Madison Township.

Miller did not agree with the budget and urged that the budget be reduced. The Old Bridge resident questioned the increase in the police budget and demanded "What's the object of a raise for the police?" Harry Messenger answered that it was to compensate for the rise in the cost of living felt by every other working man. Messenger went on to explain that School Crossing Guards would also be given a pay raise. Miller stated, "I'm glad to see that the ones that

are doing the most work in the police department will receive a raise, but I object to a increase to the rest of the department."

Miller also took Township Tax Collector David Watson to task for increases in his department. Watson replied that "much of the increase would be used to purchase modern bookkeeping equipment and machines to be used in the Tax Collector's office. It was pretty close to ridiculous in this day and age that the tax collector's office did not purchase some equipment." The tax collector went on to add, "We process some 14,000 tax-bills and at the present time we are doing all the computing and work by hand. The purchase of such equipment has been needed for a long time."

Miller also questioned Harry Messenger on the new Town Hall and noted that money had been set aside in the budget for furniture and equipment. Miller wondered if this was duplicated by the increase in the Tax Collectors account. Messenger replied, "There is no duplication the money will be spent to purchase necessary equipment and furniture for the new townhall, we will also have to provide janitorial services at the new building."

Miller turned his attack to Frank Gominger, Township Auditor, in an attempt to have the auditor state that it was his budget. Miller praised Gominger as being a very clever man and that perhaps he should move into Madison Township and seek election to the Township Committee. Miller said Madison Township could sure use you. Gominger, stated that the budget was prepared by the Township Committee that he (Gominger) had merely placed the items in the right accounts as prescribed by law.

The budget was approved by all members present and it was ordered that the Budget be filed with the county and state as the adopted municipal budget for Madison Township.

Garden Club Meets

The monthly meeting of the Window Box Garden Club of Southwood was held recently in the home of Mrs. Gaines J. Laurence, 173 Southwood Drive, Old Bridge with Mrs. Edward Schilke serving as co-mistress.

Mrs. Alexander Ross was voted treasurer of the club for the 1960 year by a special election.

Several members attended the Flower Show at the Coliseum in New York City and after the business meeting was concluded these members held a panel discussion on flowers and exhibitions viewed. The informative panel consisted of Mrs. James Ruddick, Mrs. Gilbert Graydon, Mrs. Horace Anderson, Mrs. Harold Grims, Mrs. Gaines Laurence and Mrs. Edward Schilke.

Mrs. Charles Schumann and Mrs. Alan Rodgers were welcomed as new members to the club.

Club Cops Second Prize

The Woman's Club of Laurence Harbor, Inc., has been awarded second prize for its scrapbook in a contest sponsored by the 5th District of the Federation of Woman's Clubs.

Judging was at the American Home Exhibit in the club house of the Woman's Club of Asbury Park in Wanatnassa.

Attending the exhibition were

Field Day Planned By Brownie's

Mrs. Robert Rhodes Brownie Troop, consultant in the Old Bridge Neighborhood Girl Scout Assn., has announced that the first Brownie Scout Field Day will be held at Duhernal Lake on May 28.

Mrs. Rhodes is serving as general chairman of the Field Day and is assisted by Mrs. Perer Polotzak as co-chairman.

Other committee chairmen who were appointed at a meeting held at the home of Mrs. E. W. Lindemann, 22 Bershire Road, Southwood, Old Bridge, are Mrs. Peggy Anderson, prizes; Mrs. Edith Knoerer, games; Mrs. Ruth

To Seek Ordinance To Regulate Taxi Service

Harold Smith, Attorney for the Madison Township Committee recommended that the Township Committee create an ordinance governing and establishing license fees and regulations for the operation of taxi service in the limits of Madison Township.

Smith stated "the idea of the ordinance would be to protect the residents of our town through the regulation of rules concerning the operation of licenses. Many of our neighboring communities have tough ordinances regarding taxi service."

John Keating, Township Committeeman, serving as chairman in the absence of Mayor John Phillips, who was reported out sick, moved that the attorney draw up such an ordinance and present it for consideration at

the next meeting of the Township Committee.

Frederick Kurtz, acting in behalf of Township engineer Grant Lennox informed the township committee of the possibility a proposed experimental salt water conversion plant. Three other communities have already filed for the plant. Kurtz reported that the plant will be designed for converting salt water to fresh drinking water and that the plant could handle between 25,000 and 250,000 gallons of water per day. After the end of the seven year experimental federal use the plant would be made available to the highest bidder. On the recommendation of Kurtz the Township Committee voted to apply for the water conversion plant.

The attorney for the Township Committee was instructed to study an ordinance pertaining to the establishment of First Aid Squad Districts.

The committee also authorized the Planning Board to hire its own counsel at \$1,000 per year, and the Zoning Board of Adjustment to secure a lawyer at \$500 a year. The committee felt that this would avoid a conflict of interest, between the township and planning board. In other business to come before the Township Committee Dorothy Anslinger of Madison Park was appointed a school crossing guard.

The Township Committee adopted an ordinance expanding the Fire District #1 to include the Genoa section of Madison Township.

The committee moved in the recommendation of the Zoning Board of Adjustment on the application of Chester Bazkiewi to construct a gasoline station on Marlboro Road and new Route 18.

The committee also authorized a speed check in Central Park in an attempt to reduce fast driving in the development after complaints of several residents of the area.

The meeting was opened to the public for discussion.

Jerome Zuckerman of Sayre Woods South questioned Recreation Chairman Harry Messenger in regards to playground areas in the development, if any specific plots of land had been turned over to the township committee. Messenger replied "that the township committee at the present time is not aware of any specific boundaries or plots dedicated to the township. However, arrangements have been made with Cantor and Goldman to have the township engineer meet with them in an effort to obtain such land."

Thomas Miller of Old Bridge questioned the committee if they were going to do anything about raising the tavern license fees and closing them up on Sunday mornings. Keating replied that the situation has not been studied regarding the tavern licenses and their business hours. Miller tried to poll the committee as to how they felt about Sunday Closing For Taverns. Acting chairman Keating talked Miller down.

Leo M. Costine of Central Park commended to the committee an early start for the mosquito treatment for the swamp area behind Central Park. Keating replied that the state and county have appropriated more money this year as the result of the outbreak last year. Keating was sure that the county and state would get an early start on the problem this year.

Nominating Committee Named

Mrs. Milton Goldsmith was chosen chairman of the nominating committee at a recent meeting of the Voorhees PTA. Serving on the committee are Mrs. Harold Unglert, Mrs. Jules Maggani, Mrs. William Schall, Mrs. William Geraczynski, Mrs. Louis Heinsman and Mrs. C. Weber.

The committee will prepare a slate of officers for the 1960-61 PTA term, to be presented at the meeting April 25. Nomination from the floor will also be accepted at that time.

It was announced that the school library now has an additional supply of books available. Mrs. Arnold Von Der Porten, 71 Kensington Ave., who has been serving as chief librarian would appreciate hearing from several women who are interested in devoting three hours twice a month to work in the library during school hours.

Mrs. Philip Armour, hospitality chairman, announced the coupon collection is still underway.

Father Girard of St. Thomas Church, Old Bridge will speak at the April meeting on the campaign to abolish indecent literature from news stands and the malls.

POLITICS AT ITS WORST!!!

Middlesex County has only had three Assemblymen within the past 150 years. Since that time, the population has increased tremendously. On the basis of population, we should have four Assemblymen, and a bill has been introduced in Trenton for a reapportionment. The Republican legislators are blocking the bill and it will probably be pigeonholed and it won't have a chance to see light.

Madison Township is particularly interested in this bill because the Democrats were going to propose a candidate for the Assembly and we feel sure that he would be elected. Our Town should certainly have representation in Trenton because eventually we will be the largest town in the County. Our interests must be protected in the Legislature. We urge you to pressure Governor Meyner to get this bill through. Too often our citizens are too complacent and let the other fellow do it. Don't let this happen. YOU do it NOW.

LET'S SUPPORT OUR LIBRARIES!

Library Week has been proclaimed from April 3rd to April 10th, let's go one better in Madison Township, let's make every week Library Week in Our Town.

Books are the great teachers; books are the great masters. We can employ good teachers in our school systems, but books are the teachers of the teacher. They are the "Master-Teachers".

Many residents of Madison Township own books and a few maintain small libraries in their homes, where they can pour over the knowledge written by the literary greats.

Let us support our Libraries in Madison Township; let's give them the opportunity to present to all the residents of Madison Township the great, the humble learning of books. Let's contribute to our libraries.

The Madison Township Public Library of Old Bridge Inc., is presently seeking funds to erect a building on property donated by Segal Construction, some money is coming in, but at this rate, the library seems a long way off.

The goal of the organization is \$15,000 which may sound like a lot of money. Give to the library group so that the building will be completed for your children's sake, let them avail themselves of the wonderful opportunity presented by books.

Support the activities of the Library Group, help them to help you, this is Our Town, these are Our Children, the library will be Our Library. Please Give!

News

All proceeds from the Lions June Paper pick-up will be turned over to the two local Boy Scout organizations. All Scouts are asked to co-operate by accumulating paper and magazines. They should also contact their neighbors -- The members of the Laurence Harbor Lions Club would like to see the entire community co-operate on this Scout Paper Drive.

Spring is also here for the teenagers -- the Harbor Lions Club has made all arrangements for the spring Teenage Dance to be held at Burlews Restaurant on Thursday, April 21st . . . A good popular orchestra will be on hand to play and refreshments will be served.

The local Lions Club members are still seeking a used T.V. set for an elderly lady who is a shut-in. Please contact any member.

LETTERS TO THE EDITOR

Madison American
22 Princeton Road
Parlin, N.J.

Dear Sir:

At a recent meeting of the Central Park Home Owners Association, a motion was proposed to have the Association sponsor a movement in Madison Township to have all homes, wherein an Invalid, Infirm or Handicapped person resides labeled with a large Decal.

This label could be approximately 3 inches in diameter, printed with iridescent ink showing a Letter I in the center. It would be placed on the Front Door and/or Window of these homes.

A small 1 1/2 inch miniature of the decal would be placed on the window of the room where this person is confined.

In case of any emergency a Policeman, Fireman, Auxiliary Policeman, First Aid Squad, Civil Defense Worker, and even civilians would recognize this symbol and render assistance to the handicapped person.

Of course, this movement could not be accomplished without the cooperation of all Services in Madison Township and Newspapers serving this community.

On March 23, 1960 I forwarded a letter on this subject to Chief E. Adler of the Madison Township Police Department for his approval. He agreed this was a splendid idea and suggested that Sgt. Charles Boice, Liaison Officer of the Auxiliary Police and Civil Defense, arrange a meeting with our committee and all Services concerned to formulate a plan.

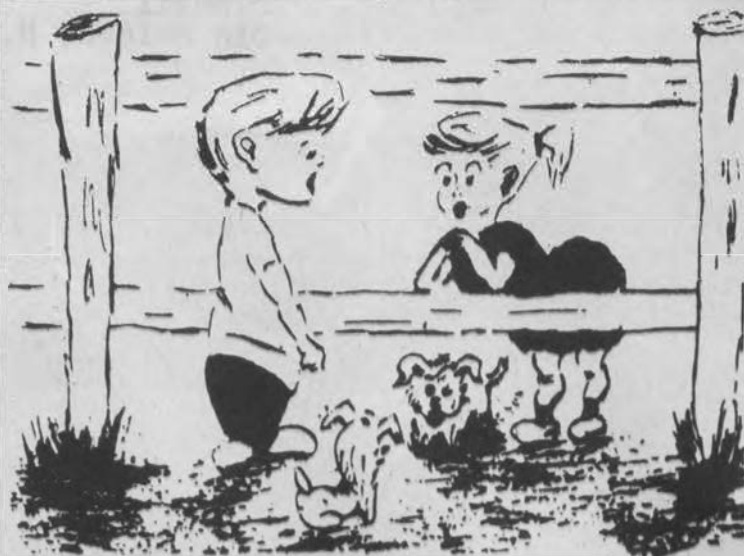

I was privileged to speak on this subject at the Cheesequake Fire Company's meeting March 31, 1960, and received many favorable comments which can be used by our joint committees.

Sergeant Hanson of Madison Township Police Department was instrumental in getting a very good price on these Decals.

The Press is vital to the success of this plan by bringing this idea before the public and asking for their cooperation. May we count on your support to further this movement? Comments and suggestions will be greatly appreciated.

Yours truly,
L. E. Costine,
14 Washington Ave.,
Central Park
South Amboy, N. J.

EDITORS NOTE: Your proposed movement to place labels on all homes where invalid or handicapped persons reside is a splendid one. Too often one will read where a handicapped or other disabled person has lost their life because they could not escape from a burning building or firemen or other emergency members did not know that the building was occupied at the time of the mishap. We certainly urge the Madison Township Committee to offer assistance in this program.

Under The Fence

P. O. BOX 14

PARLIN, NEW JERSEY

BOARD OF EDUCATION: Rumored around town that the Board of Education will soon fire another of the janitors. Board of Education seems to have quite a time keeping janitors. Wonder what's wrong? Could it be that the salary is pretty low? Too many bosses? Maybe they ought to pay a little better salary or perhaps hire a superintendent of janitors and make all janitorial personnel responsible to him? Building and Grounds Committee . . . Spring is in the air? How about planting some grass around some of the schools. If we aren't mistaken this is the ideal time of the year to plant grass? Better than July or August! How about some landscaping on some of the school grounds. The condition of some of them is horrible, looks more like a proving ground for the atom bomb than a school yard.

NO DICE: Tom Miller's present campaign to increase the Tavern License Fees in Madison Township by \$400 is out of line. We understand that no action will take place on the proposal. One big reason? We understand there is a law on the "books" that liquor license fees can only be raised by 10% and then it has to be done by ordinance. Miller is just "sounding off" on this one. His plan to close up taverns on Sunday morning falls in a different vein. Some tavern owners would be very willing to close up Sunday mornings provided that some provision be made to enable them to stay open an extra hour during the week.

NEW TOWN HALL: Township Officials will soon move into the new Town Hall. We understand that the building and plumbing will be inspected by the various inspectors and the engineer. We still feel that this was a waste of the taxpayers money. Mayor Chamberlain who recommended the purchase should have listened to the Citizens Committee for a New Town Hall. We wonder why he didn't listen to their recommendation. We believe that Mr. Gilbert Graydon was chairman of the committee and they recommended that the township build a new building. Wonder just what the total cost of the reconverted "gin-mill" was? There is still lots more money to be spent on the building and grounds. What's done is done? We hope they never "dood-it" again. We feel that the Town Hall was one of the many reasons for Mr. Chamberlain's defeat at the polls.

ROAD DEPARTMENT: Madison Township Road department workers patching holes here and there but just can't keep up with the "hole problem". Heavy trucks hauling dirt along Cheesequake Road in Madison Park will soon cause that road to break up. How about the County Road department having a look-see at Morristown Road, Cheesequake. Sections of that road are in sad shape. There's a hole in the road, where the pavement has broken up almost as wide as a car. Please, Mr. Road Foreman, let's take care of the road.

FULL TIME DOG CATCHER: We understand that several children were bitten by a dog on the school grounds at the Miller School. How about establishing a full time dog catcher for Madison Township with his salary to be paid for by fees and penalties. The present dog ordinance has been in operation for sometime, however, we can't remember if one person was ever fined since the adoption of the ordinance for allowing his dog to run loose. We think that it is about time that the Township Committee stop fooling around with the "dog problem". Let's pick up all the stray dogs and fine their owners stiffly. If the owners can't be found, destroy the dogs. When dogs start attacking children on a school play ground, then we feel that the situation is way out of hand and some drastic measures should be taken. How about a proclamation that every dog running wild on the streets of Madison Township will be shot on sight.

INDUSTRIAL COMMISSION: Well another month has past and the industrial commission has obtained a perfect average since they were organized. The score for industries brought into Madison Township by the commission still stands at ZERO. Even one industry would break the record. How about it, Mr. Tortorice. The Township Committee ought to ask for the resignation of the Chairman of the Commission. Wonder what the postage and cost of the pamphlets being sent out by the commission cost the taxpayers of Madison Township?

FEUDING AND FUSSING: Rift in the Republican Party really widening, many really "shook-up" about a recent letter published in this newspaper. Many G.O.P. leaders trying to pay no attention to all the rumors of a Republicans For Phillips Club. However, we understand that they are really concerned about the whole thing and are trying to stem the tide with "promises". Many feel that they did not keep their promises while they were in office, so what good are they now. Understand that a few more of the Top G.O.P. leaders will pledge allegiance to the Democrats before the November election.

POLICE DEPARTMENT: Understand that quite a few of the "boys" are pushing the Captain around. We don't understand it. How come the Captain who is second in command has to work shift work and some of the others have straight days? The Captain is the old timer on the police force and we can imagine that he knows quite a few tales, hm-m-m-m. Wonder when the Township Committee will start using two man patrols at night. The present set-up is dangerous and one of these days one of the cops is going to get hurt. Supposing one of them fell asleep and drove off the road while they were on patrol all by themselves. Might not be able to find the police car or the injured officer for sometime?

A Thrilling Moment For Sayre Woods South Youngsters

The first registration night for the newly incorporated Sayre Woods South Little League was an exciting moment for the boys of the new community in Madison Township, N. J. The youngsters, age 8 to 12 could not join unless accompanied by a parent or guardian. They were also required to produce a birth certificate or some other proof of age.

\$10,000 Fund Drive

Members of the Old Bridge First Aid and Rescue Squad will launch its annual fund raising drive, this week with a house-to-house canvass to raise \$10,000.

Herbert Bromley, president of the Squad, said that letters announcing the canvass have already been sent residents of the area.

He explained that the squad is dependent upon the generosity of the residents in order to continue in service.

Cost of operations, he pointed out have increased by 30 percent over the past few years, as a result of the growing population in the area.

The squad's two ambulances and 28 members now serve the residents of approximately 3,400

Cantor and Goldman, builders of Sayre Woods South, were the first to sponsor a team in the Little League. They had donated a check for \$275.00 to equip the team. The Little League has been granted permission to use as their playing field a part of the future recreation grounds, set aside by Cantor and Goldman for community purposes.

The registration night was held at P.S. 18. 120 boys were enrolled the first night. The league president, George Carr, was in charge. Captain Joseph E. Reichert, who is attached to the Second Army Corp, was in charge of the entertainment which included the showing of baseball movies.

This was a big night not only for the children, but for the fathers who volunteered to act as coaches, team managers, umpires, etc. Mike Santiago, Little League treasurer, and John Jaeger, player agent, conducted the information panel and discussion with parents. Joseph Noonan, alternate player agent, was responsible for the preparations, and Herb Gordon was in charge of fund raising.

homes on an around-the-clock basis.

Round-Up Time In Old Bridge

Kindergarten round-up for children living in the Old Bridge area of Madison Township, will be held at the South Old Bridge Firehouse on Wednesday, April 27, 1960 from 9:30 a.m. till 12 noon.

Registration forms may be picked up at any of the local schools. These must be filled out and presented at the time of registration, along with proof of birthdate, proof of vaccination, Diphtheria and Polio shots.

All children, to be registered, must be five years old, on or before the 20th day of September, 1960 and must have been vaccinated and had their Diphtheria and Polio shots.

Voorhees and Miller P.T.A. under the able direction of Mrs. J. Condren and Mrs. J. Stanko, respectively, will be in charge of registration, with Mr. Wright, Area Principal, checking credentials.

Band Parents Club Makes Final Plans

The Madison Township Band Parents Club met recently at the Madison Park School. The meeting was called to order by President, James E. Johnson, who introduced the other officers of the club as follows: Mrs. Owens, Vice President; Mrs. Richard Oasen, Secretary; Mrs. Kay Alspech, Treasurer; Mr. Joseph Kaschak, Band Instructor and Dr. Fred V. Hulsar, Elementary Supervisor represented the school administration.

The purpose of the meeting was to make final arrangements for the first Madison Township Schools Band Concert, to be held at Laurence Harbor Casino at 8:15 p.m. on Saturday, May 14th. Tickets are being distributed through the P.T.A.'s and the band members, and the donation is \$1.00. All proceeds will go towards a band fund which will be administered by the school authorities.

Committees appointed to serve on the night of the concert are as follows: Refreshments: Mr. and Mrs. Milton Goldsmith, Mrs. K. Smith, and Mrs. C. Palmisano; Decorating Committee: Mr. F. Cochran, Mr. Dubarry, and Mr. and Mrs. J. Johnson; Ticket Committee: Mrs. Hoffman, Mrs. Shaw, Mrs. Clebak and Mrs. Schofield.

Approximately 200 students will participate in the concert, including the Willis and Memorial School Glee Clubs, and the Madison Township Band. This is the first cultural activity presented by the Madison Township Schools.

SURROUNDED: George Carr, Little League President, at Sayre Woods South finds himself surrounded as he handles registration of Little League Players at the Sayre Woods South School. Scores of youngsters were registered for the Little League Play.

There Was A Sad Man In Old Bridge, That Night!

The Miller Plan to form a Borough of Old Bridge collapsed last week as only 17 persons turned out to hear plans of the "Old Bridge Secession" from Madison Township.

Prior to the meeting Thomas Miller was jubilant over his plans to form a Borough of Old Bridge. Miller charged that residents of the Old Bridge area were not getting a fair shake as far as representation on the Township Committee was concerned.

The Old Bridge resident who served as a former Township Committeeman for Madison Township and member of the Madison Township Board of Education earlier expressed hopes that the residents of the area including section of East Brunswick and Madison Township would turn out in a large group to secede from Madison Township. Miller claimed that this move would bring industry and lower taxes to Old Bridge.

The move to form a Borough of Old Bridge was not new with Miller, several years ago a similar plan was proposed by the Old Bridge resident. Much fanfare and publicity preceded the meeting which was held at the Old Bridge Ambulance and Rescue Squad Building on Englishtown Road. The meeting was called for at 8 p.m., only a handful of residents of the area showed up at the meeting.

Ground Breaking Set For Post Office

Ground-breaking ceremonies for the new Parlin Post Office will be held on Saturday, April 9th, 1960, at 11:00 a.m., on the site adjoining the present Post Office Building on Washington Road, Parlin, N.J.

Congressman James C. Auchincloss as well as other National, State and local dignitaries are expected to attend these ceremonies.

Penny Sale Set By Legion

The Ladies Auxiliary of American Legion Post Unit #332 Laurence Harbor will sponsor a Penny Sale to be held on April 9 at 8 p.m.

Residents of Madison Township are urged to attend donations for the Penny Sale are only \$1.00, refreshments will be served at the affair.

Faces Around Town

It isn't very often that Madison Township can sing the praises of the prowess of one of its young citizens in the field of athletics, but now is the time. Our Town can be proud, and very proud of sixteen-year old Joseph Deerin of Cliffwood Beach who is presently completing a stunning career as a Sayreville High School Athlete.

Joe, who for the past three years has been the apple of his coaches eye at Sayreville High, reached the apex of his basketball endeavors following three years of Varsity Play, by being picked for the First Middlesex County All-Star Basketball Team for the season just concluded.

Joe, who is the son of Mr. and Mrs. Joseph Deerin, Furman Blvd., Cliffwood Beach, has been a brilliant forward for Sayreville High's Basketball Squad, not only made the Middlesex County All-Star Team, but was also chosen for the first team selected by the Perth Amboy Evening News and the New Brunswick Home News Sports-writers, as the best forward in the county.

Further honors heaped upon this sharp shooting Cliffwood Beach "hooper" came from the Newark Evening News Sports-casters. The Newark News chose Deerin for the "Second All State

All Star Team". The Newark News is considered the leading authority in New Jersey Inter-scholastic High School Athletic circles.

Joe's play this past basketball season was studied with brilliance thruout the year. He and a team mate, Bill Mandy, made the opposition "look sick" in nearly every game.

Deerin's play making ability from the floor was outstanding. He is very fast afoot and is an expert shot, sinking baskets from all corners of the court.

Deerin's days as an athlete started when he was a little shaver, at Memorial School, Laurence Harbor. In his spare time he played on the Borst Dairy Team, sponsored by Donald Borst, former president of the Madison Township Board of Education who is a local milk dealer.

The team was made up of local elementary school players who participated in a basketball tournament sponsored by the local merchants and the Madison Township Committee, it was patterned after the Little League.

It is too bad that the opportunity to participate in a winter sport like basketball for the little fellows does not now present itself, as it did then, when young Joe Deerin prepared himself for his successful high school competition.

Possibly some of our public officials now in office, like Mayor John Phillips, Board of Education member, Richard Pine, or others could give every Township youngster the opportunity to participate, in Township-sponsored Tournaments in the future.

We mention Phillips and Pine because both these civil servants of Madison Township are sports-minded and have proved their points by volunteering their services and making a success of sporting events for our children both within and outside our township.

Our hat's off to young Joseph Deerin, we certainly hope you continue on what seems to be a very bright future. We certainly hope that in the very near future, Madison Township, will have a high school of its very own and various sporting teams, which we will all be certainly proud of.

LEGAL NOTICE

Notice is hereby given that sealed proposals are invited and will be received by the Township Committee of the Township of Madison, Middlesex County, New Jersey at a regular meeting to be held at the Cheesequake Fire House in the Township of Madison on April 18, 1960 at 8:00 Eastern Standard Time.

Specifications for the proposed work prepared by the Engineer have been filed in the office of the Township Clerk and may be inspected there during business hours.

Bids must be on the standard proposal form, copies of which may be obtained at the office of the Engineer at Broadway and John Street, South Amboy, New Jersey, and must be in sealed envelopes bearing the name and address of the bidder and addressed to the Township Committee of the Township of Madison, New Jersey and must be accompanied by a certified check for a sum not less than ten (10) per cent of the bid payable to William A. Towney, Township Treasurer.

The Township Committee reserves the right to reject any or all bids, if it be in the best interests of the Township to do so.

Bids will be accepted on any or all of the listed items. Bidders shall bid on all quantities under each listed item.

The Township Committee reserves the right to decide the broken stone award among two or more quarries, if said division is deemed to be in the best interest of the Township.

The Township Committee reserves the right to divide the gravel award among two or more pits or plants, if said division is deemed to be in the best interest of the Township.

All materials shall conform to current specifications of the New Jersey State Highway Department.

All quantities as listed are approximate and the Township Committee reserves the right to increase, decrease, or omit any item or items as may be deemed in the best interest of the Township.

Item A. The furnishing to Township trucks F.O.B. Quarry the following grades of broken stone:

1. 100 Tons 2-1/2" stone
2. 100 Tons 1-1/2" stone
3. 50 Tons 3/4" stone
4. 50 Tons 5/8" stone
5. 200 Tons 3/8" stone
6. 50 Tons Grade A Screenings
7. 100 Tons Quarry Waste
8. 100 Tons Road Stone

Item B. The furnishing at pit or plant to Township trucks the following:

1. 500 Tons Road Gravel, Grade B
2. 200 Tons 1-1/2" to 3" Plant Waste Gravel

Item C. The furnishing at plant to Township trucks the following:

1. 200 Tons Bituminous Concrete Patch Material

Item D. The furnishing and delivery, by approved distributor, to various locations in the Township the following Bituminous Materials:

1. 10,000 Gals. Asphalt Oil Grade MCO-1-2-3 (F.D.A.)
2. 10,000 Gals. Asphalt Oil Grade RCO-1-2-3 (F.D.A.)

SPECIFICATIONS

Road Materials:

All road materials consisting of various grades of broken stone, various grades of gravel and gravel products and Bituminous concrete patching material shall conform in every way with the 1941 New Jersey State Highway Standard Specifications and shall be approved by the Township Engineer.

Inspection:

The Township Engineer will take samples from time to time in order to check uniformity and compliance with the specifications. All materials not conforming shall be rejected.

By order of the Madison Township Committee.

DISTRICT TWO:

Beginning at the intersection of the centerlines of the Old Bridge-Englishtown Road, Marlboro Road, and New Jersey State Highway (Temporary)

Continued on Page 7

Board Of Education May Sponsor Adult Education

Some members of the Madison Township Board of Education are in favor of sponsoring Adult Education Classes open to the residents of Madison Township.

At a recent meeting of the board an informal discussion was held regarding the possibility of establishing such a program.

Dr. Clyde W. Weinhold, director of the Department of Adult Education of New Jersey spoke of the various aspects of the adult education program. He pointed out that about 130 school districts in New Jersey sponsor the programs for adults and urged the local board to consider starting a program in Madison Township. In 1959 over 90,000 residents of the state were enrolled in various Adult Education Programs.

Weinhold stressed the value of the program for persons who have not finished high school, and are afforded an opportunity to complete high school work, and for foreign born persons who cannot read and write.

He told the board that leadership should come from the board of education which should pick a director for the program. Adult education is self-sustaining, paid

for from fees charged the adults.

Weinhold stated that state aid funds are available for certain phases of the adult education program. He suggested that a survey be made in the township of the particular needs which would determine such a program.

Weinhold stated that with only elementary schools to work with at present the township could have only a limited program but that it would serve as a start and upon the completion of the high school the plan would already be in operation and the Board of Education would merely have to expand the program.

Movies for the Children every Saturday at the Madison Park Fire House on Cheesequake Road. Full length feature, cartoons, serial, . . . Donation only 30¢. Two complete shows on Saturday 12:30 p. m. and 3 p. m. . . . Special Sunday Showing at 2 p. m. only . . . Pictures are better than ever . . . but they are best at the Kiddie Show.

YIPES! 60 PERCENT OFF ON ELECTRICITY?

In this day and age, it seems almost impossible that anything could go steadily down in price. But the average price you pay for electricity has gone down approximately 60% in the past 25 years. And what's even more incredible, indications are that it may keep going down in the future. If your electric bill seems higher now, it's simply because you're using more electricity. Just count all the work-saving appliances you use now that didn't even exist not too long ago. Few people could afford them if the cost of electricity had gone up along with everything else.

ACTUALLY, THE AVERAGE PRICE PAID PER KILOWATT HOUR FOR ELECTRICITY BY OUR CUSTOMERS HAS GONE DOWN APPROXIMATELY 60% IN THE PAST 25 YEARS!
