LIGHTS ON! Township Committeeman Harry Messenger, Chairman of the Street Lighting Committee and James J. Mitchell, Commercial representative for J. C. P. & L., check over some of the recent light installations at Sayre Woods

South development. Installation of lights at the Sayre Woods Development is one of the largest single street lighting programs to be conducted in the Raritan Bay area in recent years.

## Managers And Coaches Urgently Needed

Think you got problems? How about Harold Hoerster, Chairman of the Baseball League for the Old Bridge Lions Club. Hoerster who has taken over the Senior League for the Lions has registered over 130 kids in the ages of 13-16 to play in the Boy's Senior League.

Thanks to the generosity of the Old Bridge Lions and the co-operation of the Madison Township Board of Education, the youths have plenty of equipment and a fine ball field. Hoerster's major problem is obtaining enough men to serve as coaches and managers for the various teams in the League.

As "Hal" puts it, "time is running short, the season is expected to get underway on May 29th with a double-header at the field at the Voorhees School. Lion members are already hard pressed in raising money, replacing bleachers and 100 and 1,

## "Buck Nite" Planned

At a recent meeting of the John Phillips Association it was announced that a "Buck Nite" will be held at the Byrnes Hall on Route 35. The date was set for May 14. Members and their friends are invited to attend.

The group also voted a donation to the Laurence Harbor Little League.

It was also announced that the group is sponsoring a Softball Team. Those wanting to play will show up for practice every Sunday at 2 p.m. Participation in the game is open to all males from the ages of 21-40.

Other Softball Clubs wishing to arrange games with the team are urged to contact Robert Redfield, Business Manager of the team, at LOwell 6-1308.

## Harbor Little League Opener May 1st

It was announced by officials of the Laurence Harbor Little League that all boys who have registered for participation in the coming season of the Laurence Harbor Little League will be notified by phone or letter of the team to which they have been assigned.

other necessary things to be done at the ball field. We need help!"

If you are interested in baseball, or have played baseball why not turn out and help the Senior League for boys from the ages of 13-16 by serving as a coach or manager for one of the teams?

Residents of Madison Township are urged to contact Harold Hoerster, at Cl 4-1435. You don't even have to be a resident of Madison Township. If you are interested in baseball and kids, please call.

## May 7th Set As Date For Library Dance

Mrs. Margaret Duncan, general chairman, for the Madison Township Public Library at Old Bridge announced today that final plans have been completed for the annual Spring Dance held by the group.

The date for the gala affair has been set for May 7th at the V.F.W. Hall on Bordentown Avenue, Old Bridge, admission is set at \$1.50 per person. The program gets underway at 8 p.m.

Music will be furnished by the popular orchestra of Bill Winn, well known in the area for his talented musical ability.

## Child Neglect Charged

Mrs. Marion Young of 19 Ledge Terrace, Sayre Woods South, a widow and mother of three children, all under 11 years of age, was arrested on a charge of neglecting her children.

The arrest was made by officials of the Probation Department in New Brunswick with the aid of local police.

Mrs. Youngs was taken to the Middlesex County Workhouse in lieu of \$2,500 bail and her three children were placed in the Middlesex County Juvenile Detention Home.

The opening of the season on May 1 will feature a double header bringing into action the four teams making up the major league.

Residents of the Laurence Harbor area are urged to turn out to "root" and "toot" for their favorite teams.

## Auction Planned By League Auxiliary

The Madison Park Little League Ladies Auxiliary will hold its second Annual Auction at the Madison Park Fire House on May 7th 1960, the affair gets underway at 1 p.m.

Anyone who has any unwanted articles which may be of use to someone else can help support the Little League by calling one of the members of the auction committee who will make arrangements to have the item picked up.

The committee members are Mrs. Ruth Dowd, PA 1-3780; Mrs. Peg Gordon, PA 1-4207 and Mrs. Phyllis Hathaway, PA 1-0237.

Refreshments will be furnished with the price of admission. Tickets for the affair may be obtained from any of the members or may be purchased at the door.

Various attractive door prizes will be awarded during the program.

The group hopes to realize enough money to aid in the purchase of their building. The total amount needed is \$15,000. The fund drive is still underway. Residents of Madison Township are urged to contribute to this cause.

## Staeger Heads Democrats Conover Named By G.O.P.

County Committeemen and County Committeewomen of both major political parties in Madison Township met this week to choose their respective municipal leaders for the 1960-61 year.

Named to head the Madison Township Democrats was Walter Staeger named for his fourth consecutive term. Staeger replaced former municipal Democratic Chairman Walter Vohdin Sr., who declined to seek re-nomination as Municipal Chairman. Vohdin was successful in wresting complete control from the long entrenched G.O.P. in Madison Township only to lose control in the Eisenhower landslide of 1956.

Staeger was named in 1957 and managed to get one Democrat, John Phillips elected. The following year under the leadership of Staeger the Democrats elected John Keating. The G.O.P. still retained control of Madison

Township under the leadership of G.O.P. municipal chairman Donald Borst.

Staeger's "big year" came in 1959 following a "split" in the Democratic Party, when opposition against Staeger sponsored candidates was met on all fronts by a "B" Line organization led by Henry Delbasco of Morristown Road, Cheesequake. The primary contest was bitterly contested by both groups who waged a strong and bitter campaign. The Staeger Forces won the hotly contested battle. Many felt that the "split" in the Democratic Party would continue into the November election. However the Democrats were able to mend fences and emerged victorious at the polls. The Democrats were successful in naming Harry Messenger, Victor O'Brien as Township committeemen and David Watson as Township Tax Collector. Defeating Thomas Tyrrell and John Chamberlain, G.O.P. candidates for Township Committee and Donald Borst, candidate for Tax Collector.

Borst who served as G.O.P. municipal chairman resigned when he became candidate for Tax Collector. The G.O.P. named Donald Macrae as municipal chairman.

Walter Staeger is a former Board of Education president and is employed as a Union Representative for the Bricklayers Local 27, Perth Amboy, N.J. Staeger has long been active in Democratic politics in Madison Township and has served as president and charter member of the Madison Township Democratic Club. Staeger has been a resident of the Cheesequake area for over 15 years. Staeger served as Civilian Defense Chairman for Madison Township and also served as an Assistant Building Inspector.

Named with Staeger were: Mrs. Julia Maschevich, municipal vice chairman; Mrs. Lucille Sheutz, secretary; and Irvin "Brownie" Colacci as treasurer.

Heading the G.O.P. in Madison Township is John Conover of Cliffwood Beach. Conover had been a long time resident of Laurence Harbor and recently moved to the Cliffwood Beach area.

Conover had served several years as Republican Committeeman in the Laurence Harbor area and was a G.O.P. "work horse" for many years.

WE DON'T THINK IT'S CRICKET!

Located on Highway 9 in the Borough of Sayreville, New Jersey, is a small but powerful sign. This sign has already accounted for perhaps a score of traffic tickets. There are many signs placed along state highways, and, of course, we must realize that the signs were put there for a reason.

Going north from the intersection of Route 9 and Ernston Road which is also the Sayreville-Madison Boundary line we read various signs placed along the road, some read "Speeders Lose Licenses" while others read "Do Not Litter, \$50 Fine".

The sign we are referring to is the little sign that reads "No Left Turn". This little "monster" is placed on the center island near the Sayreville Shopping Center.

We question the erection of the sign. If the island opening is so dangerous at this particular spot, why not close it up? Why is it not permitted to make a left turn from the Northbound lane, when you can make a left turn in the Southbound lane?

How come that this is the only center crossing in a nearly two mile stretch of road that has such a sign?

There is probably good reason for having the sign where it is, but we don't think that it is "cricket".

Miss Anne M. Geores

Miss Geores  
To Be Wed

Mr. and Mrs. Leonard Geores, 65 Woodland Avenue, Laurence Harbor have announced the engagement of their daughter Anne Marie, to Arthur Eugene Roenbeck, 422 1/2 Franklin Street, Elizabeth, son of the late Mr. and Mrs. Arthur Roenbeck.

The bride-elect was graduated from Sayreville High School and is employed in the office of the N. J. Bell Telephone Co., Elizabeth.

Her fiancé attended Elizabeth schools and is employed by the Singer Manufacturing Co., Elizabeth.

The couple plan a fall wedding.

Legion Plans 15th  
Anniversary Celebration

Everitt Hoffman and Mrs. John DiGiovanni, co-chairmen of the Legion Post and Auxiliary for the 15th Anniversary Program of Post 332, American Legion, Laurence Harbor, have announced further plans for the series of events which will mark the celebration this summer.

Nine prizes will be placed on display this week ranging from a modern refrigerator to an automatic toaster. The display will be placed in the window of the Hoffman Building, Route 35.

Co-chairmen for this project are Leonard Booth and Mrs. Marie Elwood.

Thomas Gnizdowski.

Waltz Contest Winners were 1st Prize Dorothy Palskiwicz and Tony Sollar; 2nd Prize Carol Keepach and William Coward.

Members of the Lions wish to thank all that contributed in making the Teen-age Dance a huge success. Due to the popularity of the contest another is being planned for the very near future.

Under The Fence

SMOKE GET'S IN YOUR EYES: Residents of Madison Township are in an uproar about "dust conditions" alleged to be coming from the Manzo Plant. We received several phone calls recently about huge billowy clouds of yellow dust or smoke? The yellow fumes or dust or smoke or what ever you want to call them are emitting from the plant. We believe that the plant was ordered by the former engineer to install "filters" last year? Wonder if they have been installed? We think the situation will be taken care of shortly because the dust was blowing into the newly opened Townhall on Route 9, covering everything with yellow dust. Housewives in the Madison Park area are really upset, some claim they can't hang out their wash, unless the wind is blowing in the opposite direction. Some claim you can get cancer from cigarette smoke? Wonder if you can get cancer from the yellow smoke?? We think that the township officials and the local board of health ought to look into this situation. It is very annoying and could be dangerous?

AROUND - THE - FENCE: Township Officials will soon start a campaign to remove some of the fences, trees, etc. that have been erected or planted in the various developments up to the curb line. Township ordinances call for various set backs on fences, trees and shrubbery. Actually the property is dedicated for sidewalks, however, these seem a long way off. Property owners still have to maintain the area, even though there are no sidewalks. Many children have to walk out in the street because trees, fences and shrubs block their path. Some walk in the middle of the street, because they don't know any better. Residents will be warned to remove them, if they are not removed, we understand that Township Workers will remove them and then bill the homeowner? Before erecting a fence it would be a good idea to obtain a copy of the building ordinance or zoning code covering the erection of fences, etc. Might save a lot of time and effort.

POLICE DEPARTMENT: Rumored around that several residents of Madison Township are checking into the ordinance covering the uniform of the local police department. Township cops are often referred to as the "outfit" with the bus drivers uniforms. For example recently a special police officer and a regular officer were on duty. The special officer had on a regulation police uniform with black tie. The regular with his "white" cap and stripes on sleeve and pants. The "little fry" questioned his mommy. "Mom, what are they?". Mother "They are police officers".

Registration of children from the Cheesequake and Central Park area who will reach the age of 5 by Sept. 20 will take place on Tuesday, May 3, 9 A.M. at the Whited - Brown School. Anyone wishing more information please get in touch with Mrs. W. Fritz PA 1-5161.

The next regular meeting of the Whited-Brown P.T.A. will be June 20.

"How come the one has a white cap?". "That's because he is a Civilian Defense cap, he's not really a cop!!"

NOISE AND MORE NOISE: We hear that several residents of SayreWoods South are upset about the race-track on Route 18. Township officials will be approached in the very near future to curtail the activities at the "race-track". We understand that several residents have a list of complaints about the track, these run all the way from noise to unsanitary toilet facilities at the track. We believe that the license to operate the track has already been issued. This could develop into a "hot battle" between "stock car racing fans" and those who want peace and quiet. There are two sides to every argument. Race Track was there first, but you have to admit a "stock car race" without noise isn't much of a race. We think it's the noise, the crashes and the squeal of brakes that attract "racing fans". This is country living?

RUMORED - AROUND - TOWN: Rumor bouncing around Town. That the Democrats have found an old ordinance dated back to 1873 establishing the sizes of building lots in the Browntown-Cheesequake area. The way we get the story is that officials are worried about the rapid growth of the center of the township and are looking for some way to "slow down mass development". After searching and searching we hear that they have come up with an old ordinance that was never repealed that dates way back to 1873 or around there. Officials of Madison will spring this on the developers and make test case of the old ordinance? We understand that there is something in the ordinance that prohibits building of houses on property newly acquired and that new property owners must wait three years before building. We'll see. It ought to be interesting if Township Officials can make an old ordinance stick. We guess that's why they appoint judges and juries.

ROAD DEPARTMENT: Congratulations are in order to the Middlesex County Road Department they are finally working on Morristown Road repairing the big hole. Madison Township Road department busily "oiling" some of the roads in the Township to prevent dust problems. Mr. Road Foreman did you see the work going on Dock Road in Cheesequake? The road was blocked off with road equipment by a developer? Wonder what would have happened if the woods or someones house had caught fire on the other end of the road? Wonder how long it would have taken the fire company to get to the fire, if at all? Residents of SayreWoods South really eating dust, we understand that the developer is working on several of the roads to take care of the dust situation and landscaping of the area has begun. When the roads are built and the grass grows then the dust problem will be stopped. Wonder if there is any way of oiling some of the roads or at last wetting them down to keep some of the dust from flying.

Parade Plans Complete For  
Loyalty Day In Harbor

Plans for the Loyalty Day Parade to be sponsored by the Hoffman-Prince #2672 V.F.W. Post have been completed according to Post Commander William J. Trinker. The parade will be held on May 1st in Laurence Harbor.

The parade will start at 1:00 p.m. at the ball field opposite the old police headquarters and then proceed across Route #35 up Laurence Parkway and Matawan Road to the Memorial School.

Following the parade the Laurence Harbor Little League will open it's little league season at the Little League Field at the rear of the Memorial School.

The parade is expected to be one of the largest in the area in quite a long time, with at least 35 units participating in the parade including V.F.W. members, American Legion and the Memorial School Band.

Residents along the route of march are urged to display the American Flag.

Little League Opener Set  
At Madison Park

Final arrangements for the opening of the Little League season were made at a meeting of Officers, Managers and Coaches, held in the Madison Park School last Wednesday evening.

Harry Wilson, President, announced that this years opening day coincides with the May Day ceremonies of the township, the Little League opening will be abbreviated. Our many distinguished guest have made previous commitments.

A double header is scheduled to begin at one thirty P.M. with the Dodgers, managed by Jerry Halzer, opposing the Hill Lanes Red Sox, under the direction of Eddie Lee, and the Food Fair Giants, managed by Frank Berna - meeting the Civic Association Yankees, who are managed by the capable Eddie O'Neil.

Four regular teams have been formed and four farm teams. Full uniforms will be issued to the major league, and tee shirts and caps to the farm team youngsters.

Harry Wilson, estimated that there will be approximately thirty-one boys who will be ineligible to participate in Little League activities, because of the lack of cooperation amongst the adult population in our development.

It is believed that if we can secure the services of several men for the coming season, we can, and will, outline a program for these youngsters not yet assigned to a team.

Grading and leveling of the playing field will take place every Saturday morning at ten A.M.

beginning this coming Saturday, April 30, 1960. All fathers of boys actively engaged in the Little League program will be contacted by a member of the grounds committee to donate one Saturday periodically to assist in this work.

Teen Age Dance  
Winners Named

Teen Age Dance held for the children of the Laurence Harbor-Cliffwood Beach area of Madison Township proved to be a great success with over 300 teen-agers from the area attending the affair which was held Thursday evening at Burlew's Restaurant on Route #35, Laurence Harbor.

The dance was sponsored as a community project by the Harbor Lions Club, with Lawrence Holden, serving as general chairman of the affair. Other members assisting on the committee were William L. Burlew, Sr., William Koch, Casmir Samolyk, Isadore Garber and James Armstrong.

Music was furnished by Roger Johnson and His Hub Cats through the cooperation of Musicians Local 373, Perth Amboy, N.J.

Judges for the contest were Mr. and Mrs. Joseph Corrigan and Mr. Kolsby who listed the winners as follows: -

STAEGER AND CONOVER

Continued

Conover served as Building Inspector under the Chamberlain administration.

Conover came under fire of Thomas Miller, former G.O.P. Township Committeeman, who charged that Conover was not inspecting the buildings properly. The building inspector and the Old Bridge resident clashed at many meetings of the Township Committee.

While Staeger's election was not opposed, Conover, met with a "split vote". Also seeking election as municipal chairman for the Republicans were Thomas Tyrrell and Gilbert Graydon. Conover gained the Municipal Chairman post on the second ballot by a few votes.

The 1960 presidential election is an important one for both parties. It the Democrats are successful in electing all local Democrats they will control Madison Township completely for only the second time in the long history of Madison Township.

Named to serve with Conover were: Mrs. Janet Condren, Vice-Chairman; Anna Marie Satewitz, Secretary; and Robert Hastings, Treasurer.

First Aid Members Sought

At a meeting of the Madison Park First Aid Squad, Capt. A. Auslinger reported on the squad activities. Noting that it was a busy period he reviewed some of the 26 calls that were answered which placed 433 additional miles on the ambulance. Continuing the breakdown it was noted that 94 hours were spent by the members in answering these calls.

Vince Brennen of the Membership Committee welcomed Rudy Moser of Princeton Road into the organization and stressed the need for additional members. He also urged all present members to be on the alert for anyone interested in joining the Squad.

President R. Watkins, expressing the appreciation of the entire squad, thanked Mr. Don Kramer of Rutgers Road for his donation of a second ambulance which was sorely needed for transportation cases.

Strawberry Festival And Card Party

At a recent meeting of the Old Bridge Lions Club Auxiliary it was voted by the membership to hold a combined strawberry festival and card party tentative date for the affair was set for June 3. Mrs. Lottie Schall was appointed to serve as chairman of the affair.

The women during the course of the meeting participated in a hat-making contest under the direction of Mrs. William Schall. Prizes for the decorated paper plate hats were presented to Mrs. Patricia Coffey, Mrs. Rose Healey and Mrs. Helen Adams.

The group voted a donation be given to the Old Bridge Neighborhood Assn. of Girl Scouts for the purchase of a flag. The pre-

"Not Getting A Fair Shake"

Members of the Madison Township planning board evidently feel that Madison Township is not getting proper consideration in the locating of new industries in the area.

Members of the local planning board place the blame at the foot of the Middlesex County Planning Board and Middlesex County Industrial Commission.

John Keating, Madison Township Committeeman and member of the Planning Board voiced "I don't think that we are getting a fair shake from the Middlesex County Planning Board or the Middlesex County Industrial

Mrs. Close Chairman For Fashion Show

Mrs. Allan B. Close, General Chairman of the Fashion Show and card party sponsored by the Altar and Rosary Society of St. Lawrence Room Catholic Church, Laurence Harbor, has announced her committee chairmen.

The party is scheduled for Thursday, May 12th, at 8 p.m., in the auditorium of the church. "Fashions Around The Clock" will be shown by The Syloette Shop of Sayre Woods.

Present Pin Awards

A meeting of the Mid-Madison Civic Association was held at Hill Lanes Community Hall, conducted by Joseph Soltis, chairman. Pin awards for general excellence will be presented by the association to a graduate of Willis School, Memorial School and Sayre Woods South School.

Plans for future activities will be discussed at the next meeting on May 5 at 8 p.m. Residents of Madison Township wishing to join the association are advised to contact Miss Elvira Castello, RD 1, Box 131, Matawan, N.J.

With the acquisition of a second vehicle the need for new members becomes more acute.

A new emergency alarm system engineered by Doug Preston was voted upon and approved. The installation of the alarm will provide the public with faster service on emergency calls and as soon as the two-way radio is installed in the ambulance modern and efficient dispatching will result.

In an effort to meet operating costs the Fund Raising Committee will place on sale at the Sayrewoods Shopping Center a useful and handsome wallet for both men and ladies and for the youngsters a colorful and distinctive "tee" shirt emblazoned with the title of Madison Park "Junior" First Aid Squad. It is hoped that the sale of these articles will help defray the expenses of the squad.

sentation will be made to Mrs. Andrew Sinansky, chairman of the association, and it will be left to her discretion to award the contribution to one of the deserving troops in the neighborhood. This will be an annual donation of the auxiliary.

The group also voted to make a donation of \$50 to the Lions Club toward the purchase of a hot water heater for the Lions Building on Madison Avenue.

Mrs. Rosalie Healey, Mrs. Bobbie Katz, Mrs. Saba Katz and Mrs. Dolores Hoerster were named co-hostesses for the next meeting which will be held on May 17 at which time Mrs. Joan Raffa will hold a demonstration party.

Commission. I propose we write to them and request a meeting with them. We have plenty of area available in Madison Township and abundance of water, we are close to railroad transportation and we have a fine network of state roads. They should be able to do something for us down there."

A letter of protest was sent to both bodies registering the protest.

Madison Township is sorely in need of industry, the last industrial plant to locate in Madison Township located here about five years ago.

All the following tract or parcel of land and premises hereinafter particularly described, situate, lying and being in the Township of East Brunswick, in the County of Middlesex and State of New Jersey, being also known and designated as Lot 13, Block 175-O, as shown on a certain map entitled "Map of Meadow View Estates, Section 1, situate in East Brunswick Township, Middlesex County, New Jersey," August 1951. M. H. Baker, C. E., New Brunswick, New Jersey, filed October 23rd, 1951, as File 894. No. 1712, and being more particularly described and bounded as follows:

BEGINNING at a point in the easterly line of Meadow Road distant therein measured in a northerly direction 139.53 feet from the point of curve in said line of Meadow Road where the same commences to curve into the Northerly line of Diamond Court; thence running (1) along said line of Meadow Road on a curve to the left with a radius of 525 feet an arc distance of 57.50 feet to a point; thence running (2) north 58 degrees 33 minutes 50 seconds east 159.55 feet to a point; thence running (3) south 18 degrees 47 minutes 30 seconds east 75.29 feet to a point; thence running (4) south 64 degrees 50 minutes 20 seconds west 147.10 feet to the point and place of BEGINNING.

Being the premises commonly known and designated as No. 11 Meadow Road, Old Bridge, N. J. The approximate amount of the judgment to be satisfied by said sale is the sum of Thirteen Thousand Three Hundred Sixty-Three Dollars (\$13,363.00) more or less together with the costs of this sale.

Together with all and singular the rights, privileges, hereditaments and appurtenances thereunto belonging or in anywise appertaining. The subscriber reserves the right to adjourn said sale from time to time subject only to such limitations or restrictions upon the exercise of such power as may be specially provided by law or rules of Court.
