## Plan Polio Clinics In County

Plans are being formulated by representatives of the Middlesex County Medical Society and the Middlesex County Chapter of the National Foundation to set up polio vaccine clinics at various locations in Middlesex County. Within the next week or two definite times and places will be announced.

## Squad Reports

Captain Phillip Paxton of the Laurence Harbor First Aid Squad announced that the squad had answered a total of 126 calls for the month of July, broken down as follows: - Emergency Transports, 47; Regular Transports, 29; Highway Accidents, 22; Public Buildings, 2; D.O.A., 2; Drowning, 1; Dog Bite, 3; Miscellaneous, 11 and Annual Drive 9.

Special elections were held. Elected to president was Frederick Schmidt; Vice-president, Phillip Paxton; Treasurer, John DiGiovanni; Sgt.-at-arms, Jack Szeles and trustee, George Perise.

Walter Vohdin Jr., was presented his Honorary Life Time Membership Card after 10 years service to the Harbor Squad. Vohdin was thanked for his work on behalf of the squad, in helping build the addition and various fund raising activities held by the squad.

It was announced that the Annual Bingo will be held on August 30th at St. Lawrence's Auditorium. Chairman for the affair is Jack Szeles.

Leroy Halbert of Paul's Beach was accepted as a probationary member. Edward Anderson of Laurence Harbor was accepted as a active member.

The group also planned to hold a Spaghetti Supper and the date is tentatively announced as October 1 at the First Aid Headquarters Building, chairman for the affair is "Buzz" Therein.

The Squad's Captain reported that the squad's vehicles had travelled 1,235 miles in the performance of their duty and 385 man hours were expended by the group.

Everyone who has not received polio vaccine inoculations is urged to be sure to obtain them at these clinics. The time of year when polio is most prevalent in this area is approaching, and it is a matter of grave concern to the medical profession and The National Foundation that many people have not yet been protected against the ravages of polio.

The Middlesex County Medical Society and the Middlesex County Chapter of The National Foundation urge every resident not already protected against polio to get their polio shots at one of the clinics which will be held within the next two or three weeks.

## Attend Reception Of Holy Habit On August 4TH.

The Reception to the Holy Habit was undertaken by Miss Sabina Volker of Laurence Harbor on Thursday August 4th. The reception was held following the holy sacrifice of the mass at the Convent Chapel of Our Lady of Prouille, Elkins Park, Pennsylvania at the Dominican Sisters of the Congregation of Saint Cath-

## Harbor Lions Champions

The Laurence Harbor Lions beat the Gerity and Garber team for the championship of the Laurence Harbor Little League by taking the final game of the series by a 4-0 score. John Cazzaza pitched for the winning team. Mike Shaw on the mound for the losers made a good showing but was unable to stem the tide of heavy hitting by the Lions Nine.

The Harbor Lions in winning the local Little League Championship will represent Laurence Harbor in the Township wide World Series Game.

Play-off dates for the World Series games will be announced at a later date.

## Plans Prepared For School Opening

Preparations for the opening of the new St. Thomas School have reached the final stages.

It was announced that the last letter notifying parents whether or not their children have been accepted are being mailed out. Those who have been accepted will also receive information regarding school uniforms.

Meetings have been set to establish whether or not the children have been enrolled in the right grades and to discuss lunches and transportation problems.

More than 1,000 applications have been received to attend the school which will hold only 800 pupils.

erine de'Ricci.

The most Rev. Joseph M. McShea, D.D. was celebrant of the mass.

Attending the mass and reception to the Holy Habit were Mr. and Mrs. Harry Volker and Family, Mr. and Mrs. George Gillard, Mr. and Mrs. William Zur, Mr. and Mrs. Walter Volker, Mrs. Lois Phillips, Mrs. Dorothy Gallagher, Mrs. Janet White, Mrs. Marion Weiss, Mrs. Ann Jennings, Mrs. Barbara Kinovin, Miss Dorothy Baronowski, Mr. William Volker, Mrs. Lorraine Doyle, Miss Margar Doyle and Miss Dorothy Walton all of Laurence Harbor.

Miss Sabina Volker daughter of Mr. and Mrs. Harry Volker received her holy habit and received the name of Sister Mary Giles.

## Auxiliary Police Membership Open

Persons residing in the Sayre Woods South area can obtain information and applications to join the Madison Township Auxiliary Police by contacting Robert W. Lupo, 29 Grace Drive, at PA 1-7351.

## Double Header At Townhall Meeting

### Swimming Pool Sunk

Madison Township Municipal Building saw an overflow of residents as many turned out to witness what was described by one "wit" as a gigantic double header. Meeting in the offices of the clerk and tax collector-assessment area the Madison Township Board of Adjustment met in a regular scheduled meeting to rule on several matters brought to its attention.

The proposed swim club for Sayre Woods South was sunk on a legal technicality when Arthur M. Trocoli of 31 Cindy Street, under oath, stated that he did not receive notification of the hearing 10 days prior to the meeting. John Reilly of 61 Cindy Street, also under oath testified that he had not received his until August 1st, when he returned from his vacation to find it in his mail box.

Amid cheers and applause from a score of residents the Zoning Board of Adjustment voted that the application for the swim club be denied because of improper notification.

The Swim Club proposal was presented by Art Tendler, president of the Green Dolphin Swim Club and L. J. Robinson. Robinson presented the swim club proposal to the Board of Adjustment in his plea for granting of the variance Robinson stated that "this is not something new. There have been dozens of swim clubs built and established in various towns and municipalities all over the State of New Jersey." He termed the swim club "as beneficial not only to the residents of Sayre Woods South who would benefit from the recreational activity and a health asset but that the residents of the township would benefit because it would be a tax rateable, even though it is a non-profit organization the Swim Club would still pay taxes to Madison Township."

Robinson continued "that the swim club would not lower property value in the area but would tend to increase the value. That the swim club would maintain strict control over parking facilities and require that all members and guests park in the designated parking area, so that there would be no off-street parking." The consultant pointed out that the swim club would be over 500 feet from the nearest home and that a buffer zone, which could never be removed, of 50 feet of trees would be provided to the nearest home.

The consultant stated that as far as noise was concerned there would be little "there would be no

## Kindergarten Registration Set

Summer kindergarten registration in the Old Bridge area will be held on August 17th at the Willis School from 9 a.m. until noon.

Proof of smallpox vaccination, diphtheria and Salk shots and the child's birth certificate must be presented at the time of registration. Children must be five years of age on or before September 20th to be admitted to kindergarten.

Madison Township Schools open on September 7th.

### Philips Unhappy About Electric City

The Madison Township Committee conducted its regular meeting in the local Municipal Building, Mayor Phillips presided at the meeting.

Scores of residents heard Township Committeeman John Keating request that the state highway department establish a maximum speed limit on Route 18 near the Willis School and install manually-controlled traffic signals near the school. Keating felt that it was up to the state to take care of this situation, he had previously recommended this some time ago.

Middlesex County Freeholders will receive another request on Keatings motion to look into several flooding conditions on Englishtown Road and Ernston Road. Keating also moved that the developers of Southwood and Ideal Homes be notified that if they do not start repairing several of the streets in the newer sections, then the Township Road Department would move in and repair the streets and bill the cost to the developer.

Harry Messenger, Chairman of the Street Lighting Department announced that steps are underway to conduct a survey in Madison Park in an effort to provide more lighting facilities for that development. Messenger who is also chairman of the recreation department announced that some of the playground equipment previously ordered by the committee had already been installed and hoped that the rest of the equipment would be installed this week.

David Watson, Township Tax Collector announced tax collections for the period from January 1, 1960 until June 30th were set at \$1,132,162.18.

Several letters regarding the much publicized "Electric City" were read off. General Electric said it "apologizes if we have caused any annoyance. We are merely the supplier. We had no intention of ignoring the Township Committee." Jersey Central Power and Light stated that the "public officials have a right to be annoyed. It didn't occur to us to notify officials. We are sure, Madison Township will be happy about Electric City."

The township committee also heard from W. J. Happel and Company "who termed it a pleasure to sit down and talk to officials of Madison Township when plans are completed."

Mayor John Phillips was not happy and didn't think it would be any pleasure. Phillips again stated his stand on Electric City, "When they get ready to talk, I will be very hard to find. I can't bring myself to meet with these people." Mayor Phillips was soundly applauded by the scores of people in attendance at the meeting.

In other business to come before the township committee Mrs. Leonard Booth of Madison Park suggested that a referendum be held to construct sidewalks in the development. Mayor Phillips stated that there would be no objections and explained that the first step in getting it put on a referendum would be to have 20 percent of the Madison Park population vote "yes" for the construction of sidewalks, then they would be installed and the cost assessed against the individual

### Maybe It Would Help!

This past week we have received scores of telephone calls in support of our editorial recommending sidewalks, enforcement of ordinances and street parking. We also received several phone calls from some people that felt that installation of sidewalks would be too costly. To these we would say that "Concrete is a lot cheaper than the loss of one life".

We understand that various residents of Madison Township are interested in side walk construction as a result of the tragic accident and the Madison American editorial. We certainly hope that they continue their drive for sidewalk construction, as we will continue to urge for sidewalks and other safety measures for the protection of the residents of Madison Township.

We suggest to the Madison Township Committee that a white cross or gravestone be erected at the site of each fatality in Madison Township or serious accident. That this cross or other markers bear the number of dead and the number of injured in the particular accident and the date. Let's start back ten years ago.

This would not be an expensive program but would be a grim reminder to the residents of Our Town, that on this spot a death or serious accident by auto took place.

Perhaps as the residents of Madison Township continued to see the white crosses or markers grow, perhaps, then they might realize that speeding is dangerous and that IT CAN HAPPEN TO YOU. Maybe this would help?

### Plenty Of Decent Kids Too!

Sometimes with all the newspaper, television and radio reports and stories of murders, rapes, muggings and other sordid crimes committed by teen-agers, many adults are all too quick to place all teen-agers in the same category. This is not so, there are plenty of decent kids too!

True many crimes are committed by teen-agers, and of course these get wide spread coverage, more so today than an adult, who commits the very same crime.

We feel that more newspaper space and radio and television time should be used to point out some of the things that are being done by the decent kids.

How about some praise for the Boy Scouts and Girl Scouts or the Harbor Cadet Corps, or children of the Madison Township Band Program? You will very seldom find any mention of any of the activities of these decent kids! Let one of them get caught doing something wrong, and overnight they are front page material.

Let an adult go out and have a few beers and have an accident and you might find the story buried in the rear of the newspaper with a headline that might read "DRUNK DRIVER ARRESTED". Let a teen-ager have an automobile accident and the headline on the front page will read "TEEN-AGER ARRESTED IN AUTO ACCIDENT" with banner headlines.

Why not treat the adult accident in the same manner, with the same size headline and put it on the front page to read "ADULT DRIVER ARRESTED IN AUTO ACCIDENT". You haven't seen it happen?

Let's get rid of this attitude that Teen-agers are nothing but a bunch of beatniks or freaks. There are many decent kids who work, study and have fun. Let's not put them in the same category with some teen-agers who manage to go astray.

If one adult male or female gets into trouble, all the adults aren't classified in the same category, so why is this done with the teenagers?

Many teen-agers in Madison Township are brought into an entirely new town, with entirely new surroundings, they attend new schools. These teen-agers are faced with many problems. They have to adjust themselves to the new neighborhood, the new schools, new teachers and they have to make new friends. This they do with greater ease than many of their adult parents.

Look around adults, examine their problems, help them and trust them for they are the future leaders of Madison Township and our nation.

### SWIMMING POOL Cont'd

more than 650 people in the swimming area at any given time, 1/3 would be pursuing sun bathing near the pool, 1/3 would be near the pool playing cards or other social games and 1/3 would be in the water." Robinson continued "that strict rules and regulations would permit the Board of Directors to enforce all rules and regulations to the letter of the law and if a member was too loud they would be able to refund him his money at any time."

Robinson described the pool in every detail and explained "that in most cases it exceeds the limit as established by the State Code for Swimming Pools. The water would be filtered every six hours and continuously chlorinated and treated and buffered to make it purer than drinking water. This is no "Coney Island" facility and there will be no illuminated signs or public address systems, the pool will be equipped with complete bath and sanitary facilities."

The zoning Board of Adjustment denied the variance on the grounds that proper notification was not given. Before the vote for the denial of the variance Leon Arrowsmith was asked "Mr. Trocoli claims he did not get the notice in time, what if we produce a witness that would swear under oath that he (Trocoli) did get the notice on time, what would that prove?" Arrowsmith replied with a chuckle, "That one of them is lying." Following the hearing it was announced by Art Tendler that Mr. Trocoli after arriving home remembered that he had received his notice on July 29th and not the 30th of July as he had testified. A special meeting to reconsider the swim club was then set by the Zoning Board of Adjustment for August 22.

In other business to come before the Board, a variance was granted to Mr. and Mrs. Edward Brown of Barclay St., Old Bridge to build a garage.

A variance for Emil Hoffman was denied on the grounds that improper notification was given, the variance asked for installation of a 12,000 gallon capacity tank for gas storage, while the notification on one of the notices called for only a 2,000 gallon installation.

### Circus Coming To Madison

The Madison Park Volunteer Fire Company is sponsoring the all new, and bigger, Hunt Brothers "3" Ring Circus.

Beginning August 10, 1960 and continuing until August 24th, uniformed Firemen of the Madison Park Fire Company will visit the various homes in Madison Park with tickets for the big show.

Tickets for the Hunt Brothers Circus may be obtained at the Fire House on Cheesequake Road in Madison Park on Friday from 7:30 p.m. until 9:00 p.m. and Saturday from 10:00 a.m. until 4:00 p.m.

The members of the fire company urge the residents of Madison Township to please obtain your tickets in advance. The circus is a fund-raising activity of the fire company and the only profit is made on advance ticket sales. Buying your tickets at the door will not benefit the Fire Company, residents are urged to purchase their tickets in advance.

Tickets may be obtained by calling George Bean, at PA 1-4561; Edward Gallery at PA 1-0026; Raymond Heuer at PA 1-4605 or from Robert Ogg at PA 1-3962.

The Madison Park Fire Company exists solely by contributions and funds derived by activities such as this circus. The members of the Fire Company work hard and long without pay to provide the best fire protection possible to the residents of Madison Park.

You can help to make this protection better by supporting this and other fund raising activities of the fire company. Residents are urged to purchase tickets

## Under The Fence

**WORD OF WARNING:** - Rumor has it that the Madison Township Police Department with co-operation of the State Motor Vehicle Department will begin a crack-down on go-kart riders. Several children have been observed operating these vehicles on the streets of various developments and also on school board property. Neither place is safe to ride these vehicles and several bad accidents have occurred in other municipalities because of these little "go-karts" some of them really go. They probably can hit speeds up to forty miles an hour, this can prove to be as dangerous as a full size car doing sixty.

**BOARD OF EDUCATION:** Heard around town that many residents of the Old Bridge area are disturbed about plans for their children and many of them will attend the Board of Education meeting. We also hear that several of the residents of Old Bridge will petition the local Board of Education to build or add on to the school in the Old Bridge area. Dr. William Sample in a report to the Board pointed out that a 14 room school is needed in the area. Why waste time let's get hopping on some school construction? While school construction is under discussion how about a school in the Central Park area. There is quite a bit of vacant land available in the rear of the local municipal building, which should be suitable for school purposes. How about it??

**SMELLS IN THE NIGHT:** John Conover, G.O.P. Municipal Chairman is now objecting to smells which he claims are emitting from a garbage dump on Route 35. Funny thing we didn't hear John protest at any of the meetings when the garbage dump was established. He was the building inspector at the time. Gee! that's right he wasn't living in the Cliffwood Beach section at the time, he was living over in Laurence Harbor. Could it be that the wind shifted or could this just be an election year. Funny how some people can turn a sniffer on or off.

**CONGRATULATIONS:** Are certainly in order to Stanley Kordzinski, Mr. Kordzinski was appointed to the Civilian Defense Council of Madison Township.

Kordzinski is also a member of the Madison Township Board of Education and heads the Civilian Defense Committee for the Board. He also serves as Chairman of the Madison Township Planning Board. "Stan" will be quite a busy man with all those jobs, but we feel that he can do it. His appointment to the Civilian Defense Council was recommended by the Madison Township Board of Education. Mr. Kordzinski is employed as a chief chemist.

**POLICE DEPARTMENT:** We still feel that more police should be named for the Madison Township police department, we would like to see regular officers man the desk at police headquarters. We would also like to see different arrangements for the cell in police headquarters. The "jail" is in the basement of the police station and the desk man is stationed upstairs, one of these days, you're liable to have a suicide on your hands? Many Madison Township Police would like to see a teen-age ordinance introduced, they feel that this would cut down on some of the vandalism going on in the township. Some police officers are just waiting until several of the "wise guys" grow up a little, if they don't straighten out by the time they are 18 some of the police will just welcome the opportunity to help. A young fellow who poses as a 15 year old youth is actually 22 and was dishonorably discharged from the U. S. Navy.

**ROAD DEPARTMENT:** We'd like to see the State Highway Department install another jug handle crossing at least half way between Ernston Road and the Route 34 Intersection. We thought that the idea behind the whole thing was to promote safety, wait till someone gets smacked trying to get into the Municipal Building from Route 9 north. You have to cross to the right and traffic comes flying down from the ramp on Route 34. Well the mess on Ernston Road is just about cleaned up and it will probably storm in the next couple of days and then the County Road Department will busy themselves with another clean-up project. We would still like to see them change the name of Ernston Road, to River Road.

AN ORDINANCE CREATING AND ESTABLISHING THE MADISON TOWNSHIP MUNICIPAL UTILITIES AUTHORITY.

WHEREAS, it is in the public interest and the policy of the State of New Jersey to foster and promote by all reasonable means the provision and distribution of an adequate supply of water for the public and private uses of counties and municipalities and their inhabitants; and

WHEREAS, the legislature has enacted into law the Municipal Utilities Authorities Law, constituting Chapter 183 of the Laws of New Jersey of 1957. (Chapter 14B of Title 40 of the Revised Statutes of New Jersey) to further and implement the policy above stated, among others; and

WHEREAS, the Municipal Utilities Authorities Law, authorizes the governing body of a municipality, by ordinance duly enacted, to create a public body corporate and politic, as an agency and instrumentality of the municipality, in order to effectuate the purposes of the Municipal Utilities Authorities Law, now, therefore,

BE IT ORDAINED BY THE TOWNSHIP COMMITTEE OF THE TOWNSHIP OF MADISON, IN THE COUNTY OF MIDDLESEX, NEW JERSEY:

Section 1. That pursuant to the Municipal Utilities Authorities Law, constituting Chapter 183 of the Laws of New Jersey of 1957 (Chapter 14B of Title 40 of the Revised Statutes of New Jersey) there is hereby created and established a public body corporate and politic, as an agency and instrumentality of the Township of Madison, under the corporate name and title of "The Madison Township Municipal Utilities Authority". The Madison Township Municipal Utilities Authority shall, within the territorial boundaries of the Township of Madison, in the County of Middlesex, have and may exercise all or any of the powers provided for in the Municipal Utilities Authorities Law relating to the construction, acquisition, operation, maintenance and financing of a Water System of Water Systems, together with any other powers relating to the construction, acquisition, operation, maintenance and financing of a Water System or Water Systems, which may hereafter be conferred upon Municipal Utilities Authorities by law. The Madison Township Municipal Utilities Authority shall not have and shall not exercise any of the powers provided for in the Municipal Utilities Authorities Law relating to the construction, acquisition, operation, maintenance or financing of a Sewer System or Sewer Systems, within the territorial boundaries of the Township of Madison, in the County of Middlesex, nor any other powers relating to the construction, acquisition, operation, maintenance or financing of a Sewer System or Sewer Systems which may hereafter be conferred upon Municipal Utilities Authorities by law.

Section 2. That the members of The Madison Township Municipal Utilities Authority shall be hereafter appointed by resolution of this Township Committee in the manner provided in the Municipal Utilities Authorities Law and each such member shall receive such compensation for his services as such compensation in excess of \$ in any one year, as shall hereafter be determined by resolution of The Madison Township Municipal Utilities Authority; provided, however, that in the event that any member of said Authority shall also be appointed as an officer, agent or employee of said Authority, then such member shall also receive such additional compensation for his services as such officer, agent or employee as shall be hereafter determined by resolution of said Authority.

Section 3. That after enactment of this Ordinance in the manner provided by law, a certified copy thereof shall be filed in the office of the Secretary of State of the State of New Jersey.

Section 4. That this Ordinance shall

take effect after its enactment and publication in the manner provided by law.

**PUBLIC NOTICE IS HEREBY GIVEN,** that the above ordinance was duly passed on first reading by the Township Committee of the Township of Madison, County of Middlesex, N. J., on the 8th day of August, 1960, and that said ordinance will be considered for final adoption at a meeting of the said Township Committee, to be held in the Municipal Building, Route 9, on the 22nd day of August, 1960 at 8 P.M. at which time and place a public hearing will be held prior to final passage of said ordinance and all interested persons will be given an opportunity to be heard concerning the same.

### PHILLIPS UNHAPPY Cont'd

property owner. Phillips estimated that the costs for sidewalks in Madison Park would be approximately \$130.

Magistrate Samuel Sladkus who was present at the meeting expressed doubt as to whether sidewalks was the complete answer. He expressed the opinion that the problem of safety for child bicyclists is also a problem for communities that already have sidewalks and yet the death problem remains.

Committeeman Harry Messenger, a resident of Madison Park for almost five years urged that parking be restricted on the main streets of Madison Park to be permitted only on one side. Messenger cited Princeton Road and Harvard Road as heavily traveled roads.

The problem of sidewalks and parking was held over for further discussion and study.

### Minor League Game Proves A Thriller

It was baseball all the way when the B.O.P. 20 year Club Team topped the Laurence Harbor Fire Company Team in the first game of the Laurence Harbor Minor League playoffs.

Dennis Besecker was on the mound for the winning team with Joe Holup behind the plate. Pitching for the losers was Bernie Myrke with Bruce Lewis at the catcher's position.

Hitting stars for the B.O.P. team were Wayne Ingstrup with two singles and two runs batted in and Mike Corbett with two doubles that drove in two runs.
