

MADISON AMERICAN

Vol. 25, No. 18

THURSDAY, AUGUST 18, 1960 LAURENCE HARBOR, N.J.

PRICE FIVE CENTS

NEW TRUCK: - Charles Trautwein (left) presents keys to new firetruck to Walter Jurman (right) President of the Board of Fire Commissioners - Fire District #2, Madison Township. Truck is a 1960 Ford 200 gal pumper and will carry 350 gallons of water. The new truck will replace the old

1932 fire engine now being used for brush fires. The new truck joins two other fire trucks, 2-1000 tanker pumpers now stationed at the Cheesequake Fire House. The truck was purchased as part of the modernization program undertaken by the Fire Company some years ago.

Pine Heads New School Committee

Richard Pine former president of the Madison Township Board of Education was named by Board of Education, president Joseph Hoff to head a committee designed to look into the possible building of new schools and new sites for the Madison Township Board of Education.

Also named with Pine were

John Partridge, Jr. Charles Aumickand, Stanley Kordzinski. The committee was directed by the board president to study the needs of an ever increasing school population and submit recommendations.

In connection with the new committee the Board of Education requested that the Planning

Board consultant Community Planning Association to furnish the school board with information and recommendations for future school sites.

Kordzinski, a member of the Board of Education also heads the local planning board.

Hardest hit for lack of school rooms are the pupils in the Old Bridge area where approximately 370 pupils will have to be transported to schools out of the Old Bridge area. A recent report by the superintendent of schools Dr. William Sample, pointed out to the members of the Board of Education that a 14 room school could be used in the Old Bridge area. The transportation is necessary to keep the children off double sessions and possibly triple sessions.

Dr. Sample pointed out that the shortages of classrooms exist now without taking in consideration any further increase in population before September.

Eight more additional rooms are needed in the Laurence Harbor area at the present time.

Also under possible consideration will be a school for the Central Park area which is presently being served by the Whited-Brown School and Rehlfus School both these schools are two room buildings. The Board of Education also rents school room space from the Cheesequake Fire Company.

The entire school room problem in Madison Township has been one of constant effort to the Madison Township Board of Education, which due to the increased population has never

Registrar Named

John Sodivieri of 39 Piersoll Road, Old Bridge was named as a registrar. The Old Bridge resident will be taking registrations in District 6 in his home. If you live in the area and have not yet registered to vote you may register at his home or at the Municipal Building on Route 9, Cheesequake during regular office hours. Residents of Middlesex County may also register at the Middlesex County Board of Elections, 313 State Street, Perth Amboy, N. J.

Residents Expected To Oppose Swim Club Plan

The Madison Township Zoning Board of Adjustment will hold a special hearing on August 23, Tuesday evening at the Madison Township Municipal Building on Route 9, Old Bridge for the purpose of hearing an appeal for the Green Dolphin Swim Club.

The proposed swim club plan was recently sunk on a legal technicality when Arthur M. Trocoli of 31 Cindy Street, Sayre Woods South testified under oath that he did not receive notification 10 days prior to the meeting date.

Savings & Loan For Township

The Family Savings and Loan Assn. of 55 Byard Street, New Brunswick announced plans to open its first branch office to be located in Madison Township.

An application has been filed with the State Commissioner of Banking and Insurance in Trenton for a branch at the intersection of Route 9 and Route 516.

The principal office of the Family Savings and Loan Association is in New Brunswick, assets for the firm as of June 30, 1960 were listed at \$4 million.

All associations within five miles of the proposed location are being notified as required by law and a decision from the State Commission on Banking and Insurance is expected within two months.

Chairman Leon Arrowsmith entertained a motion that the variance for the swim club be denied on the grounds that improper notification was given. Amid applause from spectators who jammed in the warm, hot, muggy room the application was denied. Representatives of the swim club argued that proper notification of the hearing had been given.

Later in the evening Trocoli rescinded his previous statement and stated that he did not remember the proper date in a telephone call to Art Tendler, who heads the Swimming Club. The Zoning Board of Adjustment set August 23rd for the meeting usually the meetings are held on a Monday night, however, Leon Arrowsmith, chairman of the Zoning Board of Adjustment announced that because there would be a meeting of the Township Committee on Monday, the proposed special meeting would be held on Tuesday, August 23rd to avoid overcrowding.

It is expected that opposition would develop against the proposed swim club, previously residents of the Cindy Street area, near the site of the proposed swim club had presented a petition signed by residents of the area against the swim club to the Township Committee.

It was announced at the previous hearing that an access

Continued on Page 7

Smith Gains in Assembly Bid

Township Attorney Harold Smith of 16 Princeton Road, picked up more support for his bid for the state assembly seat vacated by William Kurtz of South Amboy.

At a meeting of the Madison Park Democratic Club, one of the leading forces in Madison Township, the young attorney was endorsed by the members of the club.

Frank DeMatto of Princeton Road, Madison Park moved that the Madison Park Democratic Club endorse the Madison Park resident, the motion was seconded by Irving Collaci, former vice-chairman of the Madison Township County Com-

mittee and presently serving as Madison Township Democratic County Committee Chairman there was no opposition to the motion. Smith is a member of the Democratic Club in Madison Park, he was not present at the meeting.

In another motion which was also passed by the Madison Park Democrats, it was moved that a letter be sent to the Madison Township Democratic Municipal Chairman, Walter Staeger informing him of the local Democratic Club's pleasure.

Smith had already received the endorsement of the Young Democrats of Madison Township and the Sayre Woods South Democratic Club. The Madison Park Democratic Club also favored that letters be sent to the Laurence Harbor Democratic Club, The District One Democratic Club, the 2-6-8 Democratic Club, Madison Park Woman's Democratic Club and the Madison Township Democratic club urging that these to endorse Smith for the good and welfare of the Democratic Party in Madison Township.

Frank DeMatto, former president of the Madison Park Democratic Club stated "that if Madison Township Democratic Clubs would all get behind Harold Smith in his bid for the assembly seat, it would lead the way to recognition from the Middlesex County Democratic Committee and be proof that Madison Township is heading in the right direction.

At the present time there are no other endorsements for the assembly seat in Madison Township, unconfirmed rumors have it that Township Committeeman John Keating of Old Bridge would like to make a bid for the vacant seat.

Driver Cleared In Auto Deaths

Harry Bowler Jr. of 8 Pine Tree Drive, Parlin was cleared in the accidental death of two boys in Madison Park. Bowler was driver of the auto which struck Edward O'Brien of 4 Princeton Road, Madison Park 8 years old and Michael Headland of Piscataway Township.

The tragic accident occurred on Princeton Road near the O'Brien home when both youths were riding bicycles on July 31. Both youths died of injuries received in the accident.

Police Magistrate Samuel Sladkus said there "was no evidence of willful, needless, wanton or reckless disregard of the rights of others.

The Madison Township magistrate noted that there were no witnesses to the accident.

The O'Brien and Headland youths were the third and fourth automobile fatalities in Madison Park in the past five years.

Let's Not Be Frightened of Threats

From Sayre Woods South quarters of Our Town we now hear a lot of talk of secession!

Let's hope it is just talk.

Delegations, committees and groups coming before the various township governing bodies with complaints, demands, petitions, protests or requests is one thing. Coming to the residents of Our Town with insane threats is another.

Fortunately most of this has been talk and we're sure the talk of just a few noisy people. But let's not be frightened. The township is a unit of government in which all people are represented. They have the opportunity to be heard and in no case do we know of the committee or the board of education refusing to listen to any group or any person. But to come forward with threats of secession is almost childishness in the extreme.

The people of Sayre Woods South, of Old Bridge or Madison Park or any other section of our town have the power to change the committee if they don't like what it is doing. That is their control over their governing bodies--the ballot. Not "sabre rattling" on a local basis.

We hope that the people of Madison Township will not be frightened by these threats. In secession as in any alley fight--talk is cheap. If we have problems let's discuss them as intelligent and responsible citizens of Madison Township. If we don't like what our elected representatives are doing let's change them. But let's not tear down the house to get rid of the boarders.

Find out what is behind this movement to secede from Madison Township? Find out why just a few are pushing this thing? Find out if they want to be the new born "leaders"? Find out if a political group is behind the scheme or perhaps a developer? Above all find out just what the cost will be in tax dollars to operate a newly formed town? Remember you have to provide schools, police protection, sanitary services, sewerage disposal, look into the situation don't be misled by "insane figures" picked out of the "wild blue yonder" at random. Look into all these things and remember that you must continue to pay for your share of debts incurred by Madison Township up until your secession.

Shopping Centers More Than Stores

Many male residents of Madison Township are opposed to any plans to construct gigantic shopping centers along the highways of Madison Township. Many of these males feel that they have purchased their homes in a community to escape the din of city traffic. Some are opposing the shopping centers just to be different and we are afraid that some are just being selfish.

In a community such as Madison Township, shopping centers, are more than just a group of stores where you can spend your money to purchase the essentials for daily living. Shopping Centers become a part of the general welfare of the community and serve to act as recreation for many of the mothers and youths of Our Town.

The Shopping Center with its modern snack bars and beauty parlors become a mecca and meeting place for hundreds of housewives and teen-agers who otherwise would find recreational facilities in Madison Township pretty boring. Many of these women welcome the opportunity to "escape" to the shopping center to get away from the quiet of their home.

Remember that most of the residents of the newer communities in Madison Township are "city bred" and are not used to being isolated out in the woods.

The breadwinner in the family as in most families in Madison Township doesn't work in Our Town, but travels daily to work in New York City or some other metropolitan center. He can pick up a daily paper, have his shoes shined, his hair cut, enjoy a few drinks. How about his wife who is stuck out in the middle of nowhere with no car and no place to go? All she has is the serene peace and quiet of her community day in and day out, with no paper, no cigarettes, nothing but the birds. Let's face it! After a few months of this and it's all for the birds!

Husband comes home from the city where he has been able to see people, see what's going on with all modern conveniences available to him, and retires to the peace and quiet of country living. Then for a night out will attend a Township Committee meeting to object to the building of a shopping center because he feels that it will not be peaceful and quiet anymore and that's what he is looking for peace and quiet. How about the wife?

The builders and developers of shopping centers have been quite generous with their facilities at the shopping centers. They have permitted meetings, carnivals and a host of other events to take place on their premises. We haven't seen a first aid squad or a little league team that didn't seek permission to solicit funds at a Shopping Center.

Merchants from the various stores in the Shopping Centers take active part in the various service clubs in Madison Township such as Rotary Clubs, Lions Clubs, etc.. The clubs in turn seek ways to improve health, social and recreational activities in Madison Township.

Various merchants sponsor Little League Baseball teams, bowling teams and are often called upon to donate merchandise for various clubs and organizations.

Most important to all of us as taxpayers is the fact that shopping centers become one of the larger tax payers in Madison Township and a continued source of revenue to Our Town for years to come.

Rather than oppose the shopping centers we should welcome them with open arms, we would rather see a hundred shopping centers than 1,000 homes!

Business Not As Usual

In an election year, lots of hot air, nonsense and jibber jabber fill the O zone. Lots of things are said and lots of valuable time is wasted in making speeches; not from the heart but from political motivation. Some people just love to have themselves in print and want to make the front pages. Electric City, U.S.A. is a dead issue in Madison Township today and was from the first day it was inaugurated. It blew its fuse. The former Republican Mayor of Madison Township is asking for an investigation of Commissioner Bontempo's actions in giving his opinion as to the value it would have. What this is going to prove, I don't know. Electric City is dead. Let sleeping dogs lie. Valuable hours are spent at township meetings debating whether or not an investigation should be held. Commissioner Bontempo doesn't run our town. He's got nothing to do with us. Let him yelp all he wants to, as long as our township committee does what the people of our town want.

Harbor

News

During the regular monthly meeting of the Laurence Harbor Lions Club, held recently at the home of Lion I. Garber, on Rt. 35, Lion President Casimer Samolyk appointed the following committee chairmen to serve this year: Administrative Committees: Attendance, James Coogan; Constitution & By-Laws, Larry Holden; Convention, William Koch; Finance, Holden; Lions Information, Coogan, Membership, Coogan; Program and Entertainment, Koch; Publicity & Bulletin, William F. Ohnsman. Activities Committees: Agriculture, John Overly; Boys & Girls, Ohnsman; Citizenship & Patriotism, Alfred Souza; Civic Improvement, Arnold Lauer; Education, Joseph Hoff; Health & Welfare, Lauer; Safety, Koch; Sight Conservation & Blind, Ohnsman; United Nations, Isadore Garber; Greeter, Coogan; Camp Cowaw, Ohnsman; Scrap Drive, Adam Domalewski; Building Committee, Lauer; Fund Raising, James Armstrong.

Chairman William F. Ohnsman of the Sight Conservation & Blind Committee, along with several other members plan to attend the Open House of the N. J. Blind Men's Association on their 30th Anniversary to be held at Camp Happiness in Leonardo on Saturday, August 20th.

The Club accepted as new members: Wilbur S. Nixon and William Austin.

The Board of Directors voted to present Certificates of Appreciation to the following for their assistance during the recent Tag Day Drive: Anthony Domalewski, Gary Schaefer, Richard Domalewski, Arnold Lauer, Veronica Dessen, Edward Lauer, Evelyn Dessen, Albert Meggison, Judy Samolyk, Dennis Whatton, Mrs. Veronica Domalewski and Mrs. Martha Samolyk.

Chairman Adam Domalewski announced the annual rummage sale will be held on Saturday, August 27th on the ball field opposite the A & P Store. Anyone having old clothing, furniture, appliances, books, dishes, toys, etc., please call Mr. Domalewski at LO 6-4474.

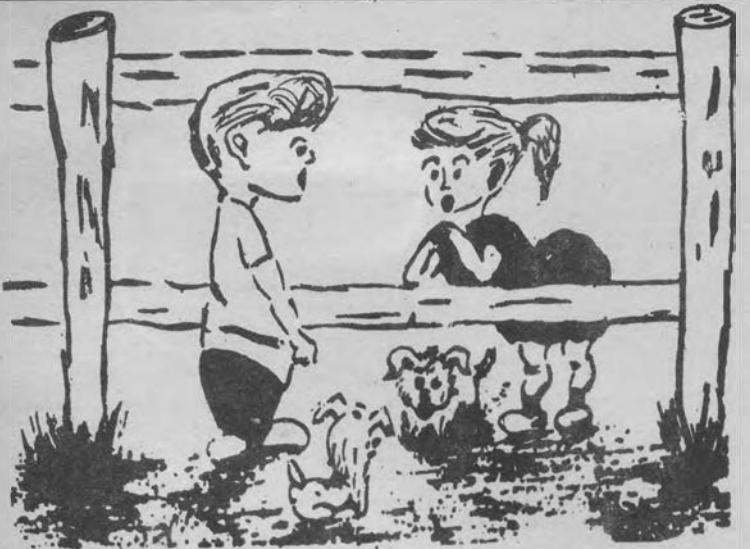

Rummage Sale

Chairman Adam Domalewski announced the annual rummage sale will be held on Saturday, August 27th on the ball field opposite the Hoffman Shopping Circle Center.

The affair is part of a general fund raising effort on the part of the Laurence Harbor Lions, proceeds from the rummage sale will be used to support community activities in the Laurence Harbor-Cliffwood Beach area.

Anyone having old clothing, furniture, appliances, books, dishes, toys or any other items not needed and which you are willing to donate to the Lions Rummage Sale are urged to call or contact Mr. Domalewski at LO 6-4474.

The annual rummage sale has been a great attraction for the residents of the Laurence Harbor-Cliffwood Beach area for the past few years.

Under The Fence

CONGRATULATIONS: Are certainly in order to the Madison Township Board of Education, Board President, Joseph Hoff at a recent meeting appointed a committee headed by Richard Pine to investigate possible locations for new schools in our town. The Board of Education is plagued with a shortage of classroom space. The situation is most acute in the Old Bridge area at least 14 rooms are needed at the present time according to Dr. William Sample, Superintendent of Schools. We certainly hope that the Board of Education will get behind the School Committee and come with a solution to the problem.

POLICE DEPARTMENT: We see where the police officer that was suspended for failing to have his car under control is back at work. Several instances in the Laurence Harbor area, might be as a result of the local police headquarters being moved. Police are still having trouble with teen-age drinking. Several fights among the youths in the Harbor. Police are also investigating a breaking and entering and robbery of a store in the Laurence Harbor area. All the work of the younger set. We predict more trouble in the area unless something is done about it now. How about establishing an ordinance to have a curfew for youths under 17?

ROAD DEPARTMENT: How about taking care of some of the roads in the Southwood Development? Sycamore Drive is full of holes and several of the other roads off Southwood Drive are in poor condition. Southwood Drive which is one of the main traffic arteries in the development is also in poor condition. How about having some of the weeds pulled near the entrance sign? The sign and garden were installed by the and garden were installed by the Window Box Garden Club of Southwood and would look a lot better if some of the weeds were pulled out and trimmed up just a little.

FEUDING AND FUSSING: Understand that the rift in the Republican Party is still as wide as ever. Municipal Chairman John Conover is trying everything possible to smooth things over, however, things are getting wider apart. Many feel that former Mayor John Chamberlain should have bowed out of the race. Conover worried about a wide-open split in the Old Bridge

area, the local G.O.P. figured that they could count on the Old Bridge vote to win. However, reports show that the Dems are working like beavers in the area and are whittling away any margin of votes held by the local G.O.P. Some of the better party workers in the Old Bridge Area are not in the swing of things, they feel that they can't honestly support the Chamberlain and Macrae ticket. Next headache for the G.O.P. will come from the Cliffwood Beach area?

GARBAGE DEPARTMENT: We wonder just what is the deal with garbage in Madison Township? Some of the areas of Madison Township have municipal collections and some have private contractors pick up the garbage. We feel that it should be one way or the other. Either have the township in the garbage business all the way or get out of the garbage business completely. We feel that if the township were to take over the garbage for all the township the garbage rate would probably be lowered for the residents now being served by municipal garbage pickup. We understand that the township is now paying residents for garbage cans that are damaged by the workers?

LETTERS AND LETTERS: There isn't a week that goes by that we don't receive several letters that are unsigned. We can not print a letter unless you sign the letter, we will withhold your name if so requested but must require that the letters be signed. Understand Mrs. Housewife in Section 4, Laurence Harbor. We feel that your suspicions are uncalled for, we think it is strictly business, maybe some monkey business. We don't print letters that are signed by John Brown and initials will not do.

DOGS AND DOGS: How about enforcing the local dog ordinance for a change, let's start picking up some of the stray dogs that are wandering around the developments? The ordinance calls that all dogs must be on a leash when on a street or public road. How many dogs have you seen wearing leashes? Very few. Why have ordinances if they are not going to be enforced. The ordinance was created because quite a few dog bites were reported to police. The same thing is happening again, several children have been bitten by stray dogs, so let's please get on the ball.

Let's Take A Look At Our Township Recreation Program

The Madison American wanted to find out more information about Madison Township's Recreational Program so we called on Harry Messenger of Madison Park to come up with some answers.

Messenger, serving on the Madison Township Committee heads the Recreation Committee for the Township.

According to Messenger "this year marks the first attempt to my knowledge of the township erecting playgrounds for the thousands of deserving children who live here. It is not being done on an isolated basis but it is being done one a township wide basis. Messenger continued "In the past we have had to depend on various private groups to erect some pieces of equipment. Places like Madison Park Whited Brown School, School #9 and maybe some others have received some equipment from these groups, they were the fortunate ones. This year, however, the township committee is doing its part in supplying equipment. The first playground has been erected and has been in use, it is located at Duhernal Lake, it is one of nine installations that when completed will cover our entire township. It is what we like to think of as our first giant step toward progress in the recreational field. Each year with the aid of the township committee, more equipment will be added and more areas will be covered with good adequate playgrounds for our children, this might sound easy but lets take a look see into what needs to be done.

The recreation chairman stated "the very first step in our township recreation program was the assembling of active interested people, interested in the future of their children's play-time and that of others, from each and every section of Madison Township. These people came out not for personal glory or recognition but out of the sincerity of their hearts to work with and for our youngsters. They met with members of the Township Committee and discussed the various problems. Where is the best location for an area? How much should go into an area? What about the future development of an area? How can the equipment be best used? Who handles the sales of equipment? What age children are most important in the beginning? What type of equipment shall we purchase? How soon can we get it. These are but a few of the questions these people helped answer. This only covers only one subject as far as recreation is concerned, multiply it by ten or twenty and you have a vague idea of what goes into a recreation program for your children.

After answering these questions we had to move on to the actuality of purchasing this equipment. This meant the advertising of bids, but first you must obtain the night specifications for the equipment had to be of first quality and able to stand up for many years of rough use. This problem alone meant a great deal of research and time. The bids were advertised and we waited for the returns on the equipment. One bid was received for all our efforts and a wrong bid at that, the bidder did not bid on equipment specified. The bids were readvertised and finally were awarded but this readvertisement and research meant a delay of 4 to 6 weeks. The next problem was installation of the equipment, a schedule to be set up and carried out, a delivery program because there is now place to store such equipment, then the areas of installation one by one set and carried out. These have been little problems to bring to you the residents of Madison Township some little enjoyment for your children.

As we have said this is only one subject, there are and will be other firsts in our township for the children. One of which we are working with right now is the first township wide Little

League World Series. This is accomplished by bringing the presidents of the 4 leagues together. They came up with the winning teams in their own respective areas to play each other and the winning team to be crowned or named Madison Township Little League Champs. An easy matter in this case but why hasn't it been done before? Could it be because nobody ever took these people into their confidence and made them feel they were a part of the town?

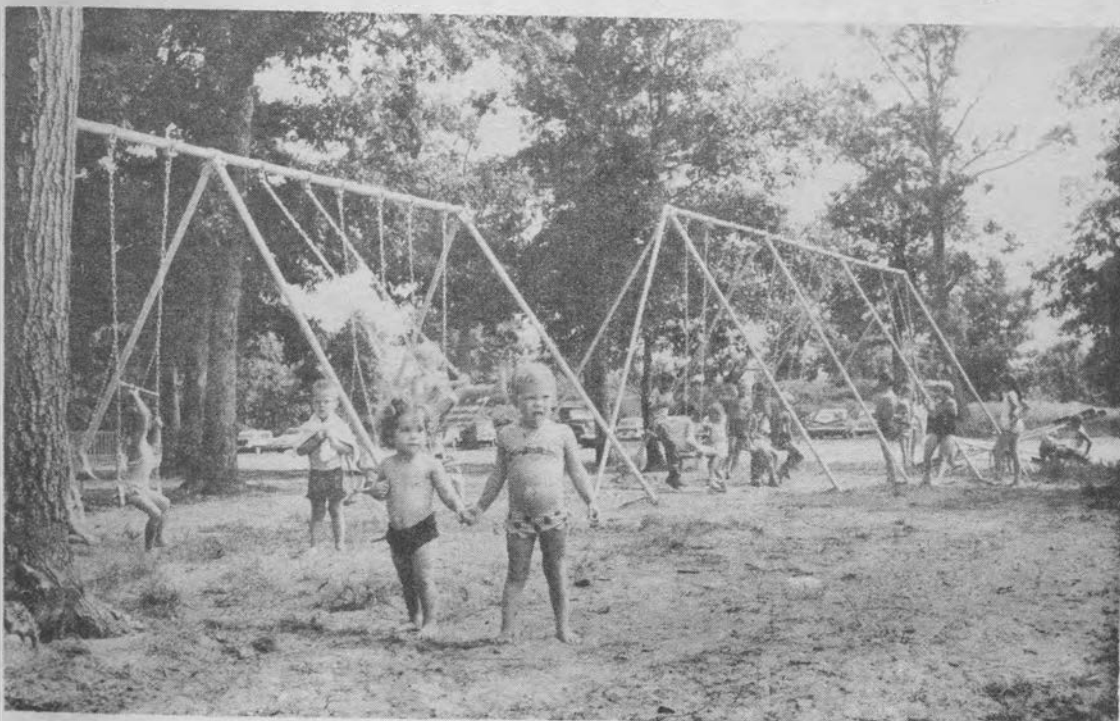

One of our committees came up with another excellent idea, a Junior Olympics for the township. Here again a group of interested people are at work because they have been given the opportunity to do so. There will be five major areas involved, Madison Park, Sayre Woods South, Old Bridge, Cheesequake-Central Park area and Laurence Harbor-Cliffwood Beach. It gives the boys and girls ages 7 to 14 an opportunity to compete in the events in their area and if successful in these eliminations to go on to the Madison Township Junior Olympics to be held at the Old Bridge Stadium on September 17 from 10 a.m. until 2 p.m.

Here again is a township first for recreation, why hasn't it been done before? Much more work involved! I'll say so get up a schedule, work in the various age groups, assemble the necessary equipment, get out side advice so we don't go wrong, arrange for the necessary forms to be printed, and most of all to arrange for the very important help needed. Then the areas to be used, insurance must be arranged for, transportation must be available and last but not least various awards must be obtained for the winning children.

So you see by looking into only three of our recreation attempts, that all is not quite so easy, far from it. I don't know why a committee like this wasn't formed before, but I know we have one now representative of the entire township. On the behalf of the committee and myself I ask the people of the wonderful town to be just a little patient, and little by little we will try to give our town more recreation facilities and more equipment.

Serving on the recreation committee are Ray Stanely, Jack Cunningham, Roy Morgan, Beverly Wheatly, Cosimo Massimino, Ruth Gutherlien, Robert Knight, Arthur Gibbs, William Loughlin, Edward Windas, Josephine Zyracki, Lois Drost, George Carr, Hart Tendlar, Joseph O'Hara and Warren Boyle. Robert Thompson and Bernard Doran both from Old Bridge have recently joined the group. Additional help is needed from the residents of Madison Township especially in the Old Bridge area to aid in the recreational program.

Messenger concluded with "I do not mean in any way to take any credit away from any groups such as the Lions, Little League, Legions, V.F.W. and other civic organizations active in recreation for the children of our town. Nor do we want to take credit away from groups like the Old Bridge Gardens Boys Club who donated monies toward equipment to be used at the Duhernal Recreation site. I only ask where were our town fathers for the past few years. Sound recreation is more than just the acquisition of land for a playground. What good is supervision if there is nothing to supervise, no equipment to use. That has been the recreation for Madison Township's children in the past, as time goes on, we hope to correct this situation. Give our children the necessary equipment, give them supervision and gave them a program and then Madison Township's Recreation Program will be complete. It is up to every resident, every parent, every taxpayer and every official in Madison Township to work to this goal. We have already started! Can you help.

NOT CENTRAL PARK: Part of the recreational equipment installed at the Duhernal Recreation site as part of the Township's new recreation

program. Children in the area make good use of the equipment installed recently.

Firm Accused Of Air Pollution

The Fiber Chemical Company of Blondu Avenue, Genoa, had a complaint served on it by police after Anthony Rosato of Blondu Avenue, Genoa complained of offensive odors coming from the plant.

Operation activities and charges of air pollution by residents of the area have been quite common at township meetings in the past several weeks, residents have complained of offensive odors and storage of chemicals in open fields at township committee meeting.

Mayor Phillips is leading an investigation of the charges of the residents in the area, and have made several inspections of the plant operation.

Phillips and the Township Committee previously had called in the State Board of Health to investigate the matter.

League Auxiliary To Meet Thursday

The Women's Auxiliary of the Old Bridge Little League will hold an important meeting in the Brunswick Gardens firehouse, on Marlboro Road, Old Bridge.

The meeting is set for Thursday at 8:30 p.m.

Members of the auxiliary will discuss annual picnic plans.

Other plans to come before the group will be election of officers and various dances planned for the fall.

Recently the chairman of the township committee was presented with a bouquet of flowers which residents of the area claim are stunted by the offensive odors and charged "If it does this to roses, think what it will do to humans".

The complaint was served on the Genoa firm after Madison Township Police Sgt. William C. Burlew verified that there was an offensive odor present.

The Genoa firm has been under attack by the residents of the area for sometime, several years ago, residents protested that chemicals being dumped by the firm were polluting their water supply.

Benefit Ticket Sales Are Slow

The Laurence Harbor Little League Dance committee issued an appeal to residents of the Laurence Harbor-Cliffwood Beach area to obtain their tickets in advance for the Little League Dance.

All proceeds derived from the gala dance will be used to sponsor a trip to Yankee Stadium for all members of the Harbor-Cliffwood Beach Little Leaguers.

Public participation in this worthwhile project is urged. Tickets may be obtained from any of the members or may be purchased at the door. The dance will be held at the Harbor Ball Room on August 27th.

Fun Fair Set

The Laurence Harbor Cliffwood Beach PTA have announced plans to hold a Fun Fair at the Laurence Harbor Memorial School on Saturday, September 24th.

October 1st has been set as the rain date. There will be plenty of fun, games and prizes and various booths will be in operation to keep the youngsters in good supply with all sorts of refreshments.

Residents of the Laurence Harbor-Cliffwood Beach area are urged to turn out and attend the Fun Fair. Proceeds will be used to support various PTA projects in the Harbor area.

Library Opening Date

Mrs. David E. Watson chairman of the opening ceremony of the Free Public Library of Madison Township, sponsored by the Woman's Club of Laurence Harbor has announced the opening day ceremonies will take place on Sunday August 28th at 3 p.m.

In case of rain the affair will be postponed until September 11, at the same time.

The general public is invited to attend the opening day services, the library is now housed at the former police headquarters, near the Hoffman Shopping Center Circle.

STRIKE! Harry Wilson, Umpire behind the plate calls a strike on Little League Player as teams from the Madison Park Little League battled away for Championship of the local league. Notice ball is

already in glove of catcher. Red Sox beat the Yankees and will represent Madison Park in the Township Wide Little League World Series.

WON'T YOU PLEASE HELP?

.WE HAVE THE BUILDING

.WE OWN THE PROPERTY

**.WE HAVE HUNDREDS OF BOOKS FOR
ADULTS AND CHILDREN**

WE NEED TO MOVE THE BUILDING TO OUR PROPERTY

In order to obtain necessary funds the Madison Township Library of Old Bridge will sell \$25.00 Bonds which will pay 5% interest. Bonds will be paid within a 10 year period. A representative of the Library will call at your home.

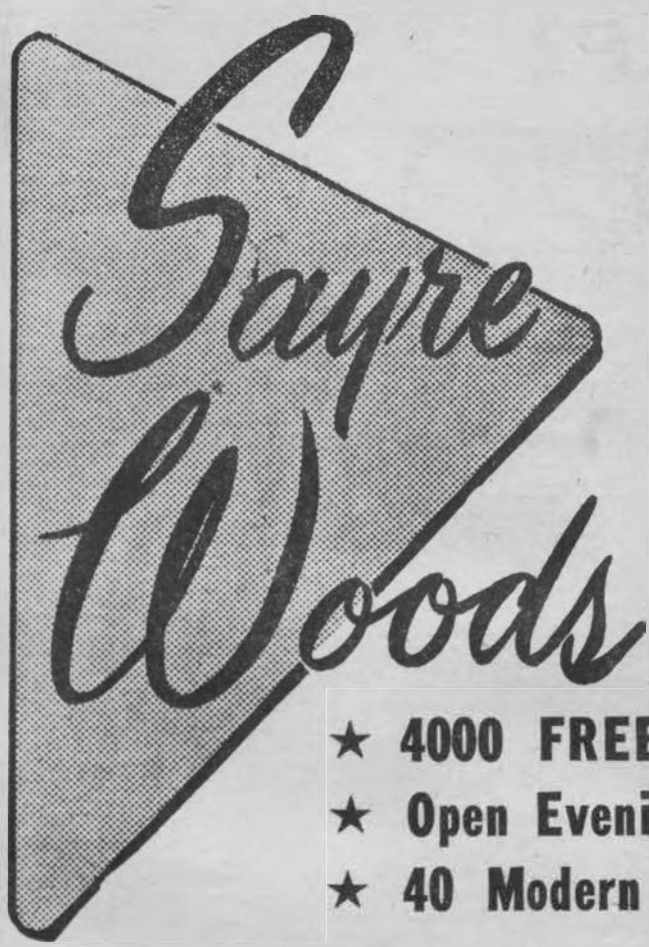

If you do not feel that you can purchase a bond. Why not buy a share in the Library? The shares sell for only a \$1.00 and can be redeemed for the entrance service fee for one years admission to the library.

When the building is moved to the Old Bridge site on Route 18, complete library services will be available to residents of Old Bridge and SayreWoods South area.

Won't you please help.

A PROCLAMATION

WHEREAS, the territory of Hawaii has re-
cently become the 50th state of the union; and

WHEREAS, the Township of Madison is lo-
cated in one of the original thirteen states; and

WHEREAS, the Township of Madison is keep-
ing pace with the rapid growth of our nation;
and

WHEREAS, the Sayre Woods Shopping Cen-
ter, located in the Township of Madison, plans a
gala salute to Hawaii August 22nd through Aug-
ust 27th, 1960, in recognition of our great 50th
state; and

WHEREAS, the Township of Madison recog-
nizes this as an outstanding expression of pa-
triotism,

I DO HEREBY authorize that Monday, Aug-
ust 22nd through Saturday, August 27th, be pro-
claimed as “Salute to Hawaii” week in the Town-
ship of Madison.

John Phillips, Mayor

AUGUST 11, 1960

SUPERIOR COURT OF NEW JERSEY
CHANCERY DIVISION
MIDDLESEX COUNTY
DOCKET NO. F 3069-59

NOTICE TO ABSENT DEFENDANTS

TO: Edward J. Mahady and Mrs. Edward J. Mahady, his wife and their unknown heirs, devisees and personal representatives and his, her or their or any of their successors in right, title and interest; James J. Frawley, Public Administrator of the County of New York, Administrator of the Estate of Edward J. Mahady, deceased; Frederick Ahlbrecht, Sr. and Mrs. Frederick Ahlbrecht, Sr., his wife and their unknown heirs, devisees and personal representatives and his, her or their or any of their successors in right, title and interest; Frank J. Schneider and Genevieve M. Schneider, his wife, and their unknown heirs, devisees and personal representatives and his, her or their or any of their successors in right, title and interest; Betty Weishaupt and John Doe, her husband said name John Doe, being fictitious, and their unknown heirs, devisees and personal representatives and her, his, or their or any of their successors in right, title and interest; **UNKNOWN OWNER or Unknown Claimant**, his heirs, devisees and personal representatives and his, their or any of their successors in right, title and interest, all of whom are owners, part owners, or hold-rights of dower or curtesy or own interests in the premises hereinafter described, situate, lying and being in the Township of Madison.

This action has been instituted for the purpose of foreclosing five certain tax sale certificates and for the purpose of reforming the same in order to more accurately describe the premises set forth in the tax sale certificates that follow:

COUNT I: Tax sale certificate #58-118 recorded in Mortgage book 1623 at page 9 in the Middlesex County Clerk's Office covering premises known as Lot 124 ARC and more correctly described as Plot #124, Section 1 on map of Brunswick Gardens situated at Old Bridge, Middlesex County, N.J. fronting on Maple Street.

COUNT II: Tax Sale Certificate #58-131 recorded in Mortgage book 1623 at page 15 in the Middlesex County Clerk's Office covering premises known as Plot #338 (Incorrectly set forth as tax item as lots 377-378 ARC) and more particularly known as Plot 338, Sec. 2 on map of Brunswick Gardens, situated at Old Bridge, Middlesex County, N.J. fronting on West Ave.

COUNT III: Tax sale certificate #58-122 recorded in Mortgage book 1623 at page 23 in the Middlesex County Clerk's Office covering lots 394-395 ARC and more correctly known as plots 394 and 395 on the Map of Brunswick Gardens, Section #2, situated at Old Bridge, Middlesex County, N.J. fronting of West Ave. and Brookside Ave.

COUNT IV: Tax sale certificate #58-129 recorded in Mortgage book 1623 at page 11 in the Middlesex County Clerk's Office covering lots 72 ARC and more particularly known as Plot #72, Sec. 1 on Map of Brunswick Gardens, situated at Old Bridge, Middlesex County N.J. fronting on Birch Street.

COUNT V: Tax sale certificate #58-121 recorded in Mortgage book 1623 at page 21 in the Middlesex County Clerk's Office covering lots 333 and 334 ARC and more particularly known as plots 333 and 334 Sec. 2 as shown on Map of Brunswick Gardens, Sec. 2, situated at Old Bridge, Middlesex County, N.J. fronting on West Ave.

All of the said tax sale certificates were sold by the Tax Collector of the Township of Madison, County of Middlesex and State of New Jersey on 6/25/1958 to City Land Taxes, Inc. a corp. of the State of N.J. and the said certificates were subsequently assigned to plaintiff herein, Beatrice Lebar.

The wives of the male owners are herein designated by prefixing the word "Mrs." before the known Christian and surnames of the male owners and the husbands of the known female owners are nominated as "John Doe" due to inability of plaintiff in ascertaining the true name of the said husbands.

All of you are hereby summoned and required to serve upon Alvin B. Lebar, plaintiff's attorney whose address is 622 Convery Blvd. Perth Amboy, New Jersey an answer to the complaint filed and to file proof of service and said answer in duplicate with the Clerk of the Superior Court, State House Annex Trenton, New Jersey entitled in this action wherein Beatrice Lebar is plaintiff and Edward J. Mahady, et al., are defendants pending in the Superior Court of N.J., Chancery Division within 35 days after August 18th, 1960, exclusive of said date. If you fail to do so, the relief demanded in the complaint will be taken against you.

L. GRANT SCOTT
Clerk of the Superior Court

Alvin B. Lebar
Counselor at Law
622 Convery Blvd.
Perth Amboy, N.J.

AN ORDINANCE TO AMEND AN ORDINANCE ENTITLED "AN ORDINANCE LIMITING AND RESTRICTING THE USE OF LAND AND LIMITING AND RESTRICTING TO SPECIFIED DISTRICTS AND REGULATING THEREIN BUILDINGS AND STRUCTURES ACCORDING TO THEIR CONSTRUCTION AND THE NATURE AND EXTENT OF THEIR USE; PROVIDING FOR THE ADMINISTRATION AND ENFORCEMENT OF THE PROVISIONS HEREIN CONTAINED AND PROVIDING FOR THE REPEAL OF INCONSISTENT ORDINANCES.

BE IT ORDAINED by the Mayor and the Township Committee of the Township of Madison, Middlesex County, New Jersey, an ordinance entitled "An ordinance limiting and restricting the use of land and limiting and restricting to specified districts and regulating therein buildings and structures according to their construction and the nature and extent of their use; providing for the administration and enforcement of the provisions herein contained; and providing for the repeal of inconsistent ordinances—adopted July 23, 1956" amended on December 17, 1956, is hereby further amended to read as follows:

Section II (C)

(2) Where such boundaries are fixed by dimensions and where they approximately follow lot lines and where they are not more than 10 feet distant therefrom, such lot lines shall be construed to be such boundaries unless specifically shown otherwise; the premises on the west side of New Jersey State Highway Route 9 from the southerly side of Ernston Road for a distance of 106.19 feet with a depth of 935 feet more or less to the easterly line of the Jersey Central Power and Light Right of Way and the premises on Northwest corner of Route 9 and Throckmorton Lane, Beginning at a point in the Westerly line of N.J. State Highway Route 9 where said line intersects with the Northerly line of Throckmorton Lane and running thence;

1. N42° 32' 47"E - 262.00 ft., thence;
2. Along a curve to the right having a radius of 5799.65 feet a distance of 787.46 feet to a point, thence;
3. N22° 49' 30"E - 115.22 feet, thence;
4. N73° 59' 35"W - 188.93 feet, thence;
5. N5° 34' 15"W - 432.90 feet, thence;
6. In a Northeasterly direction 170 feet more or less to a point in the Southerly line of Temporary route 18, thence;
7. Northwesterly along the Southerly line of Route 18, 315 feet more or less to a point, thence;

8. S21° 30' 00"E, 400 feet more or less, thence;
9. S56° 07' 49"W, 1002.40 feet to a point, thence;
10. S12° 54' 00"W, 70.0 feet to a point, thence;
11. S77° 36' 00"E, 217 feet to a point, thence;
12. S12° 54' 00"W, 600.0 feet to a point in the Northerly line of Throckmorton Lane, thence;
13. S77° 36' 00"E, 333.49 feet to a point, thence;
14. S81° 57' 13"E, 330.89 feet to the point and place of beginning.

And the premises on Southerly side of N.J. State Highway (Temporary) Route 18 East of Gaub Road. Beginning at a point in the Southerly line of Route 18 where said line intersects with the Easterly line of Gaub Road, thence;

1. S69° 22' 30"E, 156.42 feet along the Southerly line of Route 18 to a point, thence;
2. S2° 08"E, 713.18 feet to a point, thence;
3. N69° 25"W, 1796.49 feet to a point, thence;
4. N15° 47' E, 661.32 feet along the Easterly line of Gaub Road to the point and place of beginning.

And the premises on Southerly Side of N.J. State Highway 18, Beginning at a point in the southerly side of the N.J. State Highway (Route 18) distant 520 feet Westerly from a corner formed by the intersection of the westerly side of Gaub Road with the Southerly side of Route 18, thence;

1. Still along the Southerly side of Route 18, North 69 degrees 22 minutes West, 593 feet to a point, thence;
2. Still along the Southerly side of Route 18, North 59 degrees 30 minutes West, 415 feet to a point, thence;
3. South 20 degrees 25 minutes West, 475 feet to a point, thence;
4. South 65 degrees 46 minutes East, 1065 feet to a point, thence;
5. North 21 degrees 25 minutes East, 420 feet to a point, in the southerly side of Route 18, being the point or place of BEGINNING.

Shall be included in the GB (General Business) Zone.

This ordinance shall be effective immediately upon final passage and publication according to law.

PUBLIC NOTICE IS HEREBY GIVEN, that the above ordinance was duly passed on first reading by the Township Committee of the Township of Madison, County of Middlesex, N. J., on the 8th day of August, 1960, and that said ordinance will be considered for final adoption at a meeting of the said Township Committee to be held in the Municipal Building, Route 9, on the 22nd day of August, 1960 at 8 P.M. at which time and place a public hearing will be held prior to final passage of said ordinance and all interested persons will be given an opportunity to be heard concerning the same.

AN ORDINANCE CREATING AND ESTABLISHING THE MADISON TOWNSHIP MUNICIPAL UTILITIES AUTHORITY.

WHEREAS, it is in the public interest and the policy of the State of New Jersey to foster and promote by all reasonable means the provision and distribution of an adequate supply of water for the public and private uses of counties and municipalities and their inhabitants; and

WHEREAS, the legislature has enacted into law the Municipal Utilities Authorities Law, constituting Chapter 183 of the Laws of New Jersey of 1957 (Chapter 14B of Title 40 of the Revised Statutes of New Jersey) to further and implement the policy above stated, among others; and

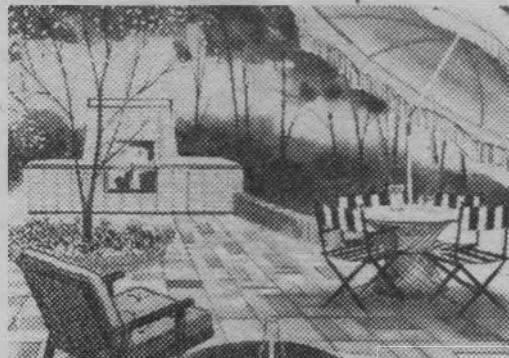

WHEREAS, the Municipal Utilities Authorities Law, authorizes the governing body of a municipality, by ordinance duly enacted, to create a public body corporate and politic, as an agency and instrumentality of the municipality, in order to effectuate the purposes of the Municipal Utilities Authorities Law, now, therefore,

BE IT ORDAINED BY THE TOWNSHIP COMMITTEE OF THE TOWNSHIP OF MADISON, IN THE COUNTY OF MIDDLESEX, NEW JERSEY:

Section 1. That pursuant to the Municipal Utilities Authorities Law, constituting Chapter 183 of the Laws of New Jersey of 1957 (Chapter 14B of Title 40 of the Revised Statutes of New Jersey) there is hereby created and established a public body corporate and politic, as an agency and instrumentality of the Township of Madison, under the corporate name and title of "The Madison Township Municipal Utilities Authority". The Madison Township Municipal Utilities Authority shall, within the territorial boundaries of the Township of Madison, in the County of Middlesex, have and may exercise all or any of the powers provided for in the Municipal Utilities Authorities Law relating to the construction, acquisition, operation, maintenance and financing of a Water System of Water Systems, together with any other powers relating to the construction, acquisition, operation, maintenance and financing of a Water System or Water Systems, which may hereafter be conferred upon Municipal Utilities Authorities by law. The Madison Township Municipal Utilities Authority shall not have and shall not exercise any of the powers provided for in the Municipal Utilities Authorities Law relating to the construction, acquisition, operation, maintenance or financing of a Sewer System or Sewer Systems, within the territorial boundaries of the Township of Madison, in the County of Middlesex, nor any other powers relating to the construction, acquisition, operation, maintenance or financing of a Sewer System or Sewer Systems which may hereafter be conferred upon Municipal Utilities Authorities by law.

PUBLIC NOTICE IS HEREBY GIVEN, that the above ordinance was duly passed on first reading by the Township Committee of the Township of Madison, County of Middlesex, N. J., on the 8th day of August, 1960, and that said ordinance will be considered for final adoption at a meeting of the said Township Committee to be held in the Municipal Building, Route 9, on the 22nd day of August, 1960 at 8 P.M. at which time and place a public hearing will be held prior to final passage of said ordinance and all

Like resort life? A concrete patio brings it as close as your own back yard.

Garden walls go glamorous with modern concrete grille block—and for so little.

Besides being beautiful, this concrete terrace serves as a solid base for swings.

Trees are twice as attractive with a curbing of colored concrete masonry units.

Do wonderful things for your outdoor living with modern concrete!

It's fun to live in your own yard... enjoying a patio party... a home-style picnic... or just sitting in the sun.

Modern concrete makes it easy. It's so versatile, so easy to work with. It adapts so readily to any ideas, any yard, any budget.

Perhaps you'll start with a patio... a walk... or a garden wall... a small pool... or steps on a slope. A screen of concrete masonry units is another beautiful improvement.

You can also color concrete—mix it in or paint it. You can score it in patterns or give it special surface texture. Poured, pre-cast, or in masonry units, concrete goes with any surroundings—and goes beautifully.

You can do some of this work yourself or you can call in a concrete contractor or mason. They're listed in the Yellow Pages. Or if you would like more ideas, write for free folder, "Concrete For Outdoor Living."

THE MARK OF A
MODERN HOME...

Reports Loss Of Rings To Police

Mrs. Catherine M. Perykasz of 17 York Street, Sayre Woods South reported to Madison Township police that a diamond wedding ring and a diamond engagement ring were stolen from her home on Saturday.

The Sayre Woods South resident reported to police that she left the rear door of her home unlocked when she went to the beach, when she returned home she noticed that the rings usually kept on her bureau were missing.

Mrs. Perykasz estimated the value of the wedding ring at \$150 and the engagement ring at \$450.

Police are continuing an investigation of the area in an effort to apprehend the culprits. Police have been plagued with similar incidents in the past.

Carnival Planned

It was announced by the chairman of the Carnival Committee for St. Thomas R. C. Church, Old Bridge that this year's Carnival will be one of the most gala affairs to be held in the Old Bridge area in quite some time.

The affair will be held from August 22nd to August 27th on the new church grounds on Route 18, Old Bridge.

Plenty of rides both for the adults and children will be available, as well as a score of refreshment booths and various prize booths.

Dancing every night to your favorite recording stars, plenty of fun for all for a worthy cause.

All proceeds derived from the Carnival will be used toward the new school, all residents of Madison Township and the surrounding area are invited to attend the affair.

Blood Bank Formed

Announcement was made recently of the formation of the Sayre Woods South Civic Association Blood Bank, James P. Forbes of 4 Bruce Street, was named chairman of the Blood Bank.

All members of the Sayre Woods South Civic Association are automatically members of the blood bank and as such are eligible to receive blood from the bank when needed.

Announce Dates For Annual Show

The St. Lawrence Players of St. Lawrence R.C. Church have announced the dates for their annual show. The show is entitled the "St. Lawrence Showboat" and will be presented on November 11, 12, 13, 1960. Performances in the evening will start at 8:00 P. M. with a matinee on Saturday at 2:00 P. M.

Committees for the show are as follows: Ad Book, Mrs. J. Phillips and Joseph Walton; Publicity, Mrs. P. Richardson, Jr.; Tickets, Mrs. K. Crimmins; Secretary, Mrs. S. LeBrant; Costumes, Mrs. E. Windas; Staging, Matthew Ostrowski and Robert Yaeger; Clean-up, Charles Crozier; Kitchen, Mrs. B. Geores.

Picnic Planned By Garden Club

The annual summer picnic of the Window Box Garden Club of Southwood, Old Bridge will be held on Saturday August 20 at the Old Bridge Lions Club building on Madison Avenue and will get underway at 8:30 p.m.

New Ort Chapter To Meet

The first regular meeting of the new Madison Township chapter of Women's American ORT (Organization for Rehabilitation Through Training) will be held at School 18, Bushnell Road, Sayre Woods South, Thursday at 8 p.m. Mrs. David Pessin of 4 Thomas St. Old Bridge, vice president of the North Central Jersey Region and founder of the new chapter, will preside.

There will be election of officers, and appointment of committees. Sixty new members have joined the organization in the past three weeks.

ORT is a program for the rebuilding of human lives through vocational education. Its students include the poverty-stricken, the inhabitants of underdeveloped countries; refugees and immigrants seeking a new life in a new world. It operates 600 vocational training schools in 20 countries, teaching 70 different skills.

Women's American ORT has been cited by the United States government and the U.N. for helping to build underdeveloped economies and manning the industries of free countries.

Assisting in the formation of the new chapter are Mrs. Joseph Berkowitz, 7 Twain Ave., Mrs. Fred Schultz, 47 Cindy St., and Mrs. Emil Mallon, 20 Gerard Ave., Mrs. Lillian Schwartz and Mrs. Claire Weisman will serve on the hospitality committee for the Thursday meeting.

Junior Olympics Set

The Laurence Harbor Cliffwood Beach Recreation Committee will hold their track and field day meet this Saturday on August 20th at the Little League Field at the rear of the Memorial School.

The event gets underway at 10:00 a.m., the purpose of the event is to pick a team to represent the Laurence Harbor and Cliffwood Beach area in the Olympics to be held in September.

All contestants are requested to be at the field before the first event gets underway. In case of rain the event will be held on August 27th.

Cotton To Enter Lehigh

A student from Laurence Harbor, N.J. is among the 700 freshmen who have been accepted for admission and plan to enter Lehigh University this Fall, Dr. Charles A. Seidle, director of admission, announced today.

The class of 1964, selected from 3,190 applicants, will come from 26 states, the District of Columbia, England, Thailand, Norway, Puerto Rico, and Suriname, South America. University officials expect the distribution by curriculum to include 130 men enrolled in the College of Arts and Science, 90 taking combined Arts and Engineering programs, 60 in the College of Business Administration and 420 in the College of Engineering.

Clifford W. Cotton, son of Mr. and Mrs. Clifford E. Cotton, 784 Greenwood Ave., Laurence Harbor, N.J., will be in the College of Engineering. He is a graduate of Seton Hall Prep School, South Orange, N.J.

HAPPY BIRTHDAY:- Mrs. Louise Farrington (second from right) celebrated her 95th birthday recently with many of her friends attending a birthday party in her honor. Mrs. Farrington of Route 34, Cheesequake still does all the cooking in the household and the cleaning. She still likes to putter around in the garden but admits that she

"ain't" what she used to be. The birthday party was complete with ice cream, cake, coffee and all the trimmings. The Madison American and all the residents of Madison Township wish you all a very happy birthday.

(Madison American Photo)

SCHOOL COMMITTEE Cont'd

been able to catch up to the ever demanding want for more classroom space.

Presently under construction and expected to be occupied for the 1961 term in September is a \$2,000,000 high school, this will be the first high school for the pupils of Madison Township.

The Board of Education presently transports several hundreds of high school students to receiving high schools outside of Madison Township. Madison Township pupils attend, South River High School, Matawan High School, Sayreville High School and Hoffman High School, South Amboy. A few pupils were attending Perth Amboy High School.

The South River High Board of Education recently was directed by Education Commissioner Frederick M. Raubinger to continue to take high school pupils from Madison Township.

The ruling came after the South River Board of Education decided to cancel its policy of taking Madison Township pupils after the Madison Township Board of Education announced plans to withdraw 9th and 10th grade pupils in September 1961.

Raubinger in his directive announced that the welfare of the students must be the prime consideration. Moving of the school pupils back to Madison in 1961 would ease a crowded classroom situation in South River and provide other educational benefits often lost in a crowded school system. The financial loss to South River next year will be offset by the fact that the South River Board of Education budgeted for only 75 Madison Township students and will receive tuition for over 120 this year.

Other receiving districts for Madison Township are also experiencing crowded conditions and half day sessions.

Pine announced that "the classroom situation for primary grades in Madison Township is one of deep concern of not only myself but other members of the Madison Township Board of Education. It is also the concern of many of the parents of Madison Township. If school rooms are needed then it is up to the board of education to lead the way and see that suitable classrooms are provided for the education of our children.

SWIM CLUB Cont'd

way would be sought from the local Board of Education by the swim club, it was learned at this time that no formal request had been received by the Madison Township Board of Education it is expected that the local Board will take a dim light on use of school board owned property by the swimming club. It has been the usual practice of the Board of Education to permit use of the schools only where it can benefit all persons. Various churches, PTA sponsored affairs and various recreational activities have been granted permission to use school owned property for meeting places.

Residents opposing the building of the swim club claim that the noise and location of the swim

club will lower property values in the neighborhood. Representatives for the swimming club are quick to point out that the proposed swim club is nothing new for the area or state and list various approvals granted in other townships and municipalities as a reason for granting of the variance. They also claim that due to a buffer zone of trees the area will practically be "sound proof". They also claim that instead of lowering property values as claimed they actually increase the value of the property surrounding the area.

The representatives were quick to point out that the swim club will be a tax ratable and a recreational value to the rest of the community, off the street parking is to be provided and there were promises that the swim club would be no "Coney Island" promotion but rather something which the whole community could well be proud.

In any event the meeting promises to be lively as pro's and con's are argued and those for and against will be heard at the meeting which is scheduled for Tuesday evening, August 23 at the Municipal Building on Route 9, Old Bridge.

Road, Plenty of races and other events to enter. Open to both boys and girls. Winners will represent the Madison Park area in the Junior Olympic which will be held in September.

B.O.P.'s Twenty Year Club Champs

The B.O.P. Twenty Year Club team clinched the championship of the Laurence Harbor Little League Minor Division playoffs by defeating the Laurence Harbor Fire Company team by the one side score of 15-1.

Co-managers Earl Rutan and John Magala greatly improve B.O.P. Nine were hitting the ball all over the field, in a show of tremendous batting power.

Mike Corbitt was the winning pitcher for the B.O.P. Club, Earl "Chuck" Rutan played a remarkable game in the field, snaring many hits from the Fire Company team.

Manager Bill Sargent of the Laurence Harbor Fire Company used three pitchers to stem the tide of hitting power but was unsuccessful for his effort. Pitching for the firehouse team were Ken Porter, John Reilly and Gary Sargent.
