## GROUND BROKEN FOR INDUSTRIAL PARK

**DIGGING IN:-** (Pic #1) Mayor John Phillips breaks ground for Industrial Park to be located on Route #35 Cliffwood Beach. This is the first type of industrial park to locate in Madison Township. (L to R) Marshall Sacks, Builder; Richard Pine, Member of the Madison Township Board of Education; Mayor John Phillips and Harold Smith, Madison Township attorney.

**NOW HEAR THIS:** (Pic #2) Part of the crowd of an estimated 200 people that turned to witness the ground breaking ceremonies for the Industrial Park.

**AND NOW TO LUNCH:** (Pic #3) Following ground breaking ceremonies at the Industrial Park Site, officials and invited guests were invited to a lunch held at Kenney Acres in Woodbridge, N.J. (L to R) Marshall Sacks, Builder; Raymond Sacks, Builder; John Morrison, Vice President, 1st Bank and Trust Co., Perth Amboy; Benjamin Okin, Builder; Gotthard Rose, Garfield Trust Co.; James Tortorice, Madison Township Industrial Commission; Mayor John Phillips; Mr. David T. Wilentz, law-firm of Wilentz, Spitzer, Goldman and Silis; Norman Tanzman, Real Estate and Harold Smith, Township Attorney.

## New Era Heralded For Madison Township

NEWLY re-elected Mayor John Phillips made township history as he broke ground for the Golden Circle Industrial Park on Route 35, Cliffwood Beach, as nearly

200 spectators and honored guests cheered, Mayor Phillips deftly dug the first shovelful signifying a new era for this municipality of over 23,000

people. The Golden Circle Industrial Park, which is made up of some 200 acres of choice building plots in one of the garden spots of

Madison Township, has a frontage of 1400 feet on Route 35 and extends inland from the highway to the back door of Laurence Harbor, westward toward the

Pennsylvania Railroad line. The entire area was commonly known by old time Cliffwood Beach residents as the Avery tract. The Avery family at one time occupied an old mansion at one end of the 200 acre tract. The old house burned to the ground a few years ago in Cliffwood Beach's most spectacular blaze. It was unoccupied at the time of the conflagration.

The first of some 20 contemplated buildings will start rising next month and will house an industrial plant of 10,000 to 20,000 square feet. The total cost of the park will eventually reach \$30,000,000, according to the builders, Marshall and Raymond Sachs, and their associate Benjamin Okin, a Brooklyn industrialist. The Sachs brothers are experienced developers who have erected 600 homes in North and East Brunswick, in addition to developments in Colonia and Piscataway Township.

The Golden Circle industrialists also operate Elite Industrial Park, Kearny which employs 1700 people and stretches over an area of 500,000 square feet of factory space. They also operate the Elisco Industrial Park in Brooklyn's Greenpoint section. The Sachs brothers and Okin are also in the process of converting the old Singer Sewing Machine plant in Elizabethport into a manufacturing metropolis of 1,500,000 square feet, which will employ over 2,500.

Following the ground breaking which took place in perfect fall weather, the developers were hosts at a luncheon at Kenney Acres, Woodbridge. Heading the

### High School Gym Athletic Center Of School

Over 8,000 square feet of floor space will be provided in the Madison Township High School gymnasium. This huge wing of the new building will be the center of all athletics and physical education for some 1,500 boys and girls who will enter the school next fall.

A well-organized and well-staffed program of physical education is an essential part of any good educational program. Madison Township boys and girls will find excellent facilities awaiting their use when they reach the doors of this department. The gymnasium is equipped with locker rooms, showers and lavatories as well as an exercise room which is adaptable for callisthenics, corrective therapy, tumbling, wrestling and other activities.

The 80 x 100 foot gym may be used in its full size or divided in half by electrically operated folding partitions to provide separate areas for boys and girls classes.

The curriculum in the physical education department will include classroom instruction in personal hygiene, first aid, home

nursing and driver education over a period of four years as well as the regular gym classes.

Over 1,000 spectators will be accommodated at sports events in the gymnasium through the use of telescoping bleachers which will line two walls of the structure.

Co-curricular activities of the department of physical education include a full program of varsity and intermural sports for both boys and girls. Coaches will be members of the physical education as well as other departments.

### Fire Company New Years Eve Dance

Madison Park Firemen and their Auxiliary plan to welcome in the New Year of 1961 in more than traditional fashion, plans have been made to sponsor a gala New Year's Eve Dance.

The dance will be sponsored jointly by the Madison Park Volunteer Fire Company and the Madison Park Volunteer Fire Company Ladies Auxiliary, the dance will get underway at 10:00 p.m. on Saturday, December 31, 1960 at the Madison Park Firehouse on Cheesequake Road (near Bordentown Avenue).

Music for the affair will be furnished by the John A. Quar-

people. The admission ticket also includes assorted New Year's Eve furnishings including noise makers and the like.

Chairman of the affair is Nicholas Gelalia, serving on the committee are Tom Cullin and George Gutherel. Representing the Ladies Auxiliary is Mrs. William Thorp.

Tickets may be obtained from any of the members of the committee or any fireman, there are a limited number of tickets available and will be sold on a first come first serve basis.

Why go out of town to welcome in the New Year, join in the gala New Year's Eve celebration and at the same time help out the local fire department.

Remember, December 31st, 1960, admission only \$2.50, buffet style dinner with all you can eat.

business manager. Managers and co-managers selected for the leagues were as follows: Major League - Red Sox, Lee and Lang; Dodgers, Gerald Holzer and William Beyer; Yankees, Wennig and John Hogan; and Giants, Redmond and Arthur Mautner.

Minor League - White Sox, John Maher and James Gordon; Cubs, Thomas Frank; Cardinals, Thomas O'Brien and Neil O'Donnell.

Plans for the new playing field adjacent to the firehouse were discussed. More fathers are needed to help prepare the field and to act as managers and umpires.

The membership will meet Dec. 7 at 8:30 p.m. in the school.

Committee Named

At a recent meeting of the Cliffwood Beach Republican Club, Mrs. Theodore Young president of the group appointed a nominating committee. Named to serve on the committee were Mrs. Paul Mangin, Miss Mary Hett and Mrs. George Colley.

The meeting was held at the Wrode House on Route #35, Cliffwood Beach.

### Wilson Heads Park Little League

Harold Wilson was elected president of the Little League this week in the Madison Park School.

Others elected were: Frank Lang, vice president; Edward Lee, treasurer; Richard Wennig, secretary; Patrick Gill, player agent; and Lawrence Redmond,

admission is only \$2.50 per person which includes all you can eat buffet style in the admission price.

Alcoholic beverages will be available at a very nominal price. The admission ticket also includes assorted New Year's Eve furnishings including noise makers and the like.

Chairman of the affair is Nicholas Gelalia, serving on the committee are Tom Cullin and George Gutherel. Representing the Ladies Auxiliary is Mrs. William Thorp.

Tickets may be obtained from any of the members of the committee or any fireman, there are a limited number of tickets available and will be sold on a first come first serve basis.

Why go out of town to welcome in the New Year, join in the gala New Year's Eve celebration and at the same time help out the local fire department.

### To Have Or Have Not?

At the recent meeting of the Madison Township Committee Public Service Transportation sought permission to operate buses on certain streets in the SayreWoods South Development. Both Mayor John Phillips and Township Committeeman Donald Macrae felt that the problem should be presented to the residents of SayreWoods South.

We think it was a wise move, the residents of SayreWoods South should have time to discuss the pro's and con's of buses running on the streets at regular scheduled hours.

The residents in the area have been bothered by a parking problem, earlier in the year the Township Committee sought to correct the situation by approving a no-parking ordinance on certain streets in the development. Later in the year the Madison Township Police Department decided to enforce the ordinance and handed out quite a few tickets. The parking has since shifted to the state highway, now however, the state highway department wants the automobiles to cease parking on the highway.

The buses running in the development would put an end to the Parking Problem and would be much more convenient to the residents of SayreWoods South.

However, it must be pointed out that with the buses traveling the streets in SayreWoods South there will be added traffic hazards, fortunately most of the buses would be running in the early or late hours and would present less of a menace to the children in the area.

The decision in regards to the buses traveling the streets of SayreWoods South has been placed in the hands of the residents of the area, it must be remembered by all, there can be no turning back. Once permission is granted it's there to stay. Think it over, before you act.

### Not Only Turkey

Way back in the rugged year of 1622 Governor William Bradford of the small Plymouth colony decreed for all to know "And hold in the month of November Thanksgiving unto the Lord".

The Pilgrims were a humble people, hard working they toiled their meager field, barely eking out a living from the sparse surroundings. Yet they were able to thank the Lord, for the corn and wild game that graced their tables. Thankful to the Lord that at last here in a New World they were of free men.

We, the People of Madison Township, can give thanks to the Lord on this Thanksgiving Day, 338 years later, for the many blessings which enrich our lives.

Madison Township is a community forging for itself a new identity as one of the most progressive and prosperous anywhere.

A steady inflow of new neighbors, who bring an increasing supply of vigor and imagination and good will that make a community where life is pleasant and warm.

We, the people of Madison Township, are grateful for the right to live; and learn; and reproduce; and worship without fear, in a society where law and order are supreme.

Each resident of Our Town has equal chance to grow and prosper, we can be thankful on this 339th Thanksgiving Day for homes that are warm and comfortable, for family love, for peace and security, because we understand that this peace and comfort which we enjoy just did not happen.

We live in the Land of the Free and the Home of the Brave.

We have much to ponder upon, when Father cuts the Turkey and Mother says Grace on Thanksgiving Day.

We extend to each and every resident of Madison Township our best wishes for a very Happy Thanksgiving Day.

## News

President Casimer Samolyk of the Laurence Harbor Lions Club announced at the meeting of the board of directors held at the home of William Meggison that the next dinner meeting of the club will be held at Burlews Restaurant on Monday November 28th. The wives and families of all members will be invited to this meeting which will consist mainly of films and entertainment.

William F. Ohnsman, chairman of the Sight Conservation and Blind Committee reported that six cases of eyesight correction had been handled during the past month.

Welfare Chairman Arnold Lauer and his committee will distribute Thanksgiving baskets to needy families.

The club voted to make a cash donation to the Salvation Army.

It was reported that candy left over from the Hallowe'en Party was distributed to the children in several nearby hospitals. Letters of appreciation were received from the heads of the hospitals.

It was also reported that members of the club hauled and delivered a truck load of firewood for an elder citizen.

The annual display of The Nativity Scene, with 20 beautiful lifelike figures, will again be erected at the Laurence Harbor Circle on Route 35 beginning on Sunday December 11th. James Coogan is chairman in charge of this program.

## Heads Cancer Unit

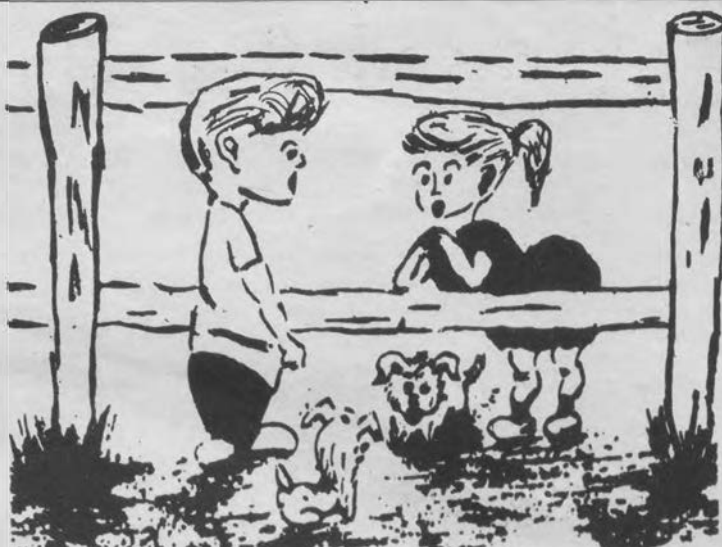

Thomas F. Grimley of Westfield has been appointed acting executive director of the New Jersey Division of the American Cancer Society, it was announced today by Oren G. Hunt of Glen Ridge, Division president.

Mr. Grimley succeeds Charles C. Hansbury of Morris Plains, the Division's executive director since 1946, who has resigned to enter the public relations counselling field.

A native of South Amboy, Grimley is a graduate of the American Institute of Banking and for several years prior to World War 2 was a member of the examining staff of the Federal Reserve Bank of New York. During the war, he was a lieutenant on the staff of the Army quartermaster general in Washington, D.C.

Following the war, Grimley was assistant medical administration officer for the Veterans' Administration in Newark. He joined the American Cancer Society in 1949 as a field representative in the New Jersey Division's headquarters in Newark. Prior to his latest advancement, which was confirmed last night by the Executive Committee of the Division, he was director of administration.

Married to the former Ann Monaghan of South Amboy, he has two children and resides at 850 Tice Place, Westfield.

## Under The Fence

**CALLING ALL CARS:** We think we heard the call to end all calls over the Madison Township Police Radio, last Thursday evening around 6:45 p.m. the alarm went out over the police radio. "Don't forget to bring me back a jelly doughnut," Chief Edward Adler ought to take some steps to prevent this sought of message from being broadcast over the police radio. We'd suggest that a tape recorder be installed in conjunction with the police radio to accurately and completely log all radio messages. We know one fellow in Madison Township who will shortly start a "one man war" on "Moonlighting" in the Madison Township Police Department. He vowed that he will not work as a policeman, if the policemen stick to police work. The easiest way to stop "moonlighting" is to pay more money. Madison Township Police are among the lowest paid in the county. If we have to have a police department, then the police should be well paid, or else do away with the police department altogether.

**FEUDING AND FUSSING:** Things are in an uproar in the G.O.P. ranks, everybody is blaming everyone else for loosing the election. We still feel that the G.O.P. would have had a better chance if they had chosen other candidates. Many Republicans feel that they lost the election the minute that Chamberlain and Macrea were named to run. Understand that some Republicans are already pushing for Chamberlain to run again in 1961. Democrats would welcome this for they feel that Chamberlain is a push-over. Unless the G.O.P. goes forth and gets new blood into their Party in Madison Township, they will continue to loose elections. Things will be wide open in the Primary for both parties in Madison Township. In 1961 there will be only one vacancy open on the Township Committee, John Keating of Old Bridge presently holds that seat. It will be up for grabs in the primary election.

**ROAD DEPARTMENT:** It looks like the residents of Cliffwood Beach on Ocean Blvd. will again have to put up with the "ice problem". Water is still flooding the road and when the cold weather sets in this water turns to ice and creates a dangerous situation both for motorists and pedestrians. We certainly hope that the road department will be

able to correct the situation before cold weather, if not they had better issue "ice picks" to all residents of the area. We got it from the "grape-vine" one of the road department workers had better make some attempt to straighten out some of his "bills" or else he will be looking for work. Understand that he owes quite a few bills in the Harbor area.

**UNDERNEATH THE LANTERN:** How about a street-light at the intersection of Bushnell Road and Route 187? This is a dangerous intersection and a street-light would cut down on some of the danger. This might have been overlooked by the Street Lighting Committee. We would also like to see the Township Committee get after the State Highway Department to install more lighting at the two traffic installations they installed on Route 9. Several lights are needed on the crossover near Central Park, this is dangerous. More signs are also needed at the intersection, many people drive right past the turn before they realize that it's there. It's a wonder that some bad accidents haven't occurred at this intersection?

**SMELLS-IN-THE-NIGHT:** Understand that residents in the Cliffwood Beach area are a little upset. The way we get the story is that several gas leaks have been reported in the area? Understand that the Laurence Harbor Fire Company was called out recently and that the area was blocked off. Some of the smells in the area aren't from gas fumes, understand that a few residents on Pacific Blvd. have been complaining of "night odors", could be a cesspool is overflowing?

**BIG THINGS AHEAD:** Harold G. Smith, Madison Township's Attorney will be in for bigger and better things in the very near future. One rumor bouncing around has him running for Congress. We doubt it. Smith will probably be picked to run for an Assembly Seat or possibly for Middlesex County Freeholder. Several other Madison Township men are in the race for Freeholder or Assembly but Smith is leading way out in front.

# Contented Dog Warden Service Not Contented

At the regular meeting of the Township Committee held at the Municipal Building on Route 9, Old Bridge, the committee heard that the Contented Dog Warden Service was not contented with their pay and asked the township committee for an increase in the

fee, the letter was turned over to the Finance Committee.

Committeeman John Keating of Old Bridge was also not contented with the repair work on the roads in the Southwood development, Keating moved that the township attorney notify the

Bonding Authority that as of November 28 the township road department will take over the work on repair of the roads in the Southwood Development and charge the cost of repairs against the bond.

In other road department

business Manzo Construction Company was awarded work on storm sewers on a low quotation of \$2,372.50, Keating explained that if the project was below \$2,500 it need not be advertised.

Township Tax Collector David E. Watson noted that the collections for the month of October were \$129,309.08.

Mayor Phillips read a report from the Visiting Nurses Association the report listed a total of 189 visits for the third period with a total of 539 visits since the first of the year.

Township Committeeman John Keating head of the Welfare Committee reported expenditures for the month of October at \$1,235.46, Keating noted an increase of 3 welfare cases over the month of September bringing the total of welfare cases to 15 at the present time.

Final approval was granted Sunny Side Estates in the Anchor Park section of Madison Township for a sub division of 15 lots, preliminary approval was granted on May 11, 1959 and final approval of the planning board was granted on August 26, 1959. Township Attorney Harold Smith reported that the firm had met all commitments in regards to schools, roads etc.

A meeting was set for December 12 at 7 p.m. at the municipal building on Route 9 for the purpose of hearing an appeal on denial of a variance requested by Margin-All Inc.

Mayor Phillips read a letter from Public Service Transportation Company requesting that Public Service Buses be permitted to operate on the streets in the Sayre Woods South development. Mayor Phillips polled the committee as to their feelings in the matter. Both Mayor Phillips and Township Committeeman Donald Macrae felt that any decision should be held over to enable the residents of Sayre Woods South to discuss the problem.

Township Committeeman Harry Messenger of Madison Park felt that buses in a development create a safety hazard and tend to speed in the development in order to maintain their schedules.

Township Committee John Keating felt that buses making a left hand turn from Throckmorton Lane to Route 9 would involve a safety hazard if the traffic light was not installed. Mayor Phillips asked that a follow up letter be sent to Mr. Palmer of the State Highway Department by the Township Clerk to find out what happened to the two other requests sent to the Highway Department by the Township Committee.

Township Committeeman Donald Macrae and Township Attorney Harold Smith cautioned residents of Sayre Woods South on the bus situation, they reminded residents that once the route was established it could not be rescinded.

A representative of Public Service in the audience stated that the buses would leave Sayre Woods South at ten minute intervals between the hours of 6:45 and 7:45 a.m. and that every street corner along the route would be a bus stop.

The decision was held over pending further contact with the residents of Sayre Woods South. John Jaconetti, a spokesman for the Sayre Woods South Civic Association stated that this would help solve the parking problem in the development and that he hasn't heard of one person who is against the idea of running buses in the development.

In other bus business to come before the committee, the committee also held over action until the next regular meeting on a request by Marathon Bus Service to South Amboy to discontinue a route in the Madison Park development. The bus route was established to enable residents of Madison Park to get to the Sayre Woods Shopping Center.

Phillips noted that all bids for Land Fill operations in the Township of Madison had been

rejected by the committee.

A request for a Siren in the Sayre Woods South development was turned over to the Civilian Defense Committee for their study and report back to the Township Committee.

Permission was granted to the Laurence Harbor Community Church for their request to install chimes in the church.

Mayor Phillips called for a meeting between the Zoning Board of Adjustment and the Township Committee in the matter of a professional building to be located on Throckmorton Lane.

The Township Engineer was named by Phillips to attend a meeting of the State of New Jersey Conservation Department to be held at Grant Beach on December 16 at 10:00 a.m., the program of State Aid for Beach Erosion will be presented.

Madison Township was informed that it had lost its bid for the Saline Seawater Conversion Experimental Plant to be located on the East Coast. Madison Township was one of several hundred communities applying for the Saline Water Plant.

Mayor Phillips requested that Walter Staeger, Democratic Municipal Chairman and John Conover Republican Municipal Chairman each appoint three residents to sit in with the Township Committee to go into the possibilities of a change in the form of government. Phillips also asked Thomas Miller of Old Bridge a former Township Committeeman and member of the Board of Education to serve on the committee. Phillips also requested that Al Cipaloro a Sayre Woods South resident who was a recent write-in candidate to serve on the committee.

## Beach Dems Select Officers

The Cliffwood Beach Democratic Club has nominated a slate of officers as its first official act since its recent organization. All acting officers were named in the nominating petitions for permanent one year terms beginning on December 14, the date of the next monthly meeting.

The nominees and their positions follow: President, William Loughlin; Vice president, George Stone; Treasurer, Edward Windas; Recording Secretary, Mrs. Lillian Smalley; Corresponding Secretary, Mrs. Jean Pine; Sgt. at Arms, Jack Brown; Trustees, William Doty, Peter Olson, Dorothy Hornlein.

Some 35 local residents attended the last monthly meeting held at the Wrode House, Route 35, Cliffwood Beach, where they heard Richard Pine, former Board of Education President speak on the present status and future growth of the Madison Township educational system. Pine, who is in his fourth year as a member of the Board of Education and serves as the Board's Transportation, School Expansion and High School Cafeteria Chairman, traced the growth of the system thru the years and elaborated on many phases and problems which the Board of Education will face with the opening of the new high school next September. A question and answer period on the subject followed Pine's address.

This was first of a series of appearances by local, county and state representatives to help familiarize both new and old residents of Cliffwood Beach with the current municipal events which directly concern the local citizenry.

Acting President Loughlin introduced Mr. and Mrs. William Nolan, Mr. and Mrs. Edward Flynn and Edward M. Zakenych, new members.

Laugh not too much; the witty man laughs least.

George Herbert

NEW FACILITY OPENED. Mr. and Mrs. Harold Bailey, Madison Park residents are observing one of the books available to the children at the

Memorial school library as Mrs. Joseph Deerin P.T.A. president and Mrs. George Moneschein library chairman look on. (Photo by R. Bean)

## Library Plans Outlined

During the month of November we celebrate Book Week and it is appropriate at this time to salute our school library and the volunteer workers who devote endless hours so that our children may benefit from their efforts. This week at the Memorial School the library will once more open its door in new surroundings. Last year the library was dedicated in a converted boiler room and now it has moved to one of the offices formerly occupied by the administrative staff on the first floor of the building. The school library was created as a project by the P.T.A. in 1958 and has continued to be one of their goals in the years to follow. In November, 1959 there were 1600 books and Mrs. George Moneschein, library chairman reports that today there are approximately 2500 books available to the students. It is rewarding to see the progress made in these years by the combined efforts of the Board of Education and the P.T.A.

The faculty of the Memorial School assisting Mrs. Moneschein are Mrs. Walter Scherer, Mrs. Clara Crimmins and Mr. Wizne. Mrs. Scherer is responsible for selecting books for the first and second grades. Mrs. Crimmins selects for the third through the sixth grades and Mr. Wizne selects the seventh and eighth grades. Mrs. Crimmins and Mr. Wizne had several students assist them in decorating the halls and the library room for Book Week. Mrs. Joseph Deerin, P.T.A. President, Mrs. Vincent Applegate and Mrs. David Watson are also members of the committee. Mr. James Maloney, principal is the advisor to the group. During the summer months the committee had the following P.T.A. members helping them to catalog the new books: Mrs. Joseph Mollis, Mrs. Russell Macdonald, Mrs. Douglas Weston and Mrs. Charles Deveck.

The students are not to be forgotten in this project. In each classroom a pupil is chosen to be class librarian. The duties of this pupil is to help her classmates in select-

ing books, collecting fines on overdue books and to assist the teacher when the class goes to the library. Every other Wednesday the library committee instructs four honor students in library procedure. Boys in the upper grades help to deliver the books back to the library.

The library will be open to the students on Thursday and Friday of every second week.

## Registration Opens Dec. 5

Newark College of Engineering has announced that registration opens December 5 for the 12-week winter term of the special courses evening division. New students are invited to enroll starting that date through December 8. The dates for former students are December 12 through 15. Hours in both cases are from 9 a.m. to 4 p.m. and from 6 to 8:30 p.m. in Cullimore Hall, 70 Summit St.

The division, with a current enrollment of over 1100 men and women, offers a total of 71 different courses designed for engineering technicians in industry and business. Courses may be taken separately or as part of a two- or three-year program awarding a certificate upon completion. Classes are conducted from 7 to 10 p.m. Monday through Friday.

Programs included in the winter term, which starts January 4, 1961, are as follows: architectural practice; building construction technology; civil engineering technology; electrical technology; industrial supervision; maintenance technology; mechanical design; plastics technology; refrigeration and air conditioning technology; technology; refrigeration and air conditioning technology; technology of metallurgy; and tool design.

A foolish idea a day keeps the mind working, at least.

## Cub Pack 36 Meets

Cub Scout Pack #36, Old Bridge held a meeting recently at the Irwin School where awards were presented to the following:

Bobcat Badges: - M. Lynch, J. Eckert, R. Wilton, G. Avale, R. Morgan, and R. Bartlett. Wolf Badges: - Armstrong, and W. Maharty.

Golden Arrows: - Armstrong M. Goncharko received Two Silver Arrows, Denner Badge and a two year service star. William Geraczinski was awarded a two year service star.

One Year Service Stars were presented to Armstrong, J. Gallagher, R. Gressheim, R. Sinansky, W. McIntosh, K. Galvin, R. Bartlett, and R. Miller.

J. Henry received a graduating certificate.

Following presentation of the awards a songfest was held and Cub Scout games were played with all attending the meeting participating in the activities.

Various cub scouts displayed their hobbies and projects to their parents.

A cake sale was held following the regular meeting.

It was announced that the recent roller skating session was a success it was enjoyed by all especially the parents and the cry at the end of the evening was "When are we going again?" Well Committee, how about it?

The Cub Scout Pack #36 sent their thanks and appreciation to the K of C of South River for use of the Roller Rink.

## Paper Drive Set

Madison Park Boy Scout Troop #61 will conduct their paper drive on Saturday, November 26, the drive gets underway at 8:30 a.m. Residents of the area are urged to co-operate by placing scrap paper tied in bundles at the curb.

The Troop recently held a camporee at Durhernal Lake in Old Bridge. Accompanying the troop was Scoutmaster Herbert Bell and Assistant Scout Master Raymond Hottinger.

The Mothers Auxiliary of the troop met recently and completed plans for a theater party to be held on November 26.

All proceeds from the sale of scrap paper are used to further Scouting Activities in the area.

## New Era

cont from page 1

list of dignitaries at both the ground breaking and the luncheon were David T. Wilentz, Democratic national committeeman and Middlesex County Democratic chief; Salvatore Bontempo, State Commissioner of Conservation and Economic Development; Norman Tanzman, newly elected state assemblyman; Harold G. Smith, township attorney; Township committeeman Harry Messenger, John Keating, Victor O'Brien; Township committeeman - elect Joseph Hoff; former Board of Education President Richard Pine, who is the only elected Madison Township official from Cliffwood Beach; David Watson, tax collector; George Fiore, Tax assessor - elect; Mary Brown, township clerk; James Tortorice, Madison Township Industrial Commission chairman, who was master of ceremonies at the ground breaking and toast master at the luncheon; Henry Delbasco, Leon Arrowsmith, and Len Paff of the Zoning Board of Adjustment; Charles Aumick, and Harvey Neilson, building inspectors; Arnold Lauer, Joseph Sansone and Robert McMahon, township plumbing inspectors; Police Magistrate William Sladkus, Postmaster William Ohnsman, Lawrence Harbor;

Isadore Garber, former Township Official; Everett Hoffman, member of the planning board; Jack Morrison, vice president of the Bankers Trust Company, New York, and many other bankers, businessmen, architects and real estate brokers from all over the state.

Mayor Phillips, Mr. Wilentz, Commissioner Bontempo, Mr. Morrison and Mr. Tortorice were the principle speakers of the day.

Mayor Phillips strongly urged the various commercial representatives at the luncheon to look into the advantages of locating their new plants at the Golden Circle Industrial Park. He stated that the operators of the park and the officials of Madison Township are eager to prove that Madison Township is the finest place in which industry can locate. Phillips said that Madison Township has a reservoir of trained man power, ideal transportation facilities, and virtually unlimited gas, electric and water supplies. Industry locating in Madison Township will find cooperation at all levels, state, county, and municipal.

Mayor Phillips said, "As I turned the first spade full of earth for the first building at this site, I felt that Madison Township had arrived. I felt that we were about to make our place in the Industrial Community, a place for which we are ideally suited.

Madison Township, located in

the heart of Middlesex County, is in a unique position. We are in the middle of a region served by more miles of railroad tracks than any other county in the state.

We are in the heart of an area served by more than 500 common carrier trucks and bus lines. New Jersey Turnpike and the Garden State Parkway are two minutes away from us, and from the site chosen by the Golden Circle Industrial Park. Because of this wonderful location the Golden Circle Industrial Park will be at the crossroads of the East. More than one-third of the United States population is in close proximity to the area. The effective buying income of this group is over \$101 billion dollars annually. Major markets such as Cleveland, Washington, Baltimore and Philadelphia are only hours away. New York, the center of commerce of the world, is ONE HOUR away. We in Madison Township, however, recognize that industry must have MORE than location in order to flourish. It is of UTMOST IMPORTANCE that a FAVORABLE CLIMATE exists. We are well aware of the fact that the State of New Jersey has achieved pre-eminence as an industrial center by providing industry with FRIENDLY COOPERATION, FAVORABLE TAX RATES, and enlightened public officials.

I would like to state that OUR feelings here in Madison Township are no different from those

of the state officials. We recognize the NEEDS of industry and we intend to meet those needs in EVERY RESPECT.

We are aware that Madison Township must provide industry with a FAVORABLE CLIMATE and it is our EARNEST intention to do so. We recognize that the welfare of Madison Township is linked with the successful operation of local industry. We shall exercise a CONSERVATIVE assessment policy and offer FAIR AND CONSIDERATE TREATMENT in establishing values for tax purposes.

Following the lead of the state we have established a master zoning plan. It concentrates on planning toward the end that BOTH industry and home owners will benefit from a well planned and orderly growth."

Tribute was also paid to Industrial Commission Chairman Tortorice, and members Arthur Mott John Waugh, Edward Greene and Ray Brandenburg.

Mr. Wilentz lauded the efforts of the County freeholders and their stand for integrity in business and the importance of business to Middlesex County. He said that industry is the life-blood of the county. He also praised Mayor Phillips and his administration. He also advised the township fathers to keep the door locked to developments until Madison gets industry to help hold the tax rate down.

## Membership Up

The Madison Township Auxiliary Police were closer to their goal of 57 men as a result of accepting new members into the Reserve Organization.

The new members accepted into the unit at the regular meeting were Robert Norstrom, James Stanberry and James Higgins of Sayre Woods South and John Stalling of Central Park.

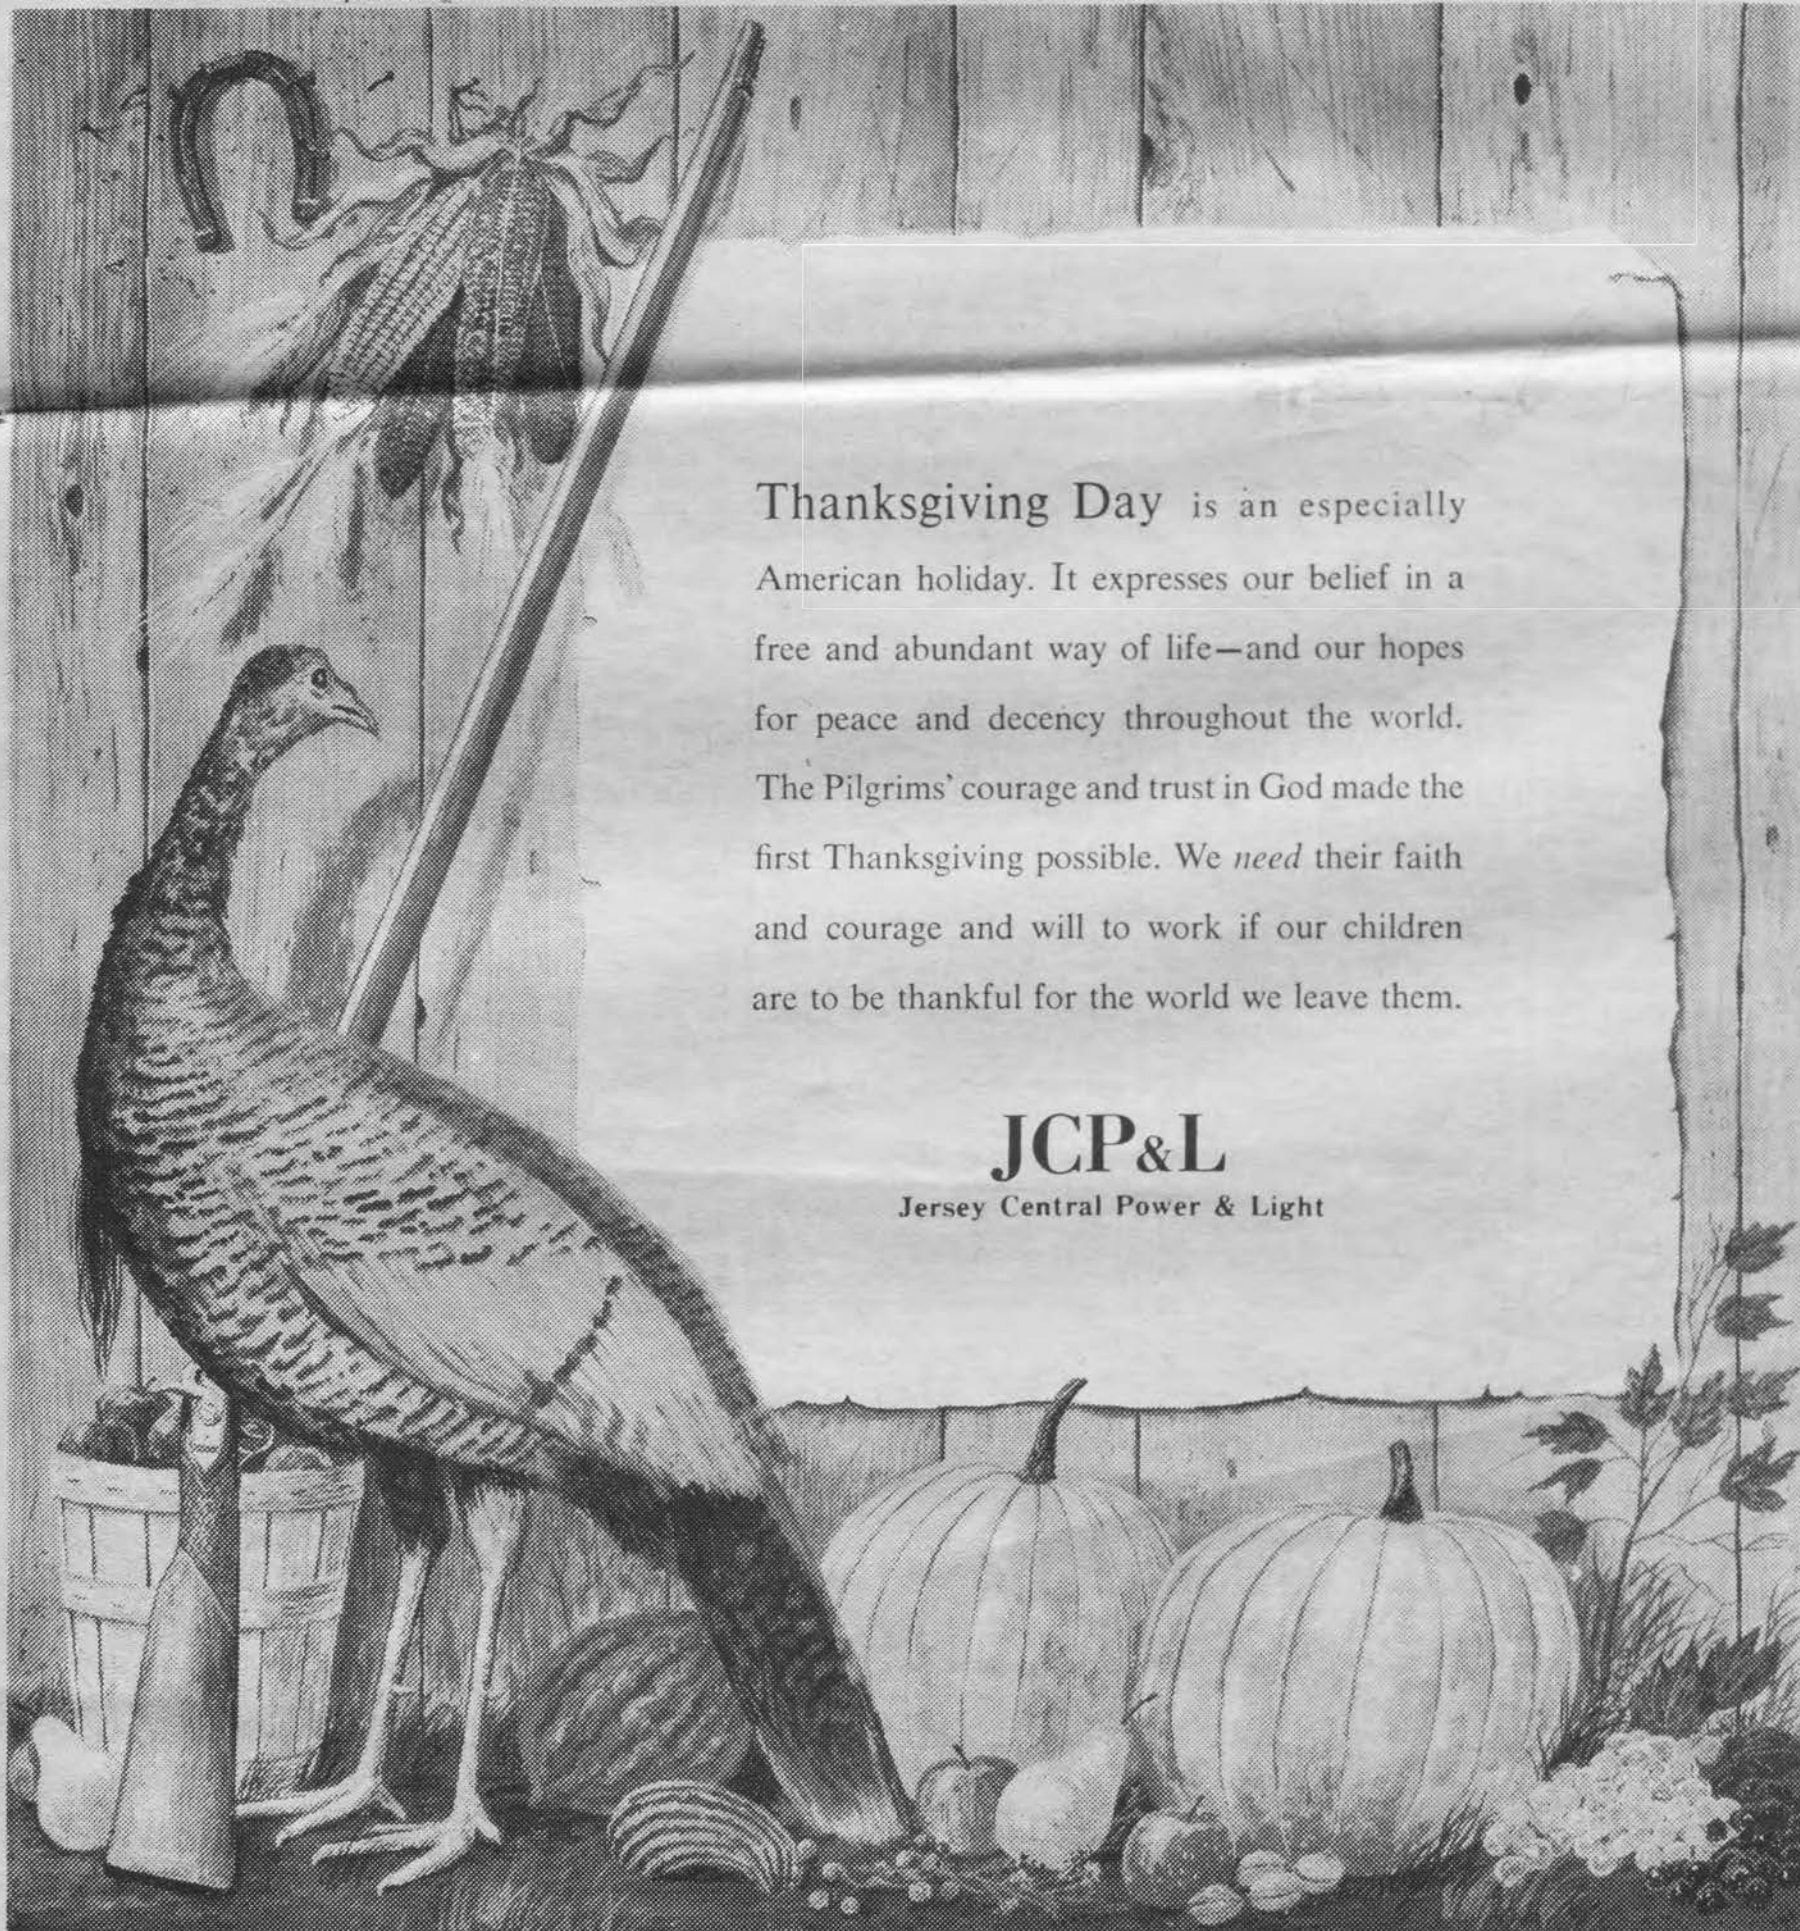

According to Captain Jack Faro, it is the hope of the unit to eventually reach a goal of 57 enlisted men lead by a captain, two lieutenants and six sergeants.

The present membership in the Police Auxiliary has now reached 36, new members are invited to join. For further information call Parkway 1-4000 or apply at the Madison Township Police Department. The unit is open to all male residents of Madison Township who are 21 years of age or older.

## Open Animal Hospital In Township

Dr. Earl Osterheld announced the opening of a new animal hospital on Alternate Route 18 south of Sayre Woods South.

Office hours are from 9 to 11 a.m.; 2 p.m. to 4 p.m. and from 7 p.m. to 8:30 p.m. every week day except Wednesday. It is believed to be the first animal hospital in Madison Township.

Thanksgiving Day is an especially American holiday. It expresses our belief in a free and abundant way of life—and our hopes for peace and decency throughout the world. The Pilgrims' courage and trust in God made the first Thanksgiving possible. We need their faith and courage and will to work if our children are to be thankful for the world we leave them.

### A Time to Know the Man With the Bible and the Gun

They seem very like you, these first Americans. The little girl, smiling across three centuries from under her coifed bonnet, can be your little girl. She can even, perhaps, be you. Dress her parents as you are dressed and they, like you, become faces in the American crowd. These Pilgrim people, your own spiritual ancestors, are a lot like you, even though they speak your tongue in the cadences of the King James Bible.

Yet there is a difference. The Renaissance, exploding over Europe, has hardly touched these sturdy folk. They are recreating in their own lives, on American soil, the far sterner folkways of the

Old Testament. And this is a thing to ponder long upon.

Because for their small number these steeple-hatted Pilgrims had an unbelievably stunning impact upon the American future. They left an impress of tremendous depth in the matrix of our American culture. For all the years that have turned between us, we are more like them than any other people from whose loins we have also sprung.

Today we are a world nation, a great composite and, we hope, a noble one. Men and women of every race and creed call the United States of America their

home. We are fashioned of all peoples. And this is good. Yet those things that all of us instinctively call American: the stubborn granite streak, the independent strain, the knack to improvise, the conscience that will not conform to the crowd, the flint-hard realism clothed in a chuckle, the Coolidge touch, the pithy advice to Trust in God . . . But Keep Your Powder Dry . . . these things come to us unchanged from Massachusetts Bay. They come from the man with the Bible and Blunderbuss. The man with the Book and the Gun.

We can be thankful for this. We should be.

## UNDER THE FENCE

cont from page 2

Raritan Blvd. and last summer my neighbor was very sick and I called a doctor for her. No doctor arrived, no phone call as to why no one came.

Recently another neighbor had a bad toothache and she called dentist after dentist couldn't get one only in a real emergency. What are we supposed to do when we need help of a medical nature? Drop dead I suppose.

I think it is a real shame and someone should do something about it.

I myself have a wonderful doctor in East Orange, N.J. but what if he was on an emergency and he couldn't get out here. Think about it?

Signed  
Worried Raritan Blvd.  
Resident

Dear Worried:

I would stop worrying. By the time your doctor ever got here from East Orange, your pains would be over for good. There are several doctors available now in Madison Township, more are moving in day by day.

If you ever have a real emergency, we'd suggest you call the local first aid squad, the boys would either get a doctor to you or you to the doctor. The first aid squads in Madison Township are on duty 24 hours around the clock and do a wonderful job. So stop worrying.

## Flag Presented To School

Crandall-Kossman Post 177, American Legion, Old Bridge presented an American Flag to St. Thomas the Apostle School at ceremonies held on Sunday in Old Bridge.

Pupils of Grades 3 to 6 participated in the program under the direction of Sister Mary Agnes, F.D.C., principal of St. Thomas School.

The ceremonies began with a procession during which the students sang "America". The flag was presented to the Rev. Walter French, pastor of the church by Legion Commander Frank Pignataro and James Ball, Americanism Chairman.

Father French presented a short address, after blessing the flag. The Post 177 Legion Honor Guard raised the flag on the school flag pole. Following the raising of the flag the students were led in a salute to the flag by Sister Agnes, following the children sang the Star Spangled Banner, the national anthem.

The ceremonies were closed with a procession to St. Thomas Church where Father French conducted benediction.

## Fire Company To Man The Pumps

Members of the Madison Park Fire Department will man the station pumps and do just about everything to be done at the gas station of George McDowell.

The proprietor of the gas station will allow members of the Madison Park Volunteer Fire Company to man the station on November 26.

Profits from the sale of all the gas and oil sold that day from 7 a.m. until 10 p.m. will be donated to the Madison Park Fire Department by the proprietor of the gas station.

Miss Judith A. Holden, daughter of Mr. and Mrs. Lawrence Holden of Highway #35, Laurence Harbor has received a letter of commendation from the National Merit Scholarship Corporation.

The letter revealed that she qualified in the top three per cent of the 580,000 Secondary School Seniors who took the test for 1960-61.

## Holiday Confection Tree

To help the young fry through those exciting, "isn't Santa here yet" days before Christmas, set their hands to stringing bright jelly drop candies and soft miniature marshmallows as trim for this gay caramel popcorn tree. Here's a wonderful gift to deck mantle or table with a festive air.

Divide the caramel corn as you would for balls, shape into trees and decorate, and presto — you have miniature trees to serve as name-card holders at a holiday party. They're such fun to make, so sure to delight, that this confection tree may well become a tradition at your house.

### Holiday Confection Tree

25 Caramels (7 ozs.)      Miniature Marshmallows  
2 tablespoons water      Spice jelly drops  
2 quarts popped corn, salted

Place the caramels and water in the top of a double boiler. Heat, stirring frequently, until caramels are melted and the sauce is smooth. Pour over the popcorn and toss until every kernel is coated. With hands slightly moistened with cold water, mold caramel corn into Christmas tree shape. Let stand until surface is dry.

With needle and thread, alternately string marshmallows and spice jelly drops. Beginning at the top, wind strings around the tree. Secure at several places with toothpicks. Insert birthday candle holders and candles in jelly drops. Top tree with a star secured with a toothpick. Place tree on a tray and garnish with holly leaves.

## St Thomas PTA Meeting Held

The St. Thomas PTA was advanced from a catechetical PTA to a full PTA at its last meeting. Mrs. William Tibbett, president of the Amboy Region of Parochial PTAs, presented the organization with a gavel in recognition of its new status.

Richard Tossel of the Esso Standard Oil Co. showed a film and spoke on "Traffic and Safety."

He advised his listeners to drive by the Golden Rule; you are your brother's keeper.

Sister Mary Agnes, F.D.C., principal, announced the PTA

will be host to the regional meeting May 10.

Mrs. Catherine Swope, drive chairman, reported the PTA has already gathered 1,040 books of green stamps and has renewed its drive to gather the remainder of the 4,667 books which will be exchanged for a school bus.

The Rev. Walter A. French, pastor, said each school child would be assigned a "territory" and will conduct a house-to-house campaign for green stamps. Prizes will be awarded to those students gathering the most stamps.

## Top Leaders Of Industry Set Meeting

Top leaders of the nation's industries gather in New York Dec. 7 for the 65th Annual Congress of American Industry sponsored by the National Association of Manufacturers.

Ralph J. Cordiner, chairman of the board of the General Electric Company, will address the annual dinner climaxing the Congress on Dec. 9.

The NAM's convention will open with a luncheon on Wednesday, Dec. 7, at the Waldorf-Astoria, at which the keynote address will be given by the association president, Rudolph F. Bannow, president of Bridgeport Machines, Inc. Senator Barry Goldwater of Arizona also will be a luncheon speaker during the three-day meeting.

"The Challenges of the New Age" will be the theme of the

Congress which will present other prominent speakers from the fields of government, education, labor, and industry.

The challenge in scientific fields will be discussed by Dr. Simon Ramo, executive vice president of Thompson Ramo Wooldridge Inc., one of the nation's foremost industrial scientists. The economic challenge will be analyzed by Arthur Rosenbaum, manager of economic research for Sears, Roebuck & Company; Dr. David McCord Wright, professor of economics and political science at McGill University; Stanley Rittenberg, AFL-CIO research director; and Don Paarlberg, special assistant to President Eisenhower.

Dr. Edward Litchfield, chancellor of the University of Pittsburgh, will discuss the educational challenge of the age, and labor-management relations will be analyzed by L. A. Petersen, president of the Otis Elevator Company, and by Arthur Goldberg, general counsel of the United Steelworkers of America.

## Catholic Daughters Meet

The Catholic Daughters Court Queenship of Mary #1743 held their meeting on Sunday November 20 at St. Bernadette's Church Hall a reception for new members was held at this meeting.

Those installed were Mrs. Anneliese Crefeld, Mrs. May Crowley, Mrs. Lillian Connolly, Mrs. Barbara Dombrowski, Mrs. Rosemary Franey, Mrs. Katherine Field, Mrs. Rose Fahey, Mrs. Gay Gsell, Mrs. Mary Healy, Mrs. Mary Alice Heimbuch, Mrs. Olive Hammel, Mrs. Olga Kurzawa, Mrs. Yvonne O'Neil, Mrs. Rita Painchard, Mrs. Mary Rusinko, Mrs. Angela Schneider, Mrs. Josephine Wilson, Mrs. Mary Wingler.

Also attending the installation were Miss Florence Gorman, State Regent; Mrs. Helen Gannon, State Treasurer; District Deputies, Virginia Kirwin and Mrs. Jessie Bunting; Visiting Courts, Miss Shirley Lacey, Monitor of Court Queenship of the Universe; Mrs. Pat Morrison and Mrs. Mary Lacey of the Court Queenship of the Universe; Mrs. Gloria Nosakow-

ski, Grand Regent of Court Victorian in Sayreville; Agnes Green and Mrs. McTamney of Court San Salvatore of Perth Amboy.

Following the business portion of the meeting a buffet supper was served. Mrs. Betty McGee served as chairlady for the affair.

Telephone Parkway 1-3207 or write Mrs. IRENE WHITE, 22 Princeton Road, Parlin, N.J. . . We wish all our many readers a Happy Thanksgiving.

"OSWALD - It is often said that nothing reveals the depths of one's friendship of the loyalty of relatives like death. In our recent hour of bereavement of our beloved father, grandfather and great - grandfather, Robert L. Oswald, it was comforting and encouraging, yes, inspiring, to suddenly find so many true friends and loyal relatives at our side offering words of sympathy and condolence. Many thanks to our thoughtful and obliging funeral directors, of Mason - Wilson Funeral Home, for efficient service rendered. Special thanks to Rev. W. E. Webster of the Laurence Harbor Community Church for his spiritual guidance. We wish to thank the Englehart Industries Sunshine Club; Local 1668, C.A.W. C.I.O., of Newark; Republic Aviation Corp; Republic Employees, 14 shop, Long Island, N.Y.; Bon Temp Club; Choirs and Sunday School of the Laurence Harbor Community Church; Ladies Auxiliary of Laurence Harbor Fire Co. #1, Laurence Harbor, N.J.; Rotary Metal Slitting of Hillside; A. & P. Employees of Elizabeth; Motor Vehicle Inspectors Group C 1, of Jersey City, N.J.; and many others for their floral tributes and assistance. Bereaved Sons, Daughters, Grandchildren and Great - grandchildren.

### JEWISH COMMUNITY CENTER

The Jewish Community Center of Madison Township, Congregation Beth Ohr will hold services Friday night, 8:15 P.M. at the Madison Park Public School, November 25, 1960.

Rabbi Mendel Abrams, spiritual leader of the congregation, will deliver a sermon on "Jacob and Joab."

The Oneg Shabbat following the service will be sponsored by Mr. and Mrs. Jerome Hoberman, Mr. and Mrs. Seymour Sass in honor of their respective son's birthdays and Mr. and Mrs. Paul Illman in honor of their Anniversary.

### School Nurse Guest Speaker

At the recent meeting of the Willis Junior High PTA, held at the Willis School on Highway 18 and Matawan Road, Mrs. Martha Kiel, School Nurse was guest speaker.

Mrs. Kiel explained what care will be given to students in the event of sickness and accidents occurring during the school hours, she expressed the importance of the school having the names of the local family doctor, children could be taken to and the names and addresses of neighbors who will care for them in the parents absence.

Mrs. Kiel stated that T.B. Patch Tests will be given students in Kindergarten and grades 1-3-4 and 8th grades with permission slips from parents, she also stressed the importance of everyone having their polio shots below the age of 50.

Mr. Lloyd Burlew, principal thanked the parents for attending the Open House Program which preceded the regular meeting of the PTA.

Mr. Zizik, president who presided at the meeting announced the "Ghost and Goblin's Dance" held on Halloween for the 7th

and 8th graders was a success over 50 students attended and the Costume Prizes were awarded to Michael Gashorn, Francis Frizerwicz and Karen Moffett.

Mr. Gerald Hungerhubler reported the membership of the PTA at 127.

The Willis PTA was represented at the largest PTA Convention in 60 years held in Atlantic City by Mr. Casimir Zizik, Mr. Joseph Germaine, Mr. R. Tracy, Mrs. Gerald Hawkins and Mr. Joseph Borowski.

The Willis PTA was especially proud to have sent two of the teachers to the convention this year.

Mrs. Daniel Scheffler and Mrs. Harold DeHart attended Life Member ceremonies at the PTA Convention held in Atlantic City.

### CIVIC NEWS

Miss Marguerite Castello, Vice - Chairman of the Mid-Madison Civic Association, conducted the recent meeting of the group, held at the Hill Lanes Community Hall. Refreshments were served after the meeting. Plans for a Christmas party, to be held in the near future, will be discussed at the next regular meeting of the group on Thursday, Dec. 1, at 8 p.m.

### Auxiliary Meets

The regular meeting of the Laurence Harbor Little League Women's Auxiliary was held recently at Byrnes Hall on Highway #35, Laurence Harbor.

Mrs. John Phillips, president of the group presided at the meeting.

Plans are in the making for a Christmas Party to be held on December 10th. Both men and women of the Little League will participate in the affair.

Mrs. Crozier has been named as chairman of the Christmas Party and Mrs. Lund and Mrs. Baxter will serve as co-chairmen.

A penny sale to be held sometime in January was placed on the agenda and it is hoped that the affair will be a huge success, all monies derived from these fund raising projects are used for Little League Activities.

Mrs. Robert Sand was named as publicity chairman for the group for the season.

The next regular monthly meeting of the group will take place on December 1st at 7:30 p.m. at Byrnes Hall on Route 35, Laurence Harbor.

The group is still conducting a membership drive in the area and all mothers of Little League Players as well as any other interested women are invited to join the League Auxiliary. It is hoped that the Laurence Harbor-Cliffwood Beach Little League will be able to put several new teams in the field during the 1961 playing season, this can only be accomplished by close work on the part of the Little League members and auxiliary.

### Membership Now 64 At PTA

Membership of the Whited-Brown PTA now stands at 64, it was announced by the membership committee at a recent meeting of the group held in the Whited-Brown School.

Miss Christine Swida a second grade teacher was elected treasurer of the group. The

### Student Council

An interim or temporary student council, composed of representatives elected by the present 6th, 7th and 8th grades in the Madison Township Schools and also the 9th grades in receiving schools, will be formed after the first of the year. These boys and girls will meet with Principal Kenneth V. Smida to draw up preliminary plans for student participation in the opening of school and to discuss matters of interest to the new student body. The selection of the school colors, student orientation, student dress code, student handbook are several of the matters which will be acted upon by this group. It is expected that this council will meet three or four times during the spring and will function until the permanent organization is established in the fall of 1961.
