Third Party Forming in Township

With the formal announcement of a proposed formation of a Federation of Civic Organizations of Madison Township, many political leaders in Madison Township feel that the formation of another third party is in

In the history of Madison Township many civic organizations and other so called non-partisan, nonpolitical groups have been formed. However, it is only a short time later, that these non-partisan, non-political groups come up with a slate of candidates either for the Board of Education or Township Committee.

Civic Organizations and associations play an important part in our town. These local groups report various conditions on a local level to the proper authorities for their action. In some cases the situation is taken care of, in some instances the Township Committee or the local Board of Education decide against the recommendation of the civic organization because they feel what they are doing is in the best interest to all of Madison Township.

We, do not believe in Third Party's whether they be Communist, Socialist, Fusion, Confusion or what have you. We firmly believe in a strong two party system. With Republicans opposing Democrats both on a local, county, state and national level. We feel that if anyone is interested in politics then they should join either the Republican or Democratic Party, not try to ride a fence.

When a civic association takes part in a political campaign supporting, either Republican or Democratic or so called Independent Candidates, the break-up of the civic association, soon follows.

There is no need for a Third Party in Madison

If either Republicans or Democrats feel that their party leaders are not doing a good job in selecting candidates for Township Committee and other offices, then the fight should be confined to the Primary Election, there have been many inter-party fights in Madison Township and in most instances both political parties have emerged stronger because of the inter-party fights.

Mr. Businessman!

This is what Madison Township has to offer you: MANPOWER - Easy recruitment of skilled and capable men and women for all types of industry.

GOVERNMENT - Friendly to business and a deal on

taxes which would be to your liking.

SITES - Excellent air, rail water and highway transportation facilities.

MARKETS - Within easy reach of all metropolitan markets and a natural gateway to New York, Philadelphia and all points north, east, south and west.

If you're smart, you'll investigate and see for yourself

what a natural Our Town is.

YOU NEED US AND WE NEED YOU! LET'S GET TOGETHER!

Rabbi Mendel Abrams, spiritual leader of the Jewish Community Center of Madison Township, Congregation Beth Ohr, will deliver a sermon "Land of our fathers" at the 8:15 p.m. service tomorrow night at the Madison Park Public School.

The Sisterhood of the congregation will sponsor the Oneg Shabbat following the service.

On Saturday morning, December 3, 1960 at 10:00 a.m. Ronald Weinstein, son of Mr. and Mrs. Michael Weinstein will celebrate his Bar Mitzvoh at the Madison

Services Announced Park Fire House. The Congregation of Beth Ohr Temple are inon this happy occasion. This will be the first Bar Mitzvoh of the year. The Sisterhood will present Ronald with their customary gift and Kiddush will follow at the conclusion of the service. Rabbi Abrams will officiate.

Registration Opens Dec. 5

Newark College of Engineering has announced that registration opens December 5 for the 12-week winter term of the special courses evening division. New students are invited to enroll

DAIRY FOODS

HOME DELIVERIES

starting that date through December 8. The dates for former students are December 12 through 15. Hours in both cases are from 9 a.m. to 4 p.m. and from 6 to 8:30 p.m. in Cullimore Hall, 70 Summit St.

The division, with a current enrollment of over 1100 men and women, offers a total of 71 different courses designed for engineering technicians in industry and business. Courses may be taken separately or as part of a two- or three-year program awarding a certificate upon completion. Classes are conducted from 7 to 10 p.m. Monday through Friday.

Programs included in the winter term, which starts January 4, 1961, are as follows: architectural practice; building construction technology; civil engineering technology; electrical technology; industrial supervision; maintenance technology; mechanical design; plastics technology; refrigeration and air conditioning technology; technology; refrigeration and air conditioning technology; technology of metallurgy; and tool design.

Heads Park Little League

Harold Wilson was elected president of the Little League this week in the Madison Park School.

Others elected were: Frank Lang, vice president; Edward Lee, treasurer; Richard Wenng, secretary; Patrick Gill, player agent; and Lawrence Redmond, business manager, Managers and co-managers

selected for the leagues were

as follows:

Major League - Red Sox, Lee and Lang; Dodgers, Gerald Holzer and William Beyer; Yankees, Wenng and John Hogan; and Giants, Redmond and Arthur Mautner.

Minor League - White Sox, John Maher and James Gordon; Cubs, Thomas Frank; Cardinals, Thomas O'Brien and Neil

O'Donnell.

Plans for the new playing field adjacent to the firehouse were discussed. More fathers are needed to help prepare the field and to act as managers and

The membership will meet Dec. 7 at 8:30 p.m. in the school,

Fire Company **New Years Eve Dance**

Madison Park Firemen and their Auxiliary plan to welcome in the New Year of 1961 in more than traditional fashion, plans have been made to sponsor a gala New Year's Eve Dance.

The dance will be sponsored jointly by the Madison Park Volunteer Fire Company and the Madison Park Volunteer Fire Company Ladies Auxiliary, the dance will get underway at 10:00 p.m. on Saturday, December 31, 1960 at the Madison Park Firehouse on Cheesequake Road (near Bordentown Avenue).

Music for the affair will be furnished by the John A. Quar-

Under The Fence

the latest one in the Old Bridge area, the way we got the story is that construction of the new library was held up. Evidently a woman living near the library is objecting to the building. We hear that she threatened to shoot any construction workers on the site, The fella's feel a little safe at the present time because they are working on the cellar and the foundaton and are below ground (sort of a bullet proof shelter). What happens when they come above the ground? Who knows? If you hear any gun reports and you don't see any hunters in the area. She might have kept her promise.

ELECTRIC FOR ELECTRIC CITY??? The Jersey Central Power and Light have applied to the Madison Township Zoning Board to extend the zoning on Englishtown Road, for more than the 300 foot depth in the ordinance. Some think that a power station will be set up in the area, Electric power for Electric City? We think not, the way we hear it is, that the Jersey Central Power and Light will construct an office building and storage area. Tune in the next meeting of the Zoning Board of Adjustment and get the scoop?

BIG BUILD UP: Quite a few cars parked over at the Smith house on Princeton Road in Madison Park. The young township attorney may be making a move for an Assembly post for the primary election, Smith has many supporters in Madison Township and Perth Amboy and is well liked. From the way things look they'll soon be forming a SMITH for ASSEMBLY Club. Much of Smith's support will come from the SayreWoods South Area and the Young Democrats of Madison Township, Smith is also strong in Madison Park and Laurence Harbor, His strongest support however, might come from the Dublin section of Perth Amboy, where Secretary of State Edward Patten resides. Patten is still one of the abliest leaders in Middlesex County. Several of Smith's friends have been seen talking to political leaders in nearby Sayreville. From the looks of things the Madison Township attorney is moving up. Rumor has it that Chairman Walter Municipal Staeger will give his blessings.

POLICE DEPARTMENT: Police Chief Edward Adler of

FEUDING AND FUSSING: Hear | the Madison Township Police Department will soon ask the Township Committee for more men. At least another appointment will be made to the defective force, this will enable the police to have an investigator on duty around the clock, Committeeman Victor O'Brien is strong on the idea of replacing special officers at the desk with regular police officers. The way we get the rumor is that O'Brien who heads the police department is checking into costs of operation with the specials. If the cost comes close to what regular officers will cost, out go the specials. Rumor in the police department that the committee might purchase or rent Plymouths, Several other area police departments have had better results with them. How about some more money for the Police Magistrate when you are figuring out the budget? We think he's doing a pretty good job and the pay can be boosted. Judge will soon wage an all out war on speeders in Madison Township, it'll get mighty unhealthy to speed in Madison Township.

> FIRE DEPARTMENT: The Madison Park Fire Department will soon as the residents of Madison Park to vote on a Fire District Question. We understand that the move will be made as soon as several details are ironed out with the Cheesequake Fire Company. The reason for the Fire District. Same old one. MONEY. . . Firemen have been disappointed with the response given their various fund drives, the receipts have always fallen way below the goal set by the "smoke-eaters". The increase in taxes would amount to an estimated \$1,00 per month. Let's face it! It costs money to operate any type of business and cost have steadily risen, however cash receipts have failed to increase.

> ROAD DEPARTMENT: How about taking care of Bushnell Road up in SayreWoods South? Quite a few automobiles are now using the road and it gets in pretty sad shape at times. How about paying the road? We don't think much of just oiling it and patching a few holes, you no sooner finist it up then you have to start the same process all over again? Rumor has it that Madison Township might be in the market for a Road Sweeper? Many of the roads could stand a shovel to remove some of the

Death Didn't Take A Holiday

One veteran police officer shaking his head and stating "In all my many years on the police force this is about one of the worst accidents, I've ever seen". A unidentified woman spectator moaned softly and cried "What a tragic loss of youth, they look so young". These statements were typical of reaction to the crash which took two lives on Street and Ronald Walter Kalieta,

Route 516, just south of the old Town Hall building on "death highway" formerly known as Route 18.

The two New Brunswick men were killed instantly and their car demolished when it struck a tree at approximately 3:30 p.m.

March Of Dimes Campaign Underway

"Two other crippling diseases that dwarf polio in human tragedy, despair and cost - birth defects and arthritis - are being attacked with vigor, hope and confidence,"
H. Burr Gibson, of Metuchen, national fund raising chairman of The National Foundation told 215 leaders and key volunteers of the Middlesex County New March of Dimes recently at the organiza-tion's kick-off dinner at the Presbyterian Center, in Perth Amboy.

Gibson reminded the county group that "birth defects cripple one out of every 16 babies born in the U.S. and that arthritis and rheumatism afflict 11,000,-000 Americans." He also revealed that although the polio vaccine has severely decreased the incidence of polio, "over 85,000,000 Americans remain unvaccinated, 5,000,000 of whom are under school age - the most vulnerable."

The national official commented that it is ironic that man can make incredible progress in space and other technical fields, but is still puzzled by a devastating disease like arthritis, the cause of which is unknown. quate funds raised by the New March of Dimes volunteers will ultimately discover the causes and cures for arthritis and birth defects," he declared.

Gibson listed five reasons why the New March of Dimes is equipped to reach these goals: 1- The successful record of the March of Dimes shows that it helped discover the Salk polio vaccine by providing funds, 2- The MOD emphasizes a heavy birth defects and arthritis research program, which is the key to vital progress. 3- Professional educational programs sponsored by the MOD train future scientists, nurses and technicians, 4- The organization's extensive patient aid program has helped thousands. 5- The National Foundation is dedicated to serving the afflicted

and will continue to.

Dr. Lester H. Clee, state director of the New March of Dimes, announced that New Jersey's financial goal for the 1961 campaign is \$1,388,000.

Auxiliary Elects New Staff

Mrs. William Thorpe was elected president of the Ladies Auxiliary of the Madison Park Volunteer Fire Company at the last regular meeting of the group.

Slated to serve with Mrs. Thorpe are Mrs. Robert Ogg, vice president; Mrs. Edward Green, secretary and Mrs. Albert Stevenson as treasurer.

It was announced by the membership that as of January 1, 1961 membership will be open to any women interested in helping the fire company, whether or not her husband is a fireman. Anyone interested should contact the membership chairman, Mrs. Robert Ogg.

The auxiliary will hold a Christmas Party at Kenny Acres, Woodbridge, on December 18. Plans are also being made for

a card party to be sponsored by the auxiliary on February 15th at the Madison Park Firehouse.

The next regular business meeting of the auxiliary will be held on January 16, 1961 p.m. at the firehouse on Cheesequake

Middlesex County's quota is \$80,000, which amounts to about

20¢ per resident, it was pointed

Dr. Clee said that although he was gratified by the success of the polio vaccine, he considers it "a great challenge, as well as a privilege, to participate in the mighty battle against birth defects and athritis. Think of the millions of people we can help in this noble and essential cause! Place yourselves in their unfortunate positions, if you can, then you will raise the money needed to win this terrible war of disease against humanity," he said.

Duffy, who was praised by Clee, covered the chapter's achievements and expressed thanks for the cooperation of numerous persons and organizations. He exhorted the county volunteers "to succeed again."

Duffy presented citations for "distinguished MOD service" to Mrs. Elizabeth Lyons, of East Brunswick, chairman of Women's Activities in the county, and Mrs. E. Duschock, of Perth Amboy, representing the Council of Home and School Associations. She also donated \$375,00.

Perth Amboy Mayor James J. Flynn, Jr. presented Clee with a gold key to the city. Flynn praised the MOD for "its fine and compassionate work" and also lauded Duffy for his leadership and accomplishments.

Also addressing the capacity crowd were Robert Jones, state representative of The National Foundation; Col. Franklin G. Rothwell, of Camp Kilmer; Mrs. Olga Becker, Madison Township, exec. secretary; Mrs. Vern Hoffman, Perth Amboy, her aide; Mrs. Lyons; and Miss Joan Perry, of Perth Amboy, national chairman of the New March of Dimes Teen - Age - Program. Several others were introduced

The Rev. Arthur Matott, of the First Presbyterian Church, Perth Amboy, delivered the invo-cation and benediction.

Magic Show Set For Harbor

The Holy Name Society of St. Lawrence Church, Laurence Harbor are sponsoring a Magic Show to be held in the church auditorium.

The show is called "World of Magic" featuring Joe Cossari, nationally famous magician with musical novelties by internationally known Ted Lester.

Mr. Cossari, is billed as "The King of the Cards" and was awarded first prize at the 1960 Convention for Manipulation at the Magicians Alliance of the Eastern States.

The show will be held at St. Lawrence Auditorium on Sunday, December 4, 1960 at 8:00 p.m. Admission to this interesting Magic Show is only \$1.00, Residents of Madison Township are urged to attend the affair, tickets may be purchased at the door.

Bazaar Planned

The American Legion Auxiliary Unit #332 of Laurence Har-bor will hold a Bazaar on Saturday, December 3 at the Legion Home on Summerfield Avenue.

All residents of Madison Township and their friends are invited to attend the affair.

21 of Easton Avenue.

Madison Township police reported that the car owned by Mc-Carthy was being driven by Kalieta, plunged off a straight sec-tion of the road and struck a tree and just seemed to fall apart as if a giant can-opener was used on the vehicle.

The car was reported to be headed towards New Brunswick when the driver apparently lost control at a high rate of speed and veered off the road near the entrance to the Madison Township High School site, the road was dry and visibility was good at the time of the collision.

The car hit the tree with terrific impact scattering wreckage and other debris over a wide area. Police reported that the driver still had his hand on the steering wheel of the car, in the front seat, McCarthy was thrown into the back seat of the car by the force of the impact.

Rev. Girard, assistant at St. Thomas's R.C. Church administered last rites to both victims. Dr. S. J. Ambrosio, pronounced both men dead and Dr. Collin E. Lewis, assistant county medical examiner, investigated.
The Old Bridge First Aid

and Rescue Squad responded to the scene as a result of the accident.

The bodies were removed from the accident scene by William Eckman, County Morgue-Keeper.

McCarthy and Kalieta became the 57th and 58th persons to die in traffic accidents in Middlesex County for 1960.

Legion Auxiliary To Meet

Miss Mary Reiher, president of the American Legion Auxiliary Laurence Harbor Unit 332 announced that meetings of the Ladies Auxiliary will be held on the 2nd and 4th Monday of each month, the next regular meeting of the Auxiliary will be held on December 5th at the Legion Home on Summerfield Avenue, Laurence Harbor.

Other officers of the Auxiliary are Mrs. Rollin Rathbun, recording secretary and Mrs. Andrew Carver, Corresponding

Secretary. Wives and daughters of eligible veterans are invited to join the Legion Auxiliary for further information regarding the

Legion Auxiliary please call LOwell 6-3366.

Several interesting booths will be made available to the general public and refreshments will be on hand.

Won't you please support your Legion Auxiliary and attend the

Meetings Set For Hoffman Prince

William J. Trinkner, Com-mander of the Hoffman-Prince Post #2672 V.F.W. announced that meetings of the group are held on the 2nd and 4th Tuesday of each month at 8:00 p.m.

The meetings are held at the Post temporary headquarters at Byrnes Hall on Route 35, Laurence Harbor, near the Post Office.

Mrs. Gladys M. Trinkner serves as president of the V. F.W. Auxiliary, meetings of the Auxiliary are held on the 1st and 3rd Tuesday of each month at the Post Temporary Headquarters at Byrnes Hall, Highway 35.

The post plans expansion in the membership and plans are underway for a Post Home. Eligible residents of the Laurence Harbor-Cliffwood Beach area are invited to join the local Hoffman Prince V.F.W. Post, for additional information call LOwell

Harbor-Beach PTA To Meet

Mrs. Joseph Deerin, president of the Laurence Harbor-Cliff-wood Beach PTA announced that regular monthly meeting of the PTA will be held at the Laurence Harbor Memorial School on Ely Avenue on Monday, December 5th at 8:00 p.m.

Mrs. Deerin announced that a very interesting program will be conducted at the PTA meeting and urged that all members of the group plan to attend the af-

Parents of children attending school in the Laurence Harbor area are invited to join the local PTA.

Other officers serving with Mrs. Deerin are Mrs. V. Applegate, 1st vice president; Mrs. T. Krumenaker, 2nd vice president; Mrs. D. Weston, Corresponding Secretary; Mrs. W. Scherer, 3rd Vice-president; Mrs. C. Devecka, recording se-cretary and Mr. R. McDonald, Treasurer.

For additional information regarding the Laurence Harbor-Cliffwood Beach PTA please call LOwell 6-0835.

SWS Dems Endorse Bus Service

The Sayre Woods South Demo-cratic Club's Board of Trustees in conjunction with the Democratic County Committeemen from districts 9 and 10 of Sayre Woods South held a special meeting and decided in favor of the proposed bus routes in Sayre Woods South as discussed at the Madison Township Meeting of November 21.

Receive \$6,000 Settlement

As a result of an accident in which they both suffered injuries Clara Cazazza of 216 Hillcrest Avenue, Laurence Harbor and John Douglas, 233 Broadway, Union Beach, received a settle-ment of \$6,000 from the Asbury Park Transit Co.

The accident occurred on March 28, 1959 in the vicinity of the Morgan Bridge, it was an icy road and the car driven by Clara Cazazza skidded and was brought under control at the curb and parked by the driver. John Douglas also skidded and he too managed to park his car when a bus driven by George Richdale and owned by the Asbury Park Transit Co. skidded and ran in the rear of both the Cazazza and Douglas automobiles.

As a result of law case before Judge Saul Schecter, Superior Court the pair were awarded \$6,000.

Attorney's for Cazazza and Douglas were Henry M. Spitzer of Perth Amboy and Harold Smith of Madison Park, Smith serves as Township attorney for Madison Township, both lawyers are from the Wilentz, Spitzer, Goldman and Sills Law Firm of Perth

Amboy, New Jersey.
Representing the Asbury Park Transit Co. and it's driver, Richdale was John Sheehy of Jersey

Additional Members

New members are needed to fill a shortage that exists in the ranks of the Madison Park Fire Department, especially the day shift.

Residents of Madison Park who are interested in joining the company are urged to contact Paul Epstein.

The Cheesequake Fire Company will sponsor a buffet dinner and dance on New Years Eve at the Cheesequake Fire House. . . Tickets are now on sale for \$15 per couple all the food, drink and noisemakers are included. The dance will be from 10:00 p.m. until 4 a.m. Tickets will be sold on a first come first served basis. There are a limited amount of tickets only 200 tickets to accomodate 100 couples will be available so hurry and purchase yours now.

The Cheesequake Independent Fire Company will hold their monthly Dance this Saturday at the Cheesequake Fire House . . . Tickets are on sale at the door. All residents of Madison Township are invited to attend the affair and help support the local fire company. Refreshments are available. Plenty of fun.

LIBRARY BOND: The SayreWoods South Civic Association purchased the first Bond #1001 from the Old Bridge Library group. Bonds are on sale for \$100 each. (left to right) J. Busch, correspond-

ing secretary, John Jacanoetti, president of the SayreWoods South Civic Association and Mrs. Diane Palmer of the Library Group.

Winter Driving Practices

A University of Wisconsin research professor who has conducted winter driving tests on Wisconsin's ice and snow for the past dozen years has revealed that some winter tire advertisers occasionally "get carried away and present misleading information which is unfair to the majority of companies which stick to factual information.

He calls attention to a national safety committee resolution warning that "misleading advertising concerning non-skid properties of tires can become an indirect cause of costly traffic tie-ups and painful accidents by leading motorists into taking risks of which they are not fully aware.'

He is Prof. Archie H. Easton, director of the Motor Vehicle Research Laboratory at the University of Wisconsin, who points to results of comprehensive tests by the National Safety Council's Committee on Winter Driving Hazards. He is chairman of the committee and is described as the outstanding authority on "coefficients of friction as related to winter road surfaces."

Prof. Easton's favorite subject, when he isn't teaching his engineering classes at the University, is to talk about the facts of safe winter driving. He points out that during snow-ice months rural traffic death rates are three times higher than in urban areas.

Having risked his limbs and life time and again in winter test driving, Easton can tell about hundreds of test results with all types of vehicles, tire treads and chains to reduce dangers of skidding or stalling. He recommends that all snow-belt drivers, particularly those in rural communities, study the fol-

Library Planned For High School

Students at the new Madison Township High School will not only have the use of extensive facilities in the library itself, but will also find the library being brought to their classrooms.

Recognizing the significance of broad library services in the total educational program, provision has been made for teachers to petition the librarian to compile materials pertinent to their needs and to have these brought to the classroom for use by the pupils.

In addition, instruction in the use of facilities will be provided for classes by the library staff. The library will be open to the pupils before and after school hours as well as during the day.

Located in almost the exact center of the building, the library of the new Madison Township High School will be easily accessible to all students. A total of 2640 square feet has been dedicated to library use. The main area will seat 100 pupils and will house the school's collection of books and reference materials. At one end of the large room is found a conference room which is separated from the main area by glass and metal partitions. This will provide a sound proof place for groups using library materials who wish to confer about their work without disturbing the others. The library stack room and the librarian's work area adjoin this room as does the audio visual storage room.

It is expected that the collection of books will exceed 12,000 within three years.

lowing facts:
WINTER STARTING -- When it comes to starting and pulling ability on glare ice, snow tires are 28 per cent better than regular tires; regular tire chains are 231 per cent better, while reinforced tire chains are 409 per cent better. On loosely packed snow, the snow tires are 51 per cent better than regular tires, whereas reinforced tire chains provide 313 per cent better trac-

STOPPING ABILITY -- On glare ice, at only 20 mph, braking distances for regular tires average 195 feet. Snow tires take 174 feet, regular tire chains 99 feet, and reinforced tire chains 77 feet. At 20 mph on loosely packed snow, regular tires stop-ped in 60 feet, snow tires 52 feet, regular tire chains 46 feet, and reinforced tire chains 38

BASIC CONCLUSIONS -- Prof. Easton summarizes other basic conclusions from his winter driving tests, to aid drivers in 43 snow-belt states just before severe weather and road conditions set in, as follows:

1. The most hazardous winter surface condition is ice near or at the freezing temperature;

2. Braking distances on winter surfaces are 3 to 12 times as great as those on bare pavement;

3. Tires and traction devices listed in the approximate order of increasing effectiveness on winter surfaces are as follows:

A. Smooth tires - very poor in cornering. Should not be used.

B. Regular Tires - inadequate under many winter condi-

C. Winterized tire (tread treatment or breakout material) - provide better traction on ice, not much im-provement in snow over regular tires.

D. Mud-snow modern design provide better snow and ice traction than regular tires.

E. Embedded metal coils, serpentine ribs - provide better snow and ice traction than regular tires. Effective on wet ice.

F. Sanders - performance outstanding in traction on ice

G. Regular round wire tire chains - Good stop-and-go performance on ice and snow. Side-skid resistance low compared to reinforced tire chains.

H. Reinforced tire chains best in overall performance on both ice and snow.

WHAT TO DO?-- A driver should select the tire that best suits his situation and supplement it by always having reinforced tire chains available in the car trunk. They are often

needed for severe conditions.

2. Pump brakes to reduce skidding, maintain steering control, and shorten stopping distance. Use brakes judiciously to evaluate road surface if questionable.

3. If a vehicle begins to skid, the driver should reduce the power and turn the steering wheel in the direction of the rear end skid until recovery begins.

4. The application of power and steering forces should be gradual and smooth on winter surfaces.

5. Use recommended tire pressures for best tire performance on ice.

Santa Claus Is Coming To Town

You may recall that last year, as a special favor to your First Aid Squad, Santa Claus visited the children of Madison Park in their homes. He brought gifts and joy into their homes and into their hearts.

Well . . . he liked us enough to

The "Jolly One" will be with us four evenings this year . . .; Tuesday, Wednesday, Thursday and Friday of Christmas week. (That's December 20, 21, 22,23).

TUESDAY NIGHT he will take care of the kiddies on Princeton and Harvard Roads, as well as

Christmas Shopping Sew Easy With New "How-To" Library

Even the youngest members of the family have Christmas

shopping problems.

Each year the list seems to get bigger, but unfortunately piggy banks and allowances can go so far. Special people like Mom and Dad take the bulk of their savings with the remainder having to be stretched for other members of the family and friends. Big gifts or small, youngsters take great pride in selections and even the most inexpensive item has to be one they know the recipient

will enjoy.

An ideal gift for those on their list who sew is one or more of the "how-to" books from Singer's sewing library, available at variety, chain and

department stores. Only twentyfive cents each, these attractive paper bound books are pocket size with each book featuring a different subject on sewing for both fashion and the home. There are twelve books, eight on fashion and four on home decorating, with each one cover-

ing every phase of its particu-lar subject in complete detail. Grandmother, sis or teacher would welcome one of these attractive books that can be added to on other "gift-giving" occasions. Mom might even take a hint from the younger set and add these to her list for stocking stuffers, Church bazaars and those special little gifts that crop up on her shopping

Rt. No. 9 and Circle "L" Ranch. WEDNESDAY NIGHT he will visit Wellesley, Purdue, Buck-nell, Fordham, Columbia and Temple Roads . . . and Colby

and Amherst Courts.

THURSDAY NIGHT it will be the children on Bordentown Avenue, Cheesequake, Cornell, Yale, Clemson and Brandeis Roads . . . and Bates and Duke Courts, whose homes will be brightened by Old St. Nick.

FRIDAY NIGHT the Yule Tide will sparkle on Ernston, Rutgers, Villanova, Georgetown, Lehigh and Dartmouth Roads and Brown Court.

If your children missed a visit from Santa last year, we'll bet they were disappointed. Don't let it happen again this year. Don't let them see the 'Bearded One" visiting next door . . . or across the street, and NOT at their home. Not when it is so easy to have him stop at your house.

This year between the hours of 10 a.m. and 2 p.m. on Saturday, December 17th bring an appropriatly wrapped gift, for each of your children, to the Fire House. This and your \$1.00 donation (regardless of how many kiddles in your home) is all that is necessary to be placed on Santa's visitation list,

Every effort will be made to visit the younger children first, starting at 6 p.m., nightly.

Have your cameras ready to record this high-lite of your Holiday Season.

We'll be looking for you SATURDAY, December 17th between 10 and 2 . . , at the Fire

> Madison Park Vol. First Ald Squad, Inc.

Laugh not too much; the witty man laughs least,

George Herbert

Put extension phones in color on your Christmas list-

This holiday season, choose from a full line of phones—in styles to please any member of your family-in colors to brighten any room in your home. Pick from step-saving table phones, spacesaving wall phones, little and lovely

Princess phones. Extension phones are so appreciated-yet cost so little. Place your holiday order now. Just call the Telephone Business Office or ask your telephone serviceman.

Business Subjects Well Covered In New School

Madison Township pupils who choose to major in business subjects will find the facilities in their new high school conveniently grouped in the center of the building. Overlooking several of the courtyards provided in the functional building are two type-writing rooms, an office practice and a stenography room and also 3 rooms designated for bookkeeping and social business instruction. Those in the typewriting office practice unit are adjoining and are accessible through connecting doors.

Instruction in the use of the latest office equipment and machines will be provided for the business classes including elec-tric as well as manual typewriters, calculators, dictating and transcribing machines, spirit duplicators, mimeograph and copy machines. Students will be

Annual Bazaar

The annual bazaar of Bayview Presbyterian Church, Cliffwood Beach will be held on Friday, Dec. 2 from 7 to 10 p.m. and Saturday, Dec. 3 from 2 to 7 p.m.

The bazaar is under the leadership of Mrs. Laurence Fowler. The booths are getting finishing touches under the direction of Mr. E. Schawhl and his committee. The bazaar this year will feature handmade and decorated items.

There will be a Surprise Lake for the children to fish in. Our Fortune Teller will be there to tell everyone's fortune. Refreshments will be served in the Bayview Coffee House.

The members of the Women's Association will offer more varieties of items for Christmas gifts than ever before.

A foolish idea a day keeps the mind working, at least.

given practical experience in their advanced courses by serving as student secretaries to staff members and school organizations.

The program of studies in this department includes a wellbalanced sequence of offerings beginning with the 9th grade course. Introduction to Business and progressing to Stenography, Bookkeeping, Typewriting, Business Law, Salesmanship, Office Practice, and Clerical Practice.

In addition, the study of English, mathematics, history and physical education will be required of all.

It is to be noted that certain of the business courses will be open to students other than those majoring in this area. The study of Law, Sales, Typing, and others will prove most valuable to all who are able to include them in their program.

James Coogan, Chairman of the committee to erect the Lions Nativity scene announced today that work on the project should be completed by Sunday, December II, in plenty of time for Christ-

The Laurence Harbor Lions Club will again erect a Nativity Scene with 20 life-size figures at the Laurence Harbor Circle near Route #35.

The nativity scene erected by the Lions was the center of many visits both from the residents of Township as well many visitors.

The Nativity Scene was one of the most beautiful to be erected in the area and drew praise from many other civic and church organizations.

At night the scene is illuminated by floodlights.

Membership Up

The Madison Township Auxiliary Police were closer to their goal of 57 men as a result of accepting new members into the Reserve Organization.

The new members accepted into the unit at the regular meeting were Robert Norstrom, James Stanberry and James Higgins of Sayre Woods South and John Stalling of Central Park.

According to Captain Jack Faro, it is the hope of the unit to eventually reach a goal of 57 enlisted men lead by a captain, two lieutenants and six sergeants.

The present membership in the Police Auxiliary has now reached 36, new members are invited to join. For further information call PArkway 1-4000 or apply at the Madison Township Police Department. The unit is open to all male residents of Madison Township who are 21 years of age or

Members Welcomed

A reception for new members was held by the members of the Court Queenship of Mary #1743 Catholic Daughter of America at St. Bernadette's Church Hall, serving as chairman of the affair was Mrs. Elizabeth McGee.

At the regular monthly meet-ing, Mrs. Jean Oberlander distributed boxes of Christmas Cards which will be sold by the members, proceeds from the sale will go to the missions.

Further plans for the Court's Annual Christmas Party ,were discussed. It is planned to be held at Elmaro's Restaurant on Route #35, Morgan, on December 14. Members wishing to attend are urged to contact Mrs. Marty Bergan, chairman of the

Open Animal Hospital In Township

Dr. Earl Osterheld announced the opening of a new animal hospital on Alternate Route 18 south of SayreWoods South.

Office hours are from 9 to 11 a.m.; 2 p.m. to 4 p.m. and from 7 p.m. to 8:30 p.m. every week day except Wednesday. It is believed to be the first animal hospital in Madison Township.

CIVIL WAR **CHRISTMAS**

GETTYSBURG, Pa. Christmas was a lonely, bleak time for many of the soldiers of the Civil

War but they often found ways to enliven the occasion.

How one group of Union soldiers on picket duty spent a Christmas Day is told in the December issue of "Civil War Times", a magazine published 10 times a year in this historic town times a year in this historic town.

Telling of the Christmas dinner he ate with the soldiers, Edwin Forbes, outstanding Civil War artist, described the food which was served on "a table improvised from the cover of an oat-bin." Said Forbes: "The bill of fare consisted of rabbit-stew, diseased shipkers griddle also. fricasseed chicken, griddle-cakes with honey, and excellent coffee." According to Forbes, soldiers on picket duty fared better than

those in camp because they were able to get food from farmers in the area. He found salt pork the most common meal served to soldiers in camp on Christmas

Day.

But some of the more fortunate men in camp received boxes from home and Forbes tells how "their lifted." faces grew bright as they lifted out roast turkeys, chickens, bread, cake and pies that kindly hands had prepared." He added:

"An occasional bottle of 'old rye', secreted in a turkey or loaf of bread, would give rise to much fun and expected enjoyment. The provost guard, however, seldom overlooked a bottle, and confis-cated any contraband liquor." The article telling of Forbes'

experiences is accompanied in the December issue of "Civil War Times" with a series of Christmas illustrations drawn by artists of the period.

LEGAL NOTICE

TAX SALE OF MADISON TOWNSHIP

December 30, 1960, 12:00 Noon, Municipal Building, Route 34 & 9 Intersection

Public Notice is hereby given that the undersigned, the Collector of Taxes of the Township of Madison, Middlesex County, New Jersey, will sell at Public auction in the Municipal Building, Route 34 & 9 intersection, on the 30th day of December 1960, at 12:00 noon, the following described lands.

Said lands will be sold to make the amount of municipal liens chargeable against the same on the first day of July 1960, exclusive, however, of the lien for taxes for the year 1960, as computed in the following list together with interest on said amount to the date of the sale, and costs of sale. The subscriber will sell in fee to the person who bids the amount due subject to redemption at the lowest rate of interest, but in no case exceeding eight (8) per centum per annum. The payment for the sale shall be made before the conclusion of the sale or the property will be re-sold. Cash or certified check only will be accepted in payment.

Any parcel or real property for which there shall be no other purchaser will be struck off and sold to the Township of Madison for redemption at eight per centum per annum and the municipality shall have the same remedies and rights as other purchasers, including the right to bar or foreclose the

right of redemption.

The sale shall be made and conducted in accordance with the provision of the statute of the State of New Jersey entitled, "An Act concerning unpaid taxes and assessments and other municipal charges on real property, and providing for the collection therefore by the creation and enforcement of liens thereon (Chapter 5 of Title 54 of the Revised Statutes)," and acts supplementary thereto and amendatory thereof.

At any time before the sale the undersigned will receive payment of the amount due on any property with the interest and cost up to the time of payment,

The said lands so subject to sale described in accordance with the tax duplicate, including the name of the owner as shown on the last tax duplicate, and the aggregate of taxes, and other municipal charges which were a lien thereon on the first day of July 1960, exclusive, however, of the lien for taxes for the year 1960, are as listed below.

Registration
Set For
Little League

The Little League of Sayre Woods South is pleased to make the following announcement:

Friday, December 2nd, at 8 p.m. and Saturday, December 3rd at 9 a.m., in Public School #18, we will register all boys between the ages of 8 and 12.

We, therefore, request each parent who wishes to register his child/children to please attend either one of the two prescribed days.

Every boy who wishes to play Little League Baseball next year must resgister. This INCLUDES all boys who played last year.

Before any child can be registered, valid proof of age must be presented. We recommend a birth certificate. No boy can be registered without this proof.

Any boy who has reached his 8th birthday prior to August 1, 1961 and who is not 13 by the same date will be eligible for Little League Baseball in 1961.

Please remember these dates are your one and only opportunity to enroll your son. Membership fee is \$1,00.

Race Underway

To many civic minded citizens of Madison Township the open season for school board candidates is now in full bloom. Rumors as to who will and who won't run for election for the four seats on the Board of Education election in February is gaining momentum.

The four seats which will be contested are those belonging to Joseph Hoff, recently elected to the Township Committee, Hoff resigned at last months regular Board of Education meeting. Charles Aumick, Assistant Building Inspector; Mrs. Carol Kosobucki and David E. Watson, Township Tax Collector. It is rumored that none of the four will seek re-election to the Board of Education.

As of late there has been a marked difference between Board of Education members and the meetings have become long and lengthly and have continued far into the night and in some instances carried over to another day. The Board of Education is faced with many serious problems, the completion of the new Madison Township High School is expected by September of 1961.

The ever increasing pupil load and where to get the necessary

money to provide for the additional pupil load are but a few of the major problems confronting the members of the board of education.

The New Jersey State Laws governing service on the Board of Education states that any candidate seeking election must not be affiliated with the Communist Party, or any other party which advocates the overthrow of the United States Government, must be of excellent character and must have no prison record.

In addition the candidate must be over 21 years of age and must have resided in Madison Township for at least three years.

Locally, any member duly elected, must be willing to work many long hours on school board business during the evenings of the week, 52 weeks throughout the year. All of this without pay as no compensation is provided for in this capacity.

Applications or petitions may be obtained from Board of Education, Secretary - Business Manager, C. D. McHenry at the Sayre Woods South School 18, on Bushnell Road.

Go to it ladies and gentlemen, the fun (?) is all yours.

RUMORED BOUNCING
AROUND TOWN: Rumor around
town that the Madison American

town that the Madison American paper is up for sale. It certainly is, it can STILL be obtained at most newstands for 5¢ per copy or you can have it mailed to your home for \$2.00 per year. Send subscription blank to Madison American, 22 Princeton Road, Parlin with check or money order for \$2.00. We hear that a former Mayor will send out subscriptions of the Madison as Christmas American presents. We'll give him a special rate?

ROUND AND ROUND: Understand that a group of Highway 9 businessmen as well as other

residents will petition the Township Committee to ask the State Highway Department to install a few more openings on 9. Highway merchants Route complaining of a drop off in business because of the closing up of the islands. Wonder how come the State Highway Department didn't try the experiment over in Savreville? Word from Trenton is that the State Highway Department is seriously thinking of building a concrete divider down the middle of Route #35 in the Laurence Harbor-Cliffwood Beach area. The same type of divider was erected on Route 22 and Route 130.

The Family Circle
