TEN FILE IN BOARD OF ED. RACE

MYSTERY SIGN: Which way do I go, which way do I go? That seems to be the latest lament of motorists in the Old Bridge area as a result of a sign recently installed. Sign appeared as if by magic. Now you can, now you can't.

Which Way Do We Go??

Motorists and pedestrians alike have experienced great inconveniences as the result of the State Highway Department's re-ramping of the Old Bridge Circle at Route 18.

Many businessmen in the area have suffered great loss of business because of the State's building program, several have since closed their doors and others report that business has fallen off greatly.

The latest in this campaign seemingly aimed at thoroughly confusing the motorist and businessmen in the area was the recent erection of a sign on Matawan Road, near Route 18, announcing NO LEFT TURN.

We have seen some wonders of the world, but the erection of this lone sign heads the list. We suppose that the sign was erected with the intentions of keeping motorists from making a left hand turn across Route 18, the only way to get off Matawan Road now is to go down to the traffic light. This presents a problem, because the angle of the road causes serious traffic tie-ups at the intersection.

Perhaps someone thought that this would prevent accidents, this mysterious sign that appeared out of the blue, no one in the area seems to know just exactly when the sign was erected or who put it up.

The traffic light at the intersection of Route 18 and Matawan Road is set for the smooth operation of traffic on Route 18 with little care about the traffic that is piling up on Matawan Road, if three cars stop for the light, you have a major traffic jam.

We feel that more accidents will be caused because of the erection of this sign. At the present time it is possible to make a left hand turn from the right lane going toward English-town on Route 18 to Matawan Road, however, according to the sign you can't make a left hand

turn from Matawan Road to Route 18.

We think that if the State Highway Department or County Road Department erected the sign they should either straighten out the "mess" at the traffic light at the intersection of Route 18 and Sunset Avenue in Old Bridge or remove the sign entirely.

It seems rather odd that the Mayor and Township Committee have been trying for several months to get the State Highway Department to erect a traffic light at the intersection of Throctmorton Lane and Highway 9 near Sayre Woods South without

success and all of a sudden a sign appears in Old Bridge reading NO LEFT TURN.

If you are interested in safety projects, how about that one for a start. How about erecting some sort of fence on the bridge over Route 18, before some child falls off? How about putting more lights and more signs at the jug-handle turn at Highway 9 and Route 34? What ever happened to a traffic light for Route 34 near the entrance to Central Park.

Take care of these little projects first then you can put up NO LEFT TURN SIGNS all over the town.

Officers Installed

The Holy Name Society of St. Thomas' R.C. Church installed officers Sunday morning. The members received communion at the 8 o'clock Mass in the new church, Madison Township, then met in the old hall, East Brunswick, for the meeting, followed by a communion breakfast.

Installed were: President, George Folles; vice president, Andrew Gnall; recording secretary, Charles Ross; corresponding secretary, Paul McGeady; treasurer, Al Shymanski; marshal, John Magrino.

The society will hold a social on Jan. 26. Plans for the organization's participation in the testimonial dinner for the priests and nuns of the parish were discussed.

Election Held

Mrs. Julia Maskervich was re-elected as president of the Woman's Democratic Club Laurence Harbor - Cliffwood Beach branch.

Slated to serve also were Mrs. Grace Clerer, vice president; Mrs. Agnes Nooman, secretary; Mrs. Marguerite Maskevich, corresponding secretary and Mrs. Mary Owen, treasurer.

Playmakers To Present "Tender Trap"

THE PLAYMAKERS, first non-profit Madison Township drama society announces the formation of all committees for their production of "The Tender Trap".

Set design for this comedy will be handled by Edith Wagner, Bob Siegel and Diane Paley. Construction for sets will be done by Hy Chekofsky, Cass Finkel, Jerry Weisman, Paul Engle, and Neal Boenzi.

The collection and setting of all props will be under the chairmanship of Marcia Weisman assisted by Anne Eagle, Fay Zubowski, Babs Reff and Elaine Rothstein.

Lorraine Goldenring will head the committee in charge of make-up and costuming. She will be assisted by Linda Siegel, Anne Eagle and Evelyn Schultz.

All lighting for this production will be done by Bob Siegel, Paul Eagle, Cass Finkel and Allen Reff.

The committee for tickets and program comes under the chairmanship of Norman Miller, Business Manager for THE PLAYMAKERS, aided by Roslyn Sterns, Barbara Carlson, Sari

C. D. McHenry, Secretary for the Madison Township Board of Education announced that ten candidates had filed for the February 14 school election which will see four seats to be filled by decision of the voters of Madison Township.

Running for the one year term is Mrs. Catherine Mollis of Laurence Harbor and David E. Watson of Laurence Harbor. Mrs. Mollis has previously been defeated in school board election race.

Filing for the three year terms were Mrs. Carol Kosobucki, of Cheesequake, Richard Wenng of Madison Park, Leonard Booth of Central Park; Louis Horvath of Old Bridge; Donald Borst of Cliffwood Beach, Charles Aumick of Old Bridge, John Cunningham of Central Park and Walter Vohdin Jr. of Madison Park.

Aumick, Cunningham, Vohdin and Watson have announced formation of a slate, this was in-

dicated earlier at a PTA meeting of the Laurence Harbor - Cliffwood Beach PTA.

In a prepared release signed by four, candidates Aumick, Cunningham, Vohdin and Watson they stated "We have met at length and discussed the school problems facing Madison Township. We agree that since our basic ideas coincide we can most benefit Madison Township by running as a team. We have agreed on major points and will announce a platform within a week."

Charles Aumick is presently serving as a member of the Board of Education and has been active in local civic affairs. He has a heating installation business and operates out of Madison Township under the name of Charles A Sheetmetal Co.

Cunningham is a member of the Central Park Homeowners Association and has been active in civic groups in Madison Township since moving here.

Walter Vohdin, Jr. has lived in the Old Bridge area of Madison Township Laurence Harbor and now resides in Madison Park. Vohdin has been active in the Laurence Harbor First Aid Squad and various veterans organizations in Madison Township. He had served as Police Magistrates Clerk for one year.

Watson, has served as a member of the Madison Township Sewerage Authority and is presently the Township Tax Collector and also a member of the Board of Education.

Mrs. Henry Kosobucki lives in the Cheesequake area and was a teacher in the Sayreville School system. She is presently serving as a member of the Board of Education.

Leonard Booth a resident of Central Park has previously run for election to the Board of Education. Booth was active in the Madison Park Republican Club and the Madison Park PTA.

Donald Borst, was a former member of the Board of Education, serving as president. He was unsuccessful in his bid for Tax Collector on the Republican Ticket and had served many years a Republican

For The Handicapped

"The Federation of the Handicapped, whose executive offices are at 211 West Fourteenth Street, is a non-profit rehabilitation center founded in 1935 by three amputees. Its highly laudable main objective has always been to enable severely disabled adults to lead independent lives and to become at least partly self-supporting.

In its main building and two annexes it trains men and women for private industry. In addition, it has carried on a pioneering project in exploring pre-vocational and vocational opportunities for badly handicapped homebound adolescents.

The federation's industrial divisions train disabled workers for jobs in private industry and also execute subcontracts for both commercial concerns and the military forces.

All contracts are obtained competitively in the open market. Since its founding, the federation has given all its services without cost to the disabled. No one is turned away, regardless of race, color or creed. But a project of this kind needs generous contributions from its friends to keep up its work."

The above editorial appeared in the New York Times on Saturday, January 6, 1961. We agree wholeheartedly with its function and its purpose. We go further, however, and say that the United States Government should sponsor this project and not depend on voluntary contributions. We make this suggestion - every factory that does business with the United States Government should be forced to hire a certain percentage of disabled people. This will insure rehabilitated persons a livelihood, a sense of security and a standing in the community, and not a liability and a frustrated disorganized piece of humanity. These people can take care of themselves if given the opportunity. In Madison Township there are many such unfortunate persons. We can't let them down. This editorial is being sent to our Senator and Congressman for action. You write too - Only by pressure will we succeed. Please help.

Board

Continued from Page 1

Municipal Chairman in Madison Township.

It is expected that at least one other slate will be formed prior to the school election in February. Some circle report that at least one if not two candidates will withdraw from the Board race.

Along with the four seats to be filled by the residents of Madison Township will be the approval or disapproval of a record budget for Madison Town-

ship. The Board of Education is presently working on the budget and no accurate figure is available at this time, it is expected to be near or over the \$3,000,000 mark. In previous years the school budget for Madison Township has been overwhelming approved by the voters of the district while in other municipalities the budgets in most cases were defeated at the polls.

Polio Dance

A teen-age dance will be held on Saturday evening at the Cheesequake Fire House on January 14, admission to the affair is 75 cents per person or \$1.00 per couple.

Music will be supplied by the "Vibrants" from 7:30 p.m. until 11:30 p.m.

All proceeds from the dance will be given to the March of Dimes Fund Campaign.

Winter Carnival Dance Jan. 21st

The Madison Township Public Library Association of Old Bridge will sponsor a Winter Carnival Dance.

Mrs. Alice Love, Dance Committee chairman announced that the affair will be held at Fred's Turf Club, Highway 9, 1/4 mile south of the Route 9-34 intersection.

Admission to the affair is only \$2.00 with refreshments, the dance is scheduled for January 21 and will get underway at 9:00 p.m.

The decor will be that of a ski lodge complete with ski's and other ski and winter equipment.

Music will be furnished by the Bednar Brothers Orchestra.

Serving on the committee with Mrs. Love are Mrs. Margaret Keating, Mrs. Betty Graydon, Mrs. Diane Paley, Mrs. Margaret Duncan and Mrs. Minerva Lugo.

The dance will be a fund raising activity for the library group, which is presently engaged in obtaining a building the foundation has already been completed and the group is now waiting for favorable weather conditions in order to move the building.

Tickets for the affair may be obtained from any of the members of the library group. Various door prizes will be awarded as well as various entertainment will be presented during the evening.

Why not plan to attend and help support in the library project?

Candidates Night

Mrs. William Costigan of the Miller Parent Teachers Association announced that a skit will be held of a "Mock Session" of the local Board of Education meeting, the skit will be entitled Board of Education Night, Schoolsville, U.S.A.

The various members of the Madison Township Board of Education will be portrayed by the executive board of the Miller P.T.A.

The affair will be held on Tuesday evening January 17th at 8:00 p.m. at the Miller School.

All members of the Madison Township Board of Education and candidates for the Board of Education are welcomed to attend this program.

Mrs. Robert Rhodes, program chairman will be the moderator for the evening program.

If the portrayal of the meeting of the Board of Education is anything like the real McCoy, the program will go well into the evening.

Valentine Dance

The Catholic Daughter of America Court Queenship of Mary 1743 will sponsor a Valentine Dance on February 4 at St. Bernadettes Hall. Music will be furnished by the 4 M's.

Tickets may be obtained from any of the members or by contacting the Chairman of the Affair, Mrs. Bernadette DeBarba.

Under The Fence

BOARD OF EDUCATION: Several candidates are wondering if it is legal to file a petition for a one year term and then remove it and place the same petition in for a three year term?? It ought to be interesting. Understand that at least one and possibly two candidates will withdraw from the Board of Education race. Probably make the same kind of statements that's been used for years. "In order not to hurt the chances of the others I am withdrawing and I urge my friends to support _____ and _____, or "Press of business now forces me to withdraw." We would like to see an appointed Board of Education. Many professional people do not want to run for office because they don't want any fight or be made a point of ridicule. Many professional people would serve on the Board of Education if they were appointed.

SUCKER BEWARE: Understand that some of the "FIRE ALARM SALESMEN" are again in the area. The usual pitch is that they are just making a survey of the area for the pre-National Fire Underwriters Association of New Jersey and North America; or at least it sounds like that. Once they are in your house, then they show the moving pictures and slides of what happens when a house burns, then the pictures of children who died as a result of a fire. By this time you are weakening. It's like seeing "Mickey Mouse" pictures on entering the armed forces. The next thing is the pitch about if you supply us with ten names a month and the installation which usually sells for anywhere between \$350 and \$700 will be free. Or some use the pitch for less than a pack of cigarettes a day you can be protected. Don't sign anything, check with the local police department or your local fire department. Don't be added to the sucker list.

LOVE AFFAIR: Lover Boy in the Old Bridge area is about ready to have the boom lowered on him. Wifey Dear has found you out and is now making necessary arrangements with her attorney. The house and car and a few other odds and ends are already in her name. You may have thought you were fooling your wife, but we know she outfoxed you. You will soon receive the papers from her attorney and we don't mean newspapers.

UP IN ARMS: Many grocery stores and other stores that sell cigarettes have noted a drop off in sales of cigarettes. Some of the merchants feel that this will pick up once the people get used to the increase the sales will again pick up. Some of the merchants feel that the latest increase of 1¢ per pack might be the straw that broke the Camel's Back?? As one wit put it. If the American Public stopped smoking, quit drinking, stayed away from the race tracks and did a little more walking and less riding the government would be stone broke in a week. We agree, but life would be pretty dull.

ON WITH JACK: President Jack Kennedy objects to being

called "Jack" and suggests that it's a bit too familiar in referring to a president of the United States. Abraham Lincoln was and is always referred to as "Abe" and his prestige and dignity didn't suffer any. We are sure John's dignity and prestige won't be impaired if he is called "Jack" As long as they stop there.

RUMORED - AROUND - TOWN: Rumor bouncing around town that the option on land in the Old Bridge area where the Electric City was supposed to be built has been dropped. Maybe we'll start hearing rumors again about a baseball stadium. How about an aquarium? Nobody has started that rumor yet? Still hearing reports of oil tanks being built on the "slat bed flats" in the area of the Cheesequake Creek. Engineers were observed making borings about a year ago, but up to this date not official report or request to erect oil storage tanks has been made.

BUDGET BLUES: Mayor John Phillips and the Township Committee are working on the budget for the 1961 year. They are trying to hold the line. However reports from the county and the Board of Education will nearly make this impossible. Budget was bound to increase. Everyone is looking for more services and everyone is looking for a pay increase. Understand that the Road Department workers will get an increase?

PTA To Meet

The Southwood School P.T.A. will meet at the Old Bridge school on Monday, January 16 at 8:00 p.m.

According to Spiros Columbus, president of the P.T.A. motion pictures will be shown that will prove to be vital to every parent.

At the recent executive meeting Mrs. Joseph Scully suggested to the officers and members present that a United Nations Tray be created as a fund raising project.

Each month the tray would contain foods of a certain country. This month the tray will contain Italian Food honoring Italy.
