Mayor Phillips Gets Dem Freeholder Nomination

Madison Township's Mayor John Phillips of Laurence Harbor was endorsed by the Middlesex County Democratic Organization as a Freeholder candidate. Phillips will replace George

Otlowski, who decided to run against the Democratic Organization candidate Edward Patten for the newly created 15th Congressional District. The nomination of Phillips

came after weeks of "political maneuvering" on the part of Madison Township Attorney Harold G. Smith and James E. White, Publisher of the Madison American. The Madison Mayor's first

break in his Freeholder bid, came as a result of a feature story published in the December 14, 1961 issue of the "Madison American" which asked "Will Phillips Be the Next Freeholder."

From there on in the Smith and White combination carried the ball in obtaining the Freeholder candidacy for Madison Township. Several other prominent Democrats also aided in the support of "Phillips for Freeholder."

At the January meeting of the Madison Township Young Democratic Club, which is the most powerful Democratic Organization in Madison Township, the members endorsed Edward Patten for Congress and Mayor John Phillips for Freeholder.

Endorsement by the Middlesex County Democratic Organization in the past has meant election to public office. The Middlesex County Republican Organization has failed to elect a candidate on the county level in over a score of years.

Phillips was born in Hoboken,

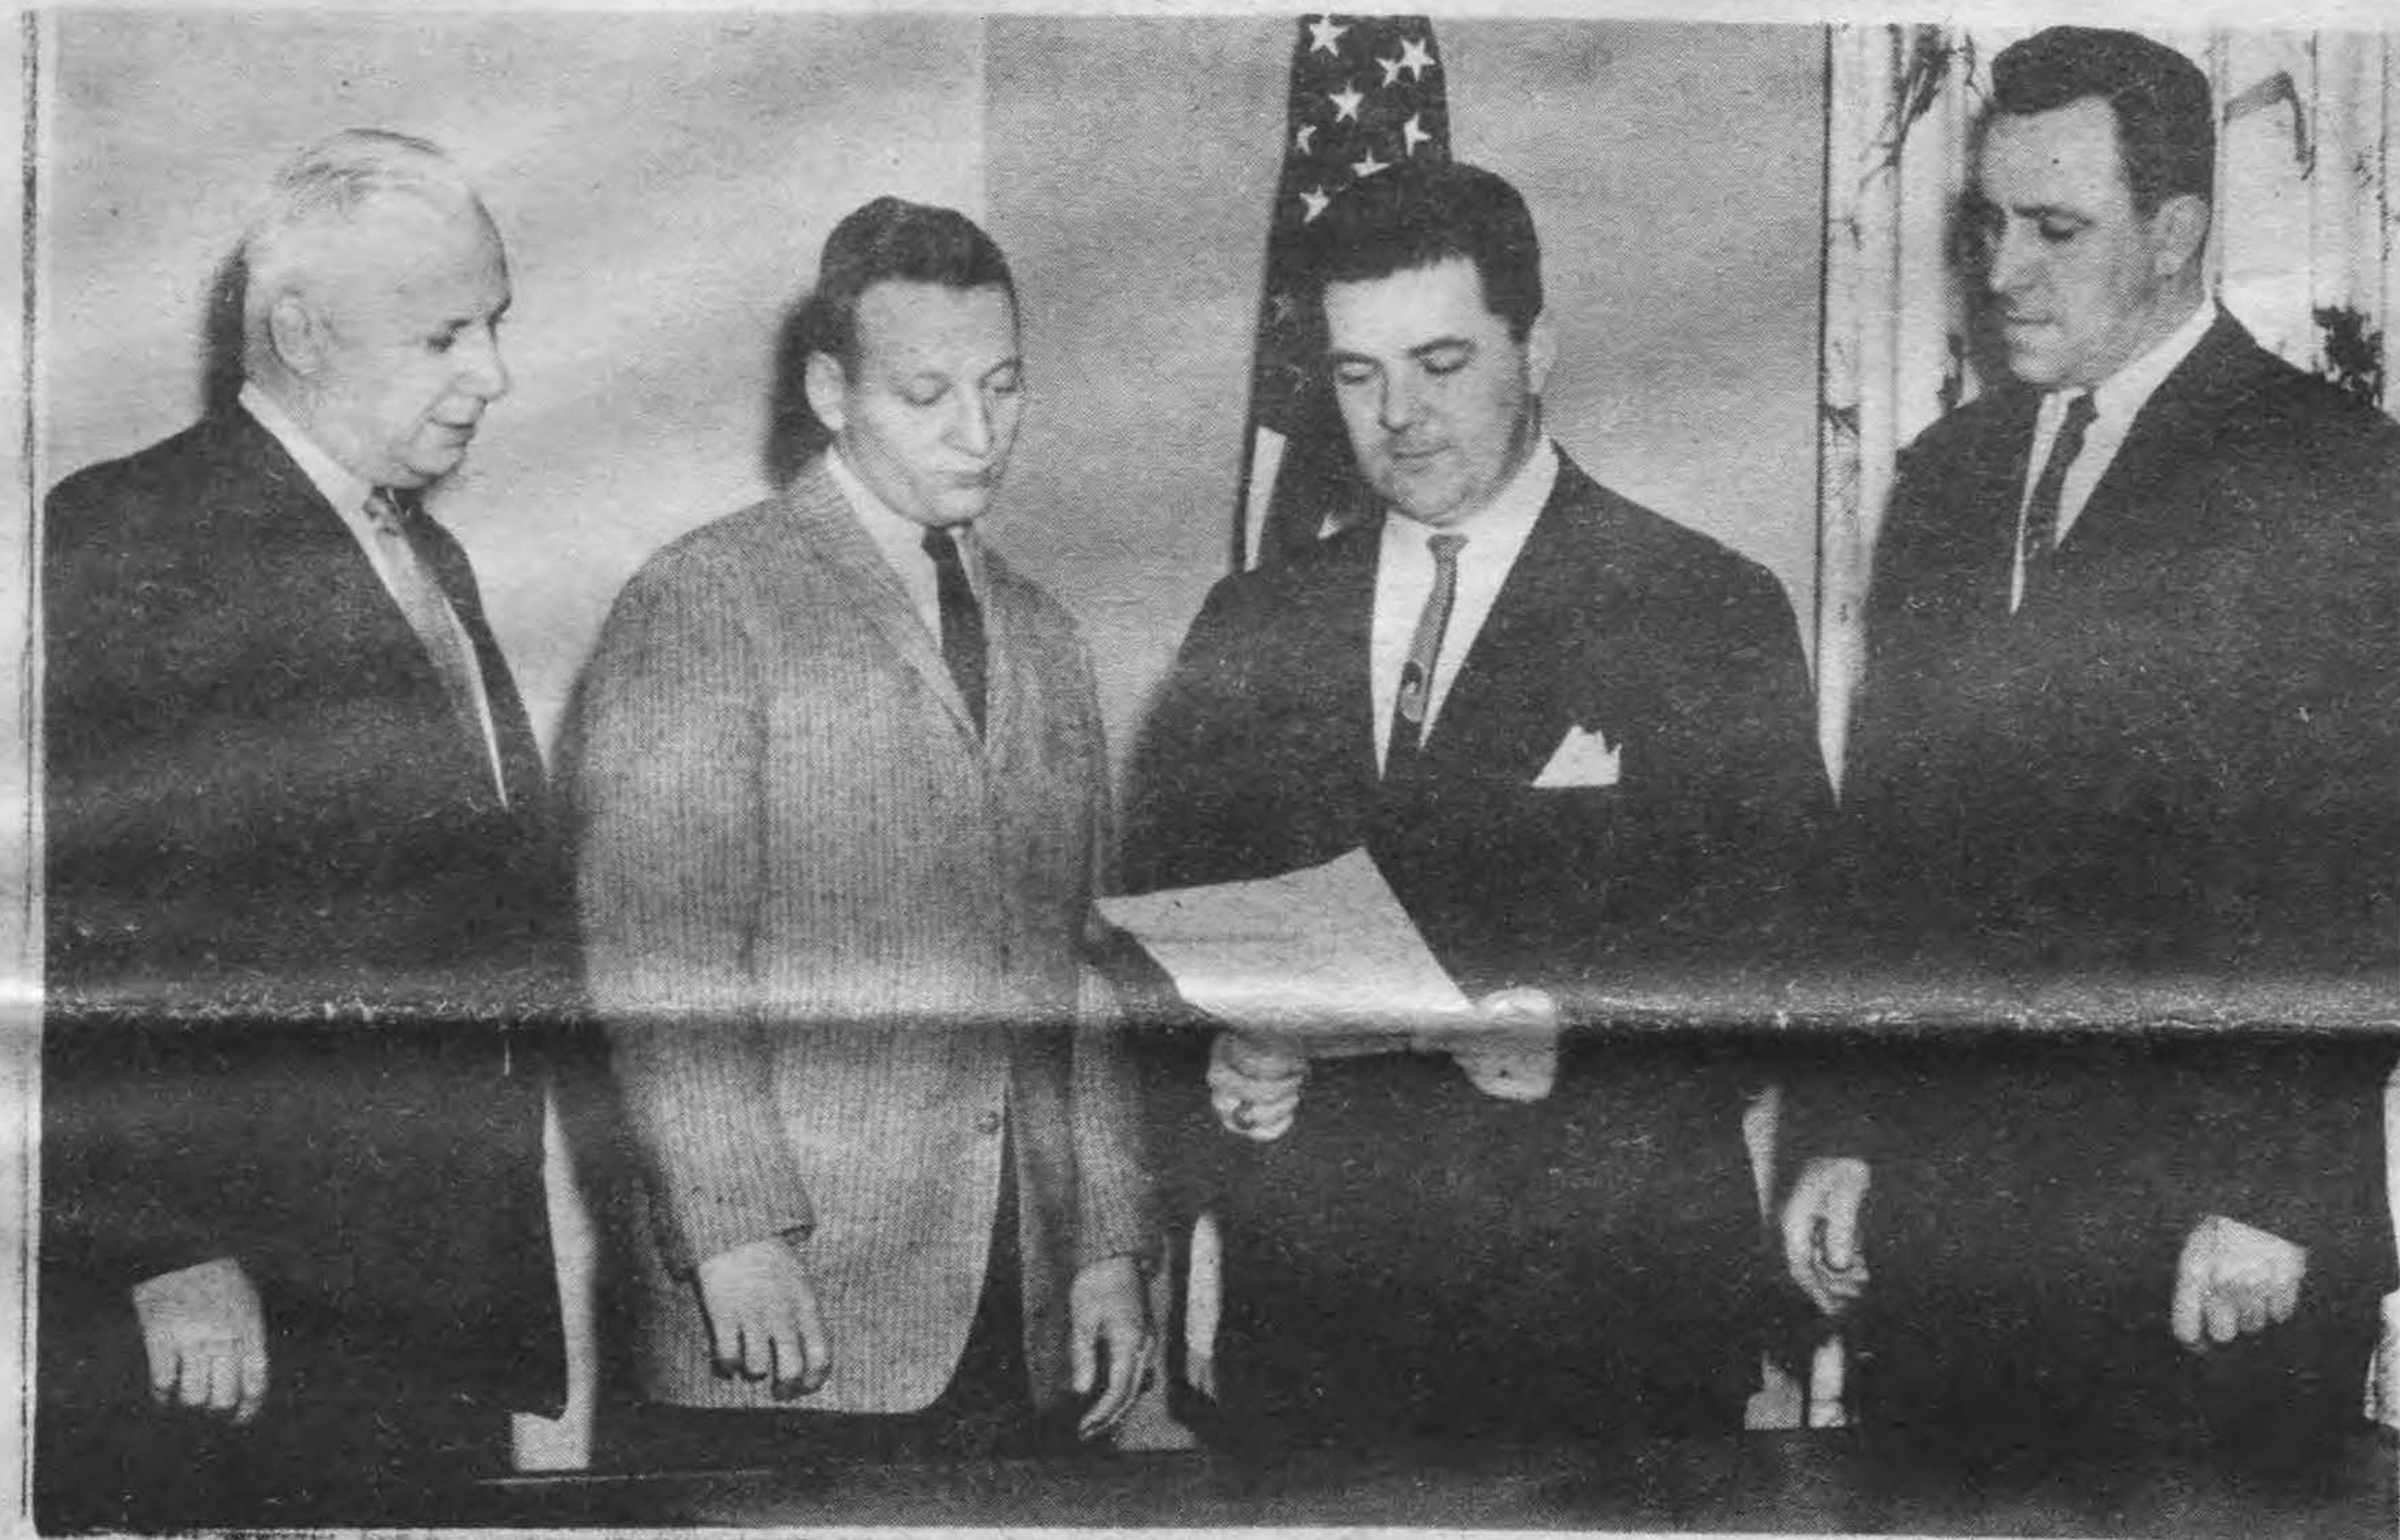

N.J. in 1923. The Madison Mayor was educated in catholic schools and graduated St. Michael's High

Old Bridge Little League Action Set

Ernest P. Enos, president of the Old Bridge Little League announced today that 282 boys between the ages of eight and thirteen have registered for the 1962 Little League season in Old Bridge. The season gets underway on Mother's Day, May 13th.

Six teams will compete in the major league schedule and six teams in the minor league. All games will be played on the Little League Field on the Old Bridge - Matawan Road (Route 516).

Games will be played weekdays at 6:15 p.m. and on Satur-

days at 1:00 p.m.

Of the total registration 131 boys are newcomers to Little League Baseball. 90 of the 282 boys will compete in the Major League and 96 in the minor league. The remaining of the boys will comprise a "player's pool".

Officers for the 1962 season are: Theodore Cutchall and Charles T. Marshall, vice-presidents; Peter McHendrick, treasurer and Mrs. C. Shok, secretary.

Mr. Marshall will handle the publicity for the group as well as

being chief scorekeeper.

President Enos urged that all parents of youngsters playing in the Little League attend the games and cheer the youngsters on to victory. The Little League head stated "that the greatest inspiration for a Little League player is to see his parents on the sidelines, cheering him on. Little League activity teaches sportsmanship as well as becoming part of a team. Public attendance at all Little League activities is urged.

Why not plan to visit several of the Little League games?

Banks—Murtha G.O.P. Hopefuls

Gary Murtha Jr. of Sayre Woods South and Kenneth Banks of Cheesequake were chosen as Republican Party candidates for the Township Committee to run against Democrat incumbent Vincent O'Brien and Harry Messenger.

Meeting in the Madison Township High School auditorium on Saturday night, an enthusiastic crowd of over 100 Republicans heard each of the four nominees John Conover, Gary Murtha, Thomas Tyrell and Kenneth Banks speak before they cast their votes.

Mr. Tyrell withdrew his name from consideration in favor of Gary Murtha saying, "I find that I would not have the time to devote to a campaign that by necessity must be a continuous, aggressive one. There is nothing I would like more than to run and I wish it were possible. I would like to thank all of those who supported me and urge they support the two candidates selected."

Gary Murtha, Republican Party Campaign Manager in 1961 and President of the Sayre Woods South Republican Club was selected by a unanimous vote on the first ballot. Mr. Banks won over John Conover of Laurence Harbor in the second balloting.

Mr. Donald Borst, Municipal Chairman of Madison Township and Chairman of the Convention, expressed pleasure in the two candidates.

"Any of the nominees would have made excellent candidates. It is too bad that all three couldn't have run but it has been the people's decision that Murtha and Banks be their candidates.

It is an excellent ticket we present to the people of Madison Township. Both candidates are experienced in Township politics, know the people and the problems facing each area. I urge

that all Republicans in every part of the Township take an active part in supporting Murtha and Banks," Borst further stated. "The candidates were selected by the people at an open meeting, exercising the true democratic principles of our government, unlike our opponents who have taken their candidates and put them before their party, telling them that these are the people you will vote for."

Following their selection as candidates, both Murtha and Banks made brief acceptance speeches, thanking the people who supported them and pledging their every effort toward winning in November.

Mr. Henry Billemeyer, County Chairman also addressed the assembled Republicans praising them for the convention and in making it successful. He urged everyone to support the Republican candidates all across the line in November. Mayor Bernard Rodgers of Dunellen, the Republican Party candidate for the newly created 15th Congressional District, delivered a spirited keynote speech. He too commended the efforts of local Republicans and went on to discuss his qualifications, his reasons for running in the Congressional race. Several times, enthusiastic applause interrupted his speech. He blasted the principles of the machine run Democrat party, declaring that they had picked their candidate because he was the one most easy to control. He stated that, like the candidates selected at this convention, he too had been selected at an open meeting of all municipalities.

Before adjourning, a motion was made that the Madison Township Republican Party endorse Mayor Rodgers as their candidate for Congress. The motion was passed unanimously.

On Our Way

The Middlesex County Democratic Organization named Mayor John Phillips of Madison Township as candidate for Freeholder on the Democratic Ticket in the November election. This in Middlesex County practically means election, because the Republican County Organization has failed to elect a candidate in a score of years on the County level.

The nomination of Phillips means that at last Madison Township will have some recognition in our county. Today Madison Township is a fast growing community of over 23,000 residents. We are the fifth largest municipality in Middlesex County.

Madison Township has no representation on any of the Middlesex County governing bodies, such as the Middlesex County Sewerage Authority, Middlesex County Industrial Commission, Middlesex County Planning Board.

With the election of Mayor Phillips to Freeholder, perhaps Madison Township can gain more recognition.

We would like to thank all the many residents of Our Town, regardless of political affiliation, that wrote letters and made telephone calls to the members of the Middlesex County Democratic Organization. Without this help, Phillips nomination would not have been successful.

We certainly hope that our residents realize the importance of the November election and turn out in full strength and give Mayor John Phillips of Madison Township a tremendous vote. This is the one way of showing our appreciation for obtaining recognition for Our Town.

Letters to Editor

Dear Mr. White:

We are appealing to you in an effort to get wide-spread publicity on our all out effort to obtain a Post Office and Postal Delivery in our community, namely Laurence Harbor. As you know this is not a new project; the local organizations and there are many, along with the residents of this community have been for the past 7 years trying to remedy a situation which we think is disgraceful.

We have now formed what we call a united organization, consisting of all local clubs feeling that by being united and forcing this issue we may get results. We are all working together towards a goal--A POST OFFICE AND DELIVERY SERVICE.

At our very first meeting we were gratified to see men and women turn out to represent their respective organizations.

We are but a short 3 miles from Staten Island, a borough of the largest city in the world, yet too far away for postal delivery. Does this seem logical to you? It is a disgraceful fact,

mouth-watering, taste-tempting, belly-filling breakfast.

The expression commonly used in March is "came in like a Lion". After you finish this pancake breakfast the Laurence Harbor Lions are certain you will be "full and contented" as a well-fed lamb.

Remember the date: Sunday, March 11th, between the hours 8 to 1 p.m. Place: Laurence Harbor First Aid Squad Building.

Under The Fence

POLICE DEPARTMENT: Understand that several of the police officers are a little upset because of an editorial in this paper about tickets--we don't care if each cop gives out two hundred tickets a month as long as he gives them to out of state cars. The article may have made five or six cops mad at the Madison American, however, the people who received the tickets are madder than mad at the Police Department. Wonder how many tickets were issued by the police department to Madison Township police officers involved in motor vehicle accidents. The average citizen would have a ticket issued for careless driving, if they committed some of the traffic violations that we've seen the Madison Township police execute.

MORE THAN HOT AIR: Understand that Thomas Miller the G.O.P. candidate for Freeholder from Old Bridge has been obtaining prices and information on Air Conditioning Units. Haven't quite figured out Tom's sudden interest in air conditioning in this cold, cold weather? Maybe Tom plans to make it hot for somebody? Tom plans to go over the local budget carefully--one of the opening statements in the budget reads "There has been no provision for salary increases in this budget". According to Miller there is at least a \$500 increase in engineering services. Maybe it was a typographical error? How about making a few more typographical errors and increase the salary for the Magistrate, the Township Clerk, Tax Assessor and Tax Collector. Seems pretty ridiculous when some of the Road Department workers and many of the police are making more money than elected officials. With the Budget as high as ever a few more dollars--tain't going to hurt that much--we're numb now.

joint closes. They then stop off for a few more cups of coffee in Sayreville--"Take Tea and See" . . . about 1:00 a.m. is the best time. . . . That one man about town is going to be a dead man about town in Laurence Harbor if his wife catches him. . . she just figured out his schedule of meetings. . . he'll be singing "Say it isn't so".

LOST AND FOUND: Madison Township residents (politicians too) are wondering? Where, Oh, Where Is the Tax Map? This little item which will cost the residents of Our Town in the neighborhood of \$50,000. (Damn nice neighborhood) in engineering and survey fees. We wonder just how much of the map has been completed? Who was paid and how much was spent so far? We thought that the map was supposed to have been completed by now? The G.O.P. Township Committee did a good job of kicking it around--looks like the Dems are also kicking the ball around. Better grab the ball, Mayor Phillips and committee before somebody on the wrong team makes a touch-down. Wasn't the Tax Map project started in 1956?

WATER OVER THE DAM: Rumor has it that the Madison Township Water Authority may soon change "legal beagles". The way we get the story from several of the Authority is that they picked the wrong attorney from South Amboy--the authority may correct the error very shortly? Wonder what the asking price for the Garden State Water Company is? Madison Township residents might be buying a "pig in the poke". We hear that the water company isn't too interested in selling. Better check on the possibility of condemnation

Opponents of the Connecticut team will be the Jersey Co-Eds who are equally known in girls basketball and come to Madison Township with a great record established in New York and New Jersey. The two teams recently clashed with the Grads coming out on top by a slight margin and the Jersey team is out to even up the score. The Jersey Quintet is considered a better defensive unit than the out-of-state girls and a hard fought battle is in store for the fans attending.

The Basketball Festival will be held for the benefit of the Middlesex County Chapter of the American Cancer Society and all profits derived will be turned over to the unit.

The affair will take place at the Madison Township High School on Sunday March 18 and gets underway at 2:00 p.m.

The events will be (1) Finals Madison Township Recreation Committee Foul Shooting Contest (2) Men's Basketball game between the Madison Township High School Teachers and the Madison Township Elementary School Teachers and (3) the Highlight of the day---ALL GIRL'S PROFESSIONAL BASKETBALL GAME with New Jersey Co-Eds vs. Connecticut Grads.

proceedings. There are several ways to "skin a cat" -- even a cool cat. Residents of the Park feel that the water was better when they were getting it from Perth Amboy Water Company.

HO-HUM: As predicted in this column THOMAS TYRELL of Old Bridge isn't a candidate on the G.O.P. ticket. The G.O.P. picked Gary Murtha and Kenny Banks, much to no-ones surprise. Understand that the big G.O.P. convention was a 'flop'. Sorry to see Tom Miller running on the G.O.P. ticket for Freeholder in Middlesex County. Tom asks some interesting questions at the Township Committee meetings, his effectiveness is now lost. He is now a political candidate---his questioning will not be dismissed as "political hog-wash".

but we feel it must be known that business people, residents of Lawrence Harbor must wait for a Saturday in order to pick up their mail, and on the other hand our Senior citizens must endure the hardships of inclement weather being forced to walk down and pick up their mail, and many of them being dependent on checks to maintain

homes must be out and forced to walk down to our so-called Post Office.

Knowing your paper in the past has publicized and helped in many matters concerning this town, we felt you might help us in your way by letting our people know that the facts are such that we must at any cost force the issue on this Post Office and Postal Delivery.

Sincerely,

OLE MAN RIVER: Route 35 was once again "flooded", motor vehicle traffic had to be detoured. Madison Township Police, Special Police, Auxiliary Police and Civilian Defense workers did a terrific job in handling "flooding" condi-

tions in the Morgan Beach section of Madison Township. Area has flooded several times in the past and it is about time that State Highway Officials take care of the "flooding situation". More than a survey is needed!

To Celebrate 43rd Birthday

Commander Rollin Rathbun of Laurence Harbor Post 332 announced today that members of the Post and the Auxiliary will participate in the nationwide observance of the Legion's 43rd birthday.

Highlighting the anniversary celebration, a special affair is being planned for March 17th at the Legion Home, Summerfield Avenue, Laurence Harbor.

All details of the party are being handled by a special committee under the chairmanship of John Collista for the Legion and Mrs. Rollin Rathbun for the Aux-

iliary. Plans to date include eats, drinks, dancing to the music of Marion Hartley and her Royal Escorts from 9:00 p.m. until 1:00 a.m.

The chairmen have announced that there will be limited number of reservations available and the deadline is March 12th. Tickets are now available.

Commander Rathbun stated that the American Legion was founded on March 15-17, 1919 at a caucus of delegates from the first AEF in Paris, France. Today's membership in the Legion includes veterans of World War I, World War II and the Korean War. In the 43 years of the founding of the Legion it has grown and registered success far beyond the fondest dreams of the founders. The American Legion today is the largest veterans organization in all history. The accomplishments in Americanism, child welfare, rehabilitation, national security and countless acts of community have made the Legion what it is today.

Commander Rathbun and membership chairman Andrew Carver would like to extend an invitation to all eligible veterans of the community to join the local unit. For further information please call Commander Rathbun at LO 6-4696 or Andrew Carver at LO 6-9784.
