Police To Seek Pay Raise Via Referendum

The Madison Township Police Department will seek a pay increase via a public referendum it was announced today by a police official. Madison police officer will circulate petitions throughout the township in an effort to gain at least 3,000 signatures. The police official

explained that the petitions will be circulated by various officers on off-duty hours and in civilian clothing.

The petitions will seek a change in the ordinance entitled "An Ordinance Establishing Salary Schedules and Fixing the Manner of Payments of Salaries to em-

ployees of the Township of Madison" be and the same is hereby amended to read as follows: Section 1. Police Department. Patrolmen - during first year of service - \$5,120.00; during second year of service - \$5,370.00; during third year of service - \$5,670.00; during fourth year of

service and all years thereafter - \$6,020.00; Detectives - \$6,220.00; Sergeants - \$6,520.00; Detective-Sergeants - \$6,720.00; Lieutenants - \$7,020.00; Captain - \$7,520.00; Chief of Police - \$8,020.00. Commencing January 1, 1964 the schedule shall be as follows: Patrolman - during first year of service - \$5,520.00; during second year of service - \$5,770.00; during third year of service - \$6,070.00; during fourth year of service and all years thereafter - \$6,420.00; Detectives - \$6,620.00; Sergeants - \$6,920.00; Detective Sergeants - \$7,120.00; Lieutenants - \$7,520.00; Captain - \$7,920.00; Chief of Police - \$8,420.00. Section 2. That the salary schedule shall be effective for the first increase as of January 1, 1963 and shall be effective for the second increase January 1, 1964.

The present salary schedule for patrolmen in the Township is a starting salary of \$4,720 and top salary of \$5,620 after three years service. The new salary guide would start at \$5,120 with a maximum of \$6,020 after three years service.

The official further explained that negotiations with the township committee failed to provide any increase for the police department and the officers voted to seek the pay increase through the voters of Madison Township. Madison police officers presently work a 42 hour week and are subject to call 24 hours per day. They receive no paid holidays.

The Madison Township Police Department is rated the lowest in the county as far as pay is concerned. There are 14 full-timed manned police departments in Middlesex County.

All police officers in Madison Township are required to wear a \$150 yearly clothing allowance. It was pointed out that the average cost of equipment during the first year is almost \$600. Police are required to supply their own clothing, guns and handcuffs. Each police officer must have three uniforms, during the course of the year.

At the present time the Madison Township Police Department is composed of 26 officers and patrolmen. The township committee is expected to appoint three additional patrolmen at its next regular meeting of the committee.

Twenty-four of the police officers are married and have children and the police officers must provide their family plan on hospitalization which runs approximately \$125 per year. It was estimated by one police officer that the dry cleaning bill for uniforms runs between \$50-70 per year.

Patrolmen must successfully complete the State of New Jersey Policeman's school which is held in Sea Girt, N.J. during the year. The officers must qualify in First Aid and take additional courses as directed by the Chief of Police and the Township Committee.

The Committee for the Police Referendum is made up of Sgt. George Gillard, Chairman; Chief Charles Boice; Detective Sgt. William Volkert; Patrolman William Hatfield, State PBA Delegate; Ptl. Robert Weiss, local PBA president; and Detective Robert Cotton.

Anyone wishing to have a police officer call at their home in order to sign the petition should call CLifford 7-6879.

The last pay raise granted the police department was in 1960. The Madison Police department is comprised of mostly officers below the age of 40 and most patrolmen have not yet served three years service. The police department is serving a community of almost 25,000 residents.

Attorney Harold G. Smith of Farrington Road, Cheesequake has consented to serve as attorney for the group in their bid for an increase in salary.

Bowling Burglars--Bowled Over!

A team of "bowling burglars" so-called because they specialized in breaking in and entering of bowling alleys was bowled over by Madison Township detectives.

Detective Sgt. William Volkert and Det. Robert Cotton of the local department arrested Charles Taggart, 18, of 364 Dayton Street and Andrew Apostolis, 25, of 472 South 17th Street, both of Newark.

The Newark pair had been riding with a 300 score until they broke into the Hill Lanes Bowling Alley on Route 9. The successful entering took place on August 26 and approximately 100 bottles of assorted liquor, several hundred dollars in checks and cash and extensive damage was done at the bowling alley when a cabinet and several vending machines were ripped out.

Over the weekend Madison police received a "tip" from a police source that a couple of fellows were in possession of an unknown amount of liquor. The Madison detectives proceeded to Newark where they were assisted by the Newark Police Detective Bureau.

While the Madison Police were seeking the two Newark men, they again broke into the Hill Lanes Bowling Alley for the second time and removed a large quantity of liquor and vandalized various coin operated machines. The "bowling burglars" later stated to police that the whole job had taken but 13 minutes on the second

job.

Both Newark men were arrested at their homes by Detectives Cotton and Volkert assisted by Detective William Deluca of the Newark Police. The men were taken into custody between five and ten hours following the encore job of the Hill Lanes Bowling alley. They were questioned and one admitted breaking into two businesses in Sayreville, two bowling alleys and a gas station in Howell Township area and several other bowling alleys in the Monmouth and Middlesex County area.

One of the subjects was linked to the job by fingerprints "lifted" from a cabinet by Detective Joseph Laskiewicz. The print was identical to one of the culprits and they later admitted to a string of breaking and enterings.

Bus Trips

Walter J. Vohdin, Jr., Commander of the Hoffman-Prince Post 2672, V.F.W. announced that the post will sponsor three bus rides to the New York Giant football games at the Polo Grounds this year.

The dates are set for October 21 against Detroit; November 4, against St. Louis and December 9 against Cleveland. There are a limited number of tickets available and will be made on a first come first served basis.

For tickets or additional information telephone Joseph McMahon at LO 6-1195 or Walter Vohdin at PARKway 1-3937.

Meeting Held

A production meeting for Community Theatre Players, November 8, 9, and 10 presentation of Stalag 17 at the Madison Township High School was held this week.

Endorse Pay Referendum

The Madison American endorses the referendum concerning the salary increase for the Madison Township Police Department. Members of the police department tried to negotiate with the Township Committee for a salary increase but this failed. Now the police officers must seek the support of the residents of Our Town.

The Madison American sincerely urges that all residents support the pay increase for the Police Department. We urge that candidates of both political parties in Madison Township endorse the referendum so that the proposal won't become a "political football"

Course In Parenthood Needed

Mr. William Kerr, Superintendent Sample and the Board of Education, please read this editorial carefully. Think it over! Education is our biggest business. What kind of education? Reading, writing, and arithmetic? Yes! Science and physics to destroy the world? Yes! Is this all? No! Education in child rearing is as important as any of the foregoing. One of the most stimulating and courageous things the Madison Township Board of Education could do, would be to inaugurate a senior high school course dealing extensively in the field of mothers and fathers handling and bringing up their offspring. Bringing up children is one of the most difficult tasks to do, that is, bringing them up properly. This editor pulls no punches in saying that not one parent in a hundred knows well the ABC's of proper child rearing -- If this is so, then why don't we teach them. Isn't this a vital part of our living and our education?

Happy children are emotionally secure and decent human beings. Unhappy children are misfits and tend to become a menace to society. They must be brought up in an atmosphere of love, trust, understanding and responsible freedom. How many of you parents in Madison Township and all over the world know what to do for our children to make them understand how to be good, and happy and worthy of our standing in society? These children are the products of their environment, of their teaching in school and at home. How well equipped are we at home to give them the education they deserve and need? We say we are not equipped at home. We say the schools do not do the job in the classroom. Nowhere in this country is there a course in parenthood and its responsibilities.

This editorial is revolutionary and we hope, will be the start of a new era, not only in Our Town, but in every town in this land. This is a problem we cannot ignore. How many of you parents gripe, chafe and become frantic over the actions, day by day, of our children. We parents go crazy as our children drive us crazy. Education can stop this and make better human beings of us and of our children.

Under The Fence

READY FOR CASTRO? At least one resident of Sayre Woods South isn't taking any chances in case there is an invasion by Cuban Leader Castro. He looks like he is building anti-tank traps or at least machine gun emplacements with all that corrugated iron and timber. Wonder if Madison Township has an ordinance covering this? To each his own. You have to get a building permit for a "bomb shelter." Neighbors are quite upset about the monstrosity and might welcome an invasion by Castro. As one fellow puts it: Might be an improvement.

FEUDING AND FUSSING: The local G.O.P. promised that they wouldn't post any signs or posters on telephone poles and utility poles providing that the Dems would follow suit. Could it be that the G.O.P. is short of campaign funds and don't intend to have any posters in the first place? No reply as yet from the Dems. Several top county Dems might be called in to help "iron" out some of the local Dem problems so that the "Democratic Steamroller" can get moving? Seems to us that the "steamroller" might need more than "oil" or maybe that's the trouble too much grease?

PRIVATE GRIPES: Received a letter from a fellow in the Central Park Area. His complaint. He wants to know what happened to the apples in a Apple-turnover. Everytime he orders one and cuts it open he finds very few apples but plenty of empty space. Oh, well, guess even a pretzel doesn't have as many "twists" in it as the old days? Our suggestion try the "Pine-Apple Turnovers" they might have more apple in them.

POLICE DEPARTMENT: Seems that one police officer in the Madison Township Police Department was pretty "fast on the draw" to explain that he wasn't working the night the Hill Lanes Bowling Alley was knocked off. Understand that he also gave out quite a bit of "heat" to his fellow officer who was in charge of the shift. Didn't hear much "heat" from him when the culprits returned for an encore and knocked off the place on his shift. The detective department did a good job in apprehending the alleged "experts." Crime doesn't pay---neither does bragging. Three cheers and a big "boom-boom" to you.

HEAVEN FORBID: A recent article published in a daily newspaper quoted George Fiore,

Letters

Dear Sir:

I am deeply concerned that a small group of about thirty-five people are in control of the actions of the Madison Township Board of Education. That group is the Citizens Committee for Better Education.

Three of the elected members of the board and two of the appointed members are early organizers or early members of the Citizens Committee for Better Education. This gives the Madison Township Board of Education a one sided view of the desires of the population of this township.

The organization is in favor of the referendum that has been voted down by the citizens of Madison Township three times

Township Assessor as saying "He recalls driving through the township and occasionally seeing a mansion out on some country road. "When I get back to the office and check the books I find the property assessed at about \$5,000." Good thing Mr. Fiore probably never heard of the expression "Everyman's home is his Castle." He'd have to stay up "knights" doing the tax books. Can you see the County Tax Report, it would probably read something like this Madison Township, population 25,000 6,000 houses, 2,000 castles and 23 mansions. What no dragons?

BOARD OF EDUCATION: Understand that a few youngsters were reported missing by their mothers on opening day of school. Understand that they got on buses and were transported to the wrong places? Wonder if the school buses and other vehicles owned by the Board of Education have all passed their motor vehicle inspections? Understand that some members of the Board of Education would like to put the Junior High School Referendum up for the fourth time? Wonder how much longer the residents of Madison Township will put up with the Board of Education?

NO TROUBLES: A fellow in the Madison Park area writes "I'm in trouble I like to raise tropical fish and I also like to hunt. I have beautiful tropical fish and a very obedient dog. My problem is my wife says I have to give up either the hunting dog or the tropical fish. I'm really troubled could you perhaps offer any help? Editors Note: Perhaps it's about time to give up the wife?

but the group would like to present the same referendum a fourth time.

It is illogical that the members of the Board of Education would deem it necessary to appoint to the board a man who is president of the Citizens Committee as well as the Madison Township Democratic Club to make a majority on the board of a minority group but this the members of the Board of Education did. Apparently this small pressure group has become dictatorial.

This action by the Board of Education of Madison Township leads me to feel more strongly than ever that an appointed board would more aptly adhere to the needs and desires of the citizens of Madison Township.

Sincerely

MISHEL AISENSTOCK

Winners Named In Junior Olympics

Under the direction of Harry Messenger, Recreation Commissioner, the third annual Madison Township Junior Olympics was held Saturday at the Old Bridge

Meeting Set

The Woman's Club of Laurence Harbor will hold their first meeting of the fall season on Monday evening, September 17th, in Webster Hall, Laurence Harbor Community Church.

Miss Barbara Holmes, a Hoffman High School senior, will give her report on the Citizens Institute at Douglas College, to which she was the Club's delegate.

The program will consist of a talk and slides of pictures taken by Mrs. Olga Becker when she visited Hawaii and the World's Fair in Seattle, during the summer.

Raceway. Under a clear sky and in perfect weather more than 250 boys and girls between the ages of seven and sixteen competed for the awards given to the first, second, and third place finishers in the twenty-seven events and for the team awards given to the winners of the relay contests. Many mothers and fathers attended and watched the days events and cheered the children on to victory. The days preparations began at seven in the morning and ended shortly before five in the evening.

Refreshments for the contestants were supplied by the recreation commission. Under the five, three, and one point system, the teams finished in the following order, Madison Park 77, Laurence Harbor 63, Old Bridge 50, Sayre Woods South 46, and Central Park 44.

The events were preceded by a parade of the contestants around the track, where they were led by "The Minutemen" Drum and

Bugle Corps, of Rahway, N. J. Under the direction of Russ Hann of Southwood. The Corps played several numbers during the day. The playing of the "Star Spangled Banner" officially opened the meet. After the "Pledge to the Flag", and a brief word of welcome, Commissioner Messenger gave the microphone over to Comm. Joseph Hoff who gave a running commentary on the days events, as well as on the score which was compiled by W. Rallo. Throughout the day the watchword was fair and keen competition as the contestants from the five areas, each one already a winner in their area eliminations gave their all in an individual and team effort towards a victory attempt in events that were decided by as small a margin as one-quarter inch.

With the days end, the contestants returned to their buses to be transported back to their area, where, as they put it, they will await the "next time".

VALOR AWARD: James J. Vigilante, President of N. J. State P.B.A. presents award to Madison Township Police Sgt. George Hanson. The award was for Meritorious Service. The award was presented at ceremonies at the New Jersey State Annual PBA Convention held this week in Atlantic City. Hanson was shot by two youths following a shooting of a luncheonette proprietor on December 27, 1961.

Blast G.O.P. Charges

In a joint statement, Township Committeemen Harry Messenger and Victor O'Brien, Democratic Candidates for re-election announced the opening of their campaign.

It is with a great deal of enthusiasm that we look forward to the campaign leading up to November election. We intend to run on the record of the Democratic Administration of which we are proud to be members.

It is interesting to note that our opponents on the Republican ticket have suddenly become highly critical experts in all matters of local Government. This is evidently upon the advice of their so-called advisors since they themselves did not see fit to oppose any item in the entire budget. They asked a few questions which were answered to their satisfaction. Now with the day of election coming near they see fit to announce their objections through throwaway literature and press releases. Why did they not voice their objections the night of the budget hearing? Was it because they were ill informed at the time and are still ill informed.

During the course of the campaign which they opened very early in the year they have attacked the Tax Assessor, the Tax Collector, a Member of the Sewerage Authority, and the Industrial Commission. Strangely enough they then have the temerity to praise the Industrial Commission for their successful efforts in bringing in The Discount Store and the new Supermarket on Route 9. This undeserved criticism towards men who donate their time 12 months a year without compensation to try to make a better Madison

who have become very active just prior to election makes it very difficult for such bodies to continue their work.

It is about time that the candidates opposing us face the fact that they are facing Harry Messenger and Victor O'Brien and get down to the basic issues in the election. It is with great pleasure that we inform our opponents that the Discount Center and Supermarket are not part of any deal regarding development of that area. The proposal they speak of were never entertained by the Planning board for longer than the night it was proposed for exploratory purposes. This is the same Planning board that has stopped Major subdivision approval for the past 3 years in almost every instance, including the well known 3500 home Mid Town approval.

The Republican Candidates in each and every statement show their ignorance of township affairs as well as the ignorance of their so-called advisors. In a recent press release they criticize the Health Board for failure to follow thru on the recommendations of the State Dept. of Health. The Republican Candidates say "What is \$100,000 compared to the health and safety of our children and families". We feel the same way about it but we also feel for the pocketbooks of the taxpayers of Madison Township. These problems that exist and are gradually being corrected are the results of the many years of inactivity on the part of the Republican Party which was in control of the management of the affairs of the township for many, many years. They speak very lightly of \$100,000—this would mean an additional \$5.00 for every \$100 evaluation, still

they would spend this money without regard to the taxpayer.

One of the candidates claims that he brought up the subject of rat infestation in Cliffwood Beach. He made this report, at a Township Committee meeting instead of a Board of Health meeting, and was unable to define the area of which he was speaking. This proved to be a muskrat problem and was cleared up to the satisfaction of the home owner.

Before January 1, 1960 did anyone in Madison Township ever know when or where a Board of Health meeting was held? We say no. Since that date monthly meetings of the Board of Health have been held at the Municipal Bldg.

Among the accomplishments of this administration have been the adoption of the Public Health Nuisance Code, The Air Pollution Code, Amendments to the Plumbing Code, all part of the recommendations of the State. A Polio Clinic was held under the auspices of the Board of Health for the first time. These are but a few of the accomplishments during our administration. Along with these there has been planning for the future of our Township.

We stand ready to accept invitations to appear anywhere before the people of Madison Township with the assurance that all questions will be answered truthfully and to the best of our knowledge. We are certain that the November election will return us to office so that we may successfully complete the planning for the future that has been the theme of our Administration.

C.D. Course Held

The Middlesex County Civil Defense and Disaster Control School was held Monday night at the Madison Township High School. The school is used as the guide in the selection and training of members of the Auxiliary Police. The basic training course of Auxiliary Police shall consist of a minimum of 32 hours of which 10 hours will be devoted to first aid instruction.

Guest speakers and police officials present for the 15th year of Auxiliary Police training course were: Mr. L.W. Livingston, Middlesex County Coordinator; Mr. Ten Eyck Ronson, Madison Township Civilian Defense Director; Chief Charles Zanzalari, Perth Amboy Police Dept.; Sgt. Walter Krech, New Jersey State Police; Lieut. Detective Edward Mullen, Perth Amboy Police Dept.; Capt. Joseph Dolinich, Perth Amboy Aux. Police; Lieut. Arthur Holzheimer, Perth Amboy Aux. Police; Capt. Herb Bright, Sayreville Police Reserves; and Capt. Jack Paro, Madison Township Aux. Police.

Police reserves of Middlesex County enrolled, came from 13 different municipalities.

The Civilian Defense School will continue for 9 more weeks. Sgt. Charles Busch announced all Middlesex County Auxiliary Police may still enroll at the Madison Township High School, Monday nights at 8 p.m.

Barn Dance Set

The Madison Park Fire Company and Ladies Auxiliary will stage its Second Annual Barn Dance on October 27th at 8:00 p.m.

Lions Pancake Breakfast Set

Pancake, that is. And for most of us it is to be plural plus.

If you haven't heard about the Laurence Harbor Lions "Pancake Breakfast" to be held on Sunday September 16th in the Laurence Harbor First Aid Building, then you have been way out of town or just not listening.

Now your this far, read on... everybody has to eat. With most of us its a lifelong habit... This Lions annual "Pancake Breakfast" should be a great day for everyone... Kids can eat all the cakes, syrup and sausage they can handle for fifty cents. If your older and considered adult, the price is one dollar.

That may seem silly because everybody knows a kid can out-eat an adult on pancakes seven days out of six... but that's the way this cake crumbles. Eat as long as you wish... our aim is to fill you up.

Chairman James Coogan and his committee has all the ingredients and equipment arranged for and they promise the same, if not better, delicious breakfast that the Lions Club prepared at their last Pancake Marathon. Be prepared... eat light for several days just before... and plan to ask for seconds on Sunday September 16th beginning at 7 a.m. until all are served in the Laurence Harbor First Aid Building.

Posters, metal tacks, nails and staples on utility poles are a real danger to linemen who must climb night or day in all kinds of weather. So please help us maintain your electric service without needless accidents — obey the law of the State of New Jersey (Section 27:5-1 of the Revised Statutes) which makes it illegal to post bills, signs, or notices on utility poles. Keep poles clear so linemen can climb in safety.

G.O.P. Kickoff Rally Held

Republican hopes for victory in November soared with the overflow crowd that attended the GOP "Kickoff" Rally held on Saturday night at the Madison Park Fire House. The rally, held to introduce Ken Banks and Gary Murtha, GOP candidates for the Township Committee, to the residents of Madison Park was an overwhelming success.

Don Borst, GOP Municipal Chairman and Campaign Manager, stated that the enthusiasm displayed by the huge turnout at the rally is similar to that being found all over the Township for the candidates.

"We have two wonderful, hard-working candidates. Men who are thoroughly familiar with the Township problems and above all the need of the Township to

have a two-party government through which the people stand to benefit," Borst said.

Borst also introduced the GOP Freeholder candidates Thomas Miller, Edward Tomalavage and Robert Ferry, as well as Thorvald Olsen, candidate for Sheriff and John McCarthy, Surrogate candidate. Bernard Rodgers, the GOP's dynamic candidate for the 15th Congressional District seat, spoke briefly. He called Banks and Murtha two of the finest municipal candidates in Middlesex County and urged everyone to support them as well as himself and the rest of the Republican ticket in November.

Bloodmobile Unit

Arrangements have been made for a Bloodmobile Unit to visit Madison Township on Wednesday. "The immediate objective of the Madison Township Blood Bank", Jaconetti revealed, "is to cover the blood needs of all donors and their households." "ANY PERSON DONATING ONE PINT OF BLOOD TO THE BLOODMOBILE UNIT WILL AUTOMATICALLY BE COVERED FOR THE NORMAL BLOOD NEEDS OF THEIR ENTIRE HOUSEHOLD FOR ONE FULL YEAR."

"Since the success of Operation Blood Brother depends upon the cooperation of the Township's many organizations," Jaconetti indicated, "Operation Blood Brother is a good name for this effort."
