Democrats Waiting For The "Bugle Call" To Arms

More than one potential Democratic Township Committeeman is waiting for the "bugle" to sound before they are off and running for the vacancy which is expected on the Township Committee when Freeholder

elect John A. Phillips bows out as township committeeman.

Reports from usually reliable sources state that the members of the Township Committee held a "secret" meeting last Thursday to discuss the replacement

of Phillips, appointment of a police magistrate and the next mayor. The sources say very little was accomplished. It is also reported that Township Committeeman John Keating and Township Committeeman Harry

Messenger will vie for the appointment of Mayor.

Actually, Madison has no mayor as the title is purely honorary, the proper title would be chairman of the township committee, the mayor or chairman is appointed by majority vote of the members of the township committee.

Some circles claim that the fellow to watch in the race would be Township Committeeman Joseph Hoff, from Laurence Harbor. Hoff has served as president of the Madison Township Board of Education and had been a member of the "B" line Democrats when they tried to upset the chairmanship of the late Municipal Chairman Walter Staeger. It is reported that Phillips will go along with Township Committeeman John Keating of Old Bridge. Messenger is believed to have the support of Township Committeeman Victor O'Brien. The entire situation is cloudy and at the present time the selection of a mayor could rest with Committeeman Hoff.

It is quite possible that Phillips might step down as Mayor but

not as Township committeeman in order to vote for Committeeman Keating. After successfully naming Keating as Mayor, Phillips would then resign from the Committee.

We talked to Township Committeeman John Keating on Monday afternoon, Keating admitted that he had "thrown his hat in the ring for the appointment as mayor." The Old Bridge Committeeman said "that he felt that he deserved the appointment over Messenger or anyone else because he was the senior member of the committee."

We questioned Keating about replacement for Phillips when and if he resigns. Keating felt that the seat should be given in Sayre Woods South because they should have some representation on the Township Committee.

This should stir up a hornets nest in the Democratic Party, many workers in the Democratic Party feel that Sayre Woods South Democrats have failed to stem the Republican tide in that area and that the replacement should be given to a substantially stronger Democratic area.

The strength of the Democratic Party in Madison Township is in the Laurence Harbor, Cliffwood Beach and Madison Park areas. In the past the G.O.P. has failed to crack this Democratic fortress.

Robert Knight from Laurence Harbor who has served as a Municipal Committeeman and president of the Laurence Harbor Democratic Club has been mentioned as a replacement for John Phillips. Knight has been active with the Little League and Babe Ruth League and various recreational activities in the township. Other potential candidates in the Laurence Harbor area are Arnold Lauer, Lauer was a strong supporter of former Municipal Chairman Walter Staeger.

William Kerr, member of the Madison Township Board of Education could be a possible dark horse candidate from the Harbor area Kerr is probably better known than most potential candidates. Kerr had previously run on a Fusion Ticket for the Township Committee in 1956. He had been seen at Democrat affair preceding the November election.

Joseph Pandozzi of Sayre Woods South is also another possible candidate, however, it is expected that the Municipal Committeeman from Sayre Woods South will run into a wall of opposition, many of the Sayre Woods South Democrats feel that one of the reasons of the failure of the Democrats to produce votes in the Sayre Woods South area is the Municipal Committeeman Joseph Pandozzi. Other potential candidates from the area could possibly be Robert "Jack" Sapir, Edward McLane or Herbert Gordon.

The Democrats will also be faced with the problem of picking additional candidates for the April primary election. The fight at that time is expected to be one of the wildest in recent years. It is expected that there will be more than one complete slate in the Democratic Primary. A revolt in the Republican Party is also reported to be brewing. As one wise sage stated "He's going to wait until the bugle sounds before he charges the hill".

Democratic Hopefuls??

Robert Knight

Joseph Pandozzi

Santa Arrives At Sayre Woods

Shopping Center November 23

Amid a great fanfare of joy, Santa Claus and his enormous bag of gift candies for the youngsters will arrive on the Sayre Woods Shopping Center Plaza on Friday morning November 23rd at 10:30 a.m. (In case of rain his arrival will be delayed until the following day, Saturday November 24 at the same time)

Santa will be welcomed at the Sayre Woods Shopping Center with a pomp and circumstance never surpassed for all the stores will be jammed with Christmas offerings at prices as low as in years, and selection of all the latest toys and Christmas merchandise for the entire family.

There'll be something on display for mom and dad, the kiddies,

aunts and uncles and grand parents... and even a selection of gifts for whatever pets any family may have at home.

The foodstores at both ends of the Sayre Woods Shopping Center will be loaded with special selections of Holiday delicacies and the standard menu items for Yuletide.

It's going to be a rousing season. The start of it will see Santa in all his glory arriving on the parking lot bright and cheery at 10:30 a.m. Friday, November 23rd. So make all your plans to be there and share in the joy and fun that will mark the opening of this gala Christmas Season.

Annual Food

Drive Set In Park

The Madison Park Boy Scout Troop #61 will conduct their annual food drive in the Madison Park area. The drive gets under way on Saturday morning, November 17th at 10:30 a.m.

The scouts will make a door-to-door canvass of the entire area and any non-perishable goods or donations will be gratefully accepted.

All foods and donations will be made into baskets and presented to needy families in Madison Township.

Troop #61 has conducted the drive for the past several years and they have been successful in the past. Won't you please do your part when the Scout calls at your door any canned goods will gratefully be accepted?

Dance Set

The Old Bridge Athletic Association, sponsors of the Old Bridge Rams football team and the local Babe Ruth baseball league, will hold its first dance, Dec. 1 at the VFW Hall, Borden-town Ave.

Music will be provided by "The Queensmen". Tickets can be obtained from Norman Healey and John Eckert, chairmen; or from Michael Vasequez, ticket chairman.

Dance Set By Garden Club

The Window Box Garden Club, Inc., will sponsor the Candle-Lite Caper on Saturday, December 15 at the Liberty Ball Room in South River. The affair will get underway at 8:30 p.m.

Music for dancing will be provided by the "Royallaires." Tickets will sell for \$4.00 a couple and include refreshments.

The general public is invited to attend the dance. They may obtain tickets from members of the club or Mrs. Allan Anderson, CLifford 7-0604.

Little League Dance

St. Bernadette's Auditorium Hall will be the scene of the 7th Annual Fall Dance for the benefit of the Old Bridge Little League.

The affair will be one of the main fund raising events for the Old Bridge Little League and Mrs. Harvey Neilsen is serving as chairman of the annual event.

The Fall Dance will take place at St. Bernadette's Hall on Saturday November 17th. Music will be furnished by the fabulous "The Queensmen" the affair gets underway at 9:00 p.m.

Admission is by donation of only \$2.00 per person and this very reasonable price includes refreshments. Why not plan to attend the annual affair and help the Old Bridge Little League.

The Thrill Is Gone

It all started in Akron, Ohio when a group of stamp collectors noticed a misprint on the Dag Hammarskjold Commemorative Issue which was put up for sale on October 24, 1962 by the Post Office.

Other reports of the misprint were reported to be in the hands of stamp collectors and the furor was on. Early this week the post office halted the sale of the commemorative stamp, to try to determine how many imperfect sheets got past the postal inspectors.

The printing error that raised the value of the imperfect stamps was caused by an inverted yellow plate. In the flawed stamps, the lower portion, which should be yellow, is a blank white and the four cent designation, which should appear in the lower left corner, is at the upper right.

Original reports had the stamps valued between \$250 and \$350 each, which is quite a percentage of markup on a four cent investment.

Now the post office intends to print several thousand more of the imperfect stamps, in order to deflate the value of the imperfect stamps. If things keep going on, it might prove that the perfect stamps will be of more value than the imperfect stamps.

There are millions of philatelists in the world that save, purchase and collect the little pieces of gummed paper. This is a tremendous hobby there are millions of dollars of stamps that are never used for the purpose intended. These are saved and traded by stamp collectors. When a rarity of a imperfect stamp is found stamp collectors run to their collections to study and examine the little pieces of gummed paper. They the stamp collectors live and breath stamps. Now the post office is going to print imperfect stamps in order to reduce the value of stamps which should have not been issued for sale.

The thrill is gone.

Stamp Available

Parlin Postmaster Gerald J. Buchann announced today that there are ample supplies of the first Christmas postage stamp ever issued by the United States are available at the Parlin Post Office.

The 4 cent green, red and white stamp, intended especially for use on season's greeting cards, depicts the traditional holiday symbols.

Burning tapers and an ever green wreath adorned with a red bow. Lettering is in Old English.

Why Not Apartment Houses For Madison?

The Planning Board of the Borough of Bergenfield, New Jersey recently completed an exhaustive study concerning the future status of apartment houses in that borough.

Many of the facts brought to light by this survey were very interesting and could prove to be a valuable asset to the over-burdened taxpayer in Our Town.

The study determined that the existence of apartment houses did not place additional burdens on the police and fire departments. That 85% of the apartment units had private garbage disposal. The report showed that recreational facilities were adequate and provided at the apartment site.

The survey also pointed out that only one child in seventeen in the Borough Public School system resided in an apartment unit. The newer apartments had less of a ratio of school children than the older apartments. This was undoubtedly due to the smaller size of the newer units, there were generally less than four rooms per apartment.

In the course of the study it was found that apartment house families with children of school age invariably move to private residences before their children reach high school. Thus the greatest majority of children in public schools are in elementary school, where the educational costs per pupils are approximately 26% lower than high school costs.

Perhaps, the Madison Township Planning Board should contact the officials of Bergenfield and obtain additional information. We feel that apartment houses in Madison Township would be a benefit to the homeowner. The additional residents would greatly add their purchasing powers to the economy of Our Town. Businessmen and merchants in Our Town would greatly be aided by the additional revenue. With the increase in population Madison Township would receive additional tax money from cigarette and gasoline tax. Additional taxes would be obtained from the various utility companies serving the area. Perhaps the apartment houses would be a way to stabilize the tax rate in Madison Township.

How about it fellows? Why not try to obtain some apartment houses for Our Town?

Under The Fence

FEUDING AND FUSSING: Well the November election has just gotten over and already both political parties have more candidates available than "hen turkeys". More potential candidates strutting around following a recent performance of "Stalag 17" than members in the cast. This is a good sign that everyone wants to get into the act. "Many are called but few are chosen". It looks like a knock-down, drag them out fight in the primary election for both political parties. Understand that the leadership in both parties will be up for grabs. Mayor "Jack" Phillips we hear had a couple of loyal Democrats call on him following the recent election to place the cards on the table. They claimed that they weren't working against Phillips successful Freeholder bid, just against the local candidates. Understand they would have won a prize on "Can you Top This". The way we get the story is if their talk was fertilizer, there would be enough to make everyone in Our Town have a green lawn.

PLAN AHEAD: Now that the Charter Change has been adopted by the voters of Our Town and in 1964 the Township will have to hire a business manager we'd better start looking for someplace to put him. The present municipal building is overcrowded. It was overcrowded from the day they purchased it. We still feel that they should have invested in a new building. Not too much room for expansion at the present site. How about cutting the Municipal Court Room in half and making a couple of extra offices. Perhaps they can expand out to the rear of the building without ruining the general appearance of the building? We wonder if they are going to erect the "chicken shed" on the police side of the building this year?

Letters

The Browntown P.T.A. was confronted with a difficult situation, which was a safety hazard to our children.

When an invitation was extended to the Madison Township Police Dept., Captain Wallis answered by honoring us with his presence.

He kindly gave his time and advice as to a series of measures which ultimately remedied the situation.

He, in conjunction with the Township Road Committee, under the supervision of Mr. Theodore Bastido, started the installation of school zone signs, painting the highway, and cutting of brush and upon completion we are deeply appreciative because now the area is considered a safety area.

Again, a "thank you" is in order!

Sincerely yours,
Mrs. George Roche,
Pres.
Browntown PTA

BOARD OF EDUCATION: Understand that the Board of Education is going to study the maintenance program of the school buses in the township. The taxpayers had better watch out. The Board of Education might end up building a \$400,000 garage to house the four school buses. We still feel that the Board of Education should get out of the school bus business and back into educational business. We still feel that private contractors can operate the buses more economical and more efficiently. With certainly less headaches. Better check on the speeding of some of the school owned vehicles, we thought the maximum speed on any highway in Madison Township with the exception of the Garden State Parkway was 50 m.p.h. Mr. Transportation Chairman: Are bus drivers allowed to smoke cigarettes while driving a school bus? Are the children including patrols supposed to be sitting in a seat? Better check up on these little items before someone gets hurt.

PARENTS WARNED: Several youngsters in the Old Bridge area have been getting their "kicks" by sniffing model airplane glue. This can be very dangerous and may result in death. This problem can not be controlled by any police action, it must be taken care of by the parents. Youngsters also create traffic problems when they unload from school buses, they walk in the middle of the street and seem to defy motorists to run them over. Some of the language used by these youngsters is "out of this world". Police will soon break open another "teen-age case" several youngsters are presently being watched by police. The case should break in a couple of weeks. Some of the youngsters had better straighten out and fly right.

AREN'T WE THE LUCKY ONES: Quite a few families in the Central Park development have been receiving letters from their favorite mortgage company. The Dear John Letters are requesting additional money for escrow and additional amounts

due to anticipated increases in the local tax rate. Residents in the Sayre Woods South development will also receive the same type of letter shortly. The Madison Township Board of Education should carefully study the budget needs if they expect to get the 1963-64 school budget approved by the voters of Our Town. We still would like to see the Board of Education account for the tremendous balance they have on hand. How much money do we have from builders donations. Doesn't the bulk of the surplus money come from the fact that the school bonds weren't sold at the start of construction of the High School? Didn't the Board of Education allocate large sums of money in the budgets to pay off school bonds which were issued much later? The Board of Education should use a good deal of the surplus money to lower the local budget and give the taxpayers a break.

Parking Rules Set For Sayre Woods Shopping Center

The management of the gigantic Sayre Woods Shopping Center located on Route 9, Madison Township today urged that commuters are strongly requested to park not in the shopping area near the Grand Union end of the Sayre Woods Shopping Plaza but instead to park in the space behind the First National Bank of South Amboy-Madison Township Building and Professional Building on the Southern section of the parking lot.

This request is being made in order to end the great inconvenience to shoppers who cannot find parking space at the north end of the lot because it has gradually been taken over by commuters cars which park all day and take up space needed for shoppers who are coming

and going.

The privilege to park on the Shopping Center lot all day long by commuters is gladly granted by the Center, but the special space in the southerly part of this lot is the space set aside.

Commuters are earnestly requested to use it and do away with the nuisance of all day parking around the food and other stores on the northern part of the center.

Commuters will receive a vote of thanks for observing the new rule, and strict observance now may avert more direct action later on.

in Madison Township sincerity, vigor and aggressiveness. The Republican Party in Madison Township can gain needed strength but first the leadership of our great party must be secured. I urge that the G.O.P. voter demand the resignation of the present Republican Municipal Chairman.

Hood Again Hits At Leadership Of G.O.P. Demand Immediate Ouster Of Donald Borst

Carl W. Hood, president of the Laurence Harbor Republican Club, addressed a group of G.O.P. municipal committeemen and women and workers at the Laurence Harbor Republican Club headquarters immediately following the election returns of November 6th.

The G.O.P. leader said, "I believe it is obvious to everyone, including the Democratic Party, that tonight's election results indicate the voters of Madison Township expect and

demand greater efforts to be made by the Republican Party and its candidates — rather than a vote of confidence or approval of the incumbent party and its candidates."

The Harbor resident continued, "I am quite confident that you understand and accept this challenge that in the interest of good government, a Republican form of government can once again gain the confidence of the voters of Madison Township. Maybe confidence would return quicker if it hadn't been so abused. The people have been and will continue to look towards the G.O.P. for the type of leadership and candidates that are indicative of good, honest, sincere, economical, progressive government. It is incumbent upon all who are actively participating within the G.O.P. to provide this and if we fail to do so, then I am afraid we will continue to face defeat at the election polls. "There is no defeat in truth save from within; unless you're beaten there, you are bound to win - Henry Austin."

The G.O.P. club president continued, "The most devastating problem the G.O.P. has had to contend with at certain times in the past and more acutely in the present is the stagnated, irresponsible, self-interested and disloyal leadership in the Republican Party here in Madison Township.

"How can we in the Republican

party correct this - very simple - at this time I call upon every Republican in every election district in Madison Township that is dissatisfied with the present conditions and leadership that exists in the G.O.P. to contact and demand that their Municipal Committeemen and women that represent them as they were elected to represent them and urge the immediate resignation of the Municipal Chairman Donald Borst and also they should suggest to their committee people someone they feel would serve the Republican Party and our municipality as it should be served with great concern, honor, sincerity and loyalty.

If the committee people do not respond to the wishes of the people, then I would suggest that you locate, campaign for and elect committeemen and committeewomen who will. It is here that the success, strength and backbone of our political system originates."

The County Committeeman concluded, "The voters of Madison Township have the opportunity to strengthen and unite the Republican Party. We have the opportunity to bring the G.O.P.

Tax Conference

Accountants, attorneys, tax practitioners and individual business taxpayers or company representatives actively engaged in the preparation of Federal business tax returns are invited to attend a conference sponsored by the Internal Revenue Service in the Terrace Room of the Mosque Theater at 1060 Broad Street, in Newark at 1:00 P.M. on Thursday, November 29, 1962. The purpose of this meeting is to discuss input requirements for the Internal Revenue Service's Automatic Data Processing System and to explain the use of the revised forms for business tax returns.

The Acting Director of the Newark District, John H. Rauhen, Jr., in explaining the purpose of the meeting stated that business tax returns from all districts within the Philadelphia Region for periods beginning after January 1, 1963 will be handled by the Automatic Data Processing System recently installed in the Philadelphia Regional Service Center. This innovation has necessitated the use of Taxpayer Identification Numbers, the revision of some of the forms used for tax returns and has placed a stringent emphasis upon following prescribed procedures in their preparation. Mr. Rauhen explained that the agenda for this meeting has been limited to these specific topics.

Professional associations, practitioner groups, trade associations, industry organizations and local Chambers of Commerce have already been asked to notify their members of this meeting. Any individual

actively engaged in the preparation of business tax returns is urged to attend. If he has not received an invitation form from one of these groups, he may signify his intention of attending by writing to the District Director of Internal Revenue, P. O. Box 1261, Newark, New Jersey.

NOTICE OF ADOPTION OF BOND RESOLUTION

NOTICE IS HEREBY GIVEN that The Madison Township Municipal Utilities Authority has heretofore, on November 7, 1962, finally adopted a bond resolution authorizing the issuance of \$750,000 Water Revenue Bonds, Series A, for the purpose of financing the cost of acquisition of certain water systems in the Township of Madison and the construction of additions, extensions and improvements thereto (hereinafter called "Utility System") and prescribing the form of a Trust Agreement to secure said Water Revenue Bonds, Series A.

The aforesaid bond resolution is on file for public inspection in the office of the Authority 3000 Hwy. #9, Old Bridge, N. J. (Madison Twp.) and in the office of the Clerk of the Township of Madison, in the Municipal Building, Madison Township, New Jersey.

The date of the first publication of this notice is November fifteenth, 1962, and any action or proceeding of any kind or nature, in any court, questioning the validity of the creation and establishment of The Madison Township Municipal Utilities Authority, or the validity or proper authorization of the bonds provided for by the bond resolution above referred to, or the validity of any covenants, agreements or contracts provided for by the bond resolution or the Trust Agreement thereby authorized shall be commenced within twenty (20) days after the first publication of this notice.

If no such action or proceeding shall be commenced or instituted within twenty (20) days after the first publication of this notice, then all residents and taxpayers and owners of property in the Township and users of the Authority's Utility System and all other persons whatsoever shall be forever barred and foreclosed from instituting or commencing any action or proceeding, in any court, or from pleading any defense to any action or proceeding questioning the validity of the creation and establishment of The Madison Township Municipal Utilities Authority, the validity or proper authorization of the bonds provided for by this bond resolution above referred to, or the validity of any such covenants, agreements or contracts provided for by the bond resolution or the Trust Agreement thereby authorized and said bonds, covenants, agreements and contracts shall be conclusively deemed to be valid and binding obligations in accordance with their terms and tenor.

G.O.P. Chairman Hits Back At Critics

Madison Township Municipal Chairman Donald L. Borst dismissed Monday night as "completely erroneous and without foundation" recent statements which alleged that the services of challengers for the county GOP were refused in Madison Township.

Speaking before the Cliffwood Beach Republican Club where he was nominated as president Monday night, Borst said that the names of challengers for GOP congressional candidate Bernard F. Rodgers and the Republican ticket were filed in every election district in Madison Township. He added that in virtually all the township's election districts challengers sent from the county would have been illegal in that the maximum legal number

of challengers had already been filed.

"At any rate," he continued, "as municipal chairman I did not receive the names of any challengers at all from the county level and I told no county representative that he would be unwelcome. Statements to the contrary are completely false and can only damage the Republican unity so necessary to continued GOP success in Middlesex County and in Madison Township," he said.

Borst was nominated Monday night to serve as president of

the Cliffwood Beach Republican Club. Elections will be held next month. Also nominated were Vincent J. Bushman, vice president; Mrs. Ann Mitzenius, secretary; Mrs. Mary Solbin, treasurer, and Miss Mary M. Hetts, financial secretary.

Deadline Approaching

The deadline for making reservations for the Second Annual Charity Ball to be sponsored by the Altar and Rosary Society of St. Thomas the Apostle R. C. Church is fast approaching.

The annual affair which will again feature the fabulous Guy Lombardo and his complete orchestra is set for Saturday evening November 24th. The gala ball gets underway at the St. Thomas Auditorium on Highway 18, Old Bridge at 8:30 p.m.

Donation to the affair is only \$5.00 per person and entrance can be had only by reservation. Seating as per tickets.

Reservations may be made by calling Mrs. M. O'Meara at CLifford 7-2992 or Mrs. L. May at CLifford 4-4165. Deadline for reservations has been set for November 19th. Don't be disappointed as there are only a limited amount of tickets available, these are going fast, make your ticket reservations today—tomorrow may be too late.

ORT Conference

The Sayre Woods South Chapter of Women's American ORT will be represented at the North Central Jersey Region Planning Conference of ORT on Monday, November 26.

Mrs. Norman Pauley, president of the Sayre Woods South Chapter will head the delegation to the conference.

Change In Hunting

Laws Needed

We'll probably hear from more than one hunter, but we feel that certain provisions in the New Jersey Game Laws should be changed.

The present state law concerning the discharging of a gun for the purpose of hunting is as follows: - No person, excepting owner, or lessee of property, may for the purpose of hunting, discharge a firearm within 300 feet of any occupied dwelling.

We firmly believe that this part of the law should be amended to state 500 feet. In Madison Township many of the home development border on wooded areas, these are ideal hunting areas. With modern ammunition there is presented greater danger to human life with hunters discharging weapons 300 feet from an occupied dwelling.

We think that perhaps the township committee should enact a local ordinance prohibiting the discharging of weapons for the purpose of hunting at least 500 feet from any occupied dwelling. Perhaps the committee should also include in the ordinance that hunting for game be limited to land zoned for heavy industry. This would keep the hunters away from the developments.

Film Shown

At the monthly meeting of the Laurence Harbor Elementary School P.T.A. on Monday evening, Mr. George Fiore, President of the Madison Township Board of Health presented a film on Sabin Oral Vaccine.

Following the presentation of the film Dr. Alan Weinstein, Board of Health Physician spoke briefly on the advantages of using the oral vaccine and this was followed by a question and answer program regarding various type vaccines.

An Aid To Shoppers

Starting Saturday November 17 a new system of controlling parking on Saturdays on the Sayre Woods Shopping Center lot will go into effect with a patrol in charge to keep the curbsides and driveways open for the easy movement of shoppers in and out of the stores.

The new patrol will also prevent reckless or high speed driving on the lot a factor which will promote greater safety both for shoppers going to and from their cars and those driving through the parking lot.

Motorists and shoppers are urged to co-operate with the patrol.

"Voice From The South"

(The views and writings expressed in this column are not necessarily the views of the Madison American or the publisher)

Herb Gordon

PA 1-7847

After three years of publication, we hear that SWS' only newspaper has stopped the presses. To many people, The Yachtsman meant more than just another newspaper. To someone like Neil Boenzi, it was strictly a labor of love. From the time he put together the first edition, until very recently when due to unfortunate circumstances he moved back to New York, Boenzi edited a fine paper. Many's the night he worked through, typing the last minute releases; and many's the night he would fill in for the boys who were unavailable for distribution. He saw to it personally that it was delivered to every resident. Neil was never interested in The Dollar and often ran off a paper at a loss if he felt he had important news for his community.

Not everyone liked the paper. There were those who said that it was too controversial or too political. Nevertheless, everyone, yes, everyone, waited for it including residents from many other sections of town. This alone was a tribute to Neil. We will miss the paper.

The Madison American, in an attempt to take up the slack, will try to cover the activities of the many SWS organizations. We have contacted representatives of all the clubs and informed them that we will be glad to receive all publicity releases. Keep in mind that this paper is published every week and is distributed throughout Madison Township.

Board of Education's Bill Rice and this column still have the responsibility of the Yachtsman Recreation Fund. We'd like to hear some recommendations from the residents about this. Bill Schladeback, also of the Board of Ed, recently returned from South America and reports that Jack Hurley of Bruce Street will be back with us in January. The Hurleys have been in Brazil for two years and we hear that their youngsters have been doing the interpreting for them when they shop. Perhaps our Board might consider language courses for the elementary grades.

We are all glad the Police will get their well-earned raise. By the way, have you checked your driver's license lately? There should be quite a few ready for renewal very shortly.

If you didn't get to see "Stalag 17" last week, you missed a great show. Congratulations to

Lee Kurtz and the entire cast, and a special cheer for those Theatre 60 members who built the set and worked so hard behind the scenes. While the play was in rehearsal, this story made the rounds. Wooden signs which merely read, "Stalag 17" were posted in and around the SWS area. One puzzled resident finally broke down and asked her neighbor what they meant. When told that this was an advertisement for the play, she remarked, "Oh is that all? I thought it was the residents giving their opinion of Sayre Woods South!"

Playgoers should be reminded that "Arsenic and Old Lace" will be presented at the High School this Friday and Saturday. The Madison Township High School Dramatic Society is using basically the same cast who performed so well in "Dairy of Anne Frank" not long ago.

The SWS Little League will hold an election of officers on Wednesday, December 5. The slate is as follows: President, S. Irwin, H. Hyatt, H. Benengoso; Vice-Pres., G. Storck, H. Benengoso, T. Maimone, B. Wilson; Treas., H. Benengoso, H. Hyatt; Player Agent, G. Vroom; Rec. Sec., Mrs. H. Moscaritolo; Cor. Sec., L. Shaffer. Mr. P. Healy is in charge of the nominating committee and will consider any other candidates whose names may be submitted. A large turnout is expected at this very important meeting.

All the second guessers are working overtime to explain away the Republicans' sweeping victory in SWS. Many a crystal ball was kicked to smithereens but there are some who are saying, "I told you so." We believe the Republicans were more surprised at the vote than some of the Democrats. It is no secret that the SWS Democratic Club, once considered the most active and one of the most influential organizations, is literally falling apart at the seams. The image of a hard working politician which the Democratic Committeeman from District 9 worked so hard to maintain has been pretty well shattered in the past months. People have grown tired of having him appear only in April and November. If he were to run for office right now against a SWS Republican the Republicans would win again. In District 10 which has always been a Republican stronghold the Republicans made no gains. This was due mostly to the hard work County Committeeman Caffero has been putting into the district. There are several capable men in SWS, such as Jack Saper, Al Weingartner and Ed McLane, who would do a good job on Township Committee and would be able to carry the districts. It would be a waste to give the seat to a man who has shown he cannot convince the people that his is the better party.

"Streetcar Named Desire" Next Selection

Following fast upon their successful production of Stalag 17 this past weekend, Theater 60 Production Company of Community Theater Players will start casting for their newest venture "Streetcar Named Desire".

Lee Kurtz, executive director of Community Theater announced

Case Intake Increasing

According to John J. Cuneo, Director, Newark office, the case intake of the National Labor Relations Board is increasing nationally at the rate of 8 to 10% a year. This figure underscores the importance of the information conference to be conducted by the Rutgers Institute of Management and Labor Relations in cooperation with NLRB Region 22 at the Robert Treat Hotel, Newark, December 3.

"In order that we may fulfill the congressional objective of removing obstructions to commerce," states Cuneo, "and at the same time keep governmental intervention to a minimum, it is increasingly important that representatives of the labor-management community be acquainted with their rights and responsibilities and the rights of employees under the law, so that they can avoid entanglement with the law and work out problems voluntarily wherever possible."

Cuneo pointed out that the December 3 conference will help inform employers as to those areas in which they are protected by law and those in which the law leaves them to work out their own problems.

According to Cuneo, Stuart Rothman, NLRB General Counsel, will join Clement P. Cull; Peter C. Benedict; Bernard L. Balicer, all 22nd region officials, and him, in presenting information which he hopes will be helpful in some measure in contributing to industrial peace and stability.

Registration for the conference is \$10.00 including luncheon. Interested individuals are asked to contact Management Program Chairman J. Dudley Hill at the Institute here.

Browntown School Open House Set

The Browntown School will hold open house November 20th at 7 p.m.

Parents are asked to be in their children's classrooms at 7:15 p.m. Each teacher will explain the curriculum and what he expects to accomplish in the school year for the class.

Russell Van Sickle, school principal, said there will be no personal interviews but at the social hour following the regular PTA meeting, the parents may speak with the teacher.

The regular PTA meeting will follow the open house and parents are urged to remain and take part in the program.

Harry Romero, program chairman, plans on having one or more of the special school teacher explain their functions at the school.

the choice of the new production at a special meeting last night.

Ray Kiern, who had the leading man's role in "Born Yesterday" and a featured part in "Stalag 17" has been appointed as director for the new production.

Casting for "Streetcar Named Desire" will be held at the American Legion Hall, Old Bridge Friday at 8 p.m.

Kurtz said last night to "all

the force and power of this drama will be added the collective abilities of the group's technical force to make this presentation as memorable to Madison Township as its previous successes.

"Stalag 17" was presented at the Madison Township High School by Community Theater this past Thursday, Friday and Saturday. It played to capacity crowds on Friday and Saturday.

Announce \$20,000 Federal Grant

Harry Messenger

Samuel Clark, Chairman of the Madison Township Sewerage Authority today announced that he

has received notification from Senator Harrison Williams that the local sewerage authority would receive a Federal Grant in the amount of \$20,000 for the Madison Park Sewerage Study.

Mr. Clark said the Preliminary Engineering Study will begin in a few days.

Township Committeeman Harry Messenger of Madison Park who had pressed for the Sewerage Study in the Madison Park area stated "that he was greatly pleased with the news of the grant." The recently elected township committeeman continued "the Federal Grant will greatly speed up sewerage for the Madison Park area, the people in the Park area have urged that sanitary sewerage be installed in the area. I certainly hope that their wishes are ultimately attended to by the sewerage authority."

Christmas Party For Rosary-Altar Society Set

Plans for the annual Christmas party of the Rosary-Altar Society were discussed at the last regular meeting of the society. Mrs. William Delaney, co-chairman with Mrs. Bruce Eisenberger, announced that a catered roast beef dinner will be held in St. Lawrence auditorium on Monday evening, December 3.

Election of officers for 1963 will be held that night (Dec. 3) at the regular meeting prior to the party. Mrs. Stanley Lebrant, president, appointed a nominating committee to prepare a slate of officers to be presented to the Membership at the December meeting. The committee will consist of Mrs. John Crimmins, Mrs. Edward Doyle, and Mrs. William Crasso.

Two new members were introduced to the members: Mrs. Dennis Fiala and Mrs. Joseph Policastro.

Mrs. William Grasso reported on the latest activities of the Blessed Virgin Sodality for which she and Mrs. George Franz Jr. are now serving as adult advisors.

Mrs. Edward Doyle, chairman of the Confraternity of Christian Doctrine classes, explained the format of the Tuesday evening

sessions held weekly in St. Lawrence auditorium for the boys and girls of junior and senior high school age who attend public school.

A toy demonstration and sale was conducted after the meeting.

Yule Bazaar Set

The St. Thomas Parent Teacher Association will sponsor a Christmas Bazaar in the parish auditorium on December 15 from 1 p.m. until 10 p.m. and on December 16 from 3 p.m. until 11 p.m.

On December 17 the bazaar will be for the school children. Movies for the youngsters will be shown and Santa Claus will be on hand to talk to all the youngsters.

General chairmen of the bazaar are: Mrs. Edwin Rosenbohm, Mrs. Stanley Prusakowski, Mrs. Edward Connor.

Other chairmen include: Mrs. Thomas Garripoli and Mrs. Joseph Stahley, booths; Mrs. Alfred Schmeltz, financial; Mrs. Charles Larsson, purchasing; and Mrs. Peter Cornell and Mrs. Edwin Banziger, publicity.

Teacher Banquet

The annual banquet of the Madison Township Teachers Association will be held at Clare and Coby's Restaurant on Route 9 and 34, Cheesequake on Monday, November 19.

SAYREVILLE, N.J.

Congratulations to Mr. and Mrs. STANLEY VOZAB of 29 Brandeis Road, Madison Park. They will celebrate their 22nd wedding anniversary on Wednesday. STANLEY also celebrates his birthday that day - he's not squealing about his age. . . Happy Birthday to DEBORAHANN MILLER of 17 Sycamore Drive, Old Bridge. She celebrated her 4th birthday on Sunday with a party. We hear it was quite the thing. . . Best wishes to REV. FRANCIS CANTEL of Browntown. He celebrates his birthday on Saturday. Birthday wishes to miss ROSE DE GREGERIO of Route 34, Cheesequake. She will celebrate her birthday on Saturday. . . MIKE "PLUMBER" CASE of Route 9, Browntown, celebrates his birthday on Friday. Mike won't say how old he is, but he remembers a four-legged bathtub. . . Lots of luck to Mr. and Mrs. LEONARD BENNETTO of Cheesequake Road, Madison Park. They have a new ruby red 1963 Plymouth. . . Birthday wishes to JAMES BROWN of Highway 34. He will celebrate his birthday on Wednesday. He's the son of Mrs. Mary M. Brown, Township Clerk. . . Happy birthday to CHRIS NEIGEL of 3 Duke Court, Madison Park. He will be 12 years old on Tuesday. A birthday party is planned. . . Best wishes to DORSON "LUNCHEONETTE" BUR-

TON of Auston Avenue, Old Bridge. He celebrated his birthday on Monday. Stop in for a cup of coffee at BURTON'S LUNCHEONETTE. . . Happy birthday to PAUL ZAWARTKAY of Summerfield Avenue, Laurence Harbor. He will be one year old on Tuesday. . . Happy birthday to CINDY HORNELEIN of 215 Park Avenue, Cliffwood Beach. She will celebrate her 7th birthday on Friday. . . Birthday wishes to DAVID VANCE of 116 Southwood Drive, Old Bridge. He will be four years old on Wednesday. . . Mrs. MARY BURNETTE and Mrs. WARREN BURNETTE and son ALLEN of Highway 9, Browntown, are going to Massachusetts over the weekend to visit relatives. . . Belated birthday wishes to Mr. CHARLES SEARLASKI SR. of 7 Brandies Road, Madison Park. He celebrated his birthday last week on November 5. Many many more. . . Happy birthday to THOMAS KIMBROUGH of 4 Brandeis Road, Madison Park. He will be 11 years old next Thursday. . . Mr. and Mrs. CARL ZAHN of 18 Culver Court, Old Bridge, are expecting "Sir Storck" in February. . . Best wishes to LORRAINE BRUS of Duke Court, Madison Park. She will be 16 next Thursday. That's Thanksgiving Day, too! . . MARY BARR of Cliffwood Beach has a new addition to the family - a little

dog called "TINY" - it's a Chihuahua. . . Happy birthday to PAUL KNIGHT of Summerfield Avenue, Laurence Harbor. He will celebrate his birthday on Wednesday. . . Best wishes to Mrs. RAYMOND FOLEY of Edgar Road, Cheesequake. She celebrates her birthday today. . . Get well wishes to RONNIE SEARLASKI of 7 Brandeis Road, Madison Park. She has been home sick for the past week. . . Miss PAT KAYES of 3 Beverly Road, Old Bridge, was a weekend guest of Miss PATRICIA WALLINGER of 6 Duke Court, Madison Park. . . Happy birthday to ELAINE BELL of 311 Herbert Avenue, Old Bridge. She celebrates her 10th birthday on Monday. . . Best wishes to Mrs. BETTY CONDO of Englishtown Road, Old Bridge. She will celebrate her birthday on Wednesday. . . Tax Collector and Mrs. DAVID WATSON of Laurence Harbor are attending the League of Municipalities Convention in Atlantic City. Most of the officials of Madison Township will also attend the affair. . . News for the FAMILY CIRCLE, write Mrs. IRENE WHITE, 22 Princeton Road, Parlin, N.J., or telephone Parkway 1-3207. . . Birthday. . . Wedding Anniversary. . . Vacation. . . Promotion. . . Graduation. . . It's all news for the FAMILY CIRCLE. Remember, there is absolutely no charge for items in this column.

Seidel Guest Speaker At Scout Affair

Dr. George R. Seidel, a Dupont scientist and educator, will be the guest speaker at the Middlesex Council, Boy Scouts of America, annual Eagle Scout recognition dinner, November 15th, at the Johnson & Johnson Research cafeteria. Dr. Seidel cites "Freedom to use Individual Intelligence as the Free World's Most Powerful Weapon."

Manager of the educational section of the Dupont Company's extension division, Wilmington, Delaware, Dr. Seidel spent many years actively engaged in chemical research. He will recount for the Eagle Scouts, their parents and their scoutmasters, some first hand experiences of Dupont Technology, to illustrate his theses that only the kind of freedom enjoyed in America can provide the most fruitful development of scientific knowledge.

Dr. Seidel obtained his Ph.D. in Physical Chemistry at the John Hopkins University in 1931. He taught mathematics and chemistry at Susquehanna University

prior to joining Dupont in 1936 as a research chemist.

He joined the extension division of the public relation department in 1955 as district manager, with successive appointments as technical adviser and education manager.

In 1958 Dr. Seidel was chairman of the Delaware section of the American Chemical Society. He is presently a member of the American Association for the Advancement of Science,
