Investigation Continues In Fatal Airplane Crash

The Federal Aeronautics Administration and the Madison Township Police Department are continuing their investigation of the fatal airplane crash, Sunday evening. Madison Police have little hope of coming up with the events that led to the crash, until they can question the survivor of

the plane crash, John Thomson of Keyport.

The strange and mysterious airplane crash came to light when Madison Township Police were notified that there was a man walking on Route 516 with blood all over his face. The radio dispatcher notified Sgt.

William Burlew who was on patrol in the area. Burlew found Thomson staggering along Route 516 and immediately administered emergency first aid. According to Burlew's report the man was a mess, he had blood all over his face and his bones were sticking out of his face.

Burlew questioned the victim while waiting for the arrival of the Laurence Harbor First Aid Squad which transported the injured man to the Perth Amboy General Hospital.

According to Burlew Thomson was mumbling "I don't know what happened. Maybe I had too much to drink, I know I wasn't in a fight, I don't think that I was hit with a car."

The Perth Amboy Hospital admitted Thomson, suffering multiple fractures of the jaw, cerebral concussion and severe lacerations of the face. While enroute to the hospital with the crash victim Sgt. Burlew noticed

chips of green paint on the clothing of the victim leading police to believe that Thomson may have been the victim of a hit and run vehicle. The Detective Bureau was notified. Burlew returned to the area where the victim was found accompanied by Chief Charles Boice.

While at the scene they were joined by State Troopers of the Keyport Barracks, William Thompson and Edward Plesnarki who said that they had received a call earlier that a plane was behaving strangely over the Garden State Parkway and that a plane was overdue at the Red Bank airport.

Mr. D. E. Stephens told police that earlier his 51 1/2 year old son had told him that he saw a airplane crash in the woods after searching the area for the plane, he found nothing and dismissed the story as an over active imagination.

Chief Charles Boice then called in all fire departments, first aid squads and civilian defense units to search the area. Over 400 volunteers searched the area for the missing aircraft. The plane was found in a wooded area in the Cedar Grove section of Madison Township near the Cedar Grove school. The plane was found at approximately 11 p.m. and contained the body of Austin Burnes of Hazlet, N.J. Township

John Thomson the lone survivor of the airplane crash late Sunday evening died at the Perth Amboy General Hospital of injuries received in the crash. Thomson who struggled to Route 516 despite critical injuries died Tuesday evening at approximately 11:36 p.m. With the death of Thomson it is doubtful that anyone will ever really know what caused the crash of the PA-11 Piper Cub.

Physician, Dr. Alan Weinstein pronounced him dead at the scene at 11:30 p.m.

The actual cause of the crash at this time is not known and perhaps will never be known, unless the lone survivor John Thomson who was in critical condition at the Perth Amboy General Hospital as of this writing (Tuesday evening) recovers enough to shed some light on the airplane crash.

What is known at this time is that both men were experienced pilots with many logged hours. That several inches of gas were found in the tank of the single engine PA-11 Piper Cub. It is believed that the engine of the aircraft was not functioning at the time of the crash and that it may have been switched off by either of the two men, because there was no fire.

How Thomson in his dazed and bleeding condition managed to trek almost a mile from the crash scene is also a mystery. The accident was the second aircraft fatality reported in the past ten years in Madison Township. In 1954 a single engine Army Aircraft stationed at Fort Monmouth crashed approximately a half mile from the Sunday crash. The previous air crash took the lives of four army personnel, when the plane dove into an apple tree on the Rose Farm. In that crash the bodies were completely torn apart by the impact and little if anything resembled a airplane. A crater at least four foot deep was torn in the ground and the tree completely demolished by the crash.

REMAINS: Crashed plane a PA-11 Piper Cub, twisted and broken in a wooded area of Madison Township near the Cedar Grove School on Route 516. Crash took the life of Austin Burnes of Hazlet

and injured John Thomson of Keyport. The wreckage of the plane was found at approximately 11 p.m. Sunday night following search by over 400 volunteers.

Parents Receive \$170,000 Verdict In Human Torch Case

Madison Township Board of Education Attorney Henry M. Spitzer and Madison Township Attorney Harold G. Smith members of the law firm of Wilentz, Spitzer and Goldman of Perth Amboy successfully represented the parents of a five year old Iselin boy who was burned by gasoline in a freak accident.

A Superior Court jury after only two hours returned the verdict in favor of Mr. and Mrs. William Baker of 44 Vernon Avenue, Iselin. Their son Bryant became a human torch when he was hit with a flaming can of gasoline while on the playground of St. Cecelia's School in Iselin on September 9, 1961. The award was made against Frank Safarski of 106 Sonora Avenue, Iselin, maintenance foreman at the school. Safarski threw the can of ignited gasoline which accidentally hit the boy after trying unsuccessfully to start a gas operated motor of a compression sprayer which was being used by an exterminator working in the school's religious articles gift shop. Safarski poured gasoline into the carburetor and primed the engine the can ignited in his hand. Unaware that the Baker boy was nearby he threw the flaming can over his shoulder and out the door.

Testimony presented by Spitzer and Smith showed the youngster who will be six in August had seven major operations at Perth Amboy General Hospital and is confined to a wheelchair. The youngster still needs extensive skin grafts on his lower limbs and back. It was also pointed out that the

youngster only weighs 32 pounds and will have his future growth stunted due to the terrible burns he suffered. According to the attorneys, the Bakers have already incurred medical expenses of \$17,000.

The jury awarded the Bakers \$170,000 after a three day trial heard before County Court Judge John B. Molineux. Safarski was represented by attorney Philip Blacher of New Brunswick.

We'll Buy That

Township Committeeman Joseph Hoff at a recent meeting suggested that perhaps in order to speed up the possibility of obtaining a central post office for Our Town that perhaps it would be wise to change the name of the township. Hoff pointed out that the Post Office Department already has one post office in Madison, N. J. and suggested that Kennedy Township didn't sound like a bad idea.

Donald Borst G.O.P. Municipal Chairman, who very seldom agrees with Democrats anyway, especially when there is a big election coming up submitted the name of Eisenhower or Rockefeller Township.

The Junior Chamber of Commerce, one of the organizations seeking a centralized post office for Our Town agreed with Committeeman Hoff that perhaps by changing the name of the Township, a central post office might be speeded for Madison Township. The Jaycee head didn't offer any possible names.

We would like to offer our suggestion, let's name the Township after the first company that builds a \$150,000,000 factory in Our Town. With a factory worth \$150,000,000 located in Our Town, we wouldn't care what they called it. Can you imagine Ford Township? General Motors Township? Volkswagen Township? As long as we had that many dollars worth of nice tax ratables on the books, who'd give a damn what they called the town.

How about it Industrial Commission, maybe this might be an opportunity to obtain industrial wealth for Our Town? Promise them you'll name the town after them.

Better Highway Traffic Control!

Several times in the past few years we have written editorials concerning the traffic on Route 9 in the vicinity of the Sayre-Woods Shopping Center. The State Highway Department successfully closed the openings in the safety island and constructed two "jug handles" to handle the flow of traffic. This was done over the objections of the merchants on Route 9.

The traffic problem at the light at Ernston Road and Route 9 has tripled since the installation of the traffic signal. There are two movie houses presently under construction. The traffic situation on Route 9 can only become more acute and trying.

The State Highway Department did manage to supply an opening supposedly for "official use only" for use by the police department and other emergency vehicles.

Many motorists have been using the opening as the results of a huge sign placed on the highway which reads to Sayreville Discount Center make the first left. We feel that the State Highway Department should make the Discount Center move the sign or repaint it. There have been several "fender-benders" at the official opening, so far they have only amounted to minor cuts and bruises but someone could be killed at the location.

We urge the State Highway Department in the fact of the ever increasing traffic to reconsider their traffic control scheme and re-open several of the openings in the safety island on Route 9.

Hot Rod Haven!

The latest race track for the "hot rodders" in Our Town is the road in and out of the high school. Scores of "hot rodders" have been speeding up and down along the entrance to the high school.

The screech of brakes, the zoom of the motor and the stripping of gears mark the latest race track for the "hot rodders".

Automobiles race up and down Ticetown Road raising huge clouds of dust. Sure the police department patrols the area as soon as the police car leaves the section the "hot rodders" are back again.

The Madison Township Board of Education and the Police Department ought to get their heads together and come up with some solution for this one before someone gets hurt. We don't particularly care whether one of the "speed maniacs" gets globbered but it probably will be some youngster coming from a basketball game or some other after school activity that will end up in the hospital.

FEUDING AND FUSSING: From the looks of things it was only a temporary truce in the Democratic Party. At the recent meeting of the Madison Township Young Democratic Club, president Harold G. Smith who handled the Democratic Primary Campaign really "blasted" off. We've heard at least 15 different versions of what went on at the meeting. Smith's biggest beef was the dumping of Mary M. Brown, Township Clerk as Democratic Vice Chairlady. The word must have been out because the meeting was well attended, more members present than prior to the Primary Election.

BOARD OF EDUCATION: Wonder what the Madison Township Board of Education will come up with to help try to sell their new school proposal, they keep dropping cost prices around like they were selling "cucumbers". The schools will run well over \$4,000,000 which is quite a bit of change or cucumbers, whichever the case may be. We still would rather see them build several large schools. Course if they build a lot of small schools each one would then have to have a non-teaching principal, additional clerical help and probably another area superintendent to run around and see that everything is going smoothly. If the Board hired one extra principal, one clerk and one area superintendent the total cost in salaries could pay for the construction of one class room. Talk about trying to sell a "pig in a poke".

POLICE DEPARTMENT: Madison Township police have received delivery on the new police cars, we wish them well. The new cars have larger motors and are a good deal faster than last years cars, the only difference is that the cars are now owned by the township. We hope that next year they will come out ahead of renting the cars. The police cars are subjected to a lot of wear and tear because of the roads that they travel.

Letters

TO WHOM IT MAY CONCERN:
I would like to take this opportunity on behalf of the Mayor and the Township Committee to thank all the many volunteers that aided in the search for the missing aircraft Sunday evening.

The co-operation of the various Fire Departments and First Aid Squad was simply tremendous. The various members of the different organizations worked hard and long for the missing aircraft.

It is practically impossible to thank each and every volunteer that aided in the search, for this reason I am taking this way of thanking each and everyone. The response by all the various organizations aiding in the search was appreciated by myself and the police department.

Thanking you for your most splendid co-operation, I remain,
Most appreciative,
Charles Boice

Quite a few bumps and ruts on some of the roads, its not all highway patrolling. Thousands of miles are put on the cars on patrol work and it proves to be round the clock weather, snow, ice, rain, sand and sleet, the police cars just keep rolling along. Sometimes we wonder what holds them together.

PLANNING BOARD: Wonder when the Township Committee will pass the Zoning Ordinance for Madison Township. Quite a bit of fuss sometime ago about the new Zoning Code, but we've heard very little about it lately. Wonder Why? Could it be that it's being held over until after the November election. You know what would be a switch for some member of the Planning Board or Township Committee to get up and say "I'm voting for this development or that development because I firmly believe that development is good for Madison Township." We still feel that if you took out all the development out of the township that was built after 1946, took out all the other ratables built after 1946, the churches, etc. constructed after 1946, you'd find that the taxes would be three times as high as what they are today, you'd still have a very severe shortage of classrooms, no sewerage, the roads would still be crummy, no stores and what's more property values would be at rock bottom. Continuous expansion of Madison Township is the only way out, you can't go backwards and who would want to anyway?

TAX COLLECTIONS: According to David Watson there is no truth in the rumor that he would like to be appointed Business Manager in 1964. According to "Dave" he would just like to be Tax Collector. If the Democrats aren't elected he won't get reappointed as tax collector. Watson worked for the change in the form of government and it might be possible that he worked himself out of a job.

Raffle Set

The Ladies Auxiliary of the Madison Park Volunteer First Aid Squad are sponsoring a raffle, tickets are being sold by the auxiliary members. The first prize is a Corning Ware electric coffee pot and second prize is a Corning Ware starter set. The drawing will be held on June 19th at 9:00 p.m. at the home of Mr. and Mrs. Frank Cerra, 207 Princeton Road, Madison Park.

Residents of the Madison Park area are urged to be generous when asked to purchase tickets as the profits will be turned over to the Madison Park Volunteer First Aid Squad for needed equipment and the building fund.

The Madison Park Volunteer Squad is the only first aid squad in the vicinity that does have a squad building to house their ambulances and equipment. The members of the squad hope to shortly accomplish the building of a squad building with the support and the co-operation of the residents of Madison Park area, the area has continued to grow and the demand for more supplies and services are needed for the aged and the sick.

The next regular meeting of the Ladies Auxiliary will be held on May 15th

Litchko, Ruth Samsel and Daniel Cherwien, seated at piano is Frank Koch. The production is for the benefit of the Scholarship Fund. Tickets to the affair are only \$1.00. Performances on Friday and Saturday evening at 8:00 p.m.

The Madison Township High School PTA and the Madison Township School Teachers Association will sponsor a "Variety Show" at the Madison Township High School Auditorium on May 3rd and May 4th at 8:00 p.m. Tickets to the affair will be only \$1.00 per adult and with a special student rate for the Friday evening (May 3rd) performance of only \$.50. Tickets will be available through members of the PTA and the Teacher's Association.

Proceeds of the affair will go towards the Madison Township High School Fund. The fund was conceived by the P.T.A. Council of Madison Township soon after the high school referendum was approved by the voters. The representatives to the council from every PTA in Madison Township were eager to assure some worthy student in the first graduating class of 1964 and from each class thereafter, an opportunity to win a scholarship.

Two dances were held for the

Fund Raising Decal Sale Set

Every boy registered with the six teams of the Laurence Harbor-Cliffwood Beach Babe Ruth Baseball League will play at least two innings in each game according to George Stone, league president. This is in keeping with the code of sportsmanship and fair play, two of the many primary foundations of the Babe Ruth organizations.

The league, which opens its season on May 11, now has 83 boys between the ages of 13 and 16 in training for the start of play. Boys from Sayre Woods South, Genoa, Cheesequake, Knollcroft, Cliffwood Beach and Laurence Harbor will play on six squads. The teams are John Phillips Association managed by Angelo Borino; Byrnes Shamrocks managed by Wilbur Maskevich; Fibre Chemical Company managed by Leonard Stiles; Young Democratic Club of Madison Township managed by Robert Knight; Madison Township Recreation Commission managed by Michael Hoff and Manzo Construction Company managed by William Noonan.

The players will start a fund raising decal selling drive on Saturday. Mrs. William Noonan is in charge of the drive. Proceeds from the drive will aid in purchasing equipment for the teams. The player selling the most decals will receive a \$10

sporting goods gift certificate. The second place winner will receive a major league baseball and new bat. Boys must have the decal receipts in by the league's next meeting which is on May 8.

"Voice From The South"

Residents of SayreWoods South are urged to take advantage of the Polio Immunization Clinic that will be held on Saturday, May 4th at the Township Municipal Building, Route 9. The clinic will be held between 2:00 p.m. and 5 p.m. The nominal fee of \$.25 per inoculation will be charged. Madison Township Board of Health president Joseph G. Hoff and George Fiore, Township Tax Assessor have both done a tremendous job on the Polio Immunization Clinic. Parents must accompany all children. This is a real-real-good deal.

Our own ROBERT "JACK" SAPIR is a real busy man these days. "JACK" is seeking election as a Independent in the November General Election for Councilman. Understand that a "BACK OUR JACK" Headquarters will be established shortly in the SayreWoods South area. Sapir who was a former Democratic Committeeman in our development is really working hard at the job of getting elected and is the only Independent in the November race.

All the fuss about changing the name of the Township. We'd like them to name the Township SayreWoods South Township. After all, we are probably paying the largest share of the

taxes in the community and most everyone has heard about SayreWoods South and we are centrally located. Change the name to SayreWoods South and everybody will know the township.

Why not make plans to attend the Carnival which will be sponsored by the K of C from May 13 to May 18th at the Brown-town Shopping Center on Route 516. Plenty of fun for all and a variety of booths will be available to please everyone from youngster to oldster.

The Parent Teacher Association of School 18, 19 and 20 will sponsor a PTA Bazaar at School 18 on Bushnell Road on May 18 (Saturday). Many items will be available at the affair and the Girl Scouts, Brownies and Cub Scouts of the various troops in SayreWoods South will aid in the affair. Why not plan to attend, plenty of bargains for all and lots of fun?

Well the rains finally came after many of us just about gave up all hope of ever having a green lawn, now we'll all have to be out there cutting the grass. Wonder when the fence on Route 9 will be repaired? The thing looks disgraceful! Couldn't something be done about the fence by the Township Committee or the Highway

Department? Maybe the residents of SayreWoodsSouth should take up a collection and install a new fence along the highway, something that will stand up a little better than the previous fence. It's our community and we should try to take care of these things to make SayreWoods a cleaner and more desirable place to live.

RABIES CONTROL CLINIC will be held for all licensed dogs in the SayreWoods area on June 5th at the South Old Bridge Fire House Annex near the Acme Shopping Center. The rabies control clinic is free. Licenses may be obtained by writing Mrs. Mary M. Brown Township Clerk, R.F.D. #1, Municipal Building, Old Bridge, New Jersey, the fee is only \$2.50 and according to law all dogs should be licensed as of January 1, 1963, it's not too late to obtain the dog license and there is no fine if one is obtained now. You may also obtain the license by visiting at the Municipal Building between the hours of 9 a.m. and 4 p.m., Monday thru Friday.

V.F.W. Election Held In Harbor

Kenneth Kirkirt was elected commanding officer of the Hoffman-Prince Post 2672, Veterans of Foreign Wars, at the monthly meeting of the organization held at Byrnes Hall. Kirkirt succeeded Walter Vohdin, Jr., retiring post head.

Elected to serve with Kirkirt were Joseph O'Brien, senior vice commander; Patrick Carroll, junior vice commander; William Trinkner, quartermaster; Frederick Wyatt, chaplain; Dr. Charles Hoffman, surgeon; William Carroll, three-year trustee and Harry Jacobs, one year trustee.

All members of the post have been invited to participate in the Loyalty Day Parade to be held in Perth Amboy on Saturday (May 4). The parade is sponsored by the Middlesex County VFW. Kirkirt and Vohdin will head the local post in the parade.

The annual VFW poppy sale drive which is sponsored annually by the VFW national organization will be held locally by both the Hoffman-Prince members and its auxiliary. Both veterans and wives of the veterans will sell poppies, which are made by disabled American soldiers who were wounded in battle, from May 24 to May 30 at various locations in Madison Township such as the Sayre Woods Shopping Centre, Brown-town Shopping Centre, Shop-Rite

Registrations Set For Township Junior Olympics

Registrations are now being accepted from the boys and girls of Madison Township for the annual junior olympic games according to Harry Messenger, Recreation Commissioner of the municipality. The games will be held under the sponsorship of the Madison Township Recreation Commission.

The New Jersey state finals will be held on June 8, at the Christian Brothers Academy, Lincroft. In order to qualify for the finals at Lincroft entrants must win in the various area elimination meets which will be scheduled during the month of May. The date for the local elimination meet will be announced by Messenger at an early date.

The Madison Township program lists some 25 events for boys and girls from seven to 17 years of age. The events include hardball toss and 25 yard dash for the youngsters from 7 to 8

years of age; the running broad jump, high jump, 50 yard dash, soft ball throw and standing broad jump for the 9 to 11 age group; the softball throw, standing broad jump, running broad jump, high jump, 75 yard dash and the 100 yard dash for the 12 to 13 year group.

The 14 to 15 year group and the 16-17 year group will also compete in similar events with the addition of the shot put contest for the two older classes.

In order to register an entry form must be completed and signed by the entrant's parent or guardian. There is no registration fee.

Boys and girls of Madison township may acquire entry forms from Messenger, 51 Princeton Road, Madison Park, or any other member of the recreation commission.

Other members of the commission are John Spellman, 44

Oliver Avenue and Robert Knight, 3 Summerfield Avenue, Laurence Harbor; James Radigan, 13 Venus Road, Central Park; Eugene Murphy, 11 Pace Street, Old Bridge; Richard Gabuar, 257 Sunset Ave., Old Bridge; Esther Greenberg, 62 Edge Terrace, Sayre Woods South; Hart Tendler, 20 Bertrand Street, Sayre Woods South; John Eckert, 29 Farmbrook Drive, Southwood and William Rallo, 3 Gerard Street, Sayre Woods South.

All entry forms must be returned by May 1.

Winners Named In Circle C Ranch Show

WE STILL SAY WE'D LIKE TO SEE JUDGE SAM ON THE HORSE: Miss Pamela Ford, Washington, N.J., winner of the western trail class, poses with guests of honor, Magistrate and Mrs. Samuel Sladkus of Madison Township. Mrs. Sladkus presented the winning trophy to Pamela and her horse

Lady at the All Western Horse Show, Sunday at the Circle C Ranch, Englishtown Road, Old Bridge. The show was sponsored by the Methodist Men of Old Bridge. Pam also took first place in the Junior Western Horsemanship class.

The Garden State Horse Show held Sunday at the Circle C Ranch attracted a capacity crowd. Bleachers were packed and many stood to see the skill and speed events featuring some of the top horses and riders in the east. Two big Calf Races events and three Barrel Races were among the feature events.

Guests of honor included the local Magistrate and Mrs. Samuel Sladkus, Mr. John J. Cavanaugh, president of the New Jersey Horse and Pony Interests Association, and the Reverend Walter T. Gandek, minister of

Scrap Metal Drive

The members of Troop 36 will conduct a scrap metal drive in the Old Bridge area on Saturday, May 4, and May 11, 1963.

Any scrap metal which you may have lying around to be thrown out, such as cast iron, pipe and frames, brass or copper pipes, aluminum pots or pans, would you please set aside these items for the following pick-up dates.

You may be contacted by a scout regarding any scrap which you may wish to contribute. If you are not contacted personally, please call CL 4-1122, CL 4-4012, or CL 4-5383.

Scrap may be received at any time in the yard of the Madison Water Pumping Station on Pine St., off Highway #18.

Scrap placed by the road curb on Saturday May 4, and May 11, will be picked up by either trucks with scouts and fathers.

Your cooperation is greatly appreciated by all the scouts.

the Simpson Methodist Church.

Horse Show Judge was Mr. T. Harry Kiley of Colts Neck, N.J.

Special attraction of the day was put on by Miss Linda Davison of Jamesburg, N.J. The eleven year old 4 H'er leaped her horse, Pippy, bareback, over four flaming jumps, a feat which is impossible for most horses.

The Championship of the Day went to two riders on a tie. Two trophies were awarded. One to Edward Seemon of Pluckemin, and Miss Jane Marks of Eatontown. Ed, with his horse, 'Red Doll', won first place in Pole Bending and the Trophy Barrel Race and placed in two other classes. Jane and her mare, Bouncy Belle took first in Model Stock, Open Western Reining and Adult Western Pleasure.

Championship Calf Roping was won by Tex Roberto from Haskell, N.J. who roped and tied his calf in 11.8 seconds. The Trophy Roping was won by Richard Chillemi from Staten Island, N.Y., who together with his horse, Jack, roped and tied a calf in 13.6

seconds.

Other winners and their classes are: Judy Cohen, Livingston, Western Pleasure; Hank Ladd, Castleton, N.Y., Keyhole Race and Ring Sparring; Barbara Clevely, Irvington, GSHA Barrel Race and EBRA Barrel Race.

The show was sponsored by the Methodist Men of Old Bridge. The next Garden State Show at the Circle C will be held on July 14.

Prefers Change To Eisenhower

If Madison Township has to change its name in order to get faster mail delivery, GOP municipal chairman Donald L. Borst says he'd sooner see it named "Eisenhower Township" than "Kennedy Township."

Township Committeeman Joseph G. Hoff suggested earlier this week that residents might

secure a central post office, and therefore speedier delivery, if the township were to change its name to Kennedy Township.

There is already a Madison, N. J. post office, so observers say the present township name could not be used for a central post office.

The GOP chairman noted that Republican campaign platforms in past years have called for the establishment of a central post office, and that local GOP leaders have discussed the possibility with U. S. Rep. James C. Auchincloss (R-N.J.).

"But if a name change is necessary," said Borst, "our town would do better to adopt the name of a proven statesman like Dwight Eisenhower."

"Adopting the name of Eisenhower—a great soldier, statesman and political leader—would bring to our town the prestige it could not get by taking the name of any present officeholder."

Borst said he also leans toward "Nixon Township" as a new name if one is necessary, but he said another community nearby has already taken that name.

"Township leaders might also experiment with 'Goldwater Township' or 'Rockefeller Township', both of which have a great deal of appeal to me, personally," Borst said. "But Kennedy Township just rubs me the wrong way. Maybe it's because we'd never really know who the town would be named after—Jack, Bobby, Teddy, Jackie or Carolyn."

Community Attitude Survey Underway

The Madison Township Junior Chamber of Commerce has launched a Community Attitude Survey intended to provide the local chapter with a basis for further projects it may conduct in the township. The survey is similar to others that many JAYCEE chapters across the country have conducted with considerable success, although as Survey Chairman Henry "Scotty" Barton points out, "Our goal is not the survey itself, but is rather to bring about a solution to one or several problems demonstrated by the survey to be of critical importance to the community. We hope by the end of June to have interviewed 1500 residents from every part of our town and from each person interviewed to have obtained an honest, confidential evaluation of the problems and the assets of Madison Township. This broad assortment of individual attitudes will then be analyzed and assembled by the JAYCEES into a final report which will be made available to the public as well as serving as an invaluable and justifiable guide for JAYCEE activities during the next few years."

Sample interview forms have been sent to the leaders of most organizations in the township, and completed forms are beginning
