According to present plans proposed Route 35 is to be raised to a maximum elevation below Cheesequake Creek, a series of dikes and ditches and protective mounds will be constructed from below Cheesequake Creek all the way to the Township line at Whale Creek. In addition to this con-struction the beach front will be creek. In addition to this con-struction the beach front will be raised to an elevation of 5 1/2 feet to 10 1/2 feet depending upon the location. In the areas where homes are located and where there is an overhanging bluff, the beach will be built up to 10 1/2 feet in the other areas the height of development will be 5 1/2 feet.

The plan calls for a gradual sloping of the beach to provide a bathing area along the entire bay front. In the very near future Madison Township will possess the only salt water bathing beach in Middlesex County. The cost of the project will be divided by the Federal, State and local governments, with the Federal and State governments paying the highest percentage of the costs.

Smith Resigns Water Post

The Madison American learned today from a reliable source that Harold G. Smith has tendered his resignation as co-counsel to the Madison Township Municipal Madison Township Municipal Utilities Authority, It was learned that the re-signation as co-counsel was made to Charles Searlaski of Madi-

man of the Madison Township Municipal Utilities Authority in a letter dated May 22nd, Mr. Sear-laski was not immediately avail-able for comment

The letter read in part as fol-lows: - "Due to the fact that I am the Township Attorney for the Township of Madison and I am the Township Attorney for the Township of Madison and attorney for the Planning Board for the Township and also en-gaged very actively in private trial practise of law, it is with much regret that I am tender-ing my resignation as co-coun-sel to the Madison Township Municipal Utilities Authority with meand for the alway cardinand Municipal Utilities Authority with regard to the above captioned matter (Madison Township Muni-cipal Utilities Authority vs Browntown Water Company). It has been a pleasure to have been associated with the Municipal Utilities Authority and I appre-ciate all your courtesies and cooperation extended during our relationship. It is with much relationship. It is with much

regret that it is necessary for me to take this action due to other legal commitments." Recently the Madison Township Utilities Authority had acquired the purchase of the Garden State water Company and the Sayre-Wood Shopping Center Water Sys-tem, the authority was immedi-ately under fire from residents of the Madison Park and Central Park area. The Authority raised the water rates in the two de-velopments from 20% to 100%, A group of citizens formed The Committee for Fair Water Rates and immediately took the Water Authority to task. In a two hour P.U.C. hearing on April 9th, 1963 Committee Co-Chairman, Don-ald D. Tierney of Madison Park soight to have declared null and wold the Water Authority pur-chase of the Garden State Water Company. The Company was purchased on Decemeber 10th 1962 at the price of \$427,000. As ot this writing a P.U.C. deci-sion is still pending.

Keating continued:-"The Township Committee and Plan-ning Board have met several times with the Board of Education but have never been successful in changing the predetermined atti-tudes of the Board. Their idea of cooperation is all down anoe-way street, i.e., the Board's way. Two years ago the members of this administration suggested to the Board that they present plans for an elementary school building program rather than the Junior High School plans. If this advice had been followed they would be well on their way today towards a sufficient number of class rooms for our school children, This was repeatedly suggested to individual board members only to be com-pletely rebuffed at every turn. Today, two years later they ask Today, two years later they ask support for the same program they turned down repeatedly. The Planning Board and the Township Committee knew then and we know now of the grave problems and dangers that exist. The economic situation in this problem plays a very important role but the Board and

signation in their deliberry leration is pre but to the consideration is prescribed by law. The Board has blind-folded itself to the economics needs of the township so that they have to resort to scare tech-niques in their relationship with the public.

The Madison Township Mayor continued his attack "Why has it required ten months to come be-fore the people with a program that would have cost much less two years ago? It was reported in the press certain statements by individual board members which du ear coffect yeary highly We years ago to was reported in the press certain statements by individual board members which did not reflect very highly about the integrity of the Planning Board. If Mr. Kerr and Mr. Booth are so concerned why don't they appear at Planning Board meetings. There they will find out that the Planning Board has not "rolled over and played dead" but rather they do everything within their power within the limits of the law to forestall mass developments. Let them read the laws of 1953 specifically the Plan-ning Act, let them discover for themselves the limitations of the Planning Board in reviewing and acting upon applications for sub-divisions, these remarks from individuals of the board who au-thorized an agreement to accepta individuals of the board who au-thorized an agreement to accept a school building from a developer only after 300 homes were built and which included a tract that had not been classified at the time and has yet to appear before the

He knows full well that Twining Brook is not up for final approval but has been de-layed for over three months in its application for Preliminary Ap-proval. School Referendum June 5th

The residents of Madison Township will be given the opportunity to vote on a \$4,-The 150,000 School Expansion Program. local Board of Education has presented previous school building programs on three different occasions. The members of the Board prior to these elections have stated that this is the best program for Madison Township, they stated also that this was the most economical program available.

Once again the Board of Education is urging for a YES vote for the School Referendum stating that there is a severe shortage of classrooms. Ture there is a shortage of classrooms but have you looked at your bank account lately, there is a severe short-age of that "green stuff" money.

Most of the residents of Our Town have recently received notices from the tax collector or mortgage companies that there is an increase in the monthly payments. This is without any additional construction of costs.

The Board of Education estimates that the schools will cost each taxpayer only \$1.95 per hundred on his assessment, this means an increase of between \$40 per home in Laurence Harbor to over \$100 per home in other areas.

Board of Education is relying heavy YES vote from the SayreWood South area, they hope that the voters in the other areas stay away from the polls.

The Madison American urges that every voter in the township turn out on Wednesday, June 5th and register his vote. If you feel that you can afford an increase of \$100 per year in your taxes, vote yes. If you can't afford the increase vote no. It's as simple as that. We predict passage of the School Referendum because few residents of Our Town will exercise their voting rights.

Same Old Story

We had hoped that the G.C.P. candidates and the one Independent candidate for Township Council would conduct a vigorous campaign and present to the voters of Our Town something new and something different. It seems that they both are now relying on the "same old story" mass housing development.

It seems very odd that the majority of the candidates seeking election would not have had the opportunity to be candidates in Madison Township if it were not for the fact that they had the opportunity to purchase a development home, the majority of the G.O.P. candidates and the one Independent Candidate have lived in Madison Township less than six years.

Now they are screaming that "mass development" is the downfall for Our Town. The Madison American is of the opinion that in order for Our Town to prosper, in order that we obtain industrial ratables, commercial ratables - - Madison Township must continue to grow.

Church Services

Rev. David L. Bucci, pastor of Bayview Presbyterian Church, Cliffwood Beach, today announced church activities for the week, Sunday morning at 8:00 a.m. a fellowship breakfast will be held at the manse in honor of the Communicant's Class. FEUDING AND FUSSING: Big FEUDING AND FUSSING: Big things brewing in the G,O,P, understand that there have been several "top brass" meetings held recently. The way we get the story is that the G,O,P, Municipal Chairman was not in attendance at the meetings, Strange? We predict a change in attack by the seven G,O,P, candidates and that one of their "ghost writers" will be given the ghost shortly. Gary Murtha a former candidate for the Town-ship Committee has been attend-ing quite a few of the meetings ing quite a few of the meetings of the Township Committee, if you counted heads the members of the Republican Party in the audience would outnumber the Democrats four to one, Many Democrats four to one, Many of the road and severage com-plaints are being made by G₀, P₂ party workers, the Dems on the committee are at a loss, even if they flood up all the items that were complained about they wouldn't have any of the votes,

POLICE DEPARTMENT: We hope that the Township Commit-tee will take some action in the very near future and appoint several regular patrolmen, One of the special police officers was struck by a vehicle while he was directing traffic at the scene of a previous motor vehicle ac-cident. The township committee should use regular police officers for this work, specials are paid only \$1,00 per hour. We feel that the Township Committee and the residents of Madison Town-ship would be further ahead if regulars were used. We know of only one other accident simi-ar to this that was when Cap-tan William Wallis was struck by a cat while direction. POLICE DEPARTMENT: lar to this that was when Cap-tain William Wallis was struck by a car while directing traffic, near the Cliffwood Beach traffic light on Route 35,

ROAD DEPARTMENT: We don't know if there is any material available called instant patch-ing for roads. We know there are instant holes in the roads. We certainly hope that the Town-ship Road Department takes ad-vantage of the nice weather and gets a road patching program underway as soon as possible. Some of the roads you will have to admit aren't in the best con-dition. Some of them you can't blame on the Sewerage Authority ROAD DEPARTMENT: We don't

either. Let's face it many of the roads just aren't roads.

DOGS AND DOGS: The Madison Township Police Department is spending quite a bit of time investigating dog bites. Quite spending quite a bit of time investigating dog bites. Quite a few dogs roam the roads and highways of Our Town when the dog catcher approaches the local "Paul Reveres" get on the tele-phone and warn each other "Is Spotty over at your house, keep him there because the dog catcher is on the prowl." Everybody loves a dog, that is until the dog bites somebody and then we want to know how come has allowed to roam free and easy. want to know how come he's allowed to roam free and easy. There are probably 6,000 dogs in Our Town and probably less than half of these have licenses, Madison Township has a very fine ordinance regarding dogs. The only thing we have to do is to teach the dogs to read the or-dinance

BLUE MOON: Who's the fellow in the Cheese-quake area that's singing Blue Moon. Seems as though he's lost his "true love" to a 1963 Chevrolet. "The a sad tale of woe". Guess she made a vow a '63 for '63? Well you could write to General Motors, bet that isn't in the conditional sales contract. Fire Report

FITE KEPOTT Chief John Perhacs reported the following alarms answered by the Laurence Harbor Fire Co. No. 1 in the past month 18 brush fires; 3 calls for help from South Old Bridge Fire Co.; 2 calls for help from Cliffwood Fire Co. At one of these, fire-men Stan Thomsen and Ronald Bleber were overcome by smoke, They were sent to the hospital, treated and released, There were also 2 oven fires; one car fire on Highway 35, at which the car was badly damaged; one Madison Township general alarm for a fire in Loft's Candy Store in Sayre Woods Shopping Center; 1

fire in Loft's Candy Store in Sayre Woods Shopping Genter; I general alarm for an airplane crash and 3 false alarms. The Chief wishes to thank the people of Fire District #I for their cooperation in not burning leaves, rubbish, etc, during the very dry spell. He would also like to remind them that the danger is not as yet past, He reminds the people that it is a violation of the fire code to burn anything in a container that is not covered.

Harbor Babe Ruth League In Full Swing

Roger Treadway pitched the Byrnes Shamrocks to its third straight victory by dumping the John Phillips Association, 6-0. Prior to the game the two teams were tied for first place in the Laurence Harbor - Cliffwood Beach Babe Ruth Baseball League. This puts the Phillipsmen in second place. Cruz Construction Company and Chappy's Lounge are in a tie for third place with another tie for the last place between Madison Township Recreation Commission and the Manzo Construction Company.

In hurling his third straight win of the young season, Treadway fanned 16 Phillips batsmen, running his strike-out record for the season to 37. Treadway limited the losers to only one hit, a single by Denny Klimacz, the Phillips catcher. Treadway is by far and away the class of the Babe Ruth League. He is fast and has good control. He is also a pitcher for the Madison Township High School team, although the high school coach seldom lets him pitch. Possibly Madison could win an extra game or two if Treadway were permitted to take a regular turn on the mound. So far this season the high school baseball record could hardly be worse. Madison has only won two games thus far, losing in the neighborhood of 12 or so. The league has decided to use paid umpires, according to George Stein, loop president. The umpires will be assigned to the league from the Middlesex County Federation of Umpires. Two umpires will work each game.

Elected Pres. Of Rosary Society

Mrs. Thomas Hunt was elected president of the St. Ambrose Altar Rosary Society during a meeting held at the cafeteria of the Madison Township High School.

Assisting Mrs. Hunt will be Mrs. Thomas Doyle, vice president; Mrs. Mario Pratico, treasurer; Mrs. Vincent Wyer, recording secretary; and Mrs. John Peterson, corresponding secretary.

Scott Barton of the township Junior Chamber of Commerce addressed the members. He requested them to complete survey forms which are being distributed throughout the township by that organization.

Jaycees Seat-Belt Clinic

The Junior Chamber of Commerce of Madison Township announces its third automobile seat belt clinic to be held Saturday, May 25 and Sunday, May 26, 9 A.M. to 5 P.M., at the Sayre Woods Shopping Center, Ernston road and Route 9.

Clinic Chairman Robert Muller reports that the local Jaycee Chapter project received tremendous response from the public in 1962 when over 300 seat belts were installed. "As before," Mr. Muller stated, "the seat belts, normally retailing for \$10.95 plus installation, will be sold and installed by Jaycee members in all types of cars at a cost of only \$6.00 installed. Available in many attractive colors, the belts themselves are

The National Safety Council in cooperation with the automotive crash injury research group of Cornell University has estimated that more than 5,000 lives could have been saved and serious injury reduced by 1/3 during 1962, if seat belts had been installed and used in all automobiles. The chances of death or serious injury are 5 times greater when a person, not protected by seat belts, is thrown from the car during an accident. In addition to the safety factor, seat belts provide comfortable support while driving and are an effective means of keeping children safely in their seat during sudden stops.

Mr. Muller added, "the driving public must be made aware of the

Lions To Attend **Annual Convention**

The Laurence Harbor Lions Club will be represented by several numbers at the New Jersey Lions annual convention to be held in Atlantic City from June 6 to 9.

The local Lions, according to William J. Trinkner, club president, will join representatives from 300 other state clubs attending the conclave.

Interest in state-wide activities will be underscored at business sessions by U. S. Sen. Harrison A. Williams and David Davies, executive director of the New Jersey Tercentenary Commission. Lions clubs throughout the state are preparing to assist county and municipal tercentenary committees in planning observances during 1964-the tercentenary year, Trinkner said. Five district governors will be selected at individual business meetings on June 8. The new leaders will be honored at a banquet that night at which Curtis D. Lovill, Lions International President, will speak. At the concluding session on June 9, the State Council, governing body of the service clubs, will reorganize and chart plans for the year ahead. Delegates of the Laurence Harbor Lions Club include William J. Trinkner, 200 Orchard Ave., Laurence Harbor, N.J. William J. Koch, 256 Outlook Blvd., Cliffwood Beach N. J.

High School Round-up Program

students planning to enter Madison Township High School in the fall will be held on May 25th on the high school campus.

The "round-up program, planned mainly for eighth grade students, will acquaint the new freshmen with the administration personnel, the school plant, and outline some operational procedures of particular interest to them. This orientation, plus the testing which will provide a realistic basis for planning programs of studies with pupils and Named Trustee parents, will help the pupils adjust more quickly in the fall and benefit more fully from their high school experience.

Students will tour the building with student guidance committee members from 9:00 to 9:30 A.M. A short orientation meeting is planned in the Caotoria to introduce Mr. Vo.

A "round-up" program for this program are encouraged to call the guidance office for an individual interview to work out a four year program of studies. The counseling session will be based on the testing results and on the information supplied by the students' present schools. The guidance office is open from 8:00 A.M., to 5:00 P.M., each day and on Wednesday, May 29th from 7:00 to 10:00 .P.M. All interviews with guidance staff must be pre-arranged by

LEGAL NOTICE

AN Ordinance accepting and adopting the "New Jersey State Housing Code" as a standard governing supplied utilities and facilities and other physical things and conditions essential to making dwellings safe, sanitary and fit for human habitation and governing the condition of dwellings, authorizing inspection of dwellings and fixing penalties for violations.

The BOARD OF HEALTH of Township of Madison of the County of Middlesex of State of New Jersey do ordain that:

1. The Health Officer of the Board of Health of the Township of Madison be and he is hereby designated as the officer to exercise the powers prescribed by the within ordinance, and he shall serve in such capacity without any additional salary. 2. Pursuant to the provisions of Chapter 21, P.L. 1946 (N.J.S.A. 40:49-5.1) the "New Jersey State Housing Code" as approved by the Departments of Health and Conservation and Economic Development and filed in the Secretary of State's office is hereby accepted, adopted and established as a standard to be used as a guide in determining whether dwellings in this municipality are safe, sanitary and fit for human habitation and rental. A copy of te "New Jersey State Housing Code" is annexed to this ordinance and three copies of the same have been placed on file in the office of the Township clerk and are available to all persons desiring to use and examine the same. 3. The Health Officer is hereby authorized and directed to make inspections to determine the condition of dwellings, dwelling units, rooming units, and premises located within the Township of Madison in order that he may perform his duty of safeguarding the health and safety of the occupants of dwellings and of the general public. For the purpose of making such inspections the Health Officer is hereby authorized to enter, examine and survey at all reasonable times all dwellings, dwelling units, rooming units, and premises. The owner or occupant of every dwelling, dwelling unit, and rooming unit, or the person in charge thereof, shall give the Health Officer free access to such dwelling, dwelling unit or rooming unit and its premises at all reasonable times for the purpose of such inspection, examination and survey. Every occupant of a dwelling or dwelling unit shall give the owner thereof, or his agent or employee, access to any part of such dwelling or dwelling unit, or its premises, at all reasonable times for the purpose of making

such repairs or alterations as are necessary to effect compliance with the provisions of this ordinance or with any lawful rule or regulation adopted or any lawful order issued pursuant to the pro-

visions of this ordinance. 4. Whenever the Health Officer determines that there are reasonable grounds to believe that there has been a violation of any provision of this ordinance, or of any rule or regulation adopted pursuant thereto, he shall give notice of such alleged violation to the person or persons responsible therefor as hereinafter provided. Such notice shall (a) be put in writing; (b) include a statement of the reasons why it is being issued; (c) allow a reasonable time for the performance of any act it requires; and (d) be served upon the owner or his agent, or the occupant, as the case may require; provided that such notice shall be deemed to be properly served upon such owner or agent, or upon such occupant if a copy thereof is served upon him personally; or if a copy thereof is sent by registered mail to his last known address; or if a copy thereof is posted in a conspicuous place in or about the dwelling affected by the notice; or if he is served with such notice by any other method authorized or required under the laws of this public health, or safety, he may, without ficate, permit or license except for a state. Such notice may contain an outline of remedial action which, if taken, will affect compliance with the provisions of this ordinance and with rules and regulations adopted pursuant thereto. Any person affected by any notice which has been issued in connection with the enforcement of any provision of this ordinance, or of any rule or regulation adopted pursuant thereto, may request and shall be granted a hearing on the matter before the Board of Health provided such person shall file in the office of the President, Board of Health, a written petition requesting such hearing and setting forth a brief statement of the grounds therefor within ten days after the day the notice was served. Upon receipt of such petition the Board of Health shall set a time and place for such hearing and shall give the petitioner written notice thereof. At such hearing the petitioner shall be given an opportunity to be heard and to show why such notice should be modified or withdrawn. The hearing shall be commenced not later than ten days after the day on which the petition was filed; provided that upon application of the petitioner the President, Board of Health may postpone the date of the hearing for a reasonable time beyond

such 10-day period, if in his judgment the petitioner has submitted a good and sufficient reason for such postponement. After such hearing the Health Officer shall sustain, modify, or withdraw the notice, depending upon his findings as to whether the provisions of this ordinance and of the rules and regulations adopted pursuant thereto have been complied with. If the Health Officer sustains or modifies such notice, it shall be deemed to be an order. Any notice served pursuant to this ordinance shall automatically become an order if a written petition for a hearing is not filed in the office of the President, Board of Health within ten days after such notice is served. The proceedings at such hearing, including the findings and decisions of the BOARD shall be summarized, reduced to writing, and entered as a matter of public record in the office of the Board of Health. Such record shall also include a copy of every notice or order issued in connection with the matter. Any person aggrieved by the decision of the Board of Health may seek relief therefrom in any court of competent jurisdiction, as provided by the laws of the state. Whenever the Health Officer finds that an emergency exists which requires immediate action to protect the requiring that such action be taken as he deems necessary to meet the emergency. President, Board of Health shall be January 1st of each year. afforded a hearing as soon as possible. it, or revoke it. 5. The Health Officer is hereby authorized and empowered to make and adopt such written rules and regulations as he may deem necessary for the proper enforcement of the provisions of this ordinance, provided, however, that such rules and regulations shall not be in conflict with the provisions of this ordinance, nor in anywise alter, amend or supersede any of the provisions thereof. The Health Officer shall file a certified copy of all rules and regulations which he may adopt in his office and in the office of the Clerk of the Township of Madison. 6. No person shall occupy as owner occupant or rent to another for occipancy any dwelling or dwelling unit for the purpose of living therein which does not conform to the provisions of the "New Jersey State Housing Code" established hereby as the standard to be used in detr determining whether a dwelling is safe, sanitary and fit for human habitation. 7. Any person, firm or corporation who shall violate any of the provisions of this ordinance shall upon conviction, be punished by a fine of not to exceed Two Hundred Dollars (\$200.00) or by imprisonment in the county jail for a period of not to exceed ninety (90) days or by both such fine and imprisonment, and each violation of any of the provisions of this ordinance and each day the same is violated shall be deemed and taken to be a separate and distinct offense. 8. All other ordinances and parts of ordinances in conflict or inconsistent with this ordinance are hereby repealed, but only to the extent of such conflict or inconsistency, and this ordinance shall be in full force and effect immediately upon its adoption and its publication, as provided by law. 9. Should any section, paragraph, sentence, clause or phrase of this ordinance be declared unconstitutional or invaid for any reason, the remaining portions of this ordinance shall not be affected thereby and shall remain in full force and effect, and to this end the provisions of this ordinance are hereby declared to be severable. 10. This ordinance and the code herein

fixing penalties for violations is hereby established pursuant to Revised Statutes 26:3-69.1 to 69.6. A copy of said code is annexed hereto and made a part hereof without the inclusion of the text thereof herein.

Section 2. The said code established and adopted by this ordinance is described and commonly known as the "Retail Food Hnadling Establishment Code of New Jersey (1952)".

Section 3. Three copies of the said "Retail Food Handling Establishment Code of New Jersey (1952)" have been placed on file in the office of the secretary of this local board of health upon the introduction of this ordinance and will remain on file there until final action is taken on this ordinance for the use and examination of the public.
