Fire Chief John Perhaps reported at a recent meeting of the Board of Fire Commissioners of Fire District No. 1, the following fires in the past 30 days.

12 Brush fires. At one of these the fire spread to an empty house, setting it on fire. One fireman, who stepped on a nail was sent to the hospital.

1 stove fire on Jefferson Avenue.

1 drill was held at Knollcroft to familiarize the firemen with hydrant locations and pumping operations.

The Chief also thanked the public for their cooperation during the recent very dry spell and cautioned the people to burn leaves in closed containers only.

Guest Tea

The Annual Guest Tea of the Woman's Club of Laurence Harbor was held recently in Webster Hall of the Laurence Harbor Community Church. A musical version of "Sleeping Beauty" was presented by the young folks from the Red Bank School of Music. The program was directed by Mrs. Wm. Matthews, vocal instructor at the school, and chairman of the Club's Literature Dept.

Brief reports were given by the Club's Department Chairmen. Mrs. Joseph Deerin, chairman of the Welfare Dept., reported that the Club's Annual Christmas Party at Marlboro Hospital will be held on December 13th. Donations of cup cakes and gum drops will be needed for this party. The Welfare Dept. will also bring gifts to the girls at the Home of the Good Shepherd in Wickatunk for Christmas. Anyone wishing to donate books, games or puzzles may contact Mrs. Deerin at 8 Seaglade Circle, Cliffwood Beach.

Mrs. George Makuk, President, announced that Mrs. Olga Becker had been appointed Chairman of the Club's new Youth Conservation Dept. While this is a new department, the Club has participated in a community improvement project in cooperation with the Madison Township Recreation Committee.

Cheesequake Historical Exhibit

The Whited Brown PTA will sponsor a historical exhibit at the school, Route 34, on November 30. Mrs. John Low is chairman of the event which will show over one hundred historical pieces dating back to pre-Revolutionary War days. The display will be open from 11 A.M. to 5:30 P.M.

The PTA members have collected all items which will be on exhibition from local Madison Township residents whose ancestors have lived in the community since the Colonial period. These museum pieces range from Indian arrowheads and other Lenape Indian implements to ancient church records and photographs to a copy of the first minutes of the then Madison Township government away back in 1869.

One of the purposes of the exhibit is to give the children a bit of the background of the people and the items which they used in their every day life. Officials of the Whited Brown PTA said that while it is not a full and

Madison SCUBA Team Serves Area

WE'VE FOUND IT: Patrolman Gerome Palumbo (right) and Patrolman Robert Rapp (left) of the Madison Township Police SCUBA Team come up for air after locating missing car at foot of Schoolhouse Lane, East Brunswick earlier this month. The SCUBA (self contained underwater breathing apparatus) Team is under the direction of Detective Einar Nielsen. Local police have aided several area police departments in under-

water searches. In the swimming pool of Sgt. Hanson and little by little under the direction of Nielsen, who claims he learned all he knows about SCUBA diving from watching "Sea Hunt" on television starring Lloyd Bridges. The group then followed the safety of the swimming pool with frequent trips to the comparative calm of Raritan Bay. As the team matched each additional obstacle, they moved on to more perilous diving conditions, the ocean, swift moving channels, debris loaded streams, murky waters, diving deeper and longer with each trip the team gained hours and hours of experience.

SCUBA diving is a rather expensive hobby and at first the members of the Madison Police Team approached it with the idea if nothing else came of it, they would have a hobby. However, the Madison Township SCUBA team didn't have to wait long to put the hours of training and diving into use, the SCUBA team was called into action to aid in the heartbreaking search for 2 1/2 year old Kevin Cloney of Sayre Woods South who drowned in a rain swollen branch of Deep Run Gap, that passed near his home.

Madison Township SCUBA Team has aided other area police

departments in searches for missing bodies, weapons, and have aided in the recovery of several automobiles and their hapless victims. The local SCUBA team is subject to call by police chief Boice at a moment's notice. The team receive no extra compensation for the many hours of work.

The members of the SCUBA team work in close cooperation because each member's life may depend on the other, this is an example of police team work at its very best. Equipment consists of Oxygen tanks or (compressed air tanks), rubber suits (wet and dry), flippers, gloves, masks, compass, underwater lights, and air regulators. The equipment runs into several hundreds of dollars and the bill is footed by each individual police officer.

Detective Nielsen has real reason to be proud of the Madison Township Police SCUBA Diving Team. There are no trophies, nor prizes awarded for the long tedious hours working under dangerous and harrowing conditions, just the personal satisfaction that the local police can be called on to cope with practically any disaster or accident. Our thanks to the SCUBA team and Detective Nielsen and Chief Charles Boice.

Voice of Democracy Contest Underway

Walter Vohdin, Jr., chairman of the Veterans Alliance of Madison Township which is composed of the four major veterans' organizations in the community, announced that the 17th Annual Voice of Democracy scriptwriting contest for local high school students is now underway.

Robert Knight of the Hoffman-Prince Post 2672, Laurence Harbor is township chairman of the event. The Hoffman-Prince Post is the sponsoring organization of the competition.

The national contest is held each year by the Veterans of Foreign Wars of the United States in cooperation with the National Association of Broadcasters. The purpose of the contest is to encourage teenage high school students to formulate and express their ideas on patriotic and democratic values.

The competition is open to all pupils of the Madison Township High School and other students attending the Middlesex County Vocational High Schools in Perth Amboy and New Brunswick. The

contest is also open to young men and women resident of Madison Township who attend parochial or private secondary schools outside the township such as St. Mary's High School, South Amboy, Rutgers Preparatory School, St. Peter's High School, New Brunswick and the like.

Contestants will be required to develop and deliver a three to five-minute script on this year's theme: "The Challenge of Citizenship", according to Knight. Both the writing and the delivery of the theme should be in the style of a radio or television commentary.

A tape of the Madison Township winner's delivery will be entered against those of other local winners throughout Middlesex County, with further eliminations through sectional and state levels until a national winner is chosen in Washington, D. C.

The national winner will be awarded at \$5,000 scholarship, with lesser awards to runners-

Pray For Us Sinners

Our late, beloved President John F. Kennedy, now rests among the nation's honored dead in Arlington National Cemetery overlooking the Washington he so loved.

President John F. Kennedy was shot in the head by an assassin, Friday, November 22, 1963. He died at 2:00 p.m. E.S.T. Dallas police later arrested Lee Harvey Oswald and formally charged him with the heinous and dastardly crime.

Oswald, 24, an avowed Marxist, who once tried to renounce U. S. citizenship to become a Soviet citizen, discharged as a undesirable from the Marine Corps, may or may not have pulled the trigger that sent a bullet smashing into the head of our 35th president. According to the constitution which he once tried to renounce he was innocent until proven guilty.

Every American, young or old, was equally shocked. There were no Democrats or Republicans, just dismayed people. Many were stunned beyond comprehension. The thing that could not happen did.

Millions of Americans were even more stunned and ashamed when the alleged assassin of President Kennedy, under the watchful eyes of the Dallas Police and scores of newspaper, television and radio personnel was shot down by a self-styled executioner Jack Ruby a Dallas "strip-joint" owner. As television cameras continued to relay the actual shooting to horrified spectators.

Perhaps, justice shed another tear!

Couldn't we all be guilty in a sense or at least contributed both to the assassination of Our President and the "cold-blooded" murder of Lee Harvey Oswald? Haven't we all in a sense tolerated the flow of hate and bigotry that has seemed to be on the upgrade? Haven't we all in a sense tolerated Pinkies, world travelers, communist front organizations, self proclaimed gods and other hate groups.

Wasn't it in Dallas just one month ago that Adlai Stevenson, U. S. Ambassador to the United Nations was spat upon and struck in the head with a picket sign. Wasn't it recently that a publication apologized and said they didn't mean it following printing of an editorial demanding the hanging of Chief Justice Earl Warren? Wasn't it in New York City recently that several hundred persons rioted and stormed a police station and pelted police officers with eggs, bricks, and water filled bags because they charged police brutality? Wasn't it in another Southern town that a Negro leader was shot in the back as he approached his home? Wasn't the weapon in that case a rifle with a scope?

We must all search our souls, we are all equally guilty in part for allowing these incidents to continue, to grow?

We the people of Madison Township mourn President Kennedy as does the entire Free World. We pray that this mourning, although infinite, may be joined by a determination to see that his ideals, principles and love of country remain glowing Guiding Lights in an everdarkening world.

Pray for us sinners, for we have all sinned.

Under The Fence

POLICE DEPARTMENT: Despite rumors that it won't happen, look for promotions in the Madison Township Police Department. You can't tell the players without a score card. Wonder what a G.O.P. unsuccessful candidate wanted the telephone number of a certain police officer for? Could it be that he's got to report in more frequently about who's on first and what's on second? Or did they tell him to order his new bars and hat shield? We wonder what the chief of police has recommended or has everybody in town forgot that there is a chief of police? As time goes by!

TAKE FIVE**REV. JAMES SILVER**

Pastor Laurence Harbor
Community Church

"Even though I walk through the valley of the shadow of death, I fear no evil; for thou art with me." Psalm 23:4.

At a retreat several years ago I heard a minister tell the following story. One morning he was camped at the Lake of the Clouds hut near the top of Mount Washington, New Hampshire. As the sun rose, the low clouds formed a corridor so that the light pointed out the mountains far out across Vermont and into New York.

It was a once in a lifetime experience. Then the guide said something my friend never forgot, "When the ceiling is low, the visibility is highest."

This past week many of us have felt that the ceiling was low. Our whole nation was sorrowful over the death of the President. This was a week we wish we could forget. Yet strangely it is times such as these when we see most clearly what is the meaning of life and also the help and comfort of God. It seems to take a tragedy to make us think about life, death, the value of self-giving devotion to our country, and our need for God. The days have been difficult, but many Americans have learned things they might not have otherwise.

Prayer: O God, we thank Thee that there are usually not such heavy clouds above us. Yet we also thank Thee that when they come they teach us lessons we need to learn, Amen.

Wonder if the Township Committee will purchase any new police cars this year? We wonder if they have considered additional men for the police department?

KOOKS AND KOOKIES: - Madison Township Police were called to one of the local theatres following a bomb scare. Several other persons were also called and informed that a bomb was going to blow up their house, or something was going to happen to a member of their family. I guess they got tired of watching television or their "keepers" weren't watching them too closely. They'd send letters in the mail if they knew how to write, so the telephone is their only hope. Geez, remember they shot a monkey up in space! Wonder how come they didn't use some of the Kookie Kooks? Next week they'll probably break a few windows for kicks or order pizza pies by the dozen. Anything for laughs. Ho-ho.

ROAD DEPARTMENT: We were speaking about the condition of roads in Madison Township and how they weren't in too bad a shape. When a resident of the Old Bridge area asked if we had been out to Matchaponix

Road lately we stated we haven't been out that way in quite a while but would look at the condition of the road. You know something they were right, the road is in pretty miserable condition. How about checking into it Mr. Road Foreman before the first real freeze and snow hits the ground you might break more than a snow-plow on the ruts. Best one we heard out of the road department is one worker telling his co-worker "the only reason that I went to so many Democratic affairs is that I was spying for the G.O.P." Better start looking for a job at the first of the year cause the way we get the story is you will be replaced also.

APPOINTMENTS: Wonder if attorney B. K. will be appointed in some capacity? Wonder if the G.O.P. will have to go out of town to appoint a plumbing inspector? Wonder if the brother of a Madison Township Young Democrat (he terms himself) will get an appointment? Understand there is quite a bit of feuding and fussing going on in the G.O.P. ranks but we understand that G.O.P. leader Donald Borst still is Borst.

NOTICE OF SALE
TOWNSHIP OF MADISON,
IN THE COUNTY OF MIDDLESEX,
NEW JERSEY
\$30,000 Bonds

The Township of Madison, in the County of Middlesex, (hereinafter referred to as "Township"), a municipal corporation of the State of New Jersey, hereby invites sealed proposals for the purchase of its bonds hereinafter described. Such sealed proposals will be received, publicly opened and announced by its Township Committee at its regular meeting room in the Municipal Building, Route #9, Old Bridge, New Jersey, on the 9th day of December, 1963, at 7:30 o'clock p.m. (Eastern Standard Time).

The bonds are dated December 1, 1963, and are of the denomination of \$5,000 each. In the event the purchaser of the bonds elects to take bonds in the last maturity which are not in multiples of five, such bonds shall be in the denomination of \$1,000 each. The bonds are coupon bonds, registrable at the option of the holder as to principal only or as to both principal and interest and are payable at the office of the Amboy-Madison National Bank, Sayre-Woods Office, Madison Township, N.J. The bonds will bear interest at a rate which shall not exceed six per centum (6%) per annum and such interest shall be payable semi-annually on June 1 and December 1.

The bonds are general obligations of the Township and the Township is authorized and required by law to levy ad valorem taxes upon all real property taxable by said Township for the payment of the bonds and the interest thereon without limitation of rate or amount.

Each proposal submitted must name the rate of interest per annum to be borne by the bonds bid for and the rate named must be a multiple of one-eighth or one-twentieth of one per centum and must be the same for all the bonds bid for. The interest payable with respect to each bond on any one date will be evidenced by a single coupon. The purchase price specified in the proposal must not be less than \$30,000 nor more than \$31,000. In selecting the proposal to be accepted, the Township Committee will not consider proposals which name a rate of interest higher than the lowest rate named in any legally acceptable proposal; and if two or more such proposals name the lowest rate, the proposal offering to accept the least amount of bonds (such bonds being the first maturing bonds) will be accepted, unless two or more proposals name the lowest rate of interest and offer to accept the same least amount of bonds, in which event that one of such last mentioned proposals which offers to pay the highest price will be accepted.

The purchaser must pay accrued interest from the date of the bonds to the date of delivery. No interest will be paid upon the deposit made by the

successful bidder. The right is reserved to reject all bids. Proposals should be addressed to the undersigned Township Clerk and enclosed in a sealed envelope marked on the outside "Proposal For Bonds". Bidders must, at the time of making their bids, deposit a certified or cashier's or treasurer's check for \$600, drawn upon a bank or trust company for such amount, to the order of the Township to secure the Township from any loss resulting from a failure of the bidder to comply with the terms of his bid. Checks of unsuccessful bidders will be returned upon the award of the bonds.

The successful bidder will be furnished at the time the bonds are delivered (1) the opinion of Messrs.
