Child Health Program Planned

Details for the establishment of a child health program in Madison Township were outlined today by Councilman Kenneth H. Banks, president of the board of health. Banks said the new program will provide health supervision for well infants and children under five years of age and guidance for parents with regard to their children's health needs.

Undertaken in conjunction with the Visiting Nurse Association in Middlesex County, the first child health station is slated to be held on Wednesday, Nov. 4 at the American Legion Home, Summerfield Ave., Laurence Harbor.

Banks said the program will include periodic health appraisals

for children brought by their parents to the clinic, including history taking and physical examinations. The clinic will make it possible for an evaluation of the health status of these children, their physical, mental, emotional and social growth and their individual health needs.

Banks continued, "The program also calls for active immunization for the prevention of smallpox, pertussis, diphtheria, tetanus and poliomyelitis. We also expect to provide for periodic tuberculin testing through this program."

The board of health president described the establishment of the child health station "another dramatic advance in the town-

ship's health program under the current board of health.

"I am certain that the parents in this community will profit immeasurably in caring for their youngsters through this new innovation in local health care.

"But the real beneficiaries in this program will be the thousands of young children in the township whose health needs will be more adequately served because of the child health station," Banks concluded.

National Election May Decide Council Race

With the November 3rd General Election only 20 days away there is a relative calm feeling with the voters of Madison Township. The local G.O.P. forces and Dem. Organization also have to bargain with an Independent Candidate.

John Conover of Cliffwood Beach, former G.O.P. Municipal Chairman and ex - Township Building Inspector is seeking election as an Independent Candidate in the November Election. Conover was very popular with the members of the Republican Party at one time following various primary fights where he opposed organization candidates. A serious rift developed between Conover and Donald Borst who presently heads the G.O.P. organization on the local level. Conover made several unsuccessful attempts to gain a seat in the local G.O.P. Ticket in several Primary races. He is now seeking election as an Independent Candidate. Carl Hood of Laurence Harbor is presently serving as his Campaign Manager, it is expected that most of his vote (Conover) will come from the Laurence Harbor - Cliffwood Beach area.

The Democratic Candidate is Lenard Hornster of Cliffwood Beach. Hornster is fairly new to the political game in Madison Township. His wife served several terms as Democratic Committeewoman from the Cliffwood Beach area. Hornster was selected prior to the Democratic Primary by the Democratic County Committee. Closest contender was Joseph Pandozzi of Sayre Woods South. Pandozzi had lost his bid for re-election in the November election by a mere twenty votes.

The election in 1964 for Councilman will not change control of the Township Committee which is presently made up of two Democrats and five Republicans.

Hornster's bid for election has been made a little more difficult due to the fact that Harry Messenger and Victor O'Brien, Democratic Councilmen, have voted on almost all major issues such as housing, garden apartments, zoning, issuing of liquor licenses with the G.O.P. majority. This closes the door on many of Hornster's attacks and has actually "ham-strung" many of his prime areas of attack.

The local campaigns as of to date have been quiet, attendance at the various functions hasn't been spectacular for either the G.O.P. or Democratic affairs. The bulk residents of Madison Township seem to be quietly and patiently waiting for Election Day when anything can happen. We feel that the local campaign will be decided on a National Issue, if large numbers of the voters turn out and vote for President Johnson, then Hornster will be elected. If the Township should make a switch and go for Barry Goldwater then Kenneth Banks will be elected.

Seeking election on the Republican Ticket is Kenneth Banks from the Cheesequake area of Madison Township. Banks was a long time resident of the Cliffwood Beach area and is popular in the Cliffwood Beach and Laurence Harbor area. On two previous occasions Banks has been defeated at the polls as a candidate. He was appointed for a one year term at the reorganization meeting of the Township Council following the resignation of John Gavlin of Sayre Woods South.

Annual Democratic Dance Planned

John Phillips, Democratic Municipal Chairman announced today that the Annual Democratic Organization Fall Halloween Dance will be held at St. Bernadette R.C. Church auditorium on Saturday October 31st.

According to Phillips, Democratic Candidates will be introduced but there will be no speeches. Costume or regular dress is optional and prizes will be awarded for various costume classes.

There will be dancing to the orchestra of Jules Hanas, popular area dance band.

Beer and refreshments will be served and the general public is invited to attend the affair. There is no admission charge.

Wet Down Set

The general public is invited to attend a "Wet Down" to be held at the Madison Park Fire House on Cheesequake Road, Madison Park on Saturday, October 17 between 1 and 6 p.m.

The event is planned to welcome the new GMC Fire Truck which was recently obtained by the Fire Company.

Refreshments will be served.

"Call of The Pack"

Cub Scout Pack #64 sponsored by the Old Bridge Ambulance and Emergency Squad, will hold its first meeting on Friday, October 16 at 8 p.m. at the Squad headquarters on Englishtown Road.

Cubmaster Edward Bruns and Assistant Cubmaster Joseph Belmont stated that they plan a bigger and better program for the coming year.

The appointment of the Den Mothers will be announced at the meeting. The Cubs will put on a skit. The theme for the meeting will be "Getting to Know You." Refreshments will be served after the meeting.

Anniversary Dinner

At the monthly meeting of Court Queenship 1743 Catholic Daughters of America completed plans for their 8th anniversary dinner to be held at the Turf on Route 9, Madison Township on October 19, 1964 at 7:30 p.m.

Court will hold reception for new members at Court Fulgens Corona in New Monmouth on November 11.

New Baby items are being collected by members for a New Layette being made by the Court for the Pope's Warehouse in Rome to be distributed to the needy infants.

Vote No On NameChange

The voters of Madison Township will be asked on the November ballot to vote for the changing of the name of the Township.

We urge the voters of Our Town to leave the name as it is.

There are many stories circulating that if the name of the Township is changed Madison Township will be able to get its very own post office. This is not so. Madison Township will get a central post office only when the need for one arises.

The Post Office Department has been seeking ways of curtailing expenses and it seems unlikely that they would come down to Madison and build us a Post Office just because we changed the name of the Township.

The question of a name change was put on the ballot by the signing of a petition. Regardless of the number of names on the petition we feel that most signers did not realize the cost and expenses it would involve in changing the Township name. We have a petition in our possession which asks the Board of Education to change the color of the toilet paper used in the school system so there won't be any discrimination, this petition was signed by nearly 100 voters of the township, who were asked to read it and sign, we doubt if very many of them took the time to read the petition.

We do not feel that it will be in the best interest of the taxpayers of Our Town, to change the name of the Township at this time. We urge all the voters of the Township to vote against any name change at this time.

Community Center Already Here

Various Civic Organizations have often held Fund Raising activities of one sort or another to seek funds to build a Community Center for the youngsters of Madison Township.

We feel that the youth center is already built.

We wonder why the various civic organizations do not inquire of the Madison Township Board of Education to hold youth activities at the High School Building.

This two million dollar plus building would make a wonderful Youth Center for the youngsters of Our Town. There is no reason in the world why the youngsters of Madison Township can't use the building more freely.

Perhaps if the various civic organizations banded together and applied pressure to the Board of Education a workable plan of afternoon and evening recreation facilities available for the youth of the township could be a thing of being.

The High School Building is already there, why not put it to work for the youth of Our Town?

Letters

To the Editor:

The tax-payers of Madison Township should demand the Council institute action immediately to dissolve the Fire District concept and to centralize the

operation under the administration of the Town Manager. This action would save the tax-payers of our town a minimum of \$3000 by the elimination of the salaries of the Fire Commissioners. There is a possible savings of between \$15,000 and \$18,000 by

UNDER THE FENCE

FEUDING AND FUSSING: The political pot continues to broil and as the November election draws nearer and nearer a lot of the Fence Jumpers are looking around for fences to jump. This is tricky business, fence jumping, cause everything has to go just right. Just imagine if you were a Democrat and you decided to get on the G.O.P. band wagon and oops. They loose the election, what then. The same situation works the opposite. Most of the fighting going on in either Party, the Republican or Democratic, is between members of each organization. If they spent as much time banging away at the opposing forces, than trying to patch things up -- here and there things would be really interesting. About the only ones that care about an inter-party fight are the people that are involved. Actually makes little difference to the man on the street and fellows let's face it, he's the guy that decides who's in and who's out on November 3rd.

Dealy Named SWS Manager For Banks

Councilman Richard J. Dealy, Jr. has been named Sayre Woods South area campaign manager for Councilman Kenneth H. Banks. Dealy will co-ordinate Banks' campaign efforts in election districts 9 and 10, consisting of Sayre Woods South, Sayre Woods East, Creighton Village and Pine Haven.

Dealy's appointment was made known today in a joint announcement by Banks and GOP municipal chairman Donald L. Borst.

The Sayre Woods South Councilman said today that he considers the principal campaign issues in the area to be "the Macrae administration's solid record of accomplishment in getting Madison Township moving again."

"Councilman Banks' prompt action to remedy the rat problems in Sayre Woods East and Pine Haven, and his determined efforts to bring better recreational facilities to the township's children will help clinch his election chances in this important section of our community," Dealy said.

He continued "The Macrae administration's record in enacting a sweeping road reconstruction program will also prove very meaningful to the voters of the Sayre Woods South area."

more efficient operation, bulk buying of equipment and insurance coverages. Further, the practice of contributing \$750 per year to the Tax Supported Fire Companies should be discontinued with a savings of another \$3000.

While combining the operation the great inequity of charging some residents .83 per \$100 assessment as opposed to a minimum of .37 per \$100 assessment would be eliminated. There is no objection to paying Fire Taxes but we should expect to be paying on an equal proportion.

This is certainly one of the most serious problems which presently exist in our Township. Not only should the Council be called upon to rectify this great wrong but the candidates who seek office should be called upon to take a public stand. Shall we continue to have representation for the special interest minority or shall we return to the good principle of representation for the majority? Certainly the present system borders on the Conflict of Interest side of the law.

All the information and facts outlined have been gained as a result of my past affiliation as a fireman and from my past and present membership on the Board of Fire Commissioners, where I have served as District Clerk since January 1961.

Yours Truly,
Joseph H. Ryan

BOARD OF EDUCATION: Well, we see where the Board of Education held Open House for the new superintendent of schools. Madison Township has had quite a few superintendents of schools in less than a score of years. We'll try to list them in proper sequence if our memory serves us right. Let's see, first we had Voorhees, then Brennan, then Dougerty, then Selover, then Copeland, then Magil, then Shronk, and the last one to leave was Dr. William Sample. Lex Copeland and Dr. William Sample have one distinction in common, they were the only two full time Superintendents of Schools in Madison Township to come under tenure. Wonder what the record for the Principal of the High School will be.

POLICE DEPARTMENT: A couple of promotions are expected by the first of the year for the local police department and at least four new officers will be appointed for the 1965 year. That fellow from Cliffwood Beach has all about given up hope of ever becoming a police officer in Madison Township. The patrol cars seem to be more on the road recently with less police hanging around police headquarters. Constant patrolling of the highways and roads in Madison Township will help to keep the crime rate down. Police are still constantly bothered with "dog bite cases"

although they have been on the decline.

WATER, WATER, WATER: It seems like just last year when the Democratic Administration was faced with a water rate increase in the Laurence Harbor area. Now the Republican controlled council is faced with a water rate increase in the Cliffwood Beach area. Last year the Democrats were chastised at the polls for allowing the water rate increase. The water rate decision will come after the November election. So it won't have any effect on the November election. Regardless of whether the Township appeals the rate or not in most cases the Public Utilities Commission will award the rate increase to the water company who will probably claim they need the increase to better the water services, to improve the quality of the water, to install new pipes and because general operating expenses have been increased.

APARTMENT HOUSES: The G.O.P. administration is hoping that the various Garden Apartment projects in the Township will soon take shape and actual construction of the units begin. These will be a very good ratable on the tax books and if finished before March will help to keep the tax rate down in 1965. Most surveys on Garden Apartments prove that Garden Apartments are self supporting and are an attractive tax ratable, this coupled with the purchasing power of the residents of the Garden Apartments should prove to be a boom for not only Madison Township but the various businesses located here.

RUMORED AROUND TOWN: The November election isn't even here yet and quite a few Democrats are already making plans for the Primary Election. One rumor hitting the rounds is that several former Township Committeemen will gang up to knock Harry Messenger out as a candidate in the Primary. Another rumor bouncing around is that Victor O'Brien will resign as a member of the council before the first of the year. If O'Brien pulls out of the race, the Democrats will loose a very popular fellow. O'Brien has usually managed to stay out of most arguments and has been successful in several instances of pulling his running mates in with him.

Named President

William A. Fritz of Cheesequake has been elected president of the Kiwanis Club of Madison Township for 1965. Fritz, who is employed by the Anheuser Busch Company in Newark, is currently vice-president of the organization. He has served in many official capacities in both elementary and high school Parent Teacher Associations in the Township as well as being an active member of the Cheesequake Fire Department.

Fritz, along with a slate of new officers will take office on the first of the new year. Kenneth V. Smida, president of the Kiwanis Club since its founding last year, will assume the honorary title of immediate past president at the close of this year.

Elected to office along with Fritz were William S. Rice, 1st vice president; Clark T. Donlin, 2nd vice president; Ralph Steinhart, treasurer; and William Griffiths, secretary.

Chosen for one year terms as directors were Robert Cotton, Walter Hatton, and William Foster. For two year terms Mishel Aisenstock, Theodore Sari, and Joseph Cappelli were approved.

Hunter-Safety Course Set

Ted Jarsen, instructor announced that a Hunter Safety Course will be given at the rear of the Madison Township Municipal Building on Route 9-34, RD., Old Bridge on Sunday, October 25 between the hours of 1 and 4 p.m.

Additional information may be obtained regarding the Hunter Safety Course by calling 727-0647.

TAKE FIVE
REV. JAMES SILVER
Pastor Laurence Harbor
Community Church

"I waited patiently for the Lord; he inclined to me and heard my cry." Psalm 40:1.

It is easy to tell someone to be patient, but when we have to wait ourselves it is hard to do so without complaining. Perhaps this is especially so for us Americans who are known the world over for wanting to get things done in a hurry. This urgency is commendable in many instances, but there are other times where solutions or success don't come over night. Then it is the person who is patient who wins the day.

The things that are good and lasting usually take time to accomplish. This is so in many areas of life, including the religious. Trees take years to mature. Fruit doesn't ripen in an hour, and even God took more than a day to create the world. So it is no wonder that prayers often require a long time before they are answered, and problems don't disappear over night.

Life demands that we take the long view of things and not get discouraged over the difficulties of the moment. The psalmist waited patiently and God dealt with him. If a thing is right, we can be sure that it will come to pass in its own good time.

Prayer: Deliver us, O God, from impatience. Teach us that it takes time to do what is right. Amen.

Officials Seek To End Traffic Hazard

State, county, and local officials are at work attempting to solve a traffic safety hazard which has been distressing parents of children now attending the Willis and Miller schools in Old Bridge.

The hazard exists at the Route 516 bridge passing over Route 18 in Old Bridge. Hundreds of children use the bridge daily to travel west from the Englishtown Rd. area of Old Bridge to the two schools.

Township officials have been pressing the state highway department for the erection of a railing along the pedestrian walk on the bridge to protect children from injury by passing traffic. At the same time, they have asked for fencing along the outer side of the bridge to prevent children from falling to the highway below.

Township Manager Paul H. Hermann, deputy manager Joseph P. Leo and police captain William

Wallis, head of the traffic safety bureau, conferred last week with State Highway Department and county officials for a solution to the problem. Route 516 is a county road, while Route 18 is a state highway. The Bridge was constructed by the State Highway Department in 1959.

Hermann says he is confident that the Highway Department will cooperate in the installation of the fencing on the outer side of the bridge, but that the department has several reservations concerning the rail along the pedestrian walk.

The state will conduct a study of traffic volume at the location and will also investigate possible changes in the traffic lanes to alleviate the problem, Hermann said.

Present for the conference last week were highway engineers Arthur Royson and George Cole and Middlesex County Freeholder John Phillips.

Babe Ruth League Banquet Set

The Laurence Harbor-Cliffwood Beach Babe Ruth Baseball League will stage its annual awards banquet at Burlew's restaurant, Laurence Harbor on Saturday (Oct. 17) at 6:30 P.M., according to William Noonan, president of the circuit.

116 trophies will be presented to players of the league by Noonan. 25 boys who have completed their tenure as Babe Ruth league participants -- the loop sponsors play for youths from 13 to 16 years of age -- will be awarded special trophies.

Madison Township Recreation Commission team members will be singularly honored for winning the league championship. Manzo Construction, Chappy's Lounge, Phillips Association and Byrnes Shamrocks team members will receive prizes. The league's all-

star aggregation which participated in the state tournament will also be the recipients of trophies.

Over 200 are expected to attend the dinner and those scheduled to speak include Richard Pine, Madison Township Board of Education Athletic Chairman; Mayor Donald Macrae, Freeholder John J. Phillips, Councilmen Kenneth Banks who is in charge of recreation and Harry Messenger, former recreation commissioner. Robert Knight, founder of the league and Harold Smith, former township attorney, also will speak.

A small quantity of tickets are still available from Mrs. Agnes Noonan, league secretary, or from any of the managers of the teams in the organization.

Cerebral Palsy Campaign Heads Named

Robert L. Fuller, president of the United Cerebral Palsy Association of Middlesex County announced the appointment of the campaign leaders for the 1964 Cerebral Palsy Campaign in Madison Township.

The section chairmen include Mrs. Vivian Nappé, Amboy Road, Matawan; Mrs. Harriet Boyle, 331 Sunset Avenue, Old Bridge; Mrs. Bertha Vanderhoef, 31 Randolph Avenue, Old Bridge; Mrs. Ruth Dowd, 8 Lehigh Road, Parlin; Mrs. Marie DeLhery, 9 Heather Drive, Old Bridge; Mrs. Peggy Dunphy, 2 Clover Street, Old Bridge and Mrs. Sally Komarek, 30 Venus Road, South Amboy.

The Cerebral Palsy drive in Madison Township is a part of the solicitation in 13 Middlesex County municipalities with a goal of \$27,500 to help meet the operating costs at the Cerebral Palsy Treatment Center in Roosevelt Park. The campaign proceeds

represent about one-third of the total budget required by C. P. to carry out its program of treatment, education and recreation for those afflicted by this dreaded crippling.

The appeal in Madison Township will take place in the period from October 15 - October 31, Fuller reported.

The drive in Laurence Harbor, held previously under the leadership of Mrs. Harold Schroeder, was oversubscribed by almost 20 percent.

In making this announcement, Fuller also reported that almost 200 cerebral palsied individuals were assisted at the Treatment Center in the last year. The center had an attendance of 8,985 for the past year and gave more than 9,500 therapies. He added that the organization also provided transportation for more than 5,000 patients, back and forth to the Treatment Center.

Good Shepherd Lutheran To Build

Plans for a church, fellowship hall, offices and classrooms were adopted yesterday by members of the Lutheran Church of the Good Shepherd, Madison Township, meeting in the local high school. The plans were presented by means of colored slides and sketches by Architect H. Robley Saunders, Newark, and the congregation's Executive Building Committee, of which Howard Newton, Sayre Woods South, is the Chairman.

Mr. Newton disclosed that the proposed building will make more than 11,200 square feet of floor space available to the congregation for its programs of worship, education and fellowship. Since October of 1960 the congregation has used facilities rented from the Madison Township school system, meeting first in an elementary school in Sayre Woods South and, since January of this year, in the cafeteria of the local high school.

The meeting was the climax of more than two years of plan-

ning by the Executive Building Committee and four study committees, involving more than 40 of the congregation's adult members. Other members of the Executive Committee are Joseph Holer, Oscar Jobmann, and Robert O'Neill, all of Sayre Woods South; and Walter Tesch, of the Cedar Grove section of the Township.

The building is to be constructed on the corner of a 17 acre tract purchased by the congregation in 1961, and located at the juncture of routes 9 and 516. In other business transacted at yesterday's meeting John Jaeger, the Chairman of the Congregation's Board of Trustees, informed the group that he has received two offers to purchase 10 acres of the church's property. The congregation voted to authorize the sale to be made.

The nave of the proposed church will seat 300 in a half-circle; and there is overflow space for another 150 worshippers in the large narthex.

Meeting Held

An exploratory meeting was held recently for the purpose of forming a League of Women Voters in Madison Township. A large group of enthusiastic women heard an informative talk by Mrs. H. Zende, guest speaker from the state board of the League of Women Voters of New Jersey. According to Mrs. Zende, whether women desire to be active or participate for the purpose of being informed, there is a need and a place for each and every type of woman in a local League. An analysis of Madison Township has been undertaken as an introductory project. Temporary chairmen have been appointed to steer the League until it can be completely organized and regular elections held.

Donald L. Borst, Councilmen Vincent Cancellieri, Richard J. Dealy, Jr. and Donald D. Tierney are also expected to speak. The event is sponsored by the Republican county committee in support of Banks' candidacy for election to the council.
