Meeting Fairly Quiet - Very Few Sparks

Monday night's neeting of the Madison Township Council. Principal items of business were transacted with rare bi-partisan spirit, as the municipal body voted approval for the normal

year-end transfers of funds and a \$40 000 emergency appropriation to off-set unexpected expenses during the year.

By unanimous vote, the council approved the transfer of more than \$27,000 from surplus accounts to accounts requiring additional funds. The action was routine for the municipality and represents standard budgetary practices of local governing bod-

In voting unanimously for the

\$40,000 emergency appropriation, the council took notice that the sum is more than off-set by funds raised by various departments in the municipality, but that those funds did not appear in the budget and therefore could not be applied to the various departments requiring additional

The usual array of Democratic and Republican talent could be seen in the audience at the session, but even during the public portion of the meeting there was little to disturb the peace and harmony which reigned during the regular council business.

Former Mayor John E. Keating rose to question council action in re-issuing a note for the remaining \$100,000 of \$130,000 in notes secured by the township in December of 1963. Keating was assured by Municipal Manager Paul H. Hermann that re-issuance of the note was "purely technical."

The 1963 note had been taken out by the township in the name of then-treasurer Irving Collaci. The newly issued note permits

any future treasurer and manager to sign the renewals in coming

Former Township Committeeman Joseph Pandozzi, who was defeated along with Keating in his November, 1963 bid for reelection, rose to challenge the design of a new sign posted in the township by the industrial commission.

The sign is located on Route 9, south of the municipal building. Pandozzi claimed the new sign is confusing and asked that the township have it changed as soon as possible.

Councilman Donald D. Tierney, liaison from the council to the industrial commission, replied that the contract will not permit an early change in the copy displayed on the sign, but that he will look into Pandozzi's proposals for re-designing it.

In other action, the Township Council consented to an adjournment of the bid for final approval by the 187-home development, Twining Brook, located off Tice-

Officers Elected

At the regular December meeting of the Laurence Harbor First Aid and Safety Squad officers were elected for the 1965 year.

Elected as officers were Howard Sonnabend, president; John Osborne, vice president; John Di Giovanni, Secretary-Treasurer; Robert Therien, Recording Secretary; Joseph Da-vies, Chaplain Gene Olszewski, Sgt. at arms and Larry Downey, Custodian.

Line officers elected were John Di Giovanni, president; Assistant Captain, George Perise; Howard Sonnabend, 1st It.; John Osborne, 2nd lt.; Robert Therien, 3rd Lt.; Charles Garrison, Engineer and Charles Kanetski, chief driver.

community, constructed on a heavily wooded site off Rt. 9 on Throckmorton Lane is enclosed by a park setting that accents

a suburban setting. Builder is Nathan J. Miller, who has constructed numerous custom built home colonies throughout North and Central New Jersey. Miller said the construction, which received the first apartment building permit ever issued in Madison Township, has achieved a self-contained community atmosphere, further enhanced with the already existing conveniences of elementary and high schools and a medical clinic building on adjoining property.

The shopping center building includes 7,000 sq. ft. of air conditioned stores plus 7,000 sq. ft. of professional office space available for subdivision personal requirements. The heavily wooded tract, Miller said, provides a natural setting for the privacy of the community, in-

cluding the project's own prin-

cipal thoroughfare connecting to

municipal streets. Offering four or five room plans renting from \$125, each apartment includes an outdoor terrace with access to the terrace from 8-ft. sliding glass doors in the living room. All apartments and all rooms have outside exposures.

Other refinements include central air conditioning and heating with individual apartment temperature controls; sound conditioning; master TV antennas; baths with tile walls and floors, vanitories, double medicine cabinets; basement laundry rooms plus extra storage space. Gas for heating and cooking is included in the rental.

Construction underscores comfort and spaciousness and includes 140 four-room apartments each with 881 sq. ft. of living area and 32 five-room plans

Reilly Named To Commission

Aloysius E. Reilly of Middle-wood Estates, Old Bridge has been appointed to the Madison

as was announced by Municipal Manager Paul H. Hermann.

Hermann said Reilly would fill the vacancy created by the resignation of Robert Welch of Sayre Woods South. The new commission member's term will expire

Reilly is assistant cashier for operations of the Amboy-Madison National Bank and a former member of the U. S. Department of the Treasury. Active in local civic affairs, he is a member of the Junior Chamber of Commerce and served as treasurer for the 1964 Madison Township Fair.

He also serves as trustee for the George Lorentzen, Jr. fund and has been a leader in the "Help George Walk Again" campaign in the township.

A former army platoon sergeant, he was decorated with the Silver Star for service in the Korean War. The 35year old bank official is married to the former Gloria Shainline and has two sons and three daughters.

Reilly, in accepting the appointment, said he is "pleased to be called into service in one of Madison Township's most critical areas of governmental activ-

"The township's efforts to attract new industrial ratables have a direct effect upon the tax rate of every resident of the community. I hope to direct as much energy as possible to the commission's program for industrial development of Madison Township.

Purchase Property

Jewish War Veterans of the Solomon-Brody Post 754 were granted a parcel of land last night at the Madison Township Municipal Building. The land will be the site of the permanent home of the Post. The members of the JWV are presently meeting at the Madison Township Jewish Community Center in Old Bridge.

Hy Chekofsky, post Commander and Jack R. Sapir, land committee chairman, were both present.

has "made an excellent start under the present commission towards increased industrial activity here. I will lend all my efforts to continuing the progress toward new ratables which the township has experienced."

Meeting Held

Mrs. Eleanor Holden, president of the Laurence Harbor Little League Auxiliary, appointed chairmen to head a number of committees in the organi-

The committee heads are Mrs. Dorothy Carroll, publicity; Mrs. Helen Thompson, by-laws; Mrs. Edna Kirkirt, membership; Mrs. Mickey Windas, welfare; Mrs. Terry Narcisi, hospitality and Mrs. Ann Snyder, sunshine. A Christmas party will be held

by the auxiliary on December 26 at the American Legion home. Music will be furnished by Jack Olsen and his band.

Joseph G. Hoff, chairman of the expansion committee, said that the construction of the new little league diamond adjacent to the Memorial School, is progressproperly. A chain link has been erected around the field. Grass sod in the infield portion of the park has taken root and the grading of the outfield is now complete.

Hoff also informed the membership of a new plan to raise additional revenue for the completion of the field by spring. Because of the construction of the new school building in Cliffwood Beach, which was the site of the league's old baseball diamond. Hoff said that the circuit was forced to expedite the present expansion program so that a suitable playing field would be ready for the nearly 200 youths from both Laurence Harbor and Cliffwood Beach who expect to participate in little league competition early next spring.

The next meeting of the auxiliary will be held at the VFW hall, Route 35, on December 15 at 8 P.M. Mrs. Holden announced that any interested in the league's activity may join the organization at the meeting.

Madison All Stars Meet Defeat

The Madison Township Pop Warner All-Stars lost a hard fought contest to the Philadelphia Little Admirals, 19-0 at the high school stadium in the inaugural of the Madison Township Spartans Holiday Bowl series.

In the preliminary game the local Pee Wee all star eleven blanked the visitors from Philadelphia, 29-0. Little Glenn Barrow of the Madison Park Destroyers, showed the way with two touchdowns. Richie Fredericks, also a Madison Parker, scored along with David Johnson of the Laurence Harbor Jets. All tallies were on end run sweeps. Barrow added two extra points and Fredericks one point after touchdown.

Ray Blankenhorn coached the Madison midget squad assisted by William Glatstein, Harry Knox and James Ballance.

Christmas Party

The Laurence Harbor Democratic Club will hold its annual Christmas party on Saturday (Dec. 12) at Byrnes Hall starting at 8:30 p.m., according to Joseph G. Hoff, club president. Music will be furnished by Bob Mac-Kinnon and his Wildcats.

Members are urged to bring canned foods for Christmas baskets which will be presented to needy families in the area during the holiday season.

New Era For Our Town

Madison Township will soon enter a new era. With the announcement of the Grand Opening of the Madison Arms Garden Apartment, Cur Town will be on-the threshold of advancement far beyond anyone's imagination.

The Madison Arms Garden Apartments are the first to be constructed in Our Town and we must say that the developer of the complex and enticing Garden Apartments has lived up to every promise made to the Township Council.

We had the opportunity to visit the site recently and we would advise other residents of Cur Town to take a few minutes of their time and inspect the site.

The apartments are being built in a wooded with the deal. One councilman section off Throckmorton Lane behind the Acme Shopping Center. What was once a "sore spot" is being developed into a compact and orderly community. Great care has been taken by the developer to spare the natural beauty of the surrounding landscape, dead or decaying trees have been removed but much of the timber still remains. An area that was once a breeding place for mosquitos and other insects is rapidly becoming one of the nicest spots in Our Town.

The Madison American had continually pressed for the construction of Garden Apartments. We feel that they will be most beneficial to the general structure of Cur Town. Every survey conducted is of the opinion that Garden Apartments are a sound tax ratable for any community.

The complex of the Madison Arms Shopping Center and Garden Apartments is of a community within a community. We feel that Madison Township will greatly gain by the development of the garden apartments.

We will be benefited by an additional influx of new people, new blood and with many new These people will offer much to Madiso Township and We, the people of Madison Township should welcome them with open

Major Change Needed Now

In 1962 following an extensive and searching report the voters of Madison Township voted for a change in the form of government. The present form of government has been in operation for almost one year, we haven't noticed many major changes. True there have been minor changes accomplished but after one year of operation, we can't really tell the new form of government from the old Township Committee form of government.

Perhaps we were expecting too much in too short a period of time.

We were told that a new form of government would be less cumbersome. We were told that a new form of government would be more efficient, but somehow or another this just doesn't seem to be the case.

We have the deepest regard for the Municipal Manager and really like him but something, somehow, somewhere seems to be lacking with the present form of government.

Perhaps, the Municipal Manager must make major changes in the overall picture. As an example, wouldn't there be more efficiency and less cost of operation if the Sewerage Authority were to be merged with the water authority? You would only need one director, one superintendent, one attorney, one engineer and so on down the line.

Wouldn't it be more feasible if the Madison Township Utilities Authority (water authority) be abolished and the entire operation placed under the direction and supervision of the Sewerage Authority.

Wouldn't this be a good place to start Mr. Municipal Manager?

FEUDING AND FUSSING: Rumor bouncing around the town about the Martian that landed in his "Flying Saucer" and walked up to the first Democrat he met and said "Take me to your leader". The Democrat took him to see Donald Tierney. According to some Democrats they have nothing to lose if the Democratic Councilmen were to vote for Tierney for Mayor and dump Macrae. The way we get the story is that the Democratic Councilmen want nothing to do stated 'If I vote yes for a Mayor he'll have to be a Democrat." Seems that everyone and anyone is looking for the Democratic Municipal Chairmanship following Jack Phillips statement at a recent Democratic County Committee meeting that he wanted out as chairman. The "hot lines" are really burning. Joseph Hoff of Laurence Harbor is reported to be sending letters to each County Committeeman and Committeewoman asking support as "leader". We wonder if Phillips really intends to resign or could this be part of a smart move to smoke out all the contenders for the Chairmanship and let them each knock their "brains" out? You know these things have happened before. Possible chairman in the running HOFF, KEATING, PANDOZZI, COLCOUGH, CERRA, DE MATTO, PANDOZZI, SPELLMAN, PANDOZZI, LA MANNA, PANDOZZI, WHITE, PANDOZZI, BROWN, PANDOZZI, L'S gains to be a PANDOZZI. It's going to be a long, long winter.

POLICE DEPARTMENT: Tip to the school crossing guard in Laurence Harbor, how about stopping once in awhile for the stop street sign on Bayview Drive, near the Laurence Harbor Post Office, we've witnessed you run this sign in your haste to get to your post on time on several occasions. Some of the local police aren't speaking to one another again. I guess promotion fever is in the air. If Chief of Police Charles Boice gets all the extra policehe wants, the council will have to give him a shoehorn. Quarters shared by the police department in the Town Hall are quite jammed. Things are so tight now that one police officer was putting his arm in another officers coat. Well that's one way to get pro-

WE'RE FOR IT: Township Councilman Harry Messenger urged Township Manager Paul Hermann to contact state, and

League Head

Robert Knight was elected president of the Laurence Harbor-Cliffwood Beach Babe Ruth Baseball League at a meeting held at the VFW hall. He succeeded William Noonan. Knight organized the circuit several years ago.

Elected with Knight were Peter Richardson, vice president; Agnes Noonan secretary, George Stone, treasurer; Harold G. Smith, Angelo Borino and Wil-Liam Noonan, trustees.

The next meeting of the unit will be held at the VFW Hall on January 12. Plans will then be discussed for the coming season.

Last year the league supervised play for some 80 boys from 13 to 16 years of age.

Squad Report

Captain John Di Giovanni of the Laurence Harbor First Aid and Safety Squad announced that the squad had handled a total of 77 calls in the month of Novem-

A total of 199 man hours were donated by members of the squad covering the calls and 2,550 lbs. of oxygen were used.

county officials to do something about Ernston Road. Messenger suggested that the road be widened, we agree with Mr. Messenger and certainly hope that he is able to pull some strings and get some work done on the road. The county was talking about installing drainage on this road several months ago but they wanted Our Town to pay most of the cost, when our officials balked at the idea, the plan was suddenly dropped? We certainly hope that county officials do something about Ernston Road and Englishtown Road and we hope that they don't intend that Madison Township should pay for the entire project. We are paying enough county tax as it is.

WATER, WATER, WATER: Rumor bouncing around that there will be a shake up in the water department. New director, new superintendent, new attorney and a couple of new faces on the authority before very long. Needless to say many of the top members of the G.O.P. are not exactly 'happy' with the water authority. Many residents of the township feel that the authority have been dragging their feet. Many other residents feel that the authority should go out of business. The City of Perth Amboy Water Department supplies water to churches, civic organizations and many others without any charge for water.

FULL TIME ENGINEER: We'd like to see Business Manager Paul Hermann take the "bull by the horns" so to speak and appoint a full time engineer. We feel that this would save the taxpayers of the township a considerable sum of money plus the fact that future residents and present residents would be assured that no developer could pull any tricks. Several other communities have full time engineers and their work has been very satisfactory. Let's face it Madison Township can't afford part-time help anymore. We have almost 30,000 residents in the township with more coming every day. We have why not a full time engineering department.

GOOD GUY: Don't let that fellow from the Cheesequake area tell you that he won the "Good Guy Sweat Shirt" from that New York radio station. Actually his wife submitted her name and she won the sweat shirt. The Cheesequake woman wasn't listening to the station at the time of the award so a Laurence Harbor resident telephoned her giving her the number to call. So actually the fellow from Cheesequake hasn't anything to do with it. Really you aren't a Good Guy if you don't tell the

TAKE FIVE REV. JAMES SILVER

Pastor Laurence Harbor Community Church

"The sheep hear his voice, and he calls his own sheep by name and leads them out." John

A friend of mine told me a story this past week that was both poignant and meaningful. He took a long planned trip last summer to Europe, and while there he visited Westminster Abbey in London, where many of the greats of English history are buried. In the Abbey, one of the ushers, an elderly man, directed him to the tomb of Ben Jonson in whom my friend was especially interested. spoke together for a while and then he asked the usher what his name was. The old man's eyes filled with tears and he said, "Sir, I have been here ten years and no one has ever asked me my name. The thousands of people who visit here each day want only to be shown those who are famous. They aren't interested in any of the ushers."

One of the most wonderful things about the Christian Gospel is that it proclaims that God cares for each of us, whether we be famous or not, great or small, rich or poor. The very fact that the Son of God would be born to poor common people in the crudest of surroundings shows that God is not impressed by fame or wealth. He is interested in everyone. We may be calloused and blind to the of the people around us but this is not God's way. He is like the good shepherd for He knows each of us who are under His care by name.

Prayer: O Heavenly Father, help us to see clearly how much you love each one of us. Amen.

town Rd., adjacent to the Heatherwood Development.

Representatives of the development agreed to provide more adequate indications of sewerage and water arrangements before the subdivision is re-submitted to the council.

It was also pointed out that approval of the subdivision would place the township over the 400-mark established as a limit for development activity in the community.

The plan will be considered by the council again in I20 days, at which time the developer will also have posted satisfactory bond for the project, as well as have some form of water and sewerage authority approval.

Architect C. Edward Hickey was appointed to the Madison Township Sewerage Authority to fill the unexpired term of the late Vincent Bushman, who died in September.

Hickey was a member of the authority several years ago, but had been forced to resign for personal reasons. Hickey will serve until December, 1968.

The P. and L. Construction Co. was authorized by the township council to level a 22-acre plot of land near the Sayreville Borough boundary. The attorney for the enterprise, Harold G. Smith pointed out that the work proposed would actually improve the value of the property and create no serious problems from the standpoint of drainage.

Though a busy night for the council it was not a heated one with most of the pre-election remistrainents having subsided. The election campaigns over, the council seemed to have settled down to attending pressing township business with a minimum of partisan contentions.
