Irving G. Perry, (left) Assistant Cashier, Amboy-Madison National Bank and 1965 Chairman for the Red Cross Campaign outside of the United Fund area is congratulated by Joseph G. Mark, President of the First National Bank of Middlesex county, last year's Chairman, as Mark is presented with a certificate for his service to the community.

Banks Named Director of Water

Former Councilman Kenneth H. Banks was named executive director of the township water authority in a move last week which made complete the local Republican organization's decision to make major changes in the policies and direction of that body.

With the help of the lone Democratic member of the authority last week, the GOP members last week unseated Salvatore Salvo as chairman of the agency. Then, in a move later in the week, Salvo was also replaced as the authority's executive director.

Charles Searleski of Madison Park, the authority's newest member lent his vote to the "dump Salvo" move, but did not go so far as to support Banks for the executive director's slot. Banks was appointed to the part-time, salaried post by a 3-2 vote, with Arthur Bottone, the authority's new chairman, and members George Doran and John Nesenkar voting yes.

Searleski and Salvo opposed Banks for the position. The former

councilman was hired by the authority on a trial basis at the salary of \$1,500 per year—a \$200 increase over the stipend offered last year. After the initial trial period, Banks may be permanently hired at the new salary of \$3,000.

Ironically, it was Salvo who led the fight to establish the new salary for the director's post, but he never was able to collect the new salary, in that his fellow authority members declined to support him for re-appointment to the post.

Banks was elected to the job after Salvo nominated councilman Donald D. Tierney for the job. The motion died for lack of a second. Then Searleski nominated former authority executive director William Lambert, a Democrat, for the post. That nomination also failed for lack of a second.

The move was widely regarded as a repudiation of the Tierney-Salvo-Dealy axis which has mounted opposition to the local leadership of Republican chairman Donald L. Borst.

Strive For Unity In The G.O.P.

"A new Republican unity based upon agreement on basic Republican principles" was called for in an address by Philip Maresca, President of the District 11 Republican Club before a meeting of the Laurence Harbor Republican Club.

In a speech at Burlew's Restaurant, Route 35, Laurence Harbor, Maresca said local Republicans "have much to be proud of in the record of the Republican administration and should all unite for a determined effort to assure good government to the people of our Township."

Maresca said, "We Republicans have more than enough work cut out for us in bringing the Republican message to the voters of our Township. It would be unfortunate if we were to waste our time in petty internal squabbles based upon personalities or minor disagreements."

The Central Park Republican leader stated that there is a parallel in history between Councilman Donald Macrae's January 1st decision to support Democrat Harry Messenger for mayor and the President Abraham Lin-

coln's decision in 1864 to support Democrat Andrew Johnson for the vice-presidency.

"In both cases, both the citizenry and the party were faced by a period of great crisis. Both men made a decision designed to protect both their electorate and their chosen political party."

The remarks drew prolonged applause from the members of the GOP unit, who in January unanimously endorsed Macrae's New Year's Day decision.

Maresca cited the obligations of elected officials to "the party workers who have borne the battle," as well as to the electorate at large.

Continuing the parallel, Maresca said the local Republican Party could also learn much from the second inaugural address of Lincoln, after the war president and Johnson had been elected and sworn in.

Lincoln told his party and his nation to act "with malice towards none and with charity for all, with firmness in the right as God gives us to see the right."

Budget In-Garland, Nixon Out

William Rice, Joseph Capelli, Lindley Higgins and Mrs. Frances White turned the tables on the opposition slate and won a landslide victory in the Madison Township Board of Education election.

Officers Installed

Installation of the new officers of the Free Public Library of Madison Township located in Laurence Harbor was held recently at the Cozy Restaurant in Morgan. The installing officer was Mrs. George Makuk, President of the Woman's Club of Laurence Harbor. The gavel was presented to Mrs. Laurence Holden, incoming president, by Mrs. Olga Becker, who has served as president for the past two years.

Other officers for the coming year are Mrs. David Watson, Vice-president; Mrs. William Wallis, secretary; and Mrs. William Weeks, treasurer.

Following the installation the annual public meeting was held at the Library in Laurence Harbor. The yearly reports which had been presented at the January meeting were reviewed.

Mrs. Holden reported that new shelves have been purchased for storage of books awaiting classification.

Mrs. Becker reported that a yearly report had been submitted to the Mayor and Township Manager, with the request that serious consideration be given by the Township Council to the possibility of adding an extra room to the Library building in order to alleviate the overcrowded conditions now existing.

Mrs. Gilbert O. Tier, Schedule Chairman, reported that two librarians were on duty during Library hours, and the Library was open every Monday morning from 9:30 to 10:30; Tuesday and Thursday evenings from 7 to 8:30; Wednesday afternoon from 3:30 to 5; and Saturday afternoon from 1 to 3 o'clock.

Meeting Set

The Hoffman Prince Post 2672, VFW, will hold their regular meeting tonight (Thursday) at 8 p.m. at Byrnes Hall on Route 35, Laurence Harbor.

All members are urged to attend this very important meeting.

Installation Held

The South Old Bridge Democratic Club at their regular meeting held at the American Legion Home installed officers for the 1965 term.

Installed were Thomas Competello, president; James LaManna, vice president; Mrs. Lottie Miller, secretary; Mrs. Edna Viviano, treasurer and Harry Wilkinson, sgt.-at-arms.

Guest speakers for the evening were Mayor Harry Messenger, and Councilman Victor O'Brien and Leonard Hornster.

Fire Report

Chief Frank Moscarello of the Cheesequake Independent Fire Company, Route 34, Cheesequake issued his monthly report for January.

According to the Chief the fire company answered 10 alarms and 91 man hours were put in by the various firemen responding to the alarms.

polled a record-breaking 2,056 votes to lead his slate. Newcomer Capelli garnered 1,908 votes with Lindley Higgins polling 1,733. All three won three year terms. Mrs. White scored with 1,913.

The losers were Robert Nixon with 1,196, Spiros Columbus with 1,194 and William Swiderski with 703.

Mrs. White ran against James Garland for the one year term. Garland wound up with 792 votes. Garland ran as an independent.

The budget won by a small majority. Current expenses wound up on top by 161 votes, 1,416 to 1,255. The other question on the ballot, land, buildings and equipment won by 127 votes, 1,398 to 1,271.

The heavy vote in Sayre Woods South was entirely responsible for the victorious four. The Laurence Harbor-Cliffwood Beach area, counted on heavily by the losers, did not turn out to vote as they did last year when they elected Richard Pine, Charles Thompson, Carol Kosobucki and Nixon. Last year a snow storm prior to the election kept the Sayre Woods South residents from the polls.

Rice captured four of the eleven election districts. Capelli was first in one district and Higgins, who failed to set the pace in any district, ran an even race in nearly all areas. Mrs. White took top honors in eight districts. The campaign was marked by furious fighting between candidates of the two slates. The Rice-Capelli-Higgins-White team were critical of the opposition. Charges and counter charges were made by each all the way down to the wire.

Garland split from his three

mates because he felt that he could not run with a fellow candidate he had previously teamed up with. He said that his philosophies differed with those of his running mates.

This evidently hurt the Nixon-Columbus-Swiderski slate as did additional counter charges by Nixon which seemed to thoroughly confuse the voting public, especially in the Laurence Harbor-Cliffwood Beach area.

Nearly 3,400 voters turned out for a record showing in a school board election.

Meeting Held

The February meeting of St. Thomas Altar Rosary Society featured as the guest speaker, Mr. Albert Simon. Mr. Simon, a parishoner of St. Thomas spoke on the conversion of a Jew to Catholicism. A question and answer period followed his speech.

The monthly raffle prize was a "sick call crucifix" won by Mrs. Samuel Doyle.

Following the March 3 meeting, the Stanley Stores of New Brunswick will show hats and handbags to the Rosarians and their guests. The Hat-a-Rama will feature a preview of Spring finery.

Dance Set

The Cheesequake Independent Fire Company will sponsor their Annual Valentine's Day Dance on Saturday, February 13, at the Firehouse on Route 34.

Tickets may be obtained at the door and refreshments are available at nominal cost. For additional information concerning the affair please call Chief Frank Moscarello.

Name TAP "King And Queen"

We're taking a tip from the TAPS this month. If you think that's some kind of teen-age jargon, you're only partially right. The Tip we are taking is "GIVE TO THE MARCH OF DIMES". This is no Beatlemania or even what some of us former teenagers used to call Be-Bop. The Madison Township young people know that the money they raise through a series of TAP events will go to help children born with birth defects overcome a handicap. They have been willing to devote considerable time and effort to these projects.

Last night the combined efforts of TAPS from all over Madison Township resulted in a successful Tap Ball which was held at the Madison Park Firehouse through the courtesy of the Fire Department of that area allowing the use of their hall and facilities. Music was provided by Thomas Fico and his Medallions. This band has been participating in March of Dimes work for the past three years. The new King and Queen of Taps were chosen for 1965. Names were drawn only from those taps who were responsible for earning money through tag day, special projects or the ball:

Queen: Linda Anderson of Laurence Harbor was crowned by the 1964 Queen of Taps Lorri Comstock of Madison Park. King Joseph McCullion of Sayrewood South received his gift from 1964 King James Duggan of the MEDALLIONS. THE QUEEN received a beautiful rhinestone and pearl tiara donated by HOLDEN'S

JEWELERS of South Amboy, and the king received a Key Chain with a Kennedy half dollar. The gift was purchased by the Adult Committee from HOLDEN JEWELERS however, the committee were unable to secure a Kennedy Half dollar and Larry Holden (jeweler) gladly donated his own Kennedy half dollar which the committee had mounted and the chain inscribed TAP KING, 1965.

A dance contest was held at the ball, the winners were: Bruce Braunsdorf and Gail Hottinger both of Madison Township. Their prize was one dollar each.

Events still to come for the March of Dimes from Madison TAPS Friday Evening February 12: Old Bridge V.F.W. Hall, Old Bridge Taps March of Dimes Hop, Advisor: Mr. A. C. Turant and his daughter Roseanne Teen Chairman same night at Madison Pk. Firehouse:

Another dance sponsored by the Madison Park Taps, Mrs. Edward Mackiewicz Advisor and her teen chairman Susan Payne, her daughter for the March of Dimes.

Support the both dances, have fun and be charitable.

Feb. 24: TAP Skating Party at South Amboy Arena: Mrs. Jean Zahner, Councilor in charge LITTLE WOMEN'S CLUB of Laurence Harbor.

March 3: TAP Skating Party at South Amboy Arena; Mother Advisor: Mrs. Wm. Striker of Cliffwood Beach and her teen chairman, Janet Borst.

Worth Looking Into

One of the larger owners of property in Madison Township is presenting a proposal to the Madison Township Sewerage Authority to construct a sewer line in an area where presently there are no sewers.

Also tied in with the sewer line would be the immediate construction of a 50 acre industrial tract. We've heard plenty of offers from developers before but we believe that the proposed plan could be of great benefit to the residents of Our Town, course they would also be helping the developer.

However, we justly feel that the various agencies involved such as the Township Council, Water Authority, Industrial Commission, and Sewerage Authority should at least sit down with the developer and by some good common old fashion "horse trading" come up with some sort of proposal or counter proposal in order to obtain Industry for Our Town.

We feel that a meeting of this sort would be most beneficial to Our Township. At least listen to the proposal, it's quite possible that a good deal could be made to benefit Our Town.

Very Little Progress

Madison Township officials seem to be making very little headway in the fight to obtain better traffic safety conditions from the New Jersey State Highway Department.

About the only thing accomplished so far is a lot of promises and surveys. We get surveys and promises but very little else. The traffic safety problem is becoming more acute as each day passes. With additional traffic along the highways and increased population of the entire area the safety problem can only get worse.

There are traffic control problems on Route 9, Route 18, Route 35 and traffic on Route 34 is steadily increasing. Several years ago traffic on Route 34 was virtually nil in the winter time but take a look at the problem today. Route 34 has become a fairly busy highway and for most of the length in Our Township it is only two lanes wide.

Route 9 from the intersection of Route 34 to Route 18 is also a very dangerous two lane highway with some exceptions where the Route 516 overpass is. Several deaths have occurred on Route 9 and still very little has been done by the state to eliminate the traffic hazard.

Years back when Route 9 was planned the State Highway Department obtained the necessary property to widen the highway to four lanes. The property has just been sitting there for all these years.

Some action should be taken immediately, perhaps the officials of Madison Township should "camp" on the doorstep of the Governor.

Letters

In January 1964, Sal Salvo was elected as chairman and executive director of an entirely re-organized water authority. This was decided because the Republicans won control of the Township Council in November 1963. Not one member of the previous authority was kept, although they had years of experience. The Authority under the direction of Salvo completed or continued under study those items started by the Authority under the direction of William Lambert. No new or major projects were developed, nor was any private water company negotiated for or pur-

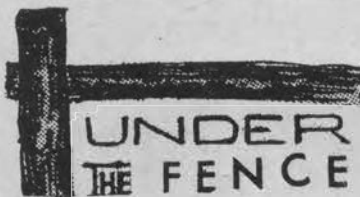

chased. Still Salvo was able to secure a year of experience.

Recently, three members of the Authority, under apparent orders from Republican bosses, de-throned Salvo because of internal political reasons, and appointed a three time defeated Republican candidate Kenneth Banks, as executive director.

The members of the Authority who selected Banks even questioned his ability by cutting his salary and placing him on a three month probationary period.

With an inexperienced chairman and an inexperienced executive director what will the outcome be of such matters as:

(1) The purchase of the Laurence Harbor Water Co.; the pur-

FEUDING AND FUSSING: Rumor around town that a fellow from the Sayre Woods South area is going to be the next guy to get shot down in the Democratic Merry-go-Round. Municipal Chairman Joseph Pandozzi please take note. Strange goings on have been reported from Sayre Woods South and it seems to be stemming from the group formerly called Citizens for Johnson. Evidently some of them must feel that they were instrumental in getting Johnson and Hornster elected, we've seen that tune played before. This one particular fellow is feeling his oats and the way we get the story is that he'll be out feeding the goats--Judas Goats that is. Two fellows behind the political

scene in Madison have acquired cute nicknames one guy is called the "Ghost" and the other is called "His Majesty." Wonder who they could be?

POLICE DEPARTMENT: Madison Township Police are still busily working on the Jewelry Store robbery. Latest rumor has it that the haul may have ran as high as \$70,000 which makes this the biggest robbery to date in Our Town. With the introduction of the new police ordinance governing promotions some of the promotion fever at the headquarters has tamed down. Many of the police are now busily studying their books in the event a test for promotion is given. We still feel that there will be additional police named this year and several promotions made.

BOARD OF EDUCATION: The voting machines haven't even been returned to the County and already the Board of Education is in a uproar over who will

be president of the Board. The way we see the situation is the Board is now divided into two groups with four votes on each group with one man out. The fellow that may cast the deciding vote is no other than Richard Pine. Pine has been in this spot on several occasions where his vote decided the presidency of the Board, in fact one year Pine even ended up with the job.

CONGRATULATIONS: Our sincere congratulations to Kenneth Banks on his appointment as Executive Director of the Madison Township Municipal Utilities Authority (Water Authority). We are most certain that Banks has all the qualifications necessary for the job despite some fear expressed by several fellows that didn't get the appointment. We hate to say we told you so but we did predict a major shake in the Authority sometime ago and of course this was denied by practically everyone. Banks got the job in a 3-2 vote the second time around.

RUMORED - AROUND - TOWN: Understand that a small group of interested businessmen in Our Town may just decide to take the Middlesex County Board of Taxation on in courts. The way we hear the story is that the group is concerned with the amount of County Taxes paid to the County by Madison Township. Seems that they would like to know if Perth Amboy is paying on the same ratio as Madison Township. A court fight may develop before the year is out. Biggest cry is that Madison Township gets very little for it's county tax dollar. Funny thing but we really shell in quite a bit of money to the county but when it comes to appointments on the County level Madison Township is overlooked. For example how many Madison Township residents are on the Middlesex County Sewerage Authority? Do we have anyone representing Madison Township on the Middlesex County Industrial Commission? Think it over friends, and you'll soon see that Madison Township is getting short-changed in more ways than one. Fly me to the Moon, we may all go in orbit when we get our NEW tax bills.

GOING STRONG: Paul Hermann the Municipal Business Manager is getting taller as time goes by in Madison Township. It was only last year that we wouldn't have given you a "plugged nickel" of his chances of surviving the first year. He's really come a long way, the township is getting fewer and fewer calls in regards to road repairs etc., etc., much of this can be attributed directly to the office of the Business Manager.

"And thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this is the first commandment." Mark 12:30.

One of the major evils of our age is that so many of us have no time for God. We are occupied with making a living, or raising a family, or enjoying our days off, or a hundred other things that take preference over our responsibility to God. But really, there is no excuse for being too busy for God. An anonymous poet has made this point.

No time for God?
What fools we are
To clutter up our lives
With common things, and
Leave without the Lord of Life,
And Life itself.

No time for God?
As soon to say no time
To eat, to sleep, to live, to die.
Take time for God
Or a poor misshapen thing you'll be
To step into eternity,
And say, "I had no time for Thee."

Plan to attend the Annual Hat Festival on Friday, February 19, at the Cheesecake Fire House on Route 34. The hat festival is being sponsored by the Ladies Auxiliary and admission is only 25 cents. Refreshments will be served.

Why not plan to attend the Hat Festival on Friday, February 19, at the Cheesecake Fire House on Route 34 between 7 and 9:30 p.m.?

chase of the Cliffwood Beach Water Co.

How will the inexperience affect the purchase price of these companies! How will the purchase price affect the water rates!

(2) How will the already delayed 2 million gallon storage tank affect the availability of water in the summer months for the residents of Sayre Woods South?

(3) What action will the three authority members take for making water available to future garden apartments and tract building approved by the planning board.

With the minority board members Searlaski and Salvo, and private citizens attending the open meeting of the Authority, many of the decisions of the remaining three board members and executive director will be questioned.

As John Nesenkar a member of the Authority said, "William Lambert is our severest critic." He forgot to say that Lambert will double his efforts in the ensuing year to bring constructive ideas and criticism in water authority affairs.
