Madison Board Engaged In Illegal Activity

Melvin M. Roessler, candidate in last year's Board of Education election today stated that in a desperate attempt to insure passage of the \$4,290,000.00 high school bond referendum the Madison Township School Expansion Committee, which includes Board members William Rice, Carol Kosubucki and Frances White, directed that a 'Poster and Essay Contest' be conducted in grades 3 through 8.

This poster and essay contest was designed to stimulate an awareness of the problems and needs of the Madison Township school system and consequently to generate favorable consideration of the referendum.

Late Friday afternoon County Superintendent of Schools, Robert Blount, ruled this contest in violation of N. J. Statutes, and therefore, illegal.

This ruling was precipitated at last Thursday's Board meeting when former Board of Education member James Garland questioned Joseph Brust, Superintendent of Schools, on the purpose of the contest and suggested to the Superintendent that according to the law no school official shall "direct such pupils to engage in activities which promote, favor, or oppose any bond issue proposal."

Mrs. Carol Kosubucki challenged Mr. Garland's assertion and stated emphatically that she and the other members of the expansion committee had checked into the legality of the program and had decided to hold the contest.

Not being satisfied with the Board's reply concerning this issue, Mr. Roessler obtained a legal ruling from his attorney that this was a clear cut violation of state law. Mr. Roessler then called County Superintendent

Blount who immediately agreed that the program was illegal and also suggested that the Board was in fact jeopardizing the legality of the forthcoming referendum. Mr. Blount then informed Superintendent Brust of his decision and suggested that the contest be cancelled forthwith. Later Friday afternoon, Mr. Brust informed Mr. Roessler that he was issuing a directive to discontinue the contest.

Mr. Roessler further charged that "The Board is engaged in 'psychological warfare' where the students of Madison Township are the victims." "I think," stated Roessler, "that to terrorize the children with prospects of half-day sessions resulting in their being separated from their school chums and having no time to play at school and being burdened with twice as much homework is a despicable and contemptible method of promoting school expansion."

Mr. Roessler cited the case of one eight year old child who came home from school crying because he was told these very things.

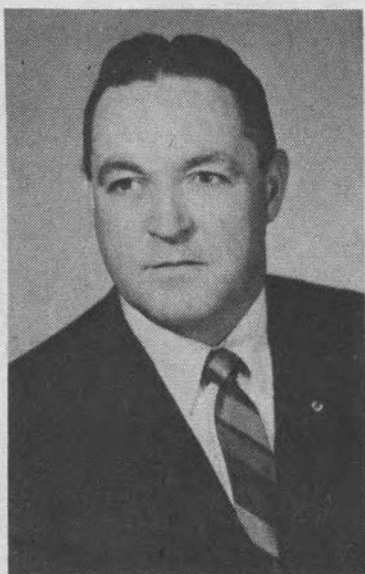

Roessler continued, "Certainly other eight and nine year olds felt the same fear and emotional shock from the brainwashing technique employed by the Board of Education."

"There is a right way and a wrong way to promote a bond issue. In their overzealous desire to obtain a favorable vote, the Madison Township Board of Education has apparently stooped to the detestable position that 'the end justifies the means' - and the strange part of the entire episode is that elementary students were being used to promote a high school."

Two Named To Advisory Committee

Donald Macrae

JOHN PHILLIPS

Ernest J. Scharpf, president of the Amboy - Madison National Bank of Madison Township, announced the appointment of John Phillips and Donald Macrae to the Bank's Advisory Committee for Madison Township.

Mr. Phillips, at present holds the important position of Middlesex County Freeholder, resides in and is a former Mayor of Madison Township. He has long been active and outstanding in civic affairs of the community.

Mr. Macrae, likewise, resides in and is a former Mayor of Madison Township, is well known and active in local affairs. At present he holds the responsible position of Councilman in the Township.

The Bank now has three offices in Madison Township and recently received permission from the Comptroller of Currency to open two additional offices.

Motorcade Set

John Barbagelata, municipal manager, announced that the Madison Township Beautification Committee will sponsor a motorcade on Saturday, October 8. The tour will start at the Laurence Harbor Circle parking lot near the beachfront and will visit all sections of Madison. Richard Pine, a member of the Board of Education and the beautification committee, has been appointed chairman of the event.

The motorcade will officially launch an anti-litter campaign,

which is intended to alert all residents with the importance of making Madison a more attractive and a more respectable community in which to live and prosper.

Invitations to participate in the motorcade will be tendered to all organizations in Madison including civic, fraternal, veterans, educational, cultural, public safety, religious, political and youth units.

Other members of the beautification committee, in addition to Pine, are Theodore Bastedo, Police Chief Charles Boice, Health Officer Edward Godleski, Health Sanitarian James M. White and August Cornell.

Completes Course

FT. DIX. -- Army Private Wallace C. Stephens, 19, whose parents, Mr. and Mrs. Wallace G. Stephens, and wife, Carol, live at 279 Prospect Ave., Laurence Harbor, completed a light vehicle driver course at Ft. Dix, recently.

During the course, he was trained in the operation and maintenance of military vehicles up to and including the two and one-half ton truck. Instruction was also given in the operation of the internal combustion engine and chassis assembly.

Women's Club Meeting Held

The Woman's Club of Laurence Harbor opened their Club Work for the new season. In the absence of president Mrs. Joseph Deerin, the second vice president, Mrs. William Slendorn presided.

The Program Chairman Mrs. Olga Becker presented two guests at the opening meeting.

Miss Joan Nesenkar, senior at Madison Township High School, who was the Citizenship Institute delegate to Douglass College in June from the W. C. of L. H. gave an informal talk on the events of that week. Her mother Mrs. John Nesenkar assisted her with the showing of colored slides of her experiences at Douglass. Joan narrated to the enjoyment of the club members. Joan was appreciative of this opportunity.

Mrs. Elna Anabel - director of volunteer service of the New Jersey State Hospital at Marlboro, was the guest of the club. She commended the Woman's Club on their devoted service to the hospital since the Club organized. Mrs. Anabel had been on the staff for 19 years and has witnessed great progress at the State Hospital. She cited the many activities for the patients such as bus trips, picnics, flower shows, swimming, bingo, dances complete with orchestra, movies, anything available to them to give their patients community living and companionship. Much of the work is accomplished by the assistance of outside clubs and organizations who care and help. They have Vanity Fair, which is a Ladies Clothing shop on the premises and Esquire for the gentlemen. They also have a

similar place for childrens apparel. Only good clothes that are presentable, for wearing out to visits home, or pleasure trips are accepted by the hospital. This privilege of selecting their own wearing apparel is a form of therapy for the patients. The clothing units are run by the hospital auxiliary of which Mrs. Anabel is the director. Prizes are needed for weekly Bingo Games, such as: costume jewelry in good condition, tooth brushes, combs, change purses with clasp, candy, wallets.

Meeting Held

The Sabra Chapter of Hadassah met for the first time this season at Miss Andi Rosenthal's house in Keyport. Installation of our new officers and charter night were discussed and it was decided that this function will be held Sunday, October 9, at 7 o'clock.

The next meeting of the Sabras will be September 26, at Miss Roberta Hessek's house 10 Nottingham Drive, East Brunswick. All young single girls between the ages of 18 to 30 who are interested in coming to this meeting may contact either Miss Hessek in East Brunswick, Miss London in South River, Miss Balaban in Sayrewoods South or Miss Rosenthal in Keyport for further information.

This young group is trying to achieve two purposes; one to bring young single girls between the ages of 18 to 30 together with other girls their ages, and second to see how their work helps needy people get a new start in this world.

And So It Goes

Ho-hum! Ho-hum! Once again we hear from the industrial commission about a tremendous manufacturing plant about to be built in the township. Ho-hum! We remember back a few years ago when voters in Madison Township were duped in believing that a gigantic industrial center known as the Golden Circle Industrial Park was to be built in Our Town -- Well needless to say the gold has tarnished and the heavily touted Industrial Park never got off the ground -- the only thing it cost the residents of Our Township that year was an election -- what is the present proposed industrial ratable going to cost the taxpayers of Madison Township -- we understand that a road will have to be built -- we wonder just what sort of legal commitment the Industrial Commission has??? We can understand a youngster playing with building blocks but we can't see adults playing games -- We certainly hope that the Industrial Commission has latched on to something big but until we receive more definite information we can only remind the elected officials in the township and primarily We, the people "All that glitters is not gold -- for Our Town." -- Melvin M. Roessler, a former Board of Education Candidate charged that "the Board is engaged in 'psychological warfare' where the students of Madison Township are the victims -- he further charged "that to terrorize the children with prospects of half day sessions resulting in their being separated from their school chums and having no time to play at school and being burdened with twice as much homework is despicable and contemptible method of promoting school expansion" -- we are sorry to say Mr. Roessler that this is nothing new for the Board of Education remember back just a short time ago when the Board talked of cutting off all hazardous routes because the school budget was defeated? Remember when they stated they were going to cut extra athletic activities to save money because the school budget was defeated. Do you remember when the Board of Education was selling the present High School referendum? The Board of Education promised that the high school building could become a community center for Madison Township residents -- try and use it. The Board of Education continued it's budget feud with the Township Council over to the recreation committee -- who would suffer -- not the township council -- not the members of the Board of Education -- but once again the youngsters -- there is no doubt that additional classrooms are needed but the tactics being used by the Board of Education to push for the school referendum are a little smelly -- no alternate plans are ever presented by the Board of Education -- remember back just a few years when the Board of Education was pushing for Junior High Schools -- whatever happened to that plan?

UNDER THE FENCE

FEUDING AND FUSSING: Well the fight in the GOP hasn't been tamed down at all -- just some of the combatants are a little bruised but the big hate continues. The big play will come in the GOP Primary in 1967 when all three seats presently held by Republicans will come up for grabs. The big fight will be between Tierney and Dealy, they haven't been seeing eye to eye for several months and the separation appears to be getting wider. We doubt if the new Municipal Chairman can really keep the fight from getting wider.

ROAD DEPARTMENT: The Madison Township Road Department is getting ready for winter. "Tatter" Bastedo Road Department head is already stockpiling equipment and supplies guess "Tatter" feels that it's going to be a long hard winter. With several hundred miles of roads in Madison Township to keep open during the winter the job can be a tremendous one -- in the past few years the local roads in most cases were cleaner than many of the surrounding towns. Cheesequake Road is back in sad shape again -- bumps and holes galore.

POLICE DEPARTMENT: Understand that one of the police officers may soon turn in his badge. The way we get the story the fellow has been promised another job with another police department. You know sometimes it's better to switch than fight. Vandals are still playing havoc with the windows in the various schools, it can get to be a pretty costly job repairing the windows and what's more there isn't any insurance on them, speaking of insurance we wonder what company holds the policy for the school insurance?

BOARD OF EDUCATION: Well the Board of Education's transportation system is still fouled

up to say the least. We understand that the Board will soon appoint another transportation co-ordinator. We wonder if the Board of Education placed the proper advertisements in the newspapers for their proposed school referendum. You know sometimes with new help an advertisement might not get in properly or it might have been overlooked altogether -- wouldn't it be something if the referendum was approved by the voters on the first shot -- only to find that it wasn't advertised properly? Understand that someone might then be in hot water.

WATER SERVICE: Well at least the residents along Marlboro Road will have something to be thankful for, the Madison Water Company is extending water service to hit the Garden Apartments on Route 18. This will be very helpful because a lot of the wells in the area run dry during the summer and it also lowers the cost of fire insurance in the area. If the sewerage is also extended the land value in the area will also increase.

Fashion Show Set

The Woman's Club of Laurence Harbor will sponsor a Fashion Show on October 20.

Ways and Means projects to benefit the Free Public Library of Madison Township located at Laurence Harbor. A Fashion Show will be presented at Diamond Jim's Restaurant in Madison Township. (clothing will be through the courtesy of Bradless Department Store at Madison Township).

Models of the Fashion Show will be our Club women and daughters: Mrs. Donald Macrae, Mrs. Olga Becker, Mrs. James Hess, Mrs. Stanley Tabaczynski, Mrs. Robert Patterson, Mrs. Charles Hemhauser, Mrs. Richard Palmer, Mrs. Albert Bartz and children as follows: Robin Tier, Karen Larson, Barbara Holden and Gail Zahner.

The chairman of the Fashion Show are: Mrs. Bernard Fleming and Mrs. Joseph Strifolino. The public is welcome and may secure tickets through club members.

CRACK DOWN: The Building Inspector and Zoning Officer are going to crack down on illegally operated junk yards, many of the operators have been previously warned but little has been done to clean up the junk cars the fines can be pretty stiff. Many other illegal practices will also be notified that they are in violation of township ordinances. There may be a change in the Zoning Ordinance to put stronger teeth in the apartment code and several other minor changes to give the building inspector and the Board of Health additional weapons to be used in enforcing the code.

Halloween Dance Set

At the monthly meeting of the Madison Park Fire Co. Chief Danny Cofone reported 18 Fire calls for the month of August. The 18 fire calls consisted of 12 Brush fires, 1 car fire, 1 house fire, 2 garbage fires and 2 standbys.

Chief Cofone also reported that the 12 men listed have successfully completed a weekend course at the New Jersey State Fire College at Sea Girt. D. Cofone, W. Frank, R. Heuer, G. Aurora, J. Aurora, E. Marks, D. Endler, A. Felice, N. Gelalia, F. Peterlin, J. Peschel and J. Foley.

The Fire Company still needs men who are shift workers. Anyone interested can contact Chief Cofone at 721-6897 or come to the Fire House any Friday night at 9 p.m.

Chairman of the Dance Committee A. Felice has advised that tickets for the Halloween Dance are available. The dance will be held Saturday Oct. 29, Music by the Embers. Dance starts at 8 p.m. Casual dress or costume. Prizes for costumes. Spaghetti dinner and midnight snack, tickets are \$2.50 per person. Contact A. Felice for tickets at 727-0008 or any of the Firemen.

Winner of the Monthly drawing held on Sept. 17, was J. Jacobi of 3066 Cheesequake Rd. Teen Dance to be held Friday Sept. 30, at 8 p.m. Admission \$1 Music by the Zodiacs.

AN ORDINANCE TO AMEND AN ORDINANCE ENTITLED, "AN ORDINANCE ESTABLISHING A CODE REGULATING THE INSTALLATION, MAINTENANCE, REPAIR AND CONTROL OF PLUMBING AND THE CONNECTION THEREOF WITHOUT-SIDE SEWERS, CESSPOOLS OR OTHER RECEPACLES; REGULATING THE PRACTICE OF PLUMBING AND THE ISSUANCE OF LICENSES IN PRACTICE PLUMBING AND PROVIDING PENALTIES FOR VIOLATIONS THEREOF;

5.3.4 Building traps are required only on plumbing systems constructed before April 30, 1962, or when a system is changed from a septic to a public sewer. When used, they shall comply with specifications for cast-iron soil-pipe fittings, as specified in Section E-300, Table 3 and 4 and shall have a fresh air inlet on the house side of trap 1/2 the size of the building drain but not less than 4 inches in diameter.

5.5.1 A clean-out, easily accessible shall be provided at or near the foot of each vertical waste or soil stack. There shall be a clean-out with a Y-branch inside the wall near the connection between the building drain and the building sewer. Clean-outs shall also be installed to serve each change in direction of the building drain and building sewer greater than a 45° angle.

5.5.2 Clean-outs shall not be more than 50 ft. apart in horizontal drainage lines and 100 ft. on building sewer lines.

7.17.4 A washing machine trap or laundry tray shall be provided for each single family dwelling. There shall be one (1) washing machine trap or laundry tray for each 10 units in multiple family dwellings.

PUBLIC NOTICE

Take notice that the foregoing ordinance was introduced at a meeting of the Mayor and Township Council of the Township of Madison, Middlesex, New Jersey, held in Townhall, Route #9 on Sept. 19, 1966 and that the same will be further considered for final passage at a meeting of the Mayor and Council of the Township of Madison, Middlesex County, New Jersey, to be held in Townhall, Route #9, at

8 p.m. on Oct. 3, 1966, or as soon thereafter as said matter may be reached at which time all those interested will be given an opportunity to be heard concerning the same.

Township of Madison Council
Mary M. Brown, Clerk

AN ORDINANCE TO PROVIDE FOR THE REGULATION AND LICENSING OF KENNELS AND DOG SHELTERS.

BE IT ORDAINED, by the Township Council of the Township of Madison, County of Middlesex:

1. DEFINITIONS:

"Kennel" shall mean any establishment wherein or whereon the business of boarding or selling dogs or breeding dogs is carried on, except a pet shop.

2. No person, corporation, or firm shall operate or maintain a kennel within the Township of Madison, unless such person, corporation or firm shall first receive a kennel license from the Township Clerk.

3. Application for a license for a new kennel shall be made in writing to the Township Health Officer. Such application shall contain a full and detailed written description of the premises where the establishment is located or proposed to be located, and shall state the purpose for which the kennel is to be maintained or operated. The Health Officer may require the applicant to submit drawings, sketches or plans describing the premises. The Health Officer shall review and examine the application to determine whether the operation and maintenance of the kennel will comply with the state and local health legislation, regulations, and standards regarding location, construction, operation and sanitation of and at such establishments. The Health Officer shall require the applicant to make such changes as may be necessary to effect such compliance. If the Health Officer determines that the operation and maintenance of the kennel will comply with the state and local health legislation, regulations and standards, he shall then advise the Township Clerk, and upon receipt of the appropriate fee, the Clerk shall then issue the license.

4. All licenses issued for a kennel shall expire on the last day of January of each year. All applications for annual renewals of kennel licenses must be made in the month of January. The annual license

fee for a kennel and for any renewal thereof shall be Ten (\$10.00) Dollars for less than 10 dogs and Twenty-Five (\$25.00) Dollars for more than 10 dogs.

5. No kennel shall be transferred, sold or conveyed to another person, corporation or firm, nor shall any kennel be moved to another location, or its operation substantially changed, without application first being made to the Health Officer for his approval. If the Health Officer determines that compliance with state and local health legislation, regulations and standards will be maintained, he shall approve such transfer, sale, conveyance, move or change.

6. No person owning, keeping or harboring any dog or dogs shall permit the same to habitually bark or cry so as to annoy any neighbor or other resident.

7. The operation and maintenance of all kennels shall be conducted in accordance with the rules and regulations promulgated by the State Department of Health pursuant to N.J.S.A. 4:19-15.14.

8. All premises upon which kennels are operated shall be maintained free of any accumulation of filth or source of foulness including but not limited to the infestation of rodents, flies, fleas, parasites, or other insects, which may be hazardous to the health or comfort of any of the residents of Madison Township.

9. All kennels shall have in constant attendance, a person or persons to maintain the premises. However, in the event that the kennel accommodates less than ten animals, there shall be daily inspections by the owner or persons maintaining the kennel.

10. There shall be a regular inspection of the premises at least once every three months by a Township Health Official. The records concerning the operation of the kennel shall be available for the inspection of said Health Official. The records shall show the type of dogs, the ages of dogs, whether they are registered with the American Kennel Club, and whether the said dogs are for sale or for breeding purposes. The Health official may require that the records kept provide additional information which he deems necessary.

11. Waste matters, excrement and other unsightly or dangerous articles shall be cleaned away each day. They shall not be burned on the premises nor shall they be buried thereon. At least once a week, the kennels shall be washed down with a recognized disinfectant.

12. All kennels shall consist of one

or a number of shelters to house the dogs. Adjoining each shelter shall be a fenced-in area known as a "run" upon which the dogs can exercise. The runs shall be generally rectangular in shape and fenced on three sides. The fourth side shall lead into the shelter. An exercise area exclusive of the shelter and run area may be provided.

13 a. All dogs shall be confined to their shelter and run area except when they are using the exercise area. They shall not be permitted to wander elsewhere on the owner's property or onto the property of neighbors or adjoining landowners.

13 b. No shelter and run area or exercise area shall be established less than ten feet from any property line.

13 c. If a shelter contains dogs classified as small or toy breed, in accordance with American Kennel Club specifications, the size of the adjoining run shall be no less than three feet by eight feet and there shall be no more than seven dogs housed therein. The fence enclosing the run shall be four feet high and shall be of chain link type or of heavy galvanized welded mesh.

13 d. If a shelter contains dogs classified as medium or large in accordance with American Kennel Club specifications, the size of the adjoining run shall be no less than four feet by ten feet, and there shall be no more than three dogs housed therein. The fence enclosing the run shall be six feet high and shall be of chain link type or of heavy galvanized welded mesh.

13 e. Mongrels will be classified as either small, toy, medium or large according to their shoulder height.

13 f. Fencing for exercise area shall be of such height and strength as to provide for the largest dog accommodated, in accordance with the specifications set forth above.

13 g. At any one time, the use of the exercise area shall be limited to the occupants of one run so that there shall not be overcrowding in said exercise area.

13 h. All fences required by this ordinance shall closely follow the contour of the ground so that it will not be possible for dogs to crawl under a fence.

13 i. The surface of the runs shall be composed of cement or macadam of sufficient thickness so it shall not crack. Surrounding the run, there shall be a one-foot border of crushed stone at least six inches deep, provided the soil underneath is permeable. If the soil is not permeable, the 12" border shall consist

of a six inch depth of sand beneath six inches of crushed stone. As an alternative to a hard surface run as described above, if the ground underneath is permeable, the run may consist of a layer of crushed stone one inch deep.

14. In the event his ordinance or any provision thereof is violated, the license of the owner or operator of the kennel shall be suspended subject to the licensee's requesting a hearing on the question of whether there shall be a revocation of the license. In the event no formal request for the hearing is received by the health authorities within two weeks after notice of suspension, the license may then be revoked.

15. In addition to the remedy set forth in the previous paragraph, for a violation of this ordinance, a complaint may be made by the Health Officer in the local Municipal Court. Upon conviction for violation of this ordinance, a penalty not less than Five Dollars nor to exceed one Hundred Dollars may be imposed. Each day which a violation continues or has continued shall be deemed to be a separate offense. After the first conviction, for violation of this ordinance, any subsequent conviction shall result in a penalty of not less than Fifty (\$50.00) Dollars per day nor more than One Hundred (\$100.00) Dollars for each day during which the violation continues or has continued.

16. All ordinances or parts thereof inconsistent with the provisions of this ordinance are hereby repealed to the extent of such inconsistency only.

17. All kennels properly and legally in operation in the Township on the effective date of this ordinance shall comply with its provisions no later than three months thereafter.

18. If any section, paragraph, sentence, clause, portion or provision of this ordinance shall be adjudged invalid, such adjudication shall apply only to the section, paragraph, sentence, clause, portion or provision so adjudged, and the remainder of the ordinance shall be deemed valid and effective and not affected by such adjudication.

19. This ordinance shall take effect immediately upon publication thereof after final passage and approval according to law.

PUBLIC NOTICE

Take notice that the foregoing ordinance was introduced at a meeting of the Mayor and Township Council of the Township of Madison, Middlesex County, New Jersey, to be held in Townhall, Route #9, at

Take Five

"He has showed you, O man, what is good; and what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God." Micah 6:8.

A few years ago, in a discerning article entitled "The Age of Payola" William Atwood wrote in a National magazine that "America's changing code of ethics includes the freedom to chisel," and that for many people, "... anything that guarantees success - if you don't stretch the law too much - is all right. . . ." This is a strong indictment of us. Yet if we are honest, we will have to admit that in many cases it is true. There are people all around us who have allowed themselves to drift into a position where success, and this is usually success in materialistic terms, is the most important thing in life. I say they drift into this position because it often is due to their failing to take time and think seriously as to what their life goals ought be and what will really make them happy. Instead of thinking for themselves, they take on the life philosophies of the people around them.

Amateur Boxing

Amateur Boxing will take it's bow at the St. Thomas Auditorium on Highway 18, Old Bridge.

The affair is set for Saturday, October 8 at 8 p.m. and will feature many of the top ranking amateur boxers in New Jersey.

Admission to the affair is \$2 per person for adults, children at half price.

COIN SHOW

The Madison Township Stamp and Coin Club will hold their annual Stamp and Coin Show at the Cheesequake Firehall on Rt. 34, the affair will take place on Sunday, October 16, from 10 a.m. until 10 p.m.

Displays, exhibits will be on exhibition during the day, various door prizes will be awarded. There is no admission to the Stamp and Coin Show.

The show is under the direction of Jules Celeski, 374 Thomas Street, Perth Amboy, for further information call 826-7826.
