Over The Roof Tops Dear Santa Claus:

Just a few lines to ask for a few things for some of the officials in Our Town. Chief Charles Boice would like to have a few more policemen, maybe ten and a few promotions, maybe ten to keep the Police Department Happy,

John Allgair, Township Engineer could use a couple of more men so that the Tax Map may be completed sometime before he get to be an old man.

George Fiore, Township Tax Assessor would like a new swivel chair, a little wider seat because he's been on a Weight Watchers, diet, we thing George must be cheating -- just a little, cause he doesn't seem to be loosing any 901.55 weight at all.

Leon Arrowsmith, Assistant Building Inspector, would like to have a new joke book, souse some of the jokes he tells are going around the second and third time.

Santa, Madison Township teachers would like to have a new Superintendent of Schools, the way we get the story Santa, "Go-Go" is acting like a real Mr. Scrooge. The teachers will soon go on strike. Understand that he held a real hum-dinger of a Christmas Par-

Santa, could you put in a good word for Patrolman Boyd Nash he'd like to get promoted sometime before he retires, he's been promised and by-passed--promised and by-passed so many times he's starting to think that somebody up-stairs doesn't like him.

Vincent Foy of the Industrial Commission ser.os would like to see some industry in the township---we'd like to see Mr. Fox resign from 177.40 the commission. Mr. Fox may be a candidate 106,75 for G.O.P. Municipal Chairman for 1968, he's going to need a lot of help to make the grade.

Santa we wonder how Robert McMahon, 738,81 Plumbing Inspector would look without a mous-106.79 tache, understand that he might try once again 106.79 to grow a beard, on you Santa it looks becom-619.72 ing--anybody for Ping-Pong.

"Tatter" Bastedo Road Superintendent would milike to have a road grader operator and less 738.81 snow this year so he doesn't over expend the 805.34 snow removal account.

Thanks a lot

"And they came with haste, and found Mary and Joseph, and the babe lying in a manger." Luke

It is one of those amazingly wonderful things about Christmas that Jesus Christ was born in a barn. The King of life was welcomed into the world in a stable. His mother and step-father were peasants. His courtiers were shepherds, and his attendents oxen and sheep. All this was done of course for a reason. It was to show us that God doesn't despise the poorest surroundings or the lowliest people. There is absolutely no place or person beyond the loving reach of the Heavenly Father. Miracles of grace can occur anywhere. They can even occur in us. I know this is hard to believe. But if no one is beyond God's touch, this has to include you and I. We may be as drab as that manger or as unlettered as the shepherds. Our hearts may be shabby and our spirits dull, but as the presence of Christ made that stable into a castle, the power of God can make our poor beginnings into a magnificent temple. There is no situation or individual so dark and dirty that Christ can't make

that it can be hardly called a miracle anymore. The truth is, we should expect that God through Christ will change us.
