### SALE OF POPPIES IN HARBOR TO START MONDAY

Monday morning, May 24th at 9 a.m. volunteer members of American Legion Auxiliary Unit 332, Laurence Harbor, the Junior group and members of the local Post will start to sell poppies.

It is hoped that all citizens of the community will start the day with buying a Poppy. The Poppies are made by Disabled Veterans who are paid for their work by the Auxiliary's.

We should always keep in mind the more akwardly the poppy is made the more cherished it is. For in all probability it was fashioned by a badly Disabled Veteran, which should give us all food for thought.

In 1953 in Madison Township the sales were successful but we do hope that in 1954 everyone will give just a little more. According to Mrs. John Ochsner the Unit Child Welfare chairman "We of the American Legion Auxiliary believe that no child should be denied a fair start in life because of a father's sacrifice for his CREATE SEWAGE country. Mrs. Ochsner and Mrs. Carver rehabilitation chairman do a great deal of work AREA TOWNSHIP towards promoting this program. These women are assisted by members, as they are responsible for these chairmanships this year. Mr. Andrew Carver, Post Service Officer is in charge of this work for the local Post. These members are assisted in their work also by the President and Commander. All which no objections were raised. of this group are trying to do a good job but it does take money to carry on their work.

The main way of receiving this revenue comes from the sale of Poppies. This is why we are presenting this plea to the people of our community to try and give just a little more this year so that you can feel that you have helped in some way to aid a disabled veteran or the family of a war hero.

Mrs. Walter Baker a Gold Star Mother is chairman with Mrs. Harry Atkins serving as co-chairman for the Auxiliary. Rollin Rathbun and Andrew Carver are chairman and co-chairman for the Post. We do hope that the residents of this community will try and give 100% cooperation when civic groups for sewer facilities. they are approached to give a donation for a poppy.

#### RUTGERS FIELD DAY SUCCESS DESPITE WEATHER

Rain held down attendance, but failed to take the fun out of College of Agriculture students' Field Day at Rutgers, recently.

Exhibits were safe from showers in some of the buildings and a large tent, but the cavalcade of floats passed by a crowd of 800 in the midst of a downpour. The crowning of the queen, Miss Ruth Urie of Bloomfield, and a brief program took place in the Administration Building.

The cavalcade of floats paid tribute to the Extension Service, celebrating its 40th year. In commenting on the anniversary in his welcome to guests, Dr. Lewis Webster Jones, president of Rutgers, said that the "Extension Service has had an influence greater than any other single agency to upgrade the standard of living of the people of the United States."

Dr. William H. Martin, dean of the College of Agriculture and director for the Experiment Sta-Booster solutions for leafy tion, stated that research actually pays off more to the consumer of the Extension Service, declared that the success of the Extension program is a tribute to volunteer leaders who work with adults and

> The Poultry Science Club won a trophy for its exhibit of mechanized egg farming and the Dairy Science Club was first in the float competition.

> Most of the contests, including log rolling by pre-forestry students in the campus pond, were held during showers.

## Planned Interruption of Service

SUNDAY, MAY 23 - between 5:30 a.m. and 10:30 a.m.

Electric service to customers in these areas will be temporarily interrupted to expand facilities required by their increasing needs. Voltage on two circuits serving these customers will be raised from 2400 to 4160 volts.

The scheduled hours were chosen to provide the least inconvenience to the majority of customers and the maximum safety for the crews.

Cards will be mailed notifying all customers whose service will be affected by the expansion project.

In the event of unfavorable weather, the work will be done during the same hours two weeks later on Sunday, June 6.

#### SENTENCE WOMAN IN HOLMDEL SLAYING OTHER TERMS SET

County Judge John C. Giordano sentenced Mrs. Dorothy Estelle Wilson, New Shrewsbury, to 6-10 years in the Women's Reformatory at Clinton in the shotgun slaying of Lonnie Patterson, 60, in Holmdel, last Jan. 22.

Defense Attorney Edward W. Wise, Jr., said he was uncertain whether he did right in advising Mrs. Wilson to plead no defense on the reduced charge of manslaughter. He said she had never been in previous trouble and was separated from her soldier husband 6:30 p.m., Youth Fellowship. when the incident occurred. The May 25, 26, and 27, the Mother's lawyer said her husband was overseas and Mrs. Wilson was not accepting an allotment from him.

Mr. Patterson gave Mrs. Wilson Wednesday, May 26, 8 p.m., Tia- the gun for protection when she was alone at their cabin in the woods, the lawyer said. He said the slaying occurred when Mr. Patterson was apparently about to assault Mrs. Wilson. He declared Mr. Patterson continually "boasted" of killing a woman-for which he served time-and on the night of the shooting was bragging that
