LEGION AUXILIARY IN AREA HOLDS RECENT MEETING

Four new members were welcomed by the Ladies Auxiliary of Laurence Harbor Post 332, American Legion which met in the Post home. The two who will join the senior group are Mrs. Elizabeth Pope and Mrs. Agnes Rowley and the two in the junior group are LaRue Pope and Annette Pope.

Final plans were made for the installation which will be held at the Beach Casino, Sept. 18. Mrs. Arlene Carver, installation chairman, requests that all members of the auxiliary wear white with their auxiliary hats so that they may participate in the installation ceremonies of the newly elected officers who will be installed by Middlesex County officers. Members making covered dishes are asked to bring them in early that evening.

Mrs. Marge Ochsner reported that used clothing has been distributed to needy families in the community and members also had given clothing to the Cerebral Palsy Drive.

Mrs. Rose Atkins was named chairman of a cake sale to be held Oct. 20. Members will be contacted for donations.

Mrs. Arlene Carver announced that the auxiliary is selling Christmas cards for the general fund. Members were reminded that other items including everyday cards are still being sold for the benefit of the Philippine girl who is armless and is due to be fitted for a set of limbs. This is part of the state American Legion project.

MATAWAN MAN PLEADS GUILTY TO FRAUD CHARGE

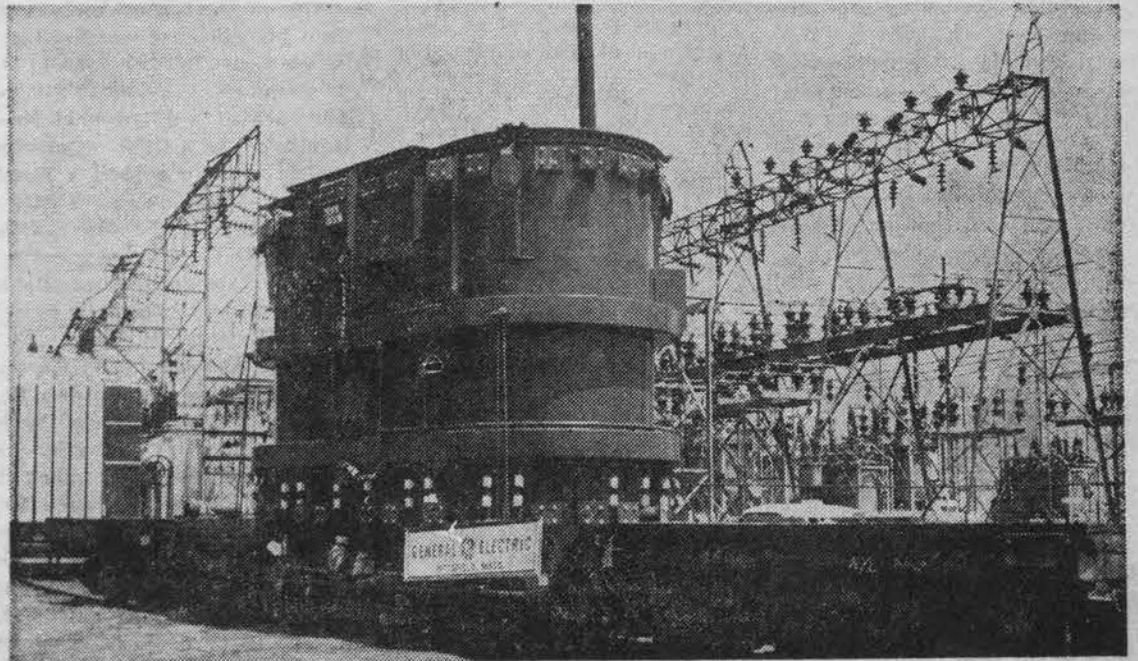

Anthony H. Blanken, Jr., Matawan, plant manager of the Excell Tool and Dye Co., Inc., of Garwood, has entered a plea of guilty along with two other plant officials to a charge of defrauding the government of \$34,289.

The trio, as well as the company, were indicted by a federal grand jury on charges of conspiracy to defraud and of defrauding the government. U. S. Attorney J. Julius Levy, who disclosed the figure was over the \$34,000 mark, said they padded a payroll with men and women who turned out to be domestic servants and relatives. The crimes came to light, Levy said, when the defendants were discovered filing false costs on a subcontract they had with the Daystrom Co., Archbald, Pa.

KEYPORT MAN IN FATAL ACCIDENT

Willis Rosseter, Jr., 39 of 25 Waverly street, Keyport, has been released in \$1,000 bond on a technical charge of causing death with an automobile after the tractor-trailer he was operating figured in the state's first Labor Day fatality early Friday morning.

Rosseter's rig struck a disabled car at the Green street traffic circle in Woodbridge killing Mrs. Mattie Hobbs, 16 of Amhurst avenue, East Orange.

KING-SIZE TRANSFORMER

The largest self-cooled power transformer ever built by General Electric Company is pictured here as it arrived at the Jersey Central Power & Light Company's Raritan River Station at Sayreville from GE's power transformer plant at Pittsfield, Mass. The huge unit, which weighs 392,000 pounds fully assembled, will be installed in the plant's 115,000-volt substation and will be used to step up 18,000 volts generated by the plant to 115,000 volts for transmission to customers. A \$25 million addition to the plant now under construction and scheduled for completion early next year will generate the 18,000 volts. The transformer, which has the electrical capacity to serve more than 32,000 electric ranges at one time or to serve 300,000 persons, was drained of its cooling liquid and stripped of radiators, fans and other accessories for shipment on the drop-frame flat car especially designed for transformer shipment.

DAIRY EXECUTIVE COURSE PLANNED AT RUTGERS

Rutgers University will offer for the first time this fall a new and unique four-year course intended to provide training for students who will become executives and leaders in the dairy industry.

Final arrangements for "Dairy Administration" were completed only recently, too late for the course to be mentioned in the current University catalogue. Dr. Samuel A. Lear, associate professor of Dairy Industry at the College of Agriculture, has sent letters to as many prospective students as he can reach, calling attention to the course.

He explains that the course has been designed to supply graduates with training in business methods and with a background in liberal arts in addition to a knowledge of dairy technology. According to Dr. Lear, graduates will be ready to fill positions such as teacher, research worker, laboratory technician, dairy products processor, quality control supervisor, dairy plant manager, and salesman in the dairy industry and allied fields.

It's a course, says Dr. Lear, that is expected to appeal to graduates of urban high schools as well as to farm boys who are familiar with milk production.

Slight Storm Damage

Only slight damage was caused last night by the severe electrical storm which struck the Bayshore area. Police in Union Beach, Keansburg, and Keyport reported several wires felled at the height of the disturbance.

POLICE FIND CAR BEFORE OWNER REPORTS IT MISSING

Matawan and New Brunswick police collaborated to find a car stolen Wednesday before the owner knew it was missing.

According to police, Lawrence Johnson, Aberdeen Rd., drove off in a car which was parked on Main St., in front of the home of Vincent J. Kunz, 295 Main St., the owner.

Highland Park police picked Johnson up when, after going thru a stop sign, he failed to produce the car's registration.

Highland Park police then notified Matawan police. When Mr. Kunz walked into the station to report his car missing, the police told him what had happened.

Police Chief John Flood said that Johnson had been on probation from the Jamesburg Home for Boys, and that he was sent back there.

TOWNSHIP COPS PROBE INCIDENT

Matawan Township police have investigated an accident in which a car struck the township police car after forcing another policeman, in a private car, off the road.

The accident occurred on Lower Main St., according to police reports. A car driven by James Mc Keoun, 30 Broadway, Keyport, crossed to the wrong side of the road at a curve and forced Matawan Borough Patrolman Robert Mc Gowan's car off the road, police said.

Patrolman Ralph E. Wallace, of Matawan Township, driving the patrol car behind Mc Gowan's car, was unable to avoid Mc Keoun's car and the autos collided. Both vehicles were damaged but no one was hurt.

Police said no charges have been made.

Mr. Mc Keoun said, police reported, that there were no lights on the road and that there was no center line marking to indicate the curve, causing him to become confused as to the course of the roadway.

NJC GALS ATOMIC MINDED

New Jersey College for Women students show an increasing interest in the science of physics and atomic structure, reports Dr. Wilfrid J. Jackson, chairman of the NJC Physics Department who here demonstrates a simple wind machine model used to teach a principle of mechanics to his science-minded students. Fifteen per cent of NJC students are enrolled in one or more of the college's 14 physics courses.

STATE TROOPER EXAMINATIONS SCHEDULE SET

Announcement has been made by Colonel Russell A. Snook, Superintendent of the New Jersey State Police, that the next written examination for entrance into the State Police Academy for area men has been scheduled for Sept. 24 at 7:30 P.M., at the Senior High School, Red Bank.

Any man between the ages of 22 and 35 as of Jan. 9, 1955, is eligible to take the test without making a formal application. Those passing the written test will appear for medical and physical examinations at a later date. All applicants must be at least 5'8" and not more than 6'4" without shoes.

The men who pass all phases of the examination with the highest marks will be selected for a 16-weeks' course at the State Police Academy. While in training the men receive \$200 per month, plus food and lodging. Following graduation they will be advanced to \$305 per month, plus maintenance. Maximum pay of a Trooper at the end of five years service is \$4,560 annually, plus subsistence. Full details regarding the examination may be obtained at any State Police Station.

FIRE COLLEGE PLANS TRAINING WEEKEND COURSE

The New Jersey State Fire College, a division of the New Jersey State Safety Council, is planning an extended weekend program of outdoor training in fire fighting techniques to be held at the National Guard Training Center at Sea Girt, on Oct. 22-23-24. Arrangements for the Training Center facilities for the 1954 Fire College were made by Newark's Deputy Fire Chief, John P. Weeks, president of the New Jersey State Fire College with Lt. Col. Francis Ziegler, Commanding Officer of the Center.

This year's program, the first to be held since 1952, will consist entirely of outdoor training sessions covering eight phases of fire fighting.

The sessions will be open to paid and volunteer firemen and members of plant brigades. The Training Center facilities at Sea Girt will provide room for instructing close to 500 men on methods of extinguishment and other phases of fire fighting with actual field demonstrations. Reservations for the scheduled program will be received at the New Jersey State Fire College, 24 Branford Pl., Newark. Registration for the courses will start at 6 P.M. on Friday, Oct. 22,

and all registrants will be billeted at Sea Girt until the conclusion of the program at noon on the following Sunday.

HIGH BAIL SET FOR PAIR INVOLVED IN MATAWAN FRAY

One of the highest bails ever set in a juvenile case was fixed as Juvenile Court Referee John L. Montgomery, Sr., set bail at \$10,000 in the case of a 17-year-old Newark youth, one of a three-member gang which recently robbed a Freehold service station owned of \$453 and struck him in the face with a blackjack.

Two of the gang, James Baldwin, defendant in the juvenile case, and Fred (Buster) Williams, 22, of Raritan Ave., Matawan Township, a parolee from Bordentown Reformatory were apprehended by Matawan police after a lengthy search in which Williams was shot three times by Police Capt. John Melna, and Baldwin was arrested by police led by Chief John J. Flood, Matawan, while trying to get away at Main St. and Railroad Plaza.

A third member of the gang, Jordan Dillard, 30, of Perth Amboy, was able to escape. A statewide alarm has been issued for his arrest.

Victim of the incident was Charles Slattery, 44, Park Ave., Freehold Township, who had just

closed his service station at Monmouth Ave. and Throckmorton St., and was on his way home when the car bearing the three men forced the Slattery car to the side of the road when they took the money and struck him.

Baldwin refused to enter a plea when arraigned before Montgomery, stating that he wanted to speak to a lawyer. The referee then postponed the hearing until Sept. 14 and set the high bail.

More than 4½ million Americans, age 65 or over, are now receiving old-age payments under social security. They make up more than a third of all elderly people in the United States.

KEYPORT YOUTH CHARGED BY NEW YORK AUTHORITIES

Roy Bryant, 16, of 103 Therese Ave., Keyport, has been arraigned in New York's Felony Court on a larceny charge.

He and a juvenile were accused of stealing a car in New York last week. According to Patrolman Walter Wilson, the arresting officer, both boys admitted stealing the car, which is owned by a Flushing, N. Y., man.

Bryant, who has never been in trouble with the law before, was held in \$500 bail by Magistrate Hyman Korn.

EXPERT LANDSCAPING SERVICE AND PLANNING BY RARITAN LANDSCAPING

The need for the landscape expert today is overwhelming. With our modern expansion program, beautiful homes, buildings and developments, both residential and industrial, are springing up everywhere in this and surrounding areas. If these are to make their most effective contribution to the community, they must be set off by attractive grounds and surroundings, such as can be planned and achieved only by the trained and experienced landscape artist.

The Raritan Landscaping, with attractive showrooms located on Highway No. 35 in South Amboy, New Jersey, phone South Amboy 1-0208 and on Maple Drive in Hazlet, phone Keyport 7-0432, under the capable direction of its proprietor, Michael Artelli, has been serving an unusually large area most commendably for more than fifteen years now. Beautifying homes, parks, grounds, and changing them from uninteresting barren plots to triumphs of artistry in form, color and composition, thru the medium of landscaping is work which Mr. Artelli loves, and the true enjoyment of his work reflects itself clearly in the uniform success of his efforts. Success and progress usually result in expansion, and it was this combination which necessitated the new, modern building and showroom of The Raritan Landscaping on Highway 35 in South Amboy which was completed on March 1, 1953. Extending the scope of the territory served is one of the functions accomplished by this new location, while at the same time more efficient service is provided locally to those already acquainted with the firm.

A visit to the Raritan Landscaping showroom on Highway 35 will prove a valuable and interesting experience, for here one will find all those items so necessary for the upkeep of home grounds and garden, together with all types of seeds, tools, equipment and other requisites too numerous to mention.

All his life Mr. Artelli has been experimenting with nature and plant life, and today is a veritable mine of information and knowledge of the many sciences of keeping trees, shrubs, flowers, grass

and other growing plants in their most vigorous beauty. Soil conditioning, expert tree rejuvenating, shrub energizing, and the skilled use of fill dirt, top soils, gravel, bluestone, firefood, manure, fertilizers and sprays to feed the earth so it will produce beauty and hardiness in the plants used in creating appealing and satisfying landscapes, are all a part of the expert service provided by Mr. Artelli. Advice freely given to individuals, factories, real estate firms, organizations and institutions, together with painstaking hard work and planning, is the combination which has earned for the Raritan Landscaping the enviable position it enjoys today. Mr. Artelli is well qualified to discuss any phase of planning and is always genuinely desirous of pleasing the customer. He will gravel to final planting.

Landscaping is not accomplished plan the entire procedure from overnight. Next year's program should be started now to insure satisfactory soil conditioning, fertilizing and production of beautiful and lasting plant growth. We suggest a visit to the Raritan Landscaping showroom on Highway 35 in South Amboy, or a phone call to Keyport 7-0432 or South Amboy 1-0208, for full information and advice.

ZILINSKI'S POULTRY FARM PROVIDES FRESHEST PRODUCE

Good food today is man's greatest asset, and our present day high standard of living is only the result of our high quality food. One of the firms in this area that is growing steadily in its usefulness and its quality products is Zilinski's Poultry Farm, which is located on R.F.D. No. 1, Box 310 in Keyport, New Jersey, phone Keyport 7-1419J. Mr. Zilinski, the proprietor is well known throughout this area, having lived here and served it for years. He now specializes in high quality Eggs, Broilers, Fryers, and Roasters, featuring chickens oven ready fresh frozen, which are rapidly gaining an enviable reputation among his customers.

Zilinski's Poultry Farm is efficiently operated by Mr. Zilinski, his mother-in-law, father-in-law, and his own four young sons. Live or dressed poultry, both wholesale and retail, are delivered by the father-in-law on an established route in Keyport, Union Beach and Keansburg, while Mr. Zilinski services a route in Cliffwood, Cliffwood Beach, Laurence Harbor, Morgan and South Amboy. Offering only the best, but always at reasonable prices, is Mr. Zilinski's policy, for he knows that it is the small profit from a large volume of business, rather than any single profit, which makes for good business and for future solid growth.

Poultry and fresh eggs are a necessity in the diet of our nation, but success in this line of work does not come easily. Monmouth County and surrounding sections are indeed fortunate to have in their midst a concern such as Zilinski's Poultry Farm, who will continue to grow with this area because of their intimate knowledge of its needs and the desire to supply such needs with only superior products. Starting on a modest basis, it has taken Mr. Zilinski years of painstaking effort to gradually build up a flock which is sound in every respect. Only after succeeding generations have been watched, culled and carefully bred for quality are the finest chickens and poultry products obtainable. Today, with a new building 22' by 100' to insure adequate, modern housing, Mr.

R. G. THIXTON, INC., AREA CHEVROLET AND OLDSMOBILE DEALER FOR 30 YEARS

Thirty years in business is a long time, and almost a third of a century of service is a good indication of the type of firm, the quality of products, and the customer satisfaction rendered the public. Such is the record of R. G. Thixton Inc., authorized dealers for Chevrolet & Oldsmobile Sales and Service. Well located at 110 Main street, Matawan, New Jersey, phone Matawan 1-1040, they have for more than thirty years been serving a huge area with Chevrolet and Oldsmobile sales and service, providing cars, trucks, factory parts and a service which leaves nothing to be desired. Chevrolet and Oldsmobile represents a combination of the best on the market today in automobile development and progress. Discriminating and informed buyers will instinctively pay high tribute to the beauty of design, the precision of manufacture, and most of all to the outstanding competitive performance of these two beautiful cars.

R. G. Thixton, Inc., Chevrolet and Oldsmobile Sales and Service is composed of men of wide experience. In their thirty years in business they have gained a knowledge in the automobile field which can be attained only by serving faithfully year after year, and making repeat customers as well as old friends. All the em-

Zilinski's healthy, productive and vigorous flock is fed only Purina feed, the highest quality obtainable, to insure healthful, tasty meat and eggs that result in his customers' returning again and again.

Careful long-range planning and lots of hard work have combined to make the present Zilinski Poultry Farm. As a result their host of friends and customers, we have no doubt, will continue to increase steadily. This organization's capacity is unlimited, being guided only by the orders placed upon it. We wish to congratulate Zilinski's Poultry Farm for their progress and high standards, and suggest to our readers when in need of quality products in Eggs, Broilers, Fryers, Roasters, to either visit the Zilinski's Poultry Farm, or phone Keyport 7-1419J for real service.

ployees and personnel have as a result a comprehensive knowledge and their progressive activities have been essential in the building of a modern and metropolitan car service.

With a showroom as fine as any in this area, and a repair and service department not to be surpassed anywhere, R. G. Thixton, Inc., has spacious accommodations for any type job. When one leaves a car with this firm, he may rest assured that it will be in the hands of experts who know every phase of the work of repairing and servicing Chevrolet and Oldsmobile cars. Those who purchase new or used cars may also rest assured that the strict policies and hard-won reputation of the firm back every sale or repair job. This is an important factor in any purchase made, but becomes of major consequence when investing such a large sum of money as is required to secure a top quality car today. And it naturally follows that it is only sound business thinking to protect such a sizeable investment by providing the best maintenance and repair service that can be found. Meeting all these requirements with integrity and consistency has built their present reputation for R. G. Thixton, Inc., and will perpetuate it in the future.

Solidly established thru years of repetitive business, with products to offer that cannot be surpassed, it is indicative of the spirit of this firm that they are proud of their service. Always ready to serve the community, regardless of the capacity, R. G. Thixton, Inc., 110 Main street, in Matawan, New Jersey, is the type of firm which is a credit to its area, for its contribution to general growth and stability is incalculable.

Plan For Feed

With prospective feed supplies for this winter at a critical level because of the drouth, New Jersey dairymen are looking for crops to plant now for late fall pasture.

John E. Baylor of the Rutgers University Farm Crops Department says that it's too late now to gamble on summer annual crops such as sorghum or sudan and soybeans. But Balbo rye can and should be used by every New Jersey dairyman who is short of feed.

Phylliss Schoellner Is Recent Church Bride

Miss Phylliss R. Schoellner, daughter of Fred Schoellner, Wilson avenue, Port Monmouth and the late Mrs. Schoellner, became the bride of George Humphries, son of Archie Humphries, Keyport and Mrs. George Lawrence, Nixon, Saturday afternoon at two o'clock in Calvary Methodist Church, Keyport.

The Rev. Hillman Williams, S.T.D., performed the ceremony. Miss Rose Pingatore was soloist and Miss Helen Vanderbilt was at the organ.

Given in marriage by her father, the bride wore an egg-shell satin street-length dress made with a round neckline, cap sleeves, and full skirt. Her pink feathered hat was attached to a short veil and she had pink accessories. She carried a white Bible with an orchid and stephanotis.

Mrs. George Dunn, Bloomsburg, Pa., was matron of honor. She wore a powder blue taffeta dress and velvet hat and carried a bouquet of white mums.

Fred Humphries, uncle of the

bridegroom, West Keansburg, was best man.

A reception for the immediate families was held at the home of the bride's aunt and uncle, Mr. and Mrs. Kenneth Luker, Orchard Acres, Middletown.

For travelling to New Hampshire, the bride wore a brown suit with beige accessories. The couple will reside on Wilson avenue, Port Monmouth, upon their return.

The bride attended Middletown Township High School and is employed at the Town and Country Restaurant, Port Monmouth.

Mr. Humphries was graduated from Keyport High School. He is with the Broad Street Cleaners, Keyport.

Matawan Woman Weds Here Recently

Miss Margaret Warwick, daughter of Mr. and Mrs. Winfield Warwick, Washington avenue, Matawan, became the bride of John F. Rodzinka, son of Mr. and Mrs. Matthew Rodzinka, Perth Amboy, Saturday afternoon at three o'clock in St. Joseph's R. C. Church, Keyport.

The Rev. Cornelius Kane, pastor, officiated at the double ring ceremony before an altar decorated with white flowers and palms. Mrs. Michael Cox, soloist, was accompanied by Miss Loretta Durante at the organ.

Given in marriage by her father, the bride wore a full length gown made with a lace bodice and a skirt of nylon tulle which had an apron effect. Her finger-tip length veil of French illusion fell from a tiara of lace and seed pearls. She carried a cascade bouquet of white roses and stephanotis.

Mrs. Edward Ziegler, Cliffwood, was her sister's matron of honor. Bridal attendants were Mrs. Earl Richard Williams, Cheesequake, and Miss Ruth Smith, Matawan, cousin of the bride. They all wore turquoise organza waltz length gowns, and fresh floral headpieces. They carried cascade bouquets of yellow roses.

Miss Nancy Rodzinka, Fords,

niece of the bridegroom was the flower girl. Her floor length gown was of yellow taffeta. She wore a matching bonnet and carried a basket of yellow roses and green stephanotis.

Theodore Rodzinka, Fords, the bridegroom's brother-in-law, was the best man and ushers were Carl Leonhard and Alex Guba, both of Fords.

For their wedding trip to the Poconos, the bride selected a charcoal gray suit with white hat and white accessories.

The mother of the bride wore a navy blue afternoon gown with

white hat, white accessories and a corsage of white roses.

For her son's wedding, Mrs. Rodzinka chose a navy blue and pink afternoon gown with pink hat and a corsage of pink roses.

A reception followed at Pulaski Hall, Perth Amboy.

Mrs. Rodzinka was graduated from Matawan High School and is employed at the Farmers and Merchants National Bank.

The bridegroom was graduated from Perth Amboy High School

Church Services, 11 a.m.

Wednesday, 8 p.m.

Reading Room, Wednesday afternoon, 2-4 p.m.

The practical value of under-

standing God as the source of all true substance will be stressed at Christian Science Services Sunday in the lesson-sermon entitled "Substance."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following passage will be among those read: "As God is substance and man is the divine image and likeness, man should wish for, and in reality has, only the substance of good, the substance of Spirit, not matter." (301:17-20).

From the King James Version of the Bible will be read the following passages from Psalms (37:3-5): "Trust in the Lord, and do good; so shalt thou dwell in the land, and verily thou shalt be fed. Delight thyself also in the Lord; and he shall give thee the desires of thine heart. Commit thy way unto the Lord; trust also in him; and he shall bring it to pass."

The Golden Text is from Proverbs (21:20): "There is treasure to be desired and oil in the dwelling of the wise."

Matawan Woman Is Recent Bride Here

Miss Angelina LiPera, daughter of Mr. and Mrs. Charles LiPera of 19 Johnson Ave., Matawan, became the bride of John J. Gruszka, son of Mr. and Mrs. John Gruszka of 3935 Alfred St., Philadelphia, Sunday afternoon at 4 o'clock in St. Joseph's R. C. Church, Keyport. The Rev. Cornelius Kane officiated at the double-ring ceremony.

Given in marriage by her father, the bride wore a floor-length gown of Chantilly lace over satin. The form-fitting bodice was styled with a scalloped portrait neckline with long sleeves pointed at the wrist. The skirt was made with two tiers of nylon tulle, apron effect in the front and draped into a large point at the back. Her elbow-length veil of French illusion fell from a large white disc covered with lace, nylon tulle and pearls. She carried a white prayer book adorned with a white orchid and stephanotis.

Miss Purina Durante of Keyport, was the maid of honor. The bridesmaids were Miss Rosemary Csepke of Carteret and Mrs. Eva Headden of Matawan, sister of the bride.

MATAWAN TEAM GAINS REGIONAL PLAYOFF FINALS

The Matawan team, newly crowned New Jersey State Softball champs advanced to the second round of the Mid-Atlantic Regionals of the Amateur Softball Association tourney by blanking Empire of Newark 1-0 behind a no-hitter thrown by Matty Tomalavage.

Only one man reached first base as Tomalavage posted the gem at the Jersey City High School Stadium, site of all tournament contests. That runner reached the initial sack via a walk in the first inning—and he was last of the losers to do so as the Matawan hurler retired the next 20 hitters in a row in the seven inning fray.

The great effectiveness of Tomalavage's performance is shown in his control in which he fanned 14 of the losers and allowed but one ball to be hit to the outfield. Wallace Keiderling, the loser, permitted seven hits.

Matawan scored in the first inning. Herb Sherry walked to lead off the frame and, after Paul Casino fanned, Joe Breidt singled to center sending Sherry to third. Joe Miller popped out to the catcher for the second out but on the play Breidt attempted to advance to second.

The throw from the Newark receiver was too late to nab Breidt at second with Sherry coming across from third with the first and lone run of the contest. Matawan threatened in every inning but was

never able to generate enough to produce any additional tallies.

BAYSHORE DOG CLUB TO START

The Bayshore Companion Dog Club will begin regular training courses on Wednesday, Sept. 22, at its new training quarters in Keyport.

Bayshore's Training Director, Joseph A. Galassi, is currently conducting a training course for viewers of the television station WRTV Channel 58, Tuesdays from 7:45 to 8 P.M. The show is called "Putting On The Dog."

Further information about training may be obtained by contacting Mrs. James B. McPhee at Holmdel 9-8024.

RAIDER GRIDDERS OUT FOR DRILLS

Approximately 40 candidates have answered Coach Stan "Tuffy" Baker's call for Keyport High School grid practice. The candidates were issued shoes Friday and the balance of equipment yesterday. Light drills continued until today.

Baker isn't optimistic about his team's success this year, as he lost most of his veterans thru graduation, enlistment in the armed forces and some gridders quitting school.

Evil is impotent to turn the righteous man from his uprightness.—Mary Baker Eddy.

MCROSS FAIR IN HOLMDEL TO FEATURE CONTESTS

A needle in the haystack contest will be a feature of the annual Pet Show and Fair at the Holmdel Grape Farm Sept. 25. The affair is for the benefit of the health nursing program of the Monmouth County Organization for Social Service.

A freckle-faced contest will be included on the program along with the traditional pet show, sales of baked and canned goods, farm produce, trash and treasure, pony rides, games of skill, and other fun provoking activities.

The pet show schedule is being revised to place greater emphasis on miscellaneous animals. There will be a special prize for the most unusual insect. A turtle race is being planned, and a special class for puppies. There will be costume classes, dog and cat divisions

and classes for every living thing a child might consider a pet.

Mrs. Irving Feist, Shrewsbury, Mrs. Samuel Riker, Jr., Middletown, and Mrs. Allison L. S. Stern, Scobeyville, are co-chairmen of the event. Miss Jeanne Du Bois, Freehold, heads the pet show committee.

PARENT-TEACHER GROUP TO STUDY DELINQUENCY

"Delinquency — Everybody's Business" will be the general theme of three one-day conferences of parent education chairmen of parent and teacher associations to be held in Newark, New Brunswick and Hammonton Sept. 20, 22 and 23.

These conferences, the 20th of such meetings to be held in the state, will be sponsored jointly by the Home Economics Extension Service of Rutgers University and

the Parent Education and Pre-school Committees of the New Jersey Congress of Parents and Teachers.

The principal talk, on the conference theme concerning delinquency, will be given by Dr. Anna S. Starr, chairman of the Department of Psychology, University College, Rutgers University.

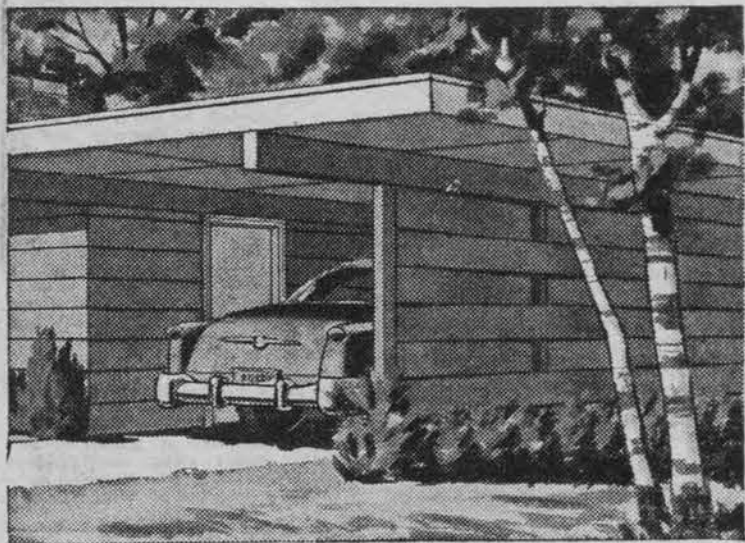

AREA GROUPS AID FIELD DAY

Several Bayshore organizations and auxiliary units cooperated to make the annual field day for patients at Marlboro State Hospital a successful one.

Taking part for this area was Ladies Auxiliary Unit 332, Laurence Harbor American Legion, the Matawan Women's Club and the Matawan Recreation group.

Lands mortgaged may return, but honesty once pawned is ne'er redeemed.—Middleton.

How many hands has mother?

A mother is a lot of things! She's cook, laundress, nurse, teacher, housekeeper and companion. She keeps the family fed, clothed and happy.

It's a big job. And electric hands do much to make it easier. They help her clean her house—her clothes. They prepare and preserve the food,

even bring her news and entertainment while she works. They do all this for only pennies a day.

And the men and women in your electric company are constantly working to make your electric service even more useful—even more of a bargain all the time.

ILLEGAL PRACTICE OF LAW MAY BE CONTESTED

The New Jersey State Bar Association is studying the advisability of starting a test court case in its campaign against illegal practice of the law, it was announced today by Milton T. Lasher of Hackensack, chairman of the Association's committee on unlawful practice.

The court procedure is being considered to demonstrate the difficulty, under present conditions, of cracking down on illegal practitioners, Mr. Lasher said. Before the test action will be undertaken, all county bar associations in the state will be asked to appropriate funds to finance what may turn out to be a lengthy lawsuit.

So far, bar associations in seven counties have agreed to contribute funds for the program, which includes hiring of a special investigator to assemble the necessary evidence. Associations in remaining counties of the state have indicated they will vote to support the project in the near future, Mr.

15 Years of Shell Research Overcomes A Major Cause of Oil Burner Service Calls

Clogged filter screens have been recognized for years as a major cause of oil burner service calls.

Shell Research spent 15 years developing a way to combat screen clogging. The result was FOA-5X, an additive that is now in every gallon of Shell Furnace Oil.

During three years of exhaustive testing of FOA-5X in thousands of homes not a single case of burner failure due to a clogged filter screen was reported.

For carefree heat all season, switch to Shell Furnace Oil with FOA-5X. It costs no more than ordinary heating oils. Call us today. We'll make all the arrangements.
