SULLIVAN NAMES WILLIAM BALL AS VET CHAIRMAN

Appointment of William Ball of Old Bridge, Madison Township as Chairman of a veterans committee to work in behalf of the election of Charles F. Sullivan, Democratic candidate for Congress was announced today by John W. Applegate, Matawan, Sullivan's general campaign manager.

The new organization, called Veterans for Sullivan, will be organized throughout the district from among former servicemen who fought in both World Wars.

Mr. Ball a veteran of World War II has been prominent in Middlesex County veterans' affairs and is well-known throughout Monmouth and Ocean in this regard.

"I consider it a high privilege," Mr. Ball said in accepting the chairmanship, "to be able to further the candidacy of Charles F. Sullivan, a veteran of World War II, who is so well qualified to give the Third Congressional District the type of representation in Washington it has so sorely needed for twelve years."

Mr. Ball is past commander of Crandall-Kossman Post 177, American Legion, of Old Bridge; past vice commander of the Middlesex County Department, American Legion. He said he will bring actively into the campaign to work in behalf of Sullivan veterans representative of the Veterans of Foreign Wars, Disabled American Veterans, the Marine Corps League, Jewish War Veterans and Catholic War Veterans.

GIRL, ELDERLY MAN VICTIMS OF AUTO CRASH ON HIGHWAY

A 16-year-old South Amboy girl, and a 60-year-old Jersey City man were injured Friday night in a two-car collision on Route 34, Brownstown.

The injured, Miss Janice Whiting, of 228 Second St., and Angelo Bernarducci were removed to the South Amboy Memorial Hospital by the Madison Township Rescue Squad for treatment.

Bernarducci was treated for lacerations of the head and face and multiple abrasions of the body. Miss Whiting was treated at the South Amboy Hospital for multiple lacerations of the face and abrasions of the knees. She was later removed to the Perth Amboy Hospital and admitted.

According to Patrolman Richard Adler who investigated the case, Bernarducci was a passenger in a car driven by Joseph Johnson of Point Pleasant, while the Whiting girl was a passenger in a car operated by Roland Stephanik of 20 Scott Ave., South Amboy.

HOME AND ART DEPARTMENTS OF AREA CLUB MEET

The merits of television and radio programs, books and magazines was the main topic of discussion at the meeting of the American Home Department of the Laurence Harbor Woman's Club held at the home of the chairman, Mrs. Casimer Samolyk, 341 Woodbine Way. Mrs. Wesley Buckley discussed television programs for children and adults. Mrs. Robert Martin reported on the best books and magazines. Mrs. Joseph Lewis and Mrs. Robert Campbell reviewed radio programs.

Plans were made for the next meeting at which time Mrs. Casimer Samolyk will give instructions on sewing and hooking decorative household articles suitable as Christmas gifts.

The need for a family prayer time was stressed by Mrs. Samolyk as the family that prays together stays together.

Mrs. Joseph Lewis was hostess. At the meeting of the Art Department at the home of Mrs. Robert Martin, 183 Orchard avenue, plans were completed for an Art contest to be held at the P.T.A. meeting on November 1st in the Community Church hall. Sixth, seventh and eighth grade pupils are eligible to submit water colors, oil paintings and sketches. The winning pictures will be displayed in local store windows during Art Week, from Nov. 1 to Nov. 7.

Mrs. Robert Martin, chairman, announced that a fund raising social will be held October 21 at 8 p.m. at her home and all club members are invited.

Several members will attend the lecture on The American Artist at the Metropolitan Museum of Art, New York City on Nov. 3.

The topic for discussion at the next Art Department meeting at the home of Mrs. Martin will be "Anyone Can Paint" and members will experiment with oil paints. Mrs. L. B. Holden will be in charge.

Church Nursery

Parents wishing to attend the 10:45 worship service this Sunday at the Laurence Harbor Community Church and who have infants or children up to nine years of age are urged to use the church nursery operated at the church by the Mothers Club.

Police gave this version of the accident:

The Johnson car pulled out of Eddy's Grove on Rt 34 and headed south and came into collision with the northbound Stephanik vehicle. Stephanik's car, following the collision, veered out of control

IDENTIFY BODY OF WOMAN FOUND IN RARITAN BAY

The body of a Perth Amboy woman, missing from her home since Wednesday night was recovered from Raritan Bay at Laurence Harbor Thursday afternoon.

Acting Perth Amboy Police Chief John Swallick said the body had been identified as that of Mrs. Annie Feinstein, 58, of 170 Brighton Ave.

Mrs. Feinstein's family reported that the woman, who had been ill, left her home at about 11 p.m. on Wednesday and failed to return.

Thursday afternoon a woman's coat was found on a dock jutting from the municipal boardwalk at the foot of Wisteria Pl., and it was later identified as belonging to Mrs. Feinstein. The coat was discovered by Joseph Petren, operator of a refreshment concession on the boardwalk.

About two hours afterwards several Laurence Harbor youngsters spotted a body floating in the water off the beach and helped police pull it ashore.

Dr. William C. Wilentz, county medical examiner, performed an autopsy at the Perth Amboy General Hospital at the request of Coroner Lee J. Thompson and reported that death was due to drowning.

Music should strike fire from the heart of man, and bring tears from the eyes of woman.

BAYSHORE BANK DEPOSITS INCREASE

Banks in the Bayshore area showed deposit increases of over \$2 million during the past year, figures released in bank condition statements of Sept 30 have disclosed.

Deposit increases were recorded by the Keansburg and People's National banks, the Matawan, Farmers and Merchants bank of Matawan and the Keyport Banking Co.

Deposits as of Sept. 30 this year are as follows:

Keyport Banking Co., \$6,265,984.

Keansburg Bank, \$7,948,563

Farmers and Merchants, Matawan, \$7,347,913

People's National, Keyport, \$6,380,119

Matawan Bank, \$3,440,819

SEVEN SCHOOL DISTRICTS ATTEND REGIONAL SESSION

Representatives of seven school districts in Monmouth and Middlesex counties Monday night heard Earl B. Garrison, Monmouth County Superintendent of Schools outline steps to be taken toward the establishment of a regional high school.

Board members and educators representing Keyport, Matawan, Union Beach, Keansburg, Holmdel and Raritan Townships in Monmouth County met Monday night.

LEGION AUXILIARY WELCOMES THREE NEW MEMBERS

Mrs. Margaret Geores, president of the Ladies' Auxiliary of Laurence Harbor Post No. 332, American Legion, welcomed three new members at its last meeting. They were Mrs. Dee Lancaster, Mrs. Grace Mehm and Mrs. Josephine Collow.

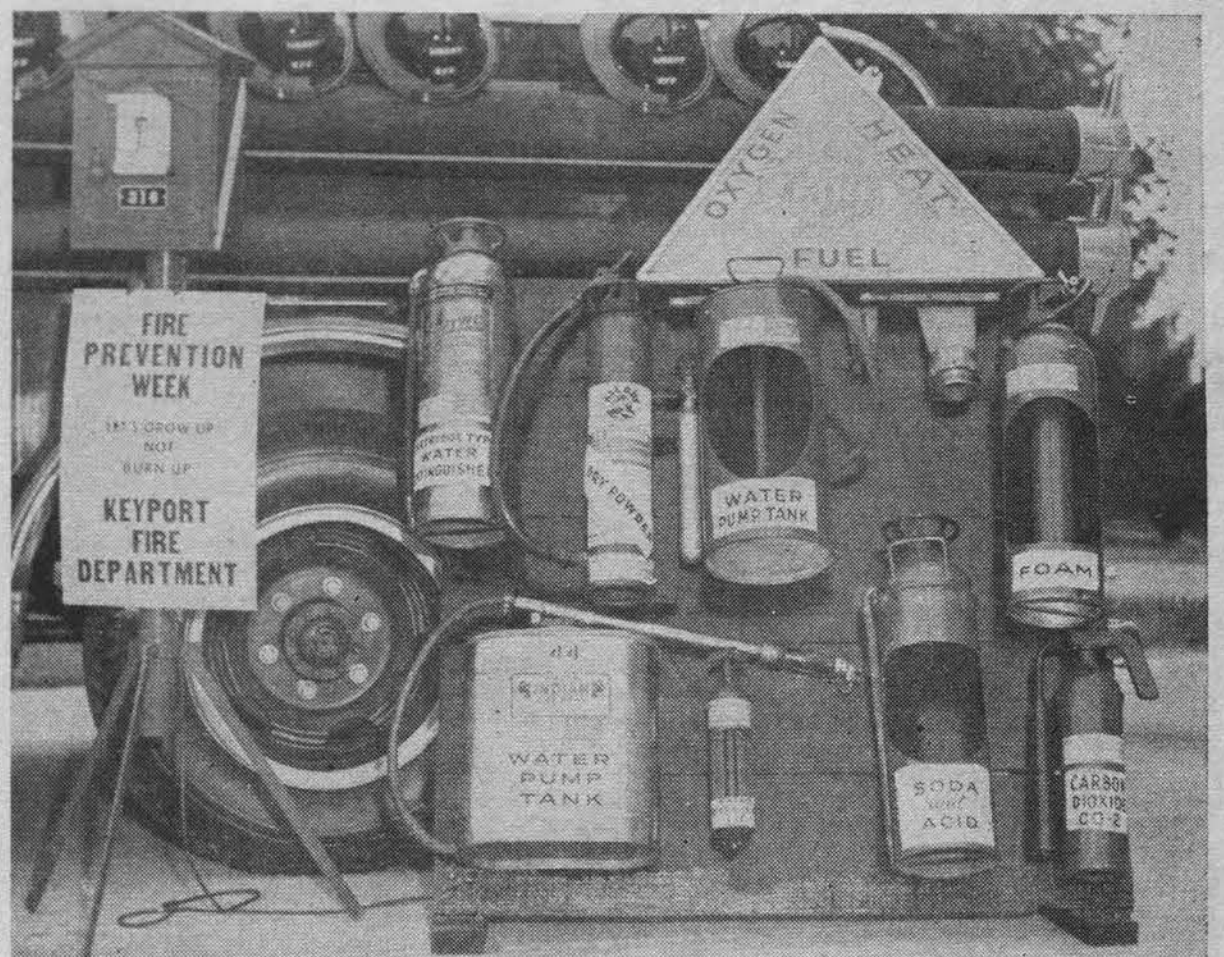

Mrs. Marie Bridgeman, community service chairman, announced that her group is still collecting used nylons to help purchase additional television sets for veterans' hospitals.

Mrs. Nora Rathbun announced that the dinner planned for members of the past presidents' parley will be held Oct. 20 at Buttonwood Manor. Mrs. Rathbun also announced that the annual Halloween party will be held Oct. 30 at the Legion Home. Her committee will meet Oct. 21 to make final plans.

Mrs. Geores announced that a testimonial dinner for William Carter, county commander, will be held Oct. 23 in New Brunswick. The dark horse prize was won by Mrs. Marie Fink.

Mothers Club

The Mothers Club of the Laurence Harbor Community Church met recently at the church. Hostesses were Mrs. Dee Lancaster and Mrs. Ann Skubik.

Here's the display sponsored by the Keyport Fire Department during Fire Prevention Week which attracted hundreds of residents during weekend observances. The display, including a working model fire box was shown on West Front St., Friday and Saturday by the local department which was on parade Saturday morning. (Photo by Al H. Williams).

COAST GUARD EXAMINATIONS FOR LOCAL SCOUTS

The U.S. Coast Guard, through its Chief of Training and Procurement Division, extended an opportunity for young men with Boy Scout training to take the annual competitive examination for appointment to the U.S. Coast Guard Academy at New London, Conn. Allen Winbeck, Captain, U.S. Coast Guard, in a letter to J. Fred Billett, Scout Executive, Monmouth Council Boy Scouts of America, advised the organization that they would be very happy to interview former Scouts who are interested in this career.

According to the bulletin released by the Coast Guard, appointments to Cadetship through the annual examination will be conducted between February 28 and March 1.

Applicants must be high school seniors or graduates, and must have reached their 17th but not their 22nd birthdays on July 1, 1955. Applicants still in high school must graduate and earn 15 units by June 30, 1955. The units must include three in English, two in Algebra and one each in plan geometry and physics. Applicants must be in excellent physical condition, between 66 and 76 inches in height, with proportionate weight, and have uncorrected 20/20 vision in each eye.

Appointments are made on the basis of competitive examination and evaluated general adaptability. There are no Congressional appointments or geographical quotas.

COUNTY SCOUTS TO SEE ARMY GAME AT POINT

Four hundred Boy Scouts and Explorers signed up for the celebration of Boy Scout Day at West Point on October 30th. In addition to tours, parades, and other activities at the Academy, the Scouts will see Army play University of Virginia.

Weather permitting, the Scouts will be treated to a colorful full dress parade in the Mitchie Stadium. The Army Athletics Association has allocated 10,000 tickets to the Scouts from New York and New Jersey and it is expected that as usual, the gallie will be a sell-out. Last year many Monmouth County Scouts missed the big event due to the storm here along the coast.

Already signed up for the trip are Troop 24, Fair Haven; Troop 15, Little Silver; Troop 46, Neptune; Troop 31, Spring Lake; Troop 49, Ft. Monmouth; Troop 63, Brielle; and Troops from Matawan, Keansburg and Keyport area.

JERSEY FARMERS MAY ACQUIRE LIBERAL CREDIT

New Jersey farmers who, because of an unfavorable season, find themselves in a position where they cannot secure their financing from their bank or Production Credit Association might want to investigate two Farmers

Home Administration loan programs, Chester J. Tyson, Jr., state director, said today.

Some segments of the poultry industry, caught in a squeeze between low egg prices and high feed and labor costs, have appealed to Washington for help. Dairy farmers, also, were hard hit by the severe June-July drought which ruined pasture and hay crops.

As a result there has been a demand for the extension of "liberalized emergency credit" by the government.

"While there may be need for a special type of loan in New Jersey," Mr. Tyson explained, "it is entirely possible that there may be a Farmers Home Administration loaning program already in existence that will meet the needs of those who can't get the necessary money elsewhere."

SEEK MORE MILK CONSUMPTION IN LOCAL SCHOOLS

More milk drinking in schools is the aim of a new committee whose plans were outlined today by William M. Nulton, Jr., chairman.

Nulton, field secretary of the New Jersey Guernsey Breeders' Association, said milk vending machines may be recommended to schools as part of the general plan.

Two machines are in operation at the Trenton State Fair this week to test general public acceptance, he said, but machines in schools could offer milk at less than the dime a half-pint and 15 cents a pint established by Office of Milk Industry regulations.

The New Jersey Dairymen's Council appointed the committee following passage of a Federal appropriation of \$67 million for the 1954-1955 school lunch program. New Jersey's share of the fund, administered by the Agricultural Marketing Service, is \$1,396,850, according to Nulton.

Local schools will get funds with which they can buy milk from local dairymen at established OMI prices and then use the subsidy money to reduce the price to students. Milk sold in school cafeterias or through machines would bear a bargain ticket.

DRESSINGS MADE AT MEETING OF HOSPITAL AUXILIARY

One thousand dressings were made at the first fall meeting of the Keyport Auxiliary to Monmouth Memorial Hospital, held recently at the home of Mrs. Wayne Darland, Green Grove avenue, Keyport.

During the business session tentative plans were made for a luncheon and bridge to be held in the near future.

The next regular meeting of the group will be held Nov. 1 at the home of Mrs. Howard Pieper.

Others present were Mrs. Daniel Sherban, Mrs. Charles Neighbors, Mrs. Arthur Van Buskirk, Mrs. Jack Meisler, Mrs. Edward Florian, Mrs. Thomas Regan, Mrs. John FitzGerald, and Mrs. Charles Vunck.

To Far East

Sgt. Edward A. Janus, Cliffwood,

has recently departed for duty in the Far East command of the U. S. Army it has been disclosed. Until recently, Sgt. Janus was recruiting non-commissioned officer of the Army at Asbury Park.

EVENING GUILD OF ST. MARY'S CHURCH PLANS FOR BAZAAR

Final plans for a bazaar booth and card party were made at the regular meeting of the Evening Guild of St. Mary's Church. The group plans a white elephant and pastry booth Wednesday, Oct. 13, at the annual Church bazaar and will sponsor a card party Thursday, Oct. 14 in the parish house.

Mrs. Lester Stoney was named chairman of the fall rummage sale Monday to Friday, Oct. 18-22, at the parish house.

Those present were Mrs. Harold Mitzenius, president; the Misses Patricia Brown and Dorothy Gussweiler, Mrs. Lloyd Mason, Mrs. William Heil, Mrs. Benjamin Reyes, Mrs. Harry Ryer, Mrs. William Schaub, Mrs. Clifford Bray, Mrs. Alfred Chinery, Mrs. William Phillips, Mrs. Sophie Whitaker, Mrs. William Phy, Mrs. John Zilinsky and Mrs. Russell Cobb.

ARRAIGN JUVENILES IN FREEHOLD FOR AREA CRIMES

Several juveniles were arraigned in Freehold before Juvenile Referee John L. Montgomery.

A suspended commitment to the State Home for Girls at Trenton was meted out to a 15-year-old girl who was guilty of carnal indecencies with William H. Seeley, 21, of 33 Maple avenue, Keansburg, on March 14 and other dates. She was also placed on probation for one year.

A 13-year-old Raritan township boy who was charged with truancy, was given a suspended commitment to the State Home for Boys at Jamesburg and placed on probation for one year.

A 16-year-old Keansburg boy who was returned from the State Group Therapy Center at Highfields told the court, "I think I learned an awful lot there, and I have realized that I must stand on my own two feet."

The statement was corroborated by Albert Elias, director of the center, who said that Frank Leonard of 4th street, West Keansburg, "has decided to help himself."

The youth was a member of a teenage gang which had conducted a nickel and dime shakedown racket at Middletown Township High School.

The court said that in the light of the statement by the youth and Elias, it had complete confidence that the boy would rehabilitate himself and placed him on probation for two years.

COMPANION DOG CLUB AT CLASSES

The Bayshore Companion Dog Club has started beginners dog training classes at its quarters on Broad and Front Sts., Keyport, on Wednesday evenings. Present classes begin at 7:30 and 8:30 p.m.,

with new classes still being formed. Owners of problem dogs are given individual assistance by Bayshore's Training Director, Joseph A. Galassi.

Scotswood Rufus, C. D., a Shetland Sheepdog owned by Mrs. Warren Bernhardt, a member of the Bayshore Club, earned his final qualifying score toward a C. D. X. title at the Suffolk County Obedience Trial held at Bayshore, Long Island, on Saturday, Oct. 2, 1954. Rufus scored 196½ out of a possible 200 points and placed second in a class of 30 dogs.

BEST PROGRAM IS OFFERED IN LOCAL STEEPLECHASE RACE

The best program of steeplechase racing ever offered in New Jersey is promised hunt racing enthusiasts on Saturday, Oct. 23, when the annual fall race meeting sponsored by the Monmouth County Hunt Racing Association holds its annual fall meeting at Amory L. Haskell's Woodland Farm estate near Red Bank.

A diversified series of races over the turf, hurdle, brush and timber courses will be presented at this twenty-fourth renewal of the annual steeplechase fixture where the richest purses ever offered since the inception of this cross country fixture are sure to attract large fields in all events. Highlighted by the Monmouth County Hunt Cup, a gruelling three mile test over a stiff post and rail course, with a purse of \$1,000, the afternoon's card will include the Monmouth County Gold Cup, a two mile steeplechase handicap with a purse of \$1,200 added.

Hurdle racing, which has become so popular since its introduction at the Monmouth County race meeting in 1952, will be contested when a select group of thoroughbreds whose specialty is racing over the lesser obstacles will compete for honors in the Holmdel with a purse of \$1,000 over a one and three-quarters mile course. Rounding out the well-balanced program will be two flat races over the turf course, one a three-quarter-mile event and the other a one-mile and one-quarter test.

RUTGERS "BABY" NEEDS A NAME

State University co-eds give serious consideration to the knottiest problem encountered by pomologist Arthur J. Farley in his 47 years at the Rutgers College of Agriculture. Professor Farley is on the N.J. Apple Institute committee which will name the first New Jersey-bred apple variety on October 15. Senior Myra Ratti (left) of Newton studies a N.J. No. 1 specimen, new variety that was "born" at Rutgers 20 years ago, being held by classmate Joan Leyrer of Margate City. Professor Farley tells the girls that Gallia Beauty and White Winter Pearmain, varieties he's holding, are N.J. No. 1's "parents" and should be considered at the ch ristening.

WEEKEND FIRE COLLEGE CLASSES TO START SOON

The week-end program of outdoor training and instruction in fire fighting techniques, to be conducted by the New Jersey State Fire College at the National Guard Training Center, Sea Girt, on October 22-23-24, will include eight subjects. All will be handled in outdoor training sessions with the exception of an illustrated lecture on "Arson" by a special representative of the National Board of Fire Underwriters. The subjects to be covered will include: a demonstration and discussion of salvage methods and their importance in fire fighting operation; practice and demonstrations in effective rescue and evaluation methods; how to control flammable liquids to application of proven techniques and effective extinguishing agents; explanation of the construction and operation of pumps with both operating and cut-away models; relay evolutions using three pumpers; hose evolutions including handling of lines, hose carries and care of hose; full demonstration of practice and use and handling of life nets and various types of ladders; discussions of size-up ground procedure, and fire fighting tactics generally, followed by a review of special problems encountered in fire fighting operations.

The sessions will be open to paid

and volunteer firemen and members of plant brigades. The facilities will provide room for instructing close to 500 men. Registration for the program will start at 6 p.m. on Friday, October 22 with an all-day session on October 23, and a half-day session on October 24. Enrollment forms may be obtained by writing to the New Jersey State Fire College, division of the New Jersey State Safety Council, 24 Branford place, Newark 2, N.J.

LAVOIE FIRM ASKS FOR TAX CUT IN REDUCED RATABLES

Lavoie Laboratories, Inc., Morganville, has appealed to the Monmouth County Board of Taxation to reduce its total assessed valuation from \$150,000 to \$50,300.

The board reserved decision on the appeal, and Board Chairman Harrison C. Hurley said the board would inspect the property before reaching a decision. The laboratories are located on a 73-acre site on the Matawan-Freehold Road.

Randolph Heuser, attorney for the firm, contended that some of the equipment assessed by Howard J. Preston, Marlboro Township assessor, was on a loan from the federal government and used in the manufacture of products subsequently purchased by the government.

He contended that government property is exempt from taxation. Clifton T. Barkalow, attorney

for the township, replied that although the firm was using government-loaned equipment, that fact did not affect the assessment of \$90,000 fixed upon all equipment.

Mr. Barkalow contended that the township had a right to place a valuation on government-loaned equipment because it was being used by the firm to make profits.

Mrs. Stephen D. Lavoie, vice president and treasurer of the firm, told the board the government equipment was offered for use without charge. The firm was only obligated to maintain the equipment, she said, adding that the government could remove the equipment whenever it wished.

Concerning the \$10,000 land assessment, Mr. Preston termed that figure the land's true value. He added that the land assessment should have been higher five years ago.

"We've been giving industry a break," he said, "and haven't been assessing industry what it should have been assessed right from the beginning."

Mr. Heuser contended that land assessments for the electronics firm were not in line with those of nearby properties. He charged the township with making discriminatory assessments generally unfair to the firm.

Mr. Preston said he took into consideration the economic value of the land in making his assessment.

SEVERAL FINED IN AREA COURT

Several local motorists were fined in Middletown Township municipal court by Magistrate W. Gilbert Manson for motor vehicle violations.

They were Ruth Ann Michaels, Chingarora avenue, Keyport, \$5

for passing a red light; Horace Gibson, Harrison avenue, Matawan, \$5 for passing a stop sign and Richard Sutton, Green Grove avenue, Keyport, \$5 for speeding.

Fountain—Johannessen

Mr. and Mrs. Karsten K. Johannessen of Bayview Dr., Laurence Harbor, announce the engagement of their daughter, Elsie N., to Ernest H. Fountain, Jr., son of Mr. and Mrs. E. H. Fountain of 366 Northfield Ave., West Orange.

Miss Johannessen, a graduate of Sayreville High School and Montclair State Teachers' College, is employed by Dr. John L. Solomine and Dr. Mark M. Donner, dental surgeons, of Perth Amboy. Her fiancé is a graduate of West Orange High School.

Seven School

(Continued from page 1).

mouth County and Madison Township in Middlesex County attended the joint session in the Matawan High School to discuss the establishment of a regional school.

Mr. Garrison advised the thirty representatives present that each of the seven boards involved must approve of a "study committee" and assign one delegate and one alternate to act for it on the com-

mittee.

County officials will call for a meeting of the study committee as soon as all boards file the names of delegates and alternates with his office, Garrison said.

The study committee, in preparing its report on the establishment of a regional high school will determine the number of pupils involved, educational needs, costs, effect on present school districts, transportation and legal aspects of the regional high school.

He cautioned board members against the fallacy that the regional school program will cost any less than present schools in the districts. The advantage, Garrison reported, will be the greater educational value offered for the same price.

George Davis, president of the Keyport Board of Education, pointed out that a regional school to care for the seven districts represented would be forced to accommodate more than 2,000 students. He suggested the study committee investigate the possibility of establishing two regional schools to serve the area.

George S. Barrett of the Matawan board suggested that Keanburg, Union Beach, Holmdel and

Raritan Townships, apparently in the most critical condition, as far as school facilities are concerned should proceed without Matawan or Keyport.

LAURENCE HARBOR WOMEN'S CLUB SET COLLEGE DAY

Several members of the Laurence Harbor Woman's Club will accompany high school girls to New Brunswick on Saturday, Oct. 16, to attend College Day at New Jersey College for Women, Rutgers University. The all-day event is sponsored by the New Jersey State

Federation of Women's Clubs and is designed to acquaint high school girls, club members, parents and teachers with the women's college of the State University.

The day's program, opening with registration at 9:15 a.m., includes campus tours for the high school girls, an organ recital for the club-women and other guests, a general assembly, box luncheon and the Rutgers-William and Mary varsity football game.

New Jersey College for Women in Rutgers, has maintained an active interest in the college

of the college will officially be changed to Douglass College on Founders Day, April 16, 1955. The change to the name of Douglass College honors the principal founder and first dean, Mrs. Mabel Smith Douglass, who guided the State University Women's College from its opening in 1918 to 1932. Wednesday, 8 p.m.
Reading Room, Wednesday afternoon, 2-4 p.m.

How spiritual understanding of man's scientific unity with God overcomes fear and establishes harmony will be brought out at Christian Science services Sunday. The Lesson-Sermon entitled "Doctrine of Atonement" includes the following passages from the King James Version of the Bible (Psalms 51:15-17): "O Lord, open thou my lips; and my mouth shall shew forth thy praise. For thou desirest not sacrifice; else would I give it; thou delightest not in burnt offering. The sacrifices of God are a broken spirit: a broken and a contrite heart, O God, thou wilt not despise."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following selections will also be read (202:3): "The scientific unity which exists between God and man must be wrought out in life-practice, and God's will must be universally done."
The Golden Text is from I John (2:1): "If any man sin, we have an advocate with the Father, Jesus Christ the righteous."

YOUR GARDEN THIS WEEK

The rose family provides us with many plants to beautify our gardens. The type plant, the rose, is considered valuable chiefly because of the flowering habit of some of the species and hybrids.

Many of the species roses, wild roses, are valuable also because of their showy fruits. Other genera of this large family contribute beauty at several times during the season, as apples and crabapples, peaches, cotoneasters and firethorns, to mention just a few.

Firethorn, especially the Laland firethorn (*Pyracantha coccinea lalandi*) is well adapted to growing in nearly all parts of New Jersey. It is rated as an evergreen shrub, but over a large part of the state most of the leaves fall before winter is past.

Its blossoms are rather pretty during the blooming season, but the real beauty, from the garden standpoint, comes when the fruits are colored brilliant orange-red in the fall. These fruits persist in good condition well up to Christmas, and sometimes beyond in favored locations.

Laland firethorn will grow 8 to 10 feet high with a spread greater than that. A bare side of a garage or of a house can be made more sightly through the use of a plant handled in this manner. A few wires can be strung to which the plant can be tied. Selective pruning may be necessary to develop the framework.

The plant has a stringy root system that makes it difficult to transplant. You will usually buy plants in 6 or 8 inch pots, but a few nurseries grow it in wire baskets. These can be sunk in the ground and forgotten.

Culture is not difficult. Prepare the soil well, using plenty of de-

composed organic matter. The soil reaction must be slightly acid, as for most garden plants.

MATAWAN PTA HEARS READING TOPICS DISCUSSED

Mrs. Charles Petzold, was elected recording secretary of the Matawan PTA-Teacher Association at the meeting Wednesday night in the high school auditorium. She succeeds Mrs. Frederick G. Hammond, Jr., who resigned.

The topic for discussion was "Reading, Spelling and Phonic Training" in the first, second and third grades. The teachers who discussed the training in the first grade were, Mrs. Jane Erdmann and Mrs. Madeline Pazienza; Miss Catherine Stillwagon and Mrs. Elizabeth Shelton, second grade teachers told of the training in that grade, and Mrs. Nellie Wenzel and Mrs. Myrtle Marks, teachers, of the training in the third grade.

The association members again this year volunteered to supply a less fortunate family of the community with a Merry Christmas. The family will be taken from the list of the Matawan Public Health Association.

Following the meeting the members adjourned to the high school cafeteria where refreshments were served by the mothers of seventh grade pupils.

Miss Jennie Syzszlo Is Recent Bride Here

Miss Jennie Syzszlo, daughter of Mr. and Mrs. Ignacy Syzszlo, Maple Pl., Keyport, became the bride of Anthony Janik, formerly of Carteret, son of Mr. and Mrs. Casimir Janik, of Europe, Saturday morning at ten o'clock in St. Joseph's Church, Keyport. The Rev. Cor-

nelius J. Kane, pastor, officiated at the ceremony.

Given in marriage by her father, the bride wore a gown of Chantilly lace over satin, with a chapel length train, fashioned with a Peter Pan collar, long pointed sleeves, and a scalloped front adorning the full skirt. Her finger-length veil of nylon tulle was attached to a pearl trimmed crown of matching lace and she carried a prayer book adorned with orchids and satin streamers.

The bride was attended by Miss Irene Syzszlo of Keyport, maid of honor, and the Misses Helen Jackewicz and Lillian Bedka of Jersey City. Henry Drozd of Linden served as best man, while Leon Wis-

niewski and Stanislaus Wilczewski of Elizabeth ushered.

The couple will reside in Perth Amboy on their return Saturday from a wedding trip. For traveling the bride wore a navy blue suit with matching accessories.

Mrs. Janik attended St. Joseph's School, Keyport, and St. Mary's High School in South Amboy. She is employed as a hairdresser in Miller's Beauty Shop, Perth Amboy. Her husband was educated in Europe.

All Heating Oils Are Not Alike

15 Years of Shell Research
Overcomes A Major Cause
of Oil Burner Service Calls

Clogged filter screens have been recognized for years as a major cause of oil burner service calls.

Shell Research spent 15 years developing a way to combat screen clogging. The result was FOA-5X, an additive that is now in every gallon of Shell Furnace Oil.

During three years of exhaustive testing of FOA-5X in thousands of homes not a single case of burner failure due to a clogged filter screen was reported.

For carefree heat all season, switch to Shell Furnace Oil with FOA-5X. It costs no more than ordinary heating oils. Call us today. We'll make all the arrangements.

HUSKIES BLAST POINT PLEASANT 8-6 WITH LINE

Matawan High School's strong forward wall earned a touchdown and in the final minutes smothered a Point Pleasant quarterback in his own end zone for a safety and a two-point margin of victory 8-6.

Point Pleasant opened in the first quarter by breaking Dave Wettlin out of a split T formation for a 54 yard scoring run straight down the center of the field.

Little Steve Fedele, the Huskie's battering ram, was the key runner for the Matawan eleven. But in the first period the fresh Point Pleasant line smothered all Matawan's repeated tries thru the center.

Point Pleasant took over on downs in the second quarter on its own 26 yard line. The Gulls looked like they were on the move again as Ray Hulse bulled his way up to the 38 yard line on the first play. Wettlin went for two more on the second run from scrimmage, but after that the Matawan line closed up and the Gulls were forced to punt.

The Huskies' quarterback, Pete Vena, took to the air at this point and passed 18 yards to left end Joe Fasso. Vena went around left end on a delay play for five more yards. Fedele and Marvin Hauser then tried the Gull's ends, but were both thrown for losses. The first half ended with Matawan stalled on Point Pleasant's 30-yard line.

Both teams struggled thru the third quarter with few first downs. The Point Pleasant line appeared to tire at this point and lacked reserve strength. Matawan, on the other hand, substituted freely in the line, adding to its strength.

In the last quarter, both teams forward walls told the tale of the game's outcome.

Matawan started its march from the 20 yard line with a completed 8-yard pass from Vena to right half Stan Parish. The Huskies then started working with delayed cross bucks and plunges thru the staggering Point Pleasant line. Fedele went off tackle for eight yards and Harold Dodson, in at right half, plunged for 15 yards thru center. Hauser aided his cause by slicing off left tackle for another five. From this point on it was all Fedele.

The diminutive fullback went to Point Pleasant's eight yard line on another delay buck thru guard and then drove thru center for the touchdown.

With both teams missing extra points it seemed as if the contest would end up a 6-6 tie. But the surging Matawan line was too much for the Gulls. Don Frick, Point Pleasant's quarterback, tried passing his team out of danger, but the pressing Matawan forward wall threw him for a loss. With only one minute to play, Frick cut back to his end zone for some running room. He was unable to get free, however, and half of the Huskie line smothered him on the goal line for a touchback, and victory for the Huskies.

RAIDER FUMBLES LEAD TO DEFEAT BY LEONARDO 20-6

Middletown Township's High School football team cashed in on two costly fumbles and staved off repeated threats to subdue a fighting Keyport High School eleven 20-6 in a bitterly fought game at the Raider field.

Middletown's Lions took command quickly.

After four minutes of play in the first period, the Lions took over on their 49-yard line and Ed Bibaud snapped a long pass to Les Jennings who was finally dropped on the Keyport 20. Ron Christman and Ed Bibaud on three line plays brought the ball to the four and John DeMarco spun over for the first touchdown. Les Jennings converted.

The Lions then kicked off to the Red Raiders. Bobby Mirro caught the ball on the five and was hit on the 20. The ball squirted out of his arms and was recovered by Ed Mayer, Lion left guard.

A penalty against Keyport brought the ball to their 15. Fullback Johnny DeMarco carried to the two-yard line, but there the Raider line stiffened.

Ed Bibaud lost two yards and on the next play, DeMarco was dumped for another two yard loss. Finally DeMarco bulled thru the center of the line for the touchdown. The extra point attempt was no good.

The Red Raiders fought back and scored in the second period. They took over on the Lion's 45 and ground out three first downs, highlighted by Bobby Mirro's catch of Charley Walling's pass which brought the ball to the Lion two-yard line. Walling cracked over for the only Raider touchdown. The Raiders tried rushing for the extra point but failed.

The Lions got their final touchdown in the fourth period. Mirro took a Lion punt on the five and ran it back to the 12. George Ruth picked up 12 yards on a buck over center. But on the next play, Rose fumbled and Ed Bibaud recovered the loose ball on the Keyport 25 yard line.

Bibaud jump-passed to Jennings for a 10-yard gain. Three plays later Bibaud went off tackle for the final Lion touchdown. Ed also scored the extra point.

The Raiders outplayed the Lions during much of the second half but were unable to score. In the third period, Keyport drove from their 20 to the Lion 23. There the offense stalled and the Lions took over and killed off the Raider threat.

This game closes the book on the Middletown-Keyport series with the Lions taking all 12 games.

CHIPS ARE DOWN FOR RED RAIDERS, FACE GARNET GULLS

The chips are down this week for the Red Raiders of Keyport High School who must score a victory over Point Pleasant High School in order to stay in the running in the B division of the Shore Conference grid race.

At present, the Raiders are tied with Matawan High School with a 1-0 record in the B division. Last Saturday, Matawan conquered the valiant Gulls by an 8-6 count in a game that was touted as the deciding one in the B division race.

The Point, beaten in two starts against Matawan and Freehold, both powerful elevens will be up for the Raider game and will rule two-touchdown favorites at game time.

The Raiders, with a lone victory of Atlantic Highlands and losses credited to Leonardo and Lambertville are drilling hard this week in preparation for the game.

HIGH SCORES ARE ROLLED IN PIN TOURNEY AT MATAWAN

The Atlantic Seaboard Classic Bowling League made an auspicious start Sunday at the Matawan-Keyport Recreation. The loop looks like it will be even stronger than its predecessor the Eastern All-Star Classic League which was the top bowling loop in the East last season.

Some of the teams broke away in mid-season form, compiling scores which made the spectators in the jam-packed stands stand up and take notice. Philadelphia and Paterson were particularly impressive, clicking off large team scores.

The only sweep of the afternoon was recorded by Brooklyn, over the Newark entry. The Brooks, led by Jim Lago, who belabored the pins for a 679, were never in danger. Frank Okular contributed 645 and Stan Niemic 620.

Paterson scored the highest series as it copped two from a formidable Long Island array. Led by Ed Botten's 685, the Bergen County quintet battered the manes to the tune of 3185. Bill DeAndrea posted 679 and Lou Foxie 656 for the winners, while Frank Santore tallied the highest series of the day, a 686, for Long

Island.

Philadelphia dropped the first game to a stubborn Elizabeth combine, but came back to take the final two, the rubber game going to the Quakers by an 1117-1091 margin. Frank Clause was the pacesetter for Philadelphia, hitting 682, while Lou Sena posted 650. Marty Cassio finished with a fine 670 for the losers.

Power-packed Monmouth came up with a double triumph over Trenton, but had a battle right to the wire before winning the finale by 20 pins. Graz Castellano and Lou Campi tallied 639 and 638 respectively for Monmouth, while Joe Hamann paced the Mercer County team with 628.
