Middlesex, Monmouth and Ocean counties are well represented by scores of Women's Clubs in the current state-wide drive to raise funds for audio-visual equipment in Philippine Community Centers. Full color Historic New Jersey Place Mats, shown above, are being sold by club women to defray cost of equipment. The project is being sponsored by the New Jersey State Federation of Women's Clubs. Here the original paintings for the Place Mat scenes are inspected by Miss Geraldine V. Brown, Keyport, Federation Corresponding Secretary; Mrs. A. Vincent Rochester, Spring Lake, Federation Third District Vice-President; Mrs. Wilson Y. Christian, Ocean City, Federation President, and Mrs. John H. Kinney, Federation Vice Chairman of the Evening Membership Department. Mrs. Ragnar Wang, International Relations Chairman of the Laurence Harbor Women's Club is heading the Place Mat drive there.

PROMISE WATER AID IN MATAWAN

Matawan Township Mayor John Marz, Jr., disclosed the township must supply residents in the westerly section of the community with adequate water before summer.

Negotiations with the Cliffwood Beach Water Company over the erection of a water pumping station have progressed favorably, Marz reported. The pumping station would be used to furnish water now purchased under contract with Matawan borough and would benefit residents along County road in the westerly section.

Meanwhile, Matawan borough, advised by Marz of the favorable progress of the negotiations with the water company called for the drawing up of a new contract between the borough and the township for water after the expiration of the current contract this month. The new contract is expected to provide for the selling of water by the borough to the township until (Continued on page five).

Enters Plea

Fred "Buster" Williams, 22, of Raritan St., Cliffwood, has entered a plea of not guilty to an indictment charging him with the armed robbery of Charles Slattery, Freehold gas station owner Aug. 20.

Williams was shot and saught by Matawan police. James Baldwin, 17, Newark, was also caught and police are still hunting for the third man in the holdup, Jordan A. Dillard, Perth Amboy.

APPROVE ORDINANCE FOR SALARY OF INSPECTOR

The Madison Township Committee Monday night adopted an ordinance which fixes the salary of the township building inspector.

The bill provides for the building inspector to keep all fees not in excess of \$1800 per year. At maximum, he will receive \$150 a month. All funds collected over the \$1800 will revert to the township. The position is a part-time appointment.

MATAWAN ENTRY NETS \$12 HERE

Matawan Township police reported that Sammy's Amoco Service station, Highway 35 and Keyport-Amboy Rd., was entered and about \$12 in cash taken.

The robbery occurred between 7 P.M. Friday night and 1 A.M. Saturday when the station was closed, according to police. They said entrance was gained thru a rear window in the garage and the main office was entered by smashing another window. The cash was taken from a cigaret and soda dispenser.

Samuel Justi, owner of the station, said his service station has been broken into several times.

WANTED

Transportation wanted to Elizabeth from Laurence Harbor, 7:30 a.m. to 4 p.m., 5 days. Matawan 1-2658W.

ELECTION BOARD MEMBER ADDRESSES WOMEN'S CLUB

Mrs. Lilian Cicio, member of the Middlesex County Board of Elections was guest speaker at the meeting of the Laurence Harbor Woman's Club at the Community Church hall. She stressed the responsibility of each and every citizen to keep informed of current issues and to get out and vote. Mrs. Cicio suggested that everyone read the constitution occasionally in order to understand the true meaning of our democracy. She also outlined the functions of the Middlesex County Board of Elections and their responsibility of seeing that the election is carried through efficiently and honestly.

Mrs. Alfred McGuire, chairman of the Welfare Department announced that her department will continue collecting used nylons, sewing cancer dressings and knitting squares for Korea. Work with the screening of the eyes of the students of the Memorial School will continue. Greeting cards will be sent to local shut-ins throughout the year on their birthdays, anniversaries, etc. Mrs. McGuire requested that all members bring a pack of cigarettes to the November 15th meeting, which will be distributed to an old folks home.

Mrs. Casimer Samolyk, chairman of the American Home Department reported her group will crochet mittens for Hopewell Orphanage. Instructions in sewing and gift making will be given.

REPUBLICANS PLAN FOR RALLY

Everyone is welcomed to attend a real old fashioned rally sponsored by the Madison Township Republican Club to be held Saturday night, Oct. 23 at the Laurence Harbor Casino on the boardwalk.

There will be plenty of refreshments served, and dancing. Guest speakers will also be present.

Found Dead

James Davis, 79, Cliffwood Ave., Cliffwood, was found dead Monday at his home. County Physician Julius A. Toren said death was from natural causes.

Mr. Davis was born in Columbia, S. C., and was the husband of the late Frances Taylor Davis. He is survived by a son, Earl Davis, Philadelphia.

Preliminary funeral arrangements were in charge of the Day Funeral Home, Keyport.

Carries Weapon

Otto Jones, 32, of Colts Neck Rd., Freehold, was charged with carrying a concealed weapon by Matawan police when he was arraigned before Magistrate James H. Martin Monday. Halted Sun-

TWO FROM AREA INDICTED BY JURY

Three Bayshore men have been indicted on various morals offenses involving minor girls. Those indicted were:

Frank Cash, 35, Delaware Ave., Cliffwood, for carnal abuse of a five-year-old girl Aug. 28 in Matawan Township. Cash entered a plea of no defense to the charge.

Norman J. Tooker, 19, of 116 Second St., Keyport, and Donald Bennett, 22, of 15 North Bridge Ave., Red Bank, for carnal abuse of a 15-year-old Keyport girl in Middletown on Aug. 22. They entered pleas of not guilty.

FORUM SESSIONS HELD WITH LOCAL CANDIDATES

Mrs. David Watson, chairman of the Civics and Legislation Department of the Laurence Harbor Woman's Club announced that two forum type meetings were held at the home of club president, Mrs. Ragnar Wang, 346 Woodbine Way, in order to give club women an opportunity to interview candidates for office. One meeting was with the Republican candidates and the second meeting they met with the Democratic candidates. Mrs. Watson and Mrs. E. O. Locke attended the Third District Fall Conference in Perth Amboy. It was an all day session.

MAN HURT WHEN CAR STRIKES BUS

Frank Dederding, 30 Pacific St., East Keansburg, received a broken nose, cuts and bruises Friday night when his car collided with a bus at Six Corners, Keyport.

Police said the car was going south on Route 35 and the bus, going east on Broadway, was struck on the right side. A traffic signal at the intersection was out of order because of the storm.

The bus was driven by Albert Klein, 846 Woodmere Dr., Cliffwood. No one was injured on the bus, police said.

FINAL PLANS SET FOR MINSTREL

Frank V. Shea of Matawan, has been named chairman of the second annual minstrel of St. Joseph's Council, Knights of Columbus, Keyport, to be presented Feb. 20.

John Triggs of South Amboy will serve as director of the show, having directed the production of a number of successful musical shows in his home city.

The praises of others may be of use in teaching us, not what we are, but what we ought to be.

—August W. Hare

DEMOCRATS PLAN GET-TOGETHER AND RALLY TOMORROW

The Madison Township Democratic Club will sponsor its first get together and rally on Saturday night, Oct. 23 at the Cheesequake fire house, Route 34, Cheesequake. The affair will start at 8 p.m. All local candidates will be present and the County Democratic Committee has been invited to send County candidates to meet the membership of the newly formed organization.

The Laurence Harbor Democratic Club has been invited and have promised to be present with a large delegation.

There will be entertainment and refreshments will be served. We look forward to having a large attendance.

The committee in charge of the affair: Walter Staeger, Cheesequake, chairman; Martin Maziag, Morristown; Roy Morgan, Old Bridge; Lester Drost, Cheesequake.

MOTHERS CLUB OF HARBOR CHURCH PLANS MEETING

The Mothers Club of the Laurence Harbor Community Church will meet Thursday, October 28 at 1:30 p.m. in the church. Hostesses for the meeting will be Mrs. James Robbins and Mrs. William Wallis.

The club is collecting smooth-edged cans of various sizes for use in the Nursery school project. Anyone wishing to help may leave items in the Sunday School room of the church.

Parents wishing to attend the regular worship service on Sundays at the church may leave their young children at the Nursery school. Mothers in charge will be Mrs. Dee Lancaster, October 24, and Mrs. Helen Palmer October 31.

Mrs. David Watson is serving as the welcoming committee of the church during October.

JOINT MEETING OF AREA LIONS CLUBS ARRANGED

A joint meeting of the Lions Clubs of Laurence Harbor, Fords, Perth Amboy and South Amboy will be held on Monday night, 7 p.m. at Burlews Restaurant in Laurence Harbor.

The committee in charge has arranged a special program for this occasion.

The Harbor Lions Club will hold their annual Halloween Party and parade on Sunday afternoon, Oct. 31, at 4 p.m. on the grounds opposite the fire house.

FIELD GOAL BY POINT DOWNS RED RAIDERS 17-13

A hard charging Point Pleasant forward wall and a field goal by half-back Leigh Millar spelled the difference between winner and loser Saturday as the Garnet Gulls dashed Keyport's hopes in the B division of the Shore Conference 17-13.

Point Pleasant outplayed the Raiders in the first half but the Keys came back strong in the third canto to make a game of it.

Keyport's team, over-balanced with sophomores and juniors appeared in line for a good lacing in the opening minutes of the game, but fought back. It was either team's game in the final quarter.

The game was two minutes old, and Point Pleasant had just started its first running play when Dave Wettlin broke thru tackle, threaded a path past Keyport's secondary, and waltzed to a touchdown. Millar kicked the point. Keyport could only manage one first down against the vicious play of the Gulls line in the first quarter, and Point Pleasant was unstoppable. With Millar and Wettlin running, and Tommy Morris pitching short passes from the quarterback slot, the home team marched 40 yards for its second touchdown before the quarter ended. Millar dove thru the line from a yard out for this score. Millar kicked the extra point.

The Gulls were still running wild thru Keyport's line the second quarter, and the Red Raiders still hadn't found a hole thru Point's line when the Keyport team scored shortly before the half ended. Hal Craft, tackle, recovered a fumble by Don Frick, opposing quarterback, on the Keyport 35-yard line. In two plays, Richard Wharton hit Lennie Golden with a pass. Golden, almost down twice, tight-walked the sideline for the score.

With the Point Pleasant team ahead, 14-6, it was a different Keyport squad which entered the contest the second half. Stan (Tuffy) Baker's Raiders became the aggressors, and the Gulls were holding on to the slim advantage they held. Neither team was confident of its scoring chances in the third quarter. Ground was swapped fairly evenly. When the Gulls, after Millar intercepted a pass tossed by Keyport's Norm Ross, moved the ball to the Raiders' 15-yard stripe they elected to kick. Millar booted a perfect field goal to send the Gulls ahead 17-6.

The three points grew larger as the game wore on. Keyport held the ball the entire fourth quarter except for six plays. Midway thru the last period the Raiders attempted to punt, and three times penalties were called against the Point Pleasant linemen. The last was for unnecessary roughness, and the resulting 15-yard penalty against the Gulls gave Keyport a first down on the host's 32. The Raiders were smeared for a 12-yard loss, then Charlie Walling passed to Bob Mirro from kick formation. The Gulls stared as Mirro caught the ball and scored. This time Hyman bucked for the point successfully.

KEYPORT, MATAWAN BOTH SCHEDULED TO PLAY AWAY

Both Matawan and Keyport High School football teams return to the grid wars Saturday afternoon in away tilts which will be both division and intersectional battles.

Matawan the defending champion in the Shore Conference Class B, can assure itself of nothing worse than a tie for the crown Saturday if it thrashes Rumson, as expected, at the Purple Bulldogs' gridiron. Rumson and the Huskies were both idle on Saturday. Rumson has yet to win this campaign, being trounced by Red Bank and Toms River, two Class

A foes, but this will be the first Class B tangle for the Bulldogs. A victory for Rumson would give it the undisputed leadership in Class B.

In a battle between teams from different sections of the Shore Conference, Lakewood will entertain Keyport. The Piners and Red Raiders both lost on Saturday, as Freehold thumped Lakewood, 25-6, while Point Pleasant shaded Keyport, 17-13. This may develop into a tight battle tho Lakewood will rate as a slight favorite to earn the victory.

NATIONAL AIR GUARD IN STATE HAS OPENINGS

The New Jersey Air National Guard's tactical squadrons have been authorized to add two information specialists to their complement, it was announced today by Lieutenant Colonel Francis R. Gerard, Commander of the 108th Fighter-Bomber Group.

A recent Air Force policy permits the addition of a staff sergeant and an airman first class to each squadron. Their primary duties will be to give newsworthy information to the newspaper and broadcasting services of the State. Colonel Gerard said, "This is a fine opportunity for young men with newspaper or radio experience to render a valuable service to their country, their community and to the news profession." The 119th Fighter Bomber Squadron is based at Newark Airport and the 141st Fighter Bomber Squadron at McGuire Air Force Base near Trenton.

The men who are selected as

information specialists have the option of attending an eight week course at the Information School, Fort Slocum, New York. The school offers courses in news writing, radio and TV script writing, public relations and elementary press photography. The men will receive the pay and allowances of their rank while attending the Information School.

TRIPLE OFFER FOR HOLMDEL PROPERTY CONDEMNATION

Condemnation commissioners have evaluated a Holmdel property at almost triple the offer made by the New Jersey Highway Authority to the owner as part of the right of way the New Jersey Parkway.

The commissioners reported to the Superior Court this week that Jacob Rue, Jr., is entitled to \$61,960 damages according to their findings. The authority filed condemnation action after Mr. Rue refused their offer of \$21,447.

Mr. Rue contended thru his at-

torney, Alston Beekman, Jr., of Red Bank, that the authority took 47.66 acres of his property, including 10 acres of orchard, 20 acres of corn, and 15 acres of alfalfa. The balance was in pasture and the total was about one-third of his tillable farmland on the west side of Telegraph Hill.

The owner had used the land as a dairy farm for 30 years. He said the authority also took his only brook for the project, the Garden State Parkway. The Parkway runs for 4,000 feet thru his farm, he said.

Telegraph Hill Road also was dead-ended at the Rue property for the Parkway and a tenant house and auxiliary buildings were taken.

The condemnation proceedings were filed July 3, 1953. The hearing took place in Freehold between last Sept. 22 and Sept. 29.

George A. Bariscillo, Jr., and J. Raymond De Ridder, were the condemnation commissioners appointed by Judge Frank T. Lloyd of the Superior Court.

Robert C. Borden, an appraiser employed by the Highway Authority, testified in his opinion Mr. Rue's damages were \$37,150. J.

Crawford Compton, Belford realty man, testified for the authority he felt damages should be \$38,552.

Paul R. Stryker, Holmdel realtor, testified for Mr. Rue and placed damages at \$77,400, and William H. Hintelmann, Rumson realtor, set the figure at \$74,246.

Edward W. Wise, Jr., Red Bank Attorney, represented the Parkway Authority.

The fact that purification of thought and action removes the obstacles to individual growth, progress and salvation, will be emphasized at Christian Science services this Sunday. The Lesson-Sermon

is entitled "Probation After Death."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following passage will be among those read: (492:7-12) "Being is holiness, harmony, immortality. It is already proved that a knowledge of this, even in small degree, will uplift the physical and moral standard of mortals, will increase longevity, will purify and elevate character. Thus progress will finally destroy all error, and bring immortality."

The Golden Text is from James (1:12): "Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him."

ROLL CALL SET HERE BY ST. JOHN'S METHODIST CHURCH

The Annual Roll Call Services of the St. John's Methodist Church will be held this year on Thursday, October 28th. As in past years, there will be two worship services. The afternoon service will begin at 3:30 with Doctor B. Harrison Decker speaking. Doctor Decker is the Superintendent of the New Brunswick District of the Methodist Church and is known for his outstanding ability as a Pulpiteer.

In the evening, 7:30, the guest speaker will be Doctor Norman Paullin, Professor of Homiletics at the Eastern Baptist College and Seminary and the former pastor of some of the larger Baptist Churches of this area including Baptist Temple, Philadelphia, and the First Baptist Church of Asbury Park.

The ladies of the church will serve a Free Fellowship Supper between 5:30 and 7:00, for all who care to stay. Everyone is invited.

At both the afternoon and evening services there will be special music of a superior type. Mrs. Rhea Vandermark, Minister of Music, will be in charge of the musical portion of the day.

LEGAL NOTICES

NOTICE OF SALE OF LAND To Whom It May Concern:

At a regular meeting of the Township Committee of the Township of Madison, County of Middlesex, New Jersey, held on October 18, 1954, it was directed to advertise the fact that the Township Committee will meet in the Township Hall, Brownstown, N. J., on November 1, 1954, to expose and sell at public sale to the highest bidder according to the terms of sale on file with the Township Clerk open to inspection and to be publicly read prior to sale:

Lot 31, Block 69, Birchwood Drive, Cliffwood Beach.

Take further notice that the Township Committee by resolution, and pursuant to law fixed a minimum price at which said lot in said block will be sold together with all other details pertinent, said minimum price being \$100 plus costs of preparing deed and advertising this sale.

Take further notice that at said sale or any date or place to which it may be adjourned, the Township Committee reserves the right in its discretion to reject any and all bids and to sell said lot in said block to such bidder as it may select, due regard being given to terms and manner of payment in case one or more minimum bids may be received.

AN ORDINANCE FIXING THE SALARIES OF BUILDING INSPECTORS OF THE TOWNSHIP OF MADISON.

BE IT ORDAINED by the Township Committee of the Township of Madison, County of Middlesex, State of New Jersey, as follows:

The salary of each building inspector of the Township shall be the sum of \$1800.00 per year, payable in monthly installments of \$150.00 per month, with the following provisions, namely, if the total sums collected by each building inspector by way of fees does not equal his salary, then the compensation is only to be the amount collected by each building inspector by way of fees, and in the event the sums collected by each building inspector exceeds the sum of \$1800.00, the surplus becomes the property of the Township.

PUBLIC NOTICE

Take notice that the foregoing ordinance was finally adopted at a meeting of the Township Committee of the Township of Madison, held October 18, 1954, in Township Hall, Brownstown, N. J., and will take effect according to law.

Promise Water

(Continued from page one)

next summer.

Borough Council had voted at a meeting last April 13 to stop the flow of water to a section of the township, to cut off Cliffwood and Genoa avenue residents from the borough's water supplied to them thru the Ravine Drive pipe. The township was given six months notice.

The action last April arose out of a charge made at the March 23 Borough Council meeting by water commissioner Evans Hyne that the township was "secretly" connecting the pipe to a tract in Madison Township where he believed 300 homes were to be built.

The Matawan Township Hose and Chemical Company reported the election of Asperino Daltonza as chief, Fred Della Pietro, assistant chief, and Carmen Della Pietro, captain.

MEYNER, DRISCOLL WILL APPEAR AT PARKWAY RITES

The New Jersey Highway Authority will take its first time out for celebration this Saturday after two years of planning, building and operating the Garden State Parkway.

The authority will hold the official opening celebration with some 1,500 guests expected to help do the honors. A major portion of the projected 165-mile scenic route has been in operation since early August.

The celebration will be staged on the grounds of the authority's future administration building area at Telegraph Hill, Holmdel Township, along the parkway in

Monmouth County.

Large tents are to be set up on the grounds next Saturday to accommodate the guests. The flaps of the tents will be up if the weather permits. One tent will be devoted to the distribution of box lunches and the other will be set aside for the formal ceremony.

Gov. Robert B. Meyner and former Gov. Alfred E. Driscoll will be the main speakers during the formal ceremonies marking the opening of a 143-mile section of the parkway from Irvington in the north to Cape May at the lower end of New Jersey. That section was opened to traffic piece by piece without fanfare as soon as ready during the past several months.

The celebration is to begin at noon with the box luncheon. The guests have been invited to eat their lunches on the grounds at spots of their own choice — if weather permits—or at tables to be set up under the refreshment tent. Guests may also take their lunch boxes to seats in the main tent.

The 50th Armored Division Band of the New Jersey National Guard will entertain during the luncheon period and an exhibit of old and new cars will be set up on a mall in front of the tents.

Only cars bearing an identification sticker on their windshields will be permitted to enter the Telegraph Hill area from the parkway by state police patrolling the road. The identification stickers were given to guests accepting invitations along with a booklet of "good only October 23" coupons for free passage thru Parkway toll plazas. The celebration site can be reached only by means of the parkway.

Parkway hostesses will be on hand at the celebration site to guide guests and distribute offi-

cial programs. Members of the police reserves in the Monmouth County area will also serve to guide the guests in parking their vehicles on the grounds.

The Highway Authority was organized in July, 1952, to build and operate the parkway. It opened the first toll section of the parkway last January. Prior to that, toll-free sections had been completed by the New Jersey Highway Department. The authority was created to complete the project after it became apparent that the limited facilities and funds of the state department would make the parkway a 30-year-or-more construction job.

HALLOWE'EN FETE SET AT CLIFFWOOD

Daniel H. Downey, secretary of the Cliffwood Angels Field Club, has been appointed chairman of a committee from the club to stage a Halloween parade on Oct. 30, assisted by John Kenner and Peter Vena. The fire company auxiliary will handle refreshments.

The parade will start at 6:30 p.m. at the Civic Building in Cliffwood Beach and proceed on Shore Concourse to Amboy Road, to Cliffwood avenue and to the firehouse where prizes will be awarded for costumes.

Other organizations which have agreed to assist in the project include the Cliffwood Fire Co., the Cliffwood First Aid Squad, Guadalupe Post, Veterans of Foreign Wars; the Ladies' Auxiliary of the Cliffwood Fire Co., and the River Gardens Home Owners' Association.

Music should strike fire from the heart of man, and bring tears from the eyes of woman.

YOUR GARDEN THIS WEEK

Most gardens are deficient in organic matter the substance that makes for fertility in soil.

This is especially true in many recent real estate developments.

The problem of restoring the natural fertility of the soil is one of adding and digging in organic matter. Lime the soil if necessary, add complete commercial fertilizer and keep a crop growing continuously.

It is not too late to sow a cover crop such as ryegrass, wheat or rye, to produce green material to dig under in spring.

You may be able to buy rotted stable manure, if you are near a dairy or a dude ranch or riding club.

Or perhaps you can get sawdust or fine shavings. Pile these in layers of 6 inches or so, and on each sprinkle a little lime and complete fertilizer. Trample shavings down and moisten thoroughly.

They should season about a year before digging into the garden soil.

You can collect leaves, waste vegetable material from the kitchen, tops of garden plants that

are not diseased, and fine prunings from shrub and rose bushes. In fact, any sort of waste vegetable material can be included in the compost pile, which can be made on top of the ground in an out-of-way corner.

Make the layers 6 to 12 inches deep, trample, sprinkle on lime and fertilizer and a little soil from the garden to supply decay organisms. Start with a pile 5 by 5 feet and build it up by successive layers, making the top dish out to catch water, as the mass must be kept moist. When the pile is 3 or 4 feet high, start another next to it and touching.

Decay is not rapid in winter, but if the winter is mild, it would pay to turn the mass over about January. Then in spring, some of the compost may be decayed enough to work into the garden soil. In 9 to 12 months all should be sufficiently decayed for use.

BISHOP AHR URGES ACTIVE LAITY PROGRAM

Now more than ever is there need of an active and articulate laity, Bishop George W. Ahr told the priests of the Diocese of Trenton at the last clergy conference.

ference.

The statement came during a discussion by Bishop Ahr of the Regional Catechetical Congress to be held in Asbury Park November 12-14 by the Confraternity of Christian Doctrine of the Archdiocese of Newark and the Dioceses of Trenton, Paterson and Camden.

"The purpose of the congress is to emphasize the necessity of religious instruction for a thorough knowledge of 'divine things,'" Bishop Ahr told the clergy. "The laity in particular will be stimulated to action by the many opportunities offered them in the program of the congress."

15 Years of Shell Research
Overcomes A Major Cause
of Oil Burner Service Calls

Clogged filter screens have been recognized for years as a major cause of oil burner service calls.

Shell Research spent 15 years developing a way to combat screen clogging. The result was FOA-5X, an additive that is now in every gallon of Shell Furnace Oil.

During three years of exhaustive testing of FOA-5X in thousands of homes not a single case of burner failure due to a clogged filter screen was reported.

For carefree heat all season, switch to Shell Furnace Oil with FOA-5X. It costs no more than ordinary heating oils. Call us today. We'll make all the arrangements.

A Message of Thanks from Your Electric Company

To those whose electric service was interrupted by last Friday's hurricane, we want to express our thanks for their patience and understanding while repairs were being made.

By Saturday night — less than 24 hours after the hurricane struck — most of the trouble had been cleared. In some places restoration of service took longer due to the more serious damage to electric lines and equipment. Except for a few isolated cases restoration of service to homes was virtually completed on Sunday.

We appreciate the fact that any interruption of electric service — even if it were only for a few minutes — is a serious inconvenience to our customers. All emergency equipment and materials were put to use immediately following the hurricane. Our line crews — including those dispatched from other areas of the company — worked for more than 30 hours without interruption, except for meals, and every other JCP&L employee did his best to assist in restoring electric service as rapidly as possible and reduce to a minimum the inconvenience of being without electricity.

HOLMDEL ORDERS PLANNING BOARD FORMATION

An ordinance establishing a planning board was ordered drawn at the regular meeting of the Holmdel Township Committee. The board will be empowered as a referral agency without power to act independently of the township committee.

The ordinance, slated for final action at the Nov. 11 meeting, would extend minimum widths of streets from 40 feet to 50 feet.

The committee, at its next meeting, will consider approval of a franchise for the West Keansburg Water Company to supply the township. There is no commercial water supplier there now.

Township Engineer Otis Seaman reported he has applied for an \$8,000 state appropriation to repair Campbell Rd. He also told the committee that the state has taken no action to repair roads damaged by Garden State Parkway construction equipment.

The committee voted to make preliminary repairs to Crawford's Corner Rd., while it waits for state action. State Highway Department engineers have inspected six township roads damaged by construction equipment and for which

state aid has been asked.

The committee approved a variance request from Kenneth S. Willey to convert a former Army barracks on Telegraph Hill Rd., into a private residence.

Residents from Beers St., presented a petition asking that street lights be installed on the lower portion of that street between Bethany Rd. and the Parkway. The committee approved two lights in that section.

The North Centerville Volunteer Fire Company asked the committee to grant it aid since the company covers part of the township. The committee moved that a sum be included for the company in next year's budget.

The Monmouth County Organization for Social Service reported to the committee that it had realized a profit of \$1,430.50 from the fair it held recently.

MATAWAN JEWISH LEAGUE FORMED

The Matawan Jewish League has been organized and officers elected. Lewis M. Bloom was elected president; Barney Reiffen, vice president; Dr. Walter Ogens, treasurer and Faye Kossacoff, secretary.

The next meeting of the League will be held in the Keyport Syna-

gogue on Thursday night at 8 o'clock, at which time a discussion will be held on local civic issues. Refreshments will be served. Guests are invited to attend.
