THEY DESERVE THE OPPORTUNITY

We have studied closely the planning, effort and intelligent supervision given Madison Township affairs since the first Democratic majority in 38 years took office last January 1. In 1953, Madison Township voters, fed up with part-time politicians, broken promises, backwoods bickering and do-nothing government elected a Democratic majority for the first time in 38 years.

In less than ten months, Democratic officeholders serving the people of Madison Township, have shown, by their own resourcefulness, their integrity and progressive planning they fully deserve the opportunity to continue the program of progress for our community.

The Democratic record of improvement and progress during the past ten months, completely overshadows that of the inept Republican administration which ruled the township their own way for almost four decades.

Voters have shaken off the yoke of Republican rule. The township is advancing strongly and certainly under Democratic administration. Let's continue that administration which is resolved to a better way of life for all our residents.

During the past ten months we have seen giant strides toward the future by a revitalization of the police department, a stronger planning board, an honest program of road improvement, provisions for new housing developments and schools, the establishment of a sewerage authority to cope with a problem that has grown steadily worse during the decades of Republican regime.

Each of the many departments of municipal government have grown stronger, more active, revitalized with young ideas, new ideas carried through with determination of those who know and want what all of us want . . . a new clean community, decent homes, water, roads, a town of which we all can be justly proud.

The Democratic candidates presented for your approval this year are young, honest men of integrity, ambition and most of all, equipped with the determination to carry out the mandate of the people for progressive and intelligent government.

We urge all our readers to vote next Tuesday, November 2, for the Democratic candidates, men who have shown what they can do in ten months . . . ten months of activity which puts to shame the GOP inadequacy over 38 years.

We urge you to vote for Michael Staats, Councilman James Robbins, James B. White and Edward J. Scanlon as a team which can solve and plan the answers to problems which have plagued our community for so many years. We say elect these young men, these veterans, these candidates on which the future of our community so sorely depends.

Give our community a chance to grow, to improve and most of all, give us the chance to live decently, in a progressive community. Elect the Democratic candidates at the polls next Tuesday. The future of our town depends on it.

EXECUTIVE BOARD PLANS FOR LEGAL SECRETARY FETE

The Monmouth Legal Secretaries Association Board members met at Louis' Restaurant, Middletown, recently, to discuss a calendar of events for the ensuing months. For November, plans for the Second Annual Bosses Night were formulated. The occasion is scheduled for Wednesday, November 17th, at Joseph's Restaurant, Eatontown. At this dinner-meeting, the boss is the guest of his secretary. A short resume' of the group's work, activities and aims will be presented. The guest speaker will be announced at a later date. Miss Dorothy Smeaton and Miss Sunny Lampel are in charge of the arrangements and entertainment.

The Organization is interested in receiving applications from legal secretaries within Monmouth County. Interested parties may write to Miss Regina Bromberg, c/o Leo Weinstein, Matawan.

Members of the Executive Board present at this meeting were: Mrs. Annette DiGiambattista, chairman, Mrs. Eleanor Walsh, Miss Sunny Lampel, Miss Dorothy Smeaton, Mrs. Myrtle Hoyt, Miss Jane Lockhart, Mrs. Etta Lockhart, Mrs. Alice Schanck, Miss Regina Bromberg and Mrs. Estelle E. Lane.

BISHOP BRADY TO BE SPEAKER AT CATHOLIC CONGRESS

The Most Rev. Matthew F. Brady, D.D., Bishop of Manchester, N. H., will be among the outstanding speakers at the Catechetical Congress of the Confraternity of Christian Doctrine at Asbury Park November 12-14.

Bishop Brady, who has been Bishop of Manchester for 10 years, has had organized in every parish of his diocese a Confraternity unit. He has personally supervised the setting up of complete CCD units in a number of the parishes.

Bishop Brady will deliver the principal address at a luncheon of the clergy attending the congress on the opening day at Hotel Berkeley-Carteret. His topic will be "The Priest and the Confraternity of Christian Doctrine." He will be presented by Rt. Rev. Msgr. James J. Hogan, pastor of St. Catharine's Church, Spring Lake, and chancellor of the Diocese of Trenton.

That same evening, at a general meeting of priests, Sisters and the laity in Convention Hall, Bishop Brady will speak on "The Role of the Laity."

Bishop Brady, a native of Waterbury, Conn., was ordained on June 10, 1916, and did parish work as well as served as Confraternity director in the Diocese of Hartford when that diocese comprised the entire State of Connecticut. He was consecrated Bishop of Burlington, Vt., October 26, 1938, and became Bishop of Manchester on November 17, 1944.

MONMOUTH SCOUTS VISIT CENTER

Monmouth Council Boy Scout Commissioners and their families

will visit the National Training School of the Boy Scouts of America at Mendham, New Jersey Sunday afternoon, October 31. William Mattison, W. Allenhurst, Commissioner for Monmouth Council, said that arrangements had been made at the school for a family picnic later in the afternoon.

The National Scout center known as the Mortimer L. Schiff Scout Reservation lies just west of Morristown on a beautiful hillside. Picnic tables and fireplaces are located along the lake. Mr. Mattison said that he expected a group of our 100 Commissioners and their families to attend.

Boy Scout Commissioners serve the 200 Scout Units in Monmouth County and assist in the promotion of all activities and camping events. James Flynn, Matawan, leads the Chingora District; Albert Quackenbush is in charge of the program in Middletown Township, Atlantic Highlands and Highlands.

Robert Sagurton, Shrewsbury, is District Commissioner for the Red Bank area and Francis Bruce, Eatontown, is in charge of the Long Branch area. The Southern District of the County from Deal to Brielle is headed by Will Price, Ocean Grove, and the Freehold-Farmingdale District and District Eight at the New Jersey State Home for Boys is headed by Carl Moore. In addition to the Commissioners attending the picnic at Mendham on the 31st will be the Executive Staff and Camping and Activities Committeemen.

MONMOUTH ARTS FOUNDATION SETS FALL SCHEDULE

The Monmouth Arts Foundation is well under way in its sale of season subscriptions for the 1954-1955 series of shows to be given in the Red Bank Carlton Theater.

The Series will open with Agnes Moorehead on November 16, 1954. Miss Moorehead is directed by Charles Laughton and presented by Paul Gregory. This will be a wonderful show that no one should miss, featuring many of the numbers that have made this show famous, such as "Sorry, Wrong Number", material written by George Bernard Shaw, James

Reading Room, Wednesday afternoon, 2-4 p.m.

How God's infinite love for man redeems man from sin by destroying sin and revealing man's divine, sinless nature, will be explained at Christian Science services Sunday. The Lesson-Sermon is entitled "Everlasting Punishment."

Among the passages from the King James Version of the Bible will be read the story of the Prodigal Son, including his forgiveness and his welcome back to his father's house, as told in Chapter 15 of Luke's gospel.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following selection on the overcoming of sin will be read: (327:9-13): "Evil is sometimes a man's highest conception of right, until his grasp on good grows stronger. Then he loses pleasure in wickedness, and it becomes his torment. The way to escape the misery of sin is to

cease sinning. There is no other way." mercy, and with him is plenteous redemption."

The Golden Text is from Psalms (130:7): "Let Israel hope in the Lord: for with the Lord there is mercy, and with him is plenteous redemption." To be free from evil thoughts is God's best gift.—Aeschylus.

YOUR GARDEN THIS WEEK

Sweet peas are admired by nearly everyone, but not many gardeners have success with them.

The reason is that seed sowing is deferred to the normal season for most crops—April and May—and by the time the sweet peas are up, hot weather is on us. Sweet peas are a cool weather crop.

If you have a cold frame or a greenhouse, you can sow your seeds in pots, paper cups, veneer

or paper bands, about February 1 to 15. They can then be transplanted to the open garden and should give good results.

Another way is to prepare the soil now for immediate or early spring sowing. Dig a trench 1 foot wide and 2 feet deep if possible. If you can get it, place a layer, several inches deep, of well rotted manure in the bottom of the trench.

Then fill the trench with good soil. Tread down every 6 inches as you fill. Leave the top rounded to allow for settling.

If the top is well rounded, the ridge will dry out enough so that you can make a furrow and plant the seeds about 1 inch deep in late February or early March.

Seeds may be sown in autumn. At this season, place them in a furrow 2 inches deep. Sown about Nov. 1 to 15, seeds will germinate and the seedlings will develop a good root system. Tops will usually not appear aboveground until spring. If they should appear, place a light mulch of straw over them, after soil freezes.

Any of these methods will give you the jump on the extreme heat to be expected in mid-June. You will by then have had the best blooms.

WOMAN INJURED AS THREE CARS ARE PILED UP

A 54-year-old woman was injured Sunday afternoon in a three-car collision on Route 18 at the entrance of the Old Bridge stadium.

Mrs. Beatrice Evans of South Bound Brook, was removed to St. Peter's Hospital, New Brunswick by the Madison Township Emergency Squad. She was treated for shock, and possible injuries of the left arm and the base of the skull.

Police gave this version of the accident:

Edwin Bowne of Helmetta Rd., New Brunswick, was proceeding north on Route 18 when he was forced to stop by the traffic

ahead. His car was hit in the rear by Conover's vehicle which in turn had been slammed in the rear by a car operated by H. Rivington Pyne Jr., of Pea Pack.

Pyne told police he did not see the cars ahead of him stop until he was too close to halt.

A Letter To The Editor
Dear Sir:

As chairman of the medical school committee of the Medical Society of New Jersey, I would appreciate the opportunity to address the readers of your newspaper through your Letters to the Editor column and urge that they vote 'yes' on the referendum for a medical-dental college and health center on November 2.

Although we must provide for an increase in doctors and dentists

in New Jersey's expanding population, it is also important to understand the auxiliary health services provided by a state medical-dental college and health center.

These functions of a health center will have a very direct effect upon the health of the people of New Jersey. One of the problems in the practice of medicine today is the lack of skilled technicians who stand at the right hand of the practitioner. The training of nurses, X-ray technicians, physical therapists and other specialists will be a function of such a unit.

A modern medical center extends its teaching to hospitals and doctors in every corner of the state as well. Skilled teachers and research men will bring the latest information directly to the doctors who daily treat New Jersey's citizens.

All these facts must be understood so the people will know that

they are voting not alone for a medical school, but also a modern health center whose influence will be felt in every household in the state.

We therefore urge a 'yes' vote as one that will simultaneously be a vote for better health services for all the people of New Jersey.

Sincerely,
Stuart Z. Hawkes

Representative James C. Auchincloss

My friends, I wish it were possible for me to meet personally everyone in the District I have the honor to represent in the Congress, but as this is impossible, I am using this means to thank you for your support in the past, and to let you know that I consider it a great privilege to serve as your representative in Washington.

In government there is no such thing as a finished job—it must

be a continuous effort. With that in mind I am again seeking reelection as your representative and I pledge you my word that I will continue to devote all my time and energy to your service in the firm belief that our great Republic under God will play its part in bringing peace and good will to the nations of the world.

TWO YEAR COURSE IN NURSE CARE OUTLINED HERE

Approval of the first hospital-sponsored two-year nursing course in the United States was voted recently by the Board of Governors of the Monmouth Memorial Hospital, Long Branch. The School of Nursing has been accepted as one of the pilot schools in the Co-operative Research Project in Junior and Community Education for Nursing conducted by Teachers College, Columbia University.

In announcing the decision, Mr. Bertram H. Borden, Chairman of the Board and Chief Executive Officer of the hospital, stated that approval of the two-year program has been granted to the hospital by the New Jersey Board of Nursing and that graduate nurses under the program will be eligible for licensing in the State of New Jersey.

The program to be initiated in September, 1955, will prepare its graduates to assume the responsibilities of professional nurses in

beginning practitioner positions in Nursing. A new approach to education for nursing, the essential change in the curriculum plan is the minimizing of the required service in the care of patients which has heretofore consumed a considerable amount of student time. In the two-year plan, instructional assignments in the patient areas will be limited to provide specific experience. As a result, time can be fully utilized in learning rather than in assisting. The curriculum is designed to combine both liberal arts and nursing, with courses in the basic arts and sciences taught at the Monmouth Junior College, continuing an eleven-year affiliation between the College and the School of Nursing.

The specific benefits of such a course were outlined by Mr. Monroe Eisner, Secretary of the Board of Governors, as follows: (1) Credits earned are equivalent to those earned in the current three-year program; (2) The potential number of student nurses is increased by opening enrollment to all age groups, regardless of family responsibilities; (3) Stu-

dents who prefer to live at home may do so; and (4) Regular hours and assignments will enable student nurses to procure work in their spare time to help defray their expenses.

Miss Mildred S. Schmidt, Director of Nursing Service and the School of Nursing, regards this change in the program as a great attraction to prospective nursing students. The present classes at the School of Nursing will continue under the three-year plan.

15 Years of Shell Research
Overcomes A Major Cause
of Oil Burner Service Calls

Clogged filter screens have been recognized for years as a major cause of oil burner service calls.

Shell Research spent 15 years developing a way to combat screen clogging. The result was FOA-5X, an additive that is now in every gallon of Shell Furnace Oil.

During three years of exhaustive testing of FOA-5X in thousands of homes not a single case of burner failure due to a clogged filter screen was reported.

For carefree heat all season, switch to Shell Furnace Oil with FOA-5X. It costs no more than ordinary heating oils. Call us today. We'll make all the arrangements.

MATAWAN HUSKIES GO UNDEFEATED TOP RUMSON 19-6

The hardcharging Matawan forward wall coupled with the vicious slants of fullback Steve Fedele Saturday hammered out a 19-6 win for the Huskies over Rumson High School.

Taking the ball continually on a well-conceived trap play, Fedele cut thru the Rumson line all afternoon. Fedele accounted for one touchdown of his own, and was instrumental in setting his team up for touchdowns on the other two occasions.

Within three minutes after the opening kickoff, the Bulldogs went over for their only touchdown of the day. The score came on a 25-yard pass from quarterback Spencer Morgan to left end Bill Emmons. Emmons caught the ball on the two and romped over untouched.

Matawan, unable to enter Rumson territory thruout the first quarter, took to the air lanes in the second period to tie the score seconds before the half time gun.

The Huskies' first score came on a pass play from Fedele to Alar Wolf. Wolf caught the ball on the Bulldogs' 32, and shook off two tacklers to go the rest of the way.

The Huskies started their offense rolling again in the last quarter after Marvin Hauser raised team spirits by intercepting a Rumson pass on the Matawan 37 yard line and returning it down the sidelines for 44 yards. He actually went over the goal line standing up but the referee announced he had stepped out of bounds on the 17.

At this point diminutive Steve Fedele took over and crashed thru the line for four consecutive plays, moving the ball to the Rumson two. Quarterback Pete Vena then went over to score on a quarterback sneak.

After taking the ball over on their twenty after a touchback the Rumson Bulldogs attempted to pass out of trouble. But each time the quarterback was rushed and tackled. A bad kick gave Matawan the ball on the Rumson 29. Fedele was then called on again and the little 160 pounder produced with a 17 yard buck on the second play for another Huskie TD.

Matawan had possession of the ball deep in Rumson territory when the final gun sounded, following a 16-yard jaunt by Fedele.

RED RAIDERS LOSE TO LAKEWOOD BY 19-14 COUNT

The Red Raiders of Keyport High School lost in the final two minutes of the ball game against Lakewood Saturday afternoon as the Piners punched across a touchdown to scratch out a 19-14 seasaw win at the victor's field.

Coming from behind twice, Ed Voll's Piners were paced by Leo Reizer on both the offense and defense. A tackle-turned-back, Reizer had been sidelined by injuries for

the past two weeks.

The contest was marked by hard and rugged defensive action, but the "breaks of the game" told the final story.

Lakewood's best "break" set up the last touchdown, when Piner center Jim Estelle snatched a loose ball from Stu Hyman of Keyport on the visitor's 25 in the fading moments of the fray. Behind at that point, 14-13, Lakewood made the best of the situation, and six ground plays later, Reizer plunged over.

The Piners had a scoring opportunity in the first period when End Gerry Billings jumped on a Raider fumble. The hosts got nowhere, however, and it was an exchange of punts and another fumble, this time by Lakewood, that broke the scoring ice. George Ruth of Keyport grabbed a bobble by Lakewood's Max Cariaso on the Piner 18 and ran it to the four. On the third play, Ruth scored from two yards out. Keyport's conversion was good.

Lakewood pulled even in the second quarter. Keyport helped set up the touchdown with a poor kick that carried only from its 10 to the 29-yard line. Reizer did most of the running to the shadows of Keyport's goalpost, but it was a last-down pass on the five from Jim Ogborne to High Hall Neal that gave the Piners the touchdown. Reizer bulled over to tie the contest.

The Piners went ahead in the third quarter after Bob Gordon came up with a Keyport fumble on the Raider 39. Reizer and Cariaso shared running duties to knife the ball to the nine. Cariaso scored from this point, but the conversion bid failed.

The Monmouth County eleven came back from the next kickoff to march from its own 34 for its last touchdown. The attack was led by Ruth, Hyman and Charlie Walling. The tally originated from the Lakewood three, from where Ruth scored. The point-after-touchdown, a pass play, gave the Raiders the one-point edge.

HUSKIE GAME WITH RED BANK RATED TOP TILT

Matawan high school will face its sternest test this Saturday against Red Bank Catholic while Keyport again will be cast in the role of underdog against a strong Metuchen eleven.

Red Bank Catholic, the only Shore high school to go half its season with an unscored upon, unbeaten and untied record, faces its first real test of the season this Saturday against Matawan. It figures to be the game of the week at Red Bank High School field. In four games the Caseys have piled up 86 points while holding the opposition scoreless.

Matawan, the unbeaten leader in Division B of the Shore Conference, may make trouble for the power-laden Caseys. The only blotch on the Huskies' record is the 19-19 deadlock with Neptune High School. Matawan moved closer to retention of its crown Saturday by handing Rumson its first conference setback, 19-6.
