GIVEN THE CHANCE

The Madison American congratulates the victorious Democratic candidates for the Township Committee.

Last week this newspaper urged the election of these men, urged that they be given the opportunity to continue the forward strides already made under Democratic administration.

The voters, the people of our community have seen fit to elect these men. It is now their mandate, their duty to carry out, as best they are able, the wishes of all the people of the township.

These newly elected candidates fully realize their responsibility to all our residents. We are confident they will not break faith with the people and will carry out their mandate, to bring about a finer township community. Good Luck.

HALLOWE'EN FETE HELD BY LAURENCE HARBOR AUXILIARY

A Halloween party was held by the Ladies Auxiliary of Laurence Harbor Post 332, American Legion, in the post home with games, refreshments and entertainment.

Prize winners for costumes were: Prettiest, Mrs. William Holden; funniest, Mrs. Robert Mehm; most original, Joseph Mollis and Robert Mehm. Game prizes were awarded to Miss Rose Marie Fedors and James Vida of Bayonne; Mrs. James Coogan, Robert Mehm, Ber- (Continued on last page)

ART CONTEST WINNERS TOLD

Mr. Frederick Manning, portrait artist, and Mrs. Warren Donnell both of Matawan, were judges in the art contest sponsored by the Art Department of the Laurence Harbor Woman's Club. It was held at the P.T.A. meeting for the 6th, 7th and 8th grade pupils of the Memorial School. First prize in the water color group was won by Paulette Standish and William Stetzko was awarded honorable mention. Martin Liegel and Carol Magyar tied for first prize in the sketching group with Joyce Bosko and Carole Rainey receiving honorable mention. The prize winning pictures will be on display in local store windows for the duration of American Art Week. Mrs. Robert Martin was in charge.

MADISON BODY SETS DATE FOR ABC HEARING

The Madison Township Committee, at an election eve meeting Monday night fixed November 22 as the date for a hearing of an alcoholic beverage control board charge lodged against Boysen's Sunset Tavern on Sunset avenue, Old Bridge.

The charge accuses Melvin Boysen, an owner, with allowing and participating in a brawl at his tavern last Oct. 8. The decision will be handed down by the committee at an open hearing. An unfavorable decision carries with it a revocation, a fine or both.

A communication from the State Department of Motor Vehicles rejected a committee request for a traffic control light at the corner of Route 18 and Sunset avenue and offered instead a series of suggestions for traffic regulations. The matter was turned over to Committeeman James Robbins who said he would investigate the matter further.

Mayor Walter Jurman appointed Harvey J. Nielsen chairman of the committee in charge of Veterans' Day celebration here.

TWO INDICTED ON SEPARATE CHARGES

Two Bayshore men were indicted in true bills handed up recently by the Monmouth County Grand Jury. Those indicted were:

Richard Matthews, 44, Rooney Labor Camp, Marlboro, for carrying a .38 revolver and shooting Decatur Caldwell, Prosperity St., Manalapan on Sept. 17 in Marlboro Township.

George Meinzer, 54, Middlesex St., Matawan, bookmaking Sept. 28 at a Matawan Township tavern.

The sweetest of all sounds is praise.—Xenophon.

STRONG VOTE IN HARBOR SWINGS DEMOCRATIC SWEEP

The Democratic party registered a thumping victory in the four-cornered race here Tuesday sweeping aside its Republican opposition with a strong show of strength in the Laurence Harbor, Cliffwood Beach area and placing its entire slate of candidates on the Madison Township Committee.

The results now give the Democrats complete control of the governing body for the first time in the township's history.

The election here also marked the first time the residents of this township were called upon to vote for four candidates for township committee.

Michael Staats, Democratic candidate for a three-year-term against incumbent Thomas E. Miller, was elected by 180 votes, garnering a total of 1670 against 1,490 for Miller.

Democrat James H. Robbins, incumbent, swept past his opposition, Donald L. Borst, 1,668 to 1,488 to win the other three-year post.

Running for the two-year term on the committee, James E. White defeated his Republican opponent, Walter Quackenbush by a 139 vote margin. White gained 1,636; Quackenbush, 1,497.

Democrat Edward J. Scanlon running for the unexpired one-year term of the late Mayor John W. Crimmins, eked out a victory over his GOP opponent Maxwell H. Mayer. Scanlon gained 1,599 while Meyer netted 1,533.

The new slate will be sworn into office on Jan. 1955.

In commenting on the election Democratic Mayor Walter Jurman, who was not a candidate, remarked:

"We have received a vote of confidence. It is now up to the Democrats of this township to live up to that confidence. I am sure we will."

LOCAL ORGANIST SIGNS CONTRACT IN FLORIDA CLUB

Kenny Schultz, professionally known as Kenny Williams, son of Mr. and Mrs. Fred Schultz, 844 Summerfield avenue, Laurence Harbor, has signed a 15-month contract to perform at the exclusive Preview Lounge at Coral Gables, Fla.

Kenny is a highlight of entertainment at the Hammond Organ, according to press clippings just received from Florida.

Williams, a graduate of St. Mary's High School who served for four years in the Navy was nicknamed the boogie-woogie king of Laurence Harbor when he played the organ at the Matawan skating rink.

YOUR GARDEN THIS WEEK

by the hurricane will be in many cases a long time in repair. This is especially true where branches were broken from trees.

If the wood is sound, any stubs that were left should be cut back as nearly flush as possible to the trunk or a main branch. If the end of a heavy branch (2 inches or more) was broken off, cut back to the next side branch.

If in breaking, a splintered wound was left, it would be wise to smooth this down as well as possible with a chisel. After making the wound smooth, in either case, give it a coat of orange shellac. Then apply a coating of tree wound paint as protection.

If the break exposes evidence of internal decay, you have a job for a tree surgeon. To clean out some of the rotten wood and then fill with concrete is poor practice as it seals in the decay. This will result, usually, in more rapid decay. Sometimes a complete job costs more than the tree is worth.

A good procedure would be to clean out as much of the decay as possible and then try to locate the bottom of the hole by boring with an auger. Insert a piece of iron pipe to act as a drain. Leave the

top open.

In my own garden, climbing roses along the top of a trellis blew off. We have tied them up loosely. As soon as most of their leaves have fallen, the plants will be pruned as they would have been in the spring, and retied in place.

Dahlias have suffered by being blown over. If the main stem was broken, dig the clumps at once, and cure as well as possible. This will deter the starting of the eyes that would have produced plants next year.

Such growth will reduce the vigor of the roots to the point where they may not store well or start well next spring.

ADVICE OFFERED FOR PROPER CARE OF DAMAGED TREES

Rutgers University offers free, a circular that tells how to save storm-injured trees.

But before doing any work to extend the life of a tree, a property owner should ask himself if the tree really was doing a worthwhile job in the over-all landscape picture, according to Raymond P. Korbobo, extension specialist in ornamental horticulture.

Some trees, he points out, may have been planted in the wrong

places or perhaps the wrong kinds and the wounds are trimmed and sealed.

Topped trees, with some of their roots still intact, probably can be replaced with proper care and equipment. And trees with limbs broken off will live longer if the stubs are sawed off correctly

The leaflet is being offered through county agricultural agents, who are members of the College of Agriculture's Extension Service staff. In Monmouth county the agent is Marvin A. Clark

LEGAL SECRETARIES AT RECENT MEETING; PLAN BOSSES NITE

Members and guests attended the regular meeting of the Monmouth Legal Secretaries Association recently at Louis' Restaurant, Middletown, at which time a copperware demonstration was conducted by Mrs. Maureen Walling of Keansburg.

The proceeds realized through this demonstration will be included in the group's annual donation to the Monmouth Legal Aid Society.

Miss Regina Bromberg, Membership Chairman, announced that plans were being formulated for a monthly bulletin to be sent to all members, which bulletin will include activities of the chapter, notices of meetings, revisions and amendments to the law affecting the duties of the legal secretary.

Reports were given by Miss Helen Keil, North Mid-Atlantic Regional Director of the National Association of Legal Secretaries, and Miss Dorothy Smeaton, New Jersey State Director of the National Association.

Plans for the chapter's annual Bosses Night, which is to be held on November 17th at Joseph's Restaurant, Eatontown, were reviewed and approved by the membership. The affair will be in honor of each member's attorney-employer, and at that time the chapter will present a donation to the Legal Aid Society. The donation will be accepted by the Hon. Henry T. Ackerson, Jr., president of the society, and former justice of the New Jersey Supreme Court.

PLANS FOR ANNUAL BAZAAR MADE BY LOCAL CIVIC LEAGUE

At the regular meeting of the Keyport Civic League held in the League Building, Atlantic street, Keyport, Mrs. L. Cranshaw reported plans were completed for the organizations annual bazaar which will be held this year on Nov. 4th, 5th, 6th. The public is invited to attend.

Mrs. Cranshaw also presented a cash donation to the group from the Home Nursing Club and a letter of thanks was ordered sent for their yearly support.

Teen-Nite which was held every Friday night was changed to every other Friday night, due to lack of workers, and lack of interest shown by the teen-agers.

It was pointed out the club's program could not continue or expand without more help from the citizens of the community. Miss J. Creed and Mr. L. Lawson Sr., agreed to make as many personal contacts as possible to obtain new members and to reinstate the old. All members were urged to try to bring at least one new member by the next meeting.

In the absence of Mr. Purcell, Ball the organization's new president, Mr. Stanley Taylor the vice president conducted the meeting.

Church Broadcast

"The Essence of My Belief" is the subject of a Christian Science radio program over Station WCBS, New York, and Station WCAU, Philadelphia, in the Columbia

"Church of the Air" series on Sunday, Nov. 7, at 10:30 a.m. This program will originate from Kansas City Missouri, and has the approval of The Christian Science Board of Directors. The speaker will be Dr. John M. Tutt, a retired member of The Christian Science Board of Lectureship. Music will be furnished by soloist and organ.

KEYPORT SOLDIER ON LEAVE AT JAPANESE BASE

Army PFC John A. Webb, son of Mr. and Mrs. Frank Webb, Highland avenue, Keyport, recently spent seven days in Japan on a rest and recuperation leave from the 15th Anti-Aircraft Artillery Battalion in Korea.

Available to him at Camp Hakata were recreational and sight-seeing facilities giving him a fascinating glimpse of Oriental culture.

Webb, a truck driver with Battery D, arrived overseas last April.

SEVEN HURT AS CAR COLLIDES WITH AMBULANCE

Seven persons, including four women members of the Old Bridge First Aid Squad were injured Thursday night when the squad ambulance was struck in the rear by another car while turning into the squad headquarters on Marlboro Rd., Old Bridge.

Injured squad members, all riding in the ambulance were Mrs. Irene Garshgo, Brunswick Gardens, scalp injuries; Mrs. L. MacMalon, 49, of 70 Farless Ave., scalp injuries; Betty, 17, and June Forbes, 16, of 71 Farless Ave., abrasions of both knees and chest injuries.

Madison Township police said the driver of the car involved, Ronald Sumal, 17, of 181 Baretson Circle, Milltown, suffered lacerations of both hands and chest. Two passengers in his car, Catherine Ochs, 61 Riders Lane, Milltown, and Rose Spence, 17, 537 Riders Lane Milltown, suffered wrist and knee injuries.

All were transported to St. Peter's Hospital, New Brunswick, by another squad ambulance.

TRAFFIC CONTROL DEVICE PLANNED AT CLIFFWOOD

Steps to correct a dangerous condition at the intersection of Main street and Girard avenue, Cliffwood were taken by the Matawan Township committee at its regular meeting. Five auto accidents have occurred at the intersection during the past few months.

The committee voted to request the Monmouth County Board of Freeholders to erect a traffic control device at the site. The intersection has handled a larger volume of traffic since the opening of the Garden State Parkway, which has an interchange near the area.

Gorden Sutherland of 28 Salem street, Cliffwood, was named a special policeman for the balance

of the year.

Charles Short, health inspector, notified the committee that condemnation proceedings on the Lake property have been postponed for two weeks because the owner has promised to repair the property and pay back taxes within a month. The delay, he said, was caused by the owner's illness.

The hazardous condition of the property had been the object of a number of protests in recent months and the condemnation proceedings were started after all other steps had been taken.

Morganville Girl Weds Matawan Man

Miss Carol Sybil Young, daughter of Mrs. Mary Young of Marlboro Gardens, Morganville, became the bride of Robert John Burlew, son of Mr. and Mrs. John Burlew of 613 First street, Matawan, Saturday afternoon at 3 o'clock in St. Peter's Episcopal Church, Freehold. Rev. B. McK. Garlick officiated at the double ring ceremony.

Given in marriage by her uncle, Carl Lore of Paterson, the bride wore a full length gown of Chantilly lace over satin, styled with a fitted bodice, long pointed sleeves, sweetheart neckline, Queen Elizabeth collar trimmed with scattered sequins and a cathedral length train. Her lace edged veil of French illusion fell from a Queen's crown of seed pearls and rhinestones. She carried a white bible with a white pompon spray centered with a white orchid.

Miss Lucille Young of Marlboro Gardens was her sister's maid of honor, Miss Carla Petersen of Cliffwood Beach was bridesmaid.

Karl Lange of Robertsville was best man and ushering were Robert Mumma of River Gardens, Cliffwood, and William Smith of Cliffwood Beach.

For their wedding trip to California, which was made by plane, the bride selected a turquoise faille suit with empire waist, white accessories and a white orchid corsage.

The bride is a graduate of Matawan High School and was employed as a bookkeeper at Jersey Central Power & Light Company, Keyport.

The bridegroom is a graduate of Matawan High School and is serving as a petty officer third class in the United States Navy. He has been stationed at the Philippines and will report to Port Hueneme, Calif., at the termination of his 30-day leave.

The newlyweds will reside in Ventura, Calif.

LOPEZ SENTENCED TO 10-12 YEARS FOR KEYPORT ATTACK

County Judge Elvin R. Simmill has sentenced Ferdinand A. Lopez, 26, of 803 Second St., Union Beach, to a term of from 10-12 years and fined him \$1,000 for assault with intent to rob in Keyport. Lopez, at the time of his arrest here was on parole from New York.

The judge's treatment of Lopez was the severest permitted for the crime of assault with intent to rob. I was the only count to which Lopez admitted guilt altho he also had been indicted for robbery and assault with intent to rape and kill.

Lopez was charged with attacking the woman clerk in a Keyport cleaning shop on Aug 10, only a month after his release from Sing Sing where he had served seven years for rape.

Sylvester Garfield, the defendant's court-appointed lawyer, urged that psychiatric treatment be given Lopez. Judge Simmill revealed a "very eminent" psychiatrist had

already examined Lopez, and found no basis for psychiatric care. "He says this man is dangerous," said the judge. "This man is just a brutal, horrible criminal."

Lopez had smashed the woman victim in the face with a paint bucket and Judge Simmill noted the woman is still being treated for her injuries.

REVOKE MEDICAL LICENSE OF DR. FRANK MIELE

The State Medical Board has revoked the medical license of Dr. Frank Miele, Keansburg, who on June 25 was fined \$2,000 in Monmouth County court for illegally prescribing narcotics for a Keansburg couple.

Dr. Miele had pleaded no defense on the charges after he had been indicted by the Monmouth County Grand Jury on two counts of illegally prescribing pantopon tablets to Victor and Jean Ferrara. Pantopon is an opium derivative.

The narcotics probe, which lasted four months, was conducted by

state police narcotics squad detectives. The charge held that Dr. Miele sold prescriptions to the Ferraras for \$5 to \$15 each. It was reported the Ferraras would buy two to five prescriptions at a time, using false names and addresses.

MUSEUM TELLS FARMER'S STORY

Wabun C. Kraeger, curator of the Rutgers University Agricultural Museum, holds a cradle of the type used by New Jersey farmers to harvest grain from Colonial times to the 1840's. It was still in use on some farms in the State as late as the turn of the century. This ancient cradle is one of some 800 different items in the Rutgers museum, now observing its 25th anniversary, that form a near-complete collection of New Jersey farm implements and machinery dating from the Colonial era.

GRANGE REQUESTS MARLBORO AID IN VETERANS' MEMORIAL

Robert Dobbins, representing Liberty Grange No. 99 of Marlboro has requested the Marlboro Township Committee for support in building a memorial to Veterans of Foreign Wars.

Mr. Dobbins said the Grange was forced to take down the World War 2 honor roll because it was a hazard to children who were climbing over it. He told the committee that the proposed memorial would either take the form of a statue or a monument.

He said it would honor veterans of all wars.

Township Clerk Floyd Wyckoff suggested that if and when the centralized school is built in the township that the memorial be placed there instead of on private property where the township would have no jurisdiction over it.

Mr. Dobbins said it didn't make any difference to the Grange where the memorial is located just so that one is erected.

Mayor Dennis Buckley suggested that all civic groups interested in the project meet to discuss the proposal and raise funds.

The mayor agreed with Mr. Wyckoff that the memorial could be erected on private property, but said eventually it should be moved to a place where the township can control it.

The committee approved a license for an on and off the premises raffle to be held by St. Dorothea's Church on Nov. 20.

Police Chief Charles Witkowski

said he has received numerous complaints from residents about the parking situation at Train's Bar and Grill on Route 79.

Chief Witkowski said he has talked the matter over with Edward Emmons, the owner. Mr. Emmons, according to the chief, wants the committee to name a special officer, at his expense, to keep order after the patrons leave his establishment on weekends.

Witkowski said complainants objected to cars being backed out of the parking area in a careless manner endangering drivers proceeding along the highway.

The committee voted to hold one meeting next month—on the 18th—since two holidays come on regular meeting dates.

WOMAN INJURED AS CAR RAMS BRIDGE IN AREA

Matawan police reported a 37-year-old Perth Amboy woman was injured early Friday morning when she fell asleep at the wheel of her car while traveling on Route 34.

Police said the car jumped the curb, hit a pole in front of Buttonwood Manor and slammed into the concrete railing on Leffert's Bridge before coming to a halt.

Identified as Mrs. Dorothea Doyle of 260 Barclay street, the woman was removed to the Perth Amboy General Hospital by the Matawan First Aid Squad. She was treated for possible skull injuries, possible broken nose, abrasions of both legs and admitted.

According to police, Mrs. Doyle was driving east on Route 34 at about 3 o'clock Friday morning when the accident occurred.

BOY AND GIRL STATERS BRIEFED ON OFFICE DUTIES

Leonardo Post, American Legion, played host recently to the 1954 group of Boy and Girl Staters, assembled for the purpose of making plans for the forthcoming Freeholders Day.

Freeholders Day this year will be held at the Freehold Court House on Dec. 13, under the auspices of the Board of Chosen Freeholders of Monmouth County and the Monmouth County Executive Committee of the American Legion.

J. Russell Woolley, County Clerk of Monmouth County, Walter Woods of Leonardo, Monmouth County Boys State Chairman, Mrs. Anne Renier, Girls State Chairlady, Henry W. Snyder, County Commander and Mrs. Helen Woolford, County President of the auxiliary, are earnestly endeavoring to make this the 1954 session one of the greatest sessions ever held here.

Some of the plans disclosed at this meeting included the manner in which the elections held at the various high schools of this county would be conducted, the eligibility of the students, manner of petition-

ing, supervision and posting the results to the County.

The offices to be contested for are four Chosen Freeholders, a Surrogate, a County Clerk and a Sheriff. The elections are supervised entirely by the Boy and Girl Staters who learned this procedure at their sessions at Rutgers University last June.

Those boys and girls who are elected will be taken to Freehold and chaperoned by the members of the twenty-six posts of this county and their boy and girl state chairmen.

TWO AND THREE YEAR ENLISTMENTS OPEN IN NAVY

The Navy has announced a new reenlistment program for regular Navy personnel which permits qualified men who have served one previous enlistment to sign new contracts for periods of two or three years, in addition to the four and six year contracts previously offered.

The new policy, contained in an announcement from Washington, which authorizes personnel of the regular Navy to reenlist for shorter periods of service, presents a drastic change in the established reenlistment policy of the Navy. It

would be conducted, the eligibility was stated by the officer in charge of the Philadelphia recruiting dis-

trict that the shorter periods of service were made available for the purpose of encouraging a higher reenlistment rate.

The recruiter in charge of the Navy recruiting sub-station at Asbury Park, also announced that applications may still be filed for immediate enlistment in the regular Navy by men who have not previously served.

KNIGHTS COUNCIL IN KEYPORT HOST TO COUNTY UNIT

St. Joseph's Council No. 3402, Knights of Columbus, was host at a meeting of Monmouth County Councils. Presiding at the meeting was State Deputy Frank J. Ott and his staff; Daniel L. McCormick, state secretary; Hugh P. O'Shaughnessy, state treasurer; Joseph J. Carlin, state warden, and the Rt. Rev. Msgr. Charles G. McCorristin, state chaplain.

Steward A. Schoder Jr., state Catholic Activities chairman, elaborated on the campaign to bring Christ back into Christmas. Christmas posters, designed to remind the Christian public that Christmas is Christ's birthday, have been prepared for distribution throughout the state.

Judicious praise is to children what the sun is to flowers.—Bovee.

Man's true selfhood as the spiritual image and likeness of God, ever free from sin, sickness, and suffering will be emphasized at Christian Science services Sunday.

The Lesson-Sermon entitled "Adam and Fallen Man" includes the following passage from the King James Version of the Bible (Genesis 1:27): "So God created man in his own image, in the image of God created he him; male and female created he them."

The unchanging perfection of the man of God's creation will be brought out in passages to be read from "Science and Health with Key to the Scriptures," by Mary Baker Eddy including the following (476:28-32): "When speaking of God's children, not the children of men, Jesus said, 'The kingdom of God is within you;' that is, Truth and Love reign in the real man, showing that man in God's image is unfallen and eternal."

The Golden Text is from Job (22:23) "If thou return to the Almighty, thou shalt be built up, thou shalt put away iniquity far from thy tabernacles."

MATAWAN MAN
ALREADY SENTENCED,
FACES NEW WOES

Officials of the Excell Tool and Die Co., of Garwood, including one Matawan man who were sentenced to prison last week, are now

facing new troubles.

The government filed a \$100,-578 suit in Federal Court against the company and four of its officials for double damages and penalties in connection with government sub-contracts.

U. S. Attorney Raymond Del Tufo Jr. charged the defendants with padding invoices and labor costs on the contracts with the instrument division of Daystrom Corp. in Archibald, Pa.

In Scranton, Federal Judge Albert L. Watson sentenced general manager Anthony H. Blanken Jr., 44, of Matawan, to three years in prison; plant manager Stephen G.

Gillich, 54, of Clark Township, re-

ceived a term of one year and six months; and vice president Joseph G. Forster of Clark Township was placed on three years probation. The firm was fined \$6,000. All had pleaded guilty to charges of

defrauding the government.

CHANGES IN YOUR SOCIAL SECURITY

by Ralph W. Jones

(Manager of the Perth Amboy Social Security Office)

The new social security law has a special provision for the survivors of the deceased workers who were not eligible to collect benefits before because the worker wasn't considered insured under the old law. If this was the case of the deceased breadwinner in your family, you will be interested in the story of the young widow I am going to tell today. She lost her husband before September 1950. And because she came to her social security office, she will receive the benefits to which she is entitled. You'll want to take definite action to get the survivors benefits to which you may be entitled under the new law.

For a woman not yet thirty, life had dealt some serious blows to this young widow. One rainy night in 1948, her husband was on the way to the hospital where the young woman had just given birth to twins. His car skidded on the slippery street, and he died several hours later in the hospital where his wife was awaiting his arrival.

A few months after the tragedy, the young widow paid her first visit to the social security office. She held her husband's social security card in her hand while she was telling me her story. She wasn't sure how long he had worked in a job under social security or if he would be insured. In a few days I had had his record checked in our Baltimore office. I think one of the most difficult things I have ever done was tell the young woman that because her husband hadn't worked in his job under social security long enough, neither she nor her children were entitled to benefit checks.

Not long ago when she came into the office, she was surprised that I remembered her and the twins, who were by this time in their first year of school. I had often wondered how the little family who couldn't get social security benefits was managing. I soon learned that they had gotten along on some savings plus contributions from the mother's parents.

Now, the savings had been depleted and the money from the widow's parents had stopped because of the illness of her father. The widow and her children had come once more to ask about social security benefits on her husband's record. I was happy to tell her that under the 1954 amendments her husband is considered fully insured as he had about 1½ years of work under social security.

For this young widow and for thousands like her who lost their loved ones before September 1950, the 1954 amendments will make a big difference. Her husband is considered fully insured under the new law because he had about a year and a half of work under social security.

She has applied for survivors benefits for herself and the children. And she will be getting them from September of 1954 until her twins are 18 unless she marries again. Under the provision, the eligible survivor of a person who died before September 1, 1950, and who is now considered fully insured by the law may not

collect benefits for the months before September 1954. And no lump sum death payments may be collected by these survivors.

The new law applies only to those survivors of workers who died after June 30, 1940 and before September 1, 1950. Depend-

ent widowers and divorced wives who are caring for the deceased wage-earners' children may not collect survivors benefits under this provision.

If you are the survivor of a worker who died before September 1, 1950, and if you weren't eligible

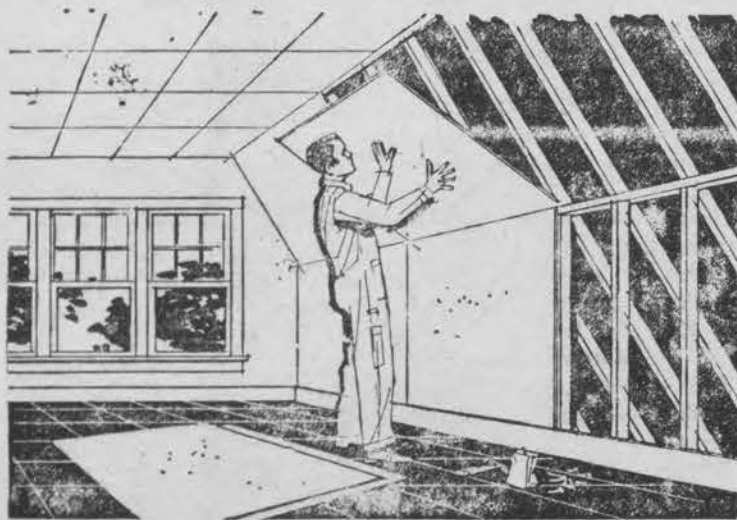

for social security benefits before, you may be now. Maybe you didn't apply before or waited too long to apply for the benefits to which you were entitled. Under the new law you may apply for your survivors benefits until September 1956.

Plans were made for two card parties, one to be held Nov. 19 at the home of Mrs. Joseph Holub, 378 Orchard avenue and the other on Dec. 3rd at the home of Mrs. Lawrence Holden, 882 State Highway. Mrs. McGuire announced that cancer dressings have been delivered to the Seabrook Nursing Home in Keyport and that more white absorbent material is needed to continue making these dressings.

RAIN ENDS METUCHEN GAME THIS YEAR; FRENCHTOWN NEXT

Rain yesterday washed the Metuchen game completely off Keyport's 1954 grid schedule. The fray, postponed because of rain Saturday, was postponed again yesterday and all efforts by Coach Stan Baker to set a new date with Metuchen authorities for a rematch failed.

The Raiders, however, conceivably benefiting from the layoff, now can prep for the strong Frenchtown eleven which goes into next Saturday's game with an undefeated but once-tied record.

The Frogs have played superior schools all season but dumped them like a row of tin soldiers. Observers say the small speedy Frenchtown squad gets off fast and never stops running all afternoon.

The Raiders, still smarting from close losses to Point Pleasant and Lakewood are seeking an upset win for the season, and with their chance against Metuchen gone, might just make it against Frenchtown.

MATAWAN LOSES TO CASEY ELEVEN, RATED STATE'S BEST

Red Bank Catholic High School scored two second-half touchdowns to remain the state's lone undefeated, untied and unscored upon eleven, Monday afternoon, downing a stubborn Matawan squad 14-0.

The loss was Matawan's first of the season although the Huskies had previously been tied.

Red Bank Catholic, which has scored an even 100 points in five games this season scored on yard plunges by Dick Largey in the third period and John Johnson in the final canto.

The Caseys met their stiffest opposition of the season with a trio of hard-running backs and a steel-fingered defense that put on a magnificent goal line stand in the second period to maintain the team's undefeated, untied, and unscored upon record—the only such scholastic mark still alive in New Jersey.

After the teams had battled thru a 0-0 first half, the Caseys came back in the third and fourth periods to score their touchdowns.

Red Bank Catholic's first score came near the end of the third quarter after Casey tackle Lou Mustillo stole the ball from Matawan back Marvin Hauser on the Huskies' 15-yard line.

Casey fullback Dick Largey hit for four yards, then quarterback Buck Moran bolted down the right sideline to the four yard line for a first down.

The Huskies line gave the touchdown grudgingly. Largey went over by a foot or so on third down. Mustillo booted the extra point to give the Caseys the lead, 7-0.

John Johnson scored the other touchdown in the fourth quarter after a 55-yard march. He went thru tackle from two yards out. Mustillo kicked the extra point again.

The game's most exciting moments came while Matawan was the offense in the second period. With the ball on the Matawan 22, Steve Fedele, the Huskies redoubtable fullback, passed to LeRoy Sheeran who took the ball on the 30 and fled toward the enemy goal, only to be pulled down from behind on the Casey 18. Hauser drove to the 10 on a pitchout, and Fedele's pass to Joe Fasse gave Matawan a first down on the one yard line.

TWO FROM AREA GIVEN SENTENCES

Two Bayshore residents, a Keansburg man and a Matawan woman were sentenced in county court in session Friday.

Mrs. Mildred Cogan, 32 Park Ave., Matawan, received a suspended sentence to Clinton Reformatory, two years probation and \$200 fine for altering prescriptions to obtain larger quantities of demerol and morphine sulphate ordered for her by a doctor. The judge noted that leniency was being shown this time because "she is a very sick woman."

Victor Sabin, 27, Keansburg, was sentenced to Bordentown Reformatory for an indeterminate term for firing a pen-type tear gas gun into the face of John Noeth, Keansburg, July 14.

More than 4½ million Americans, age 65 or over, are now receiving old-age payments under social security. They make up more than a third of all elderly people in the United States.
