The call for the Democratic primaries

in this city is published in another

column.

Mat Quay is now at the head of the

Republican National Committee in

the Eastern States.

The New York Herald is pushing

Henry Watterson, the noted Kentucky

editor, as a candidate for the gold

standard piece at Indianapolis.

In the news columns today, The

Press publishes some political gossip

concerning Somerset county. Both

sides of the Democracy are given.

Elizabeth is anxious to have its

name emblazoned on a war ship now

being built at the shipyards in that

city. The Mosquito City is not

happily.

The Trenton Daily Globe, as a Dem-

ocratic organ, has made its appearance.

It has thirteen columns of editor-

ial and one column of news. The

last will not, however, very long at

that proportion.

The New Jersey delegation to the

sound money convention at Indianapolis

is headed by W. J. Curtis, of Sum-

mit. He says that a money plan

similar to the one for the May conven-

tion of the New Jersey Democrats will

be satisfactory to the delegation.

The Trenton Daily Globe, a Dem-

ocratic daily newspaper, will commence

publication this week under the editor-

ship of ex-Mayor John Brant. It will

advocate and support the regular

Democratic nominees and doctrines

of the Democratic party. There is not

any great likelihood, however, that

Merrett county supporting Bryan and

Sewall.

Those Democrats in Trenton who

are steadfast to the Chicago platform

and candidates are an aggressive lot,

as will be observed by the statement

that they have adopted a resolution

providing that the gold standard

Democrats must take an oath to sup-

port Bryan and Sewall before being

permitted to elect delegates to the

State convention.

In his address to the Elizabeth Demo-

crats, Thursday, James E. Martine

called a New York Tribune, who ridic-

uled W. J. Bryan because he ap-

peared in an alpaca coat and wore

pants that bagged at the knees. Mr.

Martine then caused a laugh by say-

ing: "I have been a candidate for

politics often, but I have never suc-

ceeded in getting elected, and I have

never failed to connect, and I have

just found out that I was defeated. I

had no chance in my pants."

The Supreme Court decision declar-

ing constitutional the law legislating

the law judges out of office is an im-

portant one more than any other.

One effect will be the destruction

of a campaign argument which the

Democrats would have used to

throw discredit on the last Legislature.

The decision had been an unfavor-

able one. The case was probably, how-

ever, of the case being appealed to the

Court of Errors and Appeals.

pelled the Italian to pay \$10 for keep-

ing two robbers confined in a cage is

## DETAILS OF THE PARADE

FURTHER ARRANGEMENTS MADE FOR

THE DAYLIGHT BICYCLE CARNIVAL.

The Parade Committee settles on the

line of march and the route of the

parade is now being arranged.

One of the most perplexing questions

in connection with Plainfield's great

event the Daylight Bicycle Carnival,

which is to be held in this city next

Saturday afternoon, was the arranging

of a line of march for the bicycle

parade so as to cover the city and

thoroughly as possible. That and the

grouping of the parade into

divisions, besides other important

details, was looked after by the

log of the parade committee held last

evening in the Board of Trade rooms.

The great crowd of cyclists that is

sure to be present necessitated the

dividing of the parade into divisions.

The division will be by no

means small, however, and it was

decided that each marshal should have

two aides to assist him in keeping the

line in order.

The assistants of Grand Marshal

F. L. C. Martin and the press and in-

formation bureau will be at the Beve-

house, corner of Park avenue and

West Eighth street. In front of the

hotel on Park avenue the lead of the

parade will form with the differ-

ent divisions forming on the other

streets and falling into line in their

order as the rest of the column passes

them.

The line of march will be as follows:

From the corner of Park avenue and

West Eighth street, to Crescent ave-

nuce, to Watching avenue, to East

Fifth street, to Richmond street, to

LaGrande avenue, to Franklin place,

to Crescent avenue, to Potomac ave-

nuce, to East Seventh street, to West

**GIVING COMMENT.**

Mrs. Frank Baldwin, of Willow avenue, is learning to ride a wheel.

Miss Margaret Schuck, of Vine street, enjoys riding a new wheel, which she recently purchased.

L. G. Timpano, who will have the charge of the first division of the cycling parade on Saturday, announces Mendell Dryden and Harry Coward as his aides.

Edward F. Randolph, of West Eighth street, started yesterday on a month's cycling tour. He will ride through Staten Island, New Jersey and Eastern Pennsylvania.

The Y. M. C. A. Cycling League will hold its next general run tomorrow evening with Orange as its destination. The delegation from the Plainfield Y. M. C. A. will start at the Y. M. C. A. building at 6 o'clock. All are invited to participate.

**WITH ROD AND GUN.**

The annual meeting of the Plainfield Branch of the State Game and Fish Protective Society will be held in Harry C. Oll's office in the Babcock building, on Tuesday evening next, when the annual election of officers will take place. All the members of the society are urgently requested to be present, as matters of great importance are to come up for consideration. The subject of "planting" more game will also be discussed.

**AROUND THE BASES.**

The game between the old Crescents and the Y. M. C. A. nine on Labor Day morning will begin at 10 o'clock.

The base ball next Saturday afternoon between the Y. M. C. A. and Plainfield A. C. promises to be a very interesting one as there is quite a rivalry between the two teams. This will be the first game played at home by the Y. M. C. A. They have played the game with some of the strongest amateur teams in Central New Jersey and have met few defeats. A good crowd is expected.

**LAWN TENNIS.**

The tennis tournament, which was to have been started at Orange today, has been cancelled. Thomas V. O'Connell and Albert P. Simmonds expect to enter another tournament at Sleepy Hollow on Monday instead.

Headed Up in a Sanctuary.

A half-starved cat, malice in color, and presumably the pet of some one in the immediate vicinity, came up in the cellar of the Unitarian church on Park avenue. The feline, so B. G. Perkins says, has been there since Sunday, and it is now becoming more and more annoying. Of course the janitor didn't know about it or the cat would have been liberated at once.

Fine Paid by His Wife.

The fine of \$100 imposed by Justice Crowley on Charles Kruger, for cruelty to animals, was paid by Mrs. Kruger this morning.

Miss Katherine Krymer, of Brooklyn, is the guest of Miss MacLaughlin, of Somerset street.

Miss Marie Steinhilber, of Jersey City, is visiting Miss Verdon, of Shady Lawn, Somerset street.

Mr. and Mrs. Seely Edsall, of Sandford avenue, returned home from Bay Brook, Essex county, last evening.

George H. Goddard and family, of Erie Ninth street, have returned from their recent outing spent in Sullivan county, N. Y.

Mr. and Mrs. Henry A. McGee and Donald A. McGee, of Orchard park, Washington Park, have returned from Mackinac Island.

Mrs. Rachel Webb, of Brooklyn, who is in her eighty-sixth year, will spend Thursday with her niece, Mrs. George Goodwin, of West Front street.

Isaac P. Runyon, of East Third street, is attending the farmers' picnic at Chimney Rock today, where the important subjects of politics, peaches and potatoes will be discussed.

Col. A. S. TenEyck, of Somerville, is in town today visiting among his friends. The Colonel is seventy-four years of age, but he is as hale and hearty and takes great delight in talking with old comrades.

Mrs. Charles Hyde, Miss Edith Hyde and Miss Edith Smalley, who have been Europe for several weeks, are in the hope of ultimately recovering from rheumatism, are at present at Aix-les-Bains, France, undergoing a new and improved system for the eradication of the complaint.

The many friends of Alonzo T. Ayers, who was stricken with hemorrhage some time ago, will be glad to hear that he returned from Saranac Lake yesterday, much improved in health and spirits. "Long" will be ready to rest easy for a while, however, before going into active business again.

The whole system is drained and undermined by incident and open sores. DeWitt's Little Hazel Salve speedily heals them. It is the best cure known. For sale by W. Randolph, 143 West Front street.

"Boys will be boys," but you can't afford to lose any of them. Be ready for the green apple season by having DeWitt's Colic and Cholera Cure in the house. For sale by W. Randolph, 143 West Front street.

**TROTTING AT ITS BEST.**

**HOTLY CONTESTED RACES AT THE DRIVING PARK LAST SATURDAY.**

One Dead Heat Trotted and all the Other Contests Caused Great Interest—A Big Crowd Was Present at the Events.

The patrons of the Gentlemen's Driving Park were given a grand day's sport, Saturday afternoon, when a hotly contested programme was carried out. The news that there was to be some fine trotting, spread rapidly and as a result there was fully a thousand people present to enjoy the racing. The crowd reminded one of the old fair days when the crowds used to gather and watch with intense interest the races between their favorite horses.

The race was over at 2 o'clock and it was dark when the last one was finished.

The first number on the programme was the race between "Jamie" and "Vestie" owned respectively by James Carpenter and Samuel Kelly, of Woodbridge. Both heats were won by "Jamie" in 2:30 and 2:30.

The next race was between John Brown's "Boy B," of Rahway; James Carpenter's "Are Boy," of Woodbridge, and Edward Ames' "Prince" of Woodbridge. The time was 2:41, 2:36 and 2:37. The run off between the first two resulted in a dead heat, 2:37.

William Cartwright's "Harry," of Rahway; James Arkel's "Vanity," of Westfield, and Thomas Brantingham's "Myrtle Twig," of South Plainfield, were matched in the third race and "Harry" won both heats in 2:38 and 2:34.

The most important race of the afternoon followed and all interest was at fever heat. It was between Joseph S. Stevens' "Newton B," of Perth Amboy; J. M. Osborn's "St. Alban," of Plainfield, and W. E. Brock's "Archie," of North Plainfield. All three horses are very fast and the race was one of the most exciting of the afternoon. The time was 2:34, 2:36 and 2:36. The run off between "Newton B." and "Archie" was won by the former in 2:36. Peter Osborn drove "Archie" for Mr. Brock.

The last race was between D. Darby's trotter and Harry Gwynette's "Fawnwood," both of Fanwood. The time made was 2:36, 2:36, 2:31.

The crowd present thoroughly enjoyed the afternoon's sport and while the racing was purely for pleasure it did not lessen the interest in the least.

**THEATRICAL.**

"The White Crook Mammoth Spectacular Company" will appear at the Little Hall, Saturday evening, presenting a programme that will please the most exacting audience. Originality has been the objective point, and that Manager Rush has been in attaining it will be conceded by those who witness the matchless entertainment, which he is offering with the "White Crook." Each act and specialty will be appropriately and richly costumed, and the scenery will be of special features. That the entertainment will excel anything yet seen in similar attractions is guaranteed by the names of such well known artists as: Gertrude Fry, soprano vocalist; Anthony and West, original Minstrel; Belsky and Henderson, comedy sketch artists; John H. Kerr, the king of melody; Thurbast and Kennedy, excellent knockabout comedians; Sam Green, monologue comedian; and others.

A "Royal Reception," an up-to-date musical skill, will open the entertainment, and an original burlesque, "The White Crook at the Island of Hindoo," will close the bright and promising entertainment.

The entire Republican city executive committee will meet this evening in their rooms to arrange for the banner raising which takes place tomorrow evening.

Neuman Bros. have purchased the fruit in several large peach orchards in Hunterdon county, and will sell the fruit tomorrow at very reasonable prices.

Neuman Brothers will receive tomorrow morning 100 baskets of choice canning peaches, Jersey fruit, which will be sold by the basket at 75 cents, \$1 and upwards, and seventy-five baskets of choice canning Bartlett pears, which will go at 75 and 85 cents a basket.

**Children Cry for Pitcher's Castoria.**

When Baby was sick, we gave her Castoria.

When she was a Child, she cried for Castoria.

When she became a Woman, she clung to Castoria.

When she had Children, she gave them Castoria.

If you have ever seen a little child in the agony of summer complaint, you will know the value of the trouble and appreciate the value of Instant-DeWitt's relief always afforded by DeWitt's Colic, Cholera and Dysentery and diarrhoea it is a reliable remedy.
