IS THIS WINGER ALMOST?

Captain Grant Rescued a Picture and the Description of a Man Who Somewhat Resembles the Greenest Avenue Brawler.

The Chief Inspector of Police of Boston recently sent to this city for a description of John Winger, the Greenest Avenue brawler. It was sent on to him, and to-day Captain Grant received a circular with two photographs and a full description of "John A. Simpson," with several aliases, who is wanted in that city for shooting and killing Charles Smith, a deputy Sheriff at Stratford, New Hampshire, on May 6, 1891. One of the pictures somewhat resembles Winger so far as the face and beard are concerned, but the other shows the man with his beard entirely off.

The authorities in this part of the State are making strenuous efforts to find out Winger's past record, but as yet they have been unable to do so. The prisoner is very close mouthed and will say nothing definite about his former life.

This morning was the time set down for Winger's sentence, but in the hope of finding out something about him, Judge McCormick deferred sentence until Saturday.

THE NEW YORK TIMES.

Two Men Gained Was by the Park Club. — from their rivals of the Valley County Country Club.

Perhaps the Union county bowlers thought that the hot sun of the past few days would slightly warm up the waters of Green Brook. If so they were mistaken for they were just as cold as ever for the Union county bowlers, who suffered two defeats at the hands of the Park Club team. Five Netherwood members were matched against the U. C. in the first game and won easily. The poor bowling of the Park Club in the second game gave the visitors a fine chance to win, but they failed to accept the opportunity.

The games conclude the series. In the Fall hostilities will again begin, the Union county team hoping for better results next season. Appended is the score:

Ten of the Crescenta League bowlers went to Somerville last evening and bowled with a team from that place. The Crescentas had some of their star base ball players with them, but when it came to bowling, and especially on strange alleys, they were simply "not in it." At the end of the game the score stood 1,363 to 1,287, a difference of 76 pins in favor of the Somerville team. The individual score follows:

THE NEW YORK TIMES.

They Were Debated at Montclair on Decoration Day, But the Club Will Give a Good Account of Itself Before the Summer Closes.

The Bicycle Club baseball team went to Montclair on Monday, and though they were defeated by the Athletic Club team of that place fully demonstrated the fact that they are one of the strongest amateur teams around this part of New Jersey and will certainly give a good account of themselves before the close of the season.

The morning game was one of the sharpest games ever witnessed. The battery work of Johnston and McMuray could hardly be improved, and with a little more practice they will be hard to beat in the amateur line.

MANIFESTED BY CLUB. MONTCLAIR ATH. CLUB.

Erickson, r. f.	Holsenger, c.
Murray, l. f.	Carman, r. f.
Tilney, 2b.	Thomas, l. f.

The score was 6 to 4 in favor of the Montclair.

At the afternoon game the batting order was only slightly changed, and again the Bicycle Club boys played an almost errorless game. Unfortunately, however, they were again defeated, by a score of 6 to 1.

—The Schuyler-Bullman Wedding.

The marriage of Miss Carrie Bullman, only daughter of Mrs. S. Van Namee to Frank D. Schuyler, of New York, took place at the residence of the bride's mother, No. 4 Third place, at half past twelve, this noon.

The marriage ceremony was performed by the Rev. Robert Lowry, who used his own impressive marriage service. The fair bride was becomingly attired in a handsome traveling dress. After the ceremony the guests who were the relatives and immediate friends of the newly wedded couple, partook of the dainty refreshments which were spread for their delectation.

The wedding gifts were numerous and costly and consisted of elegant solid silver ware, furniture, paintings, etchings and bric-a-brac. Amid a shower of rice and other evidences of good will the happy couple drove away to take the 1:59 Royal Blue line train for Philadelphia. The honeymoon will be extended for several weeks, and during this time Washington, Baltimore and other principal Southern cities will be visited.

PERSONAL.

Miss Katie Zahn and Miss Flora Zimmerman, of New Brunswick, returned home to-day after a pleasant visit with friends on Summit avenue, North Plainfield.

Contractor Passmore, of the Street Railway Company, went out of his yard on Craig place on Monday, and to-day he is around as usual superintending the construction of the road.

Miss Jessamy Harte entertained a number of her friends at her home on Putnam avenue last evening. Miss Bowers and Miss Marchand were present and contributed not a little to the evening's pleasure.

Choir-master William H. Miner, who trained the children in the choruses which sang at the Memorial Day exercises in Music Hall on Monday, is deserving of credit for the manner in which he fulfilled his part in the exercises. He was the recipient of a beautiful bouquet.

According to the Daily News of Greenville, S. C., the Piedmont Ice Company of which W. H. Pfandera, of Plainfield, is a member, has resumed business for the summer. The company manufactures the ice from distilled water and therefore are certain that it is perfect pure and free from all deleterious substances.

A. V. D. Honeyman, of North Plainfield, whose annual summer excursions in the past have been so enjoyable, announces that his next one, the seventh, will be given early in August to the White Mountains and Quebec. A large number of pleasure seekers will accompany him. He also talks of arranging a tour to Thebes, Egypt and Jerusalem in February, 1893.

Two Plainfielders are represented in the current number of the Century Magazine, George Warton Edwards, of Madison avenue, and John Fairbairn, of East Sixth street. George W. Coffin, of the Business Men's Cycle League of Newark, who recently won the "century run" from Philadelphia to that city, is dissatisfied with the treatment he received at the hands of the league after his victory. "The families of members, and other persons who do not reside in Plainfield or North Plainfield, shall have the privilege of the grounds until four o'clock, on all days except Saturdays and holidays, and on Saturdays until two o'clock, and at all other times when not required by members; but the Executive Committee may issue tickets to resident friends of members for a limited time."

A Favorite Resort for Plainfielders Closed.

Vas Court Inn, at Roselle, a favorite resort for Plainfield pleasure seekers, was closed yesterday and all the goods will be sold at auction to satisfy a chattel mortgage held on the furniture by Looker & Ford. H. W. Pope has been proprietor of the hotel since it opened. For several months it has been run at a loss, as most of the guests left, claiming the drainage was imperfect. The owners did not take any steps to remedy matters.

Charged With Using His Employer's Press.

Upon complaint of track-master Higgins of the Central Railroad of New Jersey, a Hungarian named John Bosworth, of this city, was arrested Monday evening on a charge of borrowing Higgins' press, and devoted it to his own use. Judge Wadsworth, before whom the complaint was made, discharged the defendant the next morning.

A meeting of the active members of the Melopoli was held called for Thursday evening, June 2, at eight o'clock.

Two More Cases Won by the Park Club.

From their trials of the Union County Country Club.

Perhaps the Union county bowlers thought that the hot sun of the past few days would slightly warm up the waters of Green Brook. If so they were mistaken for they were just as cold as ever for the Union county boys, who suffered two defeats at the hands of the Park Club team. Five Netherwood members were matched against the U. C.'s in the first game and won easily. The poor bowling of the Park Club in the second game gave the visitors a fine chance to win, but they failed to accept the opportunity.

The games conclude the series. In the Fall hostilities will again begin, the Union county team hoping for better results next season. Appended is the score:

The Crescents Failed to Coquet.	
Ten of the Crescent League bowlers went to Somerville last evening and bowled with a team from that place. The Crescents had some of their star base ball players with them, but when it came to bowling, and especially strange alleys, they were simply "hot in it." At the end of the game the score stood 1,363 to 1,287, a difference of 76 pins in favor of the Somerville team. The individual score follows:

The Anonymous Letter-Writer Spotted.	
The Courier of yesterday had an account of the persecution of L. A. Wright, a former Plainfielder, who is now in the drug business at Greenville. A maliciously disposed person has been sending Wright and the business houses in New York with whom he deals, anonymous letters reflecting upon his financial standing. The matter has been placed in the hands of Judge Henry Pastor. This gentleman, in speaking of the matter yesterday, said that he is satisfied from evidence which he has obtained, that the letter-writer is a man who at one time lived in Greenville, but who now lives in New York. His motive for his persecution can only be ascribed to jealousy. Comparisons of handwritings have been made, and they have more than satisfied Mr. Wright and his counsel that they are on the right track.
