Three of the Tied-Up Roads Trying to Break the Block at Buffalo.

SOLDIERS GO AHEAD AS GUARDS FOR A SHORT DISTANCE

The New York Central and Erie Railroad Companies have taken up their positions along the various lines involved. Leaders arriving—New Troups on the ground and their presence over the scene.

Buffalo, Aug. 18.—The third day of the railroad strike dawned upon a situation which is most grave and threatening. Troops are being mobilized and sent Buffalo will be little more than a huge barricade.

Among railroad men the feeling is "Now or never," as regards organized labor. It is locked upon them as a fight to the death, in the light of their experience of two years ago with the New York Central when only with the Chicago Burlington Quincy.

A conference of representatives of the tied-up lines was held at midnight and a formal ultimatum was presented to the strikers. The ultimatum was to the effect that for more troops. The strikers refused to accept it.

IS HE THE MURDERER?

Charles H. Peckham Says He Killed the Bordens.

SURRENDERS TO THE POLICE.

He Had Good Reason for Committing the Deed and Describes the Murder—He Has Been Considered Eccentric, By Those Who Knew Him, But Not Insane.

Fall River, Mass., Aug. 19.—Charles H. Peckham, of Central Village, Westport, Mass., walked into the Central Police Station about 7 a. m., and said to Assistant Marshal Fleet:

"Well, Mr. Marshal, I killed Mr. and Mrs. Andrew J. Borden and I have come from home to give myself up. I went over the back fence and through the rear door of the Borden house, two weeks ago, and I killed both of those people out of pure love for blood."

Peckham is 42 years of age, about five feet six inches tall and has a thin gray beard. He says he leaves a farm from which he has been driven by the police. He has started to hunt up his relatives or friends.

BUCHANAN BACKS DOWN

It He Is Sincere the Miners Victory is Complete.

HAD NO CHOICE IN THE MATTER.

The Miners Had Coal Creek at Their Mercy and Threatened to Attack It. It Was the Point of View of the Miners and the Miners' Victory is Complete.

KNOXVILLE, Tenn., Aug. 19.—If Gov. Buchanan keeps his promise to the miners to withdraw the convicts and troops from Coal Creek, then their victory is complete. As the promise was made at the moment the miners were preparing to complete their own victory by force, the miners' victory is complete.

There are some who believe, and among them a number of the miners themselves, that the Governor made the promise only to allow him to gain time to complete the troops.

A special from Coal Creek received at 11 a. m., and the Governor's order was to the effect that the troops were to be withdrawn from Coal Creek.

The plan of the miners was to attack the troops at the barracks. The plan was to attack the troops at the barracks. The plan was to attack the troops at the barracks.

OUR CANDIDATES.

FOR PRESIDENT,
BENJAMIN HARRISON,
OF Indiana.
FOR VICE-PRESIDENT,
WHITELAW REID,
OF New York.

CONGRESS, in the session just closed,
did do something in pursuance of a
policy to "return to an economical ad-
ministration of public affairs." The
Democrats did their level best to choke
the life out of our growing and much
needed navy, and they also cut down
the supply of soap for the West Point
cadets.

SOUTHERN Democratic newspapers
are pleading that it is "entirely con-
sistent to be Democrats and Alliance
men at the same time." That is to
pose before the people as Alliance men
until elected and then to act as Demo-
crats. That is about all there has been
of the Alliance thus far in the South.

MR. CLEVELAND has expressed by
letter to Chief Judge Moreno his grati-
fication at the latter's intention to sup-
port him. If a sharp investigation
were set on foot, probably a letter
could be found from Mr. Cleveland to
the man that struck Billy Patterson.

ALLEN L. McDermott, Chairman of
the State Democratic Executive Com-
mittee, says that fifty-seven State of-
fices are held by Hudson County men.
It is quite apparent that the rest of the
State Democracy is "not in it," and it
might incidentally be asked how the
rest like it.

SENATOR Carlisle knows as much
about the tariff as any other Democrat
in the land, and he is on record to the
effect that wages have increased and
the cost of living has decreased since
the passage of the McKinley bill.

Just before the Chicago Convention
hundreds of shrewd and prominent
Democrats declared that Harrison would
beat Cleveland if the latter were nomi-
nated. Harrison is as strong and
Cleveland as weak now as then.

"FREE" wool means cheap woolen
goods," say our Democratic friends.
Yes, and it means cheap American
farmers and mighty dear American
nation.

CORR stands 14 feet high in South
Dakota, and Republican prospects are
similarly altitudinous.

A Valuable Remedy
Hon. Edmund L. Pitts, the late pro-
fessor of the New York State Senate,
writes:

"STATE OF NEW YORK, SENATE CHAM-
BERS,
ALLIANT, March 11, 1896.

I have used ALLOPEC'S PONDUS
PILLS in my family for the past five years,
and can truthfully say they are a valu-
able remedy and effect great cures.
I would not be without them. I have
in several instances given some to friends
suffering with weak and lame backs,
and they have invariably afforded cer-
tain and speedy relief. They cannot be
too highly commended."

A Relationship Problem.

Two letters not waiting sent a gentleman
asked me the last to the other side said:
"Do you know that gentleman? The other
lady replied that her mother was my mother's only
sister. The publisher of the other lady's
LADY WEEKLY will give an elegant bicycle
valued at \$10, or its equivalent in
cash to the first person settling the relation-
ship existing between the gentleman and the
lady speaking last. An elegant ladies' Gold
Watch valued at \$10, or its equivalent in cash,
will be given for second correct answer, and
fifty other prizes, ranging in value from twenty-
five dollars to five dollars, will be given for
correct answers in order as received.
Persons answering must enclose U. S. Postal
Note for thirty cents, or fifteen cent U. S.
stamp for each month's trial subscrip-
tion to the handsome and most popular
ladies' weekly publication on the continent
which is published by a reliable firm, who are
offering this prize contest simply to introduce
this publication into new homes. Contest-
ants should answer promptly as date of post-
mark gives precedence. Prizes for the United
States will be sent duty free. Address, Ladies'
Weekly, C. Toronto, Canada.

LATE NEWS!

NEARLY EIGHT THOUSAND MEN ON
GUARD.

Many Contradictory Rumors About the
Situation at Buffalo.—Other Roads May
be Drawn Into the Struggle.—Strikers
Will Order Out All Railroad Men if
Necessary.

(SPECIAL DISPATCH TO THE COURIER.)
BUFFALO, Aug. 19.—At seven o'clock
this morning the Delaware, Lackawanna
and Western, the Buffalo, Roches-
ter and Pittsburgh, and the Western
New York and Pennsylvania were the
only railroads here unaffected by the
switchmen's strike.

No one knew at that hour how long
they would remain in that condition.
By the calling out of the switchmen on
the Nickel Plate, the entire Vander-
bilt system in Buffalo was tied up and
the number of strikers was increased
by nearly 100.

The other roads may be involved
later. The strikers' leaders stated that
although as long as they refrain from
handling boycotted freight, they would
not be dragged into the fight, unless it
was necessary.

The railroad officers believe that the
strike is nearing an end. The strikers,
however, still state that before it is
over, Bremen, trainmen, engineers and
conductors, as necessary may require,
will be called out. The switchmen
state that they can hold out a month at
least. From a union standpoint the
present strike differs from that of two
years ago, in that it has been regularly
called and sanctioned by the Grand
Master of the switchmen.

Secret meetings of trainmen, fire-
men and engineers were held last night
in different parts of the city. Rumors
were rife that both the trainmen and
firemen were on the eve of striking, if
they have not completed the steps nec-
essary to that end.

The engineers' meeting was an im-
portant one. Just what was done can-
not be learned, but a delegation will go
to Toronto to-day to confer with Chief
Arthur of the Brotherhood of Locomo-
tive Engineers. This step is considered
significant.

The 22d Regiment arrived at 4
o'clock this morning and was posted on
the Tift farm at the junction of the
Lake Shore & Buffalo Creek Railroad.
Inspector McGrath received a dis-
patch at 9 o'clock this morning from
Gen. Porter, in which he told the
movement of the 8th, 9th, 23d and 71st
Regiments and Troop A. He said in
substance that the Governor directs
that the best of food and proper
shelter for the men be provided regard-
less of expense.

Everything possible for the comfort
of the troops is to be done. The mes-
sage concludes with a direction from
the Governor to reserve accommodations
for himself.

Nearly all the troops had arrived by
8 o'clock this morning, and Gen. Doyle
issued a general order establishing ten-
tent camps.

Gen. Anderson holds the Stockade.
(By wire to our column.)

KROSVILLE, Tenn., Aug. 19.—It was
reported here last night that 150 sol-
diers whipped 3,000 miners at Coal
Creek yesterday. It is said that twelve
miners are dead and nearly twenty
wounded. The fight began yesterday
afternoon at 2 o'clock. Gen. Anderson,
with his little garrison, is holding Coal
Creek until the arrival of the 1st and
2d regiments with 1,000 men and the
posse of 2,000 men under six sheriffs,
who are moving swiftly on special trains
to the scene, and march thence to the
relief and rescue of Port Anderson.

Plans of the State League.

It is said that the State League of
Republican Clubs instead of holding a
State Convention this Fall will hold a
series of sectional conventions in vari-
ous parts of the State or of county
conventions, at which speakers of na-
tional reputation will deliver addresses.
The first one of these meetings was to
have been held at Ashbury Park on Aug.
27, but Major McKinley, who was
expected to be present and deliver an
address, not being able to come, owing
to prior engagements, the meeting has
been postponed. He has promised to
deliver five addresses in the State dur-
ing the campaign and one of them may
possibly be held in this city.

The windows of the United Tea
and Coffee Growers' Association, lo-
cated in gold telling their specialties,
headquarters for new crop teas and
fresh roasted coffees, etc., attract
attention.

Corporation Notice.

Ordinance has been introduced before the
