It is possible that New Jersey workmen
are tired of prosperity? New York

If the Republicans of Plainfield fully
appreciate the importance of the
gubernatorial contest they will make a
special effort to get out the full Republi-
can vote for John Keen. While it is
of most vital importance that we should
secure a Republican majority in the
State Assembly in order to prevent
mischievous, partisan, Democratic leg-
islation, it should be borne in mind
that a great deal of importance, more
than usually attaches to the question
of who shall be the next Governor. That
official will have the power of appoint-
ing a very large number of persons to
very important offices. During the
term of the next Governor there must
be appointed a Chancellor, three Jus-
tices of the Supreme Court and three
Justices of the Court of Errors and
Appeals, making six in all in the court
of last resort, nine lay judges in as
many different counties and eight
prosecutors of the pleas, three mem-
bers of the State Board of Assessors, a
chief of the state police and many other
officials. If Mr. Keen is the
next Governor, those selections will not
be made at the dictation of any Demo-
cratic ring; if Judge Weiss is elected
Governor, we have no reason for sup-
posing, or hoping, that we shall not
be under the Governorship of Leon
Abbett. This is reason enough for
bringing out every possible vote for
John Keen for Governor.

A Word to the Wise is Sufficient.
As soon as the leaves are done fall-
ing, the gutters of the streets should
be thoroughly cleaned before cold
weather sets in. Every property
owner should take enough interest in
the appearance of the streets to do this;
besides, it promotes health.

Experience of an Ex-Champion.
Athletes and men who take ordinary
outdoor exercise such as walking, run-
ning, bicycle riding, jumping, swimming,
tennis, etc., are often the subjects of
acute rheumatism. The experience of an
ex-champion walker will be of interest
to all who are afflicted. HARRY BROOKS
wrote:

Numerous statements relative to the
merits of different plasterers having
been brought to my attention. I take this
opportunity to state that I have used
ALCOCK'S PORCELAIN PLASTER for over 20
years and prefer them to any other kind.
I would furthermore state that I was
very sick with catarrh of the kidneys,
and attribute my recovery entirely to
ALCOCK'S PORCELAIN PLASTER.

The Blue Is Lick.
If your blood is out of order you are liable
to be afflicted with various diseases, such as
Leucemia, Rheumatism, Dyspepsia, Heart
Disease and running sores. Dr. R. H. Howe,
of New York, has discovered a certain tonic
that grows in Alaska, proved most successful
in curing blood diseases. It has been used
known to the medical world. My experi-
enced and trusted friend, Dr. R. H. Howe,
Blood Tonic, is made at the head of all experi-
menters in this world. Sold by chemists, druggis-
tists.

Bugs.

Let every lover of the land,
His loyal duty heed,
And cast his ballot in the Fall,
For Harrison and Reid!

Let every section kindly seal—
Each have the work to do;
And roll the million ballots up
For Harrison and Reid!

Let every State be beacon light,
Be each on fire, indeed,
To flash the watchword down the line
For Harrison and Reid!

Let every free man break the soil,
And scatter wide the seed,
That shall a splendid harvest bring
For Harrison and Reid!

Let every voter be on hand,
From bare motives freed,
And swell the party's victory
For Harrison and Reid!

Let every man and woman, too,
This present duty heed,
And work and pray—by night and day—
For Harrison and Reid!

HIS LOST LETTER FOUND.

John Ridley, of Second Place, Wall at Pine
Street, N. Y., sent Saturday, a letter
which went to the bottom of the
Hudson River.

John Ridley, of Second place, while
enjoying his summer vacation at Pine
Bush, N. Y., wrote a letter to a friend
who was residing in the Adirondack
Mountains. His friend never received
the letter and nothing more was
thought of the matter until a few days
ago, when Mr. Ridley received the
original from the dead letter office at
Washington.

Accompanying the letter was a note
which stated that the letter had been
found in the mail which went to the
bottom of the Hudson River at the
time that the mail train on the Hudson
River Railroad went through an open
drawbridge. This accident took place
about the first of September.

The envelope which enclosed the
letter was not returned with it, having
undoubtedly been destroyed, and the
letter itself showed plainly that it had
received a thorough soaking. Its
writing, however, is still plain, al-
though the ink has run in many places.
The fact that Mr. Ridley has received
his letter back at all, is an undisputed
evidence of the care which is taken
by the post office authorities in placing
missing letters in the hands of their
rightful owners.

Encouraging News from West Virginia.

The Hon. V. B. Holliver, who de-
livered the entertaining and instructive
address in the Crescent Ring on Thurs-
day evening on the occasion of the
great Republican mass meeting,
called at the office of the Courier
yesterday. In conversation he stated
that he had just returned from a three
weeks' stupor tour of West Virginia
and that he was surprised and delight-
ed to find the great interest taken in
that Southern State in the Republi-
can movement. The outlook for Re-
publican success in November was
brighter than it had ever been before,
the people were thoroughly awake to
the issues of the campaign and he felt
certain, from present indications, that
the Republican ticket would be elected
this year by a large majority.

Prosperity Noted by a Democratic Paper.

"There are unmistakable evidences
of prosperity in all parts of our city,"
says the New Brunswick Home News.
"There is a large number of new
buildings in course of erection, more
than at the same season for the past
ten years. Let us be thankful and
take fresh courage."

—F. A. Pope has taken off his
watering wagons for the season.

—Warren Eugene Company, No. 1,
of North Plainfield, made a test from
one of the hydrants in Round Brook,
last evening and during the test some
of the tubes in the water gave out and
the water running from them put out
the fire.

—The case of the City against ball
player "Bully" Lee for illegal fight-
ing is likely never to come to trial.
The city, it is said, is not ready to
prosecute the charges, and the case is there-
fore likely to go by default.

—The Columbian Day parade, at
Elizabeth last evening, was the grand-
est on hold in that city. Mayor
Stanley was marshal, and everything
passed off pleasantly.

—John Walsh, the brakemen who
was injured in the wreck at Weston
few days ago, and who was taken to
Mulholland Hospital, where both feet
were amputated, is doing today.

—The hospital authorities think the man
will live, but his case is a serious one.

—Through some misunderstanding,
some of the grocers kept their stores
open on Columbus Day.

—J. H. Doane, Charles Vail and J.
B. Davis have been appointed as the
bowling committee of the Crescent
League.

Five Killed and Ten Wounded.
(SPECIAL BY WIRE TO THE COURIER.)

LOS ANGELES, Cal., Oct. 22.—At 5
pyrotechnic display last night, celebrat-
ing the Columbian celebration, an ex-
ploding took place while a salute was
being fired which killed five and
wounded ten persons.

It has been found that bicyclists who
ride to excess are afflicted with a catar-
rhal laryngitis. Mouth breathing ac-
cording to the rapidity and pressure with which
large quantities of air are forced into
the larynx are said to be the cause.

A large number of cyclists from Jer-
sey City and Newark were in the city
yesterday. They reported the roads to
be in excellent condition.

AMUSEMENT NOTES.

Pat Rooney's merry farce company, in
Mr. Carroll's laughing festival,
"Lord Rooney," is one of the most
successful comedy attractions on the
road. The dialogue in "Lord Rooney"
is said to possess more literary merit
than is usually found in farce comedies.

It is a sparkling witty and, without play
or play, would of itself be exceedingly
enjoyable. The story of the skit,
though, is interesting and well told.

The luckless fellow comes out with a
rush, and there is a "go" to the piece
that is irresistible. The vivacity of
the play is really causing. The situa-
tions are exceedingly ludicrous, and
there is a whirl of fun accompanying
the performance that is refreshing and
promoting.

The Fowler Concert Company gave
one of their grand concerts in the
Baptist Church last night, and so pleased
the large audience that they were re-
engaged before the conclusion of the
concert.—Philadelphia Record.
