SOMEWHAT STREET PROPERTY OWNERS

GRANTED AN INJUNCTION AGAINST THE STREET RAILWAY.

A writ of certiorari was granted, Saturday, by Chief Justice Bradley to E. K. Moore, in the suit of somewhat street property owners against the city of Plainfield and the Plainfield Street Railway Company.

The defendants are ordered to bring to the Supreme Court, on Thursday, April 20, the ordinance obligating the track of the Street Railway on Somerset street from Front street to the brook.

The writ acts as an injunction and prevents laying the track until the further order of the Court.

The ground of the proceeding is that the Railroad Company never obtained the proper consents of the land owners.

The property owners who obtained the writ did so with one special object in view. They had every reason to believe that the railway company expected to put a turnout near the brook.

They held that that is no place for a turnout being one of the most crowded thoroughfares in the city and that its location there will work damage to the adjacent property.

They are not opposed to the railway and are willing to give permission for the single track. It is simply against the turnout that they protest.

WHEELING THEIR WAY TO EASTON.

Yesterday afternoon a party of five bicyclers slipped from their wheels at the head of Park avenue and inquired as to the nearest bicycle repairer.

One of them turned to the man on his chain so he could not proceed until it was fixed.

The party were on their way back to Easton this morning. The wheelsmen expressed their delight in no measurements at the roadside which surrounded Plainfield and say they have nothing like them at home.

TEMPLE OPERA HOUSE AT ELIZABETH

A fire at Elizabeth last night destroyed the Temple Opera House. The loss is \$50,000, partly insured.

The cause of the blaze was an explosion of gas-line stored under the stage. The fire was discovered at 8.45, and it was distinctly seen by many persons in this city, who thought it was raging at Westfield or Garwood.

The building was the only one of the kind in Elizabeth. It was built in 1867 and was remodelled in 1891. Its total cost was over \$80,000. Senator F. J. Marsh, Mayor J. C. Rankin and F. J. Silbony were the leading stockholders.

A new building is to be erected at once at a cost of \$15,000.

TRINITY REFORMED CHURCH IS NOW OUT OF DEBT.

Yesterday the balance of the debt on the Trinity Reformed Church was cleared up by an Easter offering of \$375.

A year ago on April 1 the debt amounted to \$4,383.87, which together with running expenses of the church, has been raised since that time.

The people of the congregation are very much pleased to see the church out of debt, and are very proud of their efforts and those of their friends who have helped them raise the money.

THIS MORNING MAYOR GILBERT ISSUED AN ORDER TO BURNED CHINA, AGENT FOR THE DURISH PROPERTY ON THE PEACE STREET EXTENSION, NEAR THE BROOK, RESTRAINING HIM FROM ALLOWING THE DIRT NOW BEING excavated on the new Y. M. C. I. to be dumped on the property.

The Durish property is far below grade and the dirt which will be excavated for the new Y. M. C. building would go far toward raising it. This will need to be closed some day and probably at great expense to the city.

ONE SHOCK KILLED HIM.

(By wire to the Courier.)

Steno Sings, April 3. James W. Hamilton, the colored ex-prosecutor and convicted wife-murderer died in the electric chair shortly after eleven o'clock to-day.

He received one shock which lasted one minute. Carlyle Harris heard the death warrant read last night.

AN ATTEMPT TO SEE HER TO THE CHILL DREW'S HOME.

About ten o'clock last night, an attempt was made to set fire to the Children's Home in North Plainfield.

The maids in the house were roused, happened to look out of a rear window and saw the form of a man skulking along near the fence.

Soon after she saw a light in an out house near the main building, together with some smoke.

Hurrying out, she found that someone had set fire to the floor of the out-house and placed a box over the fire so as to shield the light from the house.

The flames were extinguished before any damage was done. This is the second attempt to set fire to the building within the five weeks.

PERTINENT PARAGRAPHS.

The first meeting of the Borough Council since the recent election, will be held next Friday evening in Spencer's Hall.

Street Commissioner Meeker has a force of men at work laying the sewer matter at the gravel pit, plowing down the old railroad tracks, and streeting the place with fresh earth to raise the grade of Health St. to Spring connection with the annual meeting of the Seventh Day Baptist Church which was held yesterday, that the 165 resident members have, during the past year, contributed over \$40,000 for missionary work, principally on the five continents. This speaks volumes for the liberality of the Seventh-Day people.

The goods of David Bowen which were attached Friday by creditors, were released Saturday at the request of Andrew Gavett who guaranteed them. Some of the attachments were for work on repairing and improving the premises of Mr. Bowen. He was in Clean at the time, however he is superintending the work of paving and sewerage for F. A. Dunham. He has a contract for the house for the summer and will remove to Clean lat will still retain his headquarters in this city.

Easton was approximately observed on Saturday at the Seventh Day Baptist Church. The floral decorations were very fine, consisting of Easter lilies, calla lilies, heliopsis, azaleas, mimulus, heliopsis, geraniums, and daffodils. Many of them were furnished from the collections of Mrs. W. B. Wadsworth, Mrs. G. W. Rockefellow and Mrs. William Van Alstyne. The flowers which the pastor gave out of his Bible class were kept and arranged for East for most part of the decorations. They had grown nicely and were an interesting feature, because they were kept and arranged by the children.

The ordinance relating to fast driving was fractured on Somerset street last night, by someone who, regardless of his own safety or that of others, drove his horse a dead run the length of the street.

The regular meeting of the McAll Auxiliary will be held at the library on Tuesday morning, April 4, at 11 o'clock.

The Weasford Standard of last week was issued with a green cover, and the unavoidable picture of Chancery B. Ripley. But then it was Easter, you know.

"A word or two" about dress goods in the heading of Bland's new advertisement to-day. He says he feels safe if those in need of these goods will look over his large and handsome assortment they will have no desire to go to the "city" to purchase.

This morning about five o'clock, while a servant was filling an oil stove at 17 E. Hubbard's, the West Front street, the oil ran over and ignited. Assistance was summoned from the neighborhood and what at one time promised to be a terrific fire was soon put out. No one was hurt by the burning oil.

A basket and box containing four English setters, belonging to Weston Fox of Woodland avenue were sent to Boston to-day to be exhibited at the dog show.

The flag-stones walk from the street to the porch of the Seventh Day Baptist Church on Madison avenue has been lowered about a foot to the grade of the sidewalk.

Engine 379 on train No. 36, leaving the city for New York at 7:40 a. m. blew out a cylinder head at Netherwood this morning. The disabled machinery was disconnected and the train proceeded with one cylinder, being delayed about 30 minutes.

EASTER, THE FEAST OF FLOWERS.

Notable Decorations in Every Church in the City.—Several Heads Arranged the Beautiful Offerings.

The floral display in the various churches of the city equalled that of former years and in many instances quite surpassed it. Flowers were everywhere. Behind banks of lilies the tale of the resurrection was told in every church in the city, and with the varying eloquence of the preachers, the story of the beautiful children of nature spoke sweetly though mutely of the love of God in that he sent His Son to die for man's sin.

FIRST PRESBYTERIAN CHURCH.

The Easter floral display in the First Presbyterian Church was not as lavish as in the other churches of the city. It was not intended that it should be. The pastor, Rev. A. J. Pope, Mrs. Dana, Miss Agnes Blair and Miss Nora Williams, the committee on decorations, carried out, was to make the decorations contain the eye, to be single and to enjoy the beauty of each plant and flower. How well they succeeded every body who attended the church service certainly must be satisfied. The flowers were seen to be Easter lilies, crocuses, daffodils, geraniums, daisies, roses, marguerites, palms, anemones and tulips. The display was very pleasing.

METHODIST CHURCH.

Mrs. Jackson and Mrs. G. O. Evans had charge of the Easter decorations in the Methodist Church this year and they were very successful. They were in advance in arranging the many pretty flowers and plants which had been sent them for the Easter display. Easter and calla lilies, heliopsis, azaleas, mimulus, heliopsis, geraniums, and daffodils. Many of them were furnished from the collections of Mrs. W. B. Wadsworth, Mrs. G. W. Rockefellow and Mrs. William Van Alstyne. The flowers which the pastor gave out of his Bible class were kept and arranged for East for most part of the decorations. They had grown nicely and were an interesting feature, because they were kept and arranged by the children.

ALL SOULS CHURCH.

The pulpit was prettily decorated with Easter lilies, calla lilies, and pink and white flowers. The flowers were arranged by subscribers made to the flower fund, though some were furnished personally by members of the congregation.

THE CONGREGATIONAL CHURCH.

The floral decorations were very pretty, consisting of palms, Easter lilies, calla lilies, heliopsis, azaleas, mimulus, heliopsis, geraniums, and daffodils. Many of them were furnished from the collections of Mrs. W. B. Wadsworth, Mrs. G. W. Rockefellow and Mrs. William Van Alstyne. The flowers which the pastor gave out of his Bible class were kept and arranged for East for most part of the decorations. They had grown nicely and were an interesting feature, because they were kept and arranged by the children.

THE CRESCENT AVENUE CHURCH.

The pulpit was literally hidden in flowers, and the arrangement was very beautiful, though it was said that the decorations were not so elaborate as those of other churches. The flowers were arranged by subscribers made to the flower fund, though some were furnished personally by members of the congregation.

GRACE CHURCH.

An elaborate display of flowers decked the altar, chancel and lectern, and the flowers were arranged by subscribers made to the flower fund, though some were furnished personally by members of the congregation.

TRINITY REFORMED CHURCH.

Daisies, lilies and flowering shrubs composed the Easter floral display in the Trinity Reformed Church. The flowers were arranged by subscribers made to the flower fund, though some were furnished personally by members of the congregation.

FIRST BAPTIST CHURCH.

The Easter decorations in the First Baptist Church this year were unusually pleasing. The entire pulpit was composed of palms and flowers which had been collected and arranged by Mrs. McCutchen and L. W. Serrell, assisted by the ladies of the church, azaleas, daisies, palms, mimulus, heliopsis, geraniums, and daffodils. Many of them were furnished from the collections of Mrs. W. B. Wadsworth, Mrs. G. W. Rockefellow and Mrs. William Van Alstyne. The flowers which the pastor gave out of his Bible class were kept and arranged for East for most part of the decorations. They had grown nicely and were an interesting feature, because they were kept and arranged by the children.

PARK AVENUE CHURCH.

The forward part of the pulpit was banked thickly with potted plants which made a pretty effect as seen from the different parts of the church. The flowers were arranged by subscribers made to the flower fund, though some were furnished personally by members of the congregation.

HOLY CROSS CHURCH.

An unusually fine display of Easter flowers was presented to the eye of worshippers in the Church of the Holy Cross yesterday. The altar was covered with palms and lilies, while the flowers were arranged by subscribers made to the flower fund, though some were furnished personally by members of the congregation.

ST. MARY'S BEAUTIFUL SERVICE.

The beautiful music which emanated from the throats who reverently crowded St. Mary's Church yesterday morning at the quarter to eleven service, was a revelation to the organist and conductor, Prof. F. R. Lee, and the quartet which consisted of Miss Mary Flanagan, soprano, Miss Marguerite Day, mezzo-soprano, John C. Traylor, tenor, and M. C. Castin, bass. The music was unusually well and were nicely supported by a chorus of selected voices.

All this service, Mercandante's High Mass arranged for quartet by Biedermann, was sung. The Laudamus arranged for soprano, mezzo-soprano and baritone was finely rendered. The Donatus, which Messrs Traylor and Castin sang as a duet was excellent. M. C. Castin's baritone solo, El Irtum, and Miss Flanagan's soprano solo, Agnus Dei, with chorus accompaniment were effective. All the other numbers on the extended programme were sung in a manner which showed careful training on the part of Prof. Lee.

Previous to the 10.45 service, a choir of fifty boys and girls and a chorus of 300 children, all selected from St. Mary's School, carried out a children's mass in an excellent manner. The choir was led by the organist and conductor, Prof. Lee. The children's mass was a very interesting feature, and the children sang with spirit and interest, which only children can manifest and showed the very best of the training which they had received from Prof. Lee.

The singing at both services was entirely rendered by home talent. Prof. Lee has been teaching his choir at St. Mary's in Plainfield for several years and has earned an enviable reputation for the successful manner in which he has taught his choir. The choir sang up to its unusually high standard of excellence. As a musician, Prof. Lee is a master. His conception is profound and his execution brilliant. He has a repertoire of sacred and classical music, and St. Mary's Church is to be congratulated upon having such a thorough musician in charge of her music.

EASTER AND ANNIVERSARY EXERCISES AT MONROE AVENUE CHAPEL.

The second anniversary of Monroe Avenue Chapel was celebrated yesterday together with the Easter day exercises. The anniversary exercises were held on April 6 and yesterday was chosen as a fitting occasion so that two events might be joined in one. The chapel was decorated with the personal offerings of flowers from about fifty different persons of the congregation and their friends.

At the morning service Mr. James McGee read a report of the work during the past year and showed the progress to be in a good condition financially. The Ladies Aid Society, the Epworth League and the Young Men's Association are pushing forward in their work with much enthusiasm. The number of scholars enrolled in the Sunday school is 200, and the average attendance 120.

In the afternoon, the Easter service of the Sunday school was held, in which were singing, prayer, and a sermon by Rev. Charles E. Scudder. The flowers were 200 present. Master Dodd, a little fellow of five years, sang solo of "The green hill far away" and it nicely.

The evening service was conducted by Rev. Charles E. Scudder and the chapel was well filled.

MR. HERRING RIDES WHILE RIDING A BICYCLE.

On Saturday afternoon about four o'clock, C. H. Herring, the father of Rev. C. H. Herring of First Presbyterian Church, was riding on a bicycle while riding on a bicycle and sustained a severe scalp wound.

He had been down town and was somewhat fatigued when he started for home at Front and Richmond street on the wheel. When near Elm street he met a car and turned back. He was not accustomed to riding a wheel and, losing control of it, he ran against the carriage, and was thrown by it. His head struck the wheel and was cut. The bicycle was badly damaged. Mr. Herring was taken home and cared for. It was found that no further injury was sustained. He was out yesterday and in remarking about the accident said no one was to blame for it.

STILL WILL BE HAD FOR THE EXERCISE COMPANY.

The work of remodeling the interior of the store just vacated by City Trust Bank and coffee can on the ground began today, and the place will be made ready for occupancy by the Express Company. The middle partition between the two stores will be removed and a continuous room of sixty-five feet in depth. The floor in the rear will be raised about two feet between the back wall and the railroad, and a chaise will be erected above it for handling express matter direct from the train. Accommodations will be made also for receiving packages from the goods at the east side of the building.

IT COSTS MONEY TO FIGHT IN THE BERRUGH.

Saturday night about eleven o'clock, George Hurling and Raleigh Cruise, two colored youths in this city, had a fight on Craig Place near Somerset street. Marshall Pangborn heard the row and ran to the scene. Hurling, who was wearing a hat, was the first to strike. The fight was badly damaged. Mr. Herring was taken home and cared for. It was found that no further injury was sustained. He was out yesterday and in remarking about the accident said no one was to blame for it.

PLAINFIELD'S FIRST CHINESE BELL.

They will be placed in the tower of the New Seventh Day Baptist Church. The bell is a gift of the Chinese community and will be used for public worship at the end of the next August.

About three years ago work was commenced upon the new building of the Seventh Day Baptist Church in this city. The building is almost completed and will be used for public worship at the end of the next August.

The work of building the church has been slow. The reason for this is that at the outset, it was decided not to go into debt for anything. Should the money not be forthcoming at any time to carry on the work, then the labor was to stop until sufficient funds should be in hand to place the building under construction. The result is that the building has been completed in the best way possible. The result is that the building has been completed in the best way possible.

HARDWAY NIGHT'S FIRE.

Two alarms of fire were sent in from No. 16, located at the corner of Front and Broadway streets, on Saturday night. The first one about eight o'clock was found to be a house occupied by John Richter at 177 East Third street. A lady had expanded and set a table in one of the lower rooms. The blaze was extinguished before the firemen reached the house before an alarm was again sounded from the same box. This time the fire was found to be the restaurant owned by Charles Hyde on East Front street. The conflagration was but a continuation of the blaze which took place on Thursday morning, when Hyde's mill was burned. Some sparks had undoubtedly been left to smolder in the sawdust packing of the ice boxes, which Saturday night's fierce wind fanned into a blaze. The entire structure was wholly consumed. The loss will not be over \$3000 in which there is no insurance.

When the Plainfield firemen were about ready to come home an alarm was sounded by the North Plainfield steam gong about noon after Warren Engine and Hose Company appeared on the scene. Their services were not required for the fire was out.

CHURCH OFFICERS ELECTED FOR THE BERRUGH YEAR.

The annual meeting of the Seventh Day Baptist Church was held yesterday afternoon, at which time the trustees and other officers of the church were elected for the ensuing year and other business was transacted.

The trustees elected were George H. Babcock, Charles Potter, J. F. Hubbard, E. B. Pope and J. A. Hubbard. The clerk, J. E. Titusworth, secretary, E. F. Hubbard, treasurer, Geo. E. Stillman, treasurer of the mission fund, and the other officers were also elected. The annual meeting was held in an excellent condition and much important business was transacted.

At the conclusion of the regular session the new trustees met and organized by electing George H. Babcock president of the board.

IT MIGHT HAVE BEEN A BAD YEAR.

A sofa caught fire at the house of Mrs. DeBaud on East Front street Saturday afternoon. The fire was extinguished by the firemen before it had done much damage. The cause of the fire was not ascertained.

She had been cleaning the sofa with gasoline and some time afterward had occasion to strike a match near the sofa. The fire was extinguished by the firemen before it had done much damage. The cause of the fire was not ascertained.

At the conclusion of the regular session the new trustees met and organized by electing George H. Babcock president of the board.
