NEW EVIDENCE

Of Dr. Lighthill's Success.

A Flattering Testimonial From Col. John Dietrich, One of Plainfield's Oldest and Best Known Residents.

I am profoundly grateful to Dr. Lighthill for his speedy and radical cure of a most painful malady of over ten years standing. I deem it proper to say to all afflicted to place themselves under the care of this skillful physician and be permanently cured. I will cheerfully impart any information I possess when called upon.

A HAPPY EXPERIENCE.

The Interesting Testimony of Mr. W. E. Dilts, the Popular Passenger Conductor of the N. J. Central.

My Friends and the Public: I take pleasure in calling public attention to the remarkable cure which Dr. Lighthill effected in my case. For the past ten years I had been afflicted with a severe form of piles which finally gave me the greatest pain and distress nearly all the time, and from which I could not obtain any relief, in spite of all my efforts.

Hearing of a number of cures which Dr. Lighthill effected in similar cases, I placed myself under his care, and I rejoice to say he effected a complete cure in my case, and gave me new life in doing so, for I am sure that I could not have endured my misery much longer. And it will be a matter of importance to those who are suffering from this disease, to learn the happy fact that Dr. Lighthill effected my cure without giving me pain or detaining me from work.

A Card from Mr. T. R. VanZandt.

I certify with pleasure that Dr. Lighthill has effectively cured me of a most painful case of piles. For some time past I had been subject to its attacks but the last attack was so exceedingly painful that it completely upset my whole system. The pain extended to my legs and in many other directions, and made me so nervous that I could neither sleep at night nor move about without serious discomfort and distress. Such was my condition when I applied to Dr. Lighthill for relief, and I am glad to say that as soon as he took hold of my case, I began to improve, and in a short time I found myself completely cured. Dr. Lighthill has also effected a radical and permanent cure in a most terrible case of piles on my cousin, Mr. J. V. Z. Griggs, of Rocky Hill, N. J., whose grateful testimonial is in Dr. Lighthill's possession.

Almost a Human Butchery In a New Jersey Town.

Mother and Babies a-t-Then the Delirious Father Throws Himself from a Window and is Killed—All Wounded, but Will Recover—He Dies Instantly.

Newark, N. J., Aug. 20.—Thomas Hewitt, an iron worker employed in the Watts-Campbell company foundry, in this city, made an attempt at an early hour yesterday morning to kill his entire family, consisting of four children and the foundry. His home was a neat two-and-a-half story cottage. It was one of the neatest on the street and the family lived in comfortable circumstances.

For some weeks Hewitt has been suffering from typhoid malaria. Yesterday afternoon he was much worse than at any time during his illness. In the evening at frequent intervals his mind wandered, but it was not a violent wandering, so little attention was paid to this as it was expected in the course of the trouble.

About 2 o'clock yesterday morning Hewitt was supposed to be asleep in a room on the second floor at the rear of the house. His wife and four children were sleeping in a room fronting on the street and connecting with the one in which he slept.

With this he cut a gash across his throat from under the left ear, across and downward toward his right breast. The cut was several inches in length, but not very deep, and was not dangerous with the responsibility for their safety.

The main Japanese squadron has been sighted again in the Gulf of Mexico. The lives of the seaports have been forbidden to use Japanese coins.

Emma Goldman again. Ten Months on the Island Fall To Carb Her Tongue. New York, Aug. 20.—Emma Goldman, fresh from her month's incarceration on Blackwell's island, addressed an immense concourse of her friends and admirers, most of whom were anarchists, at the home of the late Mrs. Steiner and John Kilgus.

Chicago Pilgrims To Pay Homage. Detroit, Aug. 20.—Between 300 and 400 pilgrims will leave this city at 9 o'clock this evening on the steamer Lorca, under the guidance of Rev. F. J. Van Antwerp, of the Holy Rosary church of this city, to pay homage at the shrine of St. Anne de Beaupre near the city of Quebec.

Local Weather Forecast. Increased cloudiness and thunder storms; southwesterly winds.

Japanese To Attack the Chinese Stronghold.

Despite Torpedoes and Submarine Mines the Japanese Have Entered the Harbor of Wei-Hai-Wei and Reconnoitered the Forts—Enemy Asleep, but Waking Up.

London, Aug. 20.—The Shanghai correspondence of the central news gave in yesterday's dispatch a gloomy view of affairs at Wei-Hai-Wei, the fortified city on the Shantung promontory. There is little doubt that the Japanese intend to attack this Chinese stronghold shortly, despite the tradition of the Chinese that the place is impregnable. The lights along the promontory have been extinguished and the buoys have been removed and the Chinese are constantly adding to the defenses by laying torpedoes and submarine mines.

The warrant commanded Deputy Daily to apprehend all the principal officers of the corporation. It charged them with having "unlawfully and fraudulently conspired to defraud the United States by furnishing to the United States in a manner similar to that in which the Carnegie company and the Chester Iron company have recently been involved."

THE MINERS' HARD LOT. A Repetition of Last Winter's Sad Experiences Predicted. Pittsburgh, Aug. 20.—Troublesome times are in prospect for the coal miners in the Pittsburgh district and the fall and winter season may witness a repetition of the experiences of last winter. Matters of Interest at the German Capital.

Manufacturers Somewhat Elated Over the Passage of the American Tariff Bill—Comments of the Press on the New Measure—Miss Carroll a Lavish Entertainer. Berlin, Aug. 20.—Manufacturers and exporters interested in the American trade are somewhat elated over the passage of the tariff bill. In the textile industry the relief from the most onerous duties is especially apparent.

The Tagblatt says: "The revision of the McKinley act has come too late to help materially that branch of our industry which is connected most closely with the American trade. The manufacturers who depend largely on American custom have had time to get on their own legs. There is not likely to be any revival due to the new tariff, excepting, perhaps, the woolen trade."

COKEYTES RELEASED. One Hundred Westerns Started West by Governor Brown. Baltimore, Aug. 20.—One hundred members of the army of the commonwealth were released from the house of correction yesterday morning and were started for Cincinnati over the Baltimore and Ohio railroad.

Two Fatal Accidents. Huntington, Va., Aug. 20.—Henry Harman, in Logan county, was showing a considerable nerve, and yesterday when the weapon slipped from his grasp, fell to the ground, was discharged when the contents entered his lungs, proving instant death. A workman, while felling timber in the woods near by where Harman was killed was caught under a falling tree later and his life crushed out.

Bank To Resume Business. Wichita, Kas., Aug. 20.—The directors of the lately suspended Wichita bank announced last night that they have been able to make such arrangements with their depositors as will enable them to reopen that institution Sept. 1. JERSEY'S GIANT CITY.

BIG CONSOLIDATION SCHEME DISCOVERED BY A CONGRUOUS WEEKLY.

Important News Being Made in Hudson County—Plan to Unite the Big Municipalities into One Municipal Community.

(From the *Congruous*, N. Y. West Shore Herald.)

A quiet move is on foot in Hudson County having for its object a far-reaching scheme of municipal consolidation which shall completely eclipse the efforts of Chicago in this direction. The Jersey City papers are evidently not "on" to it, but your correspondent has seen a petition that is being circulated among the solid business men there asking the State Legislature to grant a charter for no less an area than Jersey City, Hoboken, Newark, Orange, Paterson and Passaic combined, together with the interlying territory extending from the Hudson River back to the Orange Mountains.

The whole immense and valuable water front from Bayonne to Fort Lee is included in the future great city.

Commercially, it is believed, the scheme will commend itself to the people as one of practical wisdom, and that is probably the real reason why the bankers and heavy property-owners are first being asked to endorse it. In these days of practical politics, however, it is only fair to suspect the existence of either a job or the gratification of some man's ambition in a stupendous deal of this sort.

The petition of the Legislature gives no inkling of the politics, if any, behind it. It is known, however, that Andrew H. Green was asked to furnish, and did furnish, an outline of the plan to be followed, both in securing the legislative sanction at Trenton and in perfecting the consolidation. The petition reads as follows:

To the Honorable the Senate and Assembly, Trenton, N. J.

The undersigned individuals and corporations, believing that the present scattered political divisions of the cities and towns of the Hudson River district of New Jersey deprive us of the benefits to which we are fairly entitled, by reason of our commercial importance, respectfully petition your honorable body to enact such legislation as shall result in the consolidation of the following cities and towns into one great municipal incorporation:

| Cities and Towns | Population |
|---|------------|
| Newark | 180,000 |
| Jersey City | 151,000 |
| Hoboken | 100,000 |
| Paterson | 75,000 |
| Hoboken | 75,000 |
| Bayonne | 39,000 |
| Orange | 15,000 |
| Passaic | 15,000 |
| Clinton | 15,000 |
| Harrison | 15,000 |
| Hackensack | 15,000 |
| Elizabeth | 15,000 |
| Also all lying within the following boundaries: | |

Beginning at a point in the westerly bank of the Hudson River 40 deg. 10 min. north latitude, thence westerly along said latitude to the point of intersection with 74 deg. 12 min. west longitude, thence southerly to the point of intersection of said 74 deg. 12 min. west longitude with 40 deg. 30 min. north latitude, thence easterly along said latitude to the point of intersection with 74 deg. 12 min. west longitude, thence southerly along said latitude to 40 deg. 30 min. north latitude, thence easterly to the point of intersection with the State Island Sound opposite the mouth of Morris Creek, thence easterly and northerly through the Kill Van Kull and New York Bay and the Hudson River, at tidewater, to the place of beginning.

Dated Jersey City, Aug. 4, 1920.

It will be seen that a popular key-note has been struck in the use of the word "prestige." If there is one thing lacking in a Jerseyman's cup of happiness it is that self-same word. His State has everything else—power, population and pride. Now, if he can also secure the prestige which a magnificent commercial metropolis will give him, he will be right "in it" with his haughty neighbors across the North and East rivers.

With a territory smaller than that which Chicago covers at the present time the proposed new city would have a population of 750,000. It will be seen that the ten cities mentioned in the petition contained 559,487 people four years ago. The remaining towns had something over 100,000 in 1910, giving a total of nearly 700,000. It is estimated that by the time the consolidation can be accomplished, say three years hence, the ordinary increase over the figure of 1910 would be sufficient to enroll 1,000,000 souls in the new city.

It would be about No. 4 in the ranks of American cities, with a choice for third place if Brooklyn did not look well to her laurels. But Brooklyn is planning a second big bridge, while Jersey is rejoicing over her recent victory in securing No. 1. The latter will do more for her in proportion than the Brooklyn affair has done for Brooklyn, seeing that an immense railway traffic will go over this between New York and the West, while Brooklyn leads to nowhere and can never be anything but the bedchamber of the Greater New York.

Should Brooklyn lose her identity entirely the Jersey metropolis would have a clear title to third place.
