## HAPPY FALL WEDDING.

Brilliant Nuptial Event Consummated in St. Mary's.

CHURCH BEAUTIFULLY DECORATED.

The Altar Garlanded With Roses—Ceremony Performed by Rev. Father Smyth—Bride Gowned Smartly—Reception Held at the Home of Bride's Parents—Given a Great Send Off by Their Many Friends.

It was a brilliant audience that gathered in St. Mary's R. C. church last evening at 7:30 to witness the marriage of Miss Teresa Keely, daughter of Mr. and Mrs. Patrick T. Keely, of 599 LaGrande avenue, to Thomas J. Hughes, of East Second street. The large edifice was crowded to the very doors with friends of the popular young couple. The decorations in the church were especially noteworthy. In festal array the altar presented a scene of beauty, garlanded with roses and surrounded with stately palms, while the lighted candles gave an additional effect.

The doors of the church were opened shortly before 7 o'clock and while Charles Ward, John E. Keely, Michael J. Mack and Fred Hughes, the ushers, were seating the relatives and friends, Miss St. Leger, who presided at the organ, executed with rare skill appropriate wedding selections.

It was only a few minutes past 7:30 when the familiar notes of the Mendelssohn wedding march were heard on the organ. At the same time the doors of the church were thrown back and the four ushers entered followed by Miss Julia Keely, sister of the bride, who acted as bridesmaid. She wore a smart gown of cream colored silk trimmed with lace and ribbon, and carried a bouquet of pink roses and maiden-hair fern.

Then followed the bride, a charming brunette, richly gowned in white brocade silk, on train, trimmed with lace. She also wore a veil which was caught up with orange blossoms, and carried a shower bouquet of bridal roses. She was leaning on the arm of her father, who gave her away in marriage.

At the altar the bridal party met the groom and best man, John P. Povera, and Rev. Father P. E. Smyth, pastor of St. Mary's church, who performed the ceremony, assisted by Rev. Father Murphy, the assistant pastor. The ceremony was a beautiful one and very impressive. At its conclusion, the beautiful Loehengrin wedding march was played as Mr. and Mrs. Hughes left the church. As they passed down the aisle they gracefully acknowledged the presence of their many friends with pleasant recognitions.

The bridal party were then taken to the home of the bride's parents, where a reception was held for the relatives and intimate friends of the married couple. The house was prettily decorated with flowers and smilax, while an arch was neatly arranged in the hallway over the stairway. The bride and groom stationed themselves in the parlor, where they received the congratulations of those present, who wished them long life, plenty of happiness and success. During the evening a supper was served to the guests, and the younger folks indulged in dancing to the health and happiness of the bride and groom.

A strong evidence of the esteem and popularity of Mr. and Mrs. Hughes was shown in the many valuable and useful gifts received by them, consisting of dinner and tea sets of china, silverware, furniture, banquet lamps, linen, and many other gifts.

Mr. and Mrs. Hughes departed from the scene of festivities amid a shower of rice and old shoes in time to catch the 11:25 train for New York, from which place they will go to Virginia, where they will enjoy their honeymoon. On their return they will reside on East Second street, in a house owned by the groom and which is completely furnished and awaiting their reception. The groom is a valued employe of F. C. Langhorne, the front street photographer.

Mr. White's Offer.  
Work was begun this morning by Contractor Thomas J. McGann, Jr., in excavating for the cellar for the new building that W. M. Stillman is to put up at the corner of West Front street and Madison avenue.

Testimony Taken.  
The examination of witnesses in the case of the contested will of Rachel A. Clark was continued before Surrogate Parrot at Elizabeth yesterday. Further hearing was then postponed until Thursday.

## STOLE FROM A DEAD WOMAN.

WESTFIELD AROUSED OVER OFFENCE.

An Italian Woman Died and Before Her Body Was Fairly Cold It Was Stripped of Valuables.

Mrs. Mary La Verent, an Italian woman, died at her home on Spring street, Westfield, Sunday, and yesterday, while the corpse was lying in the house, some members of the Westfield Italian colony looted the house of the few goods it contained, even carrying off the dead woman's clothes, and taking \$40 which she was known to have in a small bag around her neck. About six months ago the woman's husband, Francisco LaVerent, deserted her and went back to Italy with a young Italian woman whose acquaintance he had made in Westfield. Mrs. LaVerent was left with two children, a boy eight years old and a girl only three. She toiled hard to support the children, but as she was in somewhat delicate health, she found the struggle a hard one. On Sunday morning she died, leaving her three children, one a new-born babe, to the mercy of strangers.

The funeral was held yesterday afternoon at 4 o'clock. As soon as the news of the woman's death spread in the colony, a horde of sons and daughters of Italy flocked to the squalid quarters, and appeared to take an interest in the friendless children. The body was left in their care for a time, and when the priest returned yesterday to perform the last rites, he found the house robbed of everything that was of any value whatever. Some of the clothes had been taken from the corpse and the bag containing the money which was around the dead woman's neck, was also gone.

While the place was being robbed the two older children were kept at the house of another Italian nearby, so that they could not know what was taking place. After stripping the house of everything, the ghouls deserted it, leaving the dead body unguarded.

Yesterday complaint was made in the matter to Justice Collins and he proceeded at once to the Italian quarter and took measures to recover the stolen goods. He first made secure whatever goods were left in the house, and then made an announcement that he would give the parties in possession of the stolen goods one hour in which to return them. If all were not recovered then he would make a search of all the houses in the neighborhood, and if any goods were identified by the child of the dead woman as having belonged to his mother, he would arrest the person in whose possession the goods were found.

The Justice's course soon had the desired effect. From all points of the compass Italian men and women soon began to appear with bundles under their arms. Before an hour had elapsed nearly all the stolen clothing and furniture and \$20 of the missing money were recovered.

## HIGH VALUE ON HER AFFECTIONS.

Summit Young Woman Wants an Estate While Admirer to Pay \$10,000.

Tomorrow, in the Union County Court at Elizabeth, a breach of promise suit will be called for trial. The plaintiff, who seeks to obtain \$10,000 damages, is Miss Joanna Murphy, a resident of Summit, and a sister of Father Murphy, of St. Mary's church, this city. The defendant is former Assemblyman Philip Tumulty, of Jersey City, who for years has been prominent in Democratic political circles and also held lucrative offices. He is between fifty-five and sixty years old, while the plaintiff is a comely woman of thirty. The couple, it is asserted, were engaged to be married two years ago, but for some reason the marriage did not take place. Now Miss Murphy, who blames the defendant for this, wants ample compensation from him for trifling with her affections.

## THE FIRST REHEARSAL

Active Preparations for the Spielkardenfest Progressing.

The active preparations for the Spielkardenfest are now going forward and the rehearsals have begun. The first of the rehearsals for the older young people who are to take part in the dances, was held at the Casino last evening. Miss Stewart was present and gave instructions in the dance.

The rules concerning those who are to be admitted to the rehearsals will be very strict this year, and only the dancers and their escorts will be allowed to witness the rehearsals.

Street Cars Temporarily Stopped.  
During the storm yesterday morning traffic was temporarily suspended under the Watchung avenue bridge, as the water was very high there. The trolley cars had to transfer their passengers around that place.

## GIFT OF A SILVER PLATE

BRYANT SCHOOL MAKES A PRESENT TO WINFIELD SCOTT POST.

Presentation Made at the Camp Fire Last Night, Where Also a Good Time Was Enjoyed Socially By All.

A pleasant event of last evening was the camp-fire given under the auspices of Winfield Scott Post, No. 73, G. A. R., to the members of the Woman's Relief Corps and the Sons of Veterans. The post room was well filled with an assemblage of loyal people who enjoyed the fine programme presented. On the platform were seated Rev. L. E. Livermore, chairman of the camp-fire committee, and beside him were Commander I. L. McVoy and Mrs. C. B. Stephens, president of the Woman's Relief Corps. The chairman, in his usual happy manner, introduced the several numbers, the first of which was a vocal solo by W. C. Smith, Jr., followed with a reading by Miss Etta Raybert. Both numbers were well received, and when the chairman introduced J. H. Carney hearty applause was given. Mr. Carney said: "It is, indeed, a great pleasure to speak to the survivors of the late war and their lady friends, and meet with the Sons of Veterans and congratulate them in following the footsteps of those who lost their lives during the late war in defending our country's honor. I say to all sons should a call ever come from the north, east, south or west, be you ever ready as were your fathers and forefathers to respond to the call to save our country's emblem, that the glorious Stars and Stripes may ever float in the soft breeze of heaven and over our free country, remembering always that thousands of loving hearts and tender hands are banded together to care for the sick and wounded. God forbid that you should ever be called, but if you are you will find the Woman's Relief Corps at their post ever ready to assist you in defending our country's honor. So much, my friends, from a Son of a Veteran, whose father tonight lies near the battle fields in a soldier's grave."

Mr. Carney concluded his remarks by giving the audience some character sketches in the German dialect. Following Mr. Carney, Miss Jomini rendered a pleasing vocal solo accompanied by Clifford Braider on the piano. The next number was an address by Major Reed, of Philadelphia. Mr. Reed was an organizer of the Sons of Veterans in Pennsylvania, and is also a Grand Army veteran. He gave a thrilling, patriotic address, and complimented the members of the several organizations.

Miss Mertie Randolph, of Park avenue, was introduced and gave pleasing recitations in her usual clever manner. She was accompanied on the piano by Miss Livermore. The next number was a complete surprise, when Mrs. Smalley from the Woman's Relief Corps, presented the post on behalf of the corps with a handsome solid silver plate to be placed on a flag-staff bearing a flag which was presented to the post May 30th, 1897. On the plate is the following inscription: "Presented to Winfield Scott Post, No. 73, Department of New Jersey, G. A. R., May 30th, 1897, by Bryant Public School, Plainfield, N. J."

The gift was received by Commander McVoy in a neat little speech in which he thanked the donors heartily on behalf of the post. The two remaining numbers on the programme consisted of an address by Major Miller, in which he made reference to the proposed soldiers' monument, and a vocal solo by W. C. Smith, Jr.

The rest of the evening was devoted to enjoying a generous supply of ice cream and cake by the committee in charge of which M. C. Dobbins was the chairman.

## TALENTED ENTERTAINER.

Miss Anna L. Harris Gave a Selected Programme of Readings.

A talented young woman from the Emerson School of Oratory, in Boston, Miss Anna L. Harris, gave an entertainment at the Y. M. C. A. hall last evening, under the auspices of the Christian Endeavor Society of the First Presbyterian church. Miss Harris gave the entertainment entirely alone and made it a delightful one, worthy of a far larger audience than was present to hear her.

She showed her ability to give humorous or pathetic selections equally well. She was at her best, however, in the sleep walking scene from "Macbeth," which she gave in an exceedingly realistic manner, and in that charming little poem of James Whitcomb Riley's, "My Old Sweetheart."

Mrs. Pruden and Miss Pruden, of East Second street, are visiting Philadelphia relatives.

## STRIKE AT SILK MILL.

THIRTY GIRLS AT THE STIRLING MILLS STOPPED WORK.

The Company Proposed a Cut in Wages Which the Girls Refused to Accept—A Compromise Has Since Been Affected.

The little town of Stirling was the scene of great excitement yesterday between the hours of 12 o'clock noon and 3 o'clock in the afternoon, and for a time it looked as though the silk mills of that place would be obliged to shut down. The officers of the company that run the mills decided in the morning to make a cut in the wages of the girls that wind the silk before it is put on the loom. The cut was to be 20 cents on a hundred yards, and when the thirty girls whom the cut would affect, heard of the proposed scheme they decided that they would stop work rather than accept the reduction. At noon the proposition was made to the girls and they were informed that their wages would be reduced as stated above. The girls held a conference at once to determine their action. As a result they decided to declare a strike which began at once.

They left the mills and stood about the village in groups discussing the situation, and it was not long before the townspeople learned of what had happened, and they joined in the crowd and advised the girls not to go back until the company made suitable concessions.

It soon became apparent to the officers of the company that they had stirred up a hornet's nest, and that unless they compromised matters and the girls resumed work, they would have to close the rest of the mill. A consultation followed, and the officials decided to offer the girls a cut of eleven cents instead of twenty cents, and the leaders among the strikers were called in to hear the proposition. It seemed to impress them favorably, and after consulting with their colleagues in the matter, they accepted the proposition and went back to work. At present there is considerable work on hand and the company could not afford to let the thirty girls go, hence the compromise.

## YALE CLUB MEETING.

The Annual Dinner Will Probably Not Be Given This Year.

The advisability of holding another dinner of the Yale Club this year was the principal topic of discussion at the meeting of the Yale Club last evening. The old dinner committee were not present at the meeting, but they sent in a written report in which they advised that the custom of the club of holding an annual dinner be given up for the present on account of the lack of interest among the members. The question was thoroughly discussed by the members at the meeting and it seemed the general sentiment that the dinner should be held this year as of old. A resolution was passed to that effect and then a new dinner committee was appointed. The new committee consisted of Charles S. Foote, James R. Joy and George A. Strong. The election of officers for the ensuing year was held and resulted as follows: President, A. H. Atterbury; vice president, Herbert L. Moody; secretary and treasurer, Arthur Lovell.

## ONLY A SMALL BALANCE.

The Treasury of Children's Home in Need of Assistance.

There appears to have been a misapprehension regarding the funds of the Children's Home because the treasurer's report, made at the anniversary, showed a balance on hand of \$2,020.60 on the first of May last, the end of the fiscal year. At that time a portion of the invested endowment fund had come into the treasury by a mortgage that had just been paid off. Since then the money has been reinvested so that at the present time all there is for running expenses is \$380. The average monthly expenses are \$190, and the yearly coal bill has yet to be paid.

## Motion to Be Argued.

The motion of City Judge DeMeza, counsel for R. F. M. Chase, to quash the writ of attachment served in the case of Cronin against Chase, will be argued before Justice Thomas, of the borough, on Friday afternoon. The hearing was to be held this afternoon but was adjourned until that time.

## Chainless Wheels Coming.

The agency for the Columbia bicycle in Plainfield has been temporarily established in one of the windows of George W. Rockfellow's grocery store. The Columbia chainless wheel will be out this week.

## A Halloween Supper.

A Halloween supper will be given by the ladies of the First M. E. church in Vincent chapel, Monday evening, November 1st. Entertainment and games, commemorative of the day, will be furnished for the young people.

## A FULL RETRACTION MADE.

ANONYMOUS WRITER CONFRONTED

In the Presence of Her Husband She Exonerated the Innocent Girl From Serious Accusations.

Where before only those in the most select circles had gossiped of the affair resulting from the anonymous letters written by a prominent society woman, the whole city read between the lines in the story published in The Press last night and the subject was the fad for tea table gossip in many families.

In gathering the facts for the story the Press reporter's efforts were fraught with obstacles in the way of the reticence of the parties concerned. Since the publication of the story it has been learned that an error was made in stating that a settlement was yet to be made between the writer of the scandalous letter to the boarding school principal and the parents of the daughter slandered.

It is now learned that a settlement was effected last Saturday afternoon in the office of the lawyer in whose hands the matter had been put. It consisted of the accused woman signing a paper in which was stated that she was the author of the letter and that the statements made in it were absolute falsehoods. The husband of the woman was one of the witnesses to the declaration.

## CHILDREN FRIGHTENED.

Heard Suspicious Noises and They Jumped Out of a Window.

Neighbors of J. A. Layton, who resides at 137 Grove street, were startled last night about 9 o'clock to hear the terrified cries of several children as they ran about screaming "thieves!" It appears that all the older members of the family had gone out early in the evening leaving the house in care of the younger children.

About 9 o'clock the children heard some suspicious noises about the house and thought they were caused by burglars. The back door was locked and they were afraid to go through the front door of the house because the suspicious noises came from that direction. In terrible fright the children jumped out of the window and ran yelling to the neighbors. An investigation was made and it was found that one of the windows had been mysteriously raised. After the bolder ones had looked about no trace of robbers could be secured and once more the community regained its quietude.

## STATE W. C. T. U. MEETING.

Opening Day of the Twenty-fourth Annual Convention.

The twenty-fourth annual convention of the Women's Christian Temperance Union, of New Jersey, opened in Trenton yesterday afternoon with a prayer and conference meeting conducted by Mrs. M. C. Nobles, of Atlantic Highlands.

Last evening a meeting was held at Association Hall. The delegates were welcomed to the city by Mayor Sickels. Welcomes were also extended on behalf of the Trenton unions, by Mrs. B. M. Anderson; on behalf of the Mercer county unions, by Mrs. G. M. P. Wells, and on behalf of the churches, by Rev. Dr. S. M. Studdiford. The response on behalf of the convention was made by Mrs. C. Gebhardt, of Clinton.

## FATAL TORNADO AT EL ZABETH.

House Overturned and a Hod Carrier Caught and Killed.

A tornado, followed by a cloud-burst, swept over Elizabethport shortly before noon yesterday and did considerable damage. Fences and outhouses were blown down, trees uprooted, and at 211 Rankin street a new two-and-a-half-story dwelling, almost completed, was demolished by the wind.

James Clark, a hod-carrier, who was working in the vicinity, took shelter at the side of the building when he saw the tornado coming. He was crushed beneath the ruins and was dead when his body was extricated. He was 35 years old, married, and his home was in Bayonne City. He boarded on Union street, Elizabeth. He leaves a wife and three children.

## ENTERTAINED THE MINISTERS.

The Pastors Given a Pleasant Time at the Home of S. A. Cruikshank.

The Ministers' Association, of this city, was entertained at the handsome residence of S. A. Cruikshank, of Belvidere avenue, on Monday evening. It was the regular monthly meeting of the association and it was the turn of Rev. Floyd Appleton to entertain. At the request of Mrs. Cruikshank, the meeting was held at her home and a dinner was given to the ministers. The paper of the evening was read by Rev. Cornelius Schenck, Ph.D. Several of the ministers were unable to be present.

## SPENCER NOMINATED.

Chosen as Candidate for Surrogate on Second Ballot.

VAN DOREN NAMED FOR ASSEMBLY.

The Republican Convention in Somerset County Met at Somerville This Morning—Plainfield Represented on Committees—Senator Reed Opposed Spencer's Candidacy for Surrogate.

(Special Correspondent to The Daily Press.)  
Somerville, October 13th.—The contest for political honors opened this morning at 11 o'clock in the County Court house, when the Republican county convention was called to order by ex-Senator L. A. Thompson, chairman of the Somerset County Republican executive committee, after which J. L. Griggs, of Somerville, was made chairman of the convention on a motion made by ex-Mayor W. H. Whiting, of Bound Brook. County Clerk F. W. Somers nominated Henry A. McGee, of North Plainfield, secretary and the North Plainfielder accepted the position. The official roll call of the delegates was then read by the secretary. This was followed by a motion offered by former Mayor B. A. Hegeman, Jr., of North Plainfield, that the committees be appointed. Mr. Hegeman was appointed chairman of the committee on resolutions, while N. B. Smalley secured a place on the committee on credentials. The delegation from North Plainfield and the township consists of B. A. Hegeman, Jr., P. A. Emmons, N. B. Smalley, J. W. Codington and Henry A. McGee. After the appointment of committees Mr. Hegeman moved the convention adjourn until 2 o'clock.

There is a large sprinkling of political leaders from North Plainfield, including W. C. Smith, Poole Voorhies, Andrew Lutkins, W. L. Smalley, Senator Reed, H. N. Spencer, Judge Brown, Charles H. Lyman and D. J. Carney, and the chief topic discussed during the early part of the convention was the attitude of Senator Reed, who seemed to show that he was supporting G. W. Cooper, Mr. Spencer's strongest opponent for the office of surrogate. Mr. Spencer has for his chief backer ex-Senator Thompson, and the latter, together with Mr. Spencer's friends, naturally feel ruffled to think that the Senator has thus turned his energies toward those outside of his habitation. It was conceded that Mr. Spencer would have the support of the entire delegation from North Plainfield as well as from the leaders who were not delegates. During the adjournment the delegates devoted their time to a discussion of the latest move on the part of the Senator.

When the convention was called to order at 2 o'clock Chairman J. L. Griggs called for a report from the resolution committee, and Mr. Hegeman, chairman of the committee reported. The resolutions in the first place endorsed the platform of the National Republican Convention, especially that which referred to protection and the 100 cent dollar. They congratulated the country on the election of President McKinley, and rejoiced in the advancing tide of prosperity which has already started the wheels of industry under the policy of the Republican administration. They also rejoiced that the people of Somerset county were so emphatic in their declaration for law and order in the large majority they gave for the anti-gambling amendment to the State Constitution, thus ratifying the action of their representatives in the Legislature.

The resolution pledged the active assistance of the delegates to the convention, and confidently submitted them to the suffrages of the Somerset county voters as worthy of their support. The resolutions were adopted by a unanimous vote.

The next business of importance was the work of nominating candidates for the Assembly and for the office of Surrogate. J. V. D. Van Doren, of Hillsboro, received the nomination for Assembly, receiving the solid support of the delegates.

The following persons were nominated for surrogate: G. W. Cooper, of Bernards; G. A. Dilts, of Bridge-water; J. Newton Voorhies, of Franklin; P. N. VanNise, of Hillsboro; H. Newton Spencer, of North Plainfield. The first ballot by townships was as follows:

	Spencer.	Cooper.	Voorhies.	VanNise.
Bedminster.	3	2		
Branchburg.	4	1		
Bernardsville.		5		
Bridge-water.	5			
Franklin.			5	
Hillsboro.				5
North Plainfield.	3	2	1	4
Warren.	20	10	6	9

B. A. Hegeman, Jr., nominated Mr. Spencer. On the second ballot, which was the same as the first, except the four votes previously cast by Mont-

## SPAIN'S REPLY READY

Cannot Set an Exact Date for Ending the War With Cuba.

### HOSTILITIES TO CEASE SOON

The Pacification Would Have Been More Rapid, It Is Asserted, Had It Not Been for Filibusters Under the United States Flag.

Madrid, Spain, Oct. 12.—It is semi-officially announced that the reply of Spain to the note presented by the United States Minister, Gen. Woodford, has been drafted by the Minister of Foreign Affairs, Senor Gullon, and will be submitted to the Cabinet at its meeting to-day.

The reply, it is further stated, will announce that Spain is unable to fix exactly the date when the war will be over, but the Ministers are persuaded it will not be long, because "the situation of the rebels is critical, and the efforts of the Spanish troops are sure of success, owing to the rebel situation and the concession of autonomy, administrative and economic, which will be perfected before January. The Government hopes actual hostilities will finish shortly."

Spain, the reply continues, thinks the reforms and the activity of the Spanish troops are sufficient elements to secure the immediate pacification of the island, which, it is asserted, "would have been more rapid if the rebels had not had the support of filibusters who, under the shelter of the American flag, have contributed to maintain this state of affairs."

#### Sympathy for Weyler.

Havana, Oct. 12.—Senor Romero Robledo, a former Cabinet Minister, has telegraphed to Gen. Weyler from Spain, saying that the day will come when the latter will have "justice done him and be accorded reparation."

Gen. Weyler has also received numerous telegrams from other important politicians, bankers and merchants in Spain, expressing sympathy with him personally and with the policy he followed in Cuba.

It is now said to be possible that Gen. Weyler will not leave Cuba until Oct. 30, when he will embark for Barcelona.

#### BLOODY BATTLE IN IDAHO.

Four Men Killed in a Fight Between Shepherds and Settlers.

Pocatello, Idaho, Oct. 12.—News just received from Long Valley, in Washington County, says that there has been a battle between the settlers and the shepherds, in which four men were killed and one dangerously wounded.

Details are meagre, but it appears that fifteen of the settlers warned the sheep men to leave the valley, and when they refused made an attack upon the sheep camp.

Thirty shots were fired by the settlers, and a man named Barber, leader of the sheep men, was killed.

The sheep men returned the fire, killing three of the settlers. The rest of the attacking party fled.

The trouble is the outgrowth of the strained relations that have existed in that section between the settlers and sheep men for some time. It is not an uncommon thing for stock to be maimed and haystacks to be burned, and even settlers and sheep men to exchange shots, but no one has heretofore been killed.

#### League Will Abolish Temple Cup

Boston, Oct. 12.—The National League, at its coming Fall meeting in Philadelphia, will probably abolish the Temple Cup series. The actions of the Boston and Baltimore players in the recent series was the last straw. They clearly demonstrated that they cared more for gate receipts than for the glory of winning the cup, and by equally dividing the money instead of splitting it up on the 50 and 40 per cent. as laid down in the conditions, they made the games appear farcical.

It is said that President Soden, of the Boston Club, will offer a resolution to abolish the series. It may be that the League will put up a purse for the winning club. Selee and Hanlon counted up and divided the Temple Cup receipts. Each Boston and Baltimore player got a trifle more than \$200.

#### Carnegie's Big Ore Deal.

Milwaukee, Wis., Oct. 12.—Andrew Carnegie has perfected the largest iron producing combination in the world by securing the lease of the Tilden mine. He will operate this big producer in combination with the Norrie and the group of mines which he owns in the Mesaba range. Dr. Nelson P. Hulst, a mining expert, has been placed in charge of all the Carnegie mining interests.

The series of operations whereby the Carnegie interests have come into control of the greatest group of iron ore producing properties in America constitute the most important movement that has taken place in the iron trade for years.

#### A Jack the Ripper.

Lyons, France, Oct. 12.—A shepherd was yesterday arrested in the Department of Ain, forty-four miles from this city, charged with committing a series of so-called Jack the Ripper murders. He has confessed to killing three shepherds, three girls and two old women. Vacher was formerly confined in an asylum for the insane.

The series of murders attributed to him commenced in 1894, and they appear to have been actuated by purely bloodthirsty instincts, as the victims were all poor people. They were terribly mutilated after their throats had been cut, and all the women were criminally assaulted.

#### \$10,000,000 Beer Trust.

Harrisburg, Pa., Oct. 12.—The Central Pennsylvania Brewing Company, with a capital of \$10,000,000, has applied to the State Department for a charter. This company will control most of the breweries throughout the central part of this State.

#### Hugo's Work Barred.

Philadelphia, Oct. 12.—The committee of the Board of Education of the Girls' High School of this city has placed Victor Hugo's "Les Miserables" under the ban of educational conservatism.

## TWO WOMEN KILLED.

Mother and Daughter Murdered by Burglars in Camden.

Camden, N. J., Oct. 12.—There is still great excitement over the murder which occurred in this city early yesterday morning, when desperate burglars shot and killed two women who endeavored to save their property from the thieves. The murderers escaped, and thus far have eluded capture.

Mrs. Emma Vane, aged 65 years, was instantly killed, and her daughter, Mrs. Sallie Shaw, expired in less than half an hour, without regaining consciousness.

The two women lived at 242 Line street, in the lower part of Camden, near the river front. It was about 4.30 o'clock when the police discovered the crime. Eli Shaw, a son of Mrs. Shaw, was seen at the third-story window and was shouting for the police at the top of his voice. The young man has been ill with typhoid fever, and in a statement to the police said that he was awakened shortly after 4 o'clock by a pistol shot. He made his way down stairs, and at the bottom of the third-story stairs found his mother bleeding and unconscious. He ran to the window and gave the alarm.

When the police entered the house they found Mrs. Vane sitting in a chair in the sitting-room dead, with a bullet wound in her head. Mrs. Shaw was at once removed to the Cooper Hospital, where she died in a few minutes, without making any statement.

#### Reward Offered.

Mayor Wescott this afternoon authorized the offering of \$500 reward for the arrest and conviction of the murderers.

The police think it possible the robbers knew Mrs. Vane had money in the house, and not knowing it had been paid out, were searching for it when the women came upon them.

Eli Shaw, the son and grandson, was vigorously examined by two Philadelphia detectives last night, but at the end of their inquiry he was not detained. The police say that the glass of one of the kitchen windows, supposed to have been smashed by the burglars while gaining entrance to the house, was broken from the inside.

#### American Racers in England.

London, Oct. 12.—American horsemen and the racing public generally are looking forward with unusual interest to the result of the Cesarewitch Stakes, to be run to-day at Newmarket. Apart from the intrinsic value of the event it possesses a certain fascination for the adherents of the Stars and Stripes ever since Foxhall Keene beat a field of eighteen in 1881, and then emphasized its quality by picking up a penalty of fourteen pounds and winning the Cambridge Stakes two weeks later.

America makes a bold bid for a revival of the Foxhall sensation this year, and is well represented in both handicaps. The notable Yankee-bred ones in to-day's race are August Belmont's Keenan and J. R. Keene's St. Cloud II. The former is a 5-year-old, whose form previous to his exportation from here is well remembered. St. Cloud II. is a 3-year-old who ran third to the famous Galtee More in the St. Leger recently. He was then meeting the Irish crack at practically even weights, while now he has a concession of thirty-one pounds.

#### States' Day at Nashville.

Nashville, Tenn., Oct. 12.—New York, Connecticut and Delaware had their celebrations at the exposition yesterday. New York was represented by her Lieutenant-Governor, Timothy L. Woodruff. Gov. Tunnel and staff were here to do the honors for Delaware. The ancient Putnam phalanx, of Hartford, arrived in the morning, demonstrating Connecticut's interest in the day. The battalion made up of four separate regiments of Brooklyn's contingent of the New York State Guards paraded this morning.

The day's festivities concluded with a reception and grand ball in the New York building, which is headquarters for the visiting delegations.

#### From the Pops to McKinley.

London, Oct. 12.—President McKinley will soon be the recipient of a handsome volume containing a description of the Borghese apartments in the Vatican.

The book is handsomely illustrated and is considered by book lovers to be the most luxurious volume ever published. Only 100 copies of the book have been printed. The heads of all the European nations will also receive copies of the book. Pope Leo is the donor.

#### The Condition of the Pope.

Wichita, Kan., Oct. 12.—Bishop J. J. Hennessy, of this city, who led the recent American pilgrimage to Rome, has returned. Speaking of the Pope's health, Bishop Hennessy said: "I see no change in the Pope since my last visit four years ago, save that he is bent a little more, but his physical health is good, his eye is bright, his mind clear, his judgment excellent and his memory extraordinary."

#### To Corner the Milk Supply.

London, Oct. 12.—The Pall Mall Gazette says that a New York syndicate, which already controls a large part of the milk supply of New York City, is attempting to raise funds in London in pursuance of a scheme to obtain control of still more of the supply, in order to establish a monopoly and dictate the price of milk in New York and the surrounding district.

## EARLY INTELLIGENCE.

The appearance of the Grant Avenue station has been much improved by the grading of the lawn and roadway leading to it.

The fall and winter programme for the Primary Teachers' Union has been issued, and those who are interested should obtain one.

A few weeks ago the editor was taken with a very severe cold that caused him to be in a most miserable condition. It was undoubtedly a bad case of la grippe and recognizing it as dangerous he took immediate steps to bring about a speedy cure. From the advertisement of Chamberlain's Cough Remedy and the many good recommendations included therein, we concluded to make a first trial of the medicine. To say that it was satisfactory in its results, is putting it very mildly, indeed. It acted like magic and the result was a speedy and permanent cure. We have no hesitancy in recommending this excellent Cough Remedy to anyone afflicted with a cough or cold in any form.—The Banner of Liberty, Liberty town, Maryland. The 25 and 50 cent sizes for sale by T. S. Armstrong, Apothecary, corner Park and North avenues.

## PARTICULAR MENTION.

Miss Bass, of Second place, is confined to her home with illness. Conductor McCormick, of the street railway, has returned from a few days' outing.

Those who believe chronic diarrhoea to be incurable should read what Mr. P. E. Grisham, of Gaars Mills, La., has to say on the subject, viz.: "I have been a sufferer from chronic diarrhoea ever since the war and have tried all kinds of medicines for it. At last I found a remedy that effected a cure and that was Chamberlain's Colic, Cholera and Diarrhoea Remedy." This medicine can always be depended upon for colic, cholera morbus, dysentery and diarrhoea. It is pleasant to take and never fails to affect a cure. 25 and 50 cent sizes for sale by T. S. Armstrong, Apothecary, corner Park and North avenues.

Evarts Tracy and family, of Hillside avenue, have taken up their residence in New York.

A pain in the chest is nature's warning that pneumonia is threatened. Dampen a piece of flannel with Chamberlain's Pain Balm and bind over the seat of pain, and another on the back between the shoulders, and prompt relief will follow. Sold by T. S. Armstrong, Apothecary, corner Park and North avenues.

Miss Madeline Day, of Mercer avenue, is staying in Orange.

## Group Quickly Cured.

**MOUNTAIN GLEN, Ark.**—Our children were suffering with croup when we received a bottle of Chamberlain's Cough Remedy. It afforded almost instant relief.—F. A. Thornton. This celebrated remedy is for sale by T. S. Armstrong, Apothecary, corner Park and North avenues.

Benjamin Schenck, of East Fifth street, has been visiting in Somerville.

E. Maxwell Honeyman, of Duer street, returned to Lafayette College Monday afternoon after spending Sunday at home.

## Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed when the languid, exhausted eelin prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. 50c. and \$1.00 per bottle at L. W. Randolph's drug store.

Walter B. Rittenhouse, of East Sixth street, will appear before the board of examiners of the New Jersey Naval Reserve on Friday evening to take his examinations for the office of ensign. He has already received his commission from Governor Griggs.

## Stands at the Head.

Aug. J. Bogel, the leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Campbell, merchant of Safford, Ariz., writes: "Dr. King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for Consumption, Coughs and Colds. I cannot say enough for its merits."

Dr. King's New Discovery for Consumption, Coughs and Colds is not an experiment. It has been tried for a quarter of a century, and to-day stands at the head. It never disappoints. Free trial bottles at L. W. Randolph's drug store.

## STRIPPED A SOCIETY WOMAN.

A Bridgeport Lady Accused of Stealing a Diamond Ring.

Bridgeport, Conn., Oct. 13.—All Bridgeport is in a state over the indignities to which one of her society women has been subjected in a local jewelry store.

The injured woman was Mrs. Jane Wingfield, whose position in Bridgeport society is thoroughly established, and she was stripped of her clothing for the purpose of searching her for a diamond ring which she was accused of stealing.

Mrs. Wingfield visited Olsen's store for the purpose of selecting a ring. Max Fairchild, salesman, displayed a tray containing a large variety. Suddenly he accused the woman of appropriating a diamond earring and demanded that she replace it in the tray.

Her face burning with indignation, Mrs. Wingfield turned to leave the store.

Fairchild ran around the counter and interrupted her, at the same time bawling, "Police! police!"

Mrs. Wingfield turned, and sitting down, demanded that a policeman be sent for.

Several officers arrived in response to the salesman's outcry, and when the situation was explained to them Mrs. Wingfield was asked to submit to being searched.

The young woman to whom was delegated the task of searching her had not yet found the missing bauble, and she actually made Mrs. Wingfield open her mouth that she might inspect it to ascertain if she had pouched the ring in her cheek or held it under her tongue.

The saleswoman was obliged to report that she had found no trace of the missing jewel, but how the victim of this search ever managed to get into her clothing again and find her way home is a mystery to herself.

The missing ring was subsequently found in another part of Olsen's store. Jeweller Olsen offered an abject apology to the injured woman last evening, but the infuriated husband would not listen to him. He still threatens vengeance on the hasty salesman, whose accusation of his wife resulted in the insults and indignities, and he has brought suit against Olsen for \$5,000 damages.

## RECORD BREAKING EXPORTS.

Valued at \$70,062,911 Last Month, Against \$52,910,489 in 1896.

Washington, Oct. 13.—Reports received from several shipping ports by the Bureau of Statistics of the Treasury Department show that the reports of the principal articles of domestic merchandise were much larger during September than in any other month in recent years. August was a record-breaking month, but September showed a still greater increase, the value of the articles exported amounting to \$70,062,911, as against \$52,910,489 for September, 1896.

During the last month exports of breadstuffs were twice as great as those of the corresponding month last year, three times those of September, 1896, and four times those of September, 1894. The increase in other staples of domestic production was almost as marked, cottons exported being valued at \$14,655,400, mineral oils at \$4,850,891, cattle and hogs at \$3,096,752 and provisions at \$12,335,422. Other articles were exported as follows: Corn, \$6,092,296; wheat, \$19,685,751; fresh beef, \$1,819,990; bacon, \$3,515,607; hams, \$1,649,446; lard, \$2,571,171.

## Real Trouble in Catskill.

Albany, Oct. 13.—Forty families living on Main street, in Catskill, have petitioned Gov. Black, alleging that the works of the Eastern Paving Brick Company, at Catskill, are operated as a nuisance and are a serious menace to health. The families living in the vicinity allege that every sewing machine near the works has been rendered useless on account of rust, occasioned by the gas from the works, and that the houses must be kept tightly closed the year around, because the kilns give out heavy black smoke, coal gases and foul and noxious smells and odors dangerous to health.

## Postmasters Appointed.

Washington, Oct. 13.—The following fourth-class postmasters have been appointed by the President:

New Jersey—Upper Macoupin, Passaic County, Thomas H. Mable.

New York—Downsville, Delaware County, Arthur J. Wilson; Newville, Herkimer, Chester A. Fort; Rockdale, Chenango, Joseph H. Powers; Vestal Centre, Broome, Wesley Osincup.

These changes, with the exception of that at Downsville, New York, were to fill vacancies caused by removal for political reasons.

## Col. George North Resigns.

Philadelphia, Oct. 13.—Col. George H. North, the stock broker, who was imprisoned for contempt in failing to make payment of a legacy of \$2,000 from an estate of which he is the executor, has resigned his commission as Adjutant-General of the National Guard of Pennsylvania, which he has held since March 20, 1879. He will be placed on the roll of retired officers. No settlement has yet been effected of the complications which caused his imprisonment.

## A Fake About New York's Finances.

Albany, Oct. 13.—The State Comptroller and State Treasurer are amazed at the audacious fake statements sent out by a press association pretending to show the condition of the State Treasury on Oct. 1. This statement said the balance in the treasury on Oct. 1 was \$2,313,314. At the State Treasurer's office to-day it was learned that the balance in the State Treasury on Oct. 1 was \$7,243,904, or nearly \$5,000,000 more than was stated, and \$2,313,314 more than was in the State Treasury on Oct. 1, 1896.

## Yale-Princeton Football.

New York, Oct. 13.—Harrison Hall, manager of the Princeton football team, and D. C. Twitchell, manager of the Yale eleven, met in this city yesterday afternoon and practically completed arrangements for the big game between these universities to be played at New Haven on Nov. 29.

## Bryan at Bowling Green.

Bowling Green, Ky., Oct. 13.—Wm. Bryan spoke here yesterday to a thousand people. He said that his reception in Kentucky had been gratifying, and regarded that as indication that silver is gaining ground.

## KLONDIKE TREASURES

Returning Miners Tell of Great Wealth There.

## CLAIMS ARE UNDEVELOPED

Estimates of Immense Ore Deposits in Ground as Yet Unbroken. Claims Not as Rich as on the Klondike, but Climate Better.

Seattle, Wash., Oct. 13.—The steamship City of Topeka arrived here Monday night from Alaska. It had on board eighty-five miners from Cook's Inlet and over two hundred and fifty thousand dollars worth of gold dust. George Hall, who represents more mining interests than any other individual passenger, says that three hundred thousand dollars came down. No man had less than one thousand dollars. The party left Cook's Inlet on Sept. 22 on the steamer Dora, connecting at Sitka with the Topeka.

Hall has bought and bonded three thousand acres in Sunrise district, and expects, by hydraulic work, to take out one thousand dollars per day. The miners, he says, are satisfied with Cook's Inlet. Gold is not found there in such large quantities as on the Klondike, but there is plenty of it and no trouble about food.

Among the miners with money were John Raynor, \$40,000; Robert Michaelson, \$40,000; A. M. Brown, \$15,000; E. C. Price, \$20,000, and H. A. Schmeser, \$14,000, all taken out in one year. Thomas Williams, Robert Elliott, Richard Lane, Frank Ducey and Fred Smith have from \$5,000 to \$15,000 each. Sink Creek, at Cook's Inlet, which was abandoned, is now valuable. Smith took out \$1,000 there in two days.

The next boat will bring down more Cook's Inlet miners and plenty of gold. Hall says that there has been no rain all Summer, and the creeks are low. One man told him that if the water did not rise he would take out \$40 a day. Mining is done on the beds of creeks, and high water stops the operations. Three hundred miners will winter at Cook's Inlet.

The Topeka brought down John A. Maloney, a lawyer of Juneau, who had reports from Dawson up to Sept. 8. He left there on Aug. 9. He said: "No boats have arrived with food, and the residents were very much excited. Every bit of food had been contracted for, but there was not sufficient there to feed the inhabitants until Spring, and unless boats arrive from St. Michael's there will be actual starvation this Winter. That is not idle talk."

"Fifty persons were to arrive there on Sept. 20 and come out overland to Juneau. Scarcity of food is driving them away. When it became known that I was going to take a party out from Dawson on Aug. 29 I had five hundred applications for passage on the little steamboat that took us up Pelly River. These persons wanted to come out because they knew that there would be actual starvation, and they did not care to be among the victims. There is gold at Dawson in plenty, but not food."

Washington, Oct. 13.—A report from the United States educational agent at St. Michael's, Alaska, representing a bad condition of affairs in the Yukon country, with prospects of starvation during the Winter, has been presented to the Cabinet by Secretary Bliss. The Cabinet agreed that it would be better to wait for a report from Capt. P. H. Ray, who is investigating the condition on the Yukon, before taking any official action to relieve the distress. It is doubtful if any more relief can be sent to St. Michael's this year.

## JOHN CHANLER INSANE.

Amelie Rives' First Love and Astor Heir.

New York, Oct. 13.—John Armstrong Chanler, the great-grandson of John Jacob Astor and formerly the husband of Amelie Rives, the author, was taken to Bloomingdale Asylum six months ago. His friends spread a report that he had gone to Europe, and it was said at his law office in the Equitable building yesterday that he still was abroad.

Amelie Rives, whose divorce from Mr. Chanler was obtained in as mysterious a manner as was his commitment to Bloomingdale, and who on Feb. 18, 1896, was married to Prince Troubetsky, became a mental wreck last June and was taken to a sanitarium in Philadelphia. Later it was announced that she had recovered her health.

Mr. Chanler married the gifted author soon after her book "The Quick or the Dead?" made a sensation in the literary world. No two persons in all the country were more talked about than this couple when they went abroad for the honeymoon. Now both are under treatment for mental disorders.

## To Finance the Jersey Bridge.

New York, Oct. 13.—The adjourned annual meeting of the New York and New Jersey Bridge Company, set for yesterday, was again adjourned until Nov. 9, to await the completion of the syndicate, now forming, which is to take up the proposed issue of \$60,000,000 of bonds. The syndicate is partially completed, and it was reported yesterday includes two banking firms of this city and a representative of London and Paris capitalists. As the syndicate, when formed, will doubtless demand representation in the Board of Directors, the election of the board will be postponed until the syndicate is prepared to act in the matter.

In commenting on L. W. Serrell's letter to The Press concerning the proposed county ownership of an electric railway, the New Brunswick Home News says:

Mr. Serrell appears to have gone over the ground very thoroughly, and unless his estimates of the cost of the improvement are exaggerated at least 50 per cent., it would seem to be a losing game for the taxpayers of Union county. The plan, however, is very interesting in the line of municipal enterprise, and if it is to be undertaken anywhere Union county is a first-rate place to make the experiment.

Public ordinances seeking to regulate the use of bicycles are of little avail unless seconded intelligently by the riders themselves. Instead of this being the case, many bicyclists boast of having violated this or that ordinance without detection. It may be so because of the comparative newness of the sport, and time will bring the remedy. The bettering of affairs rests almost entirely with the great body of riders.

The sweeping effect of the anti-gambling amendment can be realized when it is known that under a strict application of the law even the gift of prizes in progressive euchre is made an offense. The friends of the race tracks now boldly declare that they will insist on having the amendment carried out to the letter.

A New York chorus girl has just been married to a New Jersey farmer. It seems a natural step for her to take. A young woman who has been a chorus girl is accustomed to a life of ease and luxury, and it is well known that the farmer's wife does not have a thing to do but enjoy herself.—Rochester Union.

Plainfield will be entitled to the following representation by wards in the Democratic county convention, to be held in Elizabeth October 19th: First ward, 4 delegates; Second ward, 2 delegates; Third ward, 2 delegates; Fourth ward, 6 delegates. The primaries will be held Friday evening of this week.

It may not be generally known, but it is a fact, nevertheless, that the late John R. McPherson had his eyes cast towards the Gubernatorial chair of New Jersey, and that his political lieutenants were endeavoring to shape affairs so that his nomination might be accomplished.

If there is any one man interested in the laying of sidewalks in the borough that man is Mayor Wilson. His Honor can be seen frequently going from one end of the borough to the other looking after the interests of all concerned.

The fact that the Greater New York Mayorality contest is four-cornered does not necessarily make it a square one.

"Killed by a horse car." An evidence that New York is still behind the times in some things.

## Convention Echoes.

On Friday evening, at 8 o'clock, the Endeavorers of the Park Avenue Baptist church will hold a "convention echo" meeting, at which reports of the recent gathering at Paterson will be given by the six delegates from the society. The singing, which will be led by Horace J. Martin, will be a special feature. Following the echo meeting a recognition service for the newly-elected officers will be held.

## VISITORS SHOULD SEE IT.

Hahne &amp; Company's Acre of Home Furnishings.

It is doubtful if there is a single store in New York city, either a department store or a furniture establishment, which carries the amount or variety of house and office furniture that Hahne & Company, of Broad street, Newark, have constantly on hand. There are literally acres of floor space in this great store devoted to the articles that make home comfortable and luxurious. It is possible for every one to be suited, whether the furnishings desired are either of medium quality or of the finest made in the world. There are not a few pieces of various qualities to be selected from, but dozens of qualities and scores of designs in every line of home decoration; and there is nothing offered for sale that is not good for years of service.

Hahne & Company have visitors daily from every part of New Jersey, and it is worth anyone's while to inspect the various rooms which are furnished according to the latest style with bedroom furniture, dining room requisites, library comforts, parlor and sitting furnishings, etc. These apartments show the effects to be secured with an outlay of a comparatively reasonable amount of money.

There are few houses in the United States that are larger buyers of furniture than Hahne & Company, so that it is easy to understand why that concern can undersell competitors in the race for the approval of New Jersey housewives.

"So far as office furniture is concerned," said one of the firm to the writer, "you can understand what we are doing in that line when I tell you that we furnish every office of the Prudential Insurance Company, no matter in what part of the United States it is situated."

Hahne & Company's furniture floor is a sight that no visitor to Newark should miss seeing.

Has Not Bought Boynton Beach.

Colonel J. E. Krueger, son of Gottfried Krueger, denied yesterday that his father had purchased the resort in Middlesex county known as Boynton Beach, on Staten Island Sound. A rumor had been current for several days that the resort had passed into Krueger's hands, and that he would open it up as a park, at which beer and liquor would be sold. Boynton Beach was built up and has always been owned by Cassimer Boynton. It is a temperance resort, and a favorite with Sunday-schools and families.

The Westfield Township Committee held a meeting last night, and upon the recommendation of Engineer H. C. If the work is not completed by that time, a forfeit will be exacted for each day overtime. ## It Reflects Our Methods.

There are two notable points about the sale of

### Henry's Electric Liniment

that are worth notice. First, we guarantee it. If it fails to give satisfaction in any respect your money will be cheerfully refunded.

Second, it is a remedy that can be guaranteed; it would be folly to sell an inferior remedy that way.

The price is 25 cents. It cures bruises, strains, backache or deep seated pains anywhere.

Our proposition on this remedy applies to all the preparations we make. Our aim is to make satisfaction the basis of every transaction. We believe that such methods appeal to thinking people more than plausible promises of something for nothing; more than the use of schemes which in the end must prove a delusion.

JAPAN'S BIG ENTERPRISE IN AMERICA.

Large Appropriation by Imperial Diet—To Inform Americans How to Make Tea.

Several months ago, the Japanese Tea Guild sent to this country a special commission, composed of Mr. S. Mitsuhashi, President of Shizuoka Prefecture Assembly, and Mr. J. Ohara, member of Japanese Parliament, to investigate the condition of the Japanese Tea trade in the United States and Canada and to co-operate with Mr. T. Furuya and Mr. T. Mizutani, the American representatives of the Japanese Tea Guild, in giving publicity to the merits of Japanese Teas and the method of preparing them for drinking which would insure the best results.

Mr. Furuya and Mr. Mizutani are planning to open Tea Bazaars in many of the principal cities in the United States and Canada, where ladies can enjoy a cup of fine Japanese tea made by experts, and at the same time receive instructions which will enable them to make it equally well at home.

More than half the tea consumed in the United States and Canada is of Japanese growth, yet, the majority of Americans apparently do not understand how to prepare it so as to develop the delicious qualities which it contains. It is believed by these gentlemen that, when Americans are in possession of the secret of making good tea, the consumption in this country will fully equal that of Europe in proportion. The Japanese Government has appropriated a large fund to aid the Japanese Tea growers and Tea merchants in prosecuting this educational work, and it is hoped that American ladies will be apt students.

The main Bureau of the Japanese Tea Guild has issued an official recipe for making Japanese Tea, the translation of which is as follows:

First.—Use a small dry, and thoroughly clean porcelain teapot.

Second.—Put in one teaspoonful of tea leaves for each cup of tea desired.

Third.—When using Japanese teas, pour on the required quantity of fresh boiled water, and let stand with closed lid from 2 to 3 minutes. Never boil the leaves. In order to retain the natural flavor, Japanese tea leaves should be kept in tight can or jar, free from moisture.

Note.—To thoroughly enjoy the natural, delicate and sweet flavor of Japanese Teas, neither sugar nor cream should be used.

That Popular Music Band.

It is pleasant to announce the coming of anything so entertaining to the masses as a concert by Brooke and his famous Chicago Marine Band, which will be heard at Music Hall tomorrow night. This band is called, and undoubtedly with justice, the greatest popular music band in the world. Everybody says they never heard popular music played so entertainingly, nor so much of a variety of music introduced into a programme with contrasting rapidity. The concerts given by Brooke throughout the east have been unprecedented in the annals of musical events of this character.

## RESCUED MISS CISNEROS

How Her Escape Was Effected  
by a Correspondent.

### WILL BE NO COMPLICATIONS

No Clause in Existing Treaties Provides for Extradition in Such Cases—Action by Spain Improbable—No Complaint Made.

Washington, Oct. 13.—The alleged Charles Duval, who effected the escape of Miss Cisneros, is Charles Duval Decker, or Karl Decker, as he is generally known. He is connected with the Washington office of the New York Journal, and was formerly a Washington reporter in the staff of the Baltimore American. He was in Cuba last winter for the Journal, and returned there about a month ago under a contract from Mr. Hearst to effect the girl's release. Decker is a married man, and had a written agreement with Hearst providing for Mrs. Decker's support and remuneration in case Decker should be killed or put in prison.

No complaint about the release of Miss Cisneros has yet been made to the State Department by the Spanish Government. Senor Dupuy DeLome, the Spanish Minister, is out of town. He will be the proper person to make complaint.

It is supposed in official circles here that he will file a demand for the arrest and extradition of the girl, if she is in the United States, and the arrest of the young man concerned in her rescue. But whatever action the Spanish Government takes will be merely formal. Nothing whatever to the injury of Miss Cisneros and those who assisted her to escape will result from any action Senor Dupuy DeLome and this Government may take.

The State Department will undoubtedly decline to extradite the beautiful Cuban on the ground that she was a political prisoner. This is the rule followed by this country in all cases of refugees charged with complicity in rebellions. As for the men who got Miss Cisneros out of prison, they are quite as safe as the girl. There is no provision in any of our extradition treaties for the surrender of American citizens to foreign governments for trial. Such a provision was inserted in a treaty for extradition between the United States and the Orange Free State during the Cleveland Administration, but it was rejected by the Senate.

If the rescuers are arrested in this country on demand of Dupuy DeLome, they will be brought before a United States Commissioner, who will be obliged to release them on account of the refusal of the United States to recognize the authority of the State Department to surrender an American citizen to a foreign government for trial.

It is believed at the State Department that the Spanish authorities are heartily glad of the girl's escape, and will not press the case too closely. A demand for the punishment of the rescuers may be made, however, and a claim against the United States for damages on account of the rescue may follow.

### A Demonstration in Miss Cisneros' Honor.

New York, Oct. 13.—Miss Evangelina Cossio y Cisneros is at the Broadway Central Hotel, but nobody is allowed to see her outside of the few persons connected with her escape from prison. The Cuban colony here has planned a big demonstration in her honor. A committee authorized by the Cuban delegation discussed yesterday the details of the demonstration, and decided that it should take place on Thursday or Friday.

### The Treasury to Appeal.

Washington, Oct. 13.—Secretary Gage today instructed the Collector of Customs of New York to enter an appeal from the recent decision of the Board of General Appraisers, asserting that the Dingley Tariff law did not become operative until the moment it was signed by the President. The order of the Secretary is based on the instructions of the department originally sent out, directing that duties be assessed on goods entered after midnight on Friday, July 23.

The Secretary says that the department cannot accept the decision of the appraisers as final, and directs the application for review under the provisions of the act of June 10, 1890, "in order that the issue may receive the interpretation of the United States Circuit Court."

### Yellow Fever in Jamaica.

New York, Oct. 13.—Advises from Jamaica say that the ravages of the yellow fever epidemic continue unabated, although it is hoped that the recent heavy rains may help to check it. Many new cases and several deaths have occurred. The serious fears entertained that Kingston would not be the only place visited by the plague have been more than realized, and there is little doubt that the disease has broken out in other parts of the island. In Port Royal there have been several grave cases among the seamen and officers stationed there. The city of Kingston has been quarantined by the naval station at Port Royal and by the military stations at Park Camp and Newcastle.

### Gov. Bushnell Confident.

Springfield, Ohio, Oct. 13.—Gov. Bushnell, before leaving for Columbus to attend to official duties, said this about the Ohio campaign:

"I feel confident that I will be re-elected. I have visited nearly every part of the State, and everywhere have found Republicans cheerful and confident. The interest in the cause of free silver is not any way near as great as it was last Fall, when in the rural districts rains as great as twenty-five votes to one precinct were made in some parts of the State by the silver forces."

### Woman Suffrage in Indiana.

Lafayette, Ind., Oct. 13.—The women of Indianapolis, under the direction of the Woman's Christian Temperance Union, will at once begin a crusade for suffrage by circulating petitions in every township in the State, praying that the Legislature amend the Constitution and grant them the right to vote. Mass meetings in the interest of female suffrage will be held throughout the State.

### Corporation Notice.

Notice is hereby given that the following Ordinance has been introduced before the Common Council, read the second time and ordered to be prepared for its third reading, and that it is the intention of the Council to adopt the same.

That the roadway of said North avenue, adjacent to said crossing, be continually maintained on a level with said plankings, and that the plankings shall be renewed when in the opinion of the Street Commissioner, it is necessary.

E. That said Railroad Company in the laying down and maintenance of said single railroad track shall make such culverts, drains, or both, on the gutter lines of the avenue to pass the surface water flowing in said street, as shall be required by the Street Commissioner of said City.

F. That said Railroad Company shall erect a sign or signal post on one side of said railroad track on the curb line, to be let that "Railroad Crossing, Look out for the Locomotive."

G. That said Railroad Company shall cause every engine, car, engine and car or cars, which shall be moved across said avenue to be preceded in the going direction of said cars or engines by a flagman to warn persons traveling upon said avenue of the approach of said cars or engines, and no cars or engines shall be moved at a greater speed than such person can walk.

H. That the authorization above granted shall be terminable on thirty days' notice by a resolution of the Common Council to that effect, served on said Railroad Company, and in such case said Railroad Company shall forthwith remove all tracks and rails from said avenue and restore the said avenue to the condition in which it now is.

### The Tables Turned.

We have almost solved the servant girl problem.

Instead of the maid being mistress, we have made it possible for the mistress herself to be mistress.

The tables are turned, and we have turned them.

We have accomplished it to the mutual satisfaction of everybody. The plan is so simple that the wonder is nobody ever thought of it before.

Cheap but good laundering of general house linen enables every housekeeper to have the washing done out of the house. For instance,

Counterpanes 10c each.

Table Cloth - 5c

Sheets - 3c

Towel-Napkins 1c

What does our proposition mean? It means no more washday odor about the house. It means satisfied servants, because a maid will not be insolent if she can escape washdays and the delay of other work caused by bad drying days.

Our booklet "Tables Turned" tells all about our new plan. You can have it for the asking.

### GOSSIP FROM GRIDIRON.

#### HAPPENINGS AMONG THE LOCAL FOOTBALL PLAYERS.

Games That are to be Played and Points About Teams and Individual Players That May Prove Interesting to Cranks.

Rivalry between the Orange and Elizabeth Athletic Clubs in football bids fair to be fully as fierce this year as last. The members and backers of both teams appear to be equally confident, and it is likely that the game which they play on the afternoon of Election Day will be fully as well attended and attract as much interest as did the Orange Crescent matches of former years. Orange has about decided on the make-up of her team, but Elizabeth is still testing her material, of which there appears to be an abundance. Capt. Phil Stillman will not select the men who will make up his team in the game with Orange until every man trying for the team shall have had an opportunity to show what he is made of.

#### BASKET BALL.

The date for the regular opening of the basket ball season in Plainfield has not yet been set. The regular team and the business men's team at the Y. M. C. A. have already met and will play several other games, but the first outside opponents of the Y. M. C. A. team have not yet been selected.

Physical Director C. E. A. Heywood, of the Y. M. C. A., says that the prospects for a good basket ball season were never so bright in Plainfield. There are now twenty candidates for a five men team. It is his intention, however, to give them all a chance, and it will be by merit only that the team will be selected.

An attempt is being made to arrange a series of five basket ball games between the teams from the Plainfield and Summit Y. M. C. A.'s, for a silver cup, the cup to go to the club winning

the three games. There was great rivalry between the two teams last year, and such a dual league would make the contests between the teams this year of great interest to players and audiences as well.

#### CYCLING COMMENT.

Joseph Clum and George Eckhart, of this city, enjoyed a spin on their wheels through the Oranges Sunday. Peter B. Matthews, of Grove street, started on his wheel for Philadelphia this morning. He will remain there for several days. His cyclometer registered 6,140 miles for this season when he started.

#### UPSET IN A FLOOD.

An Elderly Man in a Dangerous Predicament Under Clinton Avenue Bridge.

The heavy rain of last night left the water quite deep under the Clinton avenue bridge, at Evona, this morning. At about 8:30 o'clock an elderly man attempted to drive through in a small phaeton, but the pony which he drove became frightened and gave a sharp turn, upsetting the phaeton and throwing the driver out. As the water was nearly three feet deep, and the man rather feeble, his mishap threatened for a moment to result seriously. While he was struggling in the water, Alfred Randolph, driver for H. A. Weber, the Liberty street grocer, happened along and fished the struggling man out of the water. The shafts of the phaeton were broken and it was otherwise badly damaged.

#### Surprised Friends in Stelton.

A party of young folks, consisting of the Misses Giles, Miss Libby Joseph, Miss Jenkins, Miss Cora Richardson, Miss Ella Gardner, Miss Sadie Randolph, and Messrs. John Steiner, W. Moore, Judson Giles, D. Laing, Fred Ross, Dyckman Winckler, Fred Phillips, Fred Batson and John Dilts, were conveyed from Plainfield to Stelton last evening in Captain Hand's stage where they surprised their friends, the Misses Lizzie and Ada Runyon. The jolly party took possession of the house at once and all enjoyed a good time. The evening was spent in playing games and dancing, and when the guests reached home this morning it was nearly 3 o'clock.

The class in bookkeeping and commercial course at the Y. M. C. A. will meet tonight.

### COLORED GROOM HAS DISAPPEARED.

Now His Bride and Friends Are Wondering What Has Become of Him.

A sensation was sprung in colored society circles in this city today by the announcement that Robert Kenney, a young colored man who was to have been married today, had left town suddenly last night for parts unknown.

Kenney is employed as a coachman by Dr. Monroe B. Long, of 415 Park avenue. Some months ago he became acquainted with Miss Nora Williams, a young colored woman whose home is at 309 Arlington avenue, and the acquaintance soon resulted in their becoming engaged.

No intimation was given by Kenney at any time of his wish to break the engagement. The wedding was arranged to take place tonight, and the invitations were sent out and all the arrangements made accordingly.

Yesterday Kenney went about the city completing arrangements for the wedding. He hired a quantity of dishes from a caterer and made other provisions for his approaching marriage. This morning he went to the railway station and boarded the 1:17 train for the south.

He has not yet returned to this city, and it is thought that he has gone to his old home in the south in order to escape marriage. The news of his flight fell like a bombshell among the friends of the couple. They are unable to account for his action.

#### COLLECTED WAGON WHEELS.

Mr. Nevins Objected to the Loss of His and Brought Suit.

Stirling has just passed through a strange experience. Farmers living in that region have been missing the wheels to their wagons. They would awake in the morning and find their farm wagon in the barn with only three wheels. One wheel went from a wagon belonging to Israel J. Coon; another disappeared belonging to A. B. Nevins, and four from vehicles belonging to the Stirling silk mills.

The wagon owners grew indignant and began to watch for the appropriator of wagon wheels. At last it was claimed that the man had been discovered, and a Swede, formerly in the employ of Vincent Cornish, of the valley road, was pointed out as the guilty man. Then Mr. Nevins started legal proceedings against him in Justice Haver's court at Stirling.

Suit was brought in tort and the preliminary proceedings started. Yesterday the case came up for trial and all the residents for miles around came to see the fun. The defendant was represented by A. H. Cornish and the plaintiff by a lawyer from Summit. The case was an exciting one and the testimony was somewhat contradictory. A jury was sworn in and after a long trial they brought in a verdict for the plaintiff for \$40 and costs.

### SPENCER NOMINATED.

CONTINUED FROM PAGE 1.

gomery for VanNise, the nomination was given to Spencer, thus giving him one more vote than was necessary for the nomination.

The feeling on the part of the Spencer men is very great against Senator Reed, whom they claim is trying to get control of the county in opposition to ex-Senator Thompson, and it seems to be the general feeling here that Mr. Reed has politically killed himself.

Mrs. Louis M. Cole, of Baltimore, is visiting her daughter, Mrs. J. Meredith Dryden, of West Seventh street, Miss Grace Smith, of Park avenue, and Miss Minnie Arnold, of Manning avenue, are the guests of New York friends.

Mrs. Anna Spencer, of New York, who has been visiting her sister, Miss Henrietta Bonnell, of Manning avenue, has returned home.

#### WHO WAS THE MAN?

Brown Claims That He Had Nothing to Do With the Case.

William Brown claims that it is all a case of mistaken identity; that he did not crowd Tom Marley off the sidewalk and that the latter did not use his "growler" with dampening effect on Brown's head. The story of Tom Marley, the drunken negro and the pail full of beer has already been told in The Press. Marley thought that the colored man who tried to crowd him off the sidewalk was Brown. The man, whoever he was, ran around the corner, with Patrolman Cash in full pursuit, and was never seen again.

Yesterday, Roundsman Frederickson met Brown on the street and placed him under arrest on the charge of fighting and being drunk and disorderly. He was arraigned before City Judge DeMeza and the latter held Brown under bonds to appear for trial on Saturday morning.

Brown pleaded not guilty and declared that he had not been near Marley last Saturday night and that he had not been drunk on that night or any other night. He claims that he will be able to prove an alibi when the case comes to trial.
