Hundreds in This City Who Did Not Go to the Polls-Spencer Elected Surrogate in Somerset-Roger Murray Received a Small Complimentary

With no great State or National issues projected into the campaign election day passed off in a most quiet manner in Plainfield yesterday. A very light vote was polled, as will be seen by consulting the tabulated returns printed in The Press today. The total vote this year was only 1,954 while a play the ball went back and forth over the gridiron but neither side was able year ago the Republican candidates alone polled 2,303, the total vote being 3.181. The registration this year was somewhat less than last year, but it is evident that hundreds of citizens who were entitled to vote did not do so.

Vote-The Result in Other Sections.

As might be expected with these results prevailing there was little activity shown around the polls. The Democrats practically had no workers whatsoever. There was spasmodic attempts on the part of the Republicans to get out a full vote, but they came a long way from accomplishing that end. A few of the enthusiastic young workers were about in carriages endeavoring to get disinterested and feeble voters to go the polls by providing transports-

The Cooper faction was thoroughly in accord with Van-Doren's nomination and made no effort to hurt his candidacy, but turned their influence to the defeat of Spencer. Votes for Vosseller were exchanged for votes for VanDoren with the Democrats, it is claimed. Hull and Lindley M. Theodore Hoffman, father in-law of Cooper, was on the Somerville streets almost all day openly handing out these tickets with the Vosseller

pasters. In Bridgewater township Vosseller received a plurality of 297, while in the contest for the one Assemblyman, VanDoren, the Republican candidate, received a plurality of 104. This, it is claimed, was a direct result of the alleged "crooked" work on the part of the Cooper faction. THE STATE.

Democrats Made Great Gains

in Nearly Every County. Democratic Senators were elected in Burlington, Cape May, Hunterdon, Middlesex, Passaic and Sussex counties, and, although the result could not change the control of the Senate, interest in this phase of the election was intensified by the bearing the result would have on the election in 1899 of a successor to United States Senator James Smith, of Newark. The State Senate consisted of 18 Republicans and 3 Democrats. It now stands, Republicans, 12; Democrats, 9.

The bitter fight being waged by Governor Griggs and Vice-President Hobart against Senator Sewell and John Kean, of Elizabeth, who aspires to succeed Senator Smith, made the canvass in the six counties electing

State Senators particularly interesting. The election passed off very quietly throughout the State, the only bustle being caused by the endeavors of those who had failed to have their names placed on the registry list, to secure certificates from the County

Boards of Election. The 60 members of the Assembly are elected annually, and those chosen this year will not have a vote for United States Senator. Of the last Assembly the Republicans had 56 and the Democrats 4 members, The in dications are that the next Assembly will consist of 26 Democrats to 34 Republicans, a Democratic gain of 22.4

Squier and Houston, the other two Republicans, made big gains in Elizabeth, while Murray received a complimentary vote of 73 in this city. In other towns their majorities were about the same. SONS OF VETERANS' FAIR

THE EVENT BEING WELL ATTENDED BY THE FRIENDS OF THE BOYS.

Washington Hall Nicely Decorated and the Booths Filled With Charming Faces-Dancing a Feature-Names of Helpers. The Sons of Veterans' fair, being held in Washington Hall, on West Second street, is now well under way, and the prospects are that the boys will do well.

Monday evening the fair opened, but owing to the very stormy weather the attendance was slight. Last evening there was a large crowd present, and all the tables and booths were well patronized. The committee in charge have done well in decorating the hall, thereby making the place attractive. A feature is the dancing, and many are attracted to the hall for that purpose.

The fancy table is in charge of Mrs. Westphal, Mrs. Harsel, Mrs. N. B. Smalley and Mrs. Morse. At the candy table are Mrs. H. C. McVoy, Miss Hughes, Miss Koller and Mrs. Willard Sutton, A feature is the supper room, arranged on the stage, where a person can secure a first class supper for twenty-five cents, and those who wait on the table consist of Mrs. I. L. McVoy, Mrs. Day, Mrs. Thomas Doud, Mrs. Charles Stephens and Mrs. Walter Walker. The soda stand is in charge of H. S. Thatcher, John Naylor and George Bedford, and those who have charge of the dancing are Fred Sutton and Willard Sutton.

The general committee of the fair consists of E. P. T. Smith, chairman; Raymond McVoy, treasurer; Frank Clarkson, secretary; George Bedford, Fred Sutton, Charles Graves, John Naylor, H. S. Thatcher, assisted by Woman's Relief Corps committee as follows: Mrs. I. L. McVoy, Mrs. H. C. McVoy, Mrs. Charles Westphal, Mrs. Walter Walker, Mrs. N. B. Smalley, Mrs. Harsel, Mrs. Day and Mrs. Stephens.

Mrs. Stephens has very kindly painted and donated to the fair a handsome oil painting which will be disposed of the last of the week, and the Woman's Relief Corps has contributed a handsome quilt which they made themselves. Various attractions will be offered each evening and a good time is promised all who attend. This evening a concert will be given by the Plainfield Cornet Band. Those who come for the purpose of securing their supper will not be charged the regular admittance fee of ten cents.

A HALLOWE'EN SUPPER.

Methodist Women Gave a Pleasant Successful Affair

Hallowe'en was celebrated Rahway, the home of his Democratic occasion. The rain did its best to thwart the efforts of the ladies but was unsuccessful and the affair was well attended.

A good substantial supper was served in the basement of the church under the charge of a committee composed of Mrs. L. M. French, chairman, Mrs. Charles H. Lyman, Mrs. G. Q. Packer, Mrs. I. W. Pangborn, Mrs. Henry A. McGee, Mrs. Charles E. Horne, Mrs. Williams, Mrs. N. Y. Hull, Miss Jackson and Miss Mulford.

The chapel was decorated for the occasion with numerous jack-o'lanterns which were hung about the back of the room and around the large open fire place where an oldfashioned wood fire burned. On several tables were piled the neces apparatus for many Hallowe'en tricks. Apples were hung in the doorways.

RETURNED STOLEN POCKETBOOK.

But Kept the Money as the Thief Said He Needed it,

Nearly a month ago, a pocketbook belonging to Miss Sarah Richardson, of LaGrande avenue, was stolen from her at the North Avenue station. Several days ago it was returned.

The circumstances of the theft were that one morning Miss Richardson was at the station. She left her pocketbook, valued as the gift of a friend, on the window sill while she went to by her commutation ticket. moment, the pocketbook was gone. She advertised for it, but in vain.

Several days ago she received a package by mail, postmarked Pullman, Ill., containing the pocketbook minus its contents. A letter accompanied it saying that the pocketbook was returned but that the money was kept as it was needed there. There was no clue to the identity of the

The vote last year was 23,099, or 9,352 more than this year. The Democratic candidates for Assembly have a plurality of about 3,500. William Delaney and Charles Hoffman, Democratic candidates for Coroner, have the same plurality. The plurality in the county will reach 7,000.

Trenton, N. J., Nov. 3.-New Jersey is again Republican by a plurality over all, but the Democrats made large gains in Passaic, Sussex, Hunterdon and Cape May. Newark, Nov. 3.—Essex County electronic entire Republican ticket by 4,000.

Pennsylvania.

Philadelphia, Nov. 3.-The Republican city ticket, headed by Col. Clayton McMichael for City Treasurer, was sected by majorities exceeding 50,000, and the plurality for the Republican State ticket will also go beyond that figure. Swallow, the Prohibitionist candidate for State Treasurer, received many votes from those who have not beretofore voted the Prohibition ticket. Reports from all over the State show a light vote everywhere.

Harrisburg, Nov. 3.-About 70 per cent. of last year's vote was polled. The Republican ticket has about the usual off-year majorities in the State. Philadelphia, Nov. 3.-The factional fight among Republicans has resulted

in a small vote throughout the State.

L. G. McCauley, Auditor-General, and J. S. Bacon, State Treasurer, were elected with usual majorities.

Philadelphia, Nov. 3.—The returns from the election came in slowly, but hough are at hand to indicate that the Republican State ticket has been elected, but by a plurality of more than 100,000. Comparatively little interest was shown, and as a result an unusu-

ally low vote was polled.

James S. Beacom, the Republican sandidate for State Treasurer, will probably be elected by a plurality of 120,000. Dr. Silas C. Swallow, the Prohibition nominee for that office, will show a large vote, for among his supporters were a large number of dis-gruntled Republicans and an equal number of Democrats, who, seeing that their party had no chance, decided to support the Prohibition nominee. Levi G. McCauley, the Republican candidate for Auditor-General, will defeat his Democratic opponent, Walter G. Ritter, by an overwhelming plurality.

In the city election here the Republican ticket had practically a walkover. Horatio B. Hackett and Col. Clapton McMichael are elected by more than the usual party majority to the respective offices of Register of Wills and City Treasurer.

With the loss of foureen members of the Legislature in Hamilton County, and also of twelve members in Cuyahoga County, the Republicans do not expect to carry the Legislature. The Republican State Committee say confidently that they will carry Cuvahoga and make gains in other counties. Massachusetts. Boston, Nov. 3.-Gov. Wolcott is reelected by a vote of 168,875. George Fred Williams receives 81,295.

Wolcott's plurality last year was 158,-Springfield, Mass., Nov. 3. - Gov. Roger Wolcott, Republican, was reelected by an estimated plurality of 88,000 over-George Fred Williams, Democrat. This is a falling off of the Repub-lican plurality of 1896, when the same candidates were in the field, of nearly 0,000 votes. The Republican vote fell away 30 per cent. from that polled last year, and the Democratic vote fell off 20 per cent.

The entire Republican State ticket is elected by substantially the same plurality as that given to Gov. Wolcott. The Republicans will also control the Legislature by the usual preponderance. The Democrats, however, have made slight gains in House and Senate, regaining the seats normally theirs which were won by the Republicans in the tidal wave of 1896.

Des Moines, Nov. 3.-This State gives a strong Republican majority, although there was a falling off in the total vote of 75,000 votes and a small Democratic gain.

The True Remedy. W. M. Repine, editor Tiskilwa, Ill., "Chief," says: "We won't keep house without Dr. King's New Discovery for Consumption, Coughs and Colds. Experimented with many others, but never got the true remedy until we used Dr. King's New Discovery. No other remedy can take its place in our home, as in it we have a certain and sure cure for Coughs, Colds, Whoop-Cough, etc." It is idle to experiment with other remedies, even if they are urged on you as just as good as Dr. King's New Discovery. They are not as good, because this remedy has a record of cures and besides is guarranteed. It never fails to satisfy. Trial bottles free at L. W. Randolph's

Miss Katheryn Dwight, of Rockview venue, is entertaining two cousins.

The three-year-old boy of J. A. Johnson, of Lynn Center, Ill., is subject to attacks of croup. Mr.Johnson says he is satisfied that the timely use of Chamberlain's Cough Remedy, during a severe attack, saved his little boy's life. He is in the drug business, a member of the firm of Johnson Brcs. of that place, and they handle a great many patent medicines for throat and lung diseases. He had all these to choose from, and skilled physicians ready to respond to his call, but selected this remedy for use in his own family at a time when his child's life was in danger, because he knew it to be superior to any other, and famous the country over for its cures of croup. Mr. Johnson says this is the best selling cough medicine they handle, and that it gives splendid satisfaction in all cases. Sold by T. S. Armstrong, apothecary, corner Park and North avenues.

How to Cure Bilious Colic. I suffered for weeks with colic and pains in my stomach caused by biliousness and had to take medicine all the while until I used Chamberlain's Colic, Cholera and Diarrhoea Remedy which cured me. Persons who are subject to billious colic can ward off the attack by taking this remedy as soon as the first symptoms appear. Sold by T. S. Armstrong, apothecary, corner North and Park avenues.

-A meeting of the Martin Act Commissioners will be held tomorrow eve-

by local applications, as they cannot reach the diseased portious of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. LOCAL HONORS.

With the city provided with an As semblyman and the borough honored with the selection of one of its citizens for a responsible county office, Plainfielders are quite well satisfied with the result of election in this particular section. Mr. Murray is young, ambitious and filled with the business qualities that guarantee Plainfield a faithful and alert representative in the lower house of the State Legislature. Mr. Spencer has a long acquaintance with public duties, is just and agreeable to one and all, and can be depended upon to conservatively execute the duties of surrogate of Somerset county in a manner that will re flect credit upon himself and give satisfaction to all who may have dealings with him in the course of his term of

BEGGING IMPOSTORS.

Organized Aid Warn People Against Alms giving That is Not Charity.

To the Editor of The Daily Press :-From the reports that are constantly coming to the Organized Aid Associain the city, the majority of whom deserve no help. A large part of them come here from other towns for the sole purpose of begging, and when sent out of town return, finding Plainfield too profitable to leave. Please permit me to use a little space in your columns to describe several sample cases and warning the public against wasting their means in aiding people who beg from door to door.

No. 1.-An elderly woman, asks for food and coal, claiming to be in extreme need. The Relief Association has considered her case and refused to aid her, because she has an ablebodied son who can support her.

No. 2.-A woman accompanied by two children is asking for work and aid in finding a home for the children. She belongs in New York and has been once placed on the train with a ticket in her hand, but soon returned. She gives various references of places where she has worked, but when looked up they are generally found false. When stopping at a hotel her orders for beer were numerous. She has followed the same course of begging at Mamaroneck.

No. 3.-Mrs. asks for money for a crutch, or to pay her way to another city. She gives different addresses at different places and is not known when the addresses are looked up. She begs at Dunellen and New Market as well as Plainfield.

Church Auxiliary to Aid in Paying for Improvements

The meeting of the Ladies' Christian Work Society of Trinity Reformed church, held at the home of one of its members, Mrs. B. A. Hegeman, Sr., Sycamore avenue, Monday afternoon, was largely attended despite the downpour of rain. The devotional meeting, preceding the business meet ing, was in charge of Mis. R. A. Meeker and was spiritually refreshing to all. The upholstering of the pewbacks and cushions of the church was freely discussed by the ladies and it was unanimously agreed by them to assume the expense and take up the work, and have it done by George Schlereth, as stated in The Daily Press of Wednesday last. This will relieve the consistory of the church of one of the much needed improvements they had in mind to do during the church improvements, but were com pelled to shrink from doing on ac account of a scarcity of funds.

Then the fair athletes tried a little practice at throwing the ball around and catching it, passing and throwing goals. eleven winter overcoats for the paid firemen at a cost not to exceed \$22 each. The same was adopted.

The plans and specifications offered by Street Commissioner Gavett for the extension of sewer mains were filed.

A resolution was offered by Mr. Barrows that Council meet November 22d, at 8 o'clock in the evening to receive bids for the work of building the extensions to the sewer mains as heretofore provided for.

Mr. Frost stated that the work of the city farming their property was a failure and could not be made to pay, and he desired that the street and 69696969696969696969696969 sewer committee be given permission to lease it if they can do so profitably. The land has nothing to do with the sewer beds, cut is located opposite the beds on Dunellen avenue.

Mr. Barrows called up the telephone ordinance on its final reading. It provides for the placing of telephone wires underground. It was adopted, as was also the ordinance providing for a grade crossing on Berckman street near the railroad.

The street and sewer committee was allowed \$200 for the additional repair of storm sewers.

The committee on police was authorized to put improvements in the lock up at an expense of not more than \$450. Mr. Barrows stated that the owner of the building has agreed to take \$50 from the rent for next year, and that it would be impossible for the city to make a change for another year. The above committee was also allowed \$250 for police uniforms and \$50 for a bicycle. The sidewalk ordinance was read and it was found that George F. White had failed to lay a walk in front of his property, located It was ordered laid by the Council and a lien will be placed on the property for the payment of the work. Noticed This Before

Probably Have and May Have Spoken About it Before,

The reader of this newspaper, if he takes the time and trouble to look carefully through its columns, will probably find half a dozen statements attached to the foot of reading notices about medicinal preparations. Note this fact. In each and every case, as far as Plainfield is concerned, as far as the reader's know ledge of the party is concerned, he might just as well live in the moon. Make another note of this. The only remedy on the market which gives testimony at home, local proof in every city and town in the Union to back up its claims, is Doan's Kidney Pills. They all try it but they cannot do it. Why they are unable to do it can safely be left with the reader to draw his own conclusions. Here is Plainfield proof for Plainfield readers: Mr. Charles Giese, cigar manufac-

turer, of 25 Elm place, says: "I have been subject to attacks of kidney complaint for the last two or three years. Most of the pain was in my back and hips, and I could not stoop or straighten up without feeling sharp and shooting twitches. When I sat for any length of time I grew stiff and sore, and was compelled to get up and move about Last spring I grew so bad I had to do something for it. I had read a great deal about Doan's Kindney Pills being such a good medicine for kidney troubles, so I got a box of them at L. W. Randolph's drug store. I used them according to directions, and after two or three days I felt better. I continued their use until the pain disappeared and I am only too glad to testify to the fact that Doan's Kidney Pills are a splendid remedy."

Doan's Kidney Pills are for sale by all dealers. Price 50 cents. Mailed by Foster-Milburn Co., Buffalo, N. Y..

The Tables Turned. We have almost solved

the servant girl problem. Instead of the maid being mistress, we have made it possible for the mistress herself to be mistress.

The tables are turned, and we have turned them. We have accomplished it to the mutual satisfaction of everybody. The plan is so simple that the wonder is nobody ever thought of it before.

Cheap but good laundering of general house linen enables every housekeeper to have the washing done out of the house. For instance.

Counterpanes 10c each. Table Cloth 5: 3c Sheets Towel, Napkins 1c "

What does our proposition mean? It means no more washday odor about the house. It means satisfied servants, because a maid will not be insolent if she can escape washdays and the delay of other work caused by bad drying days. Our booklet" Tables Turned" tells all about our new plan. You can have it for the

VAN WYCK FOR MAYOR

Chosen to Rule Greater New York by 80,000 Plurality.

TAMMANY'S BIG VICTORY

The Vote for the Tammany Ticket About 225,000-Low Second in the Bace-Heary George's Total Vote Will Hardly Reach 20,000.

Tammany has made a clean sweep in the Greater New York.

Van Wyck has been elected Mayor by a plurality of 82,000. His total vote will reach 228,000. Low is second, with a vote that will

not exceed 146,000. Tracy's total vote approximates 100 -

George's vote is estimated at 19,000 The result shows that fully 80,000 of the registered voters in the greater city failed to cast their ballots.

Justice Robert A. Van Wyck was elected first Mayor of Greater New York by a plurality which denotes be-yond a question that the rule of Richard Croker is preferred to that of the reformers. The fight was made against Croker direct. The reformers quarrelled at the beginning of the campaign over the prospective spoils of office, and never after came together. Mr. Low and Gen. Tracy were both Republicans, but they fought each other furiously, thus antagonizing many interests which would have been with them otherwise. All independent organizations supported Mr. Low, and with the support of the Republican machine, socalled, he doubtless would have been

elected. The death of Henry George did not probably affect the result, except possibly to make greater Van Wyck's plu-

The interest in the election was international. The excitement over the contest was intense. There were eight candidates for Mayor in the field, and the rivalry between four of these was of the fiercest kind.

There were 200 offices to be filled at this election, for which there were 854 candidates. The 567,000 registered voters were divided among 1,500 polling places, of which 833 were in Manhattan and Bronx boroughs, Notwithstanding the increased size of the districts and the enormous size of the blanket ballot there was little difficulty experienced in

easting the vote, although in view of the number of split tickets it was hard

The death of Henry George caused one complication. Although his son was named as his successor on the ticket it was considered necessary to put pasters bearing the name of Henry George over the name of Henry George in order that there should be no mistake as to the intention of the voter.

Such a complication as this probably

In some districts these pasters were omitted by the inspectors, and the question arises whether this fact invalidates the vote for George thus cast. The balloting yesterday was conspicuous for the quiet manner in which it was conducted. There was little trouble with the police, and compara-tively few men were arrested for illegal

voting. No colonization of voters was apparent. During the campaign Justice Van Wyck maintained a most dignified deeanor. He never said a word of villi-

fication of another candidate. After the first week of the campaign had closed John C. Sheehan predicted that Tammany would win with a big plurality. When Henry George died ed, but in a short time Mr. Sheehan recognized that the death of the great conomist would add to Van Wyck's

Tammany Hall never polled in this city less than 38 per cent. of the full vote. The organization three years ago, when the wave of reform was sweeping over the city, polled 40 per

Even last year, when the gold be-Hevers forsook the party and supported the Republican candidate, Tammany still rolled up 40 per cent. of the total It was easily figured out as soon as

the various Mayoralty candidates got in the field that if Tammany could maintain the percentage of the total vote that she had held in former years she would win easily. For, giving Tammany 40 per cent. of the total, that left only 60 per cent. to be distributed among Gen. Tracy, Seth Low, Henry George, Patrick Gleason, the Socialist candidate and the Prohi-

bition candidate. As it was assumed that Tracy, Low and George each had a considerable following, it became apparent in a mo-

ment that Van Wyck would have things pretty much his own way. What was true of the city of New York was in a large measure the case in Breoklyn. The lowest percentage ever polled by the regular Democracy in Brooklyn was 33 per cent. of the

All New York turned out last night to celebrate fittingly the close of the election in the open air. With voice, and the blare of horns, the click of rattles and the shriek of whistles, people celebrated from the time the victory was first foreshadowed to the final cer-tainty, which took the sting of excite-ment from it and left it flat and stale. Those whom the victory didn't please, if they wouldn't add to the noise at least wouldn't diminish it, and to the celebrators belonged the city and the

highways and byways thereof.
