THE CITIZENS' RATIFY.

COMMITTEE OF FORTY NOMINATIONS ENDORSED BY PUBLIC MEETINGS.

John Ross Named for Councilman in the Second Ward—Speeches Made in Which Present Administration Was Badly Assailed.

The campaign for the coming municipal election is in full blast and everything is booming. Both the machine and the Citizens' movement realize that the time has come for work. Wednesday evening the Citizens took their turn. It was the mass meeting to ratify the slate as suggested by the Committee of Forty. As most of the leaders in the movement to down the machine were members of the Committee of Forty, there was no opposition to the ticket as suggested by the Committee. It was ratified unanimously and all was harmony and peace.

The mass meeting was held in Reform Hall and was fairly well attended although there was no crowd. There was plenty of enthusiasm, however, and after the talking began the audience warmed up to the occasion and howled and applauded vigorously. The meeting was called at 8 o'clock but former Councilman Walter L. Hetfield did not call it to order until forty-five minutes after that time.

The first business was the reading of the ticket as formulated by the Committee of Forty and published in Wednesday's Press. The vacancy in the ticket, the nomination in the Second ward, had been filled. John Ross, of East Sixth street and Franklin place, was the choice for that place. Despite the rumors abroad that F. E. Kinsman would not be nominated in the Third ward, afterward his name was presented with the rest. As Constable in that ward, J. Caspar Kirkner's name was presented instead of Amos Moffett's, as Mr. Moffett's term has not expired.

F. M. Bacon announced that Mr. Nodyne, who was named as Justice of the Peace for the Third ward, was not a resident of that ward any more. He made a motion to the effect that the slate, as presented by the Committee of Forty, be accepted and made the ticket of the Citizens' movement. The motion was carried amid great enthusiasm. Then Elmore D. Moffett's motion to the effect that the Committee of Forty be given power to fill all vacancies, was carried without opposition.

Then Chairman Hetfield made an address on the affairs of the city, the doings of the present administration and the intentions of the Citizens' candidates. He thanked the meeting for nominating him as Councilman although he had not sought it and promised to use all fair means to win. He stated very emphatically that he had no money and that the campaign would win by fair means or not at all. He spoke a few words to the colored allies of the movement. He said it was not a partisan movement but for all citizens and taxpayers regardless of color. He told how the colored men who owned their little homes felt the burden of unjust taxation as well as the white people. He said that he gloried that he was a member of the "Big Six" and only wished there was a "Big Eleven" now. He told how the "Big Six" had cleaned the city of debt and left money in the treasury when they departed and he pointed out that the present administration was going to leave a big debt on the city for the next Council to pay off.

He criticized the present Commissioners of Appeal and declared it almost impossible for a poor man to obtain redress from unfair assessments. He referred to the present Board of Assessors and said that while personally he liked H. C. VanEmburgh and Harry C. Runyon very much and considered them both gentlemen, they were by no means his idea of an assessor and he thought they were by no means fitted for the place which was a very important one.

Elmore D. Moffett and John Ross, two of the candidates, said a few words about the right of appeal being taken away from city court cases which was done, he said, through the influence of the Republican machine and the Corporation Counsel. Arthur Venable and Louis Peterson spoke as representatives of the colored vote and aired their grievances.

J. H. Craig said there was plenty of odor up West front street now days. He told about the Industrial Home and how there were two old women there with a matron to take care of them and an Overseer-of-the-Poor to look after the two old women and the matron. Some of his remarks were of a humorous character. Patrick Revel added a few remarks about the unfairness of the valuation of property. The meeting then adjourned and the crowd broke up into little groups to continue the conversation.

TRIBUTE TO A YOUNG LIFE.

Impressive Funeral Services Over the Remains of a Popular Little Fellow.

Many sorrowing friends gathered at the home of Councilman and Mrs. Elliot T. Barrows, 737 West Seventh street, yesterday morning at 10 o'clock, to attend the funeral services of their young son, Elliott Cobb Barrows. The lad had been a favorite with all who had known him and there were many to unite with the sorrow-stricken father and mother in mourning the loss of the bright little life. The floral offerings were many and very beautiful. A handsome floral star was sent by the police department. The lad had always had a great fondness for boats and a floral ship was sent by one who knew him and loved him well.

The services were simple and were conducted by Rev. Dr. W. R. Richards. He made a touching address about the departed one and told of his short and beautiful life, of his wish to go to his Heavenly Father and the beautiful way in which he pictured his Heavenly home. He told also of his great thoughtfulness for others, even in the time of great bodily suffering. A quartette composed of Mrs. Frank Clawson, Miss Hardenberg, Elmer E. Runyon and Charles L. Lewis sang four times during the service. Their selections were "Shall We Gather at the River?" "We Shall Meet Beyond the River," "Now the Day is Over" and another selection. The singing was very beautiful.

The remains were interred at Hillside Cemetery according to a wish of the lad. Short exercises were held at the grave where the bereaved family and the immediate friends gathered.

Appreciation of Services.

Lloyd H. McKee, a clerk in the Essex County Clerk's office at Newark, and a step-brother of J. W. VanSickle, of this city, was agreeably surprised last Wednesday, when seventy-two lawyers of Newark presented him with a diamond scarf pin and a pair of diamond-studded link cuff buttons. It was an expression of appreciation for the kindly treatment received in the county clerk's office.

Suing a Policeman.

The case of Greede & Goodman, of New York, against Policeman George W. Langer, to recover the value of a number of storm coats furnished policemen in this city, will be tried by a jury in Justice Mosher's court this afternoon. The counsel in the case are City Judge DeMeza, for the plaintiffs, and S. S. Swackhamer for the defense.

Justice Mosher's Court.

The contract case of Albrecht against Voegler was tried in Justice Mosher's court, and judgment was rendered for the plaintiff for \$28.73 and costs. W. Gordon Williams appeared as attorney for the plaintiff.

The case of Holmes against Behout, on contract, which was to have been tried in Justice Mosher's court Wednesday, was postponed for one week.

Shoot for a Pig.

The Plainfield Independent Gun Club held its annual Thanksgiving shoot yesterday afternoon, and the event attracted a large gathering of spectators. The shoot began at 2 o'clock, and was continued until late in the afternoon. The first prize was won by Thomas Melker, the second to C. E. Speckley and the third to J. A. Blatz. A pig weighing one hundred was divided among the prize winners.

FIRE LADDIES BIG TIME.

AN ENGINE COMPANY ENTERTAINED OUT-OF-TOWN GUESTS.

A Parade and "Wash" Followed by a Spread in the Rink and Speeches by Various Ones Made the Affair Pleasant.

The members of Plainfield Engine Co., No. 2, of the fire department, had a jolly time yesterday when they entertained the members of Protection Hose Co., of Bayonne, and Mercer Engine Co., No. 3, of Princeton. For sometime past there has been the very best of feeling between these fire laddies, and yesterday's event was only another tie that binds the members more closely than ever. Early in the afternoon the visitors from Bayonne arrived and a little later the Princeton firemen appeared on the scene. A committee consisting of First Assistant Chief James A. Martin, William Townley, C. Smith, Harry Connett and William Schaefer went to Metuchen in stages and met the Princeton firemen at that place. When the firemen assembled about 3 o'clock a line was formed and No. 2 engine was taken out for a "wash." As usual, she worked fine. The test was made on the Park avenue bridge just below the Baptist church. Before reaching that point there was a short parade about the city. The firemen were headed by the Independent Fire and Drum Corps, followed by Chief T. O. Doane, and Assistants Martin and Murray, the visitors and members of No. 2 Company. The boys made a fine showing.

After the "wash" the engine was returned to fire headquarters, and the firemen were escorted to the Crescent Rink where the festivities of the occasion were continued very successfully. As soon as they arrived they found a bountiful supper awaiting them.

Councilman W. N. Runyon assumed the part of toastmaster and in his usual happy manner introduced the speakers after he had first welcomed the visitors. Among the speakers and entertainers were Mayor Odyke, W. H. Cottrell, Samuel Ross, Captain Green, First Assistant Harry Margerum, of Princeton; Harry Burgess, of Brooklyn; William Curley and several others from Bayonne. Captain Green is the oldest member of the Princeton department, and gave the boys a good talk. Samuel Ross entertained with a song and dance. There were also songs by Joseph Barrett, Messrs. Vail, J. Moran, of Plainfield; J. Farrow, of Bayonne, while "Billy" Runyon was unable to escape until he favored the audience with "Put Me Off at Buffalo," and several other songs. Some of the other notable speakers were Chief Doane, of the Plainfield Department, and Alex. Titworth, representing the Exempt Firemen's Association. Mr. McBeth, of the West End, gave a clever exhibition of club swinging.

A feature of the event was the music by Plainfield's new band, under the leadership of Benjamin LaVere. While the guests were seated at the table the band rendered favorite selections and were heartily cheered throughout. The Independent Fire and Drum Corps was also present and did the honors by playing some of their best.

To Mrs. William Townley, Mrs. William Chamberlain, Mrs. O. J. Newman, Mrs. Carman, Mrs. R. B. Rogers, the Misses Doyle, George Eick and Grace Huff belongs the credit of furnishing and arranging the supper. They were highly praised for their great efforts to provide such and elaborate and bountiful spread.

The committee of arrangements consisted of Robert Eick, chairman; Frank Eick, Bert Towley, Charles Smith, J. Dawe, William Schaefer. Credit should also be given to R. B. Rogers who worked so hard and faithfully to make the affair a success, as did also all the other members of the committees. Honorable mention should be made of a song rendered by George E. Rogers, Jr., young son of Mr. and Mrs. R. B. Rogers. He won great applause.

The affair wound up in a blaze of glory and when the visitors returned home they carried with them pleasant memories of Plainfield and the firemen who treated them so well.

Episcopal Service.

Yesterday morning the regular Thanksgiving service was held at the Church of the Holy Cross and the rector, Rev. T. Logan, delivered an appropriate sermon. The church decorations were very attractive and in keeping with the event celebrated. The attendance of worshippers was large and everyone enjoyed the service.

WED THANKSGIVING EVE.

M'NABB-FOUNTAIN NUPTIALS WERE HAPPILY CELEBRATED.

The Ceremony Performed in the Home of the Bride, Which Had Been Beautifully Arranged for the Special Occasion.

The home of School Commissioner and Mrs. Robert M. Fountain, of Jackson avenue, was the scene of one of the prettiest of weddings last Wednesday afternoon at 5 o'clock, when their daughter, Miss Georgia L. J. Fountain became the wife of Charles J. McNabb, of the popular law firm of McNabb & Clark, of this city.

The ceremony, which was that of the Episcopal church, was performed by Rev. T. Logan Murphy, rector of the Church of the Holy Cross, which is the church of the bride.

The bride was attended by four bridesmaids, Miss Ida Fountain, sister of the bride; Miss May McNabb, sister of the groom; Miss Maudie Porter, of Brooklyn; Miss Sadie McCloskey, of Elmhurst, L. I., and they were all charmingly gowned in white organdie trimmed with Nile green silk and lace. The bride was richly gowned in white corded silk, trimmed with chiffon lace and pearl trimmings. She carried white roses, while the bridesmaids carried white chrysanthemums. The flower girls were Sadie and Mildred Fountain, sisters of the bride. They were gowned in white.

The home was beautifully decorated with chrysanthemums, pinks, ferns and greens, and in each of the rooms the decorations were tastefully arranged.

Robert M. Clark, Jr., the law partner of the groom, was the best man. The bridal party presented an exceedingly attractive scene as they formed a semi-circle in the parlor, where the marriage was performed in the presence of the relatives of the contracting parties, and guests from Plainfield, New York, Brooklyn, Bound Brook and Elmhurst, L. I. Following the ceremony the guests offered congratulations to the popular young couple, and all wished them long life, with plenty of happiness and success. After congratulations a pleasing wedding supper was served, after which the bride and groom fooled their friends in a clever manner.

It had been prearranged by Robert M. Clark, Jr., Edward Clark, of this city, and Dr. Vail and Harry Potter, of Rahway, that the newly-wedded couple should be well showered with rice, and they purchased forty pounds of that article. They also had some placards printed upon which was the inscription "We Have Just Been Married," and it was their intention of placing the cards in a prominent place in the car when they went away. They also purchased a small bell which they were going to hang in a convenient place in the car. While all these arrangements were being made, the bride and groom quietly arranged their affairs and went out of the back door to Fairview avenue. There they found a carriage in waiting for them. They were far away when the guests discovered what had happened, and of course the four young men were checked.

Among the very handsome gifts received were several sets of silverware, glassware, and an exquisite oil painting, the gift of Miss McNabb, sister of the bride, who was the artist. Another handsome gift was a deed given by the groom's parents for a valuable piece of property in this city.

Mr. and Mrs. McNabb went to Brooklyn for a short visit, and from there they will go to Washington where they will spend the remainder of their honeymoon.

BROKE GROUND IN A RELIGIOUS MOOD

East Third Street Chapel Started in a Novel Way.

Ground was broken for the new building of the East Third Street Mission, last evening, in a pouring rain. A meeting was held in the present building at the usual time and all united to give thanks for their many blessings.

At 9 o'clock, twenty of the workers of the mission, including men and women, donned their wraps and went to the site of the new building. L. W. Randolph, superintendent of the Sunday-school, offered prayer and made a short address and then was the first to break ground. The rest, armed with picks and shovels, joined in and ground was regularly broken for the new structure.

The architect of the new building is Charles Smith. Seaman Williams & Co. have the contract for the mason work and Peason & Gayle for the carpenter work.

MR. KINSMAN WON'T STAND.

ACCEPTS THE REPUBLICAN DEFEAT.

Says He Cannot Consistently Take a Citizens' Nomination After Being Defeated in His Own Party.

F. E. Kinsman has furnished The Press with the following copy of a letter which explains itself:

Plainfield, Nov. 25th, 1897.

Walter Hetfield, Esq., Chairman Citizens' Executive Committee, Plainfield, N. J.: My Dear Sir—I noticed by the morning papers that at last night's primaries the Citizens party honored me with the nomination of Councilman for the Third ward, notwithstanding my written request to the contrary. I assure you I am not insensible to so pronounced an expression of good will and evident appreciation of my efforts in behalf of the community in which we live, but I am compelled to decline the nomination, having already placed myself in the hands of my friends in the Republican primaries. It is well known that their loyal support was entirely unsolicited and was no doubt based upon my action in their primary. I therefore feel as though I should cast reflection upon them, and dishonor upon myself, should I desert the party which had already given me so substantial a vote of confidence. Sincerely regretting that my friends, as represented in your primaries, are so situated as to be unable to assist in securing my nomination in the Republican city convention as Councilman at large, I remain

Yours respectfully,

F. E. Kinsman.

Mr. Arens Declines.

To the Editor of The Daily Press:—While I appreciate the honor conferred by the action of the Citizens' committee in nominating me for a member of the Board of Education, I must say that it was done without my knowledge or consent, and I respectfully decline to stand for the office under any circumstances.

Otto Arens.

FOR THE YOUNGER SET.

Charming Social Event Given by Mrs. B. A. Hegeman, Jr.

A charming social event of the season was the tea given last Wednesday afternoon by Mrs. Benjamin Arrow Smith Hegeman, Jr., of Washington Park, in honor of Miss Ida Strauss, daughter of Charles Strauss, formerly of New York, but now of Watchung avenue, this city.

The hours were from 4 to 6 o'clock, and during that time the elegant home of the hostess was thronged with guests, chiefly the younger set. The decorations consisted almost entirely of pink and green, and the effect was greatly admired.

Mrs. Hegeman was assisted in receiving by Mrs. Charles A. Reed, Mrs. James T. Scott, Mrs. William L. Saunders and Miss Grace Cooley. At the table, presiding, were Mrs. Gustavus E. Struss and Mrs. William Journey Roome, while those who assisted in the dining room were Miss Gertrude Andrews, Miss Grace Haviland, Miss Marion Henderson, Miss Edith Clapp, Miss Alice Thompson and Miss Virginia Hegeman. In the dining room the decorations were very attractive, and especially was this true of the table adornments. The entire affair was complete in its arrangement and the hospitality of the hostess and her assistants was proverbial.

German Had a Good Time.

Last Wednesday evening a vocal concert and ball was given in Sackebund Hall under the auspices of the Plainfield Geang and Turn Verein. The programme consisted of songs by the German and Swedish sections, a tenor solo by Herman Eichhorn entitled "Love Song" from the opera "Walkuere," by Wagner; a comical recitation "The Old Maid Before the Ball," by Otto Keller; a baritone solo by Charles Dresselt. The programme concluded with a most amusing play called "The Two Rivals." The parts were taken by Charles Dresselt, Otto Keller, Charles Steuerewald and Henry Haurand. Prof. Schultz's orchestra furnished the music.

Sleight of Hand Exhibition.

An entertainment was given in the Mt. Olive Colored Baptist Church, last evening, under the auspices of the Ladies' Sewing Circle of the church. The principal part of the entertainment consisted in a sleight of hand exhibition by Joseph Bolan, of North Plainfield. At the close of the exhibition supper was served by the ladies of the church. The proceeds of the affair will go into the church treasury.

A beautiful display of the leading makes of corsets is made by Edward White. It embraces all the best corsets that are in the market such as Her Majesty's, Thompson's Glove Fitting, Warners, U-B, P-U and Sonette.

DESTROYERS OF PEACE.

ILL TEMPER AND INJUSTICE CONDEMNED BY REV. A. E. MAIN.

Eloquent Sermon at Union Service in Park Avenue Baptist Church, Yesterday Morning—What Would Make a Model City.

A union Thanksgiving service of all the churches in the southern section of Plainfield was held in the Park Avenue Baptist church yesterday morning at 10:30 o'clock. The audience was a large one, and the Thanksgiving sermon was preached by Rev. Alfred E. Main, pastor of the Seventh-day Baptist church, of this city.

The text was from Nehemiah 8:10, "The joy of the Lord is your strength." The speaker said by way of introduction that it was after the work wrought by Nehemiah and his fellow workmen in rebuilding Jerusalem that the men and women of the nation came together to hear an explanation of the book of the law. When they heard it, however, it made them weep, they had not heard the promises in so long a time. It was then that Nehemiah had said, "Go your way, eat the fat and drink the sweet, and send portions unto them for whom nothing is prepared; for this day is holy unto our Lord; neither be ye sorry, for the joy of the Lord is your strength."

Men and women do find pleasure in sin; as the poet Burns said, "We are half mud and half marble." One of the signs of the grievous times in the last days, of which Paul wrote to Timothy, is that men shall love pleasure greater than God, and these men are both sinful and miss the real object at which they aim. The joy of the Lord is a joy of which he is the real source and provider, and it can be known only in a life of righteousness. In respect to their sources and spheres our joys are of two classes, natural and supernatural, but it should be remembered that God is immanent in both.

We greatly need the strengthening help of joy in our cares, sorrows and work. What says the word concerning its possession? "For the kingdom of God is not meat and drink, but righteousness and peace, and joy in the Holy Ghost." Note the order of experiences here: first righteousness, then peace with God and with one another, and then peace and joy in the Holy Spirit.

"Fellow Christians, fellow citizens, men and brethren who make our laws," said Mr. Main in closing, "what hearts and homes and churches, what a city ours would be, if henceforth, we would do right in families, in social life, in business relations and social affairs. Ill temper, injustice, lust and strong drink are the unrighteous destroyers of our peace, and the enemies of our joy. In thankfulness to the joys that have come to our lives and homes, may we seek first and more earnestly the Kingdom of God, which is righteousness, peace and joy in the Holy Ghost; for it is only the joy of the Lord which gives strength."

The Thanksgiving service held at the First Presbyterian church yesterday morning was largely attended by worshippers, and the service was an inspiring one. The musical part of the service was in charge of Organist W. E. MacClymont and a choir of mixed voices. On the platform were seated Rev. C. E. Herring, Rev. Dr. W. C. Snodgrass, Rev. Dr. D. J. Yerkes, Rev. Dr. G. W. Smith, Rev. Cornelius Schenck, Ph.D., of this city, and Rev. Charles E. Scudder, of Newark. The service opened with a prayer by Rev. Mr. Scudder, which was followed with Scripture reading by Rev. Dr. D. J. Yerkes. Another prayer was then offered by Rev. Cornelius Schenck, Ph.D. The sermon was delivered by Rev. Dr. W. C. Snodgrass who took for his text, "They Thanked God and Took Courage." The speaker said that he thought everyone had great cause for thankfulness after passing through a year marked by a most peculiar crisis, and the people could now rejoice with the prospects of great prosperity. He mentioned with gratefulness the devout spirit with which the Chief Executive had issued the Thanksgiving proclamation, but gave prominence to the fact that the people owe their obedience to a Higher Power.

The speaker noted with feelings of gratefulness the increased spirit on the part of the people to assist the poor, and of the spirit of goodness which is growing in the Church of God. His remarks concerning the manner in which the people should appreciate the many gifts of God were listened to with considerable interest. At the close of the discourse Rev. Dr. G. W. Smith offered prayer and pronounced the benediction. During the service a collection was taken for the Plainfield Relief Association.

Mr. and Mrs. A. J. Leader, of Duer street, spent Thanksgiving at the home of Mrs. Leader's mother, Mrs. McKee, of Brooklyn.

SPANISH BOMB FOR LEE

An Attempt to Blow Up the U. S. Consul's Headquarters.

EXCITEMENT IN HAVANA

Gen. Lee Will Cause a Rigid Investigation to Be Made—Police Riddle the Report—Cubans Fire a Volley at Gen. Blanco's Palace.

Havana, Nov. 26.—Consul-General Lee will cause a rigid investigation to be made into the attempt of the person or persons whose identity is as yet undiscovered, to blow up the United States Consulate building.

The police have been working on the case, but their efforts have amounted to little, and they have not succeeded in throwing the least light on the mystery.

There is much excitement in the city over the affair, and every one is anxious to learn the details. The police are extremely reticent about the whole affair.

The act is supposed to have been the work of volunteers, who are greatly incensed over Blanco's new order, which sends many of them to fight.

Early Wednesday morning, while it was still dark, a watchman saw a man stooping in a corner of the doorway of the house in which the Consulate is located.

GEN. FITZHUGH LEE.

ated. His actions excited the suspicions of the watchman, who walked quickly toward him. The fellow immediately ran away.

The watchman, upon investigating, found a huge bomb in the doorway. Its fuse had not been lighted, and undoubtedly the quick action of the watchman saved the place.

The bomb was taken to the police. It has not been examined, nor will it be until the arrival of an expert from the Ordnance Department.

One arrest was made soon after the discovery of the bomb. The prisoner, however, explained the impossibility of his having any connection with the affair, and he was allowed to go.

RAID NEAR BLANCO'S PALACE.

The news has been received of a raid by fifty insurgents, who went within rifle shot of Gen. Blanco's palace, where they remained more than two hours, looting several stores, and a priest's house within a hundred yards of the Canavass fortress. This is looked upon as the most daring raid of the war.

The insurgents fired a volley across the narrow strip of water at Gen. Blanco's palace, and then retreated amid a tremendous fusillade. No one is known to have been killed. The attack had been well planned, and Gen. Blanco is greatly incensed because of the raid.

REAL CUBAN HEROES.

Choose Cabanas to Freedom and a Compromise with Spain.

Havana, Nov. 26.—After the order had been issued for the release of Gen. Rius Rivera and Col. Basallao, who were captured by Gen. Hernandez de Velasco last March, both men were conducted to the palace.

Marshal Blanco received them and proposed that they should help to restore peace by assisting in the establishment of autonomy.

They declined to accept his proposition. He then requested them to make a formal compromise, and to agree not to take up arms again against Spain.

This also they refused, declaring, on the contrary, that when actually free they would return to the insurgent camp.

After this high-spirited reply they were promptly returned to Cabanas Fortress, where they now remain prisoners of war.

CUTTER BEAR STARTS

Leaves Seattle to Rescue Crews of Ice-Bound Whaling Vessels.

Seattle, Nov. 26.—The revenue cutter Bear started yesterday on its errand of mercy in behalf of the ice-bound whalers in the Arctic Ocean.

Eight whaling vessels, carrying 250 men, are known to be hemmed in the ice floes. Lieut. Jarvis and Lieut. Bernthal will be Capt. Tuttle's assistants.

This is the first attempt ever made to penetrate the Arctic fastnesses in the winter time from this point. Capt. Tuttle expects to reach Sledge Island with the Bear. From there a rescuing party will cross to Point Rodney, on the mainland. From Cape Prince of Wales reindeer will be used to penetrate into the real ice wastes.

Lieut. Jarvis will have charge of the land expedition. He expects to do a thousand miles of reindeer sledding in the search for the ice-bound whalers.

FITZSIMMONS NEARLY KNOCKED OUT.

Topeka, Nov. 26.—Mike Conley came near knocking out Bob Fitzsimmons at the Crawford Opera House last night. An exhibition sparring bout between the champion and his boxing partner wound up the entertainment. At the end of the second round Fitzsimmons staggered back into his corner and into a chair. He clasped his hands to his heart, while the attendants pressed to his side and offered him a bottle of water. He paid no attention to them. "It's gone," he groaned, "but the audience don't know it. I smiled and spit it out." The bout had cost him one of his teeth and the humiliation of being almost knocked out.

TO STOP IMMIGRATION.

Bureau Officers Believe It Should Be Temporarily Suspended.

New York, Nov. 26.—The possibility of the introduction at the coming session of Congress of a bill restricting or suspending immigration for the next ten years has caused considerable of a stir among the steamship companies here, and has awakened a lively agitation in favor of such a measure in certain quarters.

Those who most strongly recommend the advisability of at least temporarily stopping the tide of immigration to these shores are officers and employees generally of the immigration station at this port. This is particularly true of the members of the Board of Special Inquiry, who, perhaps, more than anybody else, know more of the character of the men and women who are daily flocking here from Europe.

The various men who comprise this board as citizens are outspoken in declaring that the interest of the country almost demands that some measure be adopted by Congress to keep out the alien paupers who are emigrating here in large numbers, and succeed in evading the restricting provisions of the law through various devices. The only remedy suggested is an absolute suspension of immigration for a long period.

When United States Senator Fairbanks visited the Barge Office in this city a week ago he expressed his astonishment at the low order of the great majority of the immigrants who were then passing through. Mr. Fairbanks is chairman of the Immigration Committee of the Senate, and the impressions which he received from his visit to the 'immigrants' quarters, he said, would be of immense value to him at the forthcoming session of Congress.

Secretary Gage and his assistant, Mr. Spaulding, and Commissioner-General Powderly have been investigating the immigration question very thoroughly during the past few months, and it is said that the Administration at Washington has decided upon its policy in the matter.

PULLMAN PORTER ARRESTED.

Accused of Attempting to Rob a Passenger of \$42,000.

St. Louis, Nov. 25.—Lee Pitts, a colored Pullman porter living here, is a prisoner at the Four Courts on the charge of attempted robbery. A. E. Hill, a broker of Providence, R. I., says that Pitts tried to steal from his pocket an envelope containing \$39,000 in certified checks and \$3,000 in cash.

Hill was a passenger on the Baltimore and Ohio train which arrived in St. Louis from the East to-day. When it reached the Union station he caused the arrest of Pitts. At the Four Courts Mr. Hill related this story:

"Just after the train passed Odlin, Ill., this morning, the porter pulled the curtains aside and reached into my berth. He took \$10 out of my trousers pocket, and then thrust his hands into my inside pocket, where I had an envelope containing \$42,000 in cash and checks. I awoke just in time to save the envelope. I grappled with the negro, and the encounter attracted the attention of the Pullman conductor, J. B. Hodges. He ordered the negro to return the \$10 he had taken."

Mr. Hill is the owner of some lead and zinc mines at Joplin, and he is on his way there. He says he will remain in St. Louis long enough to push the prosecution.

CORBETT AND FITZ TO FIGHT!

Renewed Reports that the Pugilistic Will Meet in the Ring Again.

Buffalo, Nov. 26.—The following report that Fitzsimmons and Corbett would meet again in the ring was published by the Buffalo Express yesterday:

"Within ten days Corbett and Fitzsimmons will sign articles for another battle for the heavy-weight championship of the world."

This positive statement was made by William J. Connor, one of the most trusted agents of James J. Corbett, and William A. Brady, who is Corbett's manager.

"This statement is made on the authority of a letter which I have just received from headquarters," said Mr. Connor, "and it is positive and certain. I could tell you the time and place where the principals and their managers will meet, but for certain reasons I am not at liberty to do so until I receive permission from Mr. Brady. Fitzsimmons is now in St. Louis and Corbett is in New York, but they will get together within the time mentioned."

TWO LYNCHED IN GEORGIA.

Negro Strung Up for Assaulting a White Girl.

Waycross, Ga., Nov. 26.—The rattle of musketry which accompanied the lynching of a strange negro, could be heard in this city at 8 o'clock last night. At dark the negro called at the house of Eli Davis, a well-known planter, and found his 17-year-old daughter alone. He assaulted her in the most violent manner, leaving her for dead. Soon bounds were on his track, and he was caught near town, where he was hanged and his body was filled with buckshot.

Lynched for Mule Stealing.

Jesup, Ga., Nov. 26.—A determined party of men overtook a party of officers yesterday who were escorting a negro named Jerry Johnson to Screven Jail. They seized the prisoner, set him up on the road, and riddled him with bullets.

Johnson had stolen a mule from a farmer named Popham. Wednesday night he was arrested, and, upon trial before a magistrate yesterday morning, was committed to jail. Why lynching should have been resorted to under the circumstances is a mystery.

"The worst cold I ever had in my life was cured by Chamberlain's Cough Remedy," writes W. H. Norton, of Sutter Creek, Cal. This cold left me with a cough and I was expectorating all the time. Experimented with many others, but never got the true remedy until we used Dr. King's New Discovery. No other remedy can take its place in our home, as in it we have a certain and sure cure for Coughs, Colds, Whooping Cough, etc." It is idle to experiment with other remedies, even if they are urged on you as just as good as Dr. King's New Discovery. They are not as good, because this remedy has a record of cures and besides is guaranteed. It never fails to satisfy. Trial bottles free at L. W. Randolph's Drug Store.

A Clever Trick.

It certainly looks like it, but there is really no trick about it. Anybody can try it who has Lame Back and Weak Kidneys, Malaria or nervous troubles. We mean he can cure himself right away by taking Electric Bitters. This medicine tones up the whole system, acts as a stimulant to the Liver and Kidneys, is a blood purifier and nerve tonic. It cures Constipation, Headache, Fainting Spells, Sleeplessness and Melancholy. It is purely vegetable, a mild laxative, and restores the system to its natural vigor. Try Electric Bitters and be convinced that they are a miracle worker. Every bottle guaranteed. Only 50c a bottle at L. W. Randolph's Drug Store.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. DREYFUS IS ALL THE TALK.

France Greatly Interested in the Mysterious Affair.

Paris, Nov. 25.—The Dreyfus affair continues to furnish a fruitful topic of conversation. It is asserted by friends of Count Esterhazy, who, it is said in some quarters, is himself guilty of selling the French military secrets to a foreign government, for which crime Capt. Dreyfus is now serving a life sentence, that he became entangled with the Dreyfus family through his efforts to learn who the guilty person really was. He employed Sir George Lewis, the well-known London solicitor, and instructed him to do his utmost to find out who it was who had sold the secret of the French defenses.

Sir George employed an American woman to act as a detective. She went to Paris and obtained lodgings in the house occupied by the porter of the German Embassy, it being said that Germany was the power that had purchased the secret information. The woman was instructed to make the acquaintance of the porter, and to elicit from him all the information he had of the case.

She learned that soon after Dreyfus was condemned the porter had heard military officers at the Embassy talking the matter over, in an excited manner. He heard such words as "shameful" and "meaness," and the expression, "The Emperor ought to know that." Count Esterhazy's name was mentioned by the officers, and his alleged connection with the case was traced from their conversation.

VIENNA'S BEAR GARDEN.

The Uproar in the Reichsrath Yesterday Only Noise and Epithets.

(Cable Dispatch to the New York Sun.) Vienna, Nov. 25.—The German opposition in the Reichsrath are stoutly disclaiming responsibility for the disgraceful scenes which took place in Wednesday night's sitting of that body. They maintain that the majority purposely excited the Leftists, and declare that the tumult in the House was prearranged by the majority.

When the sitting of the Reichstag was resumed yesterday the Deputies found that doors had been erected closing in all approaches to the tribune. Herr von Abrahamovics, the President, took the chair to call the Chamber to order, when the Leftists immediately resumed their obstructive tactics, howling, shouting and banging upon desks and hurling all sorts of epithets at the presiding officer, amid cries of "Shame!" The President tried to speak, but Herr Wolf shouted: "Some one else must take the chair, but not this swindler!" The Chamber was soon in a furious uproar, and the sitting was suspended until later in the day.

THORN TOLD O'BRIEN

He Offered to Reveal Everything About the Guldensuppe Murder.

A MYSTERIOUS STATEMENT

Capt. O'Brien Refused Steadfastly to Disclose the Fact of This Confidence When Lawyer Howe Cross-Examined Him at the Trial.

New York, Nov. 25.—"If you will promise me immunity from punishment or will let me plead guilty in a moderate degree, I am ready to tell all I know about the murder of William Guldensuppe."

This is the sense of the mysterious statement, until yesterday unrevealed, that Martin Thorn made to Capt. Stephen O'Brien at Police Headquarters the day after his arrest.

Capt. O'Brien, as reported in these dispatches, refused steadfastly to disclose the fact of this confidence when Mr. Howe cross-questioned him at Thorn's trial.

O'Brien had related in detail all that took place that morning at headquarters, when he questioned Thorn for two hours or more. But in the cross-examination of O'Brien on Wednesday Mr. Howe asked:

"What else did Thorn tell you?"

"I cannot reveal that," O'Brien replied. "Thorn did tell me more, but I gave him my word I would not disclose it."

Mr. Howe thought for several minutes, and then said:

"Well, Captain, under those circumstances, I cannot ask you to violate your word. I will not press the question further."

So O'Brien left the stand with a new mystery in the case.

The jurymen had waited patiently to see if O'Brien would be put upon the rack and made to disclose the statement reposed in confidence in him by the murderer, but nothing more was said.

Now, however, it is known that Thorn pleaded for clemency, knowing that the grip of the law was upon him. In his desperation he sought to save his own life by divulging the tale of the butchery of the bath rubber.

Capt. O'Brien could not promise the immunity or the clemency Thorn hoped to gain, so Thorn failed to account for his actions on the day of the murder.

That Thorn did offer to make some statement other than that which was dragged out of him by O'Brien's systematic questioning is evident from one bit of testimony the Captain gave. He stated on the witness stand that he had warned Thorn that whatever he disclosed would be used against him.

One phase presented by this disclosure of the confidential offer of Thorn to O'Brien is that O'Brien, in his official capacity as Captain of Police, received a confidence from a man accused of murder and then declined to reveal it when placed on the stand during the trial of that accused person.

The trial was resumed this morning at 9:30 o'clock, with a deeper, intenser interest. The great scenes of the trial—Augusta Nack testifying against Martin Thorn, John Gotha testifying against Martin Thorn, Herman Nack testifying against Augusta Nack, Martin Thorn testifying against Augusta Nack—were yet to be enacted.

Tommy Ryan Wins at Elmira.

Elmira, N. Y., Nov. 25.—Before the Maple Avenue Athletic Club last night Tommy Ryan, of Syracuse, fought Jim Ryan, of Australia. Ex-Champion Paddy Ryan, of Troy, was the referee. The first round started in lively, both men getting in body blows. Little damage was done. In the third round the Australian had the best of it, landing heavily on Tommy's stomach. A change occurred in the fourth, and Jim retired groggy to his corner. He was weak when he stepped to the centre in the fifth round. Tommy started in to finish his opponent. In one minute and twelve seconds he landed a stiff upper cut on Jim's left jaw, sending him to the floor and knocking out several teeth. He failed to raise and was counted out.

Swindler Gets Eight Years.

London, Nov. 25.—The trial of "Capt." James Henry Irvine Cruickshank, who was arrested in September upon a charge of defrauding Lady Randolph Churchill, her sisters, Mrs. Frewen and Mrs. Leslie, and a number of other ladies out of sums aggregating about \$50,000, representing that that money was to be invested in an American railroad construction syndicate, took place in the Old Bailey Court yesterday.

Cruickshank pleaded guilty and was sentenced to eight years' imprisonment.

Congressional Library Opened.

Washington, Nov. 25.—The Congressional Library was opened to the public yesterday, and all who wished were given an opportunity to inspect the handsome building, although the reading room and offices were closed. It is estimated that many thousands of persons took advantage of the holiday to visit the building.

WEATHER INDICATIONS.

(Furnished by Weather Observer Neagle.)
Rain Tonight; Saturday Clearing Weather; Decidedly Colder Saturday. At 8 o'clock the Thermometer at Leggett's Pharmacy Registered 56 Degrees.

The Society of Friends in Plainfield has come out in opposition to the "present system of high licence to regulate and control the sale of spirituous and fermented liquors." This matter is to be voted on at the coming charter election. The Friends give as their reasons that the high licence liquor saloons are a menace to the moral well being of the citizens of Plainfield, especially its boys and young men; that the saloon impoverishes the homes of their patrons; that the licence system makes responsible for the evil involved in the liquor traffic, the citizens who vote for its continuance. The people of Plainfield have the issue plainly before them, and must decide for or against the present system.—Somerville Unionist Gazette.

A CLEVER MONOLOGIST.

Miss Beatrice Herford was an Easy and Graceful Entertainer.

The audience that gathered in the Casino, Wednesday evening, listened to an entertainment that was worthy of a far larger attendance than was present. Miss Beatrice Herford, in her character monologues, was the principal entertainer, assisted by Miss Augustus Pemberton, a favorite Philadelphia singer. Miss Herford is a very clever young lady from Boston, who has struck out on an entirely original vein. She calls her entertainments monologues and so they are, in so far as she does them all by herself. Miss Herford impersonated one character and the others were left to the imagination of the audience. She did so in such a clever manner that her hearers had no difficulty in understanding the situation. She was really funny but not consciously so. She did everything with perfect ease and grace and proved a delightful entertainer. Miss Pemberton had a charming voice that was well appreciated.

First of the Star Course.

The first of the Star course of entertainments under the management of the Y. M. C. A., was given in Y. M. C. A. hall last evening. The attraction of the evening was Judge William B. Green, whose humorous selections proved a source of great merriment to the audience. A special hit was scored by his imitation of a schoolboy's rendering of Whittier's poem, "Barbara Fretchie," which was given with perfect art. Mr. and Mrs. Charles L. Thompson, assisted by an accompanist, gave a clever exhibition of necromancy.

Dr. Riggs Called.

The Rev. Dr. James F. Riggs, a professor of Rutgers College, has received a call to the pastorate of the Brick Presbyterian Church at East Orange. He has not yet decided whether he will accept the call or not. It will be remembered with pleasure that Dr. Riggs has lectured in Plainfield many times, and has also occupied the pulpit at Trinity Reformed Church. He has been preaching for several months at Brick Church, and has won many friends and admirers. He has been offered a salary at \$5,000.

Their Annual Camp Dinner.

The members of the Point Breeze Camp, many of whom live in Plainfield, are arranging to enjoy their annual camp dinner. It will be given in New York, and H. D. Brewster, W. J. Roome and B. A. Hegemen, Jr., have the matter in charge. It will probably be an elaborate affair.

—November 8th The Press published a story concerning the death of Abraham Snyder at Chimney Rock, which, it is now stated by those who were present at the time, was slightly inaccurate. It is stated that Mr. Snyder's illness was not due to dissipation and that he got very good care while he was prostrated.

DEFEAT ENDED SEASON.

SAN REMO FOOTBALL TEAM WERE VICTORIOUS YESTERDAY.

A Demoralized Eleven Represented Plainfield, Though the Battle Was Hard Fought—The Line Up and the Score. The first defeat of its career ended the season for the football eleven of the Plainfield Athletic Association, yesterday. Their victorious opponents were the San Remo team of the New York Athletic Club, the old rivals of the Plainfield team, and they won by a score of 12 to 0, after a hard fought game on Martine common.

It was a badly demoralized team that lined up for Plainfield. The plans of the management for the strongest team of the year had been unsuccessful and fully half of the team, that had been expected to represent Plainfield on the gridiron, was unable to play for one reason or another. The Yale men who had been counted on were unable to play, owing to a request of the faculty that no varsity men should take part in outside games. Hallock and Freeman were ill. Milne was detained for other reasons. Lewis and Saltzman were out of town. Harry L. McGee played behind the line at full back and proved a blessing. His long low punts saved the home team many yards and he ran well and tackled well. His fellow workers, Smith and Cathcart, did great work.

The visitors were considerably strengthened since the Election Day game when Plainfield tied them. They proved themselves gentlemen and thorough sportsmen for the game was a remarkably clean one throughout and there was an absence of slugging and scrapping on the part of both teams. The visitors showed a better offensive game than Plainfield and the greater weight of their line combined with excellent team work finally won them the game.

The field was in very poor condition, being extremely muddy and slippery. Many a pretty play was spoiled by a slip in the mud. Despite the damp weather, fully five hundred people crowded along the sidelines to witness the contest.

Plainfield had the eastern goal to defend in the first half and had the kickoff. It was easy to see that the teams were well matched but the superior team play of the visitors began to tell. McGee was called on several times to punt and he kicked the ball well out of danger. Luters kicked too high and Waring, catching one of his punts, ran twenty-five yards before being downed. The ball moved up and down the field, Plainfield gaining every time on the kicks. At last San Remo pushed Plainfield down the field slowly but surely. Every inch of ground was stubbornly contested. At last the ball was carried to Plainfield's three-yard line and Zimm divided through the line to be downed by Serrell behind the line. Luters kicked the goal. Score: San Remo, 6; Plainfield, 0. The fight was continued without advantage for either side until the end of the first half.

In the second half, Plainfield braced up and forced the fighting for a time. The local team was at last compelled to stand on the defensive, and the Plainfield line shook sadly under the repeated plunges of the New York backs. The lack of practice on the part of the Plainfield boys was evident, but they did some great work. The centre trio did brilliant work and made many pretty tackles. Those three men were in every play. The fight grew hotter and both sides played their best. Step by step Plainfield was forced to her goal and just fifteen seconds before time was called Mitchell was pushed over the line for a touchdown. Luters kicked the goal. That ended the game. Score: San Remo, 12; Plainfield, 0.

The teams lined up as follows:

Plainfield A. A.	San Remo.
Serrell.....right end.....	Freese
Huntington.....right tackle.....	O'Donnell
Brown.....right guard.....	Carr
Cunningham.....centre.....	Morris
McClure.....left guard.....	Clark

A KIND SPIRIT FLOWN.

The Community Loses a Good Christian
Woman.

In the death of Mrs. Thomas E.
Warman, of 104 Grove street, which
occurred last Tuesday morning, this
vicinity loses a most valued resident.
She had been a great sufferer from
asthma for the past twenty years,
which had so reduced her strength
that a slight cold taken last week
brought about complications which in
her weakened condition she could not
withstand, and her death was rather
unexpected.

Mrs. Warman was well known to
many residents of this city and her
kindness to fellow-sufferers will long
be remembered. She was an active
worker in benevolent and charitable
institutions, and her visits to Muhlen-
berg Hospital and the Children's
Home were looked upon with pleasure
to herself and to those with whom she
came in contact. She was a steadfast
worker and earnest believer in the
Episcopal church, which faith she
adopted at an early age, and she was a
member of the Church of the Holy
Cross, where she was accepted by
letter some twenty years ago. Her
husband and two daughters are the
only surviving members of the family.

The funeral services were held at
her late home, 104 Grove street, this
afternoon, Rev. T. Logan Murphy, her
pastor, officiating. There was a large
attendance of friends and acquaint-
ances. Interment was in Hillside
cemetery.

Everything Will Be Thirteen.

charged, the programme will consist
of thirteen on a side, and ice cream
will be served at thirteen cents a plate.

The three-year-old boy of J. A. John-
son, of Lynn Center, Ill., is subject to
attacks of croup. Mr. Johnson says he
is satisfied that the timely use of
Chamberlain's Cough Remedy, during
a severe attack, saved his little boy's
life. He is in the drug business, a
member of the firm of Johnson Bros.
of that place, and they handle a great
many patent medicines for throat and
lung diseases. He had all these to
choose from, and skilled physicians
ready to respond to his call, but se-
lected this remedy for use in his own
family at a time when his child's life
was in danger, because he knew it to
be superior to any other, and famous
the country over for its cures of croup.

Mr. Johnson says this is the best sell-
ing cough medicine they handle, and
that it gives splendid satisfaction in
all cases. Sold by T. S. Armstrong,
apothecary, corner Park and North
avenues.

Revival Do Not Seem to Decrease
at Grace M. E. Church.

Though the weather last night was
unfavorable it did not seem to inter-
fere with the attendance at the praise
service held in Grace M. E. church.
There was a most gratifying attend-
ance and the entire congregation felt
in the spirit of praise.

A great many remained to the after-
meeting which followed, and ere long
two souls were seeking at the altar,
and later professed to having found
peace. Wednesday evening, also,
there were two earnest seekers.

There will be no service in this
church tomorrow night.

GOLF.

Yesterday morning on the links of the Hillside Tennis and Golf Club handicap foursomes occupied the attention of the members of the club and a great number were interested in the result. Two handsome silver cups were offered as prizes, and it is doubtful if there has been any more exciting contest on the links during the season than that of yesterday morning. The two cups were won by W. T. Kaufman and F. W. Walz after a spirited contest. Below will be found the scores in full:

In the afternoon there took place the long distance driving contest. There was great interest in this event, and there were some fifteen entries. J. H. P. Wharton was the lucky member to win the contest. His first drive was 173 yards, 6 inches, and the second was 170 yards and 8 inches, while the last drive was 175 yards, 1 foot and 8 inches. Mr. Wharton was thereupon awarded the cup which was offered as a prize.

The rest of the afternoon was devoted to play by individual members, who sought the game for the mere pleasure. This practically ends the golf season, and it is not likely there will be any more match plays or contests.

BASKET BALL.

Two interesting basket ball games id Y. M. C. A. gymnasium, yesterday afternoon. The game between the Students' and Junior teams was played in fifteen minutes halves, and resulted in a victory for the Juniors by the score 16 12. A game was also played between the business men's and the evening teams, in which some very quick passing was done. The game was won by the score 16 4.

THANKSGIVING IN WASHINGTON.

How the President and Cabinet Spent the Day at the Capital.

Washington, Nov. 25.—Thanksgiving Day was generally observed in Washington. The Federal departments, as well as District offices, public schools and banks were closed. Many of the leading business houses suspended business for the entire day, while those that remained open during the morning hours generally closed at noon.

The day at the White House was spent quietly. The President and his household were free from the affairs of official life, as the mansion was strictly closed to all except social visitors. President McKinley, accompanied by Mrs. McKinley, their niece, Miss Barber, and Mrs. Smith, daughter of ex-President Hayes, attended church in the morning.

As stated the other day, the Cabinet circle generally observed the day in Washington, the only member who was out of town being Secretary Long and family, who took a delightful trip down the Potomac. The Secretary of the Navy has not opened a regular establishment in Washington, having a flat at the Portland House.

Secretary Bliss rather unexpectedly came to Washington from New York, accompanied by his family, arriving here Wednesday night.

Secretary Gage, who went to New York to attend the Chamber of Commerce banquet, returned early yesterday morning and spent the day with his family.

In the afternoon there were numerous football games, the sport being still in vogue here Thanksgiving Day, although it has generally been superseded in many Northern cities as a Thanksgiving Day feature. The games were well attended and the weather was cloudy and quite cold, but it did not interfere with the many concerts and entertainments and family gatherings which had been arranged for Thanksgiving night.

Runaway Clerk Returns.

New York, Nov. 25.—Donald McClelland, clerk of the Bronx Borough Bank, at 731 Tremont avenue, who disappeared on Nov. 22 with \$2,500 of the bank's money, was arrested in this city last night and locked up at Police Headquarters. He had been to Chicago and had returned to give himself up. He had notified the police what train he would take, and they met it at the station.

McClelland is about 23 years old, and up to a few weeks ago was believed to be a model young man. He was a member of the Presbyterian church in West Chester, taught a Sunday-school class, sang in the choir, and was a member of the Young People's Christian Endeavor Society. In addition to this he belonged to the Total Abstinence Society of St. Peter's Episcopal Church.

Trying to Settle the British Strike.

London, Nov. 25.—The entire time of yesterday's sitting of the conference between the federated employers and the striking engineers was occupied in discussion of the amendment submitted by the representatives of the engineers yesterday to the employers' resolution defining their freedom of management in workshops without outside interference. The conference had arrived at no decision upon the amendment when the sitting adjourned.

The Hawaiian Minister Returns.

Washington, Nov. 25.—Minister Hatch, of Hawaii, who has returned to Washington after a long absence, brings confirmation of the reports that the differences between his Government and that of Japan have reached a basis assuring amicable adjustment. He believes that there will be no opposition of any weight to the annexation of the islands, and looks forward to the ultimate ratification of the pending treaty.

\$100,000 for a Picture.

Philadelphia, Nov. 25.—P. A. B. Widener, the street railway magnate, has bought the portrait of Pope Julius II. by Raphael, a picture on wood, 58 centimetres high and 49 centimetres broad. It was painted in 1509, and descended through the following collections: Victoria Della Rovere, Casa Ferdinand II. de Medici, Marquise Ardeti, Signor E. Bajocchi, all in Rome, and Baron von Leyden, Herr Van Vlaardingen, Holland, from whom Mr. Widener secured it.

The price paid is \$100,000. It will be presented, with his other pictures, to the new gallery in Fairmount Park, Philadelphia.

YESTERDAY'S FOOTBALL GAMES.

Pennsylvania Defeats Cornell in a Hard-Fought Battle.

Philadelphia, Nov. 25.—The University of Pennsylvania and the Cornell football teams played their annual Thanksgiving game on Franklin Field yesterday afternoon.

The betting was very quiet. The Quakers bet even money that Cornell would not score. It was well-nigh impossible for any one to bet that Cornell would win, and the few wagers that were made on the Ithacans were with heavy odds on Pennsylvania.

When the teams lined up about twenty thousand spectators were on the field. Pennsylvania ran on the field at 2:02 o'clock, followed by Cornell.

Cornell won the toss for selection of goal, and selected the east end, having a slight advantage over the southeast wind thereby.

The Quakers were surprised at the remarkable showing made by Cornell at the start, and when time was called for the first half the ball was in Pennsylvania's thirty-yard line, the score being: Pennsylvania, 0; Cornell, 0.

Not a cheer was raised by the discouraged Quakers between halves. Woodruff urged his men to play a hard game in the second half, and strive to wind the Cornellians.

Cornell's play in the first half showed the eleven to be the best ever turned out by Ithaca, and fully equal to Harvard.

The second half started at 2:13 o'clock, and was a fast and hard-fought battle to the finish. The Quakers had the advantage of the wind, but wet ground made long runs dangerous.

When time was called the ball was in midfield. Final score: Pennsylvania, 4; Cornell, 0.

Lafayette, 22; Lehigh, 0.

South Bethlehem, Nov. 25.—Lafayette and Lehigh played a spirited game of football here yesterday afternoon before a tremendous crowd. Lehigh went in the fight to keep Lafayette's score below that of the first game this season, and did so. Lafayette played without Walbridge, her star halfback, and in consequence was weakened by the displacing of her line, Duffey going to halfback and Chalmers taking his place at tackle. Weidenmeyer was called on to do star work, and came up to the demand every time. He played a beautiful game. Shortly after the contest opened he got the ball for a yard around the end and made thirty yards, carrying the ball dangerously near the Lehigh line. The latter made a brave stand and kept their opponents off the goal line. Perhaps you believe that it is impossible to have your laundry well handled without irritation and annoyance to you. We are sure that you are mistaken. May we have an opportunity of demonstrating it?

In the next play there was some kicking of the ball on both sides, Lehigh resorting to this to keep the ball from her goal line. Weidenmeyer, however, plunged through the centre for fifteen yards and a touchdown, from which Rinehart kicked a goal. The half ended: Lafayette, 12; Lehigh, 0.

Lehigh braced up in the second half, and for ten minutes it was a pretty exhibition. Then Weidenmeyer, by a succession of short runs, aided by good interference by Rinehart, Boyd and Herr, scored a touchdown. Rinehart kicked the goal. There was another touchdown made by Werthington fifteen minutes later, bringing the score up to 22.

The try at goal failed and the game ended: Lafayette, 22; Lehigh, 0.

MICHAEL AN EASY WINNER.

Welsh Cycling Wonder Too Much For Starbuck.

New York, Nov. 25.—Scalps are no new things with little Jimmy Michael, the Welsh racing wonder. He got another last evening from Frank Starbuck, the Quaker, defeating him roundly in a twenty-five-mile paced race in Madison Square Garden before the largest crowd ever gathered in the amphitheatre to witness a bicycle race.

At the end of the contest the diminutive flyer was a trifle over two miles in the lead, Starbuck having fallen behind continually after the second mile, when he led for two laps. The winner's time was 56m. 29 1-5s, which is pretty fast traveling, although not near the record.

The track was nine laps to the mile, and the manner in which the principals and their pacing men flew around the corners was enough to make one's hair stand on end. Women, however, and the younger element cheered when the turns were made, and when the cracks flew up the straights everybody seemed in duty bound to shout. It was a great night for the sport of cycling. It established beyond any doubt that racing on wheels has found a warm place in the hearts of those who love a contest in which a steady nerve, muscle and speed win applause.

At the end of the race Michael was going like a streak, while Starbuck, over two miles in the rear, pedaled as if he had no interest in the contest whatever.

The fastest mile was the ninth, which was covered in 1:57 2-5s. The second mile, when Starbuck led, was done in 2:05 1-5s. The winner received \$1,400 for his fifty minutes' work and the loser got \$600. Each man had the privilege of using as many pacer-makers as he desired, and each had about thirty, mounted on tandems and trip-lets.

Blizzard in Nebraska.

Omaha, Neb., Nov. 25.—Last evening the mercury dropped to zero, and a fearful gale from the northwest swept fine particles of snow in every direction throughout Nebraska.

The snow is piling up in huge drifts in the streets, impeding all kinds of traffic. Out in the State the situation is even worse.

In the extreme western part of the State the fiercest sort of a blizzard exists, and more damage is threatened to stock interests than at any time this Fall.

Durrant May Die Soon.

San Francisco, Nov. 25.—Assistant Attorney-General Carter will appear in the Supreme Court to-morrow and ask that the stay of execution in the case of Blanche Lamont's murderer, Durrant, be vacated. If this motion is granted, Durrant will be taken before Judge Bohrs on Monday and again sentenced to death. Fifteen days will be allowed to the murderer before he is hanged.

It is probable that he will die before Jan. 1, as his attorneys have exhausted every resource to save him.

NOTICE TO ALL INTERESTED IN UP-TO-DATE LAUNDRY WORK.

We run the laundry and take care of all details, but you "boss" it. We do what you tell us to do. It may give you a new sensation to find that you get a domestic finish when you ask for it, and to discover that your collars are actually ironed in the way that the maker intended them to be ironed.

We are running a laundry with the most improved methods and appliances. We use pure water and good soap. We are using two things that are not commonly used in laundries—care and intelligence. If you have found a laundry that pleases you perfectly, we have nothing to say to you. If you have any reason to be dissatisfied, we would like to give you a practical demonstration of our way of running a laundry.

Tell us where and when to call for your work, when you want it delivered, and let us know any particular thing that you would like to have done with it.

We want you to understand that we are running this laundry for you, and that your wishes are to be regarded in every particular. We will give you just exactly what you want. If we can find out that is not so, perhaps you believe that it is impossible to have your laundry well handled without irritation and annoyance to you. We are sure that you are mistaken. May we have an opportunity of demonstrating it?
