Miss Emily A. Schreiner, daughter of Mr. and Mrs. Henry Schreiner, of Mountain avenue, Scotch Plains, and Frank B. Perry, of 45 Harrison street, North Plainfield, were married last night at the home of the bride by Rev. Mr. Mulford, rector of All Saints' Episcopal church.

The ceremony was performed beneath a floral horseshoe in the presence of a large company of relatives and friends of the couple. At 8 o'clock the bride entered the parlor, while the Lohengrin wedding march was being played by Mrs. Hoffman, of Westfield. The bride was accompanied by her father, who gave her away in marriage. There were two bridesmaids, Miss Albertina Klemmer, of Scotch Plains, and Miss Christina Bales, of New York, both cousins of the bride. The groom was attended by Clifford Compton, of this city, as best man.

The bride was gowned in white organdie, trimmed with old point lace, the bridal veil being fastened in the coiffure with a spray of orange blossoms. Her bouquet was large white roses. The bridesmaids wore attractive gowns of white tulle, trimmed with lace and they carried pink carnations.

The house was decorated in the bride's favorite colors, white and green, in the dining room and pink and white in the parlor. Immediately after the ceremony, Mr. and Mrs. Perry received the congratulations of the guests, after which supper was served.

After the reception the couple departed on a short wedding trip. Upon their return they will reside on McKinley avenue, this city, where the groom has furnished a home. Many handsome presents, including cut glass, silverware and bric-a-brac.

The bride was for several years employed as a saleswoman at Hill & Shupp's store, while the groom is an employee of the Walter Scott Printing Machine Works.

Both Mr. Moore and Miss Bowers are active and leading workers in the Division. Their romance began through their association in the battle against liquor, and when it became time to choose a place for their wedding they agreed that the only fitting and appropriate one was the meeting room of Howell Division.

All the Grand Division officers have been invited to attend and most of them are expected to be present. The ceremony will be performed by a local clergyman. A supper and entertainment will follow the wedding.

PATROLMAN QUAS BURIED

SOLENN REQUIEM MASS CELEBRATED IN ST. MARY'S CHURCH.

Masses of beautiful flowers, including numerous magnificent set pieces, attested the esteem in which Patrolman Moses F. Quas was held, at his funeral this morning from the late home at 9 o'clock and from St. Mary's R. C. church at 9:30. The services were attended by a delegation from Court Plainfield, No. 1144, I. O. LOANS TRUCK TO BOROUGH

NORTH PLAINFIELD FIRE DEPARTMENT APPARATUS IS INCREASED.

The equipment of the borough fire department is to be augmented by the old truck owned by the city. Arrangements have been made to send the apparatus across the brook as soon as the men there get into their new headquarters.

The fire committees of the two municipalities have reached an agreement regarding the transfer of the truck.

The truck is the one used by the old Zephyr Company. It has been out of commission for a number of years. At present it is stored in the West Fourth street house.

Old Rifle Returned.

The old Springfield rifle, formerly used by Co. K before the new style Krag-Jorgensen rifles were issued to the State Militia, were sent back to the State Arsenal at Trenton, yesterday. The old style gun was not a favorite with the militiamen, on account of its intricate mechanism. The Krag allowed good work on the range and can be handled more quickly and with better results. It is understood that other improvements are being considered for the rifle now in general use.

Funeral Services of Mrs. Rogers. The funeral services of the late Mrs. Mary A. Rogers, whose death occurred at Tampa, Florida, on Sunday, will be held tomorrow morning at 10:30 o'clock from the Seventh-Day Baptist church. ANNUAL REPORTS SHOW PROSPERITY

Trinity Reformed Congregation Now Numbers Five Hundred and Seventy-Five.

A BIG SUNDAY-SCHOOL

GOOD WORK OF THE SUNDAY-SCHOOL MISSIONARY SOCIETY.

Reports from the Several Societies are Read—New Members in Church and Sunday-school

The annual report meeting of Trinity Reformed church was held in the lecture room last night, the reports received for the year ending March 31, indicating a generally active and prosperous condition in all branches of the church work. In his official report, Rev. Dr. Cornelius Schenck, pastor of the church, announced that there were 265 families in the church. By confession of faith, eighteen members were received into the church fellowship, and by letter twenty-four. The total number in communion is 575. Fourteen infants were baptized and nine adults, a total of twenty-three. There were nine deaths during the year and eight dismissals.

Elder Robert Clark, Jr., read the annual report of the church and gave a carefully prepared comparison of receipts and expenditures for the past year, with the year preceding, and by the comparisons the church was shown to be in a healthy condition, financially.

Reports from the Sunday-school showed an enrollment of 564, with fifty in Maroonier and 150 in the home department. Contributions during the year were \$1,494.46 for benevolent objects and \$7,102.75 for congregational purposes. The increase in the growth of the Sunday-school was notable.

Of the total for benevolent objects, the church offerings contributed amounted to \$462.07; the Ladies' Christian Work Society contributed \$109.10; the Sunday-school \$247.83; the Y. P. S. C. E., \$61.11; the Junior Endeavorers, \$59.20; the Young Women's Mission Band, \$301.84; the King's Daughters, \$76. Reports from the several societies were read by Mrs. Cornelius Schenck for the Ladies' Christian Work Society; F. E. Smith, Miss M. Berkaw, Mrs. J. M. Tier and Mrs. L. R. Schenck, for the Sunday-school departments; Miss Mabel Wilson for the Y. P. S. C. E.; Mrs. Lillian A. Forges for the Young Women's Mission Band; and Miss Wilson for the King's Daughters. Robert Clark reported for Maroonier chapel Sunday-school.

The average attendance at the Trinity Reformed Sunday-school was 309, and for Maroonier thirty-five out of an enrollment of sixty.

The work of the Sunday-school Missionary Society was summarized. In response to an appeal from the Woman's Board of Foreign Missions, a special collection, amounting to \$12.53 was taken for the Children's Home at Amoy, China. Christmas boxes were sent to two newly established Sunday-schools, named the Lone Tree and Cloud Chief in Oklahoma, the value of the boxes being \$48.85. During the year two of the classes made special efforts aside from the regular monthly contributions for missions in taking up the Twentieth Century Forward Movement plan. Class No. 3 raised \$6.04 and Class No. 14, \$5 in this way. Other classes were influenced to adopt the plan by this example.

The Junior Department of the Sunday-school has to its credit for extra work, the gift of \$8.50 to the Children's Home at Amoy and \$5 for the King's Daughters' Baby camp.

The amount contributed during the year by the various classes of the Sunday-school was \$191.63. The value of the Christmas boxes was \$48.85 and the total amount raised \$335.53.

The average regular monthly collection for the year was \$11.47, which surpasses any in the records of the society. Though the amount received from regular collections exceeded the amount received from the same source the previous year by but \$6.74, the total sum given for missionary purposes established a new record. The largest amount raised before in a single year was in 1899 and 1900 when two special funds were created for the Indian and Arabian Missions and the pupils were supplied with contribution boxes to take home and fill. That year the amount was \$227.32, \$8.21

less than was collected the past year when there were no special funds.

In the report for Whatsoever Circle of King's Daughters by the president, Mrs. Anna E. Leggett, a membership was announced of thirteen active and two honorary members. Gifts were made for the support of a trained nurse, for the Baby Camp on the mountain, for the Children's Home, for a missionary's box, and for other foreign and domestic mission purposes. The receipts for the year were \$79.59, the expenditures \$78.56, and the balance remaining \$1.10.

The Young Women's Mission Band had an average attendance of forty-six active and ten honorary members. To foreign missions, \$108.50 was contributed, and to domestic, \$301.84.

MYSTERIOUS FIRE IN STATIONERY STORE

Flames in Basement of Edward A. Laing's Place Calls Out Department.

BUT LITTLE DAMAGE

THE THEORY OF INCENDIARISM IS EXPLODED.

City Rags and Some Benches Found in the Cellar—Store Was Open at the Time.

Something of a mystery surrounds the fire in the cellar of Edward A. Laing's stationery store on West Front street last night. What caused the blaze is hard to determine, though Chief Deane gave it as his opinion this morning, that oily rags were responsible. When the firemen investigated they found two bottles of benzine broken in the cellar and indications that these were in some way connected with the fire's origin.

A theory of incendiarism was exploded by the fact that the cellar door and all the windows were locked. The store was open at the time. An alarm was rung in at 9:25 o'clock, but the firemen found little to do after their arrival.

There was practically no damage, but had not the flames been speedily extinguished something serious would have resulted, as the cellar was full of inflammable articles.

SUICIDE OF WESTFIELD MAN

Ferris was 26 years old, and married. He came to this State from New York a year ago. He was in good circumstances, and had no reason aside from his ailment for taking his own life.

The body was sent to Westfield, after Dr. Taylor, the county physician, had held an inquest.

The first cub hunt of the season was held this morning at dawn, under the supervision of Dr. M. O'M. Knott, and the young foxes were "plentiful." The start was made from the old golf club grounds on Plainfield avenue at 5 o'clock, those participating in the hunt being R. A. Shebbare, Charles Ismay, William Webster, C. E. Bellows, Percy Nelson and Dr. Knott. A distance of four miles was covered, the finish being near Muhlenberg Hospital. The hounds followed the scent of the annis bag in lively fashion, giving the riders a merry chase. The party returned in time to allow the members to go to business in New York.

Dr. Knott has planned a large drag hunt for Saturday afternoon. The riders will meet at the Crescent Avenue Presbyterian church at 3:30 o'clock and all persons interested are invited to join in the hunt.

DEAD AT EIGHTY-SEVEN

SISTER OF THE LATE DR. ABRAHAM COLES PASSES AWAY.

Mrs. Susan Coles Stout finished her earthly pilgrimage yesterday. She died at the good old age of eighty-seven. She was the last of the well known family of Coles, who for many generations past, have made their home in Scotch Plains and its vicinity.

Her older sisters, Betsey and Maria, died many years ago. The former was the wife of Elias Frost and the latter married Richard M. Crane. Her brothers, all men of distinction and usefulness in old Essex County in the last century, were William, James and Docter Abraham Coles.

Mrs. Stout was born August 16, 1817, and had lived all her four score years and more on the same property patented in 1688 to her Cole ancestry. She has outlived all her early relatives and immediate neighbors, leaving five or six nephews and nieces and an only son, Charles D. Stout, who occupies the old homestead.

Mrs. Stout was always a friend in need to every worthy person. In church connections for over three score years, together with her late husband, Deacon Jared S. Stout, Christian charity patience and devotion characterized both of them.

JURY DECIDES THAT MISS STEPHENSON IS MENTALLY UNBALANCED.

To establish the right of the Court of Chancery to appoint a guardian of the property of Miss Belle Stephenson, of this city, who was sent to Morris Plains' Asylum a year ago, a commission of three and a jury of twelve heard testimony here yesterday on her mental state.

The commission was composed of J. H. VanWinkle, William M. Stillman and Dr. T. E. Davis. Miss Stephenson has property in the hands of William R. Codington. He asked for the writ as solicitor, to arrange a legal disposition of the estate. As soon as the Chancellor receives the commission's report a guardian will be appointed.

The A. O. C. baseball team will play the Westfield A. C. tomorrow afternoon in Westfield. The club and its cohorts will gather at the 2 o'clock trolley.

Either Elliott Taylor or Arthur Wills will go in the box. Ralph Taylor will catch.

Last Saturday the club opened the season here with the Westfields. They went into the game without practice, and hampered by that and the high wind, they could not take the decision from the visitors. They put up a good fight and held the winners down to six runs while they banded in three themselves.

Fiscataway Couple Wed. Miss Nettie Dayton, niece of Peter Benward, of Fiscataway, and Henry Snyder, of Stelton, were married yesterday afternoon at the home of the bride, in the presence of a large number of guests. Rev. W. T. Dorwood, pastor of the Baptist church, Stelton, performed the ceremony.

LOSING CONTESTANTS GIVE A LUNCHEON

Ladies' Aid Society of the First M. E. Church Have a Pleasant Time.

AFTERDINNER REMARKS

MRS. JOSEPH B. YERKES PRESIDES OVER THE AFFAIR.

Mrs. L. M. French in Charge of the Arrangements—Good Works of the Society Recounted by Mrs. Snodgrass.

The Ladies' Aid Society, of the First M. E. church, enjoyed a luncheon in Vincent chapel, yesterday afternoon. The affair was given to the winning side in the recent contest for new members, by their opponents. Mrs. L. M. French was captain of the defeated contingent, while Mrs. N. W. Pike was the leader of the victors. One of the conditions of the contest was that those securing the least number of new members should give the luncheon to those securing the greatest number.

Mrs. L. M. French took charge of the affair and, with her assistants prepared a delightful luncheon. Covers were laid for eighty persons. The table decorations were unusually attractive, pink and white carnations being used in profusion.

Mrs. Joseph B. Yerkes was the toastmaster and in a happy vein she started the speech-making. First, Mrs. Nelson A. Miller, president of the society, extended a hearty welcome to the new members, and congratulated the society in its successful efforts. Mrs. W. C. Snodgrass made a few remarks, recounting the good work of the society in the past and wishing the members success in the future.

Mrs. Eugene Edgar concluded her remarks by presenting Mrs. N. W. Pike with a package of "Force," stating that inasmuch as she had been successful in the contest the cereal might prove beneficial in keeping up the good work. Mrs. Frank W. French, though not a member, responded in a pleasant manner, congratulating the society for what it had done.

"The Patience of Job," was the name of an amusing recitation given by Mrs. Eval L. VanHoesen. Miss Bertha Whitney also gave a recitation, entitled "The Theatre Hat." In conclusion Mrs. G. H. Whitney made a few remarks. The rest of the afternoon was spent in a social manner.

CRANFORD MILITARY PARADE

P. H. S. BATTALION DELEGATION MAY BE IN PROPOSED AFFAIR.

Under consideration by the officers of the High School battalion is a project to send a selected number of officers and privates to Cranford for a military exhibition which is being planned by Captain Edwards, of that place, a former drill master for the High School. Capt. Edwards' idea is to stimulate an interest in military affairs in Cranford. He has talked the matter over with Major Anderson, of the local High School battalion and other officers, and it has received favorable consideration, although nothing definite has been arranged. Probably if the affair were carried through, a delegation of the uniformed members of the battalion would be sent to represent Plainfield. Men prominent in military affairs would be requested to review the parade.

Successful Rehearsal.

There was the usual gathering of the cast for "The Taming of the Shrew" at the Casino last night and the time was put to good advantage. With the first of these two entertainments for local charities just two weeks away, everybody is "working hard." It is no simple thing to produce a Shakespearean comedy on a local stage and Director Edward Young has his hands full in getting on the details in good running order.

Delightful Club Luncheon. Under the direction of Mrs. Charles A. Reed and Mrs. S. St. John McCutchen, another successful club luncheon was given at the Park Club, yesterday. There were about thirty guests present and after a delightful luncheon, all joined in playing whist. The tables were attractively arranged with flowers by the club steward.

—W. E. Day moved today from Duerr street to 90 Summit avenue.

New York Harbor by day and night.

A picture designed by and painted in the Lee Lash Studios, faithfully reproducing in incident and detail one of the greatest sights in the world. Day is succeeded by twilight, and finally the whole lower portion of New York City is revealed as it appears at night. The hundreds of huge office buildings are lighted up and the entire shipping in the harbor is aglow with myriad twinkling red, white and blue lights. The Brooklyn Bridge is shown in all its grandeur and the cars are seen moving across it in an endless and never ceasing procession. Plainfield, N. J., April 21, 1904.

One hundred and twenty-seven years ago today the British were driven from New Brunswick.

When you feel all run down, you take a tonic; when your business gets run down, give it a good dose of advertising and hustle.—Ex.

The Somerset Messenger says that there is gubernatorial timber in Senator Childs, and the statement is not made in a comic supplement either.

The Ozar seems to be going about it in a queer way, but nevertheless he is following the precepts of the Hague conference. What ships the Mikado does not sink for him, he destroys himself.

State Entomologist John B. Smith says that the mosquito crop will be a large one this year. He has been saying so much recently that it is a question which is the worst pest, J. B. S., or the mosquito.

That salute of seven-een guns given Governor Murphy at Annapolis probably did not shock his nerves half as much as that canal abandonment salute given him by the Republican guns in the Legislature.

The announcement made in The Daily Press yesterday that Scotch Plains will be represented on the diamond this season was glad tidings to the local baseball enthusiasts. Scotch Plains may be a small place on the map of New Jersey, but there are a whole pile of baseball cranks there.

Inasmuch as no sound argument has been presented to the court against the petition to increase the retail liquor license fee in North Plainfield, it is reasonable to suppose that Judge Sobenok will respect the attitude of the borough's Council in the matter. Corporation Counsel Reed, in presenting the Council's petition, clearly explained the situation to the court. The argument that the test in fixing the amount of the fee should be based on the matter of profit or loss for the saloonkeeper is absurd. The real test is the position taken by the citizens of the borough and the Council has expressed their views in presenting an application for a fee of \$600, which is \$100 less than that in this city.

IN THE CHRISTIAN FIELD

WORK IN THE CHURCHES OF THE CITY AND BOROUGH.

Third Street chapel mid-week prayer meeting takes place this evening. The topic will be "Trust." Mr. Leggett will lead.

Rev. and Mrs. C. L. Goodrich and J. A. Powelson, of the Congregational church, are attending the annual conference of the denomination in Philadelphia.

F. O. Jennings has been secured as the speaker at the Y. M. C. A. meeting on Sunday afternoon at 4 o'clock. Roland Randolph, the well-known baritone, of Newark, will be the soloist.

Rev. Dr. Cornelius Schenck, of Trinity Reformed church, Robert Clark, Jr., and Horace J. Martin represented Plainfield at the spring meeting of the classis of Newark of the Reformed Dutch Church at Linden yesterday.

A. E. Kenney will give a number of demonstrations with liquid air at the meeting of the Men's Club, of the First Presbyterian church, Monday night. The women have been invited and an attractive programme will be presented.

At Trinity church tonight the annual meeting of the Netherwood Fresh Air Home will be held. Miss Sara Curry will speak and several of the alumnae will recite and sing. Reports on the work done last year will be handed in.

With the exception of a tenor the quartette for the First M. E. church is completed. Charles L. Lewis will be the director and basso, and Mrs. Wentworth, of New York, a talented singer, will be the contralto. Mrs. Thomas MacDonald will be the soprano. It is expected that a tenor will be secured soon. The new quartette will begin work May 1.

Father Devine, pastor of the Church of the Sacred Heart, at New Brunswick, learning that the members of his congregation had planned a celebration in honor of the twenty-fifth anniversary of his ordination as a priest, declared Sunday from the pulpit that the plan must be abandoned. He said it would be too heavy a burden, financially and otherwise, upon the congregation, and that his own health would not bear the extra strain and exertion that would attend the proposed celebration.

Encouraging reports were received and officers elected at the meeting of the Woman's Home Missionary Society, of the Park Avenue Baptist church, held yesterday afternoon at the home of Mrs. M. E. Tennant, of Kensington avenue. Mrs. A. D. Thompson, treasurer, reported the receipts to be over \$100 and the disbursements were about the same, leaving a balance of a few dollars. These officers were chosen for the ensuing year: President, Mrs. Charles F. Dayton; vice president, Mrs. J. S. Pray; secretary, Mrs. Nelson Runyon; treasurer, Mrs. A. D. Thompson; assistant secretary, Miss Agella Runyon. At the conclusion of the business session, Miss Olive DeLany, city nurse, told the society about the King's Daughters work at the baby camp on the mountains and a gratifying collection was received for this enterprise.

Opening of the Free Cooking School.

We are pleased to announce that we have made arrangements with Mr. C. A. Chapman, of Geneva, N. Y., to conduct a **Free Cooking School** at our store. This is the same party who so successfully conducted a cooking school for us a few years ago. The object of this Cooking School is to demonstrate to you

The VanDeusen Cake Moulds

which are the only simple, practical and durable cake moulds made. They require no greasing, because they have openings at the bottom covered with slides through which a knife is inserted and the cake loosened from the mould. Being made solid they do not get out of order and leak the batter like the loose-bottom pans do. Everybody is welcome to this Cooking School. Orders taken for cakes.

We Have Thousands of Testimonials

CASINO
BROADWAY AND 39TH STREET
NEW YORK, N. Y.
Dr. Charles Co.,
19 Park Place, N. Y.
Gentlemen:—
I herewith enclose you check for five dollars, being in payment for ten boxes of Dr. Charles' Flesh Food, which you will please forward to me at once, care of the New York Casino. Your splendid preparation greatly pleases me and does more to improve the face and form than any I have tried.
I heartily endorse it for its purity, sweetness and the satisfaction it has given me.
Yours very truly,
ANNA HELD.
Waldorf-Astoria, Oct., 1903.

Dr. Charles Co.,
19 Park Place,
New York, N. Y.
Gentlemen:—
I would thank you to send me two more boxes of your Dr. Charles' Flesh Food, for which you will please find enclosed herewith \$1.00. I am congratulating myself on discovering your remedy, for it has entirely cleared my face and hands of wrinkles—some of them were very deep and have annoyed me for years. I cannot speak too highly of your preparation.
Mrs. N. D.
Jersey City, Oct., 1903.

DR. CHARLES' FLESH FOOD has been recommended by physicians and used by actresses, singers and women of fashion for more than twenty-five years. It is the only preparation known to medical science that will round out with firm, healthy flesh, thin cheeks, neck and arms.

One or two boxes are often sufficient to restore a breast lost through nursing or sickness to its original fullness and beauty. The same quantity will also show a decided improvement where the natural growth has been impaired. We have thousands of testimonials. What it has done for others it will do for you.

For removing wrinkles or crow's-feet about the eyes or mouth it acts like magic. Wrinkles which have been years in forming often disappear after a few applications.

Regular price \$1.00 a box, but to introduce Dr. Charles' Flesh Food into thousands of new homes we have decided to send two (2) boxes to all who answer this advertisement and send us one dollar. We would thank you to send your order to-day and mention this paper.

FREE—A sample box and our book, "Art of Massage," illustrated with half-tone pictures of living models showing all the different movements for removing wrinkles, developing the bust and other beauty hints, will be sent free, to any lady sending 10 cents to pay for cost of mailing.

An Ideal Location Rosedale and Linden Park Cemeteries

Beautiful and Accessible
2 Miles from Elizabeth, 7 Miles from Newark,
14 MILES FROM NEW YORK
On Main Line Pennsylvania Railroad

Why Lots in these Cemeteries command themselves to Heads of Families and Investors
BECAUSE of the \$1,000,000 Trust Fund provided for by the Trustees in each Cemetery, the income from which will keep the properties perpetually beautiful at NO EXPENSE TO LOT OWNERS.
BECAUSE such a guarantee, not found in any other cemetery, assures lot owners that the grounds WILL BE MAINTAINED PERMANENTLY AS BEAUTIFUL PARKS AFTER THE INCOME FROM THE SALE OF LOTS HAS BEEN EXHAUSTED.
LOTS SHOULD BE PURCHASED NOW

BECAUSE MORE ADVANTAGES ARE OFFERED TO LOT BUYERS in a new Modern Park Cemetery than in those established many years ago, and in most cases no provision made for perpetual care without extra expense to lot owners. THERE ARE A GREATER NUMBER OF IDEAL LOTS AVAILABLE TO SELECT FROM. PRICES OF LOTS ARE ALWAYS LOWER AND TERMS MORE ADVANTAGEOUS. BECAUSE life is most uncertain and EVERY ONE SHOULD ANTICIPATE THE INEVITABLE BY MAKING A CHOICE NOW OF A FINAL RESTING PLACE.

LOTS WILL PROVE A GOOD INVESTMENT
BECAUSE they are sure to increase in value and can be purchased NOW at the INITIAL or LOWEST PRICE and upon the most ADVANTAGEOUS TERMS.
BECAUSE the properties are ACCESSIBLE TO 4,000,000 PEOPLE, and considering the RAPID GROWTH OF GREATER NEW YORK and its TRIBUTARY CITIES AND TOWNS, it is only a question of a SHORT TIME when LOTS in ROSEDALE and LINDEN PARK WILL BE EQUAL IN VALUE to those of our MOST NOTED cemeteries.

Winners at Boston Horse Show.
BOSTON, April 21.—E. D. Jordan of this city continued his successes at the horse show, winning four additional blue ribbons, a championship and two seconds. In the day judging Mr. Jordan's horses won first place in every class in which they were entered, twice defeating the entries of Reginald Vanderbilt. Mr. Jordan won the pony class with Domino, in the high steppers' pairs class with Elegance II, and Extravagance, in the hackney harness class with Mildred, in a regular harness class with The Baron and in the hackney stallions' class with Gentleman John.

St. Bellane Made New Record.
NEW YORK, April 21.—Despite the cold weather there was a fair crowd in attendance at Aqueduct. Another track record was lowered, E. R. Thomas' St. Bellane, which was purchased earlier in the day from Sidney Paget, winning the last race at four and a half furlongs in fifty-four seconds. Spring, who ruled favorite, won the Peconic stakes by one and a half lengths from Jacquin, with the 50 to 1 shot, Monet, third. Spring beat the barrier by one and a half lengths and was never headed.

Marvin Hart Beat Rublin.
PHILADELPHIA, April 21.—Marvin Hart had the better of the six round fight last night with Gus Rublin at the National Athletic club. Hart did effective work in every round. In the fourth round he sent Rublin to the floor for the count, and at the end of the round he had his opponent groggy and almost out. The minute's rest did Rublin much good, and he managed to stay to the end. The bout was a hard and fast one, but neither man was punished to any extent.

Finish Was a Terrible Drive.
MEMPHIS, Tenn., April 21.—A cold rain and sloppy track signaled the closing day at Montgomery park. The Peabody Hotel handicap at a mile and an eighth, the chief attraction, had six horses, with Claude and Potheen as the shortest priced ones. The Daily horse got off in front and led all the way, but the finish was a terrible drive between Claude and Little Scout, the former winning by a nose. Luralighter was third, several lengths behind.

Veterano Scored an Easy Win.
SAN FRANCISCO, April 21.—Veterano scored an easy victory in the mile handicap, which was the feature of the card at Oakland. Gateway was a heavily played favorite for the event. Veterano showed in front after passing the half mile pole and, drawing away, won from Horton and Crisscross. J. Lewis, who rode Horton, claimed Veterano fouled him on the back stretch, but the judges refused to allow the claim.

Thought It Rained Sugar.
ST. LOUIS, April 21.—The heavy fall of snow in St. Louis is not causing any suffering among the Filipinos at the world's fair ground's reservations. As soon as the Filipinos saw the snow they called it "sugar" and rushed into it despite the cold. They were soon sent back into their quarters and locked indoors to prevent them from contracting pneumonia. Stoves and warm clothing have been supplied to them as well as the members of all the other different tribes who are accustomed to warm climates.

Worst Storm of the Year.
LYONS, N. Y., April 21.—The storm which has been raging here and still continues is the worst of the year. The high wind has caused the six inches of snow to drift, blocking the roads, stopping the rural mail and hindering railroad traffic. Docks, cottages and boat-houses along Lake Ontario have been damaged, especially at Sodus Bay, where the government pier has been partly washed away. The water in Sodus bay is the highest known.

Strikers Won at Milford.
WORCESTER, Mass., April 21.—The backbone of the granite cutters' strike in Milford, which has been on since April 1, was broken when T. M. Perry & Sons, who have signed the scale demanded by the strikers, put sixty men to work. The stonecutters believe it will be but a short time now until all the manufacturers will yield.

Groff-Wadsworth Wedding.
ALBANY, N. Y., April 21.—Miss Lillian Wadsworth of this city, daughter of Paul Wadsworth, general freight agent of the Delaware and Hudson Railroad company, was married here to William Morgan Groff of Philadelphia. The wedding was a brilliant social occasion.

SPORTING NEWS.

DIAMOND DUST.

The Bryant A. O. yesterday defeated the Lincoln A. O. by a score of 17 to 16.

The baseball game scheduled for yesterday afternoon between Leal's School and the High School was postponed to next Wednesday afternoon. It will be the first game of a series of three.

Providing the weather moderates a few degrees it is likely that a number of baseball cranks from this city will journey to Westfield on Saturday to witness the opening of the baseball season there.

Two weeks from Saturday the Allis Club will open the season here with the Aeolian team of Garwood. The latter team has already played several games and the players are in the best of condition.

The Whistler School nine will play the High School scrubs on Hope Common tomorrow afternoon at 3 o'clock in the first game of the boys' league. The Y. M. C. A. junior team will practice at the same time.

Among the improvements planned for Crescent Oval during the baseball season of the Allis Club, will be additional bleachers and grandstand seats. There will also be a gang used for starting the games and the lower

part of the field will be filled in and graded to make it even.

Griffin, who will be change pitcher for the Allis baseball team this season, pitched for the Pearsall A. O. last Sunday, against the All-Hoboken, and shut the latter team out, the score being 19 to 0. Griffin struck out seven men, made one hit and had one assist. It is claimed that he is much stronger this year than last.

STRIKES AND SPARES.

Although several contestants in the Y. M. C. A. bowling tournament have still two or three games to roll, the present scores indicate Maurice Sutphen as the probable winner of the silver championship medal. Whitley and Menzenbach are fighting it out for second place and both have averages high enough to keep Sutphen on the anxious seat until they finish. There will be practice play among the members of the association team Monday night in anticipation of two games arranged with Allis and possibly Fanwood Suburbans and one other team. Last night's scores in the association tournament resulted in these averages: Whitley, 168 1-3; Egan, 130 1/2; Spioer, 139 1-3; Schomp, 128 2-3; Menzenbach, 124 1/2.

TENNIS.

The Cedar Brook Tennis Club is preparing for a very active season and several important team matches are under consideration. These officers have been elected: President, J. Hervey Deane; vice president and chairman tennis committee, Lucius Koons; secretary and treasurer, Vincent B. Miner. As soon as the weather will permit the club courts will be put in condition for play.

ROD AND GUN.

Fred Sanford has returned from a successful hunting trip.

MRS. SCHEURLEIN BURIED.

Rev. Dr. Love Officiated at the funeral services.

The funeral services of Mrs. Emma Scheurlein were held from the late home on Elm place, yesterday afternoon at 3 o'clock. Rev. Dr. Love, a retired minister, was in charge. There were a number of floral tributes, including a wreath from the employees of Woodhull & Martin, a bunch of flowers from the firm and another bunch from the firm of Shirley & Johnston, by whom some of the dead woman were employed. The interment was in Hillside cemetery and the bearers were W. H. Drake, James Miles, W. W. Coriell and Louis Willett, all members of the G. A. R.

Priests Speak at Entertainment Held in K. of C. Hall.

The Ancient Order of Hibernians celebrated its first meeting in the Knights of Columbus Hall last night by an elaborate entertainment and supper. The Ladies' Auxiliary of the A. O. H. assisted in the arrangements. Among those who spoke were Rev. Father Clifford, Rev. Father Miller, Rev. Father Egan.

Presbytery Meets.

Nicholas Kovitz, of this city, was taken under the care of the Elizabeth Presbytery yesterday to do work among the Hungarians. A call was extended to Rev. William Casselberry from the Presbyterian church at Danellen and Mr. Casselberry and E. A. Lake were appointed a committee on installation. Rev. John Sheridan Zelle, of the Crescent Avenue church, of this city, presided at the session, which was held in Elizabeth yesterday, and was elected moderator of the Presbytery.

Team Shoot.

The deciding shoot between the ten teams of Co. K, of this city, and Co. I, First Regiment, of Newark, will be held at the Newark armory Saturday night. Each team has won one match and the third will practically decide the championship of North Jersey.

Lewis Goes to Jail.

Henry Lewis, of this city, who recently pleaded not guilty to the larceny of \$60, retracted his former plea in the Court of Special Sessions at Elizabeth yesterday and pleaded non vult. Lewis was sentenced to thirty days in jail.

State Board to Meet.

The State Board of Taxation will meet in Somerville tomorrow to instruct the county assessors and collectors in the new law. Dr. Ooley and George F. Brown, of the borough, will be present at the meeting.

Talk of Mid-Week Games.

Believing that the venture will be profitable, the management of the Aeolian Baseball Club is planning to play a series of Wednesday games on Crescent Oval.

Arbor Day Exercises.

Arbor Day will be observed by the borough schools tomorrow. At noon the High School will hold exercises, under the direction of Miss Myrtle Montague.

Simmons "Octoroons" will provide an excellent entertainment at the T. A. B. Hall tonight for the benefit of the West End Field Club baseball nine. A unique and attractive programme will be presented.

NO SUNDAY BALL.

President Brush Says Polo Grounds Will Not Be Open Sunday.

NEW YORK, April 21.—No Sunday baseball will be played on the Polo grounds next Sunday or on the Sunday following is the positive announcement made by President John T. Brush of the New York Nationals. The management of the Giants, as this decision indicates, purposes to proceed slowly and to feel the public pulse on the question before a final decision is made.

The public pulse, according to the Rev. Dr. Frederick J. Stanley, general secretary of the American Sabbath union, is beating strongly against Sunday ball. It will be made to pulsate with further strength by the combined efforts of the Sabbath union and the clergymen throughout the state. Dr. Stanley said:

"The sentiment of those who believe in the sanctity of the Sabbath is crystallizing rapidly all over the state, and the feeling is strong against Sunday baseball in other sections as well as in this city. Yesterday I visited the North River presbytery and the Hudson presbytery, whose meetings were held in Matteawan and Haverstraw respectively, and I found that they were talking about and very decidedly against Sunday baseball."

"The American Sabbath union will co-operate with the state and city organizations in the fight against it, and the fight will not stop until Sunday baseball is eliminated. All of the active work, including the prosecutions which will be brought, will be handled by the local organization, the New York Sabbath committee."

Two ticket sellers and three players who were arrested at Ridgewood on Sunday last by the police of New-town precinct were arraigned before Magistrate Connorton. The magistrate reserved his decision until Tuesday next and paroled the prisoners in the custody of their counsel.

Vermont Republican Convention.

BURLINGTON, Vt., April 21.—The Republicans of Vermont, through their state convention held in this city, elected four delegates to the national convention at Chicago and instructed them to vote for the nomination of President Roosevelt. Three of the national delegates—United States Senator W. P. Dillingham, Dr. W. Seward Webb of Shelburne and E. M. Turner of St. Johnsbury—were chosen without a contest. For fourth place M. S. Bingham of Bennington defeated George M. Powers of Morrisville by a vote of 305 to 211. The platform adopted strongly indorsed the administration. The orator of the day was Senator J. B. Foraker of Ohio, who, speaking for nearly an hour, reviewed the leading issues and said that the party would continue "to stand pat" on all the fundamental principles.
