

LOSES ITS CLAIM BY PROGRASTINATION

International Silver Company
Falls in Its Equity Suit
Against Rogers Corporation.

COURT REFUSES ORDER THE ATTEMPT TO OBTAIN AN AC- COUNTING.

Action Brought to Obtain Schedule
of All Goods Manufactured by
Local Concern Bearing the
Name "Rogers."

Vice-Chancellor Stevens filed an opinion in the Court of Chancery at Trenton yesterday in the accounting suit brought by the International Silver Company against the William H. Rogers corporation, of this city.

In his opinion the vice-chancellor refuses to grant an order for an accounting and says "it should not be permitted to stand by, knowing that defendant is devoting its money and efforts to build up a business, wait until after he has made profits and then come in and demand them as its own."

In conclusion, the vice-chancellor says: "Under all the circumstances of the case I think the complainant has been guilty of laches as to disentitle it to an account."

The action was brought by the International Silver Company to compel the William H. Rogers corporation to render a full account of all goods manufactured by the latter corporation with the trademark "Rogers," the Court of Chancery having recently issued an injunction against the William H. Rogers corporation restraining them from using the trademark "Rogers."

University.

The first scholarship pays the tuition for four years in the College of Arts and Sciences and the second pays the tuition for one year in the College of Applied Science. An honor scholarship similar to the above was awarded last year to Norman C. Hill, class of 1903, High School.

WIFE ACCUSES MINISTER.

Says Elizabeth Pastor Tried to
Suffocate Her.

The Greystone Presbyterian church, of Elizabeth, will probably lose its pastor, the Rev. Dr. George Buckle, who preached in this city two weeks ago, when the Presbyterian meets. His wife has made charges to many persons that her husband on Tuesday, after he had performed the wedding ceremony of their daughter, attempted to kill her. She says her husband, pretending to put a towel on her head to relieve wakefulness, tried to suffocate her. She tried to have Judge Mahon take a formal complaint Wednesday, but he refused then and yesterday morning, and Mrs. Buckle's counsel says that there is now no chance of a warrant being issued for the arrest of the minister.

It is, however, believed by many that these charges are the result of imagination. Mrs. Buckle is subject to nervous attacks, and has been treated at the Morris Plains State Hospital as suspected of insanity. She was found to be sane. She was under treatment for nervous disorder at the Elizabeth General Hospital for a month last winter. Mrs. Buckle says she will not obtain a divorce from her husband. Elder Smith yesterday refused to discuss the affair, beyond saying that there would be services in the church on Sunday, and that Mr. Buckle would not be there.

Davis Signs With Allie.
"Lefty" Davis, a pitcher for the Scotch Plains baseball team during the past two seasons, has been signed by Manger Johnston, of the Allie Club, for the coming season. He will take the place of McLane, of last year's Peaskill team, who with Murray, of the same team, was scheduled as the battery. Davis did fine work for the "Plains team and proved one of the strongest twirlers against Allie, as well as Westfield, last year.

CEDARGROFT IS DEFEATED

LEAL'S SCHOOL WINS FIRST IN INTER-
SCHOLASTIC GAME.

The first baseball game for the inter-scholastic championship of the city was played yesterday afternoon on Crescent Oval between Leal's School and the Cedargroft School. Leal's team was victorious by the large score of 13 to 2, which was due to the many errors made by the opposing side and their weakness at the bat. The features of the game were the pitching of Owens, of Cedargroft and the battery work of S. Haughey and J. Haughey and the batting of Abbott, of Leal's School. Thirteen errors were charged to Cedargroft, while their opponents only made three.

This is the score by innings:
Leal's School... 0 2 3 2 0 1 3 x—13
Cedargroft... 0 0 0 1 0 0 0 1—2

Edmund Skiff, tenor; Mr. Hayan, monologist. The Holy Cross choir sang and Miss May V. Whitney was accompanist. The musicale was under the direction of J. Edmund Skiff.

ANNUAL MEETING OF FRESH AIR HOME

George E. Hall is Elected
General Manager, Succeed-
ing L. H. Biglow, Jr.

REPORTS ARE GIVEN CHILDREN ENTERTAIN WITH SONGS AND RECITATIONS.

Miss Curry, Matron, Tells of Good
Work—Report of Secretary Indi-
cates Flourishing Condition—
Home Will Open in July.

Miss Sara Curry, accompanied by a number of little tots from the Little Missionary's Day Nursery, New York, presented a strong object lesson at the annual meeting of the Mary Morgan Fresh Air Home held in Trinity Reformed church, last night, of what is being done in the metropolis for these children. Some of these children were at the fresh air home last season and the improvement in their condition was marked.

L. H. Biglow, Jr., as general manager for the home, presided at the meeting which was given up to the reading of reports, election of officers and singing and recitations by the New York children. There was a large number of young people present, representing the various societies in the local churches and the worthy enterprise received a substantial boom for the coming season.

During the early part of the meeting the children entertained by singing hymns and giving recitations and their ability was the occasion for favorable comment and much applause.

In addition to remark by Mr. Biglow, Miss Curry spoke briefly of her work, eliciting the unanimous sympathy and support. She related many touching incidents. The Home opened July 1, last year and it is proposed to fix that date for this year's opening, at which time Miss Curry will come to Plainfield with her family of children and mothers.

Miss Florence G. Hawkins, the secretary last year, presented a most carefully prepared report of interesting character covering every department of the work. It showed that the home opened on July 3, 1903 and that during the season from that date to September 14, there were entertained 1,138 children and 261 mothers. There were served 45,095 regular meals and 319 meals to visitors. There was a balance on hand at last report of \$250 and these were the receipts: Churches, Sunday-schools, Christian Endeavor Societies, Epworth Leagues and other organizations, \$222.88; Hotel Netherwood, \$352.56; individuals, \$910.92; children's lawn party, \$63; collections at Sunday afternoon meetings, \$125.73; check returned to Miss Curry, \$350; interest on check, \$7.45, total, \$2,181.68. The disbursements were \$1,797.59, leaving a balance of \$384.09.

Special mention was made of the assistance rendered by Mrs. F. T. Ostrom, chairman of the house committee; George E. Hall, Mrs. D. J. Boice, for a loan of land, the trolley company for free trolley rides, W. W. Warnock for ice cream, Park Avenue Baptist church for excursion, Dr. Albert Love and N. W. Currie, who made 114 visits to the home and examined 787 cases, George A. Chapman, who raised over \$600 for the home; J. Wesley Johnson for silverware; Mrs. D. M. Runyon for assistance and Miss Sara Curry, matron, for her great devotion to the work.

These officers were chosen for the coming year: General manager, George E. Hall; secretary, Miss Ella O. Benedict; treasurer and chairman of the house committee, Mrs. D. M. Runyon; chairman finance committee, George A. Chapman; chairman of the entertainment committee, Phillip Saffers; chairman of the devotional committee, Miss Florence G. Hawkins.

Following the meeting there was a social time and refreshments were served by the young people interested in the work. During the social hour all became better acquainted with Miss Curry and the band of children brought by her from New York.

Building Improvement.
The Darling house located on Woodland avenue, at one time talked of as an orphanage and home for colored girls, is to be torn down and in its place will be built a more pretentious residence by the new owner of the property.

Mrs. Krotzley, of Stirling, has returned home after visiting her daughter, Mrs. Edward Haver, of East Front street.

OH, THAT MOTHER-IN-LAW

SHE HALES CHARLES ANANASON TO
THE COURT ROOM.

Because he struck his mother-in-law and his wife left him, Charles Ananason, of South Stelton, was forced to rehearse his troubles before Judge Sobenok, of Somerville, yesterday and today. He was defendant in a suit brought by his mother-in-law, Mrs. Katharine Woerner, who brought action for slander as well as in tort. The dispute between the two arose over some furniture which the father-in-law alleged the defendant had bought of him without making payment. William Newcorn, Esq., represented the mother-in-law. The case went to the jury at noon today.

NO SYMBOLS ON U. S. FLAG

JERSEY G. A. R. NOTIFIED TO REMOVE
NAMES FROM STARS AND STRIPES.

Grand Army posts may no longer place on the American flag their names, post numbers or other symbols of any kind. This is the substance of section 15 of general orders No. 8 from department headquarters, a copy of which has just been received by Winfield Scott Post No. 73, of this city.

The notification is based on a law passed by the recent legislature, concerning which Attorney General Robert H. McCarter has written the following letter:

"L. H. Bridgman, assistant adjutant general, Department of New Jersey G. A. R.
"Dear Sir—I have examined chapter 16 of the laws of 1904, being a supplement to the crime act, which makes the mutilation or use of the flag for advertising or other purposes a misdemeanor. My opinion is that this law does prohibit the placing the names, post numbers and other symbols of any kind upon the national flag by Grand Army posts.

Very truly yours,
"Robert H. McCarter,
"Attorney General."

This news has caused a great deal of surprise and considerable expense will be caused by making the changes necessitated by the law.

RECEPTION TO BISHOP.

Priests of Diocese to Welcome Pre-
late's Return From Rome.

Invitations were given yesterday afternoon at the quarterly conference of priests of the Roman Catholic diocese of Newark, which was held in the cathedral there, to all the clergymen to attend a reception to Bishop John J. O'Connor on his arrival home from Europe a week from next Wednesday.

He sailed today on the steamer Princess Irene from Naples with the Rt. Rev. Monsignor John A. Stafford, president of Seton Hall College, and formerly pastor of St. Mary's church here, and the Rev. Eugene P. Carroll, of St. Bridget's church, Newark, who have been his companions during the trip.

The vicar-general, the Rt. Rev. Monsignor John A. Sheppard, of Jersey City, who presided at the conference yesterday, announces that a boat will be engaged to carry all the priests who desire to go down the New York Bay to meet the steamer on which the bishop is returning and to carry him to Jersey City.

FIRE AT ARENS ESTATE.

Steamer Called to Put Out Flames
in Cord Wood Pile.

Piles of cord wood about the stables of Otto Arend, 1053 Railway road, caught fire early this morning from burning brush, ignited from a fire in the woods near by. The wood was situated near a stable containing two gasoline barrels and had the blaze reached this or any other of the buildings a dangerous fire could not have been averted. The double-five alarm was sounded at 1:30 o'clock and the steamer and hose were sent out. A pond on the estate gave the firemen their means of fighting the flames, and after two hours' work they succeeded in extinguishing the last spark.

S. M. TILL BURIED.

Funeral services for Samuel M. Till were held yesterday afternoon from the late residence, 525 West Fourth street. Rev. F. D. Tildon, of Bethel chapel, officiated and was assisted by Rev. J. B. Smith. The interment was in Hillside Cemetery.

SCHOOL CHILDREN OBSERVE ARBOR DAY

Exercises Held in All Depart-
ments in the City and
Borough.

NATURE STUDY LECTURE

C. B. SCOTT ADDRESSES THE STILL-
MAN SCHOOL PUPILS.

An interesting programme of the
Borough Primary Totals—No
Trees Planted by the
Little Ones.

In recognition of Arbor Day, an address by Charles B. Scott was delivered before the pupils of the High School this morning. Mr. Scott is a specialist in nature studies, and for seven years has had supervision of the nature science department in the Minneapolis schools. He is now engaged in lecturing before the teachers of schools in this city, East Orange and elsewhere. His talk this morning was an inspiration to the study of trees and birds, and was most cordially received by his auditor.

Exercises appropriate to the day were held in the other city schools, but in no instance was there any tree planting. This was unnecessary as the various school yards are well provided with shade. At the Bryant School there was a programme of recitations by Rufus Tildon, Richard Montgomery, readings by Anna Johnston, a story by Effie Beekman, recitations by the fourth and sixth grades, singing by the second grade and songs by the school.

At the Irving School a very informal programme of class recitations and songs was given and similar exercises were held at the Lincoln and Washington Schools.

Pretty exercises were held in all departments of the borough schools this afternoon to mark the observance of Arbor Day. Mothers and friends of pupils attended in large numbers.

Especially interesting exercises were presented by the primary department. The following took part:

Loretta Feller, Raymond Kluner, Roy Love, Edward Dille, Mulford Darling, Ernestine Waldron, Mattie DeCamp, Mattie Smith, Chaucer Stewart, Ella Porter, Donie Reupert, Elmer French, Bernice McIlintock, Rose Andrews, Raymond Hoagland, Edna Green, Hilda Story, Marion Doughty, Louis VanZandt, Marcus Schmeier, Charles Becklan.

The High School exercises were held at noon, the others at 2:30 o'clock.

The house was prettily decorated in red and green.

Mrs. Johnson's Funeral.

Cumberley, of the Baptist church, South Plainfield, was in charge of the services. The bearers were William J. Nelson, Jeremiah TenEyck, Thomas Brantingham and Mr. Teeple. IDEAL CASH REGISTER COMPANY IN
CHANCERY COURT.

Vice-Chancellor Bergen, on application of R. Z. Pierce, of Buffalo, yesterday appointed Armstrong Mulford, of this city, temporary receiver for the Ideal Cash Register Company, of East Bound Brook. Pierce claims to own 7,885 shares of the company's stock, and says the concern is indebted to him to the extent of \$156,000 and to the World's Dispensary Medical Association, of Buffalo, to an amount exceeding \$300,000.

A rule to show cause why the receiver should not be made permanent was made returnable at Newark on May 3. When questioned today regarding the matter, Mr. Mulford expressed some surprise. He had no knowledge of his appointment.

MRS. J. P. LAIRE IS DEAD

RELIEVED FROM YEARS OF SUFFERING
EARLY THIS MORNING.

Following years of suffering from a complication of diseases, which was borne with Christlike patience and fortitude, Mrs. J. P. Laire, of 169 Crescent avenue, passed to her reward at 6:30 this morning. While Mrs. Laire had been a sufferer for several years, it was only during the past four weeks that her condition was such as to cause alarm. During that time she failed rapidly and the end was only a question of a short time.

Mrs. Laire possessed a fine Christian character and she was thoroughly devoted to the work of her Heavenly Master. She was a member of Trinity Reformed church. In the home she was a kind and loving wife and mother and those who came in her presence were always impressed with her exemplary Christian life.

Mrs. Laire was Miss Anna Creveling, of Annandale. She is survived by a husband, J. P. Laire, of the H. E. Gayle Hardware Company, and one daughter, Miss Cora Laire.

Funeral services will be held at her late home on Monday morning at 8:45 o'clock, and at the Annandale Reformed church, Annandale, N. J., at 11 o'clock. Mrs. Laire was forty-nine years old.

NEW CENTURY TRIO WINNERS

Y. M. C. A. BASEBALL BENEFIT PROVES
TO BE A SUCCESSFUL AFFAIR.

Even more entertaining than when the first appeared in the Y. M. C. A. Hall, the New Century trio kept a large audience interested throughout their excellent performance last night. The affair was arranged for the benefit of the association baseball team which will receive a good start on its season's work from the proceeds obtained.

Mrs. Nettie Moore-Chain opened the programme with a soprano solo, "Sing On," by Dezza. She had a remarkably sweet voice and her rendering was charming. Miss Jeannette T. Broomell, one of the most skillful of child impersonators, in her reading of Mrs. F. H. Burnett's pretty story, "Edith's Burglar," gave one of the most pleasing numbers of the entertainment. She was heartily encored.

Miss Helen B. Reed was clever in two bary solos, a march, "Fantasia," and a selected number. Mrs. Moore-Chain sang two more solos delightfully, "Haste Thee, Sweet," by Harlin, and "Eventide," by Blumenthal, the latter making an effective closing selection. Miss Broomell gave some original readings and an anonymous selection, "A Naughty Little Girl," which appealed strongly to the audience.

INTERIOR PLANS OF NURSES' HOME

Description of the Structure
to be Erected in Connection
With Muhlenberg Hospital.

TWENTY-SEVEN ROOMS

BIG DORMITORY FOR THE USE OF THE
NIGHT STAFF.

A Lecture Room on First Floor—
Four Bath Rooms—Two
Parlors, Also a Wide
Hallway.

Inside and out, the proposed Nurses' Home to be erected on the hospital grounds at Randolph road and Park avenue, will be one of the handsomest structures of its kind in the State. Everts Tracy, the architect, has given the designing of the building a good deal of careful attention and the result will add noticeably to the beauty of the hospital group and the architecture of the city.

In general design the building will be colonial.

Big white pillars will rise before the front of the Home, and two spacious verandas will add to the air of comfort and roominess. A pretty balcony will tone the rear view. The building will be two stories high.

Twenty-seven sleeping rooms in all, besides a large dormitory, are arranged for. There will be a big lecture room, two parlors and a supper room, and four bathrooms.

On the first floor will be the lecture room, 13x25; the two parlors, one 13x19 and the other 8x13; four double rooms and four single rooms, and the supper room. The single rooms will measure 8x13 and the double rooms 13x10. The supper room will be 8x13. Two of the bathrooms will be on this floor.

Upstairs there will be the dormitory, 13x25; two bathrooms, four double and nine single rooms. A wide hall will run the entire length of each floor, in colonial style.

The dormitory is for the use of the night staff. It is situated so as to receive little or no noise from the other parts of the building, affording the necessary quiet for the resting nurses. The double rooms are arranged for the possibilities of future growth.

An increase in the nurses' staff is expected as soon as the new home is completed. At present there are thirteen nurses on the force; two more at least will be added, and if the present rate of increase in work at the hospital continues more additions will be necessary as time goes on.

The present force is made up of three nurses in the head class; four in the senior class; four in the intermediate and two juniors. Miss Wilkey is the head of the staff.

Taming of the Shrew.

There is one scene in "The Taming of the Shrew" which is never given at the rehearsals for the charity production at the Casino that it does not call forth a laugh from the members of the cast. This play is the broadest of Shakespeare's comedies and abounds in these delightfully humorous situations. In this one in particular, however, Shakespeare's efforts with the pen are ably seconded by Laurens H. VanBuren as "Gratiano," the servant of "Petruchio."

—Lucius Ryce and family, of Webster place, are now stopping at Trull Court.

—Detective George Totten, of Somerville, was in town yesterday attending to several business matters.

—John J. McNulty, of this city, was sentenced to ten days in the county jail by Judge Vall in the Court of Special Sessions at Elizabeth on Wednesday. He was charged with the theft of a bicycle.

AMONG MEN IN THE SHOPS

SEEN AND HEARD IN PLAINFIELD'S INDUSTRIAL PLANTS.

Fred Hand, of East Second street, is riding a new Bicycle racer, which he purchased from Harry K. Lister.

Edward Harding, boss painter at the Pond Machine Tool Company's plant, is confined to his home by illness.

Work is still lack in the foundry of the Pond Machine Tool Company's plant, about one half of the regular force is employed there at present.

Joe Longhead, formerly manager of the Plainfield Tool and Equipment Company, has purchased a machine shop, located on Regent street, North Plainfield.

Adam Alston, of Brooklyn, N. Y., has taken up his residence in the borough. Mr. Alston will take charge of the needle department at the Standard Surgical Instrument Company's plant on East Fourth street.

A general demand for a nine-hour workday and the union scale of wages is being made by forty thousand clothing workers in Greater New York, and a general strike will be ordered to enforce the demands in the event of refusal.

The striking coal miners at Garret, Pa., are reported to have taken possession of the town. Armed men are said to be patrolling the streets, and a mob armed with rifles and shotguns, are surrounding the works of the Garret Coal Company. An outbreak is momentarily expected between the strikers and the miners in the company's barriade.

SNAP SHOTS.

SIDE LIGHTS ON TIMELY TOPICS NOTED IN PASSING.

Although the Common Council cannot at present see its way clear to adopt the municipal collection of garbage, as proposed by the Board of Health, it has been thought wise for the city to purchase the crematory plant on DeKalb avenue, recently bought by Former Councilman J. F. Buckle. In view of the value of the plant and the low price at which it can be secured, \$2,000, it is likely that the Council may arrange to buy the same from Mr. Buckle.

AMUSEMENTS.

The Wednesday matinee at Wallack's Theatre, New York, are designed for the special accommodation of suburban patrons who find it inconvenient to patronize the evening performances of "The County Chairman." An additional advantageous feature of these mid-week afternoon representations of George Ade's immensely directing comedy is the fact that the prices are very materially reduced from the schedule in operation at night. It has been running along without the slightest break in its large prosperity since November, and it is a fact significant of its high quality as an entertainment that its first New York audience was the smallest in its entire record at Wallack's.

"The Other Girl," which holds the record for success of all of Augustus Thomas' plays ever presented in the city, is now moving along triumphantly at the New Empire Theatre, New York city, towards the 150th performance. It is drawing capacity audiences and it will probably reach the end of its season at this house with this record of big business still the same. The fun is entirely New York, of a sort which the theatre-goers of the Metropolis readily appreciate and thoroughly understand. The setting of the piece is of a very high standard as Charles Frohman has put into it a remarkable cast which includes the great comedy sextette, Lionel Barrymore, Joseph Whellock, Jr., Richard Bennett, Frank Worthing, and Elsie and Drina De Wolfe.

Big Advertising Firm.

The firm of N. W. Ayer & Son, of Philadelphia, the largest advertising agency in the United States, has celebrated the thirty-fifth anniversary of a business whose success and growth can be measured only by the progress of advertising itself in this country. They started, fathers and sons, in a room only twenty feet square, on Sanson street, near Seventh, near the present "Press" building, on April 1, 1869. Their capital was \$250, and, as N. W. Ayer, the present head of the firm, laughingly said yesterday: "Father was the head, I was the office boy, and we were equal partners." With this capital the firm proceeded to develop newspaper advertising, and in the first year did a business of \$15,000. In the thirty-four years since they have furnished to the newspapers of the United States a total of more than \$35,000,000 of advertising. Today they are dealing with 18,000 publications and they payments to these average \$10,000 a day, or, roughly speaking, \$3,600,000 a year.

A RIOT AT DENVER

President Moyer Before Supreme Court.

MINERS' SECRETARY ROUGHLY USED

Haywood Struck Captain Welles and Was Arrested and Beaten Into Submission by Troopers—Governor Ordered Release.

DENVER, April 22.—President Charles H. Moyer of the Western Federation of Miners, who has arrived in Denver in custody of state troops after several weeks' incarceration at Telluride, where martial law is in force in consequence of labor troubles, was taken before the state supreme court under the writ of habeas corpus which had been issued in his case. At the Oxford hotel he entered a hack with General Sherman M. Bell and Captain Bulkeley Welles, the respondents to the writ, and the vehicle was driven rapidly to the statehouse, followed by thirty-two armed soldiers, who guarded the entrances to the courtroom while the habeas corpus proceedings were in progress.

General Bell's answer, in which he represented that all acts of the other respondent, Captain Welles, were performed under command of his superior officer (Bell), declared that Moyer was an active participant in fomenting and keeping alive the insurrection and rebellion in San Miguel county and that, it was necessary to restrain him for some time to come. Bell further represented that he has been ordered by the governor not to release Moyer either upon writ of habeas corpus or otherwise until so commanded by the governor.

The court heard arguments on a motion of the petitioner to be admitted to bail pending a decision on the question of the court's jurisdiction and took the matter under advisement.

Mr. Moyer was then removed to the hotel in custody of the military.

Defying the detachment of cavalry which brought Moyer to appear before the supreme court, W. D. Haywood, secretary-treasurer of the federation, attempted to hold a conversation with the prisoner while he was being taken from the train at the Union depot. Offered to stand back by Captain Bulkeley Welles, commanding the guard, he struck the officer in the face. In a second he was surrounded by a cordon of angry troopers, who struck at him with the butts of their carbines and beat him with six shooters. That he was not killed by the excited soldiers is due to the action of Bert Givens, the orderly of Captain Welles, who struck up the muzzle of a gun aimed at Haywood and rescued him from his position between two cars where the guardsmen had him cornered.

Placed under arrest, he was put in the middle of a hollow square of militiamen and marched to the Oxford hotel near the depot. Here he again showed fight and was beaten into submission. His injuries consist of a deep cut on the left side of the head and one on the right side of the head which almost severed the lower lobe of his right ear.

When a demand was made by Police Captain Frank Lee for the release of Haywood on the ground that the military rule did not extend to Denver, General Bell replied that he intended to hold Haywood as a military prisoner and would shoot any one who attempted to take him, but nevertheless, under orders from Governor Peabody, Haywood was surrendered to Sheriff Armstrong and placed in the county jail.

A telegram was sent to D. C. Copley, a member of the executive board of the Western Federation of Miners, who is in Kansas, requesting him to come to Denver immediately and take charge at federation headquarters.

Toronto Fire Broke Out Again.

TORONTO, April 22.—Fire broke out last night in the premises of Phillips & Wirlich, wholesale small wares, on Wellington street, at the west end of the burned district. A general alarm was sounded, and for a time there was intense excitement. The building was entirely gutted, involving several thousand dollars' loss. Work was actively commenced at clearing away the debris that partially blocks the streets, so that building operations may be begun with the least possible loss of time.

Serious Work on New York "L."

NEW YORK, April 22.—Several persons were injured here, four of them seriously, in a collision between two northbound Third avenue elevated trains at the One Hundred and Twenty-ninth street station. The station platform was torn up for a distance of ten yards, and the rear car of the forward train and the first car of the rear train were badly wrecked.

The Daily Press has a higher circulation rating than is accorded to any other paper in Plainfield.—Printers' Ink.

Plainfield, N. J., April 22, 1904.

The Star Spangled Banner may or may not be our National anthem, but Peace and Prosperity is surely our motto.

About time for some one to come forward and claim that he was the first man to mention Parker for the Presidency. It might avoid endless newspaper discussion sometime in the future.

A colored girl in Paterson mixed her sister's tobacco with carbolic acid to break her of the habit of chewing the weed. Carbolic is a pretty good remedy to kill any bad habit provided the dose is large enough.

Senator Wakelee will be Acting Governor of New Jersey tomorrow. Come to think of it, Governor Murphy's trip abroad in search of health will no doubt prove beneficial and it is hoped that he will make an extended tour.

Some men are attempting to insert advertisements in daily newspapers offering positions to "bright, active young girls to fill positions as waitresses at St. Louis during the Exposition." No young woman who values her honor should be misled and trapped by the alluring statement that it is "a good chance for bright girls to earn big wages and see the Exposition."

Judging from the situation in Nebraska, W. J. Bryan will undoubtedly control his own vote on election day. A close scrutiny of the returns in Presidential contests, reveals the fact that a single ballot never did decide a National campaign, and it might be just as well to go ahead and nominate the choice of the Democratic party. For President, Alton B. Parker, New York.

Q.—When is it wise to "slow up" in advertising? A.—It is advisable to slow up in advertising on the day that you discover that your business is too big; that you must do something to stop its growth.

Q.—When is the right time of year to increase the advertising appropriation? A.—The right time to increase the advertising appropriation is the day you conclude that you can handle more business and that you can grow accustomed to a larger bank balance.—Ex.

Able to Walk Again.
Wilson S. Frederick, of Dunellen, a victim of the Westfield wreck, is now able to get about his home with the aid of crutches. His general condition is much improved and he expects to go out of doors within a short time.

—The Pennsylvania Railroad system will have a large and most interesting exhibit at the St. Louis World's Fair. The varied features of its progress will be exemplified in a 33,000 square foot section in the transportation building by a locomotive testing plant, for the erection of which the company has made an appropriation of \$100,000.

—Roland Randolph, the well known baritone of Newark, will sing three solos at the Y. M. C. A. meeting on Sunday afternoon at 4 o'clock. He is musical director of the Roseville M. E. church where they have the largest Epworth League in the world. He had charge of the music at the Peddie Memorial church in Newark during the recent evangelistic services.

IN THE CHRISTIAN FIELD

WORK IN THE CHURCHES OF THE CITY AND BOROUGH.

Under the auspices of the Men's Assembly, of Grace M. E. church, Rev. E. E. Robinson will deliver a lecture on "An Indolent Keeper of a Royal Palace" tonight.

The Men's Association, of Trinity Reformed church, will be the guest of the Young Men's Brotherhood, of the First M. E. church, at the meeting of the latter in Vincent chapel, tonight.

Miss Mabel Jamison, formerly of Dunellen, but now of Basking Ridge, has resigned her position as soprano soloist in the choir of the M. E. church at Rahway. She held this position for several years.

On account of the meeting of the Mary Morgan Fresh Air Home at Trinity Reformed church, last night, the Willing Workers, of Trinity Reformed church, postponed their meeting until Thursday night, April 28. It will be held at the home of R. V. Kinney, of Somerset street.

The committee of the "Woman's Guild on Local Charities, of the Church of the Holy Cross, has organized with Mrs. J. H. Carman as chairman. There are eleven members of the committee and excellent work is being done. Meetings are held once a week in the parish house and more than ordinary interest is shown in the work.

The Church Improvement Fund at the Church of the Holy Cross is steadily increasing. The sum of \$380.04 received as the Easter offering will help materially in making needed improvements. The organ motor fund is also on the increase, there being \$127 now in the treasury. A few additional dollars will make it possible to purchase the motor.

The annual meeting of the Woman's Guild, of the Church of the Holy Cross, will be held in May, at which time these officers will be elected: Secretary, Miss Stevens; treasurer, Mrs. Samuel Townsend; executive board, Mrs. J. H. Carman, Mrs. J. O. Stevens, Mrs. Murray, Miss Davis, Mrs. W. M. Downey, Mrs. Hannigan and Mrs. Brown.

A colored man in Philadelphia requested his employer to release him so that he could go south.

"What do you want to go for, Lafayette?"

"Oss I've called to a church down dar."

"Called to a church? What are you going to be?"

"I've goin' to be sumfin. I dunno whedder I be de pasture, or de sextant or de vestreman, but I've goin' to be sumfin."—From Success.

POLITICAL NOTES.

A large and enthusiastic gathering of Democrats took place in Cranford Wednesday night in the Opera House building, and formed themselves into a permanent organization called the Cranford Democratic Club. Nearly one hundred were enrolled and much enthusiasm was shown. The following officers were unanimously elected: President, John Moody; treasurer, Charles S. Readle; secretary, Paul Abry. Committees and other officers will be chosen later.

In discussing the action of the Republican State Convention, to be held on May 10, Senator Kean said the other day that it was not expected that the delegation from New Jersey would be instructed for President Roosevelt. "It has not been the custom to instruct, except in the case of a 'favorite son,' which is perfectly proper. I have told the President and the Republican leaders that the administration of Mr. Roosevelt would undoubtedly be strongly endorsed, but there would be no definite instructions."

Miss Blank, of New York, is the guest of Mr. and Mrs. A. D. Edgar, of West Front street.

GRANDMOTHERS.

Better Be Dead Than Old and Dependent Among the Poor.

"Among the poorer classes of tenement dwellers it is almost impossible to find a grandmother in the home. She is no wanted in the majority of tenement homes. Once a woman has passed her ability to earn money she is cast out of the home. Pitiful indeed are the tales these grandmothers tell."

A lady, Mrs. Alexander Ewing, read a report on the subject of aged poor women before the charities organization of an eastern city, and it contained the above words. Old women, feeble in mind and body, come to Mrs. Ewing day after day with stories that would touch any heart capable of a kindly feeling for age and weakness. One poor old woman came to the lady weeping and said her son and her son's wife were both trying to drive her from their home, the only home she knew. The daughter-in-law, in the hope of forcing the old woman out, made her sleep in a bed with three little girls.

And all under the heavens that old woman knew was to go and tell some body about it and weep. She had no

THE SUPERFLUOUS GRANDMOTHER.

intelligence, no brains to speak of, no bodily strength left. All she ever had known in her best days was to do housework in a greasy, slatternly way and tend babies in the like untidy, inefficient manner. Now, just because she was old she expected her children to take care of her when they were struggling to get bread for their own families.

They do these things better among the Eskimos of the far north, where food is scarce. So soon as a grandmother or grandfather is too old to be a productive member of the community the aged one calmly permits himself or herself to be killed for the general good. The aged people look calmly forward to this as the inevitable and at the same time quite proper thing.

Civilization thinks it is kinder, but it is not. What to do with women who don't know any way to earn a living and think they are too old to learn is one of the most serious problems confronting charity workers. The world seems overflowing with old women whom nobody wants to have around because they are no good. There is not room enough for them either in public pauper houses or in the privately sustained homes for old women. It is an unpleasant truth that everybody wants to be rid of the tiresome, uncomely, aged females. Sympathy with a woman merely because she is old and inefficient? Not in our age of the world. Sympathy is with the strong, the capable and conquering.

Nothing now can be done for the superfluous, ugly old grandmothers whose children want to get rid of them. No miracle can be wrought on the minds of the selfish children. The only thing is to let them, too, grow old and meet the fate of their mother before them, as they will so sure as the sun ticks off the years on the dial of time. But among the young women, those not yet too old to help themselves—there is where a remedy can be applied. Not to get out of the state of helplessness and pauperism after one has got into it, but to keep out of it in the first place—there is where the remedy lies. Undoubtedly these useless pauper women in their younger days looked ahead to "being taken care of" by their husbands and children—that is, if they looked ahead at all, which is doubtful. Probably they just drifted along as a million young working women are doing today into marriage, slovenly, scanty housekeeping and great families of children. These old women had in their youth no grit, no foresight, no aspiration to do some worthy work in the best manner and so earn a living themselves.

My dear girls, nobody cares a brass pin for a woman's tears and whining, even when she is young. That is not the way to gain help. Help yourself, and all the world will join in and be on your side. Not a working girl in this land is so poor that she cannot save a little money. If she can do nothing else, she can get together a hundred or two dollars to pay for her admission into an old woman's home when she is a grandmother and her children turn her outdoors. And if a girl saves that much money let her never be foolish enough to part with it to any human being.

I know a woman who when she was past sixty started all of her life's business enterprise, and now she is getting \$4,000 a year from it. She was never too old to begin.

AMUSEMENTS.

Already the public is congratulating itself upon the fact that it is to have the Barnum & Bailey Greatest Show on Earth this season. The date has been positively set for Wednesday, May 4, and a great crowd as well as a great circus day are anticipated. Newark will be the only city in this vicinity where this greatest of all shows will exhibit this year, and naturally there is a great deal of local interest in the event. Inquiries at the ticket offices of the various transportation lines elicit the information that special cheap rate tickets to the show will be on sale circus day, and that large numbers of people in this locality will take advantage of the opportunity to see the big exhibition. They will go expecting to see a great performance as well as a splendid exposition of zoological and other displays, and, judging from the unanimous verdict of the newspapers in New York city and elsewhere, they will not be disappointed. The comments of the New York press the day after the annual opening at Madison Square Garden were laudatory in the extreme. The Sun declared: "It is the best show that ever struck this town." The Tribune called it "a living, breathing, acting, fairy book." The Press said that "adjectives fail and limp in describing the show." The Evening Telegram described it as "the most skillfully executed exhibition in all departments that circus history has ever recorded." And these are only a few of the applauding comments.

An Ideal Location

Rosedale and Linden Park Cemeteries

LARGEST IN THE STATE
LINDEN, N. J.

Beautiful and Accessible
2 Miles from Elizabeth, 7 Miles from Newark,
14 MILES FROM NEW YORK
On Main Line Pennsylvania Railroad

Why Lots in these Cemeteries commend themselves to Heads of Families and Investors

BECAUSE of the \$1,000,000 Trust Fund provided for by the Trustees in each Cemetery, the income from which will keep the properties perpetually beautiful at NO EXPENSE TO LOT OWNERS.

BECAUSE such a guarantee, not found in any other cemetery, assures lot owners that the grounds WILL BE MAINTAINED PERMANENTLY AS BEAUTIFUL PARKS AFTER THE INCOME FROM THE SALE OF LOTS HAS BEEN EXHAUSTED.

LOTS SHOULD BE PURCHASED NOW

BECAUSE MORE ADVANTAGES ARE OFFERED TO LOT BUYERS in a new Modern Park Cemetery than in those established many years ago, in most cases no provision made for perpetual care without extra expense to lot owners. THERE ARE A GREAT NUMBER OF IDEAL LOCATIONS TO SELECT FROM. PRICES OF LOTS ARE ALWAYS LOWER AND TERMS MORE ADVANTAGEOUS.

BECAUSE life is most uncertain and EVERY ONE SHOULD ANTICIPATE THE INEVITABLE BY MAKING A CHOICE NOW OF A FINAL RESTING PLACE.

LOTS WILL PROVE A GOOD INVESTMENT

BECAUSE they are sure to increase in value and can be purchased NOW at the INITIAL or LOWEST PRICE and upon the most ADVANTAGEOUS TERMS.

BECAUSE the properties are ACCESSIBLE TO 1,000,000 PEOPLE, and considering the RAPID GROWTH OF GREATER NEW YORK and its TRIBUTARY CITIES AND TOWNS, it is only a question of a SHORT TIME when LOTS in ROSEDALE and LINDEN PARK WILL BE EQUAL IN VALUE TO THOSE OF OUR MOST NOTED CEMETERIES.

FOR INFORMATION concerning lots in these beautiful Park Cemeteries, and FREE transportation to prospective lot buyers, apply at once to any LEADING UNDERTAKER or offices of the Association:

ABEEL FOUND GUILTY.

Young Lover of Miss Anderson Who Faded as J. Ogden Golet.

NEW YORK, April 22.—After deliberating less than an hour the jury in the case of James Nelson Abeel, the young man who made love to Miss Eleanor Anderson, posing as J. Ogden Golet, and afterward fled to Niagara Falls, Ont., and was arrested there, accused of forgery in the third degree, last night returned a verdict of guilty. The young man was remanded to the Tombs until Monday, when sentence will be passed and a motion made by his counsel for a new trial.

The maximum penalty for the offense is five years' imprisonment.

Captain Abeel, the aged father of the defendant, was not in court when the verdict was announced. A messenger was dispatched for him, but he arrived too late to say a parting word to his son, who had been hurried across the bridge of sighs to his cell in the Tombs.

Captain Abeel was deeply affected when he heard of the result, because he had, as did his counsel and scores of others, anticipated an acquittal. He waived aside all inquirers, saying: "I have nothing to say. Nothing whatever." Mr. Lynch of counsel said that he did not think the verdict would hold in the higher courts. "We will fight it out to the last ditch," he said grimly.

Fessenden Won About \$25,000.

NEW YORK, April 22.—One of the biggest killings in the east occurred in the first race at Aqueduct when W. C. Fessenden's Pass Book won at 15 to 1, having been backed down from 40 to 1. It is estimated that he won between \$25,000 and \$30,000. Pass Book broke in front, but Hilderbrand at once pulled back, and Ella Snyder went to the front and led to well in the stretch, when Pass Book moved out and won driving. Pass Book won last fall and brought Fessenden \$60,000. Blandy, winner of the second race, broke the track record for four and a half furlongs by covering the distance in 53 1-5. Mamie Worth in the last race equaled the track record for six furlongs of 1:12 4-5. The Ozone stakes was won by Peggy.

Rainland Won Cumberland Derby.

NASHVILLE, Tenn., April 22.—Rainland, son of Rainbow and Fable, just arrived from St. Louis and an added starter, won the Cumberland derby at Cumberland park in easy fashion. The stake was worth \$3,145 to the first horse and seems a pickup to Mrs. M. Goldblatt, her representative stating that it was only the night before that it was decided to ship the colt to Nashville.

Gans Got the Decision.

BALTIMORE, April 22.—Joe Gans of this city, the lightweight champion, was given the decision over Sam Bolen of Philadelphia last night before the Eureka Athletic club in their fifteen round bout. Gans scored the Philadelphia four times during the bout. Gans came out of the ring uninjured.

Police Seized Obscene Pictures.

BOSTON, April 22.—With the cooperation of the Watch and Ward society the police here raided five picture stores near the North station and seized 589 pictures displayed in the windows. The proprietors were arrested, charged with having obscene pictures in their possession.

SPORTING NEWS.

DIAMOND DUST.

Manager Johnston, of the Allis Club baseball team, expects to announce the name of the umpire for the season, within a short time. He has several applications from which to select.

There was a delegation of about fifteen Plainfielders at the opening game at the Polo grounds yesterday afternoon and most of them returned disappointed at the Giants' decisive defeat.

The Leal's School baseball team will play Newark Academy tomorrow morning at 10:30. The Leal boys know that the Newark boys are a hard proposition but have confidence that they will win out. Either Lovell or Abbott will be in the box for L-al's while Captain Haughey will catch.

The South Plainfield A. B. C. baseball team will cross bats with the New Market nine, at South Plainfield, tomorrow afternoon. This is the line up of South Plainfield: Smith or Sofield, p; Huff, 1b; Clark, c; Keefe, 2b; Monroe, 3b; Linaberry, rf; Miller, cf; Pyane, lf; Gage, ss. Sofield will captain the aggregation. Smith has been chosen manager.

The baseball game at Westfield tomorrow between the locals and the Seventh Regiment National Guard team, will give the fans an opportunity to judge whether Manager Denman's aggregation is up to standard. For that reason many Plainfielders will journey to the town down the road. Two weeks later Allis will open the season with the Aeolians. After that there will be nothing but expectancy until Westfield and Allis meet for the first time.

Westfield opens its season tomorrow against the Seventh Regiment team. Preparations for a regular big league start have been perfected and all the fans will turn towards this game to sharpen their appetites for the coming good run of sport. Westfield will line up: Burke, Waller, Leonard, Carey, Burro, Barry, McManus, Goldberg and Mallen. The Seventh Regiment will be strong. Local fans will have a chance to get a line on Westfield's strength and see what's in the Seventh boys for their double games against Allis Decoration Day.
