

S. S. SWACKHAMER SPEAKS ON CITIZENSHIP

Somerset's Assemblyman Ad-
dresses the Congregational
Church Men's Club.

PLEA FOR HIGH IDEAL

WILLIAM JEFFERY RENDERS SOME
PLEASING SOLOS.

No More Meetings Until October—
Club's Record for the Past
Year—Eight Social Ses-
sions Held.

Marking the final meeting of the
season, the Men's Club, of the Con-
gregational church, held a pleasant
social in the church parlors last
night. The feature of the evening
was an address by Assemblyman S. S.
Swackhamer upon "Citizenship."

Mr. Swackhamer's address was well
rounded and highly interesting. He
held up a high ideal of citizenship
for the electors to follow, and set a
very lofty standard for office holders.
His remarks were interlarded with
characteristic anecdotes and flashes of
wit and humor. He was very loudly
applauded at the conclusion of the ad-
dress.

Solos by William Jeffery were much
enjoyed. Dr. J. H. Buchanan played
the piano.

Following the programme, refresh-
ments were served, and an informal
social hour was used to make the dis-
tinguished legislator acquainted with
the club members. The refreshments
were served by the following commit-
tee: H. W. Satterfield, chairman;
Percy VanAlstyne and John Gaub.
The club will not meet again until
the first Tuesday in October, when
the annual session will be held. Dur-
ing the past season the organization
has held eight notable social sessions,
at each of which some address has
been delivered. The total attendance
at the eight meetings has been 447.
This includes the attendance at the
recent ladies' night affair, when 200
were present, but when the average
attendance of men was figured out it
was found to be 41; the enrollment
of the club is 40.

All the addresses, excepting the first
and the last, were delivered by mem-
bers of the club.

BOROUGH'S PETITION HELD UP

COURT HAS MADE NO DECISION RE-
GARDING LICENSE FEE RAISE.

As yet Judge Sobenok has not given
his decision in the matter of the ap-
plication of North Plainfield borough
for higher license fees. Just when he will
be a matter of conjecture. When asked
about it he said he was considering
the case and would be most likely to
take it up at any time.

It is not believed, however, he will
publicly mention the matter until the
opening day of the Somerset courts
in September.

The criminal cases from the April
term, are now being tried at Somer-
ville. The jury disagreed in the trial
of Angelo DeAngelo, indicted for
atrocious assault and battery. The
case of "Tony" Carruso, assault and
battery, will be taken up tomorrow.

THAT PALMA TROPHY.

Criticism May Lead in Its Being
Sent Back to Eng-
land.

That American rifleman may not
rest under even a technical imputa-
tion of unsportsmanlike conduct, the
executive committee of the American
Rifle Association may offer to restore
the Palma Trophy to the British as-
sociation, agreeing that the match at
Bisley, England, last July, shall be
erased.

General Bird W. Spencer, president
of the American association, is said to
be of the opinion that a restoration of
the trophy would be the best way out
of the discussion now going on, and
he has called a meeting of the execu-
tive committee, of which he is ex-
officio chairman. It is likely the com-
mittee will meet within ten days and
settle the matter.

Children's Day Exercises.
Under the auspices of the First Baptist
church Sunday-school, informal
Children's Day exercises will be held
in the Sunday-school room Sunday
afternoon.

DISTINGUISHED JAPANESE HERE

ISSA TANIMURA, COMMISSIONER OF
COMMERCE, GUEST OF DR. WHITNEY.

Rev. Dr. G. H. Whitney, of this
city, has been entertaining a very
distinguished foreigner in the person
of Issa Tanimura, of Tokyo, Japan.
Mr. Tanimura is a Commissioner of
Commerce, appointed to visit Canada,
the United States, Mexico and Europe
to study commercial conditions for
his government.

He is a notable example of the intel-
lectual Japanese with an American
education. He is a graduate of
Hackettstown Institute, Yale Univer-
sity, Chautauqua University (four
years' course) and of the law depart-
ment of Dickinson College. He is a
Ph. B. and an LL. B. He is a wide
student and impresses those with
whom he comes into contact as an
universal genius.

Dr. Whitney is Mr. Tanimura's for-
mer guardian. As soon as the distin-
guished Oriental arrived in this coun-
try he proceeded at once to this city
to visit Dr. Whitney.

Yesterday Mr. Tanimura was intro-
duced to the Consolidated Exchange,
at the morning session, by the pres-
ident, L. V. F. Randolph, of this city.
He made a brief but taking address.

MISS DEWEY'S PUPILS RECITAL

CLEVER PERFORMANCES ON THE
PIANO ENJOYED BY AUDIENCE.

In a programme consisting of nearly
twenty difficult numbers, selections
from the best composers, the pupils
of Miss Carolyn C. Dewey yesterday
afternoon demonstrated to an audience
composed of their friends and rela-
tives, the progress made by them at
the piano, under Miss Dewey's in-
struction. The musicale was given in
the chapel of the Crescent Avenue
Presbyterian church.

So thoroughly good was the playing
of every one of the pupils that it
would be almost unfair to mention
any one of them as being better than
the others. Surprisingly well ex-
ecuted, however, were the selections
falling to the five who have had the
shortest period of instruction. Com-
ing into Miss Dewey's charge last
September, Miss Ethel Searing, Miss
Kate Elliott, Elmer French, Law-
rence French and Sewell Ulrich have,
in spite of their youth and short ex-
perience, sufficiently mastered the
instrument to play such pieces as
Strauss's "Melodies from Weber,"
the "Miniature Dance," by Webb and
selections from Rhoads, Engel and
Reinecke not only with clearness and
definition but at the same time put-
ting a sympathetic quality into their
work which speaks highly not only
for their aptitude, but for the ability
of their instructress.

Those of the young musicians who
by reason of their greater experience
showed even more favorably, were
Miss Ellen Ulrich, Miss Hannah Bing-
ham, Miss Florence Smalley, Miss
Laura Bristol, Miss Constance Pitts,
Miss Winifred Kapajic, Miss Marion
Mortimer, Miss Lillian King, Miss
Barbara Fleming, Miss Marion Lam-
bert, Miss Louise Andrews, Miss Be-
sie Alpaugh and Miss Emeline Al-
paugh and Lee Manning.

The chapel was prettily decorated
with roses, peonies and other flowers
and refreshments were served to the
pupils after the programme was over.

FAIR ESTATE PERSONALTY SALE

MRS. HANNAH NELSON RETURNS TO
HER NEW MARKET HOME.

At the Knickerbocker Art Galleries,
in New York yesterday, C. E. Smith
began the sale of the collection of
furniture, paintings and art objects
belonging to the estate of Mrs. Charles
L. Fair.

At the sale Mr. and Mrs. Abe Nel-
son, relatives of Mrs. Fair, purchased
a number of articles.

Mrs. Hannah Nelson, mother of
Mrs. Charles L. Fair, who has been
living with relatives at Caldwell for
some time past, was brought to her
home at New Market today in a car-
riage. She has been very ill for a
long time and her general condition is
not improved.

Violated Game Laws.

A well known young man of this
city is in hiding on account of the
capture of a bird protected by the
game laws. He talked pretty freely of
the feathery find he had made, and
word of it came to the ears of Game
Warden Hawkins. The latter promptly
took out a warrant against the man,
and the latter barely got warning in
time to disappear.

BABY CAMP SEASON TO START IN TEN DAYS

Institution Managed by City
Union, King's Daughters,
Almost Ready for Work.

SOME IMPROVEMENTS

LAUNDRY BUILDING TO BE ADDED TO
PRESENT STRUCTURE.

Subscriptions Urgently Needed—
Donations for the Camp to
be Received by The
Daily Press.

Within the next ten days the City
Union, King's Daughters, hopes to
open its summer camp on the moun-
tains, preparations for that event now
being underway. Before the camp
can be opened certain improvements
are necessary. Yesterday the work of
surveying for a drain and a laundry
building in the form of an addition to
the camp building, was started and
the laundry building will be put up
within a few days. Last year the
camp work was seriously handicapped
by reason of the fact that there was
no suitable place to wash clothing and
the improvement will be greatly ap-
preciated.

Several days ago, several officers
visited the camp and they were very
much afraid upon investigation that
the spring water supply had failed
and this would mean almost the aban-
donment of the camp. Work was
started by men at the spring and after
it was thoroughly cleaned out, the
supply was found to be just as plenti-
ful as ever, much to the delight of
the women.

There is one feature of the work
this year that has not been very en-
couraging thus far. That is the mat-
ter of subscriptions. While the usual
subscriptions have been received from
the same persons of means who con-
tribute every year, there has been a
noticeable falling off in contributions
from others. It was hoped that many
new friends would be made for the
camp work this summer and that the
popular subscription idea would pre-
vail. Amounts ranging from the
smallest coin up to \$5, \$10 and \$25
help very much. There are many
who can only afford to give \$2 or per-
haps only a dollar, but hesitate about
putting their mite along side of the
much larger sums. The King's Daugh-
ters want it understood that the
smaller amounts are just as acceptable
as the larger ones and will be received
gladly at all times.

For the purpose of furthering this
popular-subscription plan, inaugurated
two years ago by The Daily Press,
amounts of any size, no matter how
small or how large will be received at
this office and forwarded to the treas-
urer of the King's Daughters and
credit given for the same in the col-
umns of the paper. It is believed
that this may serve as a stimulus
among friends of this work toward
supporting it in a substantial manner.

The good accomplished at this camp
since the work was started, is in-
calculable. The lives of many babies
have been saved by the outing of a
day or a week in the mountains,
where fresh air and proper treatment
were possible. An officer of the City
Union in speaking about the work
recently, cited a particular instance,
where a sick baby was taken to the
camp in a dying condition. The
change, together with the heroic
work of the trained nurse, saved the
child and it is today a healthy person.
Many similar instances could be cited.

This season Miss Olive DeLany, the
city nurse, will have an assistant from
Brooklyn. This assistant, a woman
of experience in such work, comes to
the camp solely for the benefit she
will derive and she will not receive
any compensation. The needs of the
camp are many and subscriptions
promptly received will be greatly
appreciated and help to get the work
started. Mrs. Howard Runyon is
chairman of the camp committee this
year and she is rapidly getting the
details of her department in shape for
the opening.

Miss Corson Married.

Word of the marriage of Miss Carrie
Taylor Corson, of Staten Island, who
is well known to many young people
of the city and borough, has just been
received by her friends here. Miss
Corson was married to William Hunt-
ington Vreeland, at her home in West
New Brighton, S. I., on June 1.

has lost a valuable row boat by theft.
The craft was tied up on South Plain-
field lake. It was stolen Sunday.

WILLIAM DAY PIKE WEDS

QUIETLY MARRIED AT THE LITTLE
CHURCH AROUND-THE-CORNER.

Miss Druella Smith, daughter of
Mr. and Mrs. William B. Smith, of
88th street and Central Park, New
York, and William Day Pike, son of
Mr. and Mrs. N. W. Pike, of East
Front street, were quietly married
last night at the Little Church Around
the Corner, by Rev. Dr. Houghton,
the pastor.

The ceremony followed a bridal sup-
per at the home of the bride's par-
ents. Those present at the marriage
were the immediate relatives, includ-
ing the father and sisters of the bride,
Mrs. N. W. Pike and Garfield Pike.
After the marriage the couple went to
the Waldorf-Astoria, from which
place they will sail today for New
Orleans for a two weeks' trip. They
will reside here upon their return.

A few days ago announcement of
the indefinite postponement of the
wedding was made by the bride's par-
ents, owing to the sudden illness of
Mrs. Smith. It was then decided to
change the plans for a large wedding
and have the affair performed quietly.

Lost Set of Tools.

Too much interest in baseball has
cost Edward Smith a cherished set of
mason's tools. Mr. Smith was at the
Alis game Saturday afternoon, going
there directly from work, with his
tools in their bag. He put the bag
down beside him, and promptly forgot
everything but the game and his
duties as a rooter. He didn't remem-
ber the tools until he had gotten back
into town. He hurried back to the
field but the tools had disappeared,
and he hasn't been able to get a trace
of them since.

Two Years Old.

With more than unusual pride can
the officials and patrons of the Plain-
field Trust Company rejoice in the
second anniversary of that popular in-
stitution. The company began busi-
ness June 4, 1902, and its growth has
been phenomenal. Today its deposits
amount to one million dollars. The
company has issued a neat statement,
showing briefly its general condition
and invites additional patronage.

SANITARY INSPECTION OF ALL DWELLINGS

Board of Health Decides Up-
on Important Proposition at
Regular Monthly Meeting.

REPORT VIOLATIONS

ICE SUPPLY TO BE THOROUGHLY IN-
VESTIGATED DURING SUMMER.

Permits to Sell Milk Granted Four-
teen Applicants—Public Health
Is Good—Births, Marriages
and Deaths.

It has been decided by the Board of
Health to start a sanitary survey of
the city and to have as many houses
as possible visited and thoroughly in-
spected. This action was taken at the
June meeting of the Board held yester-
day afternoon. Those present were
President C. J. Fisk and Drs. B.
VanD. Hedges, T. B. Davis, and F.
W. Dunn and Charles Dunham.

In making this inspection, it is quite
likely that Street Commissioner
Gavett's son will be employed. He
will be expected to report all viola-
tions of the sanitary code. The pur-
pose of this work is to bring about a
thorough cleaning up of the city. De-
fects in plumbing systems, overcrowd-
ing of tenements, unsanitary condi-
tions of cellars and back yards will be
especially looked for.

It is also proposed during the com-
ing month to thoroughly investigate
the ice supply of the city.

A communication was received from
a number of citizens of Netherwood
regarding a nuisance arising from the
use of soft coal by the Plainfield Water
Supply Company. The company had
already promised to stop the use of
soft coal.

Permits to sell milk in the city
were granted to fourteen applicants,
and one permit to carry on the busi-
ness of scavenger was granted. Two
applications to collect offal and one to
collect garbage were refused. It was
also stated that the annual report was
printed during the past month and
about 900 copies were delivered to the
citizens of Plainfield.

At present there are very few cases
of contagious disease in the city, the
general sanitary condition being good.
During the month of May there were
reported twelve marriages, twenty-
eight births, one still-birth and twelve
deaths, a total of fifty-three. Of the
twelve marriages, nine were white
and three colored and of the twenty-
eight births, all but five were white
and the rest colored; thirteen were
female and fifteen were male. Of the
twelve deaths, nine were white and
three colored; seven were female and
the remainder male. There were 208
inspections made during the month
and sixteen samples of milk were
analyzed.

ROUND UP OF SPEAKEASIES

SEVEN ALLEGED PROPRIETORS HELD
IN BAIL TO ANSWER INDICTMENT.

Arrests in the speakeasy round-up
were made yesterday. Seven accused
keepers were taken into custody—Ben-
nett Britten, of West Front street;
David Ramazzotti, Park avenue; Car-
lie Carbone, Park avenue; Tony
Charrelli, West Second street; James
Brown, Netherwood; Lorenzo Paoli,
North avenue; Thomas Barberico,
West Third street.

The warrants were served by Deputy
Sheriff Weaver, with the assistance of
four police officers, Sergeant Fredrick-
son, Roundman Flynn and Officers
McCarthy and McGinley.

The seven prisoners were taken to
Elizabeth at once and this morning
they were arraigned in the county
court. They all entered pleas of not
guilty. Bail in the sum of \$250 was
furnished by each for appearance on
the day of trial.

Dr. Hedges Re-Elected.

Dr. E. W. Hedges was elected cor-
responding secretary of the New Jer-
sey Medical Society, at its concluding
session held at Atlantic City, yester-
day. Among the papers read was one
by Dr. F. O. Ard, on the topic,
"Progress in Rhinology and Laryngol-
ogy." The session was one of the
most successful yet held.

Party for Prospective Brides.

Invitations have been sent out by
Miss Ball and Miss Adelaide Graybill
Ball, of Myrtle avenue, for a card
party to be given Friday afternoon,
June 17, for Miss Berry and Miss
Eleanor VanDeventer.

WILLARD D. HOWE AT Y.M.C.A.

EXCELLENTLY IMPERSONATED DAVID
COPPERFIELD BEFORE A GOOD CROWD.

Although all those who purchased
tickets for last night's entertainment
at the Y. M. C. A., for the benefit of
the association's baseball team, did
not attend, there was a goodly audi-
ence to hear Willard D. Howe, pres-
ident of Yale Dramatic Association, in
his impersonation of "David Copper-
field."

Many impersonators have appeared
at different times at the Y. M. C. A.
entertainments, but it was the general
verdict last night that the perfor-
mance of Mr. Howe entitles him to a
high position among them.

In the passage describing the revela-
tions by Micawber of the business
methods pursued by Uriah Heep, he
was particularly good, his imitative
gestures lending themselves particu-
larly well to that part of the story.

An afterpiece entitled "A Glove
Affair," was given by Mr. Howe in
which he acted out the perplexity of
a young lover who is colloquizing as
to the relative merits and defects of a
moneysed but quick-tempered girl.

It is expected that Plainfielders will
have another opportunity, perhaps
several, of hearing Mr. Howe this
fall.

STRUCK BY TROLLEY POLE

ALEXIS OSTERMOOR HURT AT WAT-
CHUNG AVENUE STAND.

While on his way to school this
morning, Alexis Ostermoor, of 645
Belvidere avenue, was struck and out
at the Watchung avenue trolley stand
by the trolley pole of car No. 126, of
the Netherwood line. The car was in
charge of Conductor Bishop and
Motorman Mark Hipp.

The boy was standing near the car
when, without any warning, the pole,
which is secured to a pivot on the
roof of the car, became detached and
fell to the street, striking young
Ostermoor's head and cutting his scalp
deeply.

He was taken into Cadmus Brothers'
drug store and the wound was tem-
porarily dressed pending an examina-
tion by Dr. J. H. Buchanan, who said
that there was a slight abrasion of the
left arm in addition to the lacerated
wound on the right temple.

He was removed to his home in a
carriage, being considerably shaken
by the shock. At the time of the ac-
cident, the little fellow was the most
contained of anyone, simply asking if
it would "have to be sewed up."

PLAINFIELD HIGH, 1; PINGRY, 0

RATTLING GOOD GAME OF BASEBALL
AT ELIZABETH.

Yesterday, supported by sixty-four
sturdy rooters the Plainfield High
School baseball team defeated the
Pingry School at Elizabeth by a score
of 1 to 0. The victory was a com-
plete one. Pingry only got one hit.

Smith, the Plainfield High School
pitcher, showed his best curves and
proved his mastery of the sphere,
striking out twelve men, while Mer-
tens, Pingry's professional pitcher,
struck out but thirteen men.

But three hits were made on either
side; a single by Craig and a two-base
hit by Collier, of the Plainfield High
School nine, and a single by Wilson,
of Pingry. The single run was made
on a wild pitch of Pingry's pitcher to
first base.

Score by Innings:

P. H. S.	0	0	0	1	0	0	0	1
Pingry	0	0	0	0	0	0	0	0
Bases on balls—	Off Smith, 3; Mer- tens, 1. Errors—P. H. S., 2; Pingry, 2. Left on bases—P. H. S., 6; Pingry, 4.							
The enthusiasm of the victory over the Pingry School team, of Elizabeth, yesterday, was renewed at the High School this morning, when Principal Travell praised the players individ- ually for their work of the season and the interest shown in the sport. The school song was sung and cheers were given for the team, Mr. Travell and Mr. Best.								

Thursday night Mr. Best will en-
tertain the team at his home on East
Ninth street in honor of their recent
victory at Elizabeth.

Girls in Outdoor Basket Ball.

The girls' basket ball team of the
P. H. S. will play its first outside game
this afternoon at the Casino grounds,
when it will meet the team from Ran-
dolph-Gooley Collegiate School. The
High School girls are confident of vic-
tory as they have been having regular
indoor practice during the past few
weeks, under the coaching of Miss
Helen Monroe and Miss Moody.

COLONEL COLLINS

WILL NOT RESIGN

Fake Story From Trenton
That He Would Leave Na-
tional Guard Is Denied.

NOTHING OFFICIAL

REPORT AN AFTERMATH OF CO. K'S
BANQUET HERE.

Col. Oltme Also Made a Target by
Enemies in the National
Guard—Both Men Are
Popular.

Dispatches emanating from Trenton
predict the resignation of Colonel D.
F. Collins, of Elizabeth, commandant
of the Second Regiment, National
Guard, and Lieutenant-Colonel Oltme.
The newspaper stories are to the effect
that both will tender their resignation
rather than be placed on trial before
a special military board on account of
their statements reported to have been
made at a recent dinner of Company
K in Plainfield. Both officers are
charged by the press with making re-
marks derogatory to the members of
the Legislature because of their atti-
tude toward the Dick bill.

Colonel Collins, when interviewed
by an Elizabeth Journal reporter yester-
day morning, said he had not heard
anything officially about the rumored
trial. All that he knew about the
matter was what he had seen in the
newspapers. He reiterated his former
statement of the report being con-
siderably glibly and stated he was
satisfied and even courted, since the
matter has been given such publicity,
a full investigation.

"I will gladly appear before any
board," he said, "and give account of
my actions at that dinner. I have
been a member of the National Guard
almost sixteen years, having entered
it as a private, and I am not yet tired
of it."

The Trenton stories go even so far
as to mention Colonel Collins' suc-
cessor. It says:

"Coupled with the rumor is the re-
port that either Colonel Thomas S.
Chambers, assistant adjutant-general
of the division, or Major Frederick L.
Gilkyson, assistant adjutant-general
of the Second Brigade, would be se-
lected to command the regiment."

Colonel Collins had not heard of his
probable successor until the Trenton
story was shown him and after read-
ing it he enjoyed a hearty laugh.

Whether Colonels Collins and Oltme
made the statements attributed to
them or not they evidently, in case of
having done so, championed the popu-
lar side among guardsmen and soldiers
generally.

At a recent meeting of veterans of
the Spanish-American War, held in
Newark, the matter was discussed in-<

"The Highlands of Ontario for Your Holidays."

With the knowledge of what America has to offer the summer tourist and the rest and health-seeker, the thousands of summer travellers who spend their vacations in "The Highlands of Ontario," unhesitatingly pronounce the Muskoka Lakes region the ideal, the perfectly satisfying summer resort. Such an ideal is a combination of two features—primal nature in a perfect bewilderment of beauty, charm and variety, along with the facilities for most of the modern necessities and conveniences. In addition to these, the even temperature, the high altitude (1,000 feet above the sea), the health-giving ozone from pine, hemlock and fir, and the dark, soft waters of innumerable lakes, teeming with the gamiest of fresh water fish. What more has a weary, nerve-racked man or lover of nature to desire? Handsome, illustrated, descriptive publications will be sent free on application to Frank P. Dwyer, E. P. A., Grand Trunk Railway station, 290 Broadway, New York. 6 12

SPORTING NEWS.

DIAMOND DUST.

John Hall was among those who witnessed the New York-Pittsburg game at the Polo grounds, yesterday. VanZandt, formerly of Westfield, but now of Nashua, is in his old batting stride and is winning many a game for his team.

While it is not known what "Kid" Roberts will do, it is likely that he will join some team and make good. It may be that a change will put him in his old-time condition.

The crack Morrisville baseball team has quit for the season. The stock company has lost money and decided that rather than continue this way it would be better to give up.

Bradley, who played third for Allie on Saturday, is spending the week here. He says he expects to redeem himself in Saturday's game against Westfield. It is not known just what position he will play.

B. A. Mumford, who has charge of Crescent Oval, has his plans for the cutting of a thirty-foot circle on the infield, and he hopes to have the improvement completed soon. This will greatly benefit the infield quartette.

The Hartford pitching staff now includes Foxen, Parkins, Ramsey and Bender. It will be noticed that Ramsey, of High Bridge, has not been released, even though he did make a poor showing for Hartford, who still hold his contract.

Bridgeport, of the Connecticut League, has suspended "Red" Waller. Manager O'Rourke, as well as Denman, of Westfield, has gotten tired of being fooled by this blonde-hair curve-twister. He seems to have a bunch of disappointments up his sleeve for managers as well as batters.

The Philadelphia Athletics have released Pitcher Omas. McGeehan to Toronto, of the Eastern League. It will be remembered that he started to pitch a game for St. Mary last season against Allie, and he got his bumps good and plenty. If the rain had not stopped the contest no telling what Allie would have done to this slab artist.

The Park Athletic Club has organized for the coming season. The team is composed of a number of crack players residing in the Park. Games are wanted with any school teams, in this part of the State. Games are also wanted with Laurel A. C., of Bound Brook, and the Mono A. C. All challenges should be addressed to the manager, Tracy Howard, 80 Mercer avenue, Plainfield, N. J.

The longest game of baseball this season was played in the Western League at Omaha on May 19, between Omaha and St. Joseph. It was a great exhibition of pitching talent for seventeen innings, the score being 1 to 0 in the eighth inning when St. Joseph tied the score. From that time the game was of an exciting nature. St. Joseph scored in the seventeenth inning on two singles and an error, making the tally 2 to 1. Both teams hit heavy, Omaha making thirteen hits and St. Joseph eleven, and each team made three errors.

Now that Manager Johnston, it is said, has signed Charles Walton, the fast infielder and sure hitter of the Ingersolls, it is understood that he will play him at short, and place Quinby on second, providing he is certain the popular Yale man will remain here. Walton comes from a baseball family, he having several brothers who are stars in the business. He is nineteen years old and those who have seen him play pronounce him a wizard both as a short stop and batter. He expects to play his first game on Saturday against Westfield.

VARIOUS SPORTS.

A handicap chess tournament will start at the Y. M. C. A. shortly, the entry list rapidly filling up.

Two bicycle runs are being arranged for the members of the Y. M. C. A. The first will take place Thursday evening, June 16 and the second on July 4.

C. B. Rittenhouse, of West Sixth street, has taken a position with one of the large safe companies of New York.

—Miss Nora Sobenck, of the borough, has taken a position at Woodhull & Martin's store, succeeding Miss Anna Morrison.

—John Auten, clerk at the Hotel Kensington, and his family, will move this week from East Front street to the Battle Flats on Watchung avenue.

—A. P. Hethfield, of Madison avenue, a conductor on the New Jersey Central, has about recovered from injuries received in a recent accident while riding his bicycle.

—If you want a good time tomorrow night go to Trinity Reformed church and attend the strawberry festival and entertainment to be held under the auspices of the Ladies' Christian Work Society. There will be instrumental music and readings.

Mr. and Mrs. Worth, of Washington avenue, have been visiting relatives at Phenixville, Pa.

Mrs. A. D. Edgar, of West Front street, is entertaining her mother, from High Bridge.

John H. Cose, of Spooner avenue, has returned from a week's business trip in Pennsylvania.

William Cowan, of New York city, has returned home after a visit to friends in Central avenue.

Harry Moore, of Grove street, is taking a business trip West and will stop at the St. Louis Exposition on his way home.

Mr. and Mrs. Carl Drange were guests over Sunday of Mrs. Drange's grandparents, Mr. and Mrs. Rulif S. Swackhamer, in Whitehouse.

Rev. and Mrs. Kionka, of Riverside, N. J., have been guests of Mr. and Mrs. Louis Borsum, of Woodland avenue. Mr. Kionka formerly preached here.

AMUSEMENTS.

A number of current dramatic successes have been presented at the Fifth Avenue Theatre in the past few weeks, and to that number must be added "The Cowboy and the Lady," in which Nat O. Goodwin originally scored a distinct success at the Knickerbocker Theatre. Since its initial performance the piece has enjoyed a most prosperous career on the road, and will here be given its first stock presentation, with S. Miller Kent, who succeeded Mr. Goodwin in the principal role, playing the part with which he has become associated. Others in the cast will be George Bryant, Lotta Linthicum, Leo Hawley, Loretta Healy and other favorites. In the vaudeville section Matthews and Ashley, who differ from most Hebrew comedians, will head the list with a capital comedy offering of a distinctly novel flavor, while Spencer Kelly, will sing some of the newest ballads, most of his repertoire being formed of songs not yet published. Laura Bennett, a comedienne of marked talent and bright personality, will present some unique characterizations, while the McGrath Bros., banjoists, will offer selections comprising popular marches and modern operatic numbers.

Keith annihilates the superlative. What is the best at other vaudeville houses is but common-place at the Union Square Theatre. Never a believer in the so-called headliners, at the expense of the balance of the entertainment, Keith's bills are noted for their all around merit diversity and novelty. One act cannot make a good variety show, no matter how attractive it may be. Thus while one sees all that is worth while seeing at Keith's, in addition they find always a show of the kind that has made his name famous the world over.

It has been decided to have the pictures of the Senior Class at the Plainfield High School taken individually instead of as a group and to mount them in a portfolio. This scheme will allow of several poses being made by those who care for more than one.

Lake Excursion.
The beauty spot of New Jersey is Lake Hopatcong, and one who visits the place is charmed with the diversified entertainment afforded. The surroundings are delightful in every respect and a day spent in the rarified mountain air of the Jersey foothills will do wonders for the tourist. There are ample facilities for fishing and boating and one who enjoys the rambles in wooded paths and the quietness of the natural pines, to him Lake Hopatcong is the gem of places. On June 19 the New Jersey Central is going to run one of its famous low priced and popular excursions to the Lake. Round trip \$1, and special train leaves Plainfield at 9:30 a. m. The run is made in three hours and the entire day can be spent in delightful enjoyment. 685 eod

William McKinley, of West Front street, has resigned his position at the Pedrick-Ayer plant. Mr. McKinley will take a position at the Standard Oil Company's plant in Bayonne.

The Garwood foundry is one of the busiest plants in the State at present. Men are being taken on every day. A large contract has just been booked for both small and large castings for a Rhode Island firm. A new thirty-ton electric traveling crane has just been installed in the shop.

The large automobile owned by the Niles-Bement-Pond syndicate, which is driven through the streets of New York, carrying a lathe and a milling machine as an advertisement, was run into a ditch on Broadway, yesterday. It was nearly three hours before the machine was raised to the level by a hoisting derrick. The lathe, which is on the auto, was built at the Pond plant.

The Hall Signal Works, of Garwood, which has been slack for some time past, is expected to be running full force in about two weeks. Two big rush orders are on the company's books, one for the Erie and one for the Union Pacific Railroad Company. 1,200 signals all told. A large number of pattern makers were taken on yesterday.

Union men and their families must purchase union labeled articles hereafter or suffer heavy fines, and probable expulsion from their organizations, according to resolutions which were adopted by the Federation of Labor, of Chicago, declaring that the union men of the city who do not patronize the employers of the union labor are assisting the Employers' Association to disrupt the trade-union movement.

The Daily Press has a higher circulation rating than is accorded to any other paper in Plainfield.—Printers' Ink.

Plainfield, N. J., June 8, 1904.

The whole Cabinet intends to Root for Roosevelt in the fall, believing that they should make Hay while the sun shines.

New Jersey's politicians went to greet their Governor, but saw the sights at Coney Island. Their trip was a success.

Probably to show their appreciation of the way the Chinese officials acted in behalf of the foreigners a few years ago, some distinguished Americans, Dewey among the number, have been falling all over themselves in honoring Prince Pu Lon and a half dozen other heathens.

Henry Watterson has at last decided that there is a man fit to represent the principles of the Democratic party. His candidate for the Presidency is Mayor McOlellan. Probably the Kentucky Colonel could be induced to accept the Vice Presidency, his suggestion giving evidence that he believes that there are at least two "safe and sane" Democrats left.

"The newspaper which circulates among the people, all the people, is the medium in which I advertise my most expensive carpets and rugs," said a high-class dealer. "Rich people do not have papers of their own, but read the most enterprising. Some of the people who buy costly goods may make you wonder where they get the money to do it. Anyhow, they do not read the magazines, but do read the newspapers. In short, everybody reads the newspapers."—Ex.

In advertising, as in flying, it is the steady, majestic sweep rather than the swift, mad flight that keeps things above the ground. This leads up to the question of whether the advertiser should seek quick, direct results or regard his advertising as publicity pure and simple—something to bring his goods before the people who should buy them, with the reasonable certainty of indirectly getting his money back with a profit, provided he tells the right kind of a story and sticks to it long enough.—Ex.

The best test of the business rating of this municipality is the price bid for its bonds and Plainfield has always enjoyed being placed at a high figure. The bids for the school bonds considered at Monday's meeting of the Common Council were all above par. Kountze Brothers, to whom the bonds were sold, bid \$102.311 and H. K. Stokes offered \$102.06. Laderburg, Thalman & Company made an effort to get the bonds for \$101.61. These bids are all very gratifying, but Plainfield is only one of the many cities in the State which finds an eager market for its bonds. Newark, Trenton and Camden are particularly fortunate in this respect. As the Trenton State Gazette said recently: "The readiness with which the bonds offered for sale by the various municipalities in this State are taken up by investors, is convincing evidence that New Jersey stands pretty high in the estimation of the business world."

Laying Off Men.
It is said that the Aluminum Plate and Press Works laid off a large part of their force Saturday. One of the men declared that the force has been cut in two. According to some of the workmen in the shop there is plenty of work on hand, and the curtailment puzzles them.

IN THE CHRISTIAN FIELD

WORK IN THE CHURCHES OF THE CITY AND BOROUGH.

The Junior Epworth League, of Monroe Avenue church, will hold a picnic Friday afternoon.

There will be a business meeting of more than ordinary importance of the Grace M. E. church Epworth League on Friday night.

"The Epistle that Wrote Itself," will be the topic of the prayer-meeting service at the Crescent Avenue Presbyterian church tonight.

L. H. Biglow, Jr., and family, of Central avenue, will soon move to Montclair, much to the regret of their many friends here. In view of the change Mr. Biglow has resigned his position as an assistant superintendent of the First Baptist church Sunday school.

It is quite likely that in view of the great amount of work that Rev. Dr. J. A. Chambliss, of the First Baptist church, has been called upon to perform since assuming the pastorate of the church, he will be given a vacation during July and August and the pulpit will be occupied by a supply.

A Horse's Franks.
One of J. A. Smith's horses escaped from his barn back of the Smith house on Central avenue yesterday forenoon and defied all efforts to capture him for nearly a half hour. The horse, apparently, simply came out for a gambol, and confined himself to the Smith grounds and a vacant lot adjoining. He made no attempt to run away, but dodged the men who tried to capture him all over the Smith lawn. Flower beds suffered considerably, before the frisky animal was driven to his quarters.

Seton Hall Commencement.
The annual commencement exercises of Seton Hall College will be held on June 15. Thirteen young men will receive diplomas. Bishop J. J. O'Connor, of the Catholic Diocese of Newark, will preside and will be assisted by Mgr. John A. Stafford, president of the college; the Rev. John A. Dillon, vice president, and members of the faculty. The exercises will be held on the campus fronting the alumni hall.

Card of Thanks.
I wish to thank the North Plainfield Fire Department for prompt and efficient work at the fire at my home. They deserve great praise as their quick work saved my home from total destruction. The insurance adjuster thought it remarkable that the house was not totally destroyed. Appreciating the department's action, I wish to record my thanks. John C. Milne, Harrison street.

Church Debt Reduced to \$1,000.
In the effort to liquidate the indebtedness on the First Baptist church, all but \$1,000 has been subscribed.

SUBURBAN NEWS.

DUNELLEN AND VICINITY.

Harry Shugars, who has been suffering with an attack of neuritis in his face for the last two weeks, nearly burned the skin off of his right cheek a few nights ago. He had been suffering so intensely that he decided to try one of Vail's famous mustard plasters, and it worked to perfection, relieving the pain in a very short time, after which the young man travelled to drapeland, and on awaking a few hours afterward found that his face was the color of a lobster instead of its usual peach and cream complexion.

All the members, excepting Wilson Fredrick, were present at the regular monthly meeting of the borough Council Monday night, but beyond ordering the payment of some bills and the transaction of other purely routine business, nothing was done. No new measures came before the Council for consideration and an adjournment was taken until July 5, when the next meeting is scheduled.

While at work Monday evening, Ranyon Clawson, night foreman at the Dunellen round house, was struck by the tank step of drill engine No. 27, which was going at a slow rate of speed, and quite severely injured. He was, however, able to proceed to his home in New Market, and is now confined to his bed.

TOWN MAY BE BURNED

Troops Will Be Sent to Victor--Mob In Possession.

VIGILANCE GUARDS PATROL STREETS

Fence, Fully Armed, Roused Up Union Men, and Many Have Been Warned Never to Return to Teller County.

DENVER, June 8.—It is reported at the capital that troops from Colorado Springs and neighboring cities will be ordered to Victor at once. Fears that the town will be burned are entertained. Nearly 500 troops are now mobilized and can be rushed to the Cripple Creek district on short notice.

A Cripple Creek report says that 2,000 people are congregated at Second and Bennett avenues, where they were addressed by the mine owners and business men. Lynching is freely talked of, and almost every man is a walking arsenal. Armed squads are searching for several men.

Chief of Police Graham of this city has been induced to resign by methods similar to those used with Sheriff Robertson. Mine owners and members of the Citizens' alliance have declared their intention of forcing out of office County Judge Frost, Assistant District Attorney Cole and Justice of the Peace Herrington, who are regarded as union sympathizers.

Wholesale arrests of union miners are to be made. Mounted armed men have been sent on a quick march to the extreme northern and southern ends of the district to guard all avenues of escape of the union miners who are to be arrested.

All mines except the Portland, which employs union men, are still closed and will be until after the inquest and funeral of the victims of the dynamite outrage.

Company H, Colorado national guard, is under arms ready for any emergency.

Composed of mine owners, their employees and sympathizers, a thoroughly organized vigilance committee at Victor has taken charge of the government of Teller county, where it was feared that the rioting between the union and nonunion miners would be renewed. Large squads of armed men are patrolling the streets, determined to prevent a recurrence of yesterday's outrages, when fifteen persons were killed by the explosion of a dynamite bomb and lawlessness reigned throughout the district.

A posse of 300 deputy sheriffs, armed with rifles and revolvers, is now scouring the hills of Cripple Creek district, with the object of rounding up every union man and every idler in the camp. They will be escorted to the county lines and warned never again to return to Teller county.

The union men are also well armed and say they will resist any attempt at deportation. Many of them are desperate, and serious trouble may occur.

Photographs of Charles McCormack and Melvin Beck, who were killed by an infernal machine in the Vindicator mine Nov. 21, 1903, and of other Vindicator miners were found in possession of Frank Cochran, secretary of one of the miners' unions of Victor. This discovery greatly agitated the officials of the Mine Owners' association, who declare that Cochran shall be strung up until he discloses all that he knows concerning the outrage. They believe he has information that will lead to the arrest of the perpetrators of that crime.

It is estimated that a thousand deputies had been sworn in by Sheriff Bell. The Victor Record was censored by a special committee appointed by the sheriff before publication was permitted.

Boys playing in the neighborhood of the hole made by the explosion at Independence found a portion of a cheaply made British bulldog revolver. The weapon contained one shell, and when taken to the office of the Citizens' alliance it was regarded as conclusive proof that the dynamite was set off in the fashion similar to the explosion of giant powder in the Vindicator mine.

Bloodhounds in charge of Hugo Falmer of Trinidad trailed the assassin who killed the Findlay miners to a mile beyond Clyde Station, a distance of three miles. There the scent was completely lost.

Crowds around the depots at Victor continue to increase, and the soldiers and deputies experienced difficulty in keeping the streets free of blockades. By order of Mayor French the fire department has stretched a line of hose along Victor avenue and Third street to the armory in order to disperse the crowd without resorting to arms.

Reported Miners For Denver.
COLORADO SPRINGS, Colo., June 8.—A special train consisting of an engine and two coaches, bearing fifty union miners deported from Cripple Creek by the citizens passed through this city last night. It was going at the rate of thirty miles an hour and did not stop here. The first car was empty, and the second car had all the blinds drawn, and armed guards were on the platform. The police and sheriff's officers were determined not to let the deported men stop here, and arrangements were made with the Rio Grande road to carry them past this city. It is presumed they are headed for Denver.

Drowned on Tolchester Beach.
ANNAPOLIS, Md., June 8.—Samuel Howard Baldwin of New Haven, Conn., who on Monday passed the physical examination for admission to the Naval academy, has been drowned off Tolchester Beach, an excursion report on the eastern shore of the Chesapeake.

Major Daingerfeld at Gravesend.

NEW YORK, June 8.—Major Daingerfeld, at 6 to 1 in the betting, won the Standard stakes of \$5,000, one mile and a quarter, at Gravesend. Three-quarters of a length back came Hermis, the favorite, with Hermis third, fifteen lengths back and very tired. With The Picket, Irish Lad and Highball carded as starters in the Standard stakes, a big crowd was in attendance, but after the heavy rain the owners of the three last named horses decided to withdraw their entries, leaving six to battle for the prize. At the lifting of the barrier Hermis went to the front, followed by Montrose and Major Daingerfeld. This order was maintained around the paddock turn and into the backstretch. At the three-quarter pole Fuller sent Africander up to the leader, Hermis, and in a few strides Africander was leading. Rounding into the stretch, Major Daingerfeld moved up and in a hot drive in the last eighth gained the decision.

Lafonia Oaks to Outcome.

CINCINNATI, O., June 8.—The historic Lafonia Oaks was decided at Lafonia by an easy victory for Clay Bros. entry, Outcome and Memories. Outcome won first money, and Memories took the place easily. Variola, the only other starter, was third all the way. The net value to the winner was \$3,750. The Clay entry was coupled in the betting at odds of 1 to 5. The track was lightning fast, and the distance of a mile and a quarter was made in 2:08 1/4. Handara again showed her class by winning the second race at five furlongs, pulled up, by four lengths. She ran the first quarter of a mile in twenty-three seconds and was under restraint the remainder of the journey.

Adare Landed in Front.

CHICAGO, June 8.—The bad luck of favorites was finally broken at Harlem. Not since the first race on the opening day has a favorite won until Adare landed in front in the second race, and his margin was less than a length. Adare was the first favorite in thirteen races to win. Johnny Dugan of Oakland, Cal., who was badly injured by a fall while exercising Mansard a few days ago, is dead at the Garfield sanitarium.

Harvard Crew at Work.

GALES FERRY, Conn., June 8.—The Harvard varsity crew went over the four mile course on the Thames river, starting about 6 o'clock, but were unable to make the distance in much better than 24 minutes, the time for the trial being given as 23 minutes 50 seconds. Weather conditions were not good, there being little tide and a strong head wind. The Yale crew arrived today.

Baseball in the Far East.

WASHINGTON, June 8.—The great American game of baseball has been introduced into the far east by the jacks of American warships. Teams made up from the crews of the vessels in Admiral Cooper's command have formed the Asiatic Fleet Baseball league. The series consists of fifteen games, the first of which is scheduled as the Oregon versus Flotilla.

Yale Expert Beaten at Tennis.

NEW YORK, June 8.—There was a surprise in the second round of the metropolitan lawn tennis championship. The holder of the title in 1902, H. H. Hackett, was defeated in two sets by S. C. Millett. Hackett, a former Yale expert, played a fine game in the first set, which was very fast. He lost it, however, and then Millett took the next set at love.

Racing at Delmar Park.

ST. LOUIS, June 8.—Behovee, Elastic and Gay Adelaide were the successful favorites of a fair card at Delmar park. Mildred L. was backed from 20 to 1 to 8 to 1 to win the third race. The fly had bad racing luck, being pocketed in the stretch, finishing fourth.

Cure Led in Billiard Match.

PARIS, June 8.—At the end of the second round of the billiard match between Schaefer and Cure for 3,000 points the score stood: Cure, 1,000; Schaefer, 900.

TOGO AND KUROKI.

Port Arthur Again Attacked by Land and Sea.

LEWIS ETZEL KILLED BY CHINESE

Correspondents Mistaken For Pirates—Kuropatkin to Attack Japanese on Lianlong From North and South Simultaneously.

LONDON, June 8.—A dispatch from Chifu reports that the Japanese have made a determined attack on Port Arthur by land and sea. The Russians sent out the Port Arthur squadron to give battle to the Japanese fleet.

The report of the sinking of a Japanese ship in Taiwan bay is denied. A St. Petersburg report says that the czar has received from General Kuropatkin a message reading, "It is done." What the message refers to is not yet reported.

A Tokyo report says that Admiral Togo has stated that despite unfavorable weather during the past three days the sweeping operations in Taitenwan bay have been very successful.

The Japanese have destroyed in all forty-one mines. The channel to Taitenwan is now open for vessels of light draft. The work is being continued with the assistance of a pilot who was formerly in the employ of the Russians.

The third squadron reports that its mine sweepers reconnoitered Nanshan island and the village of Liankou and found that they were abandoned ten days ago.

A dispatch from Tokyo says that a wireless message from Port Arthur, intercepted by the Japanese, shows that the Russians in Port Arthur and north of the Lianlong peninsula intend to act simultaneously. General Kuropatkin attacking the Japanese on the peninsula in the hope of annihilating them before General Kuroki can come to their aid. Another entire division is therefore being dispatched from Tokyo. Part of it will be landed at Dalny and part at Kichuan.

Ernest Brindle, the Daily Mail's correspondent in Manchuria, in a description of the death of Lewis Etzel, the correspondent of the Daily Telegraph, who was shot by Chinese soldiers while in a junk between Shiwantaitze and Erdiko, says:

"Our intention was to cruise along the Lianlong coast. About 6 o'clock in the morning the junk was surrounded by four sailing boats manned by Chinese soldiers, who without explanation opened fire, their shots falling all over our boat. We were below reading and writing, and Etzel, looking out, received a fearful wound in the back of his head and expired in a few moments."

"The soldiers, who were dressed like pirates, said they mistook us for a pirate boat they were seeking for. They afterward donned uniforms."

"I walked to Tienchwangtai to summon assistance. One of the Chinese crew was badly wounded, and it is not likely he will recover."

A St. Petersburg report says: "The Grand Duke Alexis, commander in chief of the navy, has obtained the permission of the emperor to create a third Pacific squadron from the ships of the Black sea fleet, and permission has already been obtained from Turkey to take the ships through the Dardanelles on the condition that they will not return. This squadron will be composed of the battleships Rostislav, Dvornik, Apostoloff and Tria Sviatella and will be accompanied by torpedo boats and torpedo boat destroyers and will sail for the far east simultaneously with the Baltic squadron."

A Tokyo report says: "The commander of the Fourth Japanese fleet, who has returned to the rendezvous of the fleet from a reconnaissance in the vicinity of Port Arthur, mentions the loss of the Russian gunboat Gilyak and the blowing up of another Russian gunboat about the same time."

Captain Ernest C. T. Troubridge, formerly British naval attaché at Tokyo, now in London, denies the report that he was present or planned the Japanese naval attack at Port Arthur at the beginning of the war or is in any way responsible for Admiral Togo's successes.

Captain Troubridge is described as one of the brightest officers in the British navy. A week ago it was said that he had disappeared from his post in Tokyo at the outbreak of the war and that the British government had made no efforts to find him.

Etzel Was an American. BURLINGTON, June 8.—Lewis Etzel, the correspondent of the London Telegraph killed by Chinese soldiers at Newchwang, is stated by his cousin, Miss Edith Knittle, to have been the eldest son of Gabriel Etzel, once a prominent merchant of this city, who has been dead for twenty years. His mother now lives at Silver Cliff, Colo., with a daughter. Lewis was about forty years of age and was unmarried.

Submarines For Japan. BRIDGEPORT, Conn., June 8.—It is said that the submarine boat Protector has been shipped to Japan from New York and that four boats modeled after the Protector are now under construction at the works of the Newport News Drydock and Shipbuilding company.

Fair Must Repay Promptly. ST. LOUIS, June 8.—In a letter received by the Exposition company Leslie M. Shaw, secretary of the treasury, gave formal notification that if payments on the \$4,000,000 government loan are not promptly forthcoming when due, he, as guardian of the United States treasury, will take charge of the receipts and collection of fair tickets.

ODELL SAILS TODAY.

Governor Declined to Make Any Formal Statement on Result of Visit.

PARIS, June 8.—Governor Odell of New York has made a number of farewell calls preparatory to sailing for home on the Kaiser Wilhelm der Grosse from Cherbourg today.

Asked concerning the results of his conferences with Ambassador Porter the governor said they went over the New York situation, but he did not deem it desirable to make a formal statement, as the state convention would not occur until September. Governor Odell added that whatever may have been said during the conferences relative to the nomination for the governorship was without prejudice to any other candidacy and was mainly tentative.

Mrs. Phipps Tells Her Story.

NEW YORK, June 8.—Mrs. Lawrence Phipps, whose children were taken away by her husband at the Netherlands hotel here, through her attorney, has given out a statement concerning the recent removal by her husband of her children without her knowledge from a hotel in this city. Mrs. Phipps says that she was about to undergo a surgical operation and desired the presence of her children in what might prove to be the last hours of her life and that it was not her purpose to take the children from Mr. Phipps. She says that it is due to Mr. Phipps to say that the statement that she was bound and gagged in her room at the hotel when the children were taken is untrue. She declines to state the cause of the differences that she says have existed between her husband and herself for several years.

Two Thousand Quit Work.

NEW YORK, June 8.—Two thousand men engaged in construction work in North Hudson, N. J., have quit work because of the refusal of the contractors to grant a working day of nine hours. The men have been working ten hours a day. About a year ago they demanded an increase of wages and a reduction of hours. They got the increase of wages, but no reduction of hours, and they served notice at the time that this year they would insist upon a nine hour day. The strikers are nearly all Italians.

Do Honor to a Washington Editor.

WASHINGTON, June 8.—One thousand of the best known citizens of Washington last night tendered a reception to Crosby S. Noyes, editor in chief of the Washington Evening Star and known as the mentor of journalism in this city. It was a testimonial of their affection, esteem and gratitude for Mr. Noyes' work and accomplishments in more than a half century of Washington life in developing the national capital through the instrumentality of his paper and as a citizen.

Shot Wife; Killed Himself.

SHAMOKIN, Pa., June 8.—Harry T. Wolff, a railroad trainman, shot his wife on the street here last night and then killed himself. His victim will likely die. Wolff sued his wife for alleged assault and battery, and the case being dismissed the couple left the office of the justice together. On reaching the street Wolff sent a bullet into his wife's body and another one through his heart.

LARGEST IN THE STATE

LINDEN, N. J.

Beautiful and Accessible

2 Miles from Elizabeth, 7 Miles from Newark, 14 Miles from New York

On Main Line Pennsylvania Railroad

Why Lots in these Cemeteries commend themselves to Heads of Families and Investors

BECAUSE OF THE \$1,000,000 Trust Fund provided for by the Trustees in each Cemetery, the income from which will keep the properties perpetually beautiful at NO EXPENSE TO LOT OWNERS.

BECAUSE such a guarantee, not found in any other cemetery, assures lot owners that the grounds will be MAINTAINED PERMANENTLY AS BEAUTIFUL PARKS AFTER THE INCOME FROM THE SALE OF LOTS HAS BEEN EXHAUSTED.

LOTS SHOULD BE PURCHASED NOW

BECAUSE MORE ADVANTAGES ARE OFFERED TO LOT BUYERS in a new Modern Cemetery than in those established many years and, in most cases, no provision made for perpetual care without extra expense to lot owners. THERE ARE A GREAT NUMBER OF IDEAL LOCATIONS TO SELECT FROM. PRICES OF LOTS ARE ALWAYS LOWER AND TRULY MORE ADVANTAGEOUS.

BECAUSE there is most certain and every one should anticipate the inevitable by making a choice NOW OF A FINAL RESTING PLACE.

LOTS WILL PROVE A GOOD INVESTMENT

BECAUSE they are sure to increase in value and can be purchased NOW at the INITIAL or LOWEST PRICE and upon the most ADVANTAGEOUS TERMS.

BECAUSE the properties are ACCESSIBLE TO 4,000,000 PEOPLE, and considering the RAPID GROWTH OF GREATER NEW YORK AND ITS TRIBUTARY CITIES AND TOWNS, it is only a question of a SHORT TIME when LOTS IN ROSEDALE AND LINDEN PARK WILL BE EQUAL IN VALUE TO THOSE OF OUR MOST NOTED CEMETERIES.

FOR INFORMATION concerning lots in these beautiful Park Cemeteries, and FREE transportation to prospective lot buyers, apply at once to any LEADING UNDERTAKER or offices of the Associations:

LINE ON ALIS' MAKE-UP

PROBABLE ARRANGEMENT OF TEAM FOR SATURDAY'S GAME.

Manager George Johnston, of the Alis Club, is rapidly completing arrangements for the great game at Westfield on Saturday. He is confident of having a strong team in the field. It is an assured fact that Davis and Farmer will be the battery.

More serious difficulties have confronted Manager Johnston regarding his infield. He has decided to hold fast to Gauven, who played an excellent game at short last week. As for first base he may be able to get Rothfuss, but in case of failure he may use Gauven there. The position of second base has not been definitely decided, although Bradley may hold the bag down. By tomorrow it will be known whether Charles Walton will play short. Captain Lander believes that he will be in good condition to play on third base and that he will give a good account of himself. There has been some talk of having Jack Dunn on the infield, but nothing definite is known about this at present.

As for the outfield, Oregon, McGee and Lynch will take care of the garden. Lynch comes from the Ridgewoods and is reported to be just as fast as the other two fielders and as good a hitter. If this is true he will be retained. The disbanding of the Morrisville team has given Manager Johnston a chance to get extra material. McManus, well-known to local fans, who has been playing on the Reading, Pa., team, would like to play a field position for Alis, but if Lynch comes up to expectation, no change will be made. McManus is a fine fielder and heavy hitter.

Stahlings, who played for Westfield early in the season, later going with Morrisville, it is said, wants to come here. He can play either the in or outfield and is considered a valuable man. By tomorrow, Manager Johnston will have his team completed for Saturday's contest. He learned yesterday that Quinby, who he expected to have on second base for the rest of the season, cannot play here until the last of July or first of August. He is with the Crescent A. C., members of an amateur league, and cannot get away. If Manager Johnston completes a strong infield before that time he will not break it to take in Quinby, however much he would like to have him play here.

"MRS. WHITNEY'S" LETTER

MISS BRADLEY WRITES ABOUT HER VARIOUS GRIEVANCES.

Miss Bradley, of Watchung avenue, who alleges that she is the widow of William C. Whitney, doesn't like the way the press has treated her. She refuses to discuss her claim, saying that in due time all will be right.

She appeared at The Daily Press office this morning in deep mourning and requested that the following letter be given publicity:

Editor, The Daily Press:

Kindly insert the following in your paper. The New York Tribune has fallen in error in making the statement in regard to my writing to men. I am and have been for many years a song and recitation writer and as The Press is aware of the old saying, "the pen is mightier than the sword," I am at liberty to use the same in a good cause. If all writers are considered insane, God help the newspaper business, the magazine and novel creator, and the book-selling business in general. The disparaging and insulting remarks of the world-beater friend of my husband's would do better if "before his own door he swept." As for the reflection on the Catholic church his remarks imply, this I now say in justice to them: Mr. W. C. Whitney and myself were both members of the Episcopal church, therefore not married in the Catholic church. I have written for them and have the kindest and warmest friends among them, and do not wish by wrong statements any mean conception be on their truly beautiful religion. In due season my affairs will be public property, if necessary. As it is a newspaper's business to set to right wrongs, if it wishes success to crown it, I send this statement to be published. Very sincerely,
Mrs. W. C. Whitney.
