

TOMORROW'S SCHEDULE ON DIAMOND AND LINKS

Ministers and Doctors to
Cross Bats on Crescent Oval
for the Benefit of Hospital.

ALIS AT WESTFIELD
COMPETITION FOR COMMITTEE CUP
ON HILLSIDE CLUB'S COURSE.

Weekly Play for President's and
Club Cups at the Park Golf
Club—Woman's Handicap
at Hillside.

Among the sports arranged and
scheduled for tomorrow, several games
of baseball will be played for the
amusement of those who like the
National game. The chief game of
interest here will be played on Cres-
cent Oval between teams composed of
the ministers and physicians of the
city. This contest, for the benefit of
Muhlenberg Hospital, will be called
at 3 o'clock and every one who wants
to see it is requested to be on hand
promptly at this hour.

The ministers will lineup as fol-
lows: Lovell, c; Pearce, p; Stevenson,
1b; McKelvey, ss; Downey, 2b; How-
ard, 3b; Herring, rf; Mooney, cf;
Finn, lf.

This is the way the medicos will
face up in the struggle: Doyle, p;
Browning, c; Oregan, ss; Adams, 3b;
Zeglic, 2b; Hedges, E., 1b; Hedges,
E. W., lf; Ard, cf; Long, rf; Bu-
chanan, Carman, Pittis, substitutes.

Another game of interest will be be-
tween Alis and Westfield at Westfield.
Manager Johnston will try conclusions
with Manager Deaman in the second
game of the series and he hopes to
wrest victory from the down-the-line
team. No doubt a large crowd of fans
will accompany the team and cheer it
on to victory.

The Y. M. C. A. team will journey
to New Market for a contest and as
neither side has lost a game this sea-
son, the match should be a good one.
Scotch Plains, who were defeated a
few weeks ago by the Garwood A. C.,
will go to Garwood and make a des-
perate effort to win. The A. U. U.
W. team, of Westfield, is scheduled to
meet the Clinton Avenue team on the
Clinton Avenue grounds.

For those who do not care for base-
ball there will be plenty doing in
golf. At the Hillside Tennis and
Golf Club there will be the regular
play in the morning for the Women's
Handicap cup and in the afternoon
the weekly competition for the Golf
Committee cup. At the Park Golf
Club there will be the weekly play
for the President's and Park Golf
Club cups.

The events at the Westfield Golf
Club include ball sweepstakes handi-
cap, and the second team match in
the East Jersey Golf Club series, be-
tween Westfield and Cranford. There
is already considerable interest in this
series and the Park Golf Club team
gives promise of making a good show-
ing before the end of the season. It
has excellent material to draw from,
the likely candidates being in good
condition for play.

MINISTER MAKES A KICK

A WELL-KNOWN DIVINE THINKS HIS
BROTHERS ARE IN ERROR.

Parson Jackson, of Mt. Olive, Bap-
tist church, rang up The Daily Press
office yesterday to register his predi-
ction that rainy weather will prevail
tomorrow. He is "dogmatically and
otherwise" opposed to ministers play-
ing baseball, declaring that they
should spend their time feeding their
flocks.

Notwithstanding the lack of the
parson's support, Plainfield's clergymen
and physicians will wage a con-
test on Crescent Oval tomorrow after-
noon for the benefit of Muhlenberg
Hospital. Lewis G. Timpon, the
manager of the affair, has abandoned
his idea to translate some Russian war
songs into baseball yells for the occa-
sion.

Levi Backer Dead.

Levi C. Backer, father of Charles
Backer, of this city, died yesterday at
his home in Whitehouse, Hunterdon
County. For eighteen years he ran a
grocery route between that place and
this city and was well known here,
where he had a number of relatives.
For many years he conducted a store
at Whitehouse and was postmaster
there under President Cleveland. A
widow and five children survive him.
The funeral will be held Sunday at
Whitehouse.

MISS L. A. CLAWSON A BRIDE

SHE BECOMES MRS. ASA F. RANDOLPH
AT A CHURCH WEDDING.

Before a large gathering of friends
and relatives, Miss Lonella A. Claws-
on, the daughter of Mr. and Mrs.
James Clawson, of West Seventh
street, and Asa F. Randolph, the son
of Mr. and Mrs. Nathan Randolph, of
Park avenue, were married last night
in the Seventh-Day Baptist church, at
7:30 o'clock. Rev. George Shaw, the
pastor, performed the ceremony. The
church platform was decorated with
smilax, daisies and ferns.

The bride was given away by her
father. She was attended by Miss
Cora Tomlinson, of New York. Charles
M. Dolliver was best man. The ushers
were Orra E. Rogers, Dr. Mark
Olawson, of this city; Henry L.
Maxson, of New York, and Alfred
Holmes, of Brooklyn. Holmes Claws-
on and Witter Olawson, youthful
nephews of the bride, carried a basket
of flowers in the bridal procession.
They strewed flowers down the aisle
as the party retired after the cere-
mony.

The bride was dressed in chiffon,
with a tulle veil, caught up with a
spray of orange blossoms. The brides-
maid wore mouseline de soie, with
applique trimmings.

A small reception, for the relatives
and out-of-town guests, was held at
the home of Dr. Frank Olawson, of
West Seventh street, after the mar-
riage. At 10 o'clock the bridal couple
left for an extended trip. Their
destination has been kept a secret.

EPWORTH LEAGUE'S RALLY

PLAINFIELD METHODISTS ATTEND DIS-
TRICT MEETING AT SOMERVILLE.

Members of the various chapters of
the Epworth League in this city and
in the borough attended an Epworthian
rally held with Chapter No. 4, at
Somerville, last night. The local
members made the trip to the county
seat of Somerset in two special trolley
cars. They report having had an en-
joyable and profitable time.

The programme of the evening in-
cluded special music and helpful ad-
dresses by ministers and others promi-
nent in the Epworth League work.
Every Methodist church in this city
was represented at the gathering.

School Entertainment.
The pupils of the sixth grade, of the
Franklin School, assisted by Miss
Evalina DeBois Benton, reader; Miss
Cornelia Miller, soloist, and William
VanEps, will give an entertainment
in the Assembly Hall, tomorrow eve-
ning.

ANNUAL INSPECTION OF CO. K, SECOND REGT.

dier Boys at Their Armory.

EXCELLENT DRILLING
CROWD WITNESSES THE MILITIA'S
MANEUVERS.

Col. Bullman Praises Captain Mar-
tin's Men—The Company May
Get One Hundred Per Cent.
for Attendance.

Company K, Second Regiment, N.
G. M. J., was inspected at its armory
last night by Col. Bullman, of Gov-
ernor Murphy's staff and Major Nel-
son Y. Dungan, of Somerville.

It is expected that the company will
receive a mark of 100 per cent. for at-
tendance last night as the absence
were only four in number and two of
those had leave.

After the inspection of clothing, the
new chevrons for the khaki uniforms
were issued to the non-commissioned
officers.

A large number of friends of the
members were present to witness their
execution of the drill maneuvers and
manual of arms. In this portion of
the work the men showed up almost
like regulars, their motions and step
being in perfect unison.

Capt. Martin's command was highly
complimented in the remarks of Col.
Bullman to a Daily Press reporter
after the drill was over.

Peddle's New Gym.

The special attraction of commence-
ment week at Peddie Institute, Hight-
stown, June 12-15, will be the laying
of the corner-stone of the new gym-
nasium, secured to Peddie through the
generosity of Alumni and friends of
the Institute. This will occur on
Tuesday. Several members of the
Alumni reside here.

Westfield's Full Schedule.

According to the Elizabeth Journal,
Westfield's Saturday schedule is filled
for the season, but the team is willing
to play a series of Wednesday games
with the Elizabeth Y. M. C. A. team
on the association grounds and will
accept as a guarantee actual expenses.

The Woes of O'Reilly.

Prof. Eugene O'Reilly isn't playing
his fiddle with as light a heart as
usual. Some hardhearted rascal stole
his bicycle from the hall of his house
last Saturday night.

Mr. and Mrs. Samuel A. Wallace, of
Grove street, are at Hotel Normandy,
Asbury Park, for a week.

BABE'S BODY FOUND IN LOT

Boy Picks Up Bundle Con-
taining Remains of An In-
fant Weighing 10 Pounds.

INDICATES AWFUL DEED

Supposed That Child Was Born
Alive, and Was Then Thrown
in a Field on Grove Street,
Where It Was Discovered
by the Lad.

While playing ball in the lot at the
corner of Grove street and Greenbrook
road, on Wednesday, twelve-year-old
George Benson, son of Andrew Ben-
son, of Duar street, found a bulky
parcel, carefully wrapped in paper
and containing the body of an infant
of normal size and weight.

The lad and his mates took the
package to the edge of Stony brook
and opened it, and ran to tell their
elders.

The Benson boy spoke to his grand-
father, Martin Benson, of 318 Grove
street, and he saw where the object
lay as it lay exposed on a roughly
made sort of chesscloth quilt padded
with cotton and newspapers. As in-
dications pointed to a serious crime,
he despatched one of the boys to
notify Chief Marshal George Weiss.
Mr. Benson believes the child to have
been born alive.

Chief Marshal Weiss heard nothing
of the matter until 9 o'clock Wednes-
day evening, when Herman Klinsman,
son of Herman Klinsman, of Harrison
street, told Chief Weiss of the dis-
covery.

Chief Weiss hastened to the spot and
found that the water rate infesting
the brook had made a clean sweep of
the remains and even started to de-
vour the quilt.

No clue has been afforded thus far
to lead to the identity of the person
who left the bundle at the place
where it was found.

Through Trolleys a Success.
So successful has been the operation
of the through trolley cars between
Jersey City and Trenton, that the
Public Service Corporation has de-
cided that beginning Wednesday, June
15, the cars will be run under two
hours headway.

Dress Rehearsal of "Antigone."
A dress rehearsal of the amateur
production of "Antigone" was held
by the seniors of the North Plainfield
High School last night.

OFFICIAL RECORDS IN Y. M. C. A. SPORTS

Athletic League of Y. M.
C. A. of North America, Con-
firms Plainfielders' Records.

CHAMPIONS IN STATE
RAYMOND M. SMITH AND WALTER
M'NAUGHTON THE WINNERS.

State Records As Made by Local
Athletes—Report Is Transmitted
to Physical Director C. E. A.
Heywood.

Acting Secretary S. A. Lewis, of
the Athletic League of Young Men's
Christian Associations of North
America, has transmitted to Physical
Director C. E. A. Heywood, of the
local association, the records made by
Plainfielders who took part in the
meet held here last winter. They
have been approved by the governing
committee.

These are the records: New Jersey
State record, indoor, potato race, Ray-
mond M. Smith, one minute, forty-
three and three-fifths seconds; New
Jersey State record, indoor, three
standing broad jumps, twenty-nine
feet and one-half inch; twelve pound
shot-up, indoor, thirty-nine feet and
four and one-half inches; New Jersey
State record, indoor, running high
dive, Walter O. McNaughton, five
feet, eleven inches.

At the time these records were
made, Secretary Heywood, of the
league, who was present in an official
capacity, stated that the performances
of Munger in both the events he took
part in and McNaughton in the high
dive constituted new records for the
Eastern Section of the league; so that
the approval of these performances as
State records merely, would seem to
indicate that they have been beaten
somewhere in the Eastern Section out-
side New Jersey. McNaughton's re-
cord comes within one inch of the
National record.

Baptists to Assemble.
The Morris and Essex Baptist As-
sociation will hold its annual con-
vention at the Milburn Baptist church,
Tuesday, June 14. Rev. D. S. Mal-
hern, of West Orange, will preach the
annual sermon.

Baptists Rally.

The semi-annual rally of the Bap-
tist Young People's Union of New
Jersey will be held in the Peddie
Memorial Baptist church, Newark,
Tuesday, June 14.

Former Mayor W. L. Saunders and
family, of the borough, will sail for
Europe on Thursday, July 5.

EXCHANGE'S BIG BUSINESS

WOMEN'S ORGANIZATION PAYS OUT
\$10,000 TO 140 CONSIGNORS.

The great amount of good accom-
plished by the Plainfield Woman's
Exchange is shown in the annual re-
port of the treasurer, just presented
for the past year. It shows that there
were about 140 consignors to the ex-
change during the year and that nearly
\$10,000 was paid to them for their
work. This represents a large
amount of work and the members are
glad to be able to assist so many per-
sons. Of this sum the exchange re-
ceives 10 per cent, which is used to
pay rent, salaries and other expenses.
A great many times the members are
obliged to go down in their pockets to
assist, the receipts not being sufficient
to meet them. During the past few
months several luncheons have been
given and in this way money is se-
cured to help in the work.

Yesterday afternoon at the Hillside
Tennis and Golf Clubhouse, a success-
ful luncheon was held under the aus-
pices of the exchange. There were
108 persons present. Owing to the
disagreeable weather the small tables
were placed inside. They were in
charge of the members of the execu-
tive board, including Mrs. O. T. War-
ring, Mrs. Julia M. VanBuren, Mrs.
Hugh Hastings, Miss Elizabeth B.
Cook and Mrs. B. M. Stover. The
tables were decorated with flowers
and made attractive and the luncheon
served by Mrs. Hellstrom was satis-
factory in every respect.

After the luncheon the afternoon
was spent in playing cards, there be-
ing an interesting game of bridge
whist. It was about 4 o'clock when
the women left the clubhouse and all
agreed that the affair was one of the
best of the series.

THREE BROTHERS GRADUATE

TWO RECEIVE DIPLOMAS FROM COLUM-
BIA AND ONE FROM CORNELL.

Charles A. Squires, the son of Henry
O. Squires, of this city, was graduated
from Cornell University Medical
School, at Carnegie Lyceum, as one
of the honor men. He took first prize
in otology, and stood fourth in a class
of fifty-five.

On the same day two other sons of
Mr. Squires were graduated from Colum-
bia University. Fred Squires re-
ceived the degree of B. S. in architec-
ture and Lewis Squires was sent out
from the law school with an LL. B.
sheepskin.

There is no bigger display of
vegetables and no better vegetables in
any display than is shown by Neuman

TWO ARRESTS FOLLOW FALSE ALARM OF FIRE

Ring in From Box in Borough
and F. Moncton and R. A.
Perine Taken Into Custody.

INDICATION OF CRIME

ONE MAN TAKES TO HIS HEELS WHEN
POLICE APPEAR.

Mayor Smalley Orders the Arrest—
Frispers to be Brought Up
for a Hearing Monday
Evening.

Two arrests were made in the false
alarm case in the borough last night.
In consequence of a ring-in from box
154, Rockview Terrace and Rockview
avenue, Frank Moncton and Robert
A. Perine, the latter of Arlington
avenue, were taken into custody upon
circumstantial evidence.

Moncton has a police record for
drunkenness and vagrancy.

The alarm came in at 1:30 o'clock.
Just before it sounded Officer Black
saw the two men, and recognized
them, near the box. He saw them in
the same vicinity directly after the
ring-in. He spoke to them and re-
ceived an answer. At the same time
he espied a fleeing figure going over
the Howell place nearby, and gave
chase. The fugitive escaped.

When Chief Woolston arrived on the
scene Black told him what he had
seen. The Chief called up Mayor
Smalley and asked for instructions,
laying the case before him. The
Mayor told him to have the two sus-
pects arrested. Warrants were im-
mediately sworn out before Recorder
Doud, and the police on this side of
the brook were told to watch for
Perine. The warrant for his arrest
was placed in Officer Messler's hands,
with instructions to go to the sus-
pect's house at once. While on his
way at 3:30 o'clock, Messler found
Perine talking to Officer McKee, and
placed him under arrest. Up to noon-
time today Perine was still in the city
jail awaiting transfer to the borough.

While Messler was out after Perine,
Chief Woolston and Weiss, and the
latter's officers were scouring the bor-
ough for the other suspect. Officer
Pope found him on Somerset street
and looked him up in the borough
jail. Both men deny the charge and
disclaim all knowledge of the alarm.
Officer Messler has reported to the
city department that on the night the
three alarms were turned in he met
Perine near his home on Arlington
avenue, after the alarms had rung.
The suspects will be arraigned in
court tonight.

It was rumored about the borough
this morning that one of the members
of the paid department was implicated
in the matter. Mayor Smalley said
that one of the paid men was in the
company of the suspects earlier in the
evening, but that there is no evidence
to indicate that he was with them at
the time the alarm rung.

The hearings have been set for Mon-
day night.

MISS CARRIE E. MEHL BURIED

HANDSOME FLORAL TRIBUTES AT THE
SERVICE HELD YESTERDAY.

Funeral services over the body of
Miss Carrie E. Mehl were held yester-
day afternoon at the home of her pa-
rents, on West Second street. Rev. J.
S. Zeile, pastor of the Crescent Ave-
nue Presbyterian church, officiated in
the absence of Rev. Dr. Cornelius
Sobenok, pastor of Trinity Reformed
church, of which Miss Mehl was a
member.

The house was crowded with friends
and relatives, many of the former be-
ing those with who Miss Mehl had
worked for a long time in church and
charitable affairs.

From the Sunday-school friends of
the dead woman came a large bunch
of out flowers and snags the other
floral pieces, which were so numerous
as to require a separate carriage, was
a large initial "C" in sweet peas.

During her illness of about a year,
Miss Mehl was a great sufferer so that
recently she had longed for release
from her constant pain. No matter
what her sufferings might be, how-
ever, she was patient and uncomplai-
ning.

Two brothers, John and George
Mehl and two brothers-in-law, Charles
F. Debele and George R. Schlereth,
were the pall-bearers.
Interment was made in Hillside.

STEINWAY & SONS

A Suggestion from
About Piano Tuning

Incompetent Piano Tuners

are continually doing a great deal of mischief to good pianos. It will therefore doubtless be of interest to owners of Steinway and other pianos, residing at not too great a distance from New York, to learn that we are now prepared to take orders for the tuning and regulating of pianos during the summer months at special rates. Not only the members of our large regular tuning force but also those of our staff of experts who, during the winter season, have been traveling with eminent pianists on their concert tours, and who have now returned to New York, are available for this work. The greater the number of orders from any one place or vicinity the lower our charge will be for each piano attended to. Consequently we would suggest to prospective customers in any locality that they "club together" in sending us their orders, whenever feasible and agreeable, as the most economical and satisfactory plan. Your patronage is respectfully solicited.

A strike of the 3,500 mine workers at the eight collieries of the Temple Coal and Iron Company, and the 5,800 men at the ten collieries of the Scranton Coal Company is threatened unless the companies agree to deduct the wages of the check weighmen and the check docking bosses from the wages of the men. Leaders of the mine workers said that the men are rapidly losing patience at the failure of the companies to act. The bosses' wages are now paid by the union, and the non-union men are not contributing.

DEATH TO UNIONISM

Citizens' Alliance Issues Bold
Challenge to Miners.

ACTION TO QUELL RIOT AND MURDER

Absolute Annihilation of Labor Un-
ions in Cripple Creek Predicted.
General Bell's Mounted Infan-
try in Pursuit of Rioters.CRIPPLE CREEK, Colo., June 10.—
"Death to unionism in the Cripple
Creek district" is the new slogan of the
Citizens' alliance, which has sent a de-
cree broadcast that every person con-
nected with any union here must either
sever his or her connection with such
organization or leave this district.The latest stand of the antiunionists
was vaguely hinted at two days ago,
but the movement on the part of the
alliance seemed so absurd to 3,000 or
4,000 unionists in the camp and its en-
forcement fraught with so many diffi-
culties that it was not taken seriously.Tyson S. Dines, a Denver attorney
and one of the executors of the Strat-
ton estate, is here in conference with
Citizens' alliance leaders, and it is an-
nounced that he is preparing a form
which will be presented to every mer-
chant and business man and other em-
ployers of labor in the entire district
pledging them not to employ any per-
son who is affiliated with a labor union.No person who works for a living
will be exempt, and the absolute an-
nihilation of unionism in this country is
predicted by members of the Citizens'
alliance and the Mine Owners' associa-
tion. This is considered the most drastic
step yet taken by the alliance since it
secured the upper hold in the dis-
trict, and its enforcement will affect
3,000 men and women now affiliated
with the various unions. Among the
unions that will be affected are the
clerks, cooks and waiters, bartenders,
carpenters, electricians, trainmen and
stone and brick masons. The unionists
assert they will fight the movement to
a finish.General Bell issued the following
statement regarding the raid on the
Victor Record office and the destruction
of the newspaper plant:"I cannot be too emphatic in my con-
demnation of this unmerited act. Such
action as this reflects upon the mili-
tary, because martial law prevails. As
military commander I am solely re-
sponsible for the cleaning up of this
crime if it is possible."I am aware that Editor Kyner was
bitterly denounced and threatened and
accused of selling out when his edi-
torial appeared asking the Western
Federation of Miners to call off the
strike. The socialistic element of the
federation were the ones who took the
principal stand in this thing. How-
ever, whoever the perpetrators of this
crime may be they will land in the
bull pen if apprehended."F. W. Langdon, the linotype operator
who was driven out of the Record of-
fice at the point of rifles, says that he
will not leave the district as ordered.
He will send his family away, how-
ever. The other employees of the Re-
cord also say that they will remain in
the city.A squad of mounted infantrymen
has left Victor in pursuit of fifty-five
union miners, said to be encamped in
the Beaver Creek region, east of this
city. The troops have orders to shoot
the men when found if they resist ar-
rest.Marshal Naylor and his squad have
captured George Fridley near Canon
City and returned with him to Victor.
He is charged with having killed Roxie
McGee in Victor and with having at-
tempted to shoot C. C. Hamlin, sec-
retary of the Mine Owners' association,
when he was addressing the meeting
in Victor.The mining exchange hall is being
used as a bull pen in addition to the
Victor armory. Armed deputies are
placed in the galleries of the exchange,
the prisoners occupying the pit of the
callroom. Several guards are at the
door, each carrying repeating shotguns
that contain buckshot. Families and
wives of the prisoners constantly en-
deavor to see and talk with the hus-
bands and fathers incarcerated, in
most cases permission being refused.
Five of the six members of the Gold-
field city council are in the bull pen, so
that the town is without an executive
body.Coroner George Hall, who succeeded
Coroner James Doran, who resigned
under compulsion, has impaneled a
new jury, which will hold an inquest
over the men murdered at Independ-
ence by an infernal machine.To Release President Moyer.
DENVER, June 10.—Attorneys for
the Western Federation of Miners are
preparing an application to the su-
preme court for a rehearing in the
case of Charles H. Moyer, president of
the Western Federation of Miners,
who is held as a military prisoner at
Telluride by order of Governor Pea-
body.College President Attempts Suicide.
ODESSA, Mo., June 10.—L. G. Geh-
man, president of Odessa college, has
been found unconscious in his apart-
ments in the college building. He had
shot himself in the region of the heart
and it is believed will die. President
Gelman was born in Philadelphia sev-
enty years ago and for ten years was
superintendent of the schools of Fruit-
land, Md.Killed En Route to World's Fair.

TROLLEYS' SUMMER SCHEDULE

PUBLIC SERVICE CORPORATION OFFI-
CIALS BUSY ON NEW TIME TABLES.Col. Edwin W. Hine, of the Public
Service Corporation, has his hands
full these days perfecting as rapidly
as possible his plans for the heavy
summer traffic on the multifarious
roads controlled by the corporation,
and in a few days he hopes to have
them in working order.The first thing to be considered is
an adequate supply of cars. Plenty
have been ordered by the corporation,
and if only the car builders will hurry
them up, the full number of the new
order, 150, ought to be shipped within
a couple of weeks.Hitherto the corporation has been
considerably hampered by the delay
in shipping the cars occasioned by
strikes and other disturbances. At the
Meadow shops on the Plankroad there
are waiting the wheels and other
equipments, and as fast as the cars ar-
rive they are equipped. Men have
been steadily working night and day
there for some months preparing for
the traffic.Supt. Akerman, in charge of the
traffic department, has been laboring
for weeks over the schedules, and
these include the "through" trips to
Trenton and Philadelphia, and Tren-
ton to the Amboys and the seashore
resorts. In a very short time, he says,
it will be possible to take through
cars at the Exchange Place depot to
almost every important point on the
system.

A GENERAL ASSAULT

Japanese Contemplate Storm-
ing Port Arthur Today.

TOGO BOMBARDS ALL ALONG COAST

Russians Driven Out From Fortified
Position at Saimatz With Heavy
Loss—Kuroki's Strategy May
Be a Feint.LONDON, June 10.—Advices from
Chifu say that Chinese arriving from
Port Arthur report the Japanese fleet
bombarding Port Arthur daily from a
considerable distance offshore, fearing
to attempt a closer range of fire on ac-
count of danger from Russian mines.The Chinese, both merchants and
coolies, are leaving Port Arthur with
the permission of the Russian authori-
ties. Fifty junks with Chinese passen-
gers have arrived at Chifu.The reports of the latest arrivals
vary in minor details, but agree in a
general statement that a battle had
been raging for four days within ten
miles of Port Arthur. All the Russian
soldiers have, it is said, left Port Ar-
thur for the front, and only three large
ships and some small ones remain in
the harbor.It is reported that Japanese plans
contemplated a general attack on Port
Arthur today.A St. Petersburg dispatch says all
Japanese movements are interpreted
there as caused by anxiety to hamper
as much as possible whatever move-
ment General Kuropatkin may be
making to help Port Arthur. Not only
have the Japanese bombarded the west
coast of Liautong peninsula, where the
railway runs close to the shore, making
feints of debarkation, but General
Kuroki has assumed the offensive east-
ward. He has sent an overpowering
strong column that drove out the Rus-
sians from a fortified position at Sai-
matze, twenty miles northwest of
Fengwangcheng, inflicting a loss of
100 men.Military critics profess to be not al-
together certain whether General Ku-
roki's movement means a real advance
or is simply a feint to distract Rus-
sian attention from Port Arthur, but
they incline to the latter view.General Kuropatkin has telegraphed
to the emperor as follows:"A Japanese brigade has attacked
the Russian detachment occupying Sai-
matze. The Russians retired slowly
because of the enemy's great superior-
ity toward Fengchun pass. Our losses
were two officers wounded and 100 sol-
diers killed or wounded."It is announced at St. Petersburg that
no negotiations are taking place be-
tween Russia and Turkey concerning
the passage of the Black sea fleet
through the Dardanelles. The Turkish
government has affirmed positively its
intention to maintain neutrality and to
observe strictly the obligations of the
Berlin treaty.While diplomatic circles disbelieve in
the existence of danger in the Balkans,
yet it is not thought that Russia would
consider a reduction of the Black sea
fleet at this time.A Tientsin report says that 10,000
Russian infantry, with several bat-
teries of artillery, are entrenched in a
strong position at Pochchia, twelve
miles south of Kalchay and thirty-five
miles from Newchwang.The Russians, apparently taking the
offensive, have reached Suhaling, and
are advancing along the railway. They
are being heavily re-enforced.A Shanghai telegram avers that the
Japanese Third army, under General
Nogi, will assault Port Arthur, while
the Second army, under General Oku,
will co-operate with General Kuroki.

Mrs. Etzel Will Demand \$20,000.

DENVER, June 10.—Mrs. Mary Etzel,
mother of Louis Etzel, the war cor-
respondent who was killed by Chinese
soldiers, will file a claim against the
Chinese government for \$20,000 dam-
ages. The case has been put into the
hands of attorneys, who will seek the
aid of the state department at Wash-
ington in enforcing the claim. Mrs.
Etzel has received a telegram from
Francis B. Loomis, acting secretary of
state at Washington, stating that the
consul at Newchwang had been in-
structed to arrange for the transpor-
tation of the body to this country.

Prison Rather Than Native Italy.

HARTFORD, Conn., June 10.—An-
tonio Sperano, a life prisoner at the
state penitentiary, who on Monday last
was granted a conditional release by
the board of pardons, has declined to
accept the release offered him. When
informed of the condition of his re-
lease, which was that he should return
to Italy, he became very much excited
and said: "I cannot go back to Italy
and work for 15 cents a day. I would
rather stay in prison."

Moses Well a Suicide.

NEW YORK, June 10.—Moses Well,
a director of the J. Spencer Turner
company, commission merchants at 88
Worth street, has been found dead in
his apartments at Sherry's. He had
committed suicide by shooting himself
through the heart. Ill health, members
of the firm believe, was the cause of
his act.

Attack on British Post in Tibet.

GYANGTSE, Tibet, June 10.—Eleven
hundred Tibetans attacked the British
post at Kangna, on the road to Lassa,
with great ferocity yesterday. They
were repulsed, the British loss being
one Sepoy killed and several wounded.
The Tibetans bombarded Gyantse daily.

Missouri to Go to Tangier.

NORFOLK, Va., June 10.—The bat-
tleship Missouri has sailed from Hamp-
ton Roads for Gibraltar. It is un-
derstood the vessel will join the fleet at
Tangier.

Plainfield, N. J., June 10, 1904.

Dr. Ellis W. Hedges gives as a quiet little tip on the game tomorrow: "Shout for the doctors but bet on the ministers." He intimates that it's a sure thing. The third baseman on the dominies' nine says: "Don't bet at all but pray for us."

The New England gas companies have employed an expert to conduct a campaign of newspaper advertising as the only means of "overcoming" prejudices against gas as a fuel, as well as to cope with the advertising of a certain oil stove.—Philadelphia Record.

Plainfield will rejoice if severe punishment be inflicted on all those indicted for maintaining alleged speak-easies here who may be found guilty of the offense. These shops have been notorious and are a blot on the city. There is absolutely no reason for showing this class of culprits any mercy. They defy the police department and take advantage of the law which permits them to keep open on Sundays on the hypocritical ground that they observe Saturday as a Sabbath day. Plainfield wants the speak-easies put out of business once for all.

COACHMAN TO OWN AN AUTO

PETER HANSEN TO GET ONE IN EXCHANGE FOR TOBACCO COUPONS.

Out of the ashes of innumerable cigarettes and pipeful of tobacco, Peter Hansen, the coachman employed by Dr. Ziegler, will get an automobile. That sounds like the beginning of a fairy tale, but it is only the record of painstaking and successful collection of tobacco coupons.

The company back of the coupon scheme offers an Oldsmobile for 80,000 slips. By hard and constant effort Hansen has gathered the required number, and is on the point of sending for the gasoline carriage.

Postman Thomas Burns is nearing the 80,000 mark in coupon-collecting. He has all but 1,500 of the automobile number, and will have the full complement in a very short time.

The coupons are collected in various ways. The collector has all his friends hunting and saving them, hunt and save them himself, and, when he can't get them any other way, he buys them.

PERSONAL

James Horton, who has been a resident of this city, has returned to his former home in Binghamton, N. Y.

Henry and David Torrey, of this city, left last night for St. Louis, where they will spend their summer vacation at the Exposition.

Mr. Teagle and family, of New York, will take possession of E. A. Hegeman's house on Myrtle avenue, tomorrow, for the summer. Mr. Teagle, who is connected with the Standard Oil Company, is expected to return tomorrow from a business trip to Europe.

It is the hope of Councilman W. L. Gloak, chairman of the street committee, that the ordinance providing for the macadamizing of certain streets in the city will again be introduced at the July meeting and go through. According to the ordinance the work must be completed before November.

HELD STRAWBERRY FESTIVAL

TRINITY'S LADIES' CHRISTIAN WORK SOCIETY SCORES A SUCCESS.

Unfavorable weather could not prevent the success of the annual strawberry and ice cream festival of the Ladies' Christian Work Society, of Trinity Reformed church, last night. Despite the chill and the forbidding clouds, the affair was well attended and passed off delightfully, as much a success socially as financially.

Pretty decorations transformed the lecture room of the church, where the affair was held, into a most inviting bower. Flowers, real and paper, were used lavishly with most attractive effect. Garlands hung from all the chandeliers, and palms banded the back of the platform. Jars of cut flowers of various kinds were on each of the nine tables set for the guests. Broad strips of bunting hung from pillar to pillar.

There was a charming programme of entertainment. Miss Elsa Kaybert and Miss May Randolph played a piano duet; Mrs. Frazer, of Elizabeth, rendered two readings, and Edward Young played cornet solos, accompanied by Miss Randolph. CORRECTING HOUSE NUMBERS

STREET COMMISSIONER TO STIR UP THOSE NOT COMPLYING.

Ever since the Common Council adopted an ordinance directing property-owners to place the correct official number of their house in a conspicuous place, where it could be seen, many residents have paid no attention whatever to the ordinance. From time to time the matter has received attention on the part of city officials, but the effort has been productive of no special result.

Now it is proposed to get after the delinquent and Street Commissioner Gavett is going to notify him by postal card what the correct official number of his house is, according to the map on file in the City Collector's office. He will be instructed to have the number placed on the house at once, in compliance with the ordinance.

"Residents are careless about this important matter," said an official yesterday. "They do not realize what an inconvenience the absence of the correct number or any number at all is to the letter-carriers, express companies as well as many others who are constantly in search of persons in the city." Wherever it is possible Mr. Gavett will see that the correct numbers are put in a place where they can be seen plainly. Any person in doubt as to the number of his house can get the desired information at the office of the street commissioner.

Mr. Gavett will send out the postal cards within the coming week and he hopes that prompt attention will be given the matter.

SPORTING NEWS.

DIAMOND DUST.

Boys of fifteen and under will be admitted to the footers-ministers game tomorrow for twenty-five cents.

The baseball game scheduled for yesterday between teams from the Plainfield High and Leal's Schools was cancelled on account of wet grounds.

The game a week ago between Westfield and the Trenton Y. M. C. A., was the first of a series of six games arranged between these two teams this season.

"Natty" McIntyre, who played with Westfield after the league season was concluded last year, and who is now playing with Detroit, is getting his eye on the ball. He is giving a good account of himself.

The Bloomfield Field Club would like to arrange games with the Somerset Athletic Club, of this city. Open dates are June 11, 18, 25 and July 2 and 9. All challenges should be sent to C. T. Adams, 87 Broad street, Bloomfield, N. J.

From Westfield comes the report that Stallings, formerly of Morrisville, will play first base tomorrow, and in this city there is a report that Manager Johnston will play him on the left field.

The two managers will probably arrange in some way to divide this player so that he can appear in the lineup of both teams.

"Chinwhisky," who made a great reputation in a recent land battle between the Japan and Russians, has been engaged to pitch for Westfield against Allis, tomorrow. It is said that there are no end to his curves and that thus far this season not a single hit has been made off his delivery. If he fails or should be batted out of the box, it is understood that Manager Johnston has arranged to have the patented pitching machine on hand to relieve the Jap.

The fast bunch of baseball players representing the Trenton Y. M. C. A., defeated the Murray Hills at Trenton on Wednesday by a score of 6 to 1. Tonight, the opposing pitcher, receiving his bumps to the tune of eleven hits. The Murray Hills recently defeated Westfield by the score of 7 to 1, and Westfield a week ago defeated the Trenton team by the score of 3 to 1. It is agreed that even those who follow closely the National game in this vicinity can get mighty little satisfaction from these results to guide their judgment in Saturday's game between Allis and Westfield.

New York papers announce that Walter Clarkson, the crack Harvard pitcher, who is considered the strongest, slab artist among the college boys, has signed to play for the New York American League team, at a salary of \$3,000 a year. For some time many of the big league managers have been after Clarkson and especially the New York Americans. Willie Keeler

KNOX AS SENATOR.

Attorney General succeeds Late Senator Quay—President Pleased.

PHILADELPHIA, June 10.—Announcement has been made by the Republican leaders that Attorney General Philander C. Knox has been agreed upon as the successor to United States Senator M. S. Quay.

Just before Attorney General Knox left Washington a few days ago he called on the president and told him that he had been tendered the appointment of United States senator to succeed Mr. Quay and that if the president was willing he would accept. The president told him that while it was true that probably no other man in the country could quite fill the position of attorney general as he had filled it, yet he believed that his acceptance would be exceptionally valuable not only to the state of Pennsylvania but to the whole country.

The president said that during the next session or two of congress it was a fair assumption that there would be considerable constructive legislation on the subject of trusts and combinations of one character or another and in that matter Mr. Knox would be of greater service than perhaps any other man could be.

The president is greatly pleased that Mr. Knox will accept the position. The latter probably will not resign as attorney general until congress convenes next December.

Want Justice For Sculptor Biondi.

ROME, June 10.—Signor Fusinato, undersecretary of state for foreign affairs, in reply to an interrogation in the chamber of deputies about the infringement of rights of Signor Biondi, the sculptor, in New York said that the Metropolitan Museum of Art, a private institution, had signed a contract to exhibit Signor Biondi's "Saturnalia," but had afterward refused to do so. The Italian government could not interfere, but Signor Biondi had asked advice of the consulate general in New York, which had been given. Deputy Cerri said that it was absurd to consider the "Saturnalia" immoral. American figures were purposely to Italy to admire nude figures in the museums. He suspected that the rivalry of American artists was the true cause of the treatment that had been given to Signor Biondi. He urged that the government should see justice done.

Open Verdict In Cervera Case.

ST. LOUIS, June 10.—The coroner's jury which has investigated the killing of Don Manuel Cervera, the Spanish bullfighter who was shot by E. Carleton Bass, known as the American matador, returned an open verdict of homicide, leaving the question of responsibility under the law with the prosecuting attorney's office. Bass was returned to jail. One of the witnesses at the inquest was Cervera's widow, who testified strongly in support of Bass' statement that Cervera attacked him first with a butcher knife.

THAT WIDE OUT DROP OF "FARMER" SMITH

Plainfield High School's Rattling Good Pitcher and His Wonderful Curves.

LAD OF SEVENTEEN

IN TWELVE GAMES HE STRIKES OUT 134 BATTERS.

Promising Player Equally Good With the Stick—What He Has Done in Some of the Games Recently.

One of the big surprises of the baseball season so far is the form developed by Philip "Farmer" Smith, the High School pitcher. Smith came into prominence after the glittering game with the Pingry School cranks, on Tuesday, when he held the fast youngsters from Elizabeth down to one hit, and since then the fanatics have been asking about him. All they have learned indicates that the South Plainfield lad is a 14-k phenom, and is fine material for big work with the globe a year or two hence.

Smith came up as a pitcher something like the impetuous mushrump. He is only seventeen and a freshman, and until last year nobody, himself included, knew that he could play ball in any way out of the ordinary school-boy style. Last year Smith played third base for the school scrub team, and went into one or two regular games. When Fred VanAuken left school for Annapolis, the team was left without a twirler. Smith had shown some interest in pitching, and he was supposed to have a curve or two that might be developed. Nobody was very hopeful of making him into a real pitcher, but he was the only thing in sight, and the team managers asked him to get himself into shape.

Smith settled down to steady, hard work. Every day at recess, as regularly as the days themselves rolled around, he went out into the school yard and practiced his curves. When the season opened Smith's work astonished his team mates.

The best batters on the strongest teams that High School met, like Leal's, Rutgers Prep School and Montclair, fell down before his twists. He has a wide out drop that is the worst thing for hitting that most of the local batters ever saw. In twelve games Smith has a record of 134 strike-outs. And in addition to all this he fields and bats well, particularly the latter—notable for a pitcher. Although the averages have not been made up yet, it is believed that Smith leads his team in swats.

At present Smith is plenty fast enough for any of the minor teams here. In a year or two, when he has developed his full strength and learns the headwork that must go with good pitching, he will be in the semi-professional class.

W. J. Roome and family, of New York, will take possession of their summer home, corner of Bycamore and Myrtle avenues, today.

SUCCESS ATTENDS FESTIVAL

MANY PEOPLE EAT STRAWBERRIES AT CHURCH OF HEAVENLY REST.

Although driven indoors by the threatening weather, the "lawns" festival of the Women's Guild, of the Church of the Heavenly Rest, was a highly successful affair yesterday afternoon and evening. There was a large attendance and the financial result was as gratifying as the social aspects.

The festival was held in the Guild Room. There were a number of prettily decorated booths and tables from which ice cream, cake, lemonade, groceries, fancy articles and useful articles were sold.

The women who worked to arrange the affair and make it a success were Mrs. E. E. Brown, Mrs. Graves, the Misses Foster, Mrs. Juan A. Babcock and Mrs. Trapney.

PLAY AT SEMINARY.

"Nance Oldfield" to be Reproduced at Girls' School Tonight.

"Nance Oldfield," the play given so successfully at the Plainfield Seminary a year ago, will be repeated at the same institution tonight as one of the concluding events of commencement week. Miss Edith Burr will take the part of Nance Oldfield.

The rest of the cast is as follows: Alexander Oldworthy, Miss Margaret Tracy; Nance Oldfield, Miss Louise Saunders; Susan, cousin to Nance Oldfield, Miss Marion Hall; Robert, brother to Nance Oldfield, Miss Louise Booth.

MIXED PAIRS AT GOLF.

Excellent Scores at Hillside Despite the Weather.

An informal team match for mixed pairs was an attraction at the Hillside Tennis and Golf Club, yesterday afternoon. Despite the disagreeable weather, the contestants made the rounds of the course, the scores being excellent. Thomas E. VanBoskerck led the men's side and Miss Maude VanBoskerck the women's side. After the match the team and friends to the number of about thirty-five enjoyed dinner at the clubhouse. Mrs. Helstrom, the stewardess, was in charge.

Housing His Devices.

Application has been filed by T. W. Tygard, of 920 South avenue, for a permit to erect a frame building, twenty-four by forty feet, on his premises. Mr. Tygard holds patents on a new system of gasoline engine construction originated by him and the shop he is going to have built will be used for housing automobiles while the engines are being placed in them, the engines themselves being built elsewhere.

New Auto Station.

Allen E. Laing, electrical contractor, is about to equip the building at 416 Bycamore avenue as an automobile station and general machine shop. New machinery is to be installed and vulcanizing, storage battery work and special features of all kinds will be executed in addition to the gasoline engine work which will be the principal class of work.
