POLITICS WARMING UP

Both Parties Ready for the Coming Primaries in Somerset.

ALL PETITIONS FILED

Senator Frelinghuysen Is One of the Candidates on the Republican Ticket for Delegate to State Convention.

Bridgewater Township, Somerset county, is ready for the approaching primaries and both of the two big political parties have filed petitions for candidates for the various township offices and for delegates to the State and county conventions. The delegates to the State Convention from Bridgewater will be:

Republican, Charles H. Bateman, Ezra H. Weldon, Joseph S. Frelinghuysen, William H. Hawley, H. W. Reusswig, William H. Wyckoff, J. Albert Schneider, Democratic, John A. Frech, Jacob Shurts, Cornelius Creeden, Clarence Garretson, Frederick C. Bartle.

County Convention—Republican, Azariah M. Beckman, W. F. Garretson, Cochran Kane, James R. Brown, Reuben J. Southwick, George A. Dilts, Norman Burscher, John B. Osborn, Thomas G. Winsor, Walter H. Smith, Finley P. Wyckoff, Alvah C. Vliet, James D. Richardson; Democratic, Charles Schwed, Thomas J. Ryan, Michael Flaherty, William J. Keys, Daniel Burns, Newton O. Dunster, Thomas Egan, John Slattery, Philip P. Hekey, Jacob Glaser.

For township committee (Republican) there is a contest on for the nomination in the First ward between Christopher Ehnl and John Ramsey, and in the Second ward between William Harris and Jacob C. Huff. Philip W. Mundy seeks the candidacy in the Third Ward, and Jacob K. Brokaw for township committee-at-large. Henry W. Koch is the Republican candidate for nomination for constable.

The Democrats are not seeking the minor offices. John Slattery is out for township committee in the Second ward.

The following are the Democrats who will be members of the county executive committee: First district, William E. Maxwell; second, Edward P. O'Donnell; third, Daniel Reynolds; fourth, Michael W. Scully; fifth, George V. Leibold; sixth, John B. Thum.

The prospect of a warm campaign in Somerset county this fall is becoming brighter every day. The Republican and Democratic parties both feel confident of victory, and are determined to wage a hot fight for the candidates to be named at the respective conventions.

The county will elect a member of Assembly, a Sheriff and a Surrogate, with possibly a Coroner or so. In the Republican party Assemblyman William W. Smalley of Bound Brook, is practically sure of the candidacy. The habit of sending the member back for a second term seems to stick closely to Somerset, and it is conceded he is likely to be the candidate on the Republican ticket.

Possible candidates for the Democratic side are former Assemblyman Samuel S. Swackhamer, of North Plainfield, and Frederick C. Sutor, of Bernards. The latter is a New Yorker who has a fine country residence in Somerset.

Among the Republicans mentioned for Sheriff are Charles Sebring, of Green Brook; David Bulst, of Bernards, and Ellsworth Brokaw, of Branchburg. The Democrats are considering Frank T. Ross, formerly assessor in Bridgewater township; Thomas E. Gibson, the member of Somerset County Board of Chosen Freeholders and Franklin township, and A. V. D. Polhemus, also of Franklin.

The Republicans mentioned for Surrogate are the present Sheriff, Edward E. Cooper, and Tax Collector George F. Brown, Borough Clerk Frank Rowley and Dr. J. H. Cooley, of North Plainfield. It is not known whether or not Mr. Cooper would accept. The others are said to be in a receptive mood. For the Democrats the present incumbent, William J. De Mund, seems to be the leading candidate for nomination, with former Sheriff Calvin D. McMurry also in the contest.

Bedminster, Branchburg and Hillsborough townships and North Plainfield borough will elect each a representative to the Somerset County Board of Chosen Freeholders. Contexts are on in all excepting Branchburg, where Henry W. Balrd (Republican) is the only one who has filed a petition. He is the present director of the board and will not doubt be re-elected a member of that body.

Rev. Phil. Parsons Back. Rev. Phil. A. Parsons has returned from his vacation and regular services will be resumed at the Christian church, Grove street, tomorrow. Mr. Parsons was at Hamilton, O., his home.

PERKINS AGAIN PASSES UP DEBATING CHALLENGE

Y. M. C. A. HALL LIT UP IN VAIN BY HOPEFUL OPTIONISTS.

Assemblyman Perkins failed again to regard a Local Option challenge to debate, last night. Professor William M. Burke, who urgently dared the campaigning assemblyman to meet him for an exchange of shafts at Y. M. C. A. Hall, waited in vain for the coming of the Westfield colon. Mr. Perkins didn't even send his regrets.

The Y. M. C. A. Hall was all lit up, ready for the meeting at 8 o'clock. The local optionists waited until 8:15, and then turned out the lights. It was a question whether there would have been a crowd to hear the debate had it taken place. There were no signs of an excited, or even interested, populace about the doors at any time.

As he had announced he would do, Prof. Burke held an open-air meeting before the North Avenue station in place of the debate. There was not much of a crowd, and the trains made oratory difficult, but the professor told with energy what the local optionists thought of Perkins and of his record. Perkins, the speaker declared, represented not the people but the worst bosses in the State. More particularly, he had followed a certain boss, whose name it was unnecessary to give. Perkins' antagonism to the organization was a forced affair, Prof. Burke said. The organization kicked him out, and to get the nomination he had to be against it.

After finishing Prof. Burke asked for opinions from his hearers and got some. One man said Perkins would get no vote of his and another positive citizen declared he'd have nothing to do with a man who ran with both hares and hounds.

BOROUGH FATHERS' TALK B'D'G LINE ORDINANCE

ALSO DISCUSS CURB ORDINANCE BUT NOTHING IS DONE.

The question of establishing building lines in North Plainfield was discussed at some length at the September meeting of the Borough Council, last night. It was brought up by Mr. Smith, who stated that a property-owner on Duer street had spoken to him concerning such a line on that thoroughfare. He had heard that a party intended erecting a new building and putting it close to the sidewalk.

This led to a general discussion of the advisability of establishing building lines, but Borough Counsel Reed did not encourage the innovation, explaining that it would be necessary to get the signatures of all interested property-owners on any street to establish the line, and this, he said, would result in no end of work. Mr. Reed and the Mayor argued the matter, the latter taking the view that it would be for the best interests of the borough to have such lines established.

The discussion resulted in one concerning the wisdom of having a curb ordinance. Mr. VanWinkle urged it, but Mr. Reed said that while it might be a good thing, there was no law compelling one for the reason that the average population of boroughs in the State is under 500 and the inhabitants do not want to be forced to make such improvement. It was suggested that the street committee and the property-owners get together and form some agreement about curbing and establishing building lines and this will probably be done.

Attention, Mr. Gavett. It is now considered over a month since C. M. Meeker received among other contracts the one to macadamize West End avenue, between Front street and the brook, but in that time but little has been accomplished. A quantity of dirt has been dumped there, and recently several loads of old brick from the Cadmus Mill has been put on the street in an effort to bring it up to grade. The thoroughfare is in a disgraceful condition and in some respects dangerous, especially at night. The property-owners are indignant over the slow progress made and believe that it is time that the contract was resumed and hastened toward completion.

Y. M. C. A. Eleven Possible. There is a possibility that the Y. M. C. A. will have a football team this year. Several of the pigskin enthusiasts among the members held an informal meeting with Physical Director Listman last night, and the prospects for the organization of an eleven looked bright after they had talked matters over. A general meeting will be called some night next week.

BOROUGH FATHERS' WORK

North Plainfield Council Transacts Minor Business and Plans for Sewer Opinion.

MR. REED TO FILE IT

Monthly Reports are Received—Property Owners to Pay Share of Street Improvement.

There was little business of importance to engage the attention of the Borough Council at the September meeting, last night. Mayor Smalley and all the members, excepting Mr. Krewson, were present, and the session lasted less than an hour.

The Council decided to adjourn to Friday night, September 20, to take some action regarding the opening of Watchung avenue and to also receive a report from Borough Counsel Charles A. Reed on the sanitary sewer matter.

The report of the treasurer was as follows: Taxes and interest, \$291.91; bill, payable by note, \$1,000; recorder, fines, \$32; chief, dogs, \$3; clerk, licenses, \$22.50; cleaning off snow, last winter's account, sixty cents; error in account, one cent, total, \$1,360.02; balance, August 1, 1907, \$22,808.89; total receipts, \$3,640.91; total disbursements, \$3,543.64; balance on hand, \$97.27.

C. E. Murray, who has erected a new house on Willow avenue, asked the Council for information as to how he might secure the proper number for his residence. The matter was referred to the street committee. It was afterward explained that every fifty feet of street is numbered in the borough and that the odd numbers are on the south-side of the street. The discussion brought out the fact that the residents of the borough do not live up to the ordinance providing for house numbering.

Recorder Charles M. Dolliver reported that during July there were nineteen arrests and \$59 was collected in fines. During August there were twenty-two arrests and \$24 in fines was collected.

There was some discussion over a laundry bill for \$15.60, covering the past six months. Mayor Smalley requested Clerk Rowley to inform the proprietor of the laundry to render his bill monthly.

The use of Plainfield's steam roller in the borough for three days was explained by Mayor Smalley. He said that some repair work was needed on Somerset street and it was believed to be economy to engage the roller with a man to run it at \$10 per day, in preference to hiring a horse roller.

The matter of sending bills to property-owners on Giraud avenue for their share of the macadam work, and also to those on Somerset street for their proportionate share of the expense of laying Hawsam pavement, was urged by Mr. Smalley. He requested Mr. Waldron, chairman of the street committee, to attend to this matter at once; also to be careful how he expended the street funds, as the appropriation might be exceeded and there would be nothing left to care for the streets during the winter.

From the Giraud avenue macadamizing word there is due the borough \$25 from George F. White; \$12.50 from Samuel Townsend and a like amount from Judd Stewart. The Public Service Corporation stands one-third of the expense for the Hawsam pavement on Somerset street, while the property-owners and the borough assume the other two-thirds. The cost was about \$1 per running foot.

Upon the recommendation of Chairman Smith, of the fire committee, Mayor Smalley appointed Elvin Smalley a lieutenant and driver in the fire department to succeed Lieut. Emmons, resigned, and William Gaub was appointed tillerman. The appointments were confirmed.

It was reported by Mr. Smith that something would have to be done with the cesspools back of fire headquarters. It had been learned that blind drains were not a success and some other system must be adopted.

On motion of Mr. Waldron, the New York and New Jersey Telephone Company was given permission to extend its underground conduits through Lincoln place.

For the purpose of meeting the current claims, Mr. McGee offered a resolution, which was adopted, authorizing the borrowing of \$4,500 from any corporation or individual.

Escape Extradition.

Steven Katzo and Joseph Katzo, arrested a month ago on a complaint made in Phoenixville, Pa., charging assault and who were held for 30 days in \$200 bail to await extradition, were discharged from bonds this morning by Judge Runyon. The Phoenixville authorities made no effort to have them extradited. W. L. Hetfield, Jr., and F. J. Blatz represented the prisoners.

ACKERMAN IN THE RACE

This Time, However, He's on Biggest Steamship Which Will Try for Record.

LUSITANIA VS LUCANIA

Mr. and Mrs. Ackerman Will Make Flying Return Trip on Greatest Craft That Ever Crossed Ocean.

Among the passengers sailing this afternoon on the Lusitania from England are State Senator and Mrs. Ernest R. Ackerman, Mrs. Potter Palmer, Robert R. Potter George Peabody, Mr. and Mrs. Robert Goebel, Richard Croker, Jr., Mrs. Croker, Miss Croker, W. P. Thompson, and Robert Balfour.

The voyage promises plenty of excitement, in view of the race with the Lucania, which for so long has held the record not only as the Cunard's fastest boat, but as the fastest of all British ships. The Lusitania and the Lucania were about two miles from each other in the Mersey at Liverpool last night. Extraordinary efforts have been put forth on both ships the last few days, and since the middle of the week work has been going on night and day.

The two great ships are commanded by two of the finest captains in the service, Capt. Watt, of the Lusitania and Capt. Barr, of the Lucania. Each will know how to get every ounce out of his vessel. They are quiet mannered, reticent men, with closed lips and steady eyes, men who will make the great race notable. Incidentally they deny it is a race, and the engine room staffs are not talking.

At 4:30 o'clock this afternoon the Lusitania leaves Prince's landing stage for New York, and at 7 o'clock the Lucania will leave and the race will have started, but there will be no grip in the contest till after both boats have called at Queenstown and started in earnest across the Atlantic. The Lusitania will wait for the Lucania to clear away from Queenstown before she leaves. Then the army of the engine room staff of each ship will go to work in grim earnest.

One point in favor of the Lusitania is that her stokehold and engine room crews know what their ship can do and how to make her do it. They number 221 men, and the Lusitania's rival battalion numbers 236. They will have to handle about 1,000 tons of coal daily.

English pride is running high, as it is confidently expected that the Lusitania will break the transatlantic record now held by the Germans. The whole accommodation in all classes, both in the Lusitania and the Lucania, has been booked. The former has on board 380 first and 360 second saloon passengers, and the latter 480 first and 495 second saloon passengers. Special police arrangements have been made to cope with the record crowd expected to assemble to witness the start.

GEORGE P. DUPEE'S BODY PLACED IN THE TOMB

FUNERAL SERVICE OF MUCH ESTEEMED BOROUGHITE TODAY.

The funeral service of George P. Dupee was held at 3 o'clock this afternoon from the late home on Rockview avenue, and was largely attended by relatives and friends, including many former business associates of Mr. Dupee. Rev. George A. Warner, rector of the Church of the Holy Cross, of which Mr. Dupee was the senior warden for twenty years, officiated.

There was a beautiful display of floral tributes from relatives and friends; also from the various societies in the Church of the Holy Cross, with which Mr. Dupee was so closely identified. Anchor Lodge, No. 149, F. and A. M., of which he was a member, sent a floral tribute, and a large delegation from the lodge attended the service.

The burial was in Hillside cemetery and the pall-bearers were Edward J. Waring, Henry A. McGee, Augustus VanDeventer, Henry Phillips, A. E. Faber and J. C. Peck.

Another Dark Horse?

It is reported on good authority in Elizabeth that Benjamin King, of Clark township, director of the Union county Board of Freeholders, is quietly working for the surrogate nomination. He has not formally announced his candidacy, but is expected to do so in a few days. George T. Parrot, of Elizabeth, the present incumbent, is out for a renomination but it is declared by his friends that he is out for the job, he will quit in favor of some strong candidate from Elizabeth.

POLICE SEEKING CLAASSEN

Park Avenue Barber Charged With Embezzling from V. W. Nash.

WENT AWAY THURSDAY

Wrote to Mr. Nash That He Would Work Off Indebtedness or Commit Suicide—Not Likely to Die.

The police have a warrant for the arrest of William A. Claassen, of Liberty street, a barber who conducted his business at 207 Park avenue, who disappeared on Thursday. The warrant was sworn out by V. W. Nash, Sr., as whose agent he had acted in the coal business. It is alleged that Claassen has \$187 which he collected for Mr. Nash for which no accounting has been made.

Mr. Nash had an office in the Claassen shop, where orders were left and customers in this district of the city could pay bills. Claassen was authorized to accept the payments and to give receipts. Money belonging to Mr. Nash accumulated in Claassen's hands, the coal man alleges, until there was \$187 due Claassen was pressed for settlement, and he agreed to pay to V. W. Nash, Jr., who is his father's lawyer, on Thursday.

On Thursday morning Claassen opened the shop as usual. A little while after that he went out, leaving his assistant in charge. He hasn't been to the place since.

Not long after he left the shop, Mr. Nash received a letter from him. He acknowledged his indebtedness, and expressed gratitude for what Mr. Nash had done for him. There were two things for him to do, he wrote. Work and pay what he owed or kill himself. The possibility of his putting the alternative into effect was lessened by the closing paragraph of the letter in which he promised to work off the indebtedness.

Mr. Nash swore out the warrant that day. Up to this afternoon the police had been unable to get trace of Claassen. He is married and has a grown son. He is a prominent member of the Gesang and Turn Verein, and belongs to Columbia Lodge, A. O. U. W.

Claassen's departure left something of a tangle of claims in the shop. He conducted baths in connection with barbering, and two mortgages were on the bathroom fixtures. A first mortgage is held by the New York concern from whom they were bought and William Young, who conducted a cigar stand in the shop, holds the second. Young offered to conduct the shop, and W. L. Hetfield, Jr., representing him, and J. H. VanWinkle & Son, for the first mortgages, agreed today to turn over the fixtures to him.

Treat for Theatre-Goers.

"The Lion and the Mouse" will return to Plainfield on Monday evening, Sept. 16, for one performance at the New Plainfield theatre. The coming engagement is of especial note for the reason that Henry B. Harris is sending here this time the original Lyceum theatre company which appeared in New York over 100 times. Edmund Breese will be the John Burket Ryder and Gertrude Coghlan, a daughter of Charles Coghlan, author of "The Royal Box," will assume the role of Shirley Rossomere. A capable supporting cast including all of the members of the original company is promised. F. V. Bruner was here today arranging for the Plainfield engagement.

Appropriation About Gone.

The Shade Tree Commission, comprising Elliot T. Barrows, Miles Roberts and City Engineer A. J. Gavett has about exhausted its appropriation for the spraying of trees. There is about \$100 left in the treasury. The work has been carried on during the summer with excellent results and will be incalculable in preserving hundreds of the best shade trees in the city. The commission is planning a campaign of education in an effort to place Plainfield in the front rank of cities possessing desirable shade trees.

Delightful Automobile Trip.

Mr. and Mrs. Edward White, of this city, returned yesterday after a delightful summer vacation in the New England States. They made the Journey in their automobile, traveling through Connecticut, Vermont, Massachusetts, New Hampshire and Maine, covering several thousand miles. Notwithstanding the great distance Mr. White did not experience a puncture of an auto tire or the least bit of trouble.

Tillman Not on Duty.

Assemblyman Peter Tillman, of Rahway, has not assumed his duties as inspector of denatured alcohol, which position he obtained rather than make a fight for a fourth term nomination to the Legislature. It is said that he is endeavoring to fix up his business matters so that he can begin his new duties next week.

RUNAWAY HORSE DID WHOLE LOT OF DAMAGE

BUT WHEN STOPPED AT LAST, ANIMAL WAS NOT HURT.

A horse drawing a one-seat runabout, owned by Mrs. Alice Sanford, of New Market, ran through Front street, this morning, at a time when that thoroughfare was congested with traffic.

Something frightened the animal and he started at breakneck speed east toward Park avenue, colliding with one owned by Mrs. Oscar Zugbaum, Sr., of Clinton avenue. The rear wheels of her wagon were wrecked, but the animal darted on dragging in and around other vehicles until it reached police headquarters. There it hooked up with an other light rig and in the tangle succeeded in breaking away from the runabout taking the shafts along. The other rig was not damaged.

Continuing its mad race the horse made a bolt for the sidewalk in front of the Woodhull & Martin building, where it crashed into one of the show cases, completely wrecking it. Felix Charoels, who just resigned as a member of the police department caught the infuriated animal before it could do any further damage. Roundsman Higgins took charge of the horse and placed him in George Cole's stables. He was uninjured and was able to be driven home later.

The lone occupant of the runaway rig was a pet dog. He was thrown out, but afterward jumped on the seat and refused to move.

William Maxwell, the driver, who had been left at the postoffice, ran through Front street in search of his rig. Just as he reached the office of the Public Service Corporation he fell to the sidewalk in a faint. Bystanders carried him into the P. S. C. office. He regained consciousness in a half hour.

Mrs. Sanford is away from home and Mr. Maxwell has been in charge of her place.

FAT FEES GIVE WAY TO SALARIES, LESS PLUMP

COUNTIES TO GET SOME OF THE MONEY OFFICE HOLDERS HAVE RECEIVED.

Under the law of 1906, county clerks, surrogates, registers of deeds, and sheriffs elected this year will receive salaries instead of fees. The salaries are fixed on a basis of population. Union county officials will receive \$5,500.

The salaries are fixed as follows: In counties with a population of between 125,000 and 200,000, \$6,500; between 100,000 and 125,000, \$5,500; between 75,000 and 100,000, \$4,500; between 50,000 and 75,000, \$3,500; between 30,000 and 50,000, \$2,500; and in counties having less than 30,000 inhabitants, \$2,000.

Essex and Hudson counties were placed under the salary system several years ago, under a separate law applying only to counties of the first class. The election in 1908 will abolish the sheriff's fees; not until 1910 will the fee system of compensation be entirely abolished in the county offices.

Mrs. Mary A. Smith, formerly of South Plainfield, died yesterday afternoon at her home in Metuchen from an attack of typhoid fever. A husband survives. The funeral service will be held from the late home and the Catholic church at Metuchen tomorrow afternoon, and the burial will be in St. Mary's cemetery, this city.

Dr. J. Hervey Buchanan, of Duer street, leaves today for the south on a ten days' vacation trip, which will include his attendance at the National convention of the Knights of the Golden Eagles at Huntington, West Virginia, on Tuesday, Wednesday and Thursday of next week. Before returning he will visit other points of interest.

Autoist Has Driver Arrested.

Ezekiel Dunham, colored, driver for S. C. Baker, West Fifth street, was arrested this morning on a charge of careless driving. An automobilist accused him of running into his car at Second street and Park avenue. A panel and a plate of glass in the car were broken. The hearing was laid over for two weeks.

HIT BY A B. & O. FLIER

His Wagon Caught in Tracks in Dunellen, Driver Almost Killed.

BOTH HIS HORSES DIE

Gates Unbarred For Him As Express Train Thunders Toward Crossing—Body of Horse Carried On Engine.

His way unbarred by the gates that are supposed to safeguard drivers and foot passengers, Lester Shearer, nineteen years old, drove a two-horse delivery wagon into the path of a B. & O. flier at the Prospect avenue crossing of the Central Railroad in Dunellen, last night. He is lying today, at Muhlenberg Hospital, unconscious and in a critical condition.

Shearer has been in the employ of his aunt, Mrs. Lena Hoerster, of Somerset street, who conducts a wholesale liquor business, for two years. He drove the wagon to New Market yesterday on a regular weekly trip, and was on his way home at 7:45 o'clock, when the accident occurred.

Just before the wagon reached the crossing, train No. 13, a local, went by. The gates were closed. As Shearer drove up the gates opened, and he started across the tracks. Train No. 503, rushing at express speed, bore down upon the rig. It is said that the train followed so closely on the local that the gateman did not see its approach. Shearer had no chance to drive the wagon clear.

The engine struck the horses, and Shearer was thrown from his seat. The animals were killed outright, and Shearer was picked up unconscious. He was hurried to the hospital in the ambulance, and Dr. J. W. Endicott took charge of the case. He was suffering from concussion of the brain, a torn scalp and a compound fracture of the left arm.

The accident blocked the road for a half an hour. The body of one of the horses was carried, jammed against the pilot of the engine, over two blocks, and it was necessary to use the drill engine from the Dunellen yards to pull it away. The wagon was not badly damaged.

The accident threw Miss Margaret Mohan, who is the daughter of a veteran railroad engineer, into hysterics. She witnessed it, and gave way to her nerves on the spot. She was taken to her home.

Shearer came to North Plainfield from Jersey City, where his parents, Mr. and Mrs. Jacob Shearer, live. Mrs. Hoerster, who is Mrs. Shearer's sister, notified them of the accident last night, and they came to this city today.

S. P. C. C. ACCUSES MOTHER. Woman Said to Have Hit Daughter With Flat Iron

Morristown, Sept. 7.—According to the S. P. C. C., of this city, Mrs. Catherine Bowden, of Morris Township, used "undue severity in maternal correction" in disciplining her thirteen-year-old daughter, Sarah. It was represented that she hit the girl in the back with a hot flat-iron, burning her badly.

The mother's defense was that the girl has been associating with persons whom she considered unfit society for her, and Mrs. Bowden asserted she had tried every method of moral suasion to induce the girl to give up her associates, but without avail. The case came before Justice of the Peace Edward C. Johnson, who bound Mrs. Bowden over to keep the peace, Phoenix Miller becoming her security.

JOURNALISTIC OPINIONS

Justice Fort's Attitude.

The return of Supreme Court Justice J. Franklin Fort from Europe, and the statement he made upon his landing in this country yesterday, have not changed the gubernatorial situation in the least so far as he is concerned. His prepared interview was entirely non-committal as to things political, but he frankly admitted, in response to questions, that he would like to be the next Governor of New Jersey. He did not propose, he said, to make any canvass whatever for the nomination, but if the honor came to him he would resign from the bench and actively engage in the campaign for election. This is exactly the stand that Justice Fort assumed before he sailed, as was made public by friends who had been taken into his confidence. There is no likelihood of his changing his position when he becomes more fully informed as to what has transpired in a political way during his absence from New Jersey.

This fact makes it apparent that the reports that he would withdraw from the contest were entirely unwarranted, for he cannot withdraw from a race in which he is not formally entered. It might be possible for his friends to withdraw him, but they are not apt to do that, and he will undoubtedly be a factor in the primary contest, in Essex county next Tuesday. He has not appeared for votes, he has set forth no platform, and he has made no promises. Those who cast their ballots for him, therefore, must be impelled to do so by the knowledge that he is the

favorite of the county machine, or because they have confidence in his record that he is better fitted or more available for the honor than Sheriff Frank H. Sommer. So far as the Republican voters of Essex county will be permitted to decide in the primaries, they must make their choice between Messrs. Sommer and Fort, and the outcome of the primary contest will be watched for with great eagerness all over the State.—Newark News.

Ledyard Blair; Democrat State Convention, First district, Thomas Moore; Second district, no choice. Republican county convention, First district, R. The township candidates for the different offices are as follows: Republican—Freeholder (one to elect), George E. Crater, Josiah Ludlow; township committeeman, John McD. WANTS WESTERN PASTOR.

Liberty Corner Church Calls Rev. V. V. Nicholas, of Montana.

Basking Ridge, Sept. 7.—The Presbyterian church at Liberty corner held a congregational meeting Thursday evening for the purpose of calling a pastor. The meeting was presided over by Rev. J. T. Reeve, of this place, moderator of the session. After hearing the report of the pastoral committee, which was given by Judson Westcraft, the names of two candidates were placed in nomination. The vote was unanimously given in favor of Rev. V. V. Nicholas, of Montana.

Mr. Nicholas is a native of Pluckemin, and is well known in the community. It was voted to offer the pastor-elect a salary of \$700 a year, an annual vacation of three weeks, and the use of the parsonage. Judson Westcraft and C. C. Acken were appointed commissioners to prosecute the call before presbytery. It is not yet definitely known whether Mr. Nicholas will accept the call. If he does it is expected he will take charge of the congregation by November 1.

SPORTS HERE AND THERE

DIAMOND DUST.

This afternoon at Crescent Oval, the Clinton Avenues will meet Scotch Plains in a post-season contest. In view of the strong rivalry between these teams, the game should be a fine one.

"Willie" Deegan has returned from Asbury Park, with Mrs. Deegan, and he is looking fine. "Willie" has not been playing ball very much this season, apparently having lost interest in the game.

The Jersey City Eastern League team has been greatly helped this season by securing several major league twirlers. They have proved too strong for the opposing teams as a rule.

Howard Craig, captain of the Y. M. C. A. team, has returned from his vacation. He is already planning for next season's baseball team and he hopes to make it stronger than ever.

Ralph Schoonmaker has proved to be a good utility man behind the rubber. He has all the qualities of a good ball player and fights hard to win.

Out of fourteen games played this season, the East Millstone team has won thirteen. They will play one more contest with Carl Fleischman's "All Collegiates," before closing the season.

The Westfield team, which gave the Clinton Avenues such a hard rub a few weeks ago, will meet the locals on Crescent Oval next Saturday. The contest should draw a large crowd.

Scott, who has been playing with the Y. M. C. A. boys during the past few weeks, is a valuable man. He can fill in most any position and as a stickler he is hard to beat.

The Giants are riding the greased plank this season and there is now no hope for them. The Quakers let them down another notch on Thursday to the tune of 5 to 2. The best thing possible for McGraw's men now is to plan for next season by getting the team in better condition and strengthening the weak places. There is plenty of room for improvement.

GOLF.

The final play for the Scratch cup at the Plainfield Country Club today between Dudley H. Barrows and Lester Glenney should be exceptionally interesting to members of the club. Both players are at the top of their game and the match will undoubtedly be a close one.

Other events at the Plainfield Country Club today include the weekly competition for the Golf Committee and Green Committee cups. These competitions are increasing in interest as the season draws to a close and from the present outlook it would be exceedingly difficult to pick the winner.

The weekly competition for the President's, Club and September cups will hold the attention of the members of the Park Golf Club today and as a majority of the players are home from their vacation, there should be a large field.

An additional event will mark the play at the Plainfield Country Club today, it being the initial competition for the Autumn cup, Classes A and B. This will extend through the fall months.

An extra event scheduled at the Plainfield Country Club for next Saturday is a four ball foursome for cups.

At the Westfield Golf Club today there will be handicap match play for the players who qualified on the first four Saturdays of August. On the last Saturday of the month there will be the qualifying round for the club championship, a scratch event, open to all members of the club. The lowest sixteen scores to qualify for championship match play during October.

It is possible that the Park Golf Club will play a return home match with the Middlebrook Country Club, of Bound Brook, this fall. In the first match at Bound Brook the Parks were badly defeated, but now that the players are in better form the result should be different.

Charles A. Reed, one of the most active members of the Park Golf Club, has returned from his vacation and is in excellent condition to continue playing his favorite game. He intends to get busy now and land some of the cups in competition.

Milton G. Fischer, of East Orange, has returned home after a visit with Harold A. Nomer, of East Seventh street.

SCENE FROM "MARRYING MARY"

Scene from "Marrying Mary," at New Plainfield Theatre, Wednesday, September 11.

LOCAL AMUSEMENTS

Not since Amelia Bingham first became her own manager, according to press notices, has she had so daring a play as "A Modern Lady Godiva," which she will present here this afternoon and tonight. The scenes of the new play are laid in London at the present day.

William Collier and his farce, "Caught in the Rain," will be seen at the New Plainfield theatre on September 13. Mr. Collier's popularity was never greater than it is now, and it is probable that at no time in his career has he succeeded in making his audiences laugh so often and so heartily as he is doing at present.

Hap Ward has with him in his musical comedy, "Not Yet But Soon," to be seen at the New Plainfield theatre September 12, four comedians, any one of whom should be able to carry the burden of a musical farce. They are Fred Wyckoff, Lew Kelly, Ed. Gilmore and Abe Friedland.

At the New Plainfield theatre on September 10, Eldredge & Meakin will present Mary T. Stone and Algernon Tassins' romance of the west, "Judith of the Plains." This is Mr. Tassins' first drama but he has long been a contributor of short essays and poems to the Metropolitan Magazine.

Marie Cahill, star of "Marrying Mary," the Royle-Burt-Helm musical play which will be seen at the New Plainfield theatre, September 11, was born in Brooklyn. Miss Cahill announces with much pride that she "never spoke a piece," during her childhood, and that she was never precocious and never gained the reputation of being an infant phenomenon. She was never a member of the chorus.

AMUSEMENTS.

The opening week at Proctor's newest playhouse at Elizabeth, has passed and all who attended the theatre are unanimous in their praise of everything connected with "Elizabeth's Theatre Beautiful." The soft color scheme of old ivory, and vertigris, given first, attracts attention, then the cleanliness and cheerful aspect of all appurtenances, catches an eye, then the stage, with an entire new scenery, greet one, then the show, a typical "Proctor show" every art of the headline variety, gives the patron that satisfied feeling as he leaves the theatre. The retiring rooms for the ladies, and smoking rooms for the gentlemen, are but one of the many attractions, that appeal to playgoers. Think of a Broadway show almost at your door, without Broadway prices, and you have the advanced vaudeville of F. F. Proctor, as seen at Elizabeth. Sidney Deane's production of "Christmas on the Island," Nat Haines, The Four Nelsons, Jas. A. Kiernan & Co., Milt Wood, and the other vaudevillians who amuse the patrons this week, give way next week to an equal entertaining group of performers next week. The large bill will be headed by that well known and popular emotional actress, "Patrice," in her greatest success, "A New Year Dream." Trumbull Sisters Sextette, composed of the Misses Magie Trumbull, Frances Trumbull, Violet Wood, Billie Seaton, Marie Adams, Estelle Wilmet, who are a bevy of pretty girls who can sing and dance. Al. H. Weston and Irene Young will appear in the latest laughing absurdity by Junie McCre and John Gilroy, entitled in "The Gadding Gossipers." One of the best of all comedy singing quartettes, The Gaiety Comedy Four, will dispense popular music intermingling with good clean comedy. McRea and Poole offer an act that is of the greatest marksmanship of the age. One of McRea's feats is that of shooting two rifles, one in each hand. Harry Johnson is a black-face comedian with an operatic voice that shows an evenness of tone that is seldom heard in the varieties. A new and amusing series of motion pictures will also be shown. Taken all and all the program is one that is in keeping with the bright newest of Proctor's Theatre Beautiful in Elizabeth.

NEWARK WANTS VOTING MACHINES ABOLISHED

ITS COMMON COUNCIL ADOPTS RESOLUTION CONDEMNING THEM.

Resolutions that struck right out from the shoulders at the State's \$250,000 worth of voting machines were adopted by the Newark Common Council's unanimous vote last night. In unmeasured terms the devices that are used in fifty of Newark's 140 election districts and in 450 polling places in other parts of the State were assailed. Facts and figures in connection with the use of the machines and their cost were cited by Alderman Patrick H. Ryan, Democratic majority leader, in the preamble to his resolutions.

Mr. Ryan offered the measure with a request that it receive the support of all Aldermen. The resolutions follow:

"Whereas, The voters of the election districts of this city where voting machines have been in use are almost unanimous in opposition to and condemnation of the voting machines as a means of voting, believing as they do that the use of such a device interferes with a free and untrammelled exercise of that greatest of all privileges accorded the American citizen—his right of suffrage; and,

"Whereas, The use of such voting machines entails upon the taxpayer a cost of \$24 per polling place more than that incurred by the use of the old and time-honored ballot box, which has always seemed to be an emblem of the freedom he treasures, he it

"Resolved, That the Common Council of the city of Newark condemn the use of the voting machine at any election held in the city, and demand that the proper authority cause said machines to be removed, and that the Senators and members of Assembly of Essex county be requested to use all honorable means to cause the repeal of all laws providing for and requiring the use of the voting machines in the City of Newark; and, be it further

"Resolved, That the city clerk be and is hereby directed to cause a certified copy of this action by the Common Council of Newark to be placed in the hands of the Governor, the Secretary of State, the Senator and members of Assembly of Essex county and of the Voting Machine Commission."

There was no argument on the resolutions. Mr. Ryan presented the copy to City Clerk James F. Connelly and as soon as it had been read by that official the vote was taken.

WAR ON BISHOPS' BILL.

Mayor Haussling Sends Letter to "Liberal" Mass Meeting.

Answering a call for a mass meeting of "liberal citizens," nearly 1,000 assembled in Turn Hall last night at Elizabeth, and listened to addresses vigorously denouncing the Bishops' bill, by ex-Mayor Adolph Lankner, Hoboken; George Herman, of Newark; and Edward Brooker, of Elizabeth. A letter of regret was received from Mayor Haussling, of Newark, in which he said that but for a previous engagement it would have given him the greatest pleasure to speak at the meeting, and added, "I feel that it is necessary for the liberal citizens of the State of New Jersey to express themselves in unmistakable manner at this time."

A lengthy set of resolutions demanding the repeal of the Bishops' bill or some amelioration of present irksome conditions was adopted, and will be forwarded to the Mayor and city Council of Elizabeth with the request that the legislative committee be instructed to do all in its power to secure the repeal of the obnoxious measure or the passage of some adequate amendment.

JERSEY MAKES CIGARS

Marked Increase in Tobacco Industry in this State.

NOW SIXTH ON LIST

Manufacture of Tobacco in This Country Is Principally For Domestic Uses.

The Bureau of the Census at Washington has issued a report on the manufacture of tobacco. The statistics presented relate to the production of cigars, cigarettes, chewing and smoking tobacco and snuff.

The manufacture of cigars and cigarettes, it is stated in the report, is one of the few factory industries that are represented in every State and Territory. The production ranges in value from \$9,310, reported for the State of Mississippi, to \$50,623,617, reported for New York. The production in New York represents in value 28.3 per cent. of the total production (\$214,350,051) of the United States. There were four other States for which the reported value of products exceeded \$10,000,000. These States, with the value of product, were as follows: Pennsylvania, \$39,079,122; Florida, \$16,764,276; Ohio, \$13,241,230; and Illinois, \$11,669,485. As compared with the census of 1900 a very noteworthy increase in the value of product is shown for New Jersey, in which the production increased from \$2,647,595 for 1900 to \$8,331,611 in 1905. This increase was due chiefly to the establishment of a number of large cigar factories, most of which were owned by one corporation. As a result, New Jersey advanced from the twelfth place in 1900 to the sixth at the census of 1905.

The production of chewing and smoking tobacco and snuff is confined to a smaller number of States than that of cigars and cigarettes. The total production reported for the United States is \$116,767,630. Of this total, \$27,836,422 was reported for Missouri and \$25,488,271 for North Carolina, these being the two leading States.

The figures for 1905 show that the value of products in the tobacco industry was \$321,117,681, the capital employed being \$323,983,501. In the same year the industry expended \$126,988,608 for materials, \$62,649,303 for wages, \$8,800,424 for salaries and \$80,145,016 for miscellaneous expenses.

According to the reports of the commissioner of internal revenue the total amount of tobacco manufactured in 1904 was 448,511,583 pounds, the quantity used in the manufacture of cigars and cigarettes being 141,020,029 pounds, as compared with 307,491,554 pounds used for the production of chewing and smoking tobacco and snuff.

According to figures derived from the reports of the commissioner of internal revenue, the number of cigars manufactured in the calendar year of 1904 was 7,376,669,472 and the number of cigarettes was 3,433,993,422.

The number of wage-earners employed in 1905 in this industry was 159,408; this represents the average number employed during the year and includes 85,691 men, 66,301 women, and 7,416 children under 16 years of age. The proportion of women comprised in the total has greatly increased in recent years. In 1880 only 23.1 per cent. of the total number of wage-earners in this industry were women. This proportion increased to 29.8 per cent. in 1890, 37.2 per cent. in 1900, and 41.6 in 1905.

It would appear from the figures presented in this bulletin that the manufacture of tobacco in this country is principally for domestic consumption. This is particularly true as regards cigars.

LOCAL OPTION GAINS THROUGHOUT COUNTRY

TWENTY-FIVE STATES GIVE VOTERS SAY ON EXCISE REGULATION.

In connection with the present agitation in New Jersey over the excise question, Alderman William P. Martin, of Newark, who is chairman of the State Republican League for Equal Taxation and Limited Franchises, has been looking into the question of what other States have done and are doing with excise matters. To inquiries addressed to authorities, Mr. Martin has received replies and information from forty-two States and Territories.

Significant illustration of the trend of public sentiment and legislation concerning the liquor question is found in the fact that of the forty-two States and Territories heard from, four—Maine, Kansas, North Dakota and Georgia—have prohibition, while not less than twenty-five States have established local option as the basis of their solution of the problem.

These facts gathered by Mr. Martin of conditions in other States also show that California is the only State in the Union that has established absolute home rule in the regulation of excise affairs, along the lines declared for by Sheriff Frank H. Sommer, Senator Everett Colby and the eleven "new idea" candidates for Republican Assembly nominations in Essex

FREEMAN SPRINGS ANOTHER INVECTIVE

EAST ORANGER REFORMER AGAIN ATTACKS JUSTICE FORT.

Alden Freeman, following his action in attacking Chandler W. Riker at a dinner given to a party of his friends, played host at another dinner last night in the Continental Hotel, Newark, and after telling his half-hundred guests they were not in any way to be bound by anything he said, made another attack upon Supreme Court Justice J. Franklin Fort.

Mr. Freeman had a carefully prepared address which he read before the dinner party, a gathering of men of various political faiths, including many New Idea workers in East Orange. Several banners representing Sommer ward clubs in East Orange were placed about the table. Sheriff Sommer was not present at the gathering. Mr. Freeman said:

"Judge Fort sees fit to content himself at this time with raising a question of veracity between us. If that outcome of the controversy is satisfactory to Judge Fort, I am, for my part, content to let the public choose between us as to which is to be believed." Having said this Mr. Freeman proceeded to lambast Judge Fort, accusing him of being avowedly a candidate, and having "positively declined to discuss the charge of malfeasance on the bench, made with great particularity by a distinguished citizen of Middlesex county, Charles A. Bloomfield, of Metuchen, in connection with the Amboy bridge corruption case." Mr. Freeman bitterly admonished to the "time worn excuse of the dignity of the judicial ermine, with which he (Judge Fort) seeks to cover his past as by some magic tarnhelm," and then the speaker alleged that some years ago Judge Fort had acted for certain brewery interests when chairman of a Republican State committee to shape the action of the convention on the excise question.

For this, Mr. Freeman said, Judge Fort was retired from politics for some years. Mr. Freeman quoted from that very reliable authority, Sackett's "Modern Battles of Trenton," to prove his statements, and he made vague references to other scandals which he might exploit if he had a mind.

He was arraigned before Justice Sutphen on a charge of murdering his father, John C. Stryker, on August 25. Stryker is still despondent and it is believed that he will be driven by remorse to take his own life at the first opportunity.

Organization has been effected at Peapack and Gladstone for village improvement, and it is quite probable that at a near future date the first step for incorporation will be taken.

Chandler W. Riker, of Newark, who owns a handsome country residence at Peapack, is chairman of the society formed, and the directors are George R. Mosle, W. J. Tiger, William D. VanDerbeek, W. C. Horton, George S. Van Arsdale, Ethelbert C. Blazure, Charles H. Tiger, Frederick Huyler and David Philhower.

Committees have been appointed to inquire into different projects which would be likely to be for the betterment of the towns, and Mr. Riker has called a meeting for Saturday, Sept. 14, when the committees will report. Among other things besides incorporation that will be investigated are municipal water and lighting plants.

TRIMMER CHEATED HIMSELF.

Collector of Roselle Borough Sued for Alleged Shortage.

Charles B. Trimmer, collector of the borough of Roselle, was served yesterday with papers in a suit for \$3,000 in an action in tort alleging shortages in accounts. The actual amount involved is \$1,697.02. The suit is brought by the Mayor and Common Council of Roselle. In one instance it is alleged that the collector, when directed to take \$1,500 out of the borough's funds and pay it to the school fund, credited himself with paying out that amount, but failed to charge himself with its receipt for the school fund, of which he is custodian.

The discrepancies are due, it is alleged, to gross carelessness, as in several instances Trimmer cheated himself by crediting too much to the borough. It seems he mingled his own and the borough's money.

To date \$2,445 has been subscribed, and the committee has made another appeal.

Edmund Pack, of Park avenue, was successfully operated upon this morning by Dr. G. W. Endicott for the removal of a growth.
