Some Random Thoughts of

Foreign Climes.

NOTES OF INTEREST

American Travelers Should Beware
of Bad Coins—Quaint Signs
Which Amuse the For-
eigner.

BELLARIO, September, 1907.
If a traveler desires to get really
cooled off in the summer time he
should visit the Italian lakes. This
statement seems to partake of a
paradox, yet if any one of your read-
ers had been with me a short time
ago at a famous hotel in Como, he
would have, I am sure, willingly set
his seal of approval as to the ver-
acity of my remark as above cited.
That evening the wind howled and
blew as it does during a March cy-
clone in New Jersey, and the next day
saw many men wearing overcoats
for comfort.

Sheltered as the lakes of Como,
Lugano and Maggiore are from the
glacial blasts of wind that are wafted
over the Lepontine hills, yet they
absorb just enough of the iciness of
them to radiate a temperature both
crisp and invigorating. That the sea-
son now is pleasant must sound a
note of gladness to the hotel prop-
rietors, who have managed to finan-
cially survive the very rainy earlier
months of the year, for the wet sea-
son was prolonged to an extent far
beyond the memory of the oldest
hotel keeper. It was not so only in
England, Belgium, Germany, France,
Switzerland, Spain and Portugal I
hear the same thing. In beautiful
Devonshire during the months of May
Italy, but everywhere in Europe. In
June it rained almost continuously,
and while it depleted the pocket-
books of the bonifaces yet it pro-
duced a luxuriance of foliage, a
wealth of flowers and an abundance
of crops hardly ever excelled.

As to the Autos.
While in France, Italy and Spain
the automobile is still in the eyes of
those able to afford them. The con-
veyance par excellence, yet in Eng-
land, Belgium, Baden and Switzer-
land they are not now regarded with
the favor originally bestowed, and
many stringent regulations must be
compiled with at the present moment
that only a few years ago were not
considered desirable to suggest on
account of the pleasant possibilities
that it was hoped the auto would
develop. Although the season is now
on the wane the mention of the first
auto in the St. Moritz region is an-
nounced, and the Herald item states
"rigorous restrictions to its coming
were imposed by the Grisons govern-
ment," that being the governing body
of the Canton in which St. Moritz
is located. Recently on a protected
track at Weybridge, in England, an
automobile was driven 1,261 miles
in twenty-four hours, so the press
reports state, and while a few stunts
were made yet while running it aver-
aged sixty-six miles per hour. Many
are reasoning that if such vehicles
are allowed to use the highway why
not allow trams controlled by tracks
the same privilege, and the reason-
ing being in favor of the locomotive
because of its slower speed, you now
see trains moving in streets hereto-
fore unaccustomed to the sight; not-
ably in this so in Ostender, Bruges,
Brussels, Luxembourg and Switzer-
land.

Traveling Americans are prone
to notice anything out of the
ordinary in foreign countries while
passing over with toleration any ec-
centricity obtaining in their own.
Owing to the many ties that bind us
to Great Britain, I am sure John Bull
will not be offended if I remark on
some of the signs which were promi-
nently observed while passing
through various English cities. "The
Spotted Cow Hotel" was the sign that
hung above a very respectable ap-
pearing hotel in the north of Eng-
land, and a few minutes later we
read, "Shaving, Hair Cutting and
Repairs," endeavoring to attract the
attention of those more seriously in-
clined to pay heed thereto than our-
selves.

"The Hen and Chickens" Hotel is
a well kept inn in the west of Eng-
land, while "Hogg & Hogg," butch-
ers and provision dealers, do a very
large business within a stone's throw
of the Caledonian depot of a large
northern centre, while the sign "Our
prices are like a sinking ship, going
down, down, down," must have or-
iginated during the period when ac-
cidents upon the sea were of more
frequent occurrence than at the pres-
ent time. Mr. E. Trickey holds him-
self out to be an honest hotel prop-
rietor, while there is a quiet street
in Bath where "Slick Cats are At-
tended," while a "Botanical Brewer"
in Maidenhead and "Goldman" and
"Bread" street in London did not
escape our observation.

Much attention is being paid to the
British working man at the present
time. His hours of labor are shorter.

KNOW HOW TO GET BACK LOST ARTICLES

MISS TOWNLEY RECOVERS WATCH AND
PIN—MR. BEERS A BRACELET.

Miss Townley, of Grandview ave-
nue, lost a silver open-faced watch
and pin, and sought the quickest
means of recovering the property by
advertising her loss in The Daily
Press. The watch and pin were found
by Edward Kenney, an employee of
J. A. Smith Bros., who, of course,
reads Plainfield's leading paper. They
were promptly returned to the owner.
Just another striking illustration
of how The Daily Press advertise-
ments pay. A member of A. B.
Beers' family lost a bracelet. It was
advertised in this paper. S. A. Krom,
of Watchung avenue, found the
bracelet and naturally looked into
The Daily Press columns to learn
who lost it. Mr. Krom found the
"lost ad," all right and then sent the
bracelet to this office, where Mr.
Beers obtained it.

FRIENDS OF MISSIONS IN ALL DAY SESSION

FIRST PRESBYTERIAN WOMEN HOLD
INTERESTING MEETING.

For the purpose of enlisting the
members in the fall and winter work
for foreign and home missions, an
all-day rally meeting of the Women's
Foreign and Home Missionary Societies
was held in the chapel of the First
Presbyterian church yesterday. The
services were largely attended.

The Foreign Missionary Society
met in the morning, and Miss
Koll, the president, was in charge.
The usual exercises were held and
reports were received from all parts
of the foreign mission field, show-
ing what has been accomplished dur-
ing the past year. There was a dis-
cussion as to the advisability of form-
ing missionary study classes, and a
committee comprising Mrs. Peter B.
Bodine, Mrs. W. F. Hamilton and
Mrs. Howard A. Pope, was appointed
to look into the matter and report
later. It was the opinion that the
classes would be formed.

Luncheon was served at noon by
a committee from both societies,
after which the afternoon session
was taken up with a discussion of
matters pertaining to home mission
work. Mrs. Howard A. Pope, the
president, was in the chair. After
receiving reports from the home mis-
sion field, the members enjoyed an
interesting talk by Mrs. William Lud-
low, of Westfield, who presented ex-
tensive notes on the missionary con-
ference held at Silvery Bay, Lake
George, during the past season. The
talk enthused the members and en-
couraged them to greater efforts.

Last evening the members of both
societies, together with other mem-
bers of the church and congregation,
attended a meeting in the chapel,
which was addressed by Mrs. Coch-
rane, a missionary to Persia. She
is engaged in medical mission work
in that country, and she gave a con-
cise and comprehensive account of
her labors among the natives of that
country.

HARVEST THANKSGIVING.

Salvation Army Will Hold Three-
Days' Celebration.

The harvest thanksgiving services
of the Salvation Army will be held
Saturday, Sunday and Monday in the
Army Hall on East Second street.
The services will be conducted by
Captain and Mrs. Hopkins, the resi-
dent officers of the city, assisted by
Lieut. T. Johnson. An aggressive
work has been in progress since their
advent to Plainfield two months ago,
and they are now busily engaged in
preparing for the coming winter's
campaign. The hall will be taste-
fully decorated this week-end with
flowers and fruits. Appropriate mu-
sic will be rendered, also solos by
Mrs. Capt. Hopkins.

The harvest program arranged is:
Saturday, 8 p. m., "Bringing in the
Sheaves;" Sunday, 11 a. m., "Spiritual
Lessons from Nature;" 4 p. m.,
"Harvest Song Service;" 8:00 p. m.,
"Sowing and Reaping;" Monday, 8
p. m., "Harvest Home Demonstra-
tion," for which the platform will be
made to represent a harvest field,
and the various processes connected
with seed-time and harvest will be
realistically portrayed by the work-
ers, interspersed with harvest songs.
Contributions of any kind, flowers,
fruit, vegetables, or cash will be
gratefully received by Capt. Hopkins
or his band of workers.

Engagement Announced.

The engagement is announced of
James M. Leonard, son of Mr. and
Mrs. Oliver B. Leonard, of Mercer
avenue, to Miss Marion Thompson,
daughter of Mrs. William Thompson,
of this city.

KATZENBACH TO STUMP

The Democrats' Gubernatorial
Nominee to Get in the Saddle
After Notification.

CONGRATULATIONS HIS

Former Senator James Smith, Jr.,
Wishes Him Success—Member-
ship of Notification
Committee.

Frank S. Katzenbach, Jr., the Dem-
ocratic candidate for Governor, said
yesterday that he had yet made no
plans for the campaign, but that he
would visit all portions of the State
during his stumping tour. Among
the messages of congratulation he has
received was one from ex-United
States Senator James Smith, Jr.,
wishing his success.

Mr. Katzenbach declined to discuss
the situation until after the official
notification of his nomination is re-
ceived and he has issued a formal
letter of acceptance.

The notification committee select-
ed by the convention consisted of the
following members: M. A. Cobine,
Atlantic; George Van Buskirk, Ber-
gen; George Montgomery, Burling-
ton; David Peterson, Camden; M. H.
Burns, Cape May; Speaker Edgar
E. Leithbridge, of the Assembly, Es-
sex; Edward G. Grosscup, Glouces-
ter; Robert Davis, Hudson; John J.
Matthews, Hunterdon; Prof. William
M. Daniels, Mercer; Robert Adrain,
Middlesex; R. B. Lawrence, Mon-
mouth; Winfield B. Gillen, Morris;
Senator John Hinchliffe, Passaic;
John H. Frick, Somerset; Senator
J. C. Price, Sussex; General Dennis
F. Collins, Union, and Senator John-
ston Cornish, Warren.

The Democratic State headquar-
ters will probably be located in New-
ark or Jersey City, with auxiliary
offices in this city, probably at 137
East State street, the Mercer county
headquarters.

JERSEY WATERMELON CROP IS A WHOPPER

PRICES TUMBLING AND FRUIT SELLING
AT \$9 A HUNDRED.

Burlington county's watermelon
crop, taken as the standard of Jer-
sey's output, is turning out to be a
whopper, if not a record-breaker, de-
spite predictions otherwise, made
earlier in the season. Farmers were
joyful over high prices obtained for
the first melons of the year, but the
public is now having its inning.

Where the housewife was paying
50 cents for any sort of a melon
three weeks ago, prices have tumbled
until the fruit is now selling in the
market at \$9 a hundred, with pros-
pects of a still further decline from
the ripening crops.

Many farmers are shipping their
entire melon crop by canal to the up-
per Delaware valley, where prices,
such as obtained here early in the
season, are still steady.

New Mail Boxes Installed.

Twelve new private mail boxes of
the large size were installed at the
postoffice this morning, taking the
place of those put in when the im-
provements were made. The new
boxes are equipped with Yale locks,
the only kind that have proved satis-
factory. It was claimed that the old
boxes could be opened without a key.
The new boxes are not provided
with glass fronts and it is impos-
sible for a person to see the mail in
them as was the case with the old
ones.

Using Macadam for Repairs.

The macadam which is being taken
out of Park avenue to make way for
the brick pavement, is being used
on other streets needing repair. Some
of it has been placed on Park avenue
between Fourth street and some on
West Third street. Unless the
weather interferes the work of lay-
ing brick will begin on Park avenue
the last of this week of the first of
next.

Funeral of Miss Blyth.

The funeral of Miss Katrina Blyth,
aged nine years, was held from the
residence of the parents on Terrill
road, yesterday afternoon at 2
o'clock. Father Smith, of Westfield,
conducted the service. The burial
was in St. Mary's cemetery, and the
pall-bearers were William Manning,
James Lamberson, Robert Boroth
and Edward Allen.

Beautifying Vine Street.

William C. Kraushe has purchased
the two dwelling houses northwest of
his own property on Vine street, the
borough, and is moving one of them
back several feet in order that the
front will be on a line with the other
houses, and he then intends to put
both the properties in good condition
and rent them to only desirable ten-
ants.

WEDDING CEREMONY AT "TRUETT HALL"

JOHN F. POUND TO BECOME A BENE-
DICT THERE ON SEPT. 25.

Invitations have been issued to the
wedding of Miss Helen Sparks, of
Philadelphia, and John Fowler
Pound, of West Front street, which
will take place on Wednesday night,
September 25, at Truett Hall, Neth-
erwood. The affair will be one of
social importance and will mark the
first one of the kind held there since
Mrs. J. R. Truett became the owner.
The invitation list is a large one
and will include people from Phila-
delphia, New York and distant points.
Following the ceremony a reception
will be held at the same place.

The ceremony and reception will
take place in the large and bright
ballroom at the Hall, which is
particularly well adapted to such
functions.

The groom, who is a well known
traveling salesman, is the son of Dan-
iel S. Pound, of 1328 West Front
street. The bride is prominent in
social circles in the Quaker City,
where she has a large number of
friends.

After the wedding tour the couple
will reside in this city.

HORSE FALLS ON BOY, RIDER THROWN 10 FEET

BALKY HORSE CAUSES MUCH EXCITE-
MENT FOR A TIME.

While watching the antics of a
fractious horse which Henry Peter-
son, of East Third street, was riding,
this morning, his son, aged 15 years,
stumbled in the path of the balky
animal and at the same time the
horse slipped and his entire weight
fell on the lad. The rides was thrown
a distance of ten feet, and for a few
minutes there was much excitement.

The lad's cries could be heard a
block away and attracted the atten-
tion of the whole neighborhood. Af-
ter considerable difficulty the boy was
rescued and hustled to his home near-
by, where a physician was summoned.
Although the extent of his injuries
are not known, they are not believed
to be serious. Mr. Peterson escaped
injury.

AUSTEN HALL MCGREGOR A 3RD DEGREE MAN.

Supreme Council of Masonry Confers
Honor on Well Known
Jerseyman.

At Tuesday night's session of the
Supreme Council of the Ancient Ac-
cepted Scottish Rite of the Northern
Masonic Jurisdiction of the United
States of America, at Boston, the
unusual distinction was conferred
upon Most Worshipful Grand Master
Austen Hall McGregor, of Newark,
of electing and crowning him an hon-
orary member of the thirty-third de-
gree, Sovereign Grand Inspector Gen-
eral.

There is usually an interval of at
least a year between electing and
crowning members of this, the high-
est and last of all Scottish Rite
grades.

It is also worthy of note that Mr.
McGregor is the first thirty-third de-
gree Freemason ever credited to the
city of Newark, so far as is recalled.

Birthday Anniversary Surprise.

Adelbert Edell, of East Third
street, was given a birthday surprise
party at his home last night. The
young man having attained his
eighteenth year, Lawrence O'Neill
and Theodore Pruden planned the
surprise. A company of fourteen
young people met at Mr. Pruden's
home, and then proceeded to Mr. Edell's
home. The evening was spent in
dancing, singing and playing games,
after which refreshments were
served. Mr. Edell received a number
of presents.

Oscar C. Zugbaum, Jr., Weds.

Miss Minnie H. Holzer, of this
city, and Oscar C. Zugbaum, son of
Mr. and Mrs. Oscar C. Zugbaum, Sr.,
of Clinton avenue, were married Sat-
urday afternoon at the home of the
groom's parents. Rev. C. W. P. At-
lee, pastor of the Baptist church,
South Plainfield, performed the cer-
emony beneath a large floral arch
erected on the lawn. The couple were
married on the lawn. The couple were
unattended. After a wedding jour-
ney the bride and groom will reside
here.

Theresa Edith Matthews.

Theresa Edith Matthews, the 11
months' old daughter of Mr. and Mrs.
Arthur B. Matthews, died this morn-
ing at the home of the parents, 23
Pearl street, the borough. The fu-
neral service will be held from the
parents' residence Saturday after-
noon at 2 o'clock.

FISK IN FOWLER'S PLACE

Plainfield's Mayor Slated to
Succeed Congressman as
State Committee Member.
IS A POPULAR CHOICE

Party's Nominee For Governor Will

Make the Change In Compli-
ance With Leaders'
Request.

Charles Newell Fowler, the ab-
sentee member from the Fifth Con-
gressional district, will take another
fresh slide into political oblivion
when the candidate named by the
Republicans today appoints his allot-
ment of members for the State com-
mittee. As well known beyond the
confines of Union county, Mr. Fowler
is unpopular with the masses of party
workers, and they have lost no op-
portunity to help put him out of the
way, and have frequently demanded
his head from the powers that be.
Now the rank and file demand that
Mr. Fowler receive no reappointment
to his present berth, while he has
held ever since his personal friend
and political colleague, Foster Voor-
hees, of Elizabeth, placed him on the
committee when himself the nominee
of the party for Governor.

Unless the people on the inside are
much mistaken, Mayor Charles Joel
Fisk, of Plainfield, will be his suc-
cessor. Mr. Fisk's name will be pre-
sented for the place by the regu-
larly recognized leaders of the coun-
ty, and it is said that there will be
no alternative for the gubernatorial
nominee inasmuch as Voorhees would
be his only champion within the
county for reappointment. United
States Senator John Kean is an
appointive member on the State
committee. His brother, Hamilton
F. Kean, is also a member by virtue
of F. Kean, the regular county member.

RAILROAD EVADED TAX IN MIDDLESEX COUNTY

ASSESSOR FINDS SOUTH AMBOY COAL
PILES SMALLER THIS YEAR.

The Middlesex County Tax Board
has fixed the rate of taxation for the
several townships throughout the
county. In South Amboy the assess-
or last year found \$450,000 worth of
coal stored there by the Susquehanna
company. He assessed it, and the
railroad company appealed, but the
assessment was sustained by the
courts. The coal company this year
cut down the supply, so that only
half of the amount of last year was
there when the assessor visited the
place this time. The tax rate of the
several townships is as follows:

New Brunswick, \$1.90; South
Brunswick, \$1.84; East Brunswick,
\$1.56; North Brunswick, 87 cents;
Cranbury, 92 cents; Monroe, \$1.28;
Madison, \$1.26; Sayreville, \$1.20;
South Amboy, \$1.85; Perth Amboy,
\$1.72; Woodbridge, \$1.64; Piscata-
way, \$1.24; Raritan, \$1.60; Dunel-
len, \$1.82; Helmetta, \$1.28; James-
burg, \$1.54; Milltown, \$1.70; South
River, \$1.64, and Highland Park,
\$1.67.

GEN. COLLINS TO BE MARSHAL.

Will Head Parade on Opening Day of
Elizabeth's Old Home Week.

All building and carpenter shops
in Elizabeth will be closed on Mon-
day, October 7, in honor of the open-
ing of Old Home Week in that place.
The Builders' Exchange have decided
on this move, and also appointed a
special committee to assist in fur-
thering the plans for the big cele-
bration. The committee consists of
Joseph Ellbacher, L. Davis and
Michael Beglan.

General Dennis F. Collins has ac-
cepted the appointment as grand
marshal of the big civic parade which
will be held on the first day. He
will announce his staff in a few days.

Stole Copper Wire.

The storage house of the New York
and New Jersey Telephone Company
at Summit was broken into Monday
night and several coils of wire were
carried away. The local police and
several detectives who have guarded
the facts of the robbery with much
secrecy, have been at work on the
case during the week, and today a
part of the wire was found in the
woods near the Chatham turnpike.
The detectives are said to be close
on the trail of the thieves, and ex-
pect to make arrests soon.

Sneak Thief at Work.

While his rig was standing under
the sheds at the Farmers' Hotel on
Somerset street, Wednesday night, a
sneak thief stole a lap robe and whip
belonging to J. E. Mathews, of the
borough.

NELSON RUNYON MADE OFFICER OF VETERANS

CHOSEN VICE PRESIDENT OF 30TH N.
J. VOLS. ASSOCIATION.

Former City Judge Nelson Run-
yon, of this city, was elected vice
president of the Thirtieth New Jer-
sey Volunteer Regiment Veteran As-
sociation at the seventeenth annual
reunion held at Rahway, yesterday,
in the rooms of Barry Post, No. 27,
G. A. R. Captain James V. Vander-
veer was re-elected president. It was
decided to hold the next reunion of
the association at Somerville on the
third Wednesday in September, 1908.

Seventy survivors of the regiment
attended yesterday's reunion. The
veterans were welcomed by Captain
N. V. Compton and Acting Mayor Dr.
A. J. Westlake. At 3 o'clock in the
afternoon the veterans were enter-
tained at a banquet at the Hotel
Wyndham. One of the principal
speakers at the banquet was Rev.
Dr. Thomas C. Mayham, pastor of
Trinity M. E. church, himself a vet-
eran, and member of the G. A. R.

ROBERT MANTELL USES 14 COACHES ON TOUR

GREAT TRAGEDY TO APPEAR HERE IN
"KING LEAR".

Robert Mantell's equipment for his
repertoire of Shakespeare is the most
extensive of any English speaking
player of the day. When, next Tues-
day night, October 1, he appears in
the New Plainfield theatre as King
Lear, those present will see a mag-
nificent scenic production of the play,
with a variety of correct costumes,
with properties that go to make verisimilitude, and with all the para-
phernalia one expects to find in a
theatrical performance of the first
class. Well, what is done for one
play is done for all the plays in Mr.
Mantell's repertoire, and it contains
at present not fewer than ten. They
are:

"King Lear," "King Richard III.,"
"Othello," "Hamlet," "Macbeth,"
"The Merchant of Venice," "King
John," "Julius Caesar" and "King
Richard II.," of Shakespeare's, and
"Richello," which he is compelled
to keep in readiness, because of fre-
quent requests for it.

This means that when Mr. Man-
tell is on a tour of the big cities, he
travels with eight sixty-foot baggage
cars for scenery and costumes, with a
special car for himself, with a
special car for the stage crew, with
two sleeping cars for the members
of his company, and with two coaches
for daytime use.

Yet, with all this immense outlay
on tour, Shakespeare does not spell
"ruin" for this fine actor, who has
been immensely successful ever since
his return to New York city in De-
cember of 1904, when he acted in
"King Richard III.," and his revival
there of "King Lear" a year later.

TAILORSHOP FIGHT.

W. G. Tunison and Others Lectured
by Court.

William G. Tunison, a North ave-
nue tailor; Norman Ammerman and
another young man were arraigned
before City Judge William N. Run-
yon in police court this morning on
a charge of scrapping at Mr. Tun-
ison's place of business yesterday af-
ternoon. According to the story told
in court, Mr. Tunison had been "pick-
ing" at Ammerman, when a third
party jumped in and took his part.
A general mix-up followed. There
were no serious consequences. After
giving the young men a warning they
will not forget, Judge Runyon sus-
pended sentence.

Approaching Wedding.

Announcement is made of the ap-
proaching wedding of Miss Euphemia
J. Johnson, daughter of Alexander
Johnson, of Grant avenue, and Wil-
liam Whitwell Robison, of New Ro-
chelle, N. Y. The ceremony will take
place at the home of the bride's fa-
ther on Grant avenue, Thursday eve-
ning, October 10, at 7:30 o'clock. The
bride has been a resident of this city
but a short time. Mr. Robison is en-
gaged in the practice of law in New
York city.

Funeral of Miss Dumont.

The funeral service of Miss Annie
Jean Dumont, aged 16 years, daugh-
ter of Mr. and Mrs. Henry K. Du-
mont, who died yesterday, will be
held from the residence of the par-
ents, 45 Prospect place, tomorrow
afternoon at 3:15 o'clock. The burial
will be in Hillside Cemetery.

Dr. J. Hervey Buchanan Home.

Dr. J. Hervey Buchanan, of Duer
street, who has been taking a vaca-
tion of ten days, during which he
attended a convention of the Knights
of the Golden Eagles in the South,
has returned home and resumed his
practice.

G. O. P. PICKS GOVERNOR

Griggs Chairman at Gathering
of Republican Clans in
Trenton Today.

UNION MUCH DIVIDED

But Somerset Plays "Foxy Grandpa"
Game—Plainfield Delegates
Are Split Over Nom-
ination.

When former Attorney General
John W. Griggs, of Passaic county,
called the Republican State conven-
tion to order shortly after noon today,
at Taylor Opera House, Trenton, it
was pretty well conceded that Justice
J. Franklin Fort, of Essex county,
will be chosen as the party's nominee
for governor. Fort appeared to
have a majority of the delegates be-
fore the convention convened al-
though there was strong sentiment
for Justice Pitney, of Morris, and
Vivian Lewis, of Passaic.

The Colbyites mustered 200 votes
for Sheriff Frank Sommer, of Essex,
and declared that they would stick
out to the last for their candidate.
State Senator Everett Colby was
chosen to place him in nomination.
They look for help from the regu-
lars should there be more than one
ballot taken.

Wilbur A. Mott, of Essex county,
placed Justice Fort's name in nomi-
nation. He delivered a ringing
speech in which he paid a glowing
tribute to the worth of the man and
predicted that he would sweep the
State. Lewis was named by General
Conceon, of Passaic, who presented
him as the ideal of the young Rep-
ublicans.

There are 1,157 delegates, making
579 necessary for a choice. It was
freely whispered early in the day
that Pitney could win if the delegates
were left free to act as they please.
Senator Freelinghuysen, Senator Ack-
erman, County Chairman F. H. Smith
and Mayor C. J. Fisk opposed the
arguments of those who wanted the
united rule enforced in the various de-
legations.

State Senator Ernest R. Ack-
erman, of this city, was chosen chair-
man of the Union county delegation
which went into caucus at 10 o'clock
this morning. The delegation select-
ed Assemblyman Randolph Perkins
as their representative among the
vice presidents of the convention. An
informal poll showed an overwhelm-
ing sentiment for Justice Fort. This
was the approximate poll for the
county: Fort, 50; Lewis, 10; Som-
mer, 5; Pitney, 4.

Plainfield's delegates were much
divided. "Viv" Lewis was the fa-
vorite. This was the poll of Plainfield's
members: Lewis, 6; Pitney, 3; Som-
mer, 3; Fort, 1. For membership on
the convention committees the fol-
lowing were selected: Credentials,
George F. Vreeland, of Summit; per-
manent organization, Henry Claus,
of Elizabeth

One of our clients owed \$18 between four people. His salary is \$14 weekly; rent \$12 monthly. To have paid \$2 weekly to each creditor, combined with rent, would have left only \$3 per week to meet expenses, buy clothing, etc.—an impossibility you will agree. POINTS FOR THE BUYERS

ACCUSES A GIPSY.

Westfield Man Says He Bought Horse That Was Sick.

Elizabeth, Sept. 19.—Michael Lovell was arrested Monday night at the gipsy camp, on the Newark-Elizabeth boulevard, on a warrant obtained against him in the police court here by Joseph Innarowe, of Westfield, who charges that Lovell, several months ago, sold him a horse, which Lovell warranted to be perfectly sound and in first-class condition. The animal, Innarowe says, was sick at the time, and died a couple of weeks later.

The complainant says he paid Lovell \$102 for the horse, and when he went to look for the latter at the gipsy camp he found that Lovell had vanished. The Westfield man, a couple of days ago, learned that Lovell had returned to his tribe, and decided to have him taken into custody. He is a son of "Old Gipsy Chief" Joe Lovell, for many years head of the tribe of that name.

RAILROAD COMMISSION ASKS FOR MORE POWER.

The State Railroad Commission, in session at Trenton yesterday, decided to ask the Legislature for more power relative to the abolishing of nuisances. This action was taken largely because of complaints that have been received from Passaic that the smoke from soft coal burned on the Erie railroad is an intolerable nuisance to people living along the line of the road.

Representatives of the Lehigh and Hudson railroad appeared to protest against the order directing them to place safety devices at Franklin Junction, the statement being made that the road is a small one and unable to stand for expensive improvements.

No action will be taken on the grade crossing question until additional power is conferred on the commission by the Legislature.

British Navy Salutes.

A salute in the British navy between two ships of equal rank is made by firing an equal number of guns. If the vessels are of unequal rank, the superior fires the fewer rounds. A royal salute consists of first in firing twenty-one great guns, second in the officers lowering their sword points and third in dipping the colors.

SPORTS HERE AND THERE

DIAMOND DUST.

"Lou" Wiltse, after a successful wind-up of the baseball season with the Newark Eastern League team, has returned to Plainfield and with his family will live in the New Madison. Although he pitched but a few games for Newark, since joining the Sailors, he proved that he is in the best condition again and able to do fine work. Since leaving the Tri-State League, "Lou" has mastered the spit-ball, which he used effectively in all his games. He feels sure that next season he will lead the Eastern League twirlers. He has not yet decided just what he will do this winter, but in the future he will make Plainfield his home.

The Eastern League season will close next week. It is now a certainty that Toronto will be the pennant winner. After playing two games with Newark on Monday at the latter place, the Canadians will go to Columbus, Ohio, to play the team at that place, winners of the Western Association League pennant.

The fans will be interested in the game to be played on Crescent Oval Saturday between Clinton Avenue and Westfield. This will be a return contest and the Westfield team will be accompanied by a large band of rooters. The locals will have to extend themselves if they want to win.

Another hard game for the Clinton Avenue will be that with Rahway at Crescent Oval on Saturday, September 28. The Rahwegians were completely surprised last Saturday when they went down to defeat before the locals and they now are looking for revenge. They will come to Plainfield prepared to do the trick, if such a thing is possible.

Frank Barberich, a New York State boy, who has been the crack pitcher of the Lawrence Club, of the New England League, made his debut for the Boston Nationals against the Giants on Tuesday, and won his game by a score of 6 to 3. He pitched against the great Mathewson.

Despite the statements of fans to the contrary, "Christy" Mathewson has pitched just as good ball this season as last, when the Giants made a better showing. The fielding of the team has been far below the average and has not been fair to the pitching staff.

The West Ends, of Somerville, have about closed their season. They possibly may play one more game, but aside from that the schedule is finished.

FOOTBALL.

Weather permitting the candidates for the Plainfield High School football eleven will report at Hope Common this afternoon for the first practise. The boys are enthusiastic over the outlook and believe that the school will have the best team in years.

A call was issued for football candidates at Princeton Tuesday and about twenty-five men responded. Head Coach Roper and Jim Cooney put the Tigers right to work on the customary preliminaries stunt. The pigskin was booted hither and thither and the players practised passing and running down under kicks until the perspiration rolled down in torrents. Of the men who came out that afternoon four are wearers of the 'varsity "P." Captain McCormick was on hand, as were Eddie Dillon, quarterback; Tibbott, halfback, and Phillips, centre. Five of last year's freshmen team showed up in the persons of Barr, Reed, Dawson, Baman and Jones, and several of the scrubs also were there. They were Pfeiffer, Waller, Chambers, Scott, Connors, Booth, Wagner and King. The only new player was G. Brown, who for the last two years has been under the scholarship ban. Several promising chaps are now wrestling with examinations, the passing of which will brighten the outlook considerably. McFadden, the big guard, probably will be on hand tomorrow, while it is very likely that Wister, Harland and a couple of others will be along soon.

GOLF.

Professional golfers of national reputation delighted an appreciative gallery in a four-ball match at the Hackensack Golf Club, Tuesday. Alec Smith, of the Nassau Country Club, the former national open champion, had Jack Hobbs, of Englewood, for a partner, and this combination fitted so well that the opposing pair, George Low, of Baltusrol, and Davy Hunter, of Essex County, were rather badly beaten by 7 up and 6 to play at thirty-six holes. The record of 73, previously held by R. B. Smith, one of the club members, was twice beaten. In the morning round Hobbs made a 70 and later in the day Smith reeled off a 69.

In addition to playing for a \$200 purse, \$25 extra was offered for the best individual score, both morning and afternoon. Hobbs and Smith gathered in the extra cash. Not forgetting the success which attended the efforts of Low and Hunter in a four-ball match at Bernardsville on Saturday, the spectators were divided among themselves at the start as to the probable outcome of Tues-

Country Club players by 13 to 6.

Dudley H. Barrows, one of the crack players of the Plainfield Country Club, has returned to Princeton.

"Marty" O'Loughlin still continues to play good golf and every few days he makes a low score. He is looking forward to several private matches this fall, when he hopes to be able to establish a new record.

LOCAL AMUSEMENTS

Twenty-five of the thirty-five chorus girls with "Simple Simon Simple" are natives of Pennsylvania and an even dozen of them reside in Philadelphia. Only three of the thirty-five are out of their teens and fourteen have not yet reached the age of seventeen. Nine of the girls are of German descent, six are Irish, seven are French, four are of Jewish parentage, four are Scotch and five are Welsh. The average weight of the chorus girls is one hundred and nine pounds. The average height of the girls is five feet and one inch. They are all expert dancers and it is doubtful if there ever was a chorus with so many really fine voices. Twelve have golden hair, four have auburn tresses and nineteen of them are dark haired beauties. "Simple Simon Simple" will be at the New Plainfield theatre tomorrow night.

Thirty notable musical numbers are programmed in De Wolf Hopper's "Happyland," the comic opera by Reginald De Koven and Frederic Ranken, which will be seen at the New Plainfield theatre next Saturday, matinee and night. Half of these are in the first act—the courtyard of the Imperial Palace of Elysia—and the other half in the second act—the Elysian Fields. About twenty numbers are songs—single voice ballads, duets, trios, etc., and the remaining numbers constitute the melodies that accompany the various marches, ensembles, dances, entrances and exits. Of the solos and light titled melodies we are to hear are "A Sickening Sadness Sits On Me," "The Black Sheep" and "Mimette, My Human Mermaid," by Mr. Hopper; "Robin," "The Wishing Cap" and "It Was a Rose," by Marguerite Clark; "What's a Maiden?" by Mr. Hopper, Miss Clark and Mr. Wolf; "Pretty Maiden" and "Victoria" by Mr. Phillips.

Billy B. Van, who has proved such a popular favorite in the Eastern district in previous years, will present his new play, "Patsy in Politics," at the New Plainfield theatre tonight. This musical comedy has been greatly improved, there are new situations that are worked out in a farcical way by Van, the songs are new, as are the musical numbers and scenery and costumes worn by a large chorus of good singers and dancers. Van is funny in a natural way. His mannerism being odd, his humor keen, and his dancing ability being of a high order he has a number of songs that are easily remembered. Skidoo especially being a clever bit of parody set to music. Rose Beaumont, who gained fame in the big musical comedy success of Broadway, appears in the principal feminine role. She acts spiritedly and sings daintily. The other supporting members of the company are Florence Brooks, Blanch Latell, Frank C. Evans, Chas. Saxon and William Carroll.

RAILROAD TRAVELERS ANGRY.

Order to Keep Loiterers From Summit Station Creates Trouble.

Summit, Sept. 19.—The promulgation of an order by Chief of Police Brown to the effect that the Lackawanna railroad station here must be kept clear of loiterers and the strict enforcement of the order by the policemen is causing trouble. Sunday evening one of the policemen approached two prominent citizens of the city who were standing in the station and demanded to know if they were waiting a train.

One of the men approached is a daily commuter and had in his possession a monthly ticket, while the other is a daily traveler over the Lackawanna. The gentlemen declined to give the officer the desired information and he promptly ordered them to vacate the station waiting room, which they did after giving vent to their pent-up indignation and declaring they would ascertain whether they could be prevented from standing in the station.

The late Mayor Wilcox agreed with the Lackawanna officials when they placed a partition in the new station shutting off the passageway between the east and westbound tracks and which was later torn down by a small army of angry commuters to assist in preventing loitering in and about the station, and it is declared by the police officials that this agreement is to be strictly enforced and only those having tickets and awaiting trains will be allowed to stand about the station.

Diamond Cutting.
Diamonds are cut in three different forms—the rose, the brilliant and the table, of which the second is the prettiest. It is a double pyramid or cone of which the top is cut off to form a large plane and at the bottom, directly opposite, to a small plane.

day's match. Hunter, however, played well only in spots, while Low was decidedly off his game. In fact, the metropolitan open champion failed to get going at anything like his usual pace.

George Pearson, the Yountakah Country Club professional, holds the best record for the Nutley course, going out in 34 and home in 37 for a 71. This is a stroke better than the old record made by Hobbs three years ago. Par for the course is 72, and in getting his record Pearson made every hole in par or better.

Martine's Defeat.

Editor, The Daily Press:
As a Democratic voter, voicing the sentiments of many other Democratic and Republican admirers of James E. Martine, I should like, through your columns, to ask any intelligent delegate to the State convention at Trenton, why the outspoken, fearless champion of Democratic principles above named, the only man who could have carried Union county, and as we believe the whole State, Democratic, the only man whose nomination the Republican campaign managers feared, in fact the people's candidate, why, I ask, was he turned down at the ninth hour, and the nomination given to another, after Mr. Martine had retired with the practical assurance of the nomination by a majority of the delegates in caucus? What, I ask, brought about this sudden change? While Mr. Katzenbach may be an estimable man, where does he stand concerning the principles so clearly enunciated by Mr. Martine, and why has he not declared them? Can it be possible that those 750 delegates were completely switched to the Katzenbach standard by the eloquent persuasion that one man from Elizabeth, after declaring for Martine, or were the people's interests subserved to those of the corporations whose methods Mr. Martine had so honestly and openly fought? Be the motive what it may, an irreparable blunder was made that will bring defeat to the Democratic party at the coming election, just as surely as an election comes, for a great number of voters feel that they have been duped. That Katzenbach does not represent the people, that the corporation interests dominate the candidate and the situation, and that the whole grandstand play was directly in their hands. With James E. Martine at the head of the ticket, were confident of victory, or at the worst, honorable defeat. But we feel that existing conditions are not an honest expression of the people's choice or will, and as an inevitable result, at least, two years of political oblivion states the Democratic party in the face.

Respectfully yours,
GEORGE S. DUFFORD,

H. J. GRANT'S \$3,000 VERDICT.

Wins Damage Suit for Road Cut by Hawthorn Borough.

Hugh J. Grant, formerly mayor of New York, who has a large country estate at Oradell, was a successful plaintiff in a suit tried in the Hackensack courts yesterday, when he received a verdict of \$3,000 damages from the borough of Hawthorn.

The officials of this borough cut a road through the middle of Mr. Grant's golf grounds, and the commissioners appointed to award damages allowed him \$1,340. Mr. Grant appealed from this award and yesterday the jury more than doubled the damages for him.

COLLINS A CANDIDATE
TO OPPOSE EGENOLF

COUNTY LEADER ACCEPTS CHALLENGE
FOR A FIGHT.

When the Democratic committee of Union county will elect a member of the State committee next April to succeed Peter Egenolf, there will be a contest for the place, and the opposing candidates will probably be Mr. Egenolf himself and General Dennis F. Collins.

After Mr. Egenolf had made his speech in the Union county caucus at Trenton Tuesday prior to the State convention it developed that Mr. Egenolf is not yet reconciled to the leadership of General Collins. Egenolf was one of that wing of the Democracy which strenuously opposed Collins a few years ago and sought to read him out of the party, but against which faction the general has steadily made his way to the front till he grasped the undisputed leadership both in city and county, and came within an ace of making himself the most prominent State figure by the nomination of Martine for the Governorship. No other ground for Egenolf's present opposition to the general could be thought of by those who discussed the situation. It is about the only well known Democrat who seriously opposes Collins' leadership.

The Union county committee was under the impression that a member of the State committee was to be elected yesterday, and that impression prevailed up to the hour that the caucus met. John J. Lane, of Summit, desired to be a candidate for the place. He wrote to General Collins to find out if he had any ambition to be elected to the State body. Collins replied in the negative. Then, according to the story told by various delegates yesterday, Lane wrote to Egenolf, who replied that he could not be a candidate if any one else sought the place unless that other person should happen to be General Collins. Should Collins seek the honor Egenolf wished it to be understood that he was decidedly in the field.

All this became public property during the "cussing" among the delegates after Mr. Egenolf had opposed Martine's nomination. General Collins was asked if the story was correct. "I understand," he said, "that Mr. Egenolf has expressed himself to the effect that he'll be a candidate against nobody but myself. He'll have the opportunity. I accept the challenge. I am from this day forward a candidate for membership on the State committee."

The member of the committee will be elected at the convention that will choose delegates to the national convention of 1908. The change was made a year ago by the State committee so as to avoid changing the methods of the committee on the eve of a State campaign.

A HISTORIC PROPERTY.

Chancery Court to Consider Sale of
Land Devoted During War of
Rebellion.

Vice Chancellor Stevens in Newark yesterday referred to Frederick F. Guild, as master in chancery, a petition for leave to sell a tract of land owned by the First Presbyterian church, of Springfield, a church that figures prominently in the history of the War of the Rebellion.

Two tracts of land, amounting to 13½ acres, were devoted to the church in 1764 and 1775. It was stated in the deed that it was to be held forever in trust for the church.

A trolley line has been constructed through Springfield, and the land in question has become valuable. A portion of it was sold to Stewart S. Hartshorne, but when it came to passing the deed trouble was encountered, and it is to ascertain whether the transfer can legally be made that the action referred to Mr. Guild was brought.

TO IMPROVE ESSEX PLATFORM.

George L. Record Drafting One to
Suit Hudson County Conditions.

George L. Record, Corporation Counsel of Jersey City, is working on a platform that will be submitted to the Republican State convention and embody the things for which the Hudson county New Idea men have been struggling. He does not like the platform adopted by the Essex county convention a few days ago, and in discussing it said:

"That platform will never do for us. It does not include the things that we have been fighting for. We want a platform adopted that will contain our ideas. I am sure that a man will be nominated at the convention who will stand by each and every plank. The Essex platform stands for the direct primaries only up as far as the county offices. We want it for all offices. It has no franchise tax clause, which we demand. We want a direct election of United States Senators, while the Essex platform only allows the voter to express an opinion or preference at the general election. We also want a public utilities bill, such as Governor Hughes has had passed in New York."

'T WAS THE BANNER DAY

At the Closing-Out Sale of the Hallet & Davis Piano Store's Stock of the
Highest Grade Pianos and Organs.

Yesterday's Sales Largely Exceeded

That of any other day. At this rate the stock will all go by the middle of next week. If an instrument is needed, 'Twill pay you to call early and investigate.

OPEN EVENINGS, No. 170 EAST FRONT ST.

Yesterday was the banner day of the great Closing-Out Sale of the Hallet & Davis Piano Store's stock of fine pianos and organs at factory cost prices, on easy payments. More pianos were sold, and more inquiries were made by personal calls, by mail and otherwise than on any previous day of this positively closing-out sale.

IF YOU NEED A PIANO OR ORGAN?

If you have promised your wife or children an instrument—but are waiting until a little later, perhaps, when you think you could better afford it—or waiting, perhaps, until you could pay cash, then I say to you most emphatically: "Now is the time for you to buy."

Now, when you can save from one-third to one-half on the regular selling price of these beautiful pianos.

Now, when your credit will buy far lower than you can buy ordinarily for cash.

Now, when the terms are easier than ever before, practically your own terms will be acceptable.

This is the opportunity of a lifetime to purchase a piano of the highest grade at prices about the same you would pay regularly for the ordinary kind.

Can you afford to miss this opportunity? Not if you expect to buy an instrument in the next three years.

MARKED IN PLAIN FIGURES.

Every instrument marked in plain figures, showing clearly the great reductions. One price to all—the marked price—a child can buy as well as the shrewdest buyer.

Notwithstanding the prices I am quoting at this sale are based on cash cost, and much less, in many instances, yet I will accept easy payments at the marked prices, the only difference between all cash and easy payments being a small interest on the deferred payments.

The stock consists of such well known makes as the Hallet & Davis, Kimball, Conway, Bowen, Wellman and many others.

Several New York-made \$250 pianos with thoroughly first class works, but in plain case designs, sale prices \$117 to \$143.

Upright pianos, regular value \$250, \$275, \$300, to be closed at from \$103, \$187 and \$207. Terms, \$10 to \$15 down, and \$5 to \$7 monthly.

Upright pianos, comprising various good makes; regular values \$225, \$350, to \$375, to close at \$175, \$193, to \$237.

Terms, \$10 to \$20 down, and \$6 to \$10 monthly.

New Cabinet Grand upright pianos of the highest class, regular \$400, \$450, \$500 and \$600 styles, sale prices \$287, \$317, \$343, and slightly upwards for the more elaborate cases.

Terms, \$25 cash, and \$10 monthly.

SOME ORGANS TO GIVE AWAY.

I will give away a number of fine cabinet organs, simply asking you to pay for the cost of the cartage and the repairs.

Some of the finest grade cabinet organs at prices from \$17 up to \$54 for the new and finest cases.

Terms, \$3 to \$5 down, and \$2 to \$3 monthly.

A five-year factory warranty given with each instrument and entire satisfaction guaranteed.

Store open evenings until 9 o'clock.

A PLAINFIELDER ABROAD

(Continued from page 1.)

If he is hurt he must be paid for his injuries under the new limited liability act, and the inner man is provided for through the medium of restaurants, not only cheap, but good. At these restaurants you can get a hot pot of tea for one penny, a fresh fried egg for the same amount, and I have on more than one occasion partaken of a very good lunch for the sum of 4½d or 9 cents.

When we remember that according to figures stated by the bishops of London, that 1,292,000 persons in that great city have an income not exceeding 21 shillings per week per family it shows how important it is that these cheap restaurants should exist.

A wave of socialism is spreading over England, and the propaganda must be making itself felt, for a Socialistic Sunday school is now an established fact, the school visibly parading itself on Sundays in charabancs, liberally placarded with the fact that its sponsors are those that fight for their principles under the red flag.

Those who are making their initial trip to the continent should scrutinize carefully the money they receive in change if they would preserve themselves from loss and humiliation. In the Latin union, consisting of Belgium, France, Italy and Switzerland the current coins of each country are legal tender in each other country, yet you must remember that unless Helvetia, represented by a female figure is standing up on the obverse of Swiss coins is the coin good, for if she is sitting down the coin is an uncurrent one and worth but the price of old silver. These remarks apply to the one franc pieces and a book could be written as to what five franc pieces are good.

While drachmas of Greece are frequently tendered you by tradesmen. So much one might stand, but when the peseta of Chile and the copper of Argentina is offered to you in payment you wonder where the imposition will end. Do not be surprised either if you find an occasional lead piece in your change. The places are not unknown where a box of these pieces is kept to pass off on the unsuspecting.

In Switzerland, the postoffice does the work of the express companies at home, and trunks are as easily sent by post over the diligence routes in that country as a bundle of papers is in ours, and it is not an infrequent thing to see jars of cream and boxes of eggs transported in the same fashion.

At some of the fashionable continental watering places the menus at the restaurants are not priced, the intention evidently being to obtain the utmost from a customer within the limits of reason that his pocketbook will stand, and while the food thus furnished is delicious and attractively served, yet I do not believe that it appeals to Americans

to be charged two prices for anything. This allegation is not made upon idle rumor, but from actual experience, with documentary evidence to substantiate it. At these fashionable restaurants the dining room is placed next to the promenade, the distance between the diner and the hungry crowd outside being but that measured by the thickness of a pane of French plate glass, and I have seen as many as 200 of the poorer members of society literally pressing their noses against the pane watching the beautifully gowned and bejeweled members of the upper ten, with their escorts, enjoying a meal with delicate wines and delicious viands running probably into as many francs per meal as each spectator receives in a month, and with almost a speaking appeal of trying to content themselves with the sight of others enjoying in abundance what they may never have the means to partake of, and which seeing must engender feelings other than those of friendliness towards the participants behind the glass. Such ostentatious display of eating and acting is not helpful to the putting down of anarchistic notions.

No wonder we hear of an International Anarchistic Congress holding forth in Amsterdam.

AUTO ABLAZE.

C. W. Leveridge's Machine in Flames.

An automobile owned by C. W. Leveridge, of 825 Sherman avenue, was destroyed by fire about 9:30 o'clock, last night, while Mr. Leveridge was returning to his home. A telephone call to fire headquarters summoned the chemical engine. The two chemical tanks were used to extinguish the blaze. About all that was saved of the machine were three wheels and the iron frame work.

Exactly what caused the blaze is not known, but it is Mr. Leveridge's opinion that a leak in the gasoline tank was responsible. He was riding along Plainfield avenue in the city limits, when he discovered that something was wrong with his machine. The instant he jumped out of the auto it was enveloped in flames. Realizing that he was helpless to put out the fire, he ran to a nearby house and asked fire headquarters for help. When the firemen reached the scene all hope of saving the machine was gone.

CHRISTIAN ENDEAVOR.

Prayer Meeting Topic For the Week
Beginning Sept. 22.

By REV. S. H. DOYLE.

Topic.—God's omnipotence.—I Chron. xxi. 9-12.

Omnipotence means all powerful, the omnipotence of God, that God is all powerful.

This is true of God so far as the natural world is concerned. His power has been manifested, first, in the creation of the universe and, secondly, by the fact that He has and does sustain and control it. God is the absolute, sovereign ruler of the universe. He made it "by the word of His power," and by the same power He sustains it. Man has gradually learned by power to use many important things in the natural world. He is conquering and subduing it. But what is his power to the infinite power of God? Man builds a mighty city, but the earth quakes and it is destroyed. He sails a magnificent vessel, but a storm arises and it is gone. All human power is subject to the desire and will of God. His infinite power should arouse our admiration, and admiration should lead to love and devotion.

God is all powerful in the spiritual world. He only has the power to forgive our sins, but He is willing and anxious to use that power in our behalf if we are only willing. He only through the Holy Ghost has the power to give unto us spiritual gifts, but He is ever ready to do so. He is more willing to give us the Holy Spirit, said Christ, than earthly parents are to give good gifts unto their children. Can we doubt His willingness to do so in the face of this statement of Christ? Are we living low spiritual lives, devoid of spiritual power? Then let us seek power and its source and fountain head, the throne of God, through prayer, and we will receive it. God has the power to help us overcome temptation and sin. Do we want to overcome them? Then let us go to God, through whom, in Christ, we can do all things.

BIBLE READINGS.
Ps. cxv. 1-3; Jer. xxxii. 16, 17, 27; Matt. xix. 23-28; Matt. xxviii. 19, 20; Eph. iii. 20, 21; Rev. xix. 1-6.

An Age of Big Things.

The twentieth century is pre-eminently a century of great achievements. Congress appropriates a billion dollars. The Pennsylvania spends \$50,000,000 to gain an entrance into New York city to save the annoyances and a few minutes' delay caused by the ferry. Great steam dredges will lift untold millions of dollars out of the United States treasury and deposit them in the Panama canal. A man is not counted rich unless his income is in the millions. But all this is in the world of commerce and business. How about the realm of spiritual life? How does the Father's business for the redemption of the world?

There are many signs that we are beginning to keep step with the spirit of the age. The missionaries of the cross are carrying the gospel light to the darkest corners of the earth. Never since the days of Moody has there been such interest in evangelistic work as at the present time. A most remarkable movement in the interest of world wide missions is now being organized by Christian laymen. One of the greatest factors in the world today for the training of leaders in all these lines is the Society of Christian Endeavor. Its progress and success have been phenomenal. In twenty-five years it has gridded the globe with more than 68,000 societies and more than 3,500,000 members. Nearly 42,000,000 young people have come from its ranks into the membership of the churches. Its members have contributed more than \$15,000,000 to missionary and philanthropic work. There have been 37,000,000 religious meetings held, with an attendance of more than a billion and a half. More than sixty denominations are represented in its fellowship, and its literature is printed in eighty languages. It is training these millions of young people to be better Christians, better church workers, better citizens, and to help usher in the day when all people shall recognize the fatherhood of God and the brotherhood of man.—William Shaw, at New York State District Secretaries' Institute.

Christian Endeavor Magna Charta. Dr. Clark in an introduction to Rev. F. B. Meyers' charming little volume, "I Promise," enunciates these important truths:

"The prayer meeting covenant pledge is the mainstay of Christian Endeavor. It is to Christian Endeavor what Magna Charta was to British liberty; what the constitution of the United States is to the American patriot; what the Mayflower compact was to the Puritans; what national covenant was to the Covenanters. The societies that adopt and live up to the covenant pledge with fidelity have always prospered. No society that has ignored or weakened the pledge has long continued to do a conspicuous good work."

Not a "Job Office." The Christian Endeavor society is not a "job office" or a machine shop. We have carried the workshop idea quite too far in our estimate of the movement. It is not "the young people of the church at work," but "the church at work for her young people," which is a very different thing.—Rev. W. W. Sleeper.

Temperance Endeavor. And let Endeavorers remember that we can all pass a prohibition act—a personal prohibition act.

There is a little public house which everyone can close. And that's the little public house just underneath your nose.—Australian Roll Call.

JOURNALISTIC OPINIONS

To the Ranks Once More.

James E. Martine, one of the ablest, most earnest and most conscientious Democrats in the State of New Jersey, has once more been delegated to the ranks, and will take his appointed place, as he has many times before, without loss of self-respect, and with as strong sentiments as ever in the ultimate success of Democratic principles. Possibly he may have a few more poignant regrets this time, for it was a worthy desire on his part to be the banner-bearer of his party in this State, but it is not likely that any one will know of them except himself.

Several years ago James E. Martine was casually named for Governor in a Democratic State convention, but then, as now, the party leaders threw their influence for another man, and Mr. Martine was not heard from after the first ballot. But he was not then known as well as he is now. He has grown great since then. He carried the strong Republican county of Union against the great financier and absentee, Charles N. Fowler, and would have carried the entire Fifth Congressional District had not the Morris Republican machine worked to its utmost capacity.

Mr. Martine certainly occupied a very prominent place in the Demo-

cratic campaign preceding the convention which has just named Katzenbach. It is eminently creditable to him that he was deemed worthy of so much consideration, and it is no discredit to have been beaten by his Trenton rival. Yet it may be said that had James E. Martine received the nomination he would have made a campaign that would have covered the entire State and that would not soon have been forgotten. What the chances of Democratic success would have been under Mr. Martine's candidacy is only subject to conjecture, but certain it is he would have done all in his power to increase them. He has never been elected to office, though he has run many times, and came very near to beating Fowler, but there is a sentiment among his friends and followers that Martine had sacrificed himself so often for his party that the people would have said: "Well, he's a strong, straight man, and he deserves to be elected," and would have given him their votes. A man so capable, so honest, so faithful and so manly as James E. Martine must get his political reward some day.—Newark Evening News.

Several new members will be elected at the meeting of Franklin Council No. 41, Jr. O. U. A. M., tonight. Plans will also be perfected for the entertainment to be given in October.

COLORED CHURCHMEN IN CONFERENCE AT SHORE.

Is First Meeting of Episcopalians to Be Held in This State.

The twenty-third annual conference of colored church workers, the first to be held in this State, which is composed of the rectors and laymen of the Protestant Episcopal Church of America, convened in Asbury Park yesterday in St. Augustine's P. E. church, of which Rev. A. E. Jensen is pastor.

Preliminary to the opening of the conference there was held Tuesday evening services at the church, consisting of choral evensong and the delivery of welcome addresses to the clergymen and delegates. The annual sermon was preached by Rev. E. Robert Bennett, rector of St. Mark's church, of Wilmington, N. C. Rt. Rev. Dr. John Scarborough, bishop of New Jersey, delivered an address of welcome to the conference, to which response was made by Rev. Dr. Henry L. Phillips, of Philadelphia. There are 115 clergymen of the Episcopal faith among the colored people throughout the country.

Yesterday's session was begun with the celebration of the holy communion at 7 a. m., and there was a second celebration at 10 a. m. The deliberations are being presided over by Rev. Dr. Henry L. Phillips, of Philadelphia, the president of the Church Workers, who delivered his annual address to the conference yesterday morning at the conclusion of the divine services.

Rev. Dr. George F. Bragg, Jr., of Baltimore, Md., is the secretary of the conference, as well as its historian.

The afternoon session of yesterday was begun, and this program carried out: "The Church at Work," Rev. B. Wellington Paxton, of Newark; Rev. H. B. Delaney, Raleigh, N. C., and Rev. H. S. McDuffy, Philadelphia, Pa. "Missionary Work in a Northern City," Rev. Mr. Howard, New York city; Garrison D. Trusty, Chester, Pa., and Rev. Scott Wood, Allegheny, Pa. "Mission Work in a Southern Town," Rev. Charles L. Somers, Richmond, Va.; Rev. Robert N. Perry, of Wilson, N. C., and Rev. William T. Wood, Washington, N. C. "Self-Supporting Churches in the North," Rev. Joseph H. Livingston, Harrisburg, Pa.; Rev. James N. Drower, Atlantic City, and Rev. Robert W. Bagnall, Cleveland, O. "The Office and Work of an Archdeacon," Rev. Dr. George F. Bragg, Jr., of Baltimore, Md.; Rev. G. Alexander McGuire, archdeacon of Arkansas, and Rev. E. L. Henderson, archdeacon of Georgia.

The most important question is whether or not the general assembly, which is the governing body of the Protestant Episcopal church, shall adopt at its triennial meeting to be held in October at Richmond, Va., a canon favoring the consecration of colored bishops with special jurisdiction for work among the colored people, with particular reference to the South, who shall have the oversight and direction of that department of the church's missionary work.

BIG CANAL PROJECT.

Delaware Deep Channel a Link in Chain from Bay State.

Trenton, Sept. 19.—Mayor Revburn and Congressman Moore, of Philadelphia, are to be among the speakers at the "deep river" convention of the Trenton Chamber of Commerce in this city October 1.

The idea of the Trenton Chamber of Commerce is to secure a ship channel in the Delaware between this city and Philadelphia and eventually to make it a link in the proposed line of canals between Massachusetts and North Carolina.

Hop Too Long For Hopper.

Manager Counihan announces that a change of plans has made it necessary to cancel the matinee on Saturday and therefore DeWolf Hopper will only appear at the New Plainfield at one performance, that taking place at night. Those holding tickets for the matinee may either have their money refunded at the box office or get tickets exchanged for the night performance. It was found to be too long a jump for Mr. Hopper to get his company here in time for the scheduled matinee.

Judge Silent on Freeman Case. New Brunswick, Sept. 19.—At the opening of the September term of court here yesterday Justice Swayze, in charging the grand jury, made no reference to the crap game at Metuchen in which Dr. Freeman is alleged to have taken part.

The county ticket is composed of the following: For State Senator, George Hirschman, Jr., of Morristown; for Assemblyman, George B. Sherrette, of Morristown, and F. J. Harvey, of Rockaway; for surrogate, William Schepps, of Randolph township. The Dover ticket is as follows: For mayor, Joseph Wolverton; for alderman, Joseph B. Shaw; for common councilmen, B. W. AMUSEMENTS.

An attraction that will please every taste has been provided for the patrons of the New Plainfield theatre on Wednesday, September 25, matinee and night, when "Around the Clock" will be presented here by those inimitable fun-makers, the Ritchie London Comedy Company, who were last seen in the travesty, "A Night in a London Hall." "Around the Clock," ever since its initial performance, has enjoyed a degree of success seldom attained by attractions of like character. Thus far this season the comedy has been greeted by crowded houses at every performance. The universal laudatory criticisms of both press and public wherever it played easily attest its right to rank in the first flight of musical comedies. It is full to overflowing with mirth, music and dances, clever comedy situations, high class specialties, and presented by a large and well known company.

RUTGERS COLLEGE OPENS.

Freshman Class This Year Will Be Largest in History of Institution.

New Brunswick, Sept. 19.—Rutgers College opened yesterday morning for the fall session of its 142 year. There have been 135 applications for admission to the freshman class, and of these 100 have qualified. The total enrollment, exact figures of which cannot yet be ascertained, will be the largest in the history of the class.

The trustees will hold a special meeting Friday to take final action on the plans for the new engineering building, which is to cost \$50,000, and of which \$25,000 was raised by general subscription among the friends of the institution. The other \$25,000 was given by Andrew Carnegie.

In his address to the students, Dr. Demarest paid tribute to the men whom Rutgers had lost during the past year. Among those he mentioned were Cortlandt Parker, of Newark, and Judge Woodbridge Strong, of New Brunswick.
